

# SCHLEICHER COUNTY LEADER

(U.S.P.S.) 342-470 Ten Pages November 3, 1983 25 cents Eldorado, Tex.

## Loeffler approves EPA decision

Congressman Tom Loeffler issued the following comment this week to the Leader concerning the re-registering of Compound 1080.

"I applaud the decision by the Environmental Protection Agency to re-register Compound 1080 for use in

both the toxic collar and in single lethal baits. I am pleased to see that the EPA made a positive decision on the most selective and effective predator control agent on both public and private lands. With this decision livestock producers have won an important victory."

## County bosses appoint committee for 150th year celebration

The Schleicher County Commissioners Court met Monday morning October 24th for their regular session.

After the Court read and approved last meeting's minutes, the monthly bills were approved for payment.

Commissioners discussed the repair for the lawn mower and it was decided that a short block would be used for the repair.

The Court approved County Treasurer A.G. McCormack's Quarterly Report.

The Texas Sesquicentennial to be held in 1986 requested that Schleicher County appoint a committee to work up Schleicher County's contribution

to help celebrate Texas' 150th Anniversary of Independence. Those appointed to the committee are: Evelyn Stigler, Jewel Bailey, Elton McGinnes, Winona Isaacs, Ben Isaacs and Margaret Frost.

Sick leave and vacation time was set by the Court. Employees who have worked one year or more are entitled to 80 working hours vacation time and 40 working hours sick leave. Additional leave for longer illnesses would have to be approved by the Commissioners Court.

After this matter was approved the Court adjourned.

## Town meetings held on drugs/alcohol

The first Town Meeting concerning drug and alcohol abuse among our school age children was held Nov. 2nd in the school administration building. At presstime (Wednesday morning) the outcome of this meeting was unknown but expectations were high concerning the public turnout.

The next Town Meeting will be held Nov. 9th and like the previous meeting the audience will view a documentary entitled "The Chemical People" that airs on Channel 13-PBS. The problem facing young people concerning drugs and alcohol.

A panel of experts will be on hand to answer any questions the audience may have after viewing the program.

If you missed the first Town Meeting, please do not miss the last one. The program begins at 7:00 pm and the audience is urged to plan to stay after the program for the panel discussion.

## Basketball season starts soon

It's basketball time again! The Eagles basketball team will begin their 1983-84 season by squaring off against Robert Lee on November 8th for a scrimmage. They scrimmage Menard here on November 15th.

Regular season play commences on November 21st when the Eagles take on Iraan there.

Coach Rick Singleton will lead the Varsity boys team and Coach Barton will be at the helm for the Varsity girls team. Both Coaches urge the community to come out to the games and support the Eagles this basketball season.

Little Lindsay Lampman Kindergarten and under the Halloween Carnival. won second place in the "Best Costume" division at

## Halloween carnival was a "treat" for all

Thanks to efforts put forth by many, this year's Halloween Carnival was judged a huge success by this year's sponsor, the Eastern Star.

Approximately 500 people turned out for the community event.

Sponsors for the booths and various events included: Catholic

Women, Beta Sigma Phi Sorority, Schleicher County Medical Center nurses, Lion's Club, Cub Scouts, Girl Scouts, 4-H teams, Tri-City Shrine Club and members of the Eastern Star.

Among the enjoyed activities were a Spook Walk around the Courthouse

Square and judging of the "Best Costume". Booths and activities inside the carnival included the ever-popular cake walk, finger punch, fishing tank, tattoo booth, treasure hunt, sucker pull, dart throw, toy walk plus a concession stand selling everything from hot dogs to popcorn.

## Bank's operations now computerized

A complete new NCR Date Processing System is being installed in First National Bank with completion of the installation scheduled during the month of November.

Since 1976, various data processing services have been utilized by the bank to provide all of the records output needed. The newly installed "in-house" equipment will provide servicing for all customer accounts as well as internal record keeping for the bank's operations.

The advantages of this new system to the bank customer will include one-day statement output, our own statement format, up-dated information relative to all accounts which can be called up at any time from the computer records.

All bank data will be processed with transporting of customer checks and other bank records to an off-premise processing center. The data processing will be supervised by

local bank employees who are familiar with the customer and the manner in which the customer's records are handled.

In addition to the computer equipment, the latest model NCR proof system has been installed recently. This system provides for computerized processing of all checks, deposits and internal entries in preparation for entering into the data processing equipment.

Bank employee Shirley Joiner demonstrates the bank's new "in house" computer system.

The cotton crop was smaller than last year but hopes are high for next year.

## Co-op reports low yield

Schleicher County Co-op confirmed what every one already knew concerning this year's cotton crop: bad news.

Dewayne Johnson expected approximately only 1000 bales this year in comparison with last year's figure of 4,753. Of course Johnson adds, that figure could fluctuate depending on the weather and when the first major freeze hits the county. Duwain Sauer brought in the first load of cotton. He, along with others on the west side of town who irrigated

such as Wayne Mikeska and Steve Williams to name only two, should have some of the best crops for the year.

Johnson said the gin is just now beginning to see the irrigated cotton come in and reported that the turn out looked somewhat better than he had anticipated.

If the moisture holds out, Johnson predicts a big year next year for cotton farmers and of course a good year for the farmers means a good year for the Co-op and Schleicher County.

Rocking Chair Ranch, Fort McKavett, led out the reserve grand champion Hereford bull at the 1983 Pan-American Livestock Exposition at the State Fair of Texas, Dallas. Pictured with modern senior calf son of Le Grand Domino 7184, "David", left to right, are Lloyd Whitehead, Rocking Chair owner; Ira

Black, State Fair of Texas General Livestock Superintendent, Dallas; Mark McClintock, Rocking Chair Ranch manager; Dr. Bob Kropp, judge, Stillwater, Ok., and a member of the Rocking Chair Ranch show crew, at the halter. (Photo by American Hereford Association)

## 4-H Gun Club places in Brownwood

Eight young gun enthusiasts from Eldorado traveled to Brownwood October 15th to compete in the 4-H State Smallbore Silhouette Match. They were: Bobby Williams, Justin Edmiston, Carter Edmiston, Standley Spinks, Terry White.

Stephen Whitten, Gabe Schooley and Justin Paxton.

Placing in the Senior Division were Bobby Williams 3rd and Terry White 5th place. Justin Edmiston placed 3rd in the Sub Junior Division and Gabe Schooley placed 4th in Sub-Junior.

The young men were shooting at targets as far away as over 100 yards. Any one wishing more information concerning joining the local club can contact Mrs. Schooley at 853-2835.

## 42 Club News

Mrs. Virginia Griffin was hostesses Thursday when she entertained the 42 Club in her home.

Those present were; Bessie Doyle, Jake Spencer, Lillian Mikeska, Opal Parks, Etta Ruth Danniheim, Annie Speck, Lois Etheredge, Winona Isaacs, Ada Bell Taylor, Ruth Baker, Bell McAfee.

Refreshments was served by the hostesses.

It was an evening of fun.

## Community News

By Evelyn Stigler

Miss Carrie Koop was honored with a Bridal Shower in the home of Mrs. James Page Saturday morning Oct. 29.

Miss Koop is the bride-elect of David Hill, son of Mr. & Mrs. Joe Ed Hill of Eldorado. Miss Koop's home is in Carlsbad, N.M. but she is presently working in Dallas for National Mortgage Corp. of America.

The groom's two sisters, Mrs. Mack Goforth (Susan) and Mrs. Terry Sterling (Peggy) served at the refreshment table.

There were about sixty five guests, including the following out of town guests; The bride-elect's mother, Mrs. Stanton Koop from Carlsbad, N.M.; Mrs. Jack Horton of Dallas; Mrs. Drue Duncan of Junction; Mrs. Robert Jay of Midland; Mrs. Mack Goforth of Dallas and Mrs. Terry Sterling of San Angelo.

Mr. Adolph Krause from Grand Rapids, Michigan was here last week visiting in the home of the Ed Meadors. Mr. Krause is Dawn's grandfather.

Also visiting was Rusty and Dawn Meador and their two children, Regan and Taylor Jean from Dallas. Mrs. Meador reported that Rusty is now playing piano in a Methodist church in Plano, Tex. and will play The Messiah in a musical presentation by the choir during the Christmas Season.

Little Miss Pamela Whitten was entertained with a birthday party in the home of her grandparents, Mr. & Mrs. Lawrence Bell Oct. 28. She was nine years of age. Her other

grandparents, Mr. and Mrs. C.M. Whitten from Brady were here to help her enjoy her birthday. Eight of Pamela's girl friends were there too.

Mr. & Mrs. Tom Ratliff spent several days traveling recently. They drove to Mt. Pleasant where they spent two days in the home of the Bill Ratliffs, Tom's son and his wife.

Then they drove to Monroe, La. to visit with Mrs. Ratliff's only surviving aunt who is 89 years of age and in remarkably good health. They spent two days with her.

The highlight of the trip was in Shreveport La. where they attended the 50th anniversary of one class of Fairpark School where Tom had been the first football coach. There was a reception for all of the members who were present and they enjoyed seeing some they had not seen in years and still remembered them.

There was a banquet that night where Tom was a guest of honor. He was one of the after dinner speakers and was given a standing ovation after his remarks. He had taken a blanket which had been given to him when he left there to show that he still had it.

From Shreveport they went to Houston to visit her son, Chris Hilliard. From Houston they flew to Montreal, Canada and spent ten days in that area, partly with her daughter, her husband and two grandchildren, Debbie and Robert Ben-Nun, and the rest of the time on side trips to see the beautiful scenery, the fall leaves which were magnificent. They enjoyed the beautiful

flowers which were still in bloom also.

From Canada they flew back to Houston and attended a 50th reunion of Mrs. Ratliff's graduating class of Rice University where they enjoyed renewing acquaintances. It was a wonderful time of fifties for the Ratliffs.

Sadness came to Florence and Jack Hinton when they learned of the death of Pierceson Adams on Oct. 13th. Pierceson and Virgie Adams of Bovina, Texas had visited in the Hinton home the week of Oct. 3rd. Two days after they returned home from Eldorado Pierson became critically ill. After his death they found he had cancer of the bone marrow. He had retired in August at the age of 73, after being night watchman in a feed lot at Bovina for 15 years.

Jack and Florence Hinton returned home last week from a visit in East Texas. They visited Florence's cousin, Juanita (Nixon) White and her husband, John White near Slocum, Tex. Juanita is the daughter of the late Hub Nixon of Andrews, Tex. They then visited two of Jack's cousins, La Moyne (Hinton) and her husband, Jim Dickerson of Joinerville, Texas, six miles out of Henderson. La Moyne is Post Mistress there.

They fished some at Nix Lake where the Dickerson's have a lake home. Some old timers of this county may remember Jim's uncle, Oscar Dickerson, who was Postmaster in Sonora for many years.

From Henderson they went to Sulphur Springs, Tex and visited a friend,

Mary Townsend and Kummer Mund. Then over to Mabank, Tex. to see Olen and Margie Hinton.

The pines were so pretty over in the Rusk and Henderson area. Other trees were turning their beautiful colors. Florence had never been in that area but Jack had worked in a sawmill near Henderson when he was 17 & 18 years old.

The Eldorado High School Band participated in the Region VII University Interscholastic League Marching Contest in Brady's Bulldog Stadium Saturday, Oct. 29.

The director estimated that about 3,500 spectators filled the stadium to watch the bands perform. About 3,000 musicians representing 32 area high schools took part in the contest.

Ratings awarded the bands included one superior, two excellent, three average, and four below average. In Class AA Eldorado received a rating of two.

The Woman's Club will have their annual Thanksgiving Luncheon November 8, at the Eldorado Restaurant at 12:30. Each member is asked to bring a gift for the San Angelo Center which will be used for their Christmas gifts. This will be the Americanism program.

Forty people were present for a Halloween Party Thursday, Oct. 27 at the Memorial Building sponsored by the Extension Department. The table was decorated with pumpkin Jack-o-lanterns with flowers in them and an orange checked tablecloth. Orange and white cakes were served along with

orange punch.

Mr. and Mrs. Craig Mayfield and children, Mandy, Adrain and Craig Daniel from Shamrock were here over the week end visiting Mr. and Mrs. Gene Jones. Adrain stayed to visit Grandma, Grandpa and Aunt Becky for a week.

Last week Ron Sutto brought a new resident to the Nursing Home. It was a little striped kitten. He said someone put it out at his house and he really didn't need one so he tried to think of a place to put it where it would be cared for and loved. He took it to the Nursing Home and they were delighted to have a pet that they could call their own. They tried to think of a name for it so Sue Jones suggested each one think of a name they would like and they would vote on it. The name Missy got the most votes so Missy gets lots of love and attention. Damon Wagoner is building a house for it to live in. It's home is on the patio next to the dining room.

The Bykota Sunday School Class of First Baptist Church entertained its

members and invited guests with a Tacky Party in the Fellowship Hall of the church Friday night Oct. 28.

The guests were dressed as clowns, farmers, oil field workers, masked men and many others but the one who received the prize for the tackiest was a man dressed as a woman with a mini dress and lace trimmed pantaloons.

Fun games were played, directed by Maudie Bassinger, and ended with a Happy Birthday tribute to their teacher, Ruth Davis.

Miss Lori Bell was honored with a bridal shower October 29 in the home of Janet Kurtis. Lori is the daughter of Mr. and Mrs. Lawrence Bell and is the bride-elect of William N. Dykstra of Odessa, Texas.

Other hostesses for the shower were Rosa Calcote, Rene Calcote, Debbie Conatser, Shelia Chrisman, Ruby Morrison, Latane Kothman, and Marsha Harrel.

## Public Notice

Southwestern Bell, in accordance with rules and orders of the Public Utility Commission of Texas, hereby gives notice of its intent to re-file evidence and appropriate tariff(s) in support of a request to establish rates for the use of certain complex inside telephone wiring in the amount of \$54.5 million annually. This request was previously a part of the considerations in Docket 5141 and now has been re-docketed as Docket 5420.

Customers who do not own the Complex Inside Wire associated with their Customer Premises Systems (such as PBX and Key Systems), and who utilize Southwestern Bell's wiring after January 1, 1984, could be affected by this request. On January 1, 1984, all of the Customer Premises Systems presently provided by Southwestern Bell Telephone Company will be transferred to a subsidiary of AT&T and that subsidiary of AT&T will be almost exclusively responsible for the charges pursuant to the proposed tariff on January 1, 1984. After January 1, 1984, customers who purchase their Complex Customer Premises Equipment and do not purchase, but continue to use, Southwestern Bell Telephone Company's inside wire will be subject to the charges proposed in the tariff.

The proposed effective date for these new rates is January 1, 1984. Persons interested in intervening in this matter should file a written motion expeditiously with the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Austin, Texas 78757, as the Hearing on the Merits in Docket 5420 is set for November 21, 1983.

## Eagles caught flat, as McCamey wins 42 - 21

By Mack Redish

The Eldorado Eagles were in the town of McCamey Friday the 28 of October, as they took on the Badgers.

Eldorado Eagles came into this game with a 1-3 record in district, McCamey boosted their record to 3-1 as they caught the Eagles flat on their feet, with a 42-21 victory.

That win will set up a shoot out for McCamey against the Buffalos from Stanton as Stanton lost their first game last week against Wall. The winner of this contest will take sole possession of second and will advance to the play-offs.

The Eagles really needed to win this game to stay in the district race and hope for a three way tie, now the best that they can do is come in fourth.

Last year the Eagles finished in fifth place. In the beginning of this season the "Harris Polls" had Eldorado to finish second in district behind Wall.

As of now the Hawks are holding on to Big Number 1 place and McCamey and Stanton will be fighting it out for second and third place spots. Reagan County who finished first in district last year found themselves holding on to fifth places as Miles is at the end of the pack in sixth.

The Eagles had started the game in bad shape as they got the ball first. On the Kick-off Luke Brame took the ball and headed over the left side, and he was met by some Badgers and brought down on the Eagles 15 yard line.

After a few plays McCamey, the Eagles quarterback was facing a third and 8, looked for Gutierrez

going across the middle and the pass was picked off and the McCamey defender was brought down on the Eagles 15 yard line.

McCamey's first score came after the interception as the quarterback rolled out on a keeper and ran over the right side for a 11 yard score the kick after was good 7-0 Badgers.

Coach Mitchell knew that this ball game would be one of those tough games as he spoke of McCamey, "McCamey has a quick team with good skill people, the quarterback is back from last year, they also have good backs in the back field. It's just another tough game and we will have to again play a good game to beat them."

With both teams in the district race and the Eagles in a situation where they had to win their next ball game that put pressure on the players, some of the players talked about the pressure.

James Flutsch, "I feel that it put quite a bit of pressure on us to win." Mike Moore, "The pressure is it makes our winning ball games more needed, we got to have this game to stay alive and hopefully get out of district." George Gardner, "Well everyone is trying to pull together and hang in there and see if we can come out on top."

Mark Payne, "We now have alot of things we have to change and hopefully we will start making the changes tonight." Bill Clark, "It puts a whole lot of pressure on us because if we lose this game then the football careers are over for the senior guys because it could well be next to the last game we will ever play, and it could inable us

to go on and play some more so it does put pressure on us to win."

Gary Robinson, "It puts alot of pressure on us because we will have to win tonight and next week and hope we get the coin flip to get out of district." Victor Gutierrez, "It puts alot of pressure on you when you know you have to win, and the real pressure is on the seniors because it's so close to the end of the season, we lose this one it's almost like their last game."

These eagle players were ready to give what ever they could to help their team win.

After the Badgers score they kicked off and Luke Brame took the ball once again, this time Brame was off to the races for a 55 yard run as he was caught from behind.

The Kick-off return by Brame set up the Eagles score. McCamey on a kick count threw to Rickey Cathey on a slaughter pattern from five yards out.

Eagles' Jon Robledo rolls out on one

Gutierrez on the kick after made the score 7-7.

McCamey did not take long as they marched down the field and scored from 4 yards out to make the score 14-7 at the end of the first quarter.

McCamey scored twice in the second quarter the first score by way of a 75 yard bomb for the TD, the second came on a 13 yard run by the quarterback. McCamey took a 28-7 lead into the half.

Early in the 3rd quarter the Badgers struck again as the back took it in from a yard out, score 35-7 Badgers.

of his carries last Friday night.

Brett Nikolauk broke loose after catching the ball for 36 yards to set up the score by Jon Robelodo as he scampered for a 20 yard touchdown, score 35-14 Eagles.

In the fourth quarter McCamey was picked off once again and the defender turn it back for a 30 yard TD return. That put the score at 42-14 Badgers.

Midway in the fourth quarter, McCamey rolled out and hit Gutierrez for a 45 yard pass which set up the Eagles last score.

Douglas Usery took the pitch out from McCamey and turned up field

shook pass a defender and scooted in for a 20 yard TD score and found 42-21 Badgers.

The Eagles will be closing out their season this Friday the 4th of November as they take on the Bulldogs from Miles. Come out and cheer the seniors as they play their last football game for the Eagles. Kick off time is set at 7:30.

### Harris Rating

The Eldorado Eagles are placed in 96th position, this their last game of the season, according to the Harris Rating System.

The Eagles are picked to beat Miles by 28 points this week here in Eldorado. Local game outcome predictions are:

- Wall over Reagan County by 18 points.
- McCamey to take Stanton by 6 points.
- San Saba over Bangs by 25 points.
- Menard to beat Early by 19 points.
- Mason to win over Junction by 8 points.

Statewide standing for some area teams this week are:

- 21. Wall
- 37. McCamey
- 53. Menard
- 72. Mason
- 104. Stanton
- 107. Reagan County
- 114. Junction
- 69. Sonora (AAA)
- 80. Brady (AAA)
- 120. Ozona (AAA)

## Governor Mark White REPORTS

## Get ready for frost

AUSTIN—The National Institute on Drug Abuse reports a decline in illegal drug use among America's young people, but this piece of good news does not mean the "cancer" of drug abuse is in complete remission.

Drug experimentation has become a way of life for many of our young people. Two-thirds of American teenagers try an illegal drug before graduation from high school. One in three high school seniors abuse drugs on a regular basis and have tried drugs other than marijuana.

According to Texas Department of Public Safety estimates, more than \$2 billion worth of illegal drugs are smuggled into this state each year.

A drug-free future for Texas' young people is a goal we all share and should actively support. Dallas businessman Ross Perot and his Drug Abuse Research and Education (DARE) foundation took the lead in 1980 by launching a public education effort to deglamorize use of illegal drugs.

This campaign—Texans' War on Drugs—has attracted national attention and won the endorsement of many groups including Lions Club International, Texas Parent-Teacher Association, Texas Secondary School Principals, Texas Extension Homemakers Association, and Texas Medical Association Auxiliary. We cannot afford to break stride in this effort to combat drug abuse.

I have approved a criminal justice division grant that, together with funds available through the Texas Department of Community

Affairs, will provide \$725,760 to finance the continued operation of War on Drugs regional offices in Austin, Dallas, Houston, Odessa, San Angelo and San Antonio. These offices distribute information on illegal drug use and its prevention through workshops for young people, parents, teachers and employers.

Texas businesses cannot afford to inherit a costly schoolyard drug problem. Texans' War on Drugs estimates that drug abuse is already costing state employers about \$1.5 billion annually in lost work hours and property damage.

The Education Commission of the States has developed two television programs on alcohol and drug abuse prevention for broadcast by 10 Texas PBS stations on November 2 and 9 as part of the national Chemical People Project.

Texans' War on Drugs and other groups will help organize more than 800 "town meetings" across the state to view these programs and discuss ways to combat chemical dependency among school-age children. I have written mayors of every Texas city urging their support of this program and asking them to join me in issuing a proclamation designating November as "Chemical People Month."

Texas legislators have adopted some of the toughest laws in the country to penalize drug traffickers. But if we are going to combat the reality of drugs in the 1980s, we must begin with a concerted effort to educate our young people about the lasting detrimental effects of drug abuse.

Frost will be hitting Schleicher County before long, and this could lead to prussic acid poisoning in livestock grazing certain pasture grasses and forage.

Although many plants contain the toxic material that causes poisoning, those causing the highest mortality in livestock when grazing after they have been frozen and wilted are Johnson and Sudan grasses and sorghum or Hybrids of these.

The most dangerous time as far as the grazing of these plants is concerned is following frost when the plant material begins to wilt. Livestock should not be allowed access to the wilted material until it has dried completely. This usually takes three or four days of good sunlight. New plant growth usually becomes nontoxic and can be grazed within 10 days to two weeks following a rain.

As far as prussic acid poisoning is concerned, the poison acts rapidly and can kill animals within minutes. In most acute cases, animals become affected within 10-15 minutes after eating toxic material and can die in two to three minutes. Symptoms may include a brief

period of stimulation followed by depression and paralysis. Signs of colic may be present. Stupor (loss of sensibility), difficult breathing and frequent convulsions may result. Death is caused by suffocation since oxygen remains in the blood and is not exchanged to the tissues. This also causes the blood to appear bright red.

To prevent prussic acid poisoning in livestock, allow plant material affected by frost to dry thoroughly before grazing. This may require a week or more of good sunlight. Feed animals hay or a supplement before turning them in on plants that may contain prussic acid.

Animals that are not hungry will not be affected as seriously by toxic material since their intake will be limited. Remove all animals from the pasture if one in the herd shows any signs of poisoning. Call a veterinarian immediately if an animal appears to be poisoned. An antidote to treat affected animals is highly efficient if given early. This product is available from veterinarians. Have suspect plant material checked by the Texas Veterinary Medical Diagnostic Laboratories at College Station or Amerillo Local veterinarians will be happy to submit samples for you. The overall key to prevent prussic acid poisoning in livestock is to be aware of plant materials that may cause poisoning and then to keep livestock from grazing such plants until a safe period has passed.

# JV finishes with impressive 6 - 2 season

Well the Jr. Varsity team ended their season Thursday the 27th here in Eldorado, and they closed their season with a 6-2 record.

The Sonora Broncos came away with a 14-0 win over the Eagles. This was the second meeting of the two ball clubs. In the first outing the Eagles triumphed over the Broncos 23-0.

Sonora came to Eldorado for revenge, and they got it the hard way, but all the hard hitting the Eagles' did could not stop the Broncos from scoring 14 points and shutting the Eagles out.

The seventh grade team of the Eagles closed their season with a 4-4 record as they fell against Sonora once again, but a 4-4 record for a seventh grade team isn't bad.

We got a chance to talk to Coach Meyer after the game against the Broncos, this is Coach Meyer's first year coaching in Eldorado and he spoke of his first year, "I've really enjoyed it here in my first year at Eldorado and everything, the kids have really come along way. After the first game we had some problems but we've rebounded and came back, there are a bunch of great athletes in that locker room, and with a four and four season I am happy with these guys. They

have come along way and developed in their own positions, I've never had any problems with any of the guys, I've really enjoyed myself."

Coach Wink of the eight grade team had his problems with Sonora as his team went down to the Broncos. The eighth grade team finished their season with a 2-6 record.

Coach Wink stopped by and summed up their season by saying, "This is my first year coaching in Eldorado and I feel the kids did a good job, we got hit with some injuries to some of our key people, but the guys played hard. I feel that some of the guys really improved and that will help them down the line."

Craig Gutierrez and Jody Romero were two of the guys that stayed pretty healthy all year and played hard, as the season was coming to a close the eighth grade team had to get a couple of guys from the seventh grade, but both grades played well and had pretty good seasons.

The JV team had only lost one game last year, and this year they came up with two losses. The JV team was full of good players this year, some juniors but a good crop of sophomores, that should be moving on to the Varsity level.

Visiting with the guys

that hope they will be moving up to the varsity level this is what they had to say. Brian Daniels, "To become a good Varsity player I have a lot to work on and I am going to try my best." Jimmy Turbeville, "I think I will have to improve on my offense and right now I am doing pretty good on defense." Eloy Martinez "I feel I will have to hit a little harder than what I have been doing this year."

Lonnie Jarrett, "I just want to do my best." Mike Mejia, "I am just going to go out and try to show the Coaches that I am a good football player, and hopefully I will be good enough to play first string."

Steve Bowery, "I will have to learn to stay low and block to the whistle. I know next year the guys will be a lot bigger and probably faster than I am." Eric Cheatham, "I will be working hard to stay low and try to get meaner."

Mathew Dahlberg, "My biggest thing is I will probably need to grow a little bigger." Mickey Romero, "I feel I will have to try and improve on my entire game and just play the best I can." Mike Belman, "Over the summer, I will probably have to hit the weight room a little harder, and workout, but I will be ready to play."

We would like to wish all the players that will get the chance to play Varsity next year and all the guys that remain on JV all the luck in their future plans.

The Broncos two touchdowns came on five yard runs, the first score came in the first quarter and their second score came midway in the fourth.

The Eagles never really got close to scoring, it just had to be one of those nights. The Eagles were due for a real bad game, it just happen to come in their last game.

It's come to that time when the Junior High and JV will be putting their helmets and pads on the shelves until next year, and bring out the shorts and sneakers for basketball.

All three teams can walk around and be proud of their record and the players can be pleased on what they have accomplished.

# Methodists bring back "Pony Express"

A "trail boss" breakfast and worship service this Sunday will signal the start of a Pony Express "run" at the First United Methodist Church.

The Rev. Fred H. Brown, pastor, said he expects 14 members filling the roles of trail bosses and station agents to be on hand for the breakfast briefing.

Church families on the Pony Express run will be relaying stewardship saddlebags to gather "estimate of giving" cards.

Elton McGinnes, general manager of the stewardship campaign, will hand out the saddlebags and run route lists at the breakfast.

A relay of the saddlebags among church members will begin immediately after morning worship, he said.

Each saddlebag bears the names of 8 to 10 church families. A family, adults, youths, & children, fills in a giving estimate card, seals it in an envelope and inserts it in the saddlebag

pouch and then hand-carries the saddlebag to another of the families on the route.

"We're excited because of the enthusiastic reception the plan has received thus far," he said.

"There's a spirit of teamwork and, at the same time, competition."

He said the teamwork is similar to that of the Pony Express riders of a century ago, knowing they can count on the next rider to relay the mail to its next destination.

The competition, he said, comes in the eagerness of the trail bosses to see that their run is completed before another's is finished.

Each trail boss is responsible for supervision of the relaying of one saddlebag to 8 or 10 families. The trail bosses report periodically to station agents.

Station agents are Julie Griffin, and Lynn Meador. Trail bosses are: Jo Max Edmiston, Bob Lester, Jo Ann Edmiston, Marvin Roubison, Blanche West,

Sherry Lux, Lester Dahlberg, Myrta Rathbone, Patsy Brown, and Nell Dudley.

## Walker paintings on exhibit

More than 100 pieces of western art & sculpture will be on display at the Convention Center 500 Rio Concho Drive from 9 am to 5 pm Saturday Nov. 5 and Sunday Nov. 6. Proceeds from the sale will benefit Boys Ranch.

There will be three cowboy artists of America represented. Seven from National Association of Western Artists. There will be other well known Western artists from Arizona, Wyoming, Nebraska, Colorado & Texas.

Area Western Artists will also be represented. An Eldorado Western artist, Herman Walker will have some of his work on display.

Forrest Ann (Pooty) Roubison takes the saddlebag from first leg on the run. Jo Ed Hill on the "Pony Express"

## Former citizen earns masters

Jean Rountree Steel, a former graduate of Eldorado High School, was an August graduate of Stephen F. Austin State University. Mrs. Steel received a Master of Science Degree with an Elementary Education minor. She graduated with a 3.9 grade average on a 4.0 scale.

Mrs. Steel graduated from Eldorado High School in 1972. She has taught Home Economics for the past seven years, teaching three years in Corpus Christi and four years at Douglas, Texas.

Mrs. Steel is married to Tommy L. Steel, manager of Bealls Department Store. They reside at 1810 Springbrook Nacogdoches, Texas.

Jean is the daughter of Mr. & Mrs. William Rountree Stephenville, Texas.

## Locals catch "big ones"

Bill Massey of Eldorado and Todd Churchill of Sonora have recently returned from a 12 day fishing trip in Cuba.

Todd landed a 7 1/2 lb. black bass, and Bill returned home with this 9 lb 26 in black bass, and the story about the big one that got away. (believe it or not, the hook came out of his mouth)

## Travelers spent millions in county

Schleicher County last year received an estimated \$1.8 million in spending by U.S. travelers, a national study commissioned by the Texas Tourist Development Agency has disclosed.

Its rate of growth, 11 percent over 1981 receipts, was two percent over that for the state as a whole.

The travel study, done by the U.S. Travel Data Center in Washington, D.C. found that the county last year had 47 travel-related jobs, with a payroll estimated at \$369 thousand.

It also realized an estimated \$13 thousand in local and county taxes paid by travelers.

The study measures the economic impact of all overnight trips and day trips at least 100 miles from home. Thus it includes spending by Texans as well as by out-of-state visitors. Trips for all purposes are in the picture.

For the state as a whole 1982 travel meant \$13.7 billion to the Texas economy.

# Fire Lines

by Blanche West

Have you thanked your fireman and his wife and family today?

If not, talk to Tommy Roach, you'll be glad you did.

meeting on October 16, 1939)

A Committee consisting of Jack Kerr, Junior Isaacs, Jimmie West and L.T. Barber, was appointed by Chief Palmer West for the purpose of outlining Constitutions and By-Laws. The Committee recommended the use of the Mineral Wells Constitution & By-Laws and was selected and approved by the entire Department.

Three Committees were appointed by the Chief; Finance Committee: L.T. Barber, Chairman; James Page, R.L. Ballew, Tommy Barrow, Lum Davis. Sick Committee; Earl Parker, A.E. Tree, Oran Benson, Chairman; Wesley Mc Alpine, Milton Spurgers. Equipment Committee; Jack Kerr, Chairman; Junior Isaacs, Robert Isaacs, C.C. McLaughlin, H.E. Lynn, Richard Jones, Jimmie West.

L.T. Barber

Dear Finis and Sch. Co. Leader Crew:

Thanks so much for all the excellent coverage you gave the Schleicher County Volunteer Fire Department, the Ladies Racing team, and the families on the opening of the new station Oct 18th.

I know Palmer and all the Charter Members and all others who have been members are very aware of your service to our community and others.

My sincere thanks to the support of the employer who supports his Volunteer Firemen employee.

(From the original minutes of the Eldorado Volunteer Fire Department

# Buchanans to celebrate 50th

Mr. and Mrs. J.L. "Buck" Buchanan will celebrate their 50th wedding anniversary Sunday Nov. 6th in Eldorado at the Memorial Building from 2-5 p.m.

Mary Dale Gibbs and Jessie Lee Buchanan were married Nov. 8, 1933 in Santa Anna, Texas. They have two children, Wanda Ford of Eldorado and Judy Baker of Ozona. They have six grandchildren, one deceased, and 1 great grandchild.

They made their home in Iraan for 32 years before retiring and moving to

Eldorado. Mr. Buchanan was employed with Helmerich & Payne Oil Co. for 27 years before retiring in 1976. Mrs. Buchanan had been employed for over 17 years with the Iraan General Hospital before her retirement in 1972.

They have lived in Eldorado for seven years and are members of the rock church of Christ.

Host for the anniversary celebration are their children and Mrs. Cynthia Saur and Mrs. Patsy Kellogg, both of Eldorado.

# NRA to host Sighting In Program

As the 1983 fall hunting season opens, gun clubs nationwide will conduct the National Rifle Association's Sighting-In Days Program. An annual forerunner to hunting season, this program provides sportsmen with an opportunity to accurately sight-in their firearms and bows in the presence of volunteer, experienced marksmen.

Accurately sighted pistols, rifles, shotguns, black powder guns, and bows increases the chance for a well-placed shot, one of the most important necessities for safe and responsible hunting. Sighting-In Days activities present an opportunity for hunters to check the shooting accuracy of their sporting arms on life-size silhouette paper targets of various wild game. Shotgun shooters will practice field techniques at skeet and trap clay targets. Gun-

smiths will also be available to perform safety checks on equipment and make minor repairs as needed.

This program stresses hunter safety and responsibility while in the field. Since 1949, the NRA has been in the forefront of hunter safety and education efforts to ensure that hunting is one of the safest American sports.

Along with its hunter safety and education programs coordinated by state and wildlife agencies, the NRA also conducts numerous educational workshops and clinics nationwide.

For further information on developing a Sighting-In Days activity, contact NRA's Hunter Services Division at (202) 828-6249. For information on an activity in your area, contact your local gun club (s) or NRA's Field Services Division at (202) 828-6119.

# Lloyds welcome daughter

Roy Gene & Melissa Lloyd are proud to announce Tabitha Nichole was born Oct. 22 at 8:01 am and weighed 8 lbs and 8 ozs. She has one sister

Catherine Renee 2 1/2 yrs. old. Grandparents are Earl & Lora Mae Lloyd of Eldorado. Mrs Jo Ann Palmer of San Angelo. Great

Grandmother is Mrs. Lema Powell of Eldorado and Mrs. Leona Feist of San Angelo. Great Great Grandmother is Mrs. Laura Hoffman of Ballinger.

# Rocking Chair Ranch's bull reserve champion

Excitement abounded from the cattlemen and exhibitors who gathered at ringside to speculate on who would be this year's Hereford champions at the 1983 Pan-American Livestock Exposition of the State Fair of Texas, Dallas. Dr. Bob Kropp, Stillwater, Ok., had the honors of placing the 75 head show.

Judge Kropp surveyed the many high quality Hereford bulls, and finally decided on the senior champion bull, ORE L1 Dom T165, as his choice for the grand champion bull honors. This large-framed senior yearling bull was sired by L1 Domino 75827. The grand champion is owned in partnership by

Doolittle Ranch, Watrous, N.M.; Oregon Hereford Ranch, Hermiston, Or.; Mike Corn, Roswell, N.M. and Lone Star Hereford Ranch, Henrietta.

Rocking Chair Ranch, Fort McKavett, led out a September 1982 son of Le Grand Domino 7184, "David", to claim the reserve grand champion bull

banner. RCR Domino 11D ET, the reserve grand champion bull, was also named the senior bull calf class winner and the champion bull calf.

Thirty-three heifers provided Kropp with a wide selection from which to choose his grand champion female. In a very close contest, Judge Kropp chose

a daughter of BLR CL1 Domino 5109, Lone Star Domet 17C, as the grand champion female. The January 1982 stylish, level-topped heifer also made a clean sweep of the junior yearling heifer class plus being named the senior champion female. The grand champion heifer was exhibited by Mitch Bennett, Henrietta.

The reserve grand champion heifer honors went to Lone Star Domet 68C, shown by Lone Star Hereford Ranch. The reserve grand champion and reserve senior champion heifer, sired by BLR CL1 Domino 5109, also captured the first-place ribbon in the early spring yearling class.

Reserve bull calf champion honors went to V Bar Ranch, Stanton, on the first-place winter bull calf, V Bar L1 Domino 5237, a growthy bull calf sired by Centennial.

Lone Star Domino 72C, the first-place early spring yearling bull exhibited by Born Herefords, Follett, and Lone Star Hereford Ranch, took the yearling champion bull title. The yearling champion was sired by BB Mark Domino 704.

An early spring yearling son of SC Classic ET, CLH High Class 263, owned by Dennis Ranchers, Grady, Ok., and Higgins Hereford Ranch, Nowata, Ok., won the reserve yearling champion bull ribbon.

The reserve senior champion bull banner went to Lone Star Domino 75B, the two-year-old class winner, sired by L1 Domino 75827, and exhibited by Lone Star Hereford Ranch and Higgins Hereford Ranch.

Another Lone Star Hereford Ranch entry, Lone Star Domet 230C, the first-place senior heifer calf sired by L1 Domino 75827, won the champion heifer calf award.

V Bar Ranch returned to the ring to win the reserve champion heifer calf honors with V Bar Miss 91L 9202, the first-place winter heifer calf sired by Bell L 85B Dom 91L.

The progeny of L1 Domino 75827, led out by Lone Star Hereford Ranch, walked away with the Get-of-sire blue ribbon honors. Lone Star Hereford Ranch also won the best-six-head group competition.

Other first-place show awards included: Junior Bull Calf, Grace Taylor, weatherford, with GT Zeke Ef General. Summer Yearling Bull, Rocking Chair Ranch with RCR Domino

1D ET. Late Spring Yearling Bull, V Bar Ranch with SH Advancer 272. Junior Yearling Bull, Lone Star Hereford Ranch with LS Star Mark 43C. Junior Heifer Calf, Bolin Hereford Ranch, McKinney, with PB L1 Domet C320. Summer Yearling Heifer, J Bar F Ranch, Normangee, with F L1 Markette 235. Late Spring Yearling Heifer, Buck Branson, Dallas, with Lone Star Domet 168C.

# Jerry Swift County Extension Agent says---

Root knot nematodes are present in the soil in most areas of West Texas. They are microscopic round worms that invade the plant root system. Symptoms of nematodes include wilting during periods of moisture stress, stunting, pale green leaves, and reduced yields. However, according to Dr. Harold W. Kaufman, Extension Plant Pathologist with the Texas Agricultural Extension Service, the most diagnostic symptoms are the knots or galls that form on infected roots.

Several methods of nematode control are available to the home gardener. These include resistant varieties, rotation with plants least affected by nematodes (asparagus, onion, garlic and corn) tilling the soil in the heat of late July and early August to dry the soil and kill the nematodes, and chemical soil fumigation.

Chemical control of nematodes is the most effective method. Chemicals allow growing of favorite non-resistant varieties, and are fairly simple to apply. The only chemical soil fumigant available to the home gardener is Vapam. This is a toxic liquid with an offensive odor which reduces the chance of harmful overexposure, making it safe for the home gardener.

Read the entire label before using this chemical. Vapam should be applied to moist soil, well tilled, and ready for planting. The soil temperature 6 inches deep should be at least 50 degrees F. Cold soils will not permit adequate movement of the chemical to get effective control.

Waiting until spring to fumigate provides the additional benefit of killing all the weed seeds that have blown into the garden during the winter. However, the required 50 degrees F. soil temperature and the two week post-fumigation waiting period will make the garden late and subject to high summer temperatures which reduce or eliminate fruit set of many plants.

Apply one pint Vapam per 50 square feet of garden space. Mark the garden off in 50 square foot areas. Place one pint of Vapam in a sprinkling can, fill with water, and apply evenly to a 50 sq. ft. area. Sprinkle the

treated soil immediately with water until the soil is sealed (water runs off). Then treat the next area. The soil should be sealed again on the second and third day after treating, or you may cover the area with a plastic tarp after the first watering. Leave the treated area undisturbed for one week. Then remove the tarp, if used, and store it to use again the following year. Not all the nematodes will be killed, so the treatment must be repeated each year, for best results.

Wood burning stoves and fireplaces have become quite popular in recent years. Since we have already had some very cool days, many people are looking for a source of firewood for this winter. The wood peddlers will soon be arriving in far West Texas with post oak and live oak wood from central Texas. They are probably the easiest source of wood for many people, but according to Dr. Harold W. Kaufman, Extension Plant Pathologist with the Texas Agricultural Extension Service at Fort Stockton, this wood may contain some very dangerous hitchhikers. Two fungal diseases infect oaks in central Texas and both are known to be carried by insects. Owners of oaks who buy this firewood take the risk of having these fungi transmitted to their oak trees. The best way to avoid infecting your oaks is to buy local firewood, but it is usually in short supply.

Dr. Kaufman suggests, if you must buy "imported" wood, the safest option is to have a pest control operator fumigate your woodpile to kill all the insects. Other less sure options include avoiding wood with bore holes in the wood and tunneling under the bark, storing the wood as far from your oaks as possible, and waiting to buy wood until after the weather is cool enough to keep the insects from emerging. Be careful with your firewood this winter, so you can enjoy your shade trees next summer.

If you grow peaches or apricots in far West Texas you probably have encountered one or more of three major diseases, bacterial leafspot, coryneum blight, and bacterial canker.

## Last Stocker-Feeder Show

The last Stocker-Feeder Show and sale for 1983 will take place Tuesday Nov. 8, at the Union Stock Yards San Antonio.

South Texas Cattleman will have an opportunity to show English Blood cattle, Crossbred cattle and Santa Gertrudis cattle for awards in steer and heifer classes in lots of 10, 20 and 30. This sale is open to all classes of cattle, and cattle need not be shown for awards to enter this sale. There is no age or weight limit for livestock.

This special sale provides a better market for quality Stocker-Feeder cattle and gives producers an opportunity to display and sell cattle in shaped up uniform lots. The large number of cattle together at one time and place enables many buyers to meet their requirements and a broad buying demand is expected.

Judging for the Nov. 8th show and sale will begin at 7:30 am and the auction will begin at 9:00 am. Prize winning cattle will be sold at 11:00 am. Judges for the show will be selected from South Texas cattlemen with a practical knowledge of the needs of the cattle industry. The Commission Companies will be in charge of the sorting, showing and selling of the livestock. Regular tariff charges for the sale of cattle at auction will be assessed at this sale.

## House Of Gifts

By Dale Lipsett

I heard about a fellow who died and went to heaven. When he got to the pearly gates, Saint Peter checked his admitting list and found the man's name there. Peter told him that he would be admitted to heaven that day but that he'd have to wait about an hour before his mansion in glory would be ready. Naturally, the old boy wanted to know why he couldn't move right in so Peter took him to see his new home. When they got to the place, he saw that it was filled with gift-wrapped boxes of all shapes and sizes. It was jammed full from floor to ceiling and a crew of angels was busily moving the boxes out of the house. The old boy cocked an eyebrow at Peter and asked him what was going on. Saint Peter told him, "These are all the good things that the Father had for you when you were on earth but you never asked for anything. Of course, you never got anything either."

There are lots of people in the church today who are just like that man. They never ask God for anything. They believe that the age of miracles is past. They

don't believe that God answers prayer. Or maybe they're afraid to take God at his word. Oh, they believe in prayer all right and do a lot of it every Sunday in church. I guess they've never stopped to think that the simple act of praying is really asking for a miracle to happen. After all, when we pray we are asking a supernatural being to interpose himself into the working of the natural order of the world. If that

isn't a miracle, what is? James wrote that every good and perfect gift is coming down from the Father of Lights. He also wrote that there are two good reasons why we do not receive gifts from God. One is that we never asked God for them and the other is that we asked in the wrong spirit. Why do we refuse to receive all that God has for us? All we have to do is ask.

## Bullock rep. here Nov. 17th

State Comptroller Bob Bullock will have a representative from his San Angelo office in Eldorado on November 17, 1983 to assist local taxpayers and answer questions about state taxes.

Bullock said Enforcement Officer Dru Beck will meet from 10:00 am to 11:00 am.

"If Eldorado area merchants, or anyone else for that matter, have any questions about state taxes or need help in preparing state tax forms, Ms. Beck will be there to assist them," Bullock said.

"We're trying to cut the red tape in this office, and we believe these face to face sessions with taxpayers help do just that," Bullock added.

## Holseys have son

Zack and Lynn Holsey are proud to announce the arrival of their son, Michael Brandon Holsey. Brandon was born at Community Hospital on Oct. 15th at 11:06 am. Brandon weighed 7 lb. 11ozs. and was welcomed home by his 3 yr old sister Holly Leann.

Maternal grandparents are Mr. & Mrs. Dale Caviness of Eldorado. Paternal grandparents are Mr. & Mrs. W.W. Holsey of Eldorado and great grandmother, Mrs. Mary Hall of San Angelo, Tx.

## Hubble honored by WTU

Flora Hubble, book-keeper-cashier in the West Texas Utilities Company office at Eldorado, was among those honored at the annual WTU District Awards Banquet Thursday, night, October 27, at San Angelo.

She received an award for five years service with the Company. The awards were presented by Glen D. Churchhill of Abilene, WTU president, and Don Revell, manager of WTU's San Angelo District.

## Thank You!

We would like to thank the community for their hard work and support that made our Halloween Carnival so enjoyable. Our thanks goes out also to the Leader and its staff for their coverage in helping to make the carnival such a big success.
