Tax rebate improves

State Comptroller Bob Bullock sent out checks totaling \$98.5 million in local sales tax payments Friday to the 968 cities that levy the one-percent city sales tax.

Bullock said, "These payments are running 12.5 percent ahead of last year and for the first time this year, we can say that virtually all of this increase came from growth in tax collections and not from the changes in our bookkeeping the Legislature made when they moved up due dates for the sales tax last year."

Houston received the largest check of \$17.9 million for the 1984 total of \$63.7 million up 5 percent from last year. Dallas' check was for \$11.9 million bringing the city's total

1984 payments to \$42.4 million, 16 percent ahead of 1983. San Antonio received \$5.9 million for a 1984 total of \$20.8 million, an 18 percent increase.

May's checks reflect sales made during March and the first quarter and reported to the Comptroller by April 20.

Eldorado's share of the money for its 96 reporting tax outlets was \$7,584.54 which is down 32.46 percent from last year's payment of \$9016.37. The payments in 1984 to date total \$24,054.06. Last year at this same time the total payments totaled \$35,613.85.

Other area town and their checks and increases or decreases are: Mertzon, \$6496.27 up 26.81 percent from last year's \$3592.06; Menard,

\$5471.33 up 2.54 percent from \$5693.38; Sonora, \$27,445.54 down 16.49 from \$35014.83; San Angelo, \$594,379.83 down 2.09 percent from \$603,115.72.

Joe Sullivan whistle stops

Joe Sullivan, Democratic State Representative hopeful, for this district will be in Eldorado Thursday May 24th.

Sullivan, who will be facing Congressman Tom Loeffler (R) in the November General Election will be visiting with local Democrats and concerned citizens at the El Dorado Restaurant Thursday morning at approximately 7:30 a.m.

The coffee pot will be on, compliments of Sullivan for anyone who would like to come out and get acquainted with him.

Sullivan is campaigning extensively across West Texas in hopes of gaining enough support to unseat incumbent Loeffler in November.

while Al Forlano reports .9. North of town on Lynn Griffin's place they report 2.6 for a 3 day total. East of town Gene McCalla reports 2 inches while Pat Joiner reports 1.40.

A "wittle" wet

Eldorado did get some rain last week. According to reports from different areas the amounts varied.

George Williams reports a total of 1.30 here in town. West of town on Dan Griffin's place they report 1 in.

45 Seniors cross stage Friday

Commencement exercises for the 1984 graduating class of Eldorado High School will be held Friday May 25th at 8:00 p.m. in the school auditorium.

The high school band will play the processional and the Rev. Ronald J. Sutto will lead the invocation.

Salutatorian Mitzl Mittel will address the seniors and guests. Miss Mittel received the honor of salutatorian with her grade average of 93.3. She is the daughter of Mr. and Mrs. Ronnie Mittel.

Next Margaret Turner, Valdictorian of the senior class will present her speech. She achieved a 94.7 grade average to earn her honor as top student of the 1984 graduates. Her parents are Mr. and Mrs. Sonny Turner.

Superintendent Guy Whitaker will introduce the guest speaker for the exercises, Grace Grimes, Deputy Commissioner of the Professional Development and Support, Texas Education Agency. Ms. Grimes began her impressive career in education as a teacher of English and speech in Marshall, Texas and has advanced in

her career to become Deputy Commissioner in the TEA.

Various awards will be presented to the seniors by High School Principal Richard McCarson and the presentation of diplomas will be performed by Ronnie Mittel, Secretary on the SCISD Board of Trustees.

The seniors and the audience will join together to sing the school song "Hall Eldorado."

Rev. Clive Johnston will give the benediction. The band will then play the recessional during which the audience will remain seated.

The seniors participated in Baccalaureate Services last Sunday evening May 20th in the high school auditorium.

The processional "God of Our Fathers" was played by the brass section of the High School Band. Welcome and Invocation was given by Ron Sutto, president of the Ministerial Alliance.

Guy Whitaker, superintendent, presented the American Legion Awards to the students who ranked highest in achievement, courage, scholarship and loyalty. They were

elected by their peers. Margaret Turner and Bill Clark received the awards.

Rusty Kwast led the congregation in singing "This Is My Father's World" and also led in prayer. Scripture was read by Rev. Clive Johnston. Ron Sutto introduced the speaker, Dale Lipsett who is pastor of First Christian Church. He gave a brief biography of Mr. Lipsett and some of his accomplishments. The topic of the message was "Form Without Content", based on II Samuel 18:19-30.

Rev. Fred Brown led the closing prayer and benediction. Ushers for the service were Roxanna Pina, Jennifer Willoughby, Bret Nikolauk and Victor Gutierrez.

The graduating seniors honored their parents and teachers with, what many hope will become a tradition, an Appreciation Dinner on May 13th at the 4-H Barn. The seniors were in charge of all phases of the dinner including the food and presenting the program. The fact that the dinner was also held on Mother's Day had special meaning to the senior's Mothers.

Democrats return to the polls

The June 2nd run-off for the Democratic party will see Johnny Mayo Jr. and Jack Turner vying for the Commissioner's seat from Precinct #1.

A run-off will also be slated between Kent Hance and Lloyd Doggett for the U.S. Senate.

Polling places will be the same as they were for the May 5th primary, the are Precinct #1 - Methodist Church, Recreation Hall, Warner St; Precinct

#2 - Fire Hall, Menard Hwy; Precinct #3 - Memorial Bldg; Precinct #4 - School Administration Bldg, 205 Field St.

Absentee voting for the June 2nd run-off will be held May 24, 25 and 29th.

The voting will be held in the county clerk's office on these days during the hours of 9-5. The office will not be open to absentee voting on Monday, May 28th, Memorial Day.

Ratliff and Finley named

A surprisingly large crowd turned out for the Democratic Convention here last Saturday afternoon. A crowd of twenty persons attended the convention to elect Delegates and Alternates to attend the State Democratic Convention.

Tom Ratliff and Tip Finley were elected as Delegates with their wives, Winnie Helen Ratliff and Janee Finley as Alternates. They will attend the State Convention in Houston June 15-16. Ratliff will be the Delegate for Mondale and Finley will be the Delegate for Hart.

Ratliff expressed his desire to be a Delegate to the National Convention to be held in San Francisco.

The Delegates will carry with them a resolution requesting that the Presidential nominees' names be placed back on the primary ballot. They will also carry a unanimous resolution that whoever the Democratic Presidential nominee is, that he will support "Right For Life".

Eldorado riders place 2nd overall

The Texas High School Rodeo Association Region II Finals were held May 12 & 13. Eldorado High School Rodeo Team finished the year tied for 2nd and 3rd place with the Del Rio Rodeo Team. Eldorado's Rodeo Team started the year with 7 members. After a couple of rodeos, one member decided not to participate any longer, that left the team with 6 members. Kelly Griffin broke his arm in a non-rodeo accident and he was out of competition for the year. Most teams in Texas carry 10 members on their teams. Eldorado finished with 5 members, hustling for everything they were worth. They did a good job finishing 2nd with 16 teams in Region II. This was Eldorado's first year in team competition.

The Finals were held in Fort Stockton Coliseum Saturday & Sunday. Tony Diver went to the finals in 3rd place in the bareback riding. Saturday was the 1st go-round and Tony bucked off his horse and hung his hand in the rigging and after several trips around the arena was kicked loose from the horse. No injury, but a crowd pleaser.

The final go-round was Sunday and Tony won 2nd place in the go-round, 2nd place in the average and 2nd place for the year.

John R. Griffin was a bright spot for the rodeo team. Saturday he won 5th in calf roping and 5th in team roping. Sunday he won 5th in calf roping and 6th for the average, and he also won 2nd in team roping for a 3rd place in the average in team roping. John R. finished as co-alternate for State Competition in calf roping. Robert Reynolds drew some fast calves and missed both calves but so did several other. The expectations for Robert and his new horse are high for next year.

The State Competition will be held June 17-23 in Sequin, Texas for all Regional winners. Tony Diver finished 2nd for the year and will go to State Competition. Marty Wells finished 3rd place in saddle bronc riding and 5th place (alternate) in cutting horse competition. There is a good possibility John R. Griffin and Michael Phillips will also go.

Total team points for 1983-84 for Eldorado High School Rodeo Team are: Tony Diver-970 points in bareback riding; Michael Phillips-840 points in bull riding and bareback riding; John R. Griffin-700 points in calf roping and team roping; Marty Wells-680 points in saddle bronc riding and cutting horse competition; Kelly Griffin-160 points in calf roping; Robert Reynolds-120 points in calf roping. The top 3 contestants in each event at State Competition will qualify for National Competition in Rapid City, South Dakota in August.

Two rank bulls put Michael on the ground but without a good effort. On Friday night Michael Phillips won 2nd place in the Eldorado Youth Rodeo, and on Tuesday Michael won 2nd place in a two go-round Jack-Pot in Sonora, held by Mack Altizers, Bad Company Rodeo. Michael finished the year as co-alternate (6-7 place) in bull riding for the year.

John R. Griffin was a bright spot for the rodeo team. Saturday he won 5th in calf roping and 5th in team roping. Sunday he won 5th in calf roping and 6th for the average, and he also won 2nd in team roping for a 3rd place in the average in team roping. John R. finished as co-alternate for State Competition in calf roping.

Robert Reynolds drew some fast calves and missed both calves but so did several other. The expectations for Robert and his new horse are high for next year.

The State Competition will be held June 17-23 in Sequin, Texas for all Regional winners. Tony Diver finished 2nd for the year and will go to State Competition. Loeffler's thoughts on Memorial Day

Memorial Day is a time for remembrance, appreciation, and rededication. Begun over 100 years

Class
of
1984

Congratulations
C.H. Poynor
Construction
Eldorado

605 S. Main 853-3064

ago following the Civil War, Memorial Day both commemorates the brave men and women who fought and died that we might remain free and reminds us as a nation that we are one body with a single will and a steadfast purpose.

When challenged, we have risen to the occasion since the creation of our great nation over 200 years ago. During the last century the causes of freedom and democracy have pulled Americans into world affairs and world conflicts from the "No Man's Land" of Flanders Field, to the D-Day landing on Normandy Beach -- a fortieth anniversary we celebrate this June 6 -- to the craggy mountains of Korea, to the swamps, dense jungles, and forests of Vietnam.

We recall these places and -- more importantly -- we remember the names of the hundreds of thousands of American heroes who have died in conflict for the preservation of peace and prosperity not only of all Americans but of all freedom-loving people throughout the world. We also rededicate ourselves to the efforts to determine the fate of those still missing in action whose families and friends do not yet have peace of mind and spirit.

Each year at this time we are reminded anew of the consequences of war and of the greatness of the service -- and ultimate sacrifice -- of these American heroes to our nation, as well as the glory of our national heritage that they have preserved. By their death they have taught us that no great nation can survive unless its citizens display extra-

ordinary courage in times of war, that our precious freedom cannot be bought cheaply, and that to be eternally free, there must be a willingness to sacrifice in order to survive.

Memorial Day also allows us time to reflect upon the losses borne by our fathers and mothers, our brothers and sisters, our neighbors and friends -- their beloved treasures given for the preservation of American liberty.

Throughout our history, America has been a beacon to other peoples, serving as a source of political inspiration and as a haven to those escaping tyranny, oppression, and hunger. Today, just as in the past, we stand as a guarantor of peace. In full accord with our national ideals and responsibilities, our country is prepared to assist the freedom-seeking people of the world -- such as those in Central America. And we stand ready to work with other nations to remove the sources of conflict and insecurity and to build a firm foundation for peace in the future.

We must continue to assure that peace by maintaining a strong national defense, by strengthening our alliances, and by actively pursuing every opportunity for fruitful negotiation with potential adversaries.

As we honor the memory of those who gave their lives for their country, we must do our utmost to assure that no other generation will ever have to share their experiences or repeat their sacrifice. Words cannot touch the gift that these fallen American heroes have provided, their fellow Americans.

County free of brucellosis

About one-third of the counties in Texas -- 76 to be exact -- are free of brucellosis, figures from the Texas Animal Health Commission reveal.

Most of the counties free of the disease are in the Class B Area of Texas, which contains 141 counties in the western half of the state. In Class B, there are 72 counties free of brucellosis, which is more than half of the Class B Area.

Four counties are free of the disease in the Class C Area which is the eastern half of the state made up of 113 counties. The four counties free of the disease in Class C are Marion, Newton, McMullen, and Jim Hogg.

In the Class B Area, there are almost 60,000 cattle herds; of that number only 145 are under quarantine.

Counties in the Class B

Area of Texas free of brucellosis are as follows:

Andrews, Bailey, Baylor, Blanco, Brewster, Briscoe, Carson, Cochran, Collingsworth, Concho, Coryell, Cottle, Crane, Crockett, Crosby, Culberson, Dallam, Deaf Smith, Donley, Ector, El Paso, Fisher, Floyd, Gaines, Gillespie, Glasscock, Hale, Hamilton, Hansford, Hardeman, Hartley, Howard, Hutchinson, Irion, Kendall, Kerr, Kimble, Kinney, Knox, Lamb, Llano, Loving, Lynn, Martin, Mason, Midland, Mills, Mitchell, Motley, Nolan, Ochiltree, Oldham, Parmer, Pecos, Potter, Presidio, Randall, Reagan, Real, Reeves, Schleicher, Shackelford, Sherman, Somervell, Sutton, Terrell, Terry, Upton, Val Verde, Ward, Winkler, and Yoakum.

Moore holds recital

Fourteen local piano pupils from the Class of J. Weldon Moore, 301 Williams St., Eldorado have registered as candidates for membership in the National Fraternity of Student Musicians, sponsored by the National Guild of Piano Teachers, Teacher Division of The American College of Musicians, of which their teacher is a member. This group of young piano hobbyist play in the National Piano Playing Audition, San Angelo section and strived for Local, District, State or National honors which the Mother organization confers according to the literature each student creditably performed in the presence of an imported examiner of note from another state.

From coast to coast over 100,500 enthusiastic piano pupils of the nation participated in this annual national piano-playing event being held in 700 music centers of the country and every entrant worth his salt was certificated, given a gold or bronze embossed pin, a year's Membership in the National Fraternity of Student Musicians and Piano Hobbyists of the World.

Begun at Hardin-Simmons University, Abilene, Texas, in 1929, national headquarters are still maintained in Texas.

The names of the local entrants, pupils of Mr. Moore are: Lindsay Johnson, Jana Sterling, Lee Ann Lamb, Lindy Hardy, Chris Meador, Anjy Utley, Jennifer McCarron, Katy Hardy, Amy Robinson, Ginger St-

erling, Ashley Johnson, also presented in recital on Sunday May 20 at 3:00 p.m. in the First Methodist Church. These students were

Xi Xi Chi close year

Xi Xi Chi chapter of the final official meeting of the 1983-84 year, on Monday, May 21st.

President Kim-et Nelson called the meeting to order and fourteen members repeated the Opening Ritual. Following roll call and all official communications we discussed the success of our second annual youth rodeo. We will meet with the 4-H, our co-sponsor, Tuesday night at the 4-H barn to discuss the total outcome of this year's rodeo and begin planning for next year's rodeo and parade.

It was noted that a special thanks be sent to Dan Fimbres for helping with our float in the parade. Without his help, our float may be still sitting at the hospital.

The next item on our agenda was the discussion of several projects we wish to sponsor or co-sponsor. One such idea was to assist the Rodeo Association with the building on their concrete slab at the rodeo arena. Eldorado is in need of a big building to have dances and other activities. We are also considering many other service projects.

Due to the success of our fingerprinting project at school and at the request of several concerned parents, we have set another day for printing any of the kids we may have missed and any pre-school child, or anyone who

wishes their prints be done.

Kim-et asked if anyone had any names of possible rushees to turn them into her or a member of the membership committee. These names are first considered by our membership committee before we begin our new year in September. This is a by-law that we have to get reinstated according to the International Office.

All the members were asked to sign up the the committee they wish to serve on for next year. The cultural programs list was them past around and each member picked her program for next year.

The end-of-the-year family bar-beque was the next item for discussion. It is to be held Wednesday night at 6:30 p.m. at the City Park. There is a Horse shoe pitching tournament in the making to be held at the picnic. This is just one of the activities set for our families' and guests' enjoyment.

The meeting was adjourned and the cultural program "Real Estate; Planning for Retirement and Beyond" was given by Fayla Cheatham.

The Closing Ritual was repeated and refreshments were served by Betty Hanusch and Debbie Ballew.

"You are about to take a big step in your life and as you take this step, we wish you the best that life has to offer! Good Luck Seniors!"

Natural gas most misunderstood

Describing natural gas as "the most misunderstood and maligned energy resource in America today," Railroad Commission Chairman Mack Wallace said a revolution in our energy thinking may be necessary to give the nation a secure energy supply.

Speaking at a natural gas conference at the University of Texas sponsored by the Texas Petroleum Research Committee, Wallace said the natural gas issue isn't complicated or difficult to understand.

"In the plainest of terms, we are using it

faster than we are discovering it," he said. "And, this is occurring at a time when the national interest requires a record-setting rate of exploration and development of new reserves."

Wallace told conference participants that despite a 10 percent decline in natural gas production in Texas between 1982 and 1983, Washington still effectively discourages increased exploration. He said Congress needs to listen to the statesmen among its members instead of the demagogues.

"I, for one, am sick and tired of reading pronouncements to the effect that a free, unregulated gas market will automatically create huge industry windfalls and widespread public poverty," he said.

Wallace took issue with the latest attempt in Congress to settle natural gas disputes, the Dingell-Sharp bill, and called the notion that price controls will provide exploration and production incentives "absurd."

"Although this proposal is cleverly disguised as a consumer protection measure, Americans, I believe, would be worse off

and supervised. All swimmers will be supervised by a certified Red Cross Lifeguard at all times and pool rules will be enforced to ensure swimmer safety.

The pool will be available for private parties at a rate of \$12.50 per hour after 6 pm each day.

Lori is a certified Water Safety Instructor and will be offering swim lessons for all ages as well as Red Cross Basic Water Safety and Rescue and Senior Life saving.

Lori would like to encourage everyone to come by and enjoy the use of the pool this summer.

For more information on pool reservations, swim lessons, or lifesaving call 853-3189 or 853-2505.

Patton opens pool

Lori Patton, Schleicher Co. Pool Manager, would like to announce the opening of the swimming pool for the summer season. Saturday, May 26, will start the season off. Pool hours are Tuesday thru Saturday 2 pm - 6 pm and Sunday 2 pm - 5 pm. The baby pool will open at 3 pm on these days. Monday will be used for maintenance and cleaning. Admission is .75 per day for all sunbathers and swimmers. Children under five must be accompanied

Petroleum seminars

The Permian Basin Petroleum association and the Independent Petroleum Association of New Mexico are sponsoring two seminars the week of May 14th. The seminars will cover changes in federal laws and regulations in the oil and gas industry, an update on the New Mexico Legislative session and recent rules changes implemented by the Texas Railroad Commission. The participants include Bruce Ritter, partner of Ernst and Whinney of Rosewell, Robert Strand, chairman of IPA MN's State Liaison Committee and Joyce Studlar, regulatory analyst for Clayton Williams Jr.

The May 15th session starts at ten am at Midland Center and concludes at noon. The May 16th

session also begins at ten am (MST) at the Hobbs Country Club and finishes at noon. The seminars are free and reservations are not needed.

In other energy news, the market monitoring committee of the Organization of Petroleum Exporting Countries has recommended against any changes in the production quotas or prices of OPEC oil.

At the same time, the committee did say that it thought demand for OPEC oil might reach as high as 20 million barrels a day later this year.

In the Permian Basin our rig count this week is 311. Last week it was 306. One year ago the count was 238.

When You Buy, Build or Remodel, You Can Save Thousands of Dollars* on Your Electric Bills over the Life of Your Home if it's a WTU-Approved E.S.P. Home

Some homes on the market may seem to be energy efficient, but before you buy, build or remodel, be sure your new home earns the West Texas Utilities

"E.S.P. Award"

ASK YOUR REALTOR OR BUILDER ABOUT SOME OF THE MOST IMPORTANT ENERGY SAVING FEATURES:

- Ceiling insulation of R-30 and wall insulation of R-16.
- Storm windows or insulated glass.
- Weatherstripping and caulking around all doors and windows.
- Air conditioning with a Seasonal Energy Efficiency Ratio (SEER) of 8.5 or higher.
- Electric heat pump with an SEER of 8.0 or higher.
- Air infiltration control.

*COMPARE BELOW HOW MUCH MONEY AN E.S.P. HOME CAN SAVE YOU OVER A ONE-YEAR PERIOD

An average 1800 square foot home will cost approximately \$835 per year to heat and cool.
An E.S.P. HOME of 1800 square feet will cost approximately \$610 per year to heat and cool, which results in an annual savings on electricity costs of 25 percent or more. (Energy savings may vary according to the type of construction of the home, family size and individual energy usage habits.)

Call your local WTU office for additional information on buying, building or remodeling to have an E.S.P. HOME. IT CAN SAVE YOU MONEY ON FUTURE ENERGY BILLS!

Highway Dept. honors two

Two men, Rutilio V. Robledo and Heraldo F. Martinez, with the Maintenance Section of the State Department of Highways and Public Transportation (DHT) located in Sonora, were honored during an awards presentation meeting held in that city recently. They were presented Certificates of Service, Lapel Emblems, and Safe Driving awards. Both men are with the work force of Maintenance Construction Supervisor Louis Olenick.

Rutilio V. Robledo was presented awards for 20 years of service and for 8 years of safe driving. He began his DHT tenure in 1964 doing general maintenance. He now works at the sub-section in Eldorado where he is a skilled truck driver and loader operator who performs his work in a

satisfactory manner. He present job classification is Maintenance Technician II.

Heraldo F. Martinez received his awards for 15 years of service and 5 years of safe driving. His DHT career began in 1968 with the Sutton County Residency. He left state employment for about a year then returned to the same job. In 1977 he transferred to the Sutton County Maintenance Section where he is in charge of all sign work in that section and has attained the position of Maintenance Technician III.

The presentations were made by District Engineer, D.R. Watson of San Angelo. He thanked the men for their long and dedicated service and for their safe driving habits and hoped "their continued years with the Department would be as productive as in the past."

Dyer to host tennis clinic

Cindy Dyer of Baird will be teaching a one week tennis clinic in Eldorado June 11-15. Classes will be offered for beginners, intermediates, advanced students and for adults. There will be five two-hour sessions per day. If interested, contact J.

Weldon Moore, Box 624, Eldorado, or call 853-3168 after 4:00 pm. Miss Dyer is a 1984 graduate of Hardin Simmons Univ. She was on the HSU varsity tennis team for four years and has taught private tennis for six years. She is currently employed as assistant pro at the Abilene Country Club.

Social Security rep here

Garland Gregg, representative of the San Angelo Social Security Office, has scheduled his June visit to Eldorado. He will be at the County Courthouse on Thursday, June 21st between 1:30 p.m. and 2:30 p.m.

Anyone who wants to file a claim for benefits, get information, or transact other business with the Social Security Administration may contact him at this time.

Any type of application for Social Security or Supplemental Security Income benefits can be handled by telephone. Your application can be more quickly processed if you will return all applications and requested documents promptly. The phone number for the San Angelo office is 949-3718.

Dunagan wins five Firsts

Wendi Dunagan, daughter of Dan and Mary Leigh Dunagan swept the Howard County Youth Horseman Club Horse Show held last week-end in Big Spring.

She earned five 1st place trophies and one Grand Trophy with her gelding Jesse Bar Boy. Her first place honors included: Youth Gelding 18 and under; 1980 Gelding, Halter Class; Youth Showmanship 13 and under Youth Western Pleasure and Junior Western

Pleasure for 4 and under horses. Wendi's most prestigious award was for Grand Champion Halter Gelding. The only event that Wendi didn't take a first in was the Trail Competition, in which she and her horse had never competed. Even so, she took a third place on that.

Wendi will travel again to Big Spring Saturday to compete in the two day American Paint Horse Association sanctioned horse show. This will be her first show in which she

can accumulate points in order to compete in the National Show. She will then compete in the 4-H Horse Show at Sonora next Monday.

Concert presented

"Music Brings People Together" was the theme for the annual Spring Concert presented by the Eldorado High School Music Department May 17th in the high school auditorium.

The program was directed by Mike Marsh, Band Director; Jo Parker, Assistant Director and Ron Sutto, President of Band Aids.

The first part of the program was presented by sixty-two fifth and sixth graders. They presented a varied program of familiar melodies featuring flutes, clarinets, cornets, French Horns, trombone and tuba.

The second part featured the seventh grade consisting of thirty members. They played "Drum and Bugle Quickstep", "I Like Mountain Music" and "Under the Big Top".

The high school band, composed of forty-five members played their contest numbers, "Normandy Beach" and "Madison Avenue Strikes Back". A flute trio, Kara Garlitz, Vicki Simmons and Michelle Walker played Trio #5 for Flutes. Becky Jones played "Haitian Dance" on bass clarinet and Michelle Marsh played "Allegro Spiritoso" on French horn. All of these were contest winners. The entire group received a standing ovation for their performance.

A special plaque was awarded to Mr. Marsh in appreciation for his efforts as Band Director by George Off, Band President. Renetta Robinson, Vice President, presented a plaque to

Jo Parker as Assistant Band Director for her efforts in working with the flag bearers.

"E" certificates were presented to all senior members and to all who had maintained a B or above average and who attended all performances.

All District, All Region and All Area Band members were recognized.

After the performance a reception was held in the school cafeteria where movies of the marching contest in Brady were shown. Pictures of trips, especially of the Nashville trip were on display along with trophies that have been received this year.

Social security supplement report

A person who wishes to appeal a decision on a Social Security or Supplemental Security Income (SSI) claim should make

certain that the request is submitted within the specified time. Franklin H. Upp, Social Security district manager in San Angelo, said recently.

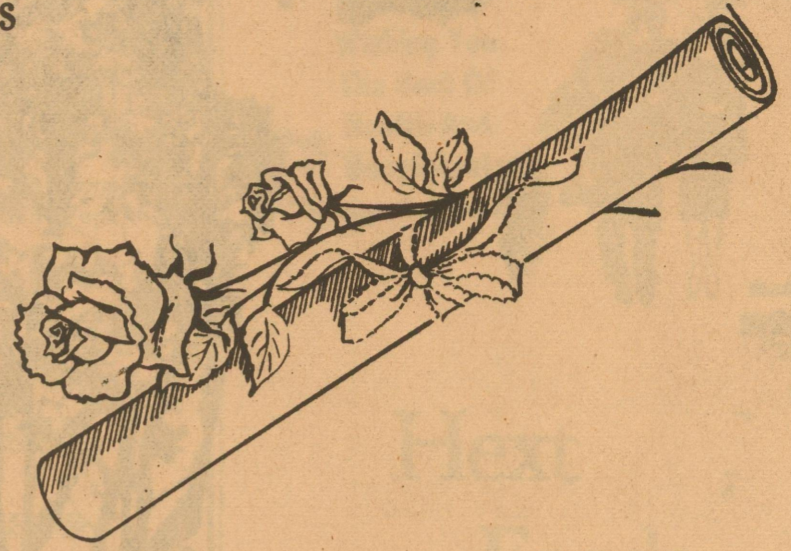

"If a request for a review is not submitted before the end of the time limit, the person may lose his or her right to that review and may be eligible for the next step in the review process."

When the last day of a time limit falls on a Saturday, Sunday, or national holiday, the time limit is extended to the next workday.

"A person may not want to take advantage of all the review steps," Upp said. "But, anyone who wants to do so must follow them in order."

Additional information about the appeals process for either Social Security or SSI can be obtained from the San Angelo Social Security Office located at 2214 Sherwood Way. The telephone number is 949-4608.

Fatheree and Wilson wed

The courthouse lawn under the trees with an archway entwined with greenery and colorful plants was the setting for the wedding of Toni Jean Fatheree and Troy Dale Williamson Saturday morning May 19th at eleven o'clock.

Before the ceremony began musical selections were presented by Dan and Steve Adams, Nancy Chester, Kelly Heard and Mary Adams. Mr. Adams and Mr. Heard also sang other numbers during the ceremony and after the ceremony. Mrs. Gary Keener of Lubbock was pianist for all of the numbers as well as the wedding marches.

Rev. Mark Williams, Campus Minister of Broadway Church of Christ in Lubbock performed the ceremony. Tony and Troy had written their own vows which were read by the minister before the vows were exchanged.

Matron of Honor was Pauls Jones of Abilene. Bridesmaids were: Lori Powell of Eldorado, Terri Fatheree of San Angelo, Ande Hunt of Hurst, Alic Vickers of Farmer's Branch.

Kimberly and Misty Williams of Eldorado were flower girls.

Glenn Williamson, father of the groom was best man and groomsmen were: Trent Williamson, brother of the groom of Rifle, Colo., Jeff Glass, of Austin, Larry Fatheree of Eldorado and Levi Jones of Abilene. T. J. Rodriguez was ring bearer.

The bride's gown was of slipper satin with cathedral length train. It was accented with appliques of lace with seed pearls. The fitted waist was overlaid with the same type lace. Short puffed sleeves were tied with bows on the shoulders. Her full length veil was attached to a ring covered with white silk flowers. She carried a large spray of mixed spring flowers.

The bridesmaids wore orchid moira taffeta skirts made with a yoke from

waist to hips then a full skirt was attached. They wore white sculptured lace blouses with a ruffle below the neckline to give an off shoulder effect and elbow length puffed sleeves. They carried baskets of mixed spring flowers.

The flower girls wore orchid moira taffeta long dresses with a ruffle around the neck and wide ruffle around the bottom of the skirt.

The reception was held on the courthouse lawn where a buffet luncheon,

catered by Johnnie's Catfish of San Angelo was served. Tables were covered with white cloths with net skirts around main serving tables. Baskets of spring flowers were used as centerpieces.

Purple rose rice bags were distributed by the flower girls but instead of rice in them they were filled with bird seed.

The bride is the daughter of Mr. and Mrs. Ben Fatheree of Eldorado. She is a May graduate of ACU with a major in Business Education, P.E. and Reading. She plans to be a P.E. teacher.

The groom is a 1982 graduate of ACU with a major in BBA Accounting. He is presently employed by Southwest Drywall Systems in Abilene.

They plan a wedding trip to Nassau Beach in the Bahamas. They plan to relocate in Colorado in August of 1984.

The bride was honored with a bridal shower in the home of the Bill Maness' May 5th. Friday, May 18th the bridal party was honored with a luncheon in the James Powell ranch home with the Ray Willoughbys' as co-hosts.

A rice bag shower was given in the home of the Charles Adams' on May 16th.

Some of the out of town guests were: Mr. and Mrs. Gary Keener and daughter of Lubbock, Phillip Keener of Alexandria, Va., Mrs. Norman Keener of Nash-

ville, Tenn., Mrs. Ben Fatheree Sr., grandmother of the bride and Mr. and Mrs. Marvin Fatheree of Chichasha, Oklahoma, Mrs. Clifton Maddox, grandmother of the bride,

and Mrs. Johnny Maddox of El Rino, Oklahoma, Mr. and Mrs. E.L. Hancock and Erick from Hurst, Texas and Mrs. Leslie Moore of Abilene.

Pvt. Rathmell finishes training

Marine Pvt. Lee R. Rathmell II, son of Lee R. Rathmell of Mertzton, Texas, has completed the infantry combat training course at the Marine Corps Base, Camp Lejeune, N.C. During the six week course, he received class-

room instruction and participated in field exercises involving infantry tactics; the construction and camouflage of fighting positions; and the use of mines, demolitions and intra-company communications equipment.

Spray your pecan trees now!

Schleicher County Extension Agent Jerry Swift reminds owners of pecan trees that the Pecan Nut Casebearer is the insect that does most of the

damage to our pecans. The control is very timely, spraying at the correct time is the ONLY WAY to control the Pecan Nut Casebearer.

Usually two (2) sprayings will improve your success at controlling the casebearer. These sprayings should be approximately 7 to 10 days apart. May 26 is suggested for the first spraying. Second spraying should be 7 to 10 days later.

Summer reading program kicks off the 6th

"Magical Mysteries" is the title of the local library's Summer Reading Program. The program will be held June 6th thru July 18th on Wednesdays from 2 til 4 pm. (There will not be a session on July 4th).

Fayla Cheatham, Librarian said that any child in the grades of Kindergarten through the 6th grade is welcome. Everyone must be registered before June 6th in order to participate in the program.

The children who have read twelve books during the program will receive a diploma. The awards and diploma will be presented to the children on the last day of reading.

Volunteers are badly needed to read to the children and to help with the refreshments. Anyone who is interested can contact Mrs. Cheatham at the library. Mrs. Cheatham urges the public to come visit the library and take home a book!

Texas Oil & Gas . . .

Crisis Time Looms Without More Drilling

By J. C. Walter, Jr.,
Chairman.

Texas Mid-Continent Oil & Gas Association

I am no different than most oil men I know in that I am an optimist. I am optimistic about the future of this industry and about my company's endeavors.

The petroleum industry has experienced a bleak period during the past two years. Now, however, the resiliency of independent oil and gas producers has been proved. We are on our way back.

The number of working rigs is an important indicator of vitality in our industry. Evidence of the turnaround is approximately 100 more drilling rigs operating in Texas during 1984 than at a corresponding time last year. But, more needs to be done.

In 1983, drilling totalled 284-million feet. Yet this effort resulted in the discovery of only enough oil and gas to equal 78-percent of production. Last year we also had to import 1.34-billion barrels of oil, at a cost of approximately \$40-billion.

Our industry should strive each year to discover oil and gas in amounts equivalent to that produced. Such a commitment in 1983 would have required a 25- to 30-percent larger outlay of exploratory expenditures.

Last year was a recovery year for the economy. As the economy grows, demand for oil and gas will rise along with a need to increase exploration expenditures. If we do not respond quickly, it is likely we will be facing another energy crisis situation similar to the one we endured during the 1970's.

There are numerous reasons why exploratory drilling, both in Texas and the rest of the country, is at a depressed level even with this looming crisis. They include the following:

(1) Independent producers, who historically have drilled 80-percent of this nation's wildcat wells, are debt-burdened after overextending themselves financially in the 1979-1981 period.

(2) These producers' cash flow has been reduced by stabilization of oil and gas prices and imposition of the so-called "Windfall Profits Tax."

(3) Demand for natural gas has decreased and with it the amount of money available for exploration.

Until one or more of these factors changes, doubt remains that we will have the significant increase in drilling activity necessary to continue the recovery. For that recovery to become a reality, the industry needs stability and consistency in the areas of regulation and taxes; we cannot accommodate additional regulatory burdens or increases in taxes, such as a "windfall profits tax" on decontrolled natural gas at the federal level or increases in severance tax rates here in Texas.

Hightower asks for government aid

(AUSTIN)—Texas Agriculture Commissioner Jim Hightower has called on the Reagan administration to give immediate attention to the critical drought affecting every corner of the state. Hightower urged the federal government to use "everything in its 'bag of tricks'" to assist hard-pressed farmers and ranchers, as the state is already doing.

"The spring rains obviously have not come -- a fact that's clearly evident to every farmer, rancher and backyard gardener in the state. In those areas of West Texas that have not received adequate rainfall in four consecutive years now, foundation herds of cattle, sheep and goats are now being sold off and ranchers are calling it quits.

"Coming on the back of the drought of 1983 and last winter's record low freeze, this drought already spells disaster for Texas agriculture. The state is doing everything it can to alleviate the suffering, but the bulk of the responsibility rests with the federal government.

"Family farmers and ranchers, facing their fifth consecutive year of declining net farm income, simply don't have the money to protect their soil from wind erosion.

irrigate their crops even where water is available, or to buy more feed grain for their livestock herds. This year we don't even have a Payment-in-Kind (PIK) Program, the so-called 'crop-swap' in which producers received grains and cotton already in storage when they took a percentage of their acreage out of production in 1983.

"That's why I'm calling on President Reagan and U.S. Agriculture Secretary John Block to gear up now to administer the various federal disaster assistance programs authorized by Congress.

"First, additional steps must be taken by the federal government to protect farmers from long-term, senseless wind erosion losses. Already drought conditions have caused a three-fold increase in wind erosion losses over last year, with over 1.1 million acres of Texas topsoil severely damaged in the first five months of this year. That's why people as far away as Dallas and Houston have found their cars and homes covered in dust blowing in from West Texas.

"Farmers who have purchased Federal Crop Insurance should not be required to plant when there is already no hope of making a

crop in order to receive drought benefits. Forcing farmers to plant under such conditions will not only be a waste of seed, fuel and time, but will cause further erosion losses.

"Similarly, farmers who have signed up for other federal crop programs should not be required to plant in areas where there is no hope of making a crop in order to qualify for those program benefits.

Is happiness a warm puppy?

By Dale Lipsett

Do you remember the Peanuts comic book in which Charlie Brown makes the discovery that happiness is a warm puppy? Maybe your idea of happiness isn't Snoopy cuddled in your bed, but there's something that we can learn from Charlie Brown on the subject of being happy. We can learn to define our terms. One of the reasons that there are so many unhappy people in the world today is that so many people don't know what it would take to make them happy.

I have in mind a man I once heard about whose idea of happiness was to have the biggest bank account, the nicest house, the biggest car and the prettiest wife in the town of Pacific Grove, California. Sounds good, or does it? Pacific Grove is a small town on the California coast noted mostly as the hibernating place for the monarch butterfly. What would happen to our man if he and his wife went to Monterey and there discovered that she wasn't the prettiest woman in that town? What happens if inflation eats away his bank account or if the

house is overshadowed by some nouveau riche's castle? Or perhaps the car will turn out to be a lemon, in the garage more than it is on the road. Seems that this man's happiness is set on some shaky pillars doesn't it.

I believe that true happiness is only possible when a person is able to look outside of himself. ONLY by living an outward facing life can a person really find himself. Jesus put it this way: "Do unto others as you would have them do unto you." Implicit in this teaching is the idea that in order to do unto others, you have got to be looking at others. You have got to shift your focus from your own little problems and look for ways that you can help other people. The late Father Flanagan, founder of Boy's Town in Nebraska, put it this way: "No man ever stood so tall as when he stooped to help a boy." There's an old hymn titled "Help Somebody Today". If you're looking for an operating philosophy for your life, try helping somebody today. You brighten the corner where you are and see if you don't feel happier for it.

Two Eldorado youths win

Two youths from Eldorado traveled to Fredericksburg, Texas this past week-end to compete in the FFA Rodeo. Both came home first place winners for their efforts.

Justin Paxton, 10 year old son of Mr. and Mrs. Ronnie Paxton took the top honors in the Calf Riding

competition with a score of 62.

Russell Dacy, 15, son of Mr. and Mrs. J. M. Dacy took first place honors in the Junior Bull Competition with a score of 62.

The rodeo was produced by Lester Meier of Fredericksburg.

Too old to go

At the beginning of the 1983-84 school year, a decision was handed down stating that a student 21 years of age or before

September 1st, would not be eligible for a free public education.

A ruling made by James R. Nowlin, United States District Judge on October

3, 1983 stated that all handicapped students in Texas who have not graduated from the public school system and who will have reached their 21st -

but not their 22nd - birthday by September 1st are eligible to receive special education and related services from the public school system.

Mother's Day at 'Hanuschs' honors father

On May 13th a double celebration was held in the home of L.R. Hanusch. The celebrations were for Mother's Day and the 93rd birthday of F.H. Reeder. He is a resident of the

Schleicher County Nursing Home and the father of Betty Hanusch. There were four generations to celebrate the birthday and two generations of mothers to be honored on this special day.
