

SCHLEICHER COUNTY LEADER

[U.S.P.S.] 342-470 Eight Pages September 15, 1983 25 cents Eldorado, Tex.

Loan agent here today

Emergency loans for farm and ranch operators are available through county offices of the Farmers Home Administration (FmHA), Ben T. Rucker, Jr., FmHA county supervisor, said today.

Rucker asked that those who need farm credit as a result of damages and losses caused by drought occurring January 1, 1983, and continuing, make their needs known at the Farmers Home Administration office at: Box H, Eden, TX 76936, Ph. (915) 869-3941.

FmHA can only accept applications from livestock producers at present. Applications from cash crop producers will be accepted at a later date after harvest of these crops.

Applications for assistance in the disaster stricken counties will be accepted by Farmers Home Administration until February 16, 1984 for physical and production losses.

FmHA loans covering actual

physical and production losses may be used to buy feed, seed, fertilizer, livestock, or to meet interest and depreciation payments on current real estate and chattel debts.

"Funds can be used for essential operating and living costs," Rucker said.

Those farmers and ranchers unable to borrow money elsewhere may be eligible for a loan at 8 percent and those who can borrow elsewhere, the interest rate will be at 14 1/4 percent.

Rucker will be in the Schleicher County Courthouse the afternoon of September 15th, 1:30 to 3 p.m.

To be eligible for an emergency loan, an applicant must have suffered losses from the disaster.

County Commissioners approve '84 budget

The Schleicher County Commissioners Court met Monday morning regular session.

The main topic on the agenda concerning the court was the adoption of the 1984 Budget. Commissioner Prissy Paxton motioned that the proposed budget be adopted and the motion carried. The outlook for the upcoming year is as follows:

- Jury Fund-\$4217.00
- Road & Bridge Fund-\$141972.00
- Road & Bridge Special Fund-\$262862.00
- Lateral Road Fund-\$15455
- Farm to Market-\$196969.00
- Reconciliation of all Road Funds-\$617258.00
- General Fund-\$572071.00
- Officers Salary Fund-\$392820.00
- Social Security Fund-\$119252.00
- Law Library Fund-\$1312.00
- Revenue Sharing Fund-\$54854.00
- Law Enforcement Fund-\$110873.00

The Court approved payment for the monthly bills and the minutes were read and approved.

A donation was accepted by the court from the Eldorado Dance Club for its use of the Memorial Building.

Sheriff Orval Edmiston met with the Commissioners to present the resignation of Chief Deputy Barry Hale. The court accepted the resignation.

County Treasurer A.G. McCork

maek requested that \$2,000 be transferred from the General Fund to the Jury Fund to cover expenses of the recent jury action.

At 10:00 am the Revenue Sharing Hearing was held concerning the Revenue Sharing Budget and the County Budget. No interested Schleicher County resident appeared for the hearing.

The Commissioners voted to retain the insurance on the Memorial

Building at \$121,000.00

The insurance on the new Fire Hall was voted upon and Kerry Joy made the motion that the amount be set at \$75,000 and his motion was seconded by Jack Turner.

In the last action by the commissioners they voted to fund three deputies for the Sheriff's department for the upcoming year. The vote was unanimous.

With no further business the Court adjourned.

Frankie Hardy resigns board

The Board of Trustees of the Schleicher County Independent School District met for their regularly scheduled meeting Monday night.

After the meeting was called to order the minutes of previous meetings were read and approved.

The board opened the bids for the school buses the school was selling. Four bids were received and the bid was awarded to D.E. Karuse of San Antonio who submitted the highest bids: bus #3 \$853.00 and bus #4 \$953.

Board Member Frankie Hardy's resignation was accepted and the board appointed Ronnie Mittel to fill the position for the present time. The board agreed to hold the position open.

The first guest to appear before the board was Band Director Mike Marsh who presented the trustees a summary of the band program for the year. Marsh requested that Mrs. Jo Parker's salary be increased due to her position as Assistant Band Director. Action on this matter will be taken at a later date after consideration by the Superintendent and members of the board. Marsh also reported on the upcoming band trip.

High School Pincipal Richard McCarron requested that sponsors of the cheerleaders be reimbursed holding that position. The board agreed.

Elementary Principal Weldon Moore reported to the board of trustees on the Gifted and Talented Program and what he projected for the program.

The board approved entering into agreement with the Texas association of School Boards concerning Worker's Compensation.

Next the Board discussed and approved the application for foundation funds.

Bus routes were reported on and changes were discussed to improve route service.

Superintendent Guy Whitaker made a report to the board concerning personnel. He reported that he would make recommendations on a teacher for the English and History openings in the November meeting.

The board agreed to continue holding their meeting on Monday nights during football season.

The enrollment report was presented with figures showing that the enrollment was up by 20 students over last year's end of year total. The board discussed contacting a facility consultant to perhaps present studies on the current facilities, no action was taken on this matter at this time.

Bills were approved for payment and after this item the board adjourned the meeting.

Plans for Mexican Celebration

Eldorado will be alive Saturday the 17th with the Celebration of Mexican Independence Day, officially Sept. 16th, sponsored by Grupo Amistad.

The big celebration will kick off with a parade at 12 noon. There will be several riding clubs participation and local organizations will be taking part in the event also.

Following the parade the celebration will move to the rodeo grounds where games will be played and singing groups and bands will perform at the slab. Games include: sack races, egg toss, washer pitch, apple bobbing, and jalapeno eating contests. Pony rides will be offered for the youngsters and food booths will be featuring hot dogs, hamburgers, tamales, tacos, menudo, burritos, BBQ, snowcones, lemonade and cokes. All these activities will start at noon and last until 7 pm.

A dance will be held following the day's events and is scheduled to start at 9 pm until 1 am. An extra added attraction will be the raffling off of a color TV during the dance. Tickets for the raffle can be purchased from members of Grupo Amistad.

Everyone is invited to come out and enjoy all the fun, food and good times.

Baptists hold revival

September 18 in First Baptist Church the executive director of the Baptist Union of Ireland, Rev. Rea Grant will begin preaching a series of

stirring messages of the theme of "revival". As well as speaking at both services on Sunday he will preach each noontime at a fellowship meal

and then each evening commencing at 7:00 p.m. The members of the church would like to warmly invite all the people of Eldorado to attend any of these meetings.

Mr. Grant was born and brought up in the historic city of Derry, Northern Ireland.

He was saved by the grace of God when he was eleven years old and was baptized into the membership of the Derry Baptist Church. He began to preach when he was sixteen and after five years of secular employment surrendered to the call of God to the ministry. After graduating from college in 1962 he worked as an evangelist for sometime before accepting a call to the pastorate.

He has served in various churches within the Baptist Union of Ireland of which he became the Executive Director in 1976.

In addition to his work as administrator he is pastor of Ballkeel Baptist Church which is situated in rural County Down.

He and his wife Ruth, daughter of the pastor of his home church, were married in 1963 and have three sons and three daughters whose ages range 19 to 10.

His preaching is compassionate and marked by clarity and authority. He has the gift of bringing alive the Word of God.

He visits Texas on his way to minister to Baptist missionaries working in South Peru.

Livestock requested

Area chairmen have been appointed for the Cattlemen Round-Up for Crippled Children, according to Jim Alexander, general chairman. Horace Linthicum has been appointed chairman for Eldorado. Linthicum can be reached at 853-2117 or 2280. The Cattlemen's Round-Up for Crippled Children benefits the West Texas Rehabilitation Center with campuses in Abilene and San Angelo, stated Shelley V. Smith, WTRC president/executive director.

"Livestock donated by ranchmen are collected at a designated point in each community and transported free to the auction site," Alexander explained. "The area chairman's role is to make a personal pledge, then ask friends and neighbors to join them in the annual CRCC drive."

Sales of livestock are converted to dollars and the amount provides care for about 11,000handicapped persons throughout the Southwest at Rehab campuses.

Scheduled sales include the Cattle Sale at Abilene Auction, September 26 Abilene Horse Sale, October 1; Junction Sheep and Goat sale, October 3; Coleman sale, October 5;

Shriner Circus starts Saturday

The Tri Cities Shriners Club will be presenting it's 1st Annual Shrine Circus in Sonora on Saturday September 17th in the Sutton County Arena. Performances will be held at 2:00 p.m. and again at 7:00 p.m.

The circus is being produced by Carden Int. and all the popular circus acts will be presented including: trapeze acts, animal acts, clowns and other exciting performers.

Tickets are available at the gate for

\$4.00 each or may be purchased in advance by calling 853-2091 or 853-3069. Groups of eight tickets can also be purchased for \$25.00. Area school children will be given FREE tickets at their schools.

This is the 1st Annual Circus the newly formed club has sponsored but it is anticipated that this will certainly not be the last. The Club was chartered in early 1983 and is comprised of 30 members from Sonora, Ozona and Eldorado.

Duplicate bridge winners

Duplicate bridge winners for August; 4th Ethel Olson and Sammie Espy, Sonora, 1st; Vivian Miers, Sonora & Candy Richards, 2nd; Mary Christian and Melissa O'harrow, 3rd; Helen Bebee and Tip Finley, 4th, 11th We had our Grand National Qualifying Game with 15 tables of players attending, and we had two of our pairs that qualified: Lottie Puckett and Fred

Adkins, Sonora; and Ann Parker, Oxona and Evelyn Wimer. 18th Lottie Puckett and Fred Adkins, 1st; Mary Christian and Helen Bebee, 2nd; Lunetta Morgan, Sonora and Bea Griffith, 3rd, 25th Bea Griffith and Candy Richards, 1st; Lottie Puckett and Fred Adkins, 2nd; Bernice Sweat, Evelyn Wimer and Zeila Baker, Helen Bebee, Tied for 3rd.

Orval asks for assistance

Sheriff Orval Edminston reported that there have been two cases of purses being stolen from unattended vehicles in recent weeks. One case involved a lady's purse being stolen out of her car at the football game and another lady reported that her purse had been stolen from her car while parked in front of the Lodge Building. Anyone having knowledge of these thefts is urged to contact the Sheriff's Office. Also Sheriff Edminston cautions citizens about leaving valuables in unattended or unlocked vehicles.

Koop to wed Hill

Mr. & Mrs. Stanton Koop, of Carlsbad, N.M. are proud to announce the engagement of their daughter, Carrie Koop to David Edward Hill of Ft. Worth, Tx., son of Mr. & Mrs. Jo Ed Hill of Eldorado.

Miss Koop is a 1979 graduate of Carlsbad Senior High. A 1983 graduate of Texas Tech University, and a member of Pi Beta Phi.

The groom to be is a 1979 graduate of Eldorado

High School, a 1983 graduate of Texas Tech University, a member of Pi Delta Theta, and is presently employed by Continental National Bank in Ft. Worth.

The wedding is scheduled for Saturday, November 26, 1983 at the First United Methodist Church in Carlsbad, N.M.

Historical society has visitors

The Historical Society met Sept. 5 Labor Day for their monthly meeting. Margaret Frost presided over the meeting after 3 months with a broken leg Margaret opened the meeting with the Pledge of Allegiance to the flag of the U.S. Ruth Baker gave a very good Secretary report and Mable Frietag gave the Treasurer report. Just a business meeting was held. Several members attended. They were Margaret Frost, Ruth Baker, Mable Frietag, Ola Ruth

Barbee, Ola Mae McDonald, Elizabeth Ballew and Willie B. Johnson.

We had visitors recently from Austin, Texas. Relatives of Sam Schleicher. The man Schleicher County was named for. The couple's name was Mr. and Mrs. Frank Crain Schleicher. They toured the museum with the help of Ruth Baker explaining everything about the museum.

Drop by and see our new remodeled and newly painted building.

including sales of newly published Casserole cookbook as well as the Holiday edition which sold well last year. After further discussion, the decision was made not to sponsor the Halloween Carnival, but to encourage other organizations to sponsor the event with the Sorority to sponsor a booth. Members signed up for Committees for the coming year and Secretary Kim-et Nelson reported that cultural programs for the year had been assigned following a flexible theme covering particular interests indicated by the members. Program outlines will be issued at the next meeting.

Refreshments were served by Glenda Harris and Mary Nolen.

This meeting of Beta Sigma Phi adjourned with the Closing Ritual. Next meeting is scheduled for Monday, September 25, at the Clubroom.

Sorority begins new year

The first meeting of the Xi Xi Chi Chapter for the 1982-83 year was held Monday evening, September 12 with 14 members present. After the meeting was called to order by President Glenda Harris,

the Opening Ritual was held. Minutes of the previous meeting were read and the Treasurer's Report was given.

Members discussed various fund raising projects for the coming year

and Brownwood sale, November 2.

Aubrey Stokes of San Angelo is CRCC co-chairman for the Southwest region. Midwest Feed-yards in San Angelo serves as the regional collection point.

CRCC is now 23 years old. The idea began in Bronte on the late Conda Wylie's Fort Chadbourne Ranch. He came to Smith with the suggestion that 20 top steers be cut from his herd and sold to help defray operational expenses of WTRC.

The results speak for themselves. Today WTRC reaches out to all handicapped in the Southwest. With a goal of treating the whole patient rather than just the handicap, services offered include physical therapy, occupational therapy, speech therapy, social services, psychology, orthotics, diagnostic services, education programs, adaptive equipment shops, audiology, medical clinics, genetics counseling, and transportation.

Seven new strains of drought tolerant cotton

Scientific detective work which has just led to the release of seven new drought-tolerant germplasm lines of cotton was spotlighted at the 74th annual field day of the Texas Agricultural Experiment Station (TAES) in Lubbock Tuesday, Sept. 13.

Research efforts to develop plants with above-average tolerance to drought stress have been ongoing for many years at the Lubbock center, just north of Lubbock International Airport of FM 1294. They have consisted of cooperative efforts in a multidisciplinary Plant Stress and Water Conservation Research Program involving TAES, the U.S. Department of Agriculture-Agricultural Research Service, and

Texas Tech University.

The work will be featured at one of the four major stops for visitors to the Sept. 13 field day at the Texas A&M University Agricultural Research and Extension Center. Dr. Charles Wendt, professor of soil physics, and Dr. Jerry Quisenberry, cotton geneticist and TAES director of the USDA ARS group, will explain the work.

This stop will be alongside the rainout shelters which the scientists use to provide controlled water and stress conditions for the tests. The seven new germplasm lines will be on display.

"In these shelters, we're looking at the basic mechanisms of drought-tolerant cotton," Quisen-

berry said. He explained that a cotton plant normally has four xylem bundles, or vascular systems, which draw water from the soil. But some exotic varieties have as many as six.

From an initial germplasm source known as Texas 25, which has five vascular bundles, the scientists went on to develop and release the seven new drought tolerant varieties.

Other work being conducted in the rainout shelters. Wendt noted, includes screening of exotic cotton types by USDA early season drought tolerance in grain sorghum, screening of turf samples for drought tolerance, late season drought tolerance in grain sorghum, and the influence

of growth regulators on water use in cotton.

In addition to the drought-tolerance, major stops will include weed control, grapes and development of cotton varieties to improve yield and fiber quality.

The field tours will begin at 1 pm and continue until 5 pm, said Dr. Don R. Rummel, TAES associate professor of entomology and field day chairman. Prior to the tours, newly completed research and educational facilities at the center will be dedicated at 10 am.

Visitors also will be able to tour the Soil Testing Laboratory of the Texas Agricultural Extension service, the greenhouses and facilities of the Texas Forest Service, and view displays and agricultural computers and software.

Parker tours north

Mrs. W.T. Parker's daughter and son in law, Bill and Ruth Farill and children took Mrs. Parker with them when they started back to Alaska. They made the trip a fun vacation as well as a learning experience in many places.

The first part of the trip they spent in Denver, Colorado where they saw a very interesting zoo, the Forney Museum of Transportation where they saw all makes of cars from the first one to the newest.

They went through Wyoming where they saw thousands of antelope and wild horses such as the Mustang. The grass was very lush and green. One thing they noticed that was different along the high ways was the rest stops. In many places they had long concrete slabs where trucks, trailers etc. could park easily.

In Montana around Hardin they saw the Custer Battlefield Preservation where they heard talks on tapes that explained facts about the battlefield. Head stones were placed for each soldier where he fell. Custer's stone was different from the othes in that it was painted black. Later

Custer's body was moved to a National cemetery for safe keeping.

From Shelby, Montana they crossed into Canada where they went through Calgary, Edmonton and up to Fort Nelson. Near Fort Nelson they saw where fire had destroyed from eight hundred thousand to one million acres of forest land, leaving a very desolate land.

They drove through Youkon Territory across southern tip of Canada into Alaska at Tetlin Junction. They spent one night in Eagle Camp Ground and

Last ditch effort Salvages win

Eldorado's Doug Ussery turns it on for the home-town crowd last Friday night when the Eagles defeated Iraan 13-6.

By Mack Redish

Friday night the 9th of September the Eldorado Eagle football team showed alot of character and the will to win. As they came back to squeeze pass the Braves of Iraan 13 to 6. You would think in the first half of the ballgame that the Eagles were playing their first scrimmage game of the year. Penalties weren't the Eagle's draw back in the first half, it was plain straight out mistakes, seems as though they could not do anything right.

When you look on the other side of the field and you see these little guys from Iraan and then focus your sight on the big over-powering team in green, it's easy to say, well I know the Eagles will run away with this one. Iraan

started the game like they wanted to prove alot of people wrong, but at the end of the fourth quarter the Eagles had staged a strong come from behind win. Coach Mitchel's feelings before the game on Iraan was, "they are ranked 8th in the State in class "A" so that right there tells you that they are good. They throw the ball about 50 percent of the time." To stop the Braves air game Mitchel felt that, "We will have to play good pass defense and put pressure on the quarterback, and just do a good over all job. Tonight we may probably put the ball in the air a little bit more than we have been doing." The Eagles came into the ball game favored to win by 14 points. Coach Mitchel's feelings on a 14

point spread was, "It's been along time since we were favored to win by 14 points to anyone, it's nice. If the kids take it in the right frame of mind its a plus for you, but if they get to thinking that they are that much better with out playing the team, it could hurt you." At half time Coach Mitchel must have reminded the guys that they haven't played their game and that they could come out and win this one. Visiting with some of the players before the game this is what they had to say: Gary Robinson was confident that the Eagles would do good against the Braves. James Flutsch was back after nursing last week's game with strep throat and played a fine game. Another player hit

with strep throat last week was George Gandar who felt he probaly wouldn't play that much but felt the team was looking forward to beating Iraan, and hopefully it would take them further up in the standings. John Griffin who ran for 30 yards on a punt return was looking for the Eagles to do well. Wade Wallis played a fine game also, and he was confident the Eagles would do good because of their mental attitude they would be carrying into the game after the 46-0 win last week. A new comer on the Eagle team and new to Eldorado is Mike Moore, who is glad to be part of the Eagle organization and the town. Playing for the Eagles for the first time is Mark Hardee who is a senior; he is proud to be on this '83 team, and feels that they will go a long way.

The third quarter and fourth belonged to the Eagles. The Eagles came out of the locker room ready to play ball, as they kicked off to the Braves, to start the second half. The Eagles defense really got stingy on the Braves first possession as they were able to hold them for maybe one yard. The Braves had to punt but they got the ball back on a roughing the kicker call.

Two plays later the Eagles did some hard hitting and the Braves coughed up the ball. Ussery took the first hand off and ran for 30 yards, and then from 20 yards out he took it in for the score, but there was a flag on the play called against the Eagles, the TD was nullified. The Eagles threw an intersep-tion on the next play and the Braves took possession again when the Braves tried to run, Ron Sauer was there and he had help from John Church, so the Braves had to punt it away. On the

Eagles first possession Mike Phillips rolled out on a quarterback keeper for 9 yards and then on the next play, he threw a quick pitch to Ussery as he followed Mark Nikolauk around the corner for the score. Ussery kicked for the extra point and it was good for a 7 to 6 lead. In the 3rd quarter the Eagle defense really dug in, and would not give the Braves anything.

The Braves ran a sweep and McAngus gave the ball carrier a crushing blow for no yards, and when the Braves did turn the corner Robledo and Ussery were teaming up for the stop. After the Eagles had regained possession they fumbled on their own 30 yard line and the Braves were threatening to score, but the pass thrown was picked off by Robledo, before the 3rd quarter could come to an end.

Starting the fourth quarter the Braves were threatening to score again on the Eagle's twenty yard line, the Braves advanced the ball on the Eagles penalties as John Church and Sonny Dean would not let the Braves run, so they went to the air. Back playing saftey was Victor Gutierrez who picked off the pass and ran for 15 yards before he was brought down. On the Eagle's possession they were not able to do much so they punted back to the Braves.

After about 3 plays the Braves tried to go to the air once again and back playing defense was Jon Robledo who got another interception and returned it up field for 15 yards; the Eagles had the ball.

Phillips brought the Eagles up to the line and handed off up the middle to Mark Nikolauk and he ran for 14 yards before he was stopped, and entering the game was O'Harrow, he took the next hand off and ran for 7 yards, when the yardage was needed the backs came alive opening the boles were Mark Payne, John Church, Steve Minor and Bill Clark, and when ever it was a hole there was a back coming through. Last week Jay O'Harrow, was 3rd in Rushing in West Texas and he showed some of that rushing style Friday night, as he ran the ball down to the 5 yard line of the Braves. On a 3rd and goal play Ussery went up the middle and scored from 3 yards out, with :55 seconds left the Eagles called a time out, and they went for two points. On the two point try the pass was on good and the Braves took over after the Eagle's kick. It was now up to the Eagle defense to stop the Braves from scoring. The Eagle defense in the last 55 seconds .was like they were through the whole second half, not giving up anything. The Eagles won this one 13 to 6. The Eagles came out the second half showing the will to win, this win goes to the Eagle team and the coaching staff, an Eagle Victory. Now the Eagles are 2-0, and the fuse is lit for an explosive game against rival Sonora, the Broncos from Sonora will be guests on the Eagle field Friday the 16th of September and don't expect the Eagles to be hospitable. Kick off time is set for 8:00.

Harris Rating

Eldorado is once again rated to outscore this week's opponent: Sonora by nine points according to the Harris Rating System.

Other Friday night games and their predicted outcomes are:

- Ozona over Reagan County by 1 point.
- Alpine to take Wall by 11 points.
- Junction over Comfort by 13 points.
- Menard to beat Eden by 6 points.
- Buena Vista to take Irion County by 12 points
- Iraan to beat Greenwood by 20 points.

Eldorado has moved up two places in the statewide standing to No. 34 this week in Class AA.

Other Class AA standings for this week are McCamey at 12th. Wall comes in 18th.

Sonora is ranked at 141 in Class AAA and Ozona comes in at 94th place.

SPORTS

Luke Brame and Jon Robledo bring down a Brave in last Friday's game.

into the game and gave a helping hand, he felt "the Eagles would do good against the Owls." Eric Cheatham came back after missing a week of contact, and played a fine all-around game. Bringing in plays from the side lines was Mike Mejia and Jesus Martinez as they jolted in and out. Mike had a few key blocks and Jesus came away with some clutch catching, he also picked up an Owls fumble. The Eagles' first score came when Eloy Martinez hit the running back, coming out of the back field for a safety.

When the Eagles took over possession after the safety Jimmy Turbevill took the ball on a reverse and ran it in for a 20 yard touch down. The Eagles went for 2 points and Eloy rolled out and threw a pass to Turbevill and it was good for 2. The Owls weren't able to do anything so they punted to the Eagles and on the first play Eloy rolled back and threw to Ron Mittel, Mittel made a great diving catch, after that play, Martinez decided to run this one, and he ran 25 yards for a touch down. To free Eloy around the corner was a great block by Troy Daniels, he knocked the Owls' player at least 5 yards back. Eagles went for 2 and a high pass by Eloy was brought down with one hand by Turbevill. That made the score 18 to 0.

The Eagles' last score came when Martinez rolled out looking to pass and a big hole was open by Micheal Ruth who opened a few holes all night. Eloy kept the ball and went in for the score 10 yards out, the extra point was missed fired and that brought the score 24-0. Steve Saldaivar did not have one of his good running games but play good on defense, he was able to run for 21 yards on 6 carries. Troy Daniels had 57 yards on 5 carries and Ron Mittel 2 catches for 33 yards. Eloy Martinez finish the night with 115 yards on 15 carries. The Eagle team felt great about the game, and on the way home, they all sang out loud "We feel good-"Uh"! Oh we feel so good" the JV will prepare this week in practice for the Hawks from Wall as they host Wall Thursday the 15th of September, here in Eldorado on the Eagle field, kick off time is set at 8:00.

Eaglets skunk Big Lake

By Mack Redish

The JV football team from Eldorado, danced by Reagan Co. 24-0 Thursday night in Big Lake. It was the JV's first game of the season, as they took their first step to an undefeated mark. It seems as though when ever one of the Eagle teams stepped on the Field for play, there will be alot of flags thrown, and most of them going to the Eagles. So far the flags had not been able to help the opposing team.

The JV showed a good offense and a hard hitting defense. The Owls of

Reagan Co. really had a hard time doing anything against the Eagles.

Talking to Coach Barton before the game about the Owls, and what he knew about them, "I don't know anything about the Owls, but we should do well and Coach Singleton does a good job so we should do really well." Coach did not think the lay off would hurt the teams performance too much, all week long they had been scrimmaging the Varsity team and after a week's work-out with them

they should be ready. Through most of the game the Owls tried to run, but Brian Gillaspay was in on every play. Brian was looking to "stick it to them" talking about the Owls.

Speaking of sticking it to them, another player with the same attitude was, Steve Bowery. Steve played a super ball game, stoping the run, and helping the Eagles to gain their own yardage. Brian Daniels was getting his first defensive start, but on a good defensive play by

Brian, he was injured and taken to the locker-room; he did not play for the remainder of the game. He was reported to be OK. Mickey Romero went

On The Go!

By Evelyn Stigler

Mrs. Ola May McDonald has recently returned from Chicago where she visited her sister Patty (Eloise) Kurowski and her husband, Casey. Her daughters, Suzanne Davis and family of Pibeton, Ohio and Sandra Sterlinski of Chicago were home.

They went many places but the most interesting was down town to the Sears Tower. This is the World's Tallest building. They were allowed to go to

the 103rd floor to the fully enclosed sky deck. The view of the city was beautiful. The tower has 110 floors but visitors are only allowed to go to 103.

Mrs. Ruby Hight, Carolyn and Kenneth Hight, went to San Antonio over the Labor Day week end to visit her sister & her husband, Rev. & Mrs. S.A. Mask. He is pastor of Faith Assembly of God Church. They also visited her mother, Mrs. Boatright

who is in the Woodland Nursing Home in San Antonio.

Mr. & Mrs. Steve Snelson and Casey and Mrs. J.E. Hill went to Colorado Springs recently and spent two days. They took Casey to the North Pole, Santa Claus Land at the foot of Pikes Peak. The saw Seven Falls near Colorado Springs.

They took a train ride from New Mexico into Colorado and back in one day. Mrs. Hill spent several days in Corana

N.M. with her sister Lois Bagley while the Snelson's went to Ruidosa N.M.

The four Schaffer sisters, Mrs. Evelyn Botts of Fresno, California; Mrs. Bernice Goff of Brady and Mrs. Granvill Hext of Eldorado met in Brady Saturday and all went to a reunion in Voca, Texas. They all came back to Eldorado and spent the Labor Day week-end with the Granvill Hexts and the Herman Walkers.

The Weldon Davis', The Harry Mercers, the Carl Fullers and the Leslie Bassingers have been on a trip to Red River N.M. where they enjoyed sight seeing and did some fishing.

Richard Byrd who was in training here in the hospital under Dr. Brame about a year ago came by Monday to visit friends. He is doing his internship in Hendricks Memorial Hospital in Abilene.

42 club meets

Mrs. Etta Ruth Dannheim was hostess Thursday when the 42 club met in the Dairy Mart for an evening of fun.

Refreshments were served. Those present were: Bessie Doyle, Lois Etheredge, Lillian Mikeska, Annie Speck, Opal Parks, Louise Logan, Ada Bell Taylor, Jessie Sudduth, Mary Etta Stricklan, Jewell Van Dusen, Florence Hinton and the hostess.

Pennington birth

Mr. & Mrs. Jerry L. Pennington of Amarillo, Tex. announce the arrival of a baby daughter on August 29, 1983, weight 6 lbs., 14 ounces and named Melina

Gail. She is also welcomed by an 11 year old brother, Donovan and grandmothers, Mrs. Evelyn Wimer of Eldorado and Mrs. Florence Sanders of Amarillo.

Garlitz wins scholarship

The 1983 TSTA Scholarship winner, Greg Garlitz, has begun his studies at Texas Tech University in Lubbock. Each spring the Schleicher

County Texas State Teachers Association awards a scholarship to a deserving student. Nancy Turberville was the 1982 recipient of this scholarship.

The book that mother loves

By Dale Lipsett, Pastor

Being a preacher isn't all serious. I heard about a man of the cloth who went on visitation one Thursday night. He drove up to the home of one of his inactive members, got out of the car and knocked on the door. When the lady opened the door, she invited the preacher in and told him to have a seat in the parlor. Settling himself on the sofa, the preacher began to visit with the lady and her young daughter, a girl of about six or seven.

As they talked, the lady told the preacher that although she didn't go to church, she was a very religious sort of person. To demonstrate her point the lady asked her daughter to bring back "the book that mother loves." Well, the little girl went into the bedroom and came back directly with a copy of True Confessions magazine. The lady turned a little red around her ears but managed to smile sweetly at her daughter and say, "No darling, please get the other book that mother loves." This time the little girl came back with a copy of Cosmopolitan magazine.

By now, the lady was about to come unglued so she went to get that book herself. In about a minute, the preacher heard a ruckus from the bedroom that sounded like Duffy's closet tumbling down. When the dust settled, the lady emerged triumphantly carrying an obviously new and unused New Testament like those given to young folks when they graduate from high school. It was ob-

vious to the preacher by now that this was going to be a tough nut to crack.

You know, in trying to make points with the preacher, that lady had already made her points with her daughter. The little girl knew what her mother considered precious and what she didn't. The little girl might not have known the word hypocrite but she knew that her mother was one. If you found yourself in that position, how would you regain your daughter's confidence?

What would you say? What would you do? Of course, you'd never put yourself in that position with your children. Would you?

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS

SPECIAL ELECTION NOVEMBER 8, 1983

PROPOSITION NO. 1 ON THE BALLOT

House Joint Resolution 91 proposes a constitutional amendment which requires a county with a population of 30,000 or more to be divided into not less than four nor more than eight justice of the peace precincts. A county with a population of 18,000 or more but less than 30,000 shall be divided into not less than two nor more than five justice of the peace precincts. A county with a population of less than 18,000 shall be designated as a single justice of the peace precinct or, upon a finding of necessity by the commissioners court, shall be divided into more than one justice of the peace precinct but not more than four. The amendment provides further, that in any precinct in which there is a city with a population of 18,000 or more, two justices of the peace shall be elected. The amendment allows a justice of the peace, constable or commissioner to continue in office until the expiration of his term, although a change in precinct boundaries results in the officer no longer being a resident of the precinct for which he was elected or appointed and allows a justice of the peace or constable to continue in office until the expiration of his term even though a change in precinct boundaries results in the abolition of the precinct or more than one justice of the peace or constable serving the precinct. Vacancies in the office of justice of the peace or constable that result from a precinct boundary change shall be filled by the commissioners court until the next general election. The amendment would take effect on January 1, 1984, and counties with populations of less than 30,000 and with more than four justice of the peace and constable precincts would have until January 1, 1987 to comply with the amendment.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing fewer justice of the peace and constable precincts in counties with a population of less than 30,000 and providing for continuous service by justices of the peace, constables, and county commissioners when precinct boundaries are changed."

PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 105 proposes a constitutional amendment which would limit a homestead in a city, town or village to a lot or lots amounting to not more than one acre of land, together with any improvements on the land. The constitutional requirement that, at the time of

designation, an urban homestead not exceed ten thousand dollars in value without reference to the value of any improvements on the land would be eliminated.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment replacing the limitation on the value of an urban homestead with a limitation based on size."

PROPOSITION NO. 3 ON THE BALLOT

Senate Joint Resolution 1 proposes a constitutional amendment that authorizes the Legislature to enact legislation that permits representative associations of agricultural producers to collect refundable assessments on their product sales to be used solely to finance programs of marketing, promotion, research and education relating to those products. It provides, further, that adoption of the proposed constitutional amendment will bring into effect Senate Bill 607, Acts of the 68th Legislature, Regular Session, 1983, with rejection of the amendment resulting in Senate Bill 607 having no effect.

The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment providing for the advancement of food and fiber production and marketing in this state through research, education, and promotion financed by the producers of agricultural products."

PROPOSITION NO. 4 ON THE BALLOT

House Joint Resolution 30 proposes a constitutional amendment which authorizes the Legislature to enact laws to provide for the succession of members of the Legislature in the event of enemy attack and allows the suspension of procedural rules imposed by the Constitution in the event of, or immediate threat of, enemy attack. The amendment empowers the Governor, after consultation with the Speaker of the House and the Lieutenant Governor, to suspend the constitutional requirement that the Legislature hold its sessions in Austin and allows the suspension of procedural rules by the Governor issuing a proclamation in which the House of Representatives and Senate concur by resolution approved by a majority of the members present. Suspension of the constitutional rules may not exceed a period of two years under a single proclamation; however, the Governor may renew the suspension by issuing a new proclamation concurred in by the House of Representatives and the Senate through a resolution approved by a major-

ity of the members present.

The amendment will appear on the ballot as follows: "The constitutional amendment authorizing statutory provisions for succession of public office during disasters caused by enemy attack, and authorizing the suspension of certain constitutional rules relating to legislative procedure during those disasters or during immediate threat of enemy attack."

PROPOSITION NO. 5 ON THE BALLOT

Senate Joint Resolution 12 proposes a constitutional amendment that authorizes the Legislature to enact legislation providing for the use of the permanent school fund and income from the permanent school fund to guarantee bonds issued by school districts. The amendment provides, further, that the Legislature may appropriate part of the available school fund for administration of the permanent school fund or of a bond guarantee program established pursuant to the amendment.

The constitutional amendment will appear on the ballot as follows: "The constitutional amendment authorizing use of the permanent school fund to guarantee bonds issued by school districts."

PROPOSITION NO. 6 ON THE BALLOT

House Joint Resolution 1 proposes a constitutional amendment which would permit the Legislature to provide for the garnishment of wages to enforce court-ordered child support payments. The garnishment remedy would not be available for other purposes.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment allowing the Legislature to provide for additional remedies to enforce court-ordered child support payments."

PROPOSITION NO. 7 ON THE BALLOT

Senate Joint Resolution 14 proposes a constitutional amendment that authorizes the Veterans' Land Board to provide for, issue, and sell general obligation bonds of the State of Texas in an amount not to exceed \$800 million to provide financing to veterans of the state. The amendment requires that three hundred million dollars of the state bonds be dedicated to the Veterans' Land Fund. The Fund is to be used to purchase land to be sold to veterans under such terms, rules and regulations as may be authorized by law. The amendment creates the Veterans' Housing Assistance Fund and requires that \$500 million of the state bonds authorized by the amendment be dedicated to the Fund. The Veterans' Housing Assistance Fund will be utilized by the Veterans' Land Board for the purpose of making home mortgage loans to veterans for housing within the state and for the administrative

costs of administering the fund and issuing the bonds. The amendment provides, further, that if there is not money in either the Veterans' Land Fund or the Veterans' Housing Assistance Fund available for payment of principal and interest on the general obligation bonds issued pursuant to the amendment, then money coming into the Treasury in each fiscal year is appropriated in an amount sufficient for payment of principal and interest due in that fiscal year.

The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment for financial assistance to veterans and to authorize the issuance of \$800 million in bonds of the state to finance the Veterans' Land Program and the Veterans' Housing Assistance Program."

PROPOSITION NO. 8 ON THE BALLOT

Senate Joint Resolution 1 proposes a constitutional amendment that authorizes political subdivisions to exempt veterans' organizations from ad valorem taxation on their property. The amendment requires that the veterans' organizations be chartered by the United States Congress, be composed of members or former members of the United States Armed Forces, and be organized for patriotic and public service purposes. The amendment provides, further, that political subdivisions may exempt fraternal organizations from ad valorem taxation on their property. The amendment requires that the fraternal organizations be organized to perform and be primarily engaged in charitable or benevolent functions. The Legislature would be authorized to enact laws that prescribe eligibility requirements for fraternal organizations to benefit from the exemption and to pass legislation limiting the types or amount of property owned by a fraternal organization which may be exempted from ad valorem taxation.

The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment to authorize taxing units to exempt from taxation property of certain veterans' and fraternal organizations."

PROPOSITION NO. 9 ON THE BALLOT

House Joint Resolution 70 proposes a constitutional amendment to authorize the Legislature to provide, by local or general law, a method by which judges of statutory courts with probate jurisdiction may be assigned to any other statutory court with probate jurisdiction and to any constitutional county court in any county in the state.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment providing for assignment of judges of statutory probate courts to other statutory county courts with probate

jurisdiction and to county courts."

PROPOSITION NO. 10 ON THE BALLOT

Senate Joint Resolution 17 proposes a constitutional amendment that authorizes the Legislature to enact laws which would allow a city or town to expend public funds to relocate or replace sanitation sewer laterals on private property if done in conjunction with the replacement or relocation of sanitation sewer mains serving the property. The amendment requires that the law authorize the city or town to affix a lien on the private property, with the consent of the owner, to cover the costs of the replacement or relocation of the sewer laterals on the property. The lien may not be enforced until five years have expired since the date the lien was affixed. The amendment provides, further, that the law require that the costs of the replacement or relocation of the sewer laterals on the private property be assessed against the property with repayment to be amortized over a period not to exceed five years and at an interest rate provided by law.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to permit a city or town to expend public funds and levy assessments for the relocation or replacement of sanitation sewer laterals on private property."

PROPOSITION NO. 11 ON THE BALLOT

Senate Joint Resolution 13 proposes a constitutional amendment that would change the Board of Pardons and Paroles from a constitutional agency to a statutory agency and would eliminate the Governor's power to revoke paroles. The Legislature would be authorized to establish the Board of Pardons and Paroles and to require it to maintain records of its actions and the reasons for its actions. The amendment would empower the Legislature to enact parole laws. Constitutional language specifying the qualifications and terms of office for members of the Board of Pardons and Paroles is eliminated. The constitutional language governing the composition of the Board of Pardons and Paroles and the manner of filling vacancies on the Board is eliminated.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to change the Board of Pardons and Paroles from a constitutional agency to a statutory agency and to give the board power to revoke paroles."

Estos son los informes explicatorios sobre las enmiendas propuestas a la constitucion que apareceran en la boleta el dia 8 de noviembre de 1983. Si usted no ha recibido una copia de los informes en español, podrá obtener una gratis por llamar al 1/800/252/9602 o por escribir al Secretario de Estado, P.O. Box 12887, Austin, Texas 78711.
