Two area youths injured in wreck

Two Eldorado teen-agers were involved in a grinding head-on collision 6 miles north of Sonora on Hwy. 277 at approximately 1:00 a.m. Sunday morning.

Jeanette Gibbs, 16, and Diana Harris, 18, both of Eldorado were traveling south toward Sonora when a 1978 Chevrolet Monte Carlo driven by Rogelio Coronado, 35, of Sonora struck Miss Gibbs' vehicle head-on. Coronado's vehicle was traveling north in the southbound lane at the time of the collision. Coronado has been charged with driving while intoxicated. The 1980 Mazda Miss Gibbs was driving burst into flames

after the impact. Miss Gibbs and Coronado were taken to Sutton County Hospital by ambulance and Miss Harris was taken there by private vehicle. Coronado's condition was not known at press time. Miss Harris sustained injuries but has been released from the hospital. Miss Gibbs has been transferred to Angelo Community Hospital where she is listed in critical condition with head injuries, internal injuries, lacerations and numerous broken bones.

A fund to help defray the hospital costs for Miss Gibbs has been started at the First National Bank in Eldorado. All donations will be deeply appreciated.

Deer Seminar

Sept. 12th

Willard Richter, SCS biologist, Tommy Hailey, TP&WD biologist, and Jake Landers TAES will present a program on "managing deer herds and hunting leases" in a seminar to be held in the Agricultural Barn, September 12, 1983 at 7:30 p.m. here in Eldorado.

The seminar is sponsored by the Eldorado-Divide Soil and Water Conservation District, the Texas Agricultural Extension Service and the Texas Parks and Wildlife Department.

Tri-Cities Shriners host circus

The Tri Cities Shriners Club is sponsoring the Shrine Circus that will be held in Sonora at Sutton County Arena on September 17th. The well-known circus is produced by Carden, Int. and performances will be held at 2 p.m. and the evening performance will begin at 7:00 p.m.

Tickets for the circus can be purchased at the gate or advance tickets can be purchased by calling 853-2091 or 853-3069. Tickets are \$4.00 each or can be purchased in groups of 8 tickets for \$25.00. Area school children will be given FREE tickets at school.

The circus will feature all the exciting acts associated with the Big Top including trapeze artists, clowns, wild animal acts and thrilling acts to excite everyone.

This is the first circus the Tri-Cities Shriners have sponsored but if the response is as expected it certainly will not be the last. Officers of the club are: Nelson Malik President; Wayford Tyler, Vice President; Joe Moore, Secretary; Les Robertson, Treasurer. Directors are: John Mitchell, Scott Shurley and Herb Kerby.

The new club was chartered in early 1983 and is comprised of 30 members from Sonora, Ozona and Eldorado.

Nancy Lester and Carne Decker prepare for a mere hike in the woods.

Lester goes on high adventure

A mere slip of the pen by Schleicher County's own Nancy Lester brought her the knowledge of knowing how to cope in bear country.

A few weeks back Nancy, with four other advisors and counselors plus 13 senior 4-H members spent two weeks in the northern New Mexico Rocky Mountain range. It all began when Nancy signed up for the 4-H High Adventure Program as opposed to a 3-day encampment at the 4-H Center in Brownwood by mistake but, that mistake turned into a very pleasurable and rewarding for Nancy as well as the other attendants.

Mrs. Lester, the county's Home Demonstration Extension Agent, stated that the two week back-packing program was designed to build confidence, develop leadership skills and to learn how to work in group situations by sharing responsibilities.

The trek took place on the

Philmont Boy Scout Ranch, a 220 square mile portion of the rugged mountain wilderness known as Sangre de Cristo near Cimmaron, New Mexico. This the third year of the program was attended by Nancy, her co-horts, Carne Decker of Eden, Jimmy Rogers of Austin, Laura Brumbley from Rusk and Ray Minkley of Matador. Counselors as well as the students shared in the duties such as carrying between a 30 to 60 pound pack daily, selecting routes, and preparing the campsite which entailed the gathering of water and wood, cooking, preparing the tents and protecting themselves from the wildlife which abound on the scout ranch.

One of the highlights of the trek came when a bear visited the camp in search of food but, like all good camping practitioners, the 4-H'ers had prepared for their visitor by placing a burlap bag containing all the food and

other personal articles which might attract the attention of some nocturnal prowler in a tree at least 12 to 16 ft. above the ground. The campers learned to reach such heights unassisted by developing tree climbing skills using spikes and climbing belts. They also learned how to climb a flat sheer 14 foot wall unassisted except by their fellow campers.

The group visited such notables as 12,500 ft. mountain known as Old Baldy, a deserted cantina and a mine shaft and in route to the scout ranch the group attended the gala Texas pageant at Palo Duro Canyon.

Over all Nancy felt that the total experience was extremely rewarding to all involved, even if it did mean having only one change of clothes and one bath during the entire trek, she has already made plans on returning to the 4-H's program of the High Adventure.

Baptist plan fair enlistment

The First Baptist Church basement will be the location of the B.Y.W. World Fair Enlistment to be held Tuesday September 13th from 10:30 a.m. to 12:30 p.m. The meeting will be a time of prayer, music and fellowship.

The purpose of the meeting is to inform the community of B.Y.W. and it's programs, such as it's outreach programs and missions both neigh-

borhood and foreign. The Main Speaker for the day will be Mary Hoffman of Sonora. Mary is a worldwide traveler and makes two trips annually to Africa to work with the natives.

Everyone is invited to attend the meeting which will feature a covered dish luncheon. A nursery will be provided and mothers are requested to bring a sack lunch for their children as they will be having a picnic lunch.

On The Go!

By Evelyn Stigler

Mr. and Mrs. Jerry Jones have recently returned from a long trip as far as Alaska and back. They went one way and came back another stopping all along the way when there was something to see and camped out at night most of the time.

From Eldorado they went to Amarillo where they spent two days with his brother, Boyd Jones. From there they went to Fountain, Colorado to visit Mr. and Mrs. Jimmy Davis, Jerry's sister and her husband.

They drove through the state of Colorado, Wyoming, and Idaho to Jasper Park in British Columbia, Radium Hot Springs and Baniff Park near Alberta, Canada. They camped out in the parks and enjoyed seeing the many animals.

When they got to Watson Lake in Canada they got on the Alkan Highway where they drove on to Anchorage and Homer to visit another brother, Stanley, who homesteads in Alaska in 1955. He had lived in a log cabin until recently when he moved into a new home which he built.

A cousin, A.E. Owens and his wife from Grand Saline, Texas met them there in Homer and they all spent a week together.

They took a ferry from Homer over to Seldovia where they spent one day.

On the way back they drove up to Fairbanks, across to Watson Lake and back on the Alkan highway toward Texas and home.

On the way back they drove up to Fairbanks, across to Watson Lake and back on the Alkan highway toward Texas and home.

They were gone five weeks and drove miles. Jon and Rene Calcote

spent three weeks recently touring all the western states from Colorado to Oregon. They spent a week in Oregon with Jon's sister, Katheryn and Jack Gillette in Christmas Valley, California near Sacramento where they spent three days with Charlie Warnock's mother and sisters.

On the way back they came by the Grand Canyon, saw Crater Lake, came by Las Vegas, saw Cripple Creek in Colorado and many other interesting places along the way.

The Gene McCallas have also spent three weeks touring the Western States. They went to Colorado first where they joined their daughter and family Genelle & Russel Pennington to continue on their tour. They traveled in a van and pulled a trailer. With three children and four adults they needed lots of room.

They spent three days in Yosemite Valley and while there they attended a Church of Christ Family Enchancement. There were classes of everyone-every age. On Sunday there were 7000 people present.

In San Francisco they went to Fishermans Wharf, Alcatraz Prison which they circled.

They drove north through Redwood Forest into Oregon through Myrtle wood Forest and crossed over into Washington near Mt. St. Helens. They saw Tottle River where the slush from Mt. St. Helens completely filled the river. They went through Seattle and Everett and saw the Space Needle in Seattle.

One of the most interesting places they saw was the harvesting of English Peas of Jolly Green Giant canning company. There was a long valley about ten miles long where the peas

were grown.

They took a ferry over into British Columbia where they saw the Bilhartz Flower Garden, a museum, House of Parliament & the Empress Hotel where the queen stays when she is there.

Eagles fly past Rankin 46 - 0

SPORTS

By Mack Redish

The Eldorado Varsity football team went against the Red Devils from Rankin Friday, September 2nd here in Eldorado and beat Rankin 46-0. The Eagles came into this game favored to win by seven points, someone must have forgotten to tell the players, because by half-time the Eagles went into the locker room with a 21 to 0 lead. The Eagles scored 46 points, without the penalties that were called against the Eagles, they would have scored more, that was one way to stop them.

This was the Eagles' first game of the 1983 campaign and they flew away with this one, what a way to start the season, 1 and 0.

Visiting with Coach Mitchel before the game he felt that "Rankin should have a good team, they have always had good teams and for the first time the Standard Times picked

us to beat them. It is great to be picked like that but, at the same time we tell our kids that we have to go out and prove this, I feel that we can beat Rankin but if we don't get up and get after them and don't give them any cheap mistakes, it may be a different ball game." Asking Coach about the team's attitude, he replied, "I feel that the boys themselves have come a long way and they know what it takes to win, because they have won in different times coming up through the system. With the right frame of mind, good things will come our way and it will make our attitude good." The Eagles' attitude was good, a high spirited bunch ready to play football.

One of the spirited players on the team is Trey Bradshaw and he felt before the game, that, "we will do good against Rankin because all the guys have been working hard all

Bret Nikolauk shows the Red Devils how it's done last Friday night, on one of his carries.

week, and they will come out of the locker room fired up." Trey was picked as one of the team captains and said, "I am proud that my teammates think so much of me and I am very proud of being a part of the Eldorado Eagle football team."

Ron Sauer put in a fine performance, the Red Devils were not able to run the ball well against the Eagles as Ron filled holes that the Devils thought were there. Ron was really confident on their chances of beating Rankin. When Rankin did decide to throw the ball the Eagles were equal to the challenge.

With Victor Gutierrez back playing safety, it wasn't much for the Red Devils to gain through the air, before the game Victor was hoping he could come away with a few interceptions and he was able to get one and ran the ball back for 40 yards before he

was stopped on the Red Devil's 20 yard line. Jon Robledo is part of that secondary that held Rankin down from staying in the air, he also picked off a Red Devil pass and ran for 30 yards, he also showed some nifty running on offense.

Ricky Cathy was named offensive player of the week against Mason and before the game he said, "I'll be looking to catch everything thrown my way." Ricky caught a 20 yard pass and he had a few key blocks to free the backs coming out of the back field.

Coach Mitchel was really proud of the team's performance and after the game Coach stopped to have a few words, on winning 46 to 0 Mitchel said, "I feel great and I hope we will do it again the guys played super."

The Eagles' first score came on a quick pitch from Phillips to Douglas Ussery 11 yards out. Ussery kicked for the extra point and missed. The Eagles regained possession of the ball 4 plays later, and Mike Phillips ran in for the second score on a quarterback keeper for 10 yards. The Eagles went for two and the same play was called and Phillips came up with the two points. Ussery kicked off to the Red Devils and on their second play, Bret Nikolauk picked off a pass and raced for a 20 yard touchdown, the extra point was good. Before the game Bret was concerned with, "stopping up the run in the middle." It was hard for Rankin to run anywhere, with the Eagle defense all over the field. The Eagles fourth score came on a hand off up the middle to Ussery and he

was hit four times before he rambled in for a 35 yard touch down, the extra point was missed. The fifth score came on a three yard straight ahead run by Jay O'Harrow. Jay excited the crowd with his over powering runs through the Red Devils, he once broke loose for a 30 yard touchdown and then for about a 15 yard touchdown but, both were called back on penalties against the Eagles. There wasn't any denying O'Harrow this night of long runs, like a man possessed, Jay took the hand off, burst up the middle, pushed a couple of Red Devils to the side with one hand and ran for a 82 yard touchdown. No flags on that play.

The Eagles' last score came on a hand off up the middle to Chris Woodward, who carried a few Red Devils for five yards to score. A fine display of fireworks by the Eagles and it wasn't even Labor Day! After, the Eagles stopped for a few words. Unofficially we had Ussery with 9 carries for 91 yards with penalties. Asking how he felt about his performance Ussery replied, "later on in the season I will do better and hopefully my back up, Jay, will do the same." Tom Dean came up with a big smile on his face and this reporter asked him how he felt about the game he replied, "I feel good about the game, our second team did a real good job moving the ball and 46 points shows how good we really are." Visiting with O'Harrow who unofficially had 9 carries for 171 yards with the penalties, his feelings were, "I feel real good about the team, no one person could do it, it has to be a team effort and I feel we will go all the way

this year." Sonny Dean stopped by and he said, "I think we played real good except for the penalties but we made them up on long runs and I think we are going to do really good this year." Asking Sonny about the 46 point spread, he replied, "I feel great!" John Church stopped by and he said, "If our defense keeps playing like this we will have a good chance to shut out everybody we play." Church was asked about how he felt about being picked to win by 7 points, he replied, "That was a mistake, it wasn't by 7 - it was by the multiples of 7." Multiples of 7 or not, the Eagles played a great game, and Friday the 9th of September you can catch them in action again, against the Braves from Iraan, here in Eldorado on the Eagle field. Kick off time is set for 8:00 p.m.

Harris Rating

This week's Harris Rating System has again picked Eldorado to come out on top this Friday over Iraan by 14 points. The Eagles have come up from last week's ranking of 46th to 36th place.

Other area teams and how they are ranked in the state for their class are: Sonora 158th, Ozona 95th, McCamey 11th, Wall 12th, Stanton 84th, Mason 104th and Junction 105th.

- Newline -

How long has it been since Odessa Permian gave up 21 points in a football game? Coronado (El Paso) plugged the Panthers for that many last week. This is not a good sign for Mojo who lives on defense.

How the Top Ten Class AA fared last week:

1. Pilot Point beat Van Alstyne, 38-0.
2. Hale Center beat Olton, 27-6.
3. Grand Saline beat Van, 21-14.
4. East Bernard beat Klein Oak, 25-12.
5. Boyd beat Decatur, 25-18.
6. Panhandle beat Sanford-Fritch, 41-0.
7. Hamlin beat Stamford, 20-0.
8. Groverton beat San Augustine, 27-6.
9. Ganado beat Nixon-Smiley, 38-0.
10. Waskom beat Garrison, 54-0.

Cheerleaders keep Eagles flying high

There are six young ladies who try to keep the spirit up for the players and for the people in the stands. We got a chance to meet them this week and see how they feel about being cheerleaders.

Head cheerleader for the Eagles is Jennifer Willoughby. She is a junior and she has been cheerleading for 5 years at Eldorado. This reporter asked Jennifer what made her want to be a cheerleader, she replied, "It's a lot of fun." But she is not looking to cheer after she finishes high school.

Visiting with the other five cheerleaders this is what they had to say. Missy White is a senior and has been a cheerleader for five years. After high school she said, "I will be looking for an education and I won't be looking to take cheerleading any further."

Gina Patton is a senior and she's been a cheer-

leader for six years. After high school she would like to be in a pep squad or such an organization in college.

Charlotte Mobley is also a senior and this is her first time as a cheerleader. At first being new on the squad Charlotte felt a little pressure but, everything is coming to her. Her feelings on wanting to be a cheerleader were, "It's a lot of fun and the people look up to you."

Roxanne Pina is a junior and she has been a cheerleader for two years. Her feeling on wanting to be a cheerleader is, "It is a great honor and your peers look up to you."

Kelly Leggett is also a junior and she's been a cheerleader for three years and feels that going to camp this summer brought the cheerleaders closer together an all became better friends. Her feelings on wanting to be a cheerleader was, "I enjoy helping the

guys and being active in school." Kelly is not looking to take cheerleading any further than high school.

The girls went to SMU this summer to cheerleader camp and really enjoyed themselves. They learned

about five cheers and a bunch of chants.

All the girls felt that being cheerleaders makes them a little closer to the team sharing their ups and downs. Hopefully the Eagles will have a lot of up!

Eagles get helping hand

Having a helping hand in the victory there is a young man on the side line but, he is not in uniform; the jersey he wears on the back reads "manager". That title goes to Randy Scott. Randy is a senior and he has been the Eagles' manager for five years. Visiting with Randy he said, "My responsibility to

the team is to make sure the players get their equipment, bring them water, and whatever else they need." Randy really enjoys doing the work that he does, it's a joy for him to be on the field with the guys. Randy feels with spirit and pride the Eagles should do good. Randy also would like to manage on a college level.

Booster club news

Booster Club met for its regular weekly meeting last Tuesday night. Mrs. Harvey Dean was elected Secretary-Treasurer of the Club at this time.

President Bill Gentry urges citizens to get involved in the Booster Club as the games the Eagles will be playing the future will be getting tougher. The Club wants to keep the team's spirit up and it takes interested "Boosters" to get the job done.

Also, Gentry urges area businesses and individuals to help if they can on the advertising of the football schedules they are selling.

The next Booster Club meeting will be held Monday night at 7:00 pm, in the All Purpose Room in the Administration Bldg. of EHS.

Bad News hits Eagles Players injured

Saturday morning the Eagles were hit with some bad news. Trey Bradshaw was hit on the side of his left knee as he was pursuing on the opening kick-off. They will be out for the rest of the season; he was operated on Saturday morning. Trey had two torn ligaments repaired.

Friday, they both were out of the line up nursing bad cases of strep throat.

David Corbell, who was injured in Fridays game, was hit on the left knee also, his injury was reported as a bad strain, and he will be back in action in two to three weeks. Mike Belman was hit on the right knee and it was reported as a bad twist, hopefully he will be back Friday. James Flutsch and George Gandar are expected to be back

An important part of your electric bill:

In the past, your electric bill was "just another item" in your family budget, but that is not true anymore. However, as a consumer of electricity, YOU can make a difference. How you use electricity is an individual matter—it is in your hands—and in your pocketbook.

At West Texas Utilities we are working to provide dependable service at reasonable rates. Unfortunately, the costs of producing and supplying electricity have soared. WTU has had no choice but to raise its rates to pay for the high cost of fuel to generate electricity.

We know you are concerned about your electric bill, and we suggest a few things that

can help you save money and energy.

Make it a family project to learn more about conservation. Keep your thermostat set at 78 degrees or higher in the summer and 68 degrees or lower in the winter. Operate your washing machine, dryer and dishwasher only with full loads. Turn off the television and lights when you leave a room. And check around your house to find other energy-saving measures that can mean dollar savings on your electric bill.

WTU is working to ensure an adequate supply of electrical power for YOU and all of our customers, while trying to assure the most value for your energy dollars now and in the future.
