HOSPITAL ELECTION MAY 16

Emergencies Without Hospital Facilities?

New officers have been named for the Muleshoe Co-op Gins recently and they include: R.L. Scott, president; Gene Paul Jarman, vice president; Doyce Turner, secretary and Carl Bamert, Ben Roming, Robert Kelton and Marshall Head, directors.

Mrs. R.L. Mathiesen has returned to her home following surgery in Lubbock last week.

Logan Puckett of Aztec, N.M. visited in the home of his parents, Mr. and Mrs. Richard Puckett during the past week-end.

Mr. and Mrs. J.K. Adams have been notified that their son, Joe, who is a senior student majoring in architecture at Dartmouth College, has been named to "Outstanding College Athletes of America."

Joe Adams played defensive halfback on the Dartmouth Indian football team.

Mrs. Horace Hutton attended the funeral of her uncle, Mr. Eugene "Shorty" Pruitt, in San Angelo, Sunday, and returned to Muleshoe, Tuesday. Mr. Pruitt died after a lengthy illness.

Mr. and Mrs. Ted Milsap, and daughter, Deborah, went to Comanche, Sunday, to attend the 50th wedding anniversary of Mr. and Mrs. J.L. Burgess, Mrs. Pearl Cox, who is the mother of Mrs. Milsap, has been spending the last month visiting in the home of her sister, Mrs. Burgess, Mrs. Burgess is also the sister of Mrs. W. R. Carter, of Muleshoe. The Milsaps will attend a reception for the Burgesses, and Mrs. Cox will return with them to Muleshoe, afterwards.

Rev. Bill Swope, who had open heart surgery, February 5 in Dallas, is reported to be working as hard as ever in the many activities of the Calvary Baptist Church.

Visiting in the home of parents, the Lee Pools, last weekend were their sons, Roger and Buddy Pool. Two of Roger's children, Karen and Brian, were with him, and Mrs. Rosemary Pool reports son Michael and Brian had two, new kittens to enjoy.

H. Delbert Ruthardt is hospitalized at Methodist in Lubbock, from injuries incurred last Wednesday. It is reported by Rev. Walter Bartholt that

County Residents Oppose Hospital District; Bonds

In keeping with the Journal's policy of showing both sides of anything pertaining to issues in the area, a group of people wish to present their negative approach to the Bailey County Hospital District and bond election which is slated for May 16.

A spokesman for the group commented, "Bailey County possibly can't support this large a project at this time." He gave as the reason that this area is a disaster area and has been proclaimed so by the federal government. He added that with the present county valuation set at \$16,041,814, the valuation will be doubled in the county in order to pay the bond issue and also said there is no guarantee that the county valuation will not be raised again.

The spokesman also said the group he represent feel that there are not enough people in Bailey County to support doctors enough to carry through the Hospital District and Bond election. He commented it is doubtful that people from other counties would come to Muleshoe for medical service.

Objections were raised to only two voting boxes in the county for the upcoming election. They object to no ballot boxes being placed in Precincts Three and Four. Also coming under fire by the opposition group was the fact that the present Bailey County Hospital District Board is asking people to take on a large obligation when they cannot afford to pay workers for the other polling places.

In conclusion, the spokesman for the opposition group said the Bailey County farm income has lessened and that the county economy depends on the farm income. They feel it is unreasonable to have more taxes and think it is impossible for a new hospital to be able to pay the interest on the hospital.

During the past two years, the West Plains Memorial Hospital emergency room personnel have treated 1,423 out-patients following accidents. This does not include other emergency cases treated or admitted to the hospital or transferred to an out of town hospital.

Thursday night, shortly after 9 p.m., a call was received at the Bailey County Law Enforcement Center that a child had been run over and critically injured in front of Perry's Variety Store in downtown Muleshoe.

An ambulance was hurriedly summoned to the 'supposed' accident but no accident was found. It was a false alarm.

But ... suppose it had been real and a small child was lying injured, perhaps critically ... and no immediate emergency care was available. Would you like to be the parent who had to accompany an injured child to an out of town hospital, not knowing whether or not the child would live until you got to the hospital?

Presently, there are emergency facilities in the Muleshoe area and three doctors. However, the present Board of Trustees of the West Plains Memorial Hospital have announced the distinct possibility of a shutdown in the near future of the existing hospital.

Are you one of the approximately 10 cardiac (heart) patients rushed to West Plains Memorial Hospital each month with varying degrees of cardiac problems? Is your husband, wife, mother, father, sister or brother a heart patient?

Automobile accidents, ranging from minor with no injuries, to slight injuries and the full gamut to fatal, happen year round in the area. To date, all automobile victims, of motor vehicle victims, have been able to secure prompt, skillful emergency treatment at the present hospital. But... what would we do if we did not have a hospital for these accident victims to go to?

Another major item in the farming area such as Bailey County is the farm accident. Last year, within less than a weeks time, three major farm accidents occurred in Bailey County. Prompt attention was said to have saved the lives of two men and the leg of another victim.

Occasionally, there are surgical emergencies, such as perforated ulcers or acute appendicitis. Right now, there are doctors and facilities to treat these emergencies almost immediately, but for how long?

Sports injuries are another major consideration. What if immediate treatment had not been available last fall during a football game when Ronnie Barrett sustained severe neck injuries. Quick treatment, a neck brace for awhile and he is all right today.

Obstretical emergencies should also be considered. This is not normal childbirth, but the occasional massive hemorrhages which occur. Without immediate treatment, a pregnant woman cannot survive.

Summer brings on swimming pool accidents, there are home accidents and accidental poisonings and horse accidents.

Yes, it's quite true, right now we have facilities. No one knows more what a dread word 'emergency' can mean than the individual or family who has had such things to suddenly happen in their own family.

These are just some of the emergencies which face the average family in Bailey County, as elsewhere. Emergencies that require immediate attention ... attention which can save a life or save someone from being crippled or maimed for life.

Three Way Names Honor Seniors

Kathy Hicks, daughter of Mrs. Marie Hicks of Three Way, has been named valedictorian of the 1970 Three Way High School graduating class.

Kathy plans to attend Texas

Women's University at Denton and major in music therapy. Her four year grade point average is 92.7.

Salutatorian of the 1970 graduating class at Three Way High School is Micheal Ray Lynskey, son of the Perry Lynskeys of Maple.

He plans to attend West Texas State University at Canyon and has not decided on his major.

Micheal's four year grade point average for high school is 89.7.

HONORARY CHAPTER FARMERS--Receiving plaques at the Future Farmers of America banquet Tuesday night as 'Honorary Chapter Farmers' were from left, Jimmy Black, Donald Harrison, Mrs. Lyndal Murray, Wayland Ethridge and Bill Bickel. These awards were among those presented during the evening.

Sophomores Obtain Football Schedule

Because of a change in the football program in the Muleshoe school system, Athletic Director Fred Hedgecock has announced a new program for 1970-1971.

Beginning with the fall football program, Coach Hedgecock commented, "Our freshmen teams will not be working out at any time with the varsity team. Nor will the freshmen ever work out with a sophomore or a sophomore team work out with the varsity team."

"Set up for each practice session will be three separate practice sessions with three sets of coaches. Sometime during the practices, or workouts, each set of coaches will work with each group. The teams will be on a rotation basis so that each coach can become familiar with the players and the players will know his coaches."

"This has been instituted with

Preparations Completed For Rubella Clinic

Next Wednesday, May 13, is target day for the Rubella Clinics which are slated to be held in the area. Rubella a childhood disease, is more commonly called German Measles. However, Rubella has been responsible in the past during the epidemic of 1964-67 of killing or deforming more than 30,000 babies.

The clinics will begin at Bula at 8:30-9:30; Three Way, 10:15-11:15; Mary DeShazo School, 11:45-1:45; Richland Hills School, 2:00-3:00; Lazbuddie School, 2:00-3:00 and at the Goodwill Center from 5:30-8:00 p.m.

Town Hall Meet On Hospital Election Set

Because of the intense interest in the Saturday, May 16 Bailey County Hospital District and bond election, members of the Hospital District Board have set a 'Town Hall Type Meeting' for Tuesday, May 12, at 8:30 p.m.

During the meeting, which will be held in the Muleshoe High School cafeteria, explanations will be given by the members of the board as to why a hospital is needed.

Following the meeting will be a general question and answer session, and a spokesman for the board said any questions asked will be answered as fully as possible.

This meeting is a meeting open to the public and any person in the county is asked to attend and ask whatever questions necessary concerning this election.

Members of the Bailey County Hospital District Board include Dr. Charles Lewis, Don Harmon, Neal Dillman, Mrs. J.G. Arna, Mrs. Bernard Phelps, Sam Dameron, Eddie Beene, D.O. Burelsmith and Freddie Parkman.

There will be no charge for anyone to attend the meeting.

Gaede Award Set By 'City of Hope'

M. Keith Gaede, prominent Orange County (Calif.) land developer, civic leader and philanthropist, will receive the City of Hope Medical Center's Torch of Hope award at a dinner in his honor, May 17, at the Balboa Bay Club in Newport Beach, Calif. He is a graduate of Muleshoe High School.

Gaede's parents, Mr. and Mrs. R.C. Gaede of Muleshoe have received an invitation to be a guest of the City of Hope for the occasion. The Gaedes indicated that they are attending the Testimonial Dinner for Gaede. The invitation was signed by F. Donald Nixon, brother of President Richard Nixon.

Presented by the City of Hope National Board of Trustees, the award is given annually to an individual who has made outstanding contributions.

Honorary chairman of the event is F. Donald Nixon, vice-president of the Marriott Corporation, Costa Mesa. Co-chairmen are William P. Hadley, president, Hadley Motor Transport, Santa Ana; and Frank Michelena, president, Michelena Associates, Newport Beach.

Born in Clovis, N.M., Gaede attended West Texas State University in Canyon, and Chapman College in Orange, Calif., following his graduation from Muleshoe High School. At Chapman College, he received his degree in business administration. He is president of San Joaquin Associates, a land development company with offices in Newport Center, and resides in Laguna Beach with his wife, Linda Irvine, and his daughters, Tracey and Diana.

Three-Prong Drive To Begin Monday

Love of good books and all that goes with them can be an endless continued story. If the first chapter comes early enough, the last one will never be written.

Such are the plans held by the Friends of the Muleshoe Area Public Library and Four-County Bookmobile Library who are preparing for the important three-pronged 1970 membership campaign beginning Monday, Jay Harbin, FOL vice-president and membership chairman announced.

New friends may join for us little as \$1, but there's no ceiling on gifts- or ways to spend them.

In the annual recruiting drive FOL's old friends are stressing that all monies raised in this year's drive will go into the new library building. Membership contributions will be added to the \$40,000 bond funds to complete local funds which are necessary to obtain the \$50,000 matching Texas LSCA funds.

"This is an urgent request for each family in the Muleshoe area to contribute \$1 per person or \$5 per family. We need to raise, by this method, at least \$2000," Harbin said.

Preliminary good news for the new library was received recently by Board Chairman David Sudduth from Lee B. Brawner, Assistant State Librarian, who said "The Texas State Library has received official notification that Texas will have \$267,906 for LSCA Title II funding in

Federal Fiscal Year 1970. . . Your (Muleshoe Area Public Library) application for \$50,000 in matching Title II funds satisfies the criteria for participation. . ."

The grassroots support and library interest has been shown through FOL drives since FOL organization in 1963. This year it is more important than ever, Harbin stated.

MOTHER'S MARCH BUSINESS & AREA DRIVES

Plans are being readied for the three-pronged drive to include a Mother's March in the Muleshoe residential area Thursday evening, a downtown Muleshoe business solicitation drive, and an area drive for bookmobile and schools' Friends.

Mustering the Mother's March, when local porch lights are asked to be turned on, are Mrs. Jack Young, general

Questions On New Hospital

Q. Can you explain why other areas who have voted in hospital districts and built hospitals are still without doctors - re: Brownwood?

A. We are not familiar with the situation at Brownwood. We do not have information as to whether or not the Brownwood facility is under the Hospital District, Authority, City or County hospital.

Q. If it is true that the Hospital District Board has no funds to place more than two ballot boxes, please explain who paid for the printing and mailing of the information sheets and floor plans that were sent out. I understand over 2,000 were circulated; also who paid for the board to fly to view other hospitals?

A. Interested citizens and business firms and organizations made voluntary contributions for information programs and most of the Hospital Boards trips were financed by the individual board member. They provided their own automobiles, travel expenses, food and lodging expenses. An architect did fly some members to a hospital at one time.

Q. If this tax was put on the salary or earnings of every citizen in the county, would you vote YES or NO?

A. The Journal would vote NO because this would be an Income Tax.

Q. Does the non-resident tax-payer get a chance to vote, and were they notified?

A. No. Qualified registered Bailey County voters are eligible to vote in the bond election, the same as any bond election. Notices were run in the paper and posted 30 days prior to the election.

Q. Will the ballots be available for a check to see if the non-tax payers vote was counted?

A. Yes, if the election is challenged and persons go through legal channels.

Q. How many of the people that are so anxious for the hospital, own more taxable property than a house?

A. At this time, there is no way to determine an answer to the question.

Q. How long will it take to pay these bonds off, and can our property be sold for back taxes?

A. Twenty years. Yes, it can, the same as city, school, county, state or hospital bond taxes.

Q. If you were a doctor with a promising future, would you consider any hospital in a town the size of Muleshoe without a guaranteed salary?

A. Traditionally, doctors do not move into any location with a guaranteed salary. All doctors expect to start and build up their individual practice. They are not paid by the hospital.

Q. It was stated in the Journal that Muleshoe and Needmore would be the only places to vote since there were no funds available for the other boxes. There is plenty of money available and has been offered free to the community. Why can't all voting places be open?

A. Money was not offered until after the election notices were posted and that was too late, by state law, to add other boxes without postponing the election.

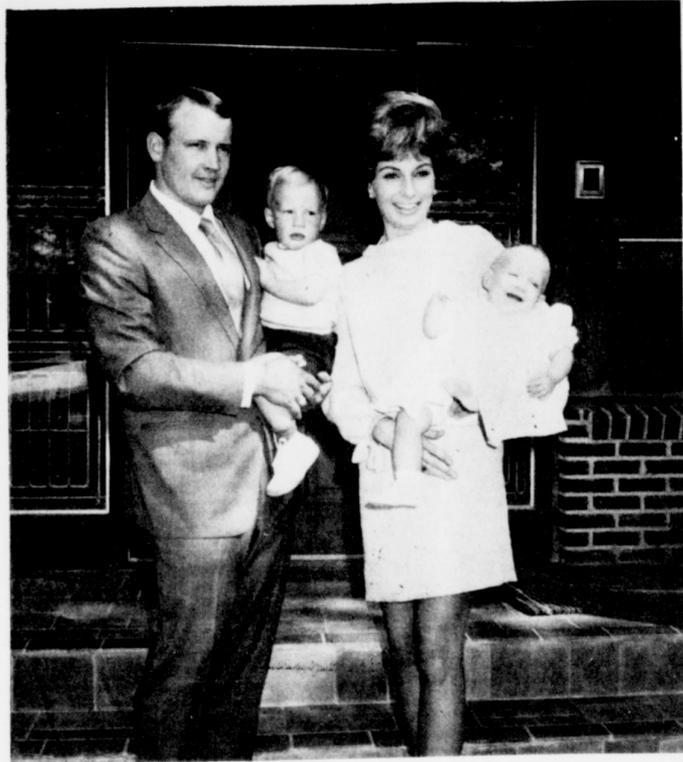

Q. Can the businessman in Muleshoe be hurt by over-taxed taxpayers?

A. Without local hospital facilities, money will be spent out of town, which would have otherwise stayed in the county. Businessmen will also pay their property taxes. Plus, it will cost the average taxpayer more money to get medical services in another city.

FORMER RESIDENT HONORED--M. Keith Gaede, second from left, is to be honored by the City of Hope, a medical center in Orange County, Calif., for his works in the civic leadership field. Pictured are persons concerned with the Medical Center. From left, Mrs. Keith Gaede, Gaede; H.L. Bryan Sr., president, Bryan Investments; Mrs. William P. Hadley; F. OUR LOVE TO MOTHER

TYPICAL YOUNG MOTHER of two small children is Mrs. Mike Miller, the former Pam St. Clair, who is shown with husband Mike and eight-month-old Kristine and Kurt, two years old next week. Diapers, formulas, picking up toys are the young homemaker's activities as a mother and wife of Sudan science teacher-farmer husband. At this especially busy "mother stage" grandparents Dorothy and Irvin St. Clair and Be and John Miller are wonderful helpmates to the young family.

On this Mother's Day, May 10, 1970, our sincere and all flowery tributes to Mom (all justifiable) are the order of the day. On this day traditionally many families and churches make a special point of honoring mothers.

We hope you will find, as we did, this delightful change-of-pace message refreshing in this fast changing-world of 1970

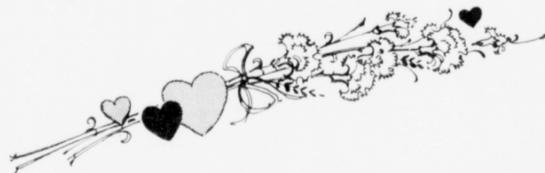

"AS A CHILD I had the meanest mother in the world. She was real mean.
"When other kids ate candy for breakfast, she made me eat cereal, eggs and toast.
"When other kids had Coke and candy for lunch, I had to eat a sandwich.
"As you can guess, my dinner, too, was different from other kids."
"MY MOTHER insisted on knowing where we were at all times.
"You'd think we were on a chain gang.
"She had to know who our friends were--and what we were doing. She insisted that if we said we'd be gone for an hour, that we would be gone for one hour or less. She was real mean."
"I AM ASHAMED to admit it, but she actually had the nerve to break the child labor laws. She made us work!
"We had to wash the dishes, make all the beds, learn to cook and all sorts of cruel things.
"I believe she lay awake nights thinking up mean things for us to do."
"SHE ALWAYS INSISTED ON US TELLING THE TRUTH, the whole truth and nothing but the truth.
"By the time we were teenagers she was much wiser, and our life become even more unbearable."
"NONE OF THIS TOOTING THE HORN OF A CAR for us to come running. She embarrassed us no end by making our dates come to the front door to get us.
"I forgot to mention, while my friends were dating at the mature age of 12 and 13, my old-fashioned mother refused to let me date until I was 15 or 16. She was mean!"
"MY MOTHER WAS A COMPLETE FAILURE AS A MOTHER.
"None of us had ever been arrested, . . . or beaten a mate.
"Each of my brothers served his time in the service of his country. . . willingly, no protesting."
AND WHOM DO WE HAVE TO BLAME FOR THIS TERRIBLE WAY WE TURNED OUT? You're right, . . . our mean mother!"
"LOOK AT ALL THE THINGS WE MESSED.
We never got to take part in a riot, never burned draft cards or got to do a million and one things our friends did."
"OUR MEAN MOTHER made us grow up into God-fearing, educated, honest adults."
"Using this as a background, I am trying to raise my children.
"I stand a little taller and I am filled with pride when my children call me 'mean'.
"YOU SEE. . . I thank God He gave me the meanest mother in the world!"

GROWING FAMILY INTERESTS occupy homemaker-mother Mrs. Eddie Beene of Needmore. This busy mother of four active children of three schools' ages is typical in helping with their activities - whether boosting sporting events of graduating senior son Dennis, school parties and contests of daughter, Kay, a MHS sophomore; son Larry, seven; or daughter Laura's fifth grade activities.

BUSY MOTHER OF FOUR young children - whether in Boy or Girl Scouts, Little League, the Christian Church, P-TA or other activities, Mrs. Walter Bartholf is one of the busiest Mothers in Muleshoe. She is shown with her family (l to r) Robert, eight; Walter, Jr., nine; Charles three and Doris, 11 years, all of whom honor their mother this Mother's Day 1970.

MOTHER OF GRADUATING SENIOR, Mrs. Morris Douglass is shown with daughter, Ann and Dad Morris. Nona Blake is a busy mother of Muleshoe High School's Salutatorian who is also active in organizations and dating circles. Along with graduation activities, Mom is helping with next year's plans for Ann's college life. The Douglass' are parents of another daughter, Barbara, who with her family, Wilton White and Kristi, 10, and Doug, three, are expected to telephone from Beaumont Sunday.

MRS. HORACE HUTTON will be special honoree on Mother's Day Sunday at her home north of Muleshoe, with her husband, their children and grandchildren present on the occasion. Daughter Betty Sue and Freddie Parkman, Prynness, Wayne and Michelle, will come from Maple; Jerry and Pat Hutton and children, Tracy and Jerry Dwain, II; and Terry and Drucilla Hutton from Texas Tech, Lubbock will all be home to honor mother Rene. Daughter Sharon and Joe Putman will put James Michael on the telephone in Houston to send their love Sunday.

 Muleshoe area chairman, who will be assisted by numerous FOL block chairmen, include Mrs. Irvin St. Clair, Mrs. Bill Wimberley, Mrs. Fate Harris, Mrs. George Mitchell, Mrs. Jimmy Black, Mrs. Dwane Calvert, Mrs. Sam Gonzales and Mrs. Roque Puento.

The drive to solicit local businessmen and employees will be led by the Muleshoe Ministerial Alliance, assisted by Doyce Turner. The drive will continue all next week.

Ministerial Alliance ministers who will work business areas include Alliance president Rev. Walter M. Bartholf, of the Christian Church; Rev. H.V. (Buster) Huggins, Trinity Baptist; Rev. Doug Dubose, First Baptist; Rev. Edwin Manning, Presbyterian; Rev. Larry Henry, Latin Baptist; Rev. J.D. Brown, Richland Hills Baptist; Rev. Billy Swope, Calvary Baptist; Rev. Clarence Bennett, Church of Nazarene; Rev. F.R. Robert O'Leary, Catholic; Rev. Bob Morrow, Longview Baptist; Rev. Bobby Chaney, YL Methodist; Rev. Steve Lara, Latin Methodist; and Royce Clay, Church of Christ minister. The Alliance voted Thursday at the regular meeting to assist the FOL membership drive in this way.

Through school children, in order to reach families served by bookmobile as well as the local library, informational notes requesting FOL memberships will be distributed through all schools in the area next week. Parents are asked to be on the lookout for such notes, Harbin asked.

In the Three-Way area, Mrs. Herbert Sowder and Mrs. Buck Ragsdale will chair the drive, with Marion McDaniel chairman in the Bula area. Laz-budde chairman will be Mrs. Wayne Gilliland.

A long-time contributor to civic and philanthropic organizations on both the state and local level where he resides, Gaede is a director of the Children's Hospital of Orange County; vice-chairman of the Board of Trustees, Chapman College, a director of the Santa Ana Boys Club; special representative to the Commission of Californias; and a member of the Republican Central Committee and the Governor's Citizen's Advisory Commission.

He is also a director of California Equestrian, Inc., producers of the annual International Horseshow which benefits the City of Hope. He is Diamond Horseshow chairman for the event.

The free and nonsectarian City of Hope was founded in 1913 and occupies some 92 landscaped acres. It is engaged in patient care, research and education in the catastrophic diseases--cancer and leukemia, and maladies of the blood, heart, chest and heredity. Thousands of patients from this country and abroad have benefited from the medical center's in-patient and out-patient facilities and services.

Throughout the years, the unique role of the City of Hope as a piloting institution has been firmly established by the hundreds of original contributions to medical science which have influenced medicine and science everywhere, said a spokesman for the City of Hope.

 Volunteer workers will be on duty in the Muleshoe State Bank community room from 8:30-6:00 p.m. to dispense information on the clinics.

At the central headquarters and information center at the Muleshoe State Bank community room, workers will be administering shots to persons who come by the bank. Shots will also be given during an evening clinic at the Goodwill Center from 5 to 8 p.m.

The volunteers have been explaining the necessity of the immunization program to civic and service organizations, social clubs and individuals in an effort to secure necessary funds for the program. The state health department pays for vaccinating school children, but \$1.40 is needed for the vaccine for pre-school children who need the immunization.

Mrs. Jimmie Black, chairman of the voluntary group coordinating the effort said approximately \$1,500 will be needed in order to pay the state

for vaccine which will be used during the day, and although many organizations and individuals have donated funds, more are needed at this point. Boxes will be set up at each clinic locations for donated funds, however, it is stressed that no one will be refused the vaccination for their child or children because of financial inability to pay.

Hospital Announces Possible Shutdown

As a result of a meeting of the Board of Trustees of West Plains Memorial Hospital Tuesday night, May 5, the following statement was issued:
 "The Board of Trustees of West Plains Memorial Hospital, Inc. goes on record as wholeheartedly supporting the upcoming Hospital District vote and issuance of Bonds.
 "We feel compelled as a Board to advise the people that the present hospital facilities are facing an economic crisis. Each member of the Board will do everything possible to keep the present hospital open under any circumstances, but unless the economic condition of the present hospital improves there is a distinct probability that this hospital cannot continue to operate.
 "We feel that the only real answer to insure the existence of hospital facilities in the Bailey County Area is the passage of the new Hospital District. We urge all parties interest in our county to vote "FOR" both proposals.

OUTSTANDING WOMEN--Honored at the Epsilon Sigma Alpha annual mother-daughter banquet last Tuesday night were two of the 'Outstanding Young Women of America' and the 'Outstanding ESA Pledge.' Outstanding Young Women honored were Mrs. Eugene Howard, left and Mrs. Mickey Sowder, center. At right is Mrs. Jerry Hutton who was named 'Outstanding Pledge.'

Alpha Zeta Pi Honors Mrs. Tom Flowers

Alpha Zeta Pi Chapter of day, May 5, at 7:30 p.m., at the Bailey County Electric Co-

operative community room. Hostess for the evening were Mrs. Cecil Holt and Mrs. Bill Harmon.

During the business meeting, the members voiced their approval of the new hospital issue and finalized plans to see the "Odd Couple", now showing at the Hayloft in Lubbock.

The program was presented by Mrs. C.J. Feagley, Mrs. Doyce Turner and Mrs. Benny Splawn. The topics were, "Let's talk on Radio and over Television," and "You and Your Audience."

Member participation acting out various situations provided hilarious entertainment.

A surprise baby shower was held for the president, Mrs. Tom Flowers, who was presented with an infant dressing table and combination wardrobe.

Members present were: Mrs. Doyce Turner, Mrs. Don Rempe, Mrs. Tom Flowers, Mrs. Roy Dyer, Mrs. Max King, Mrs. Bennie Splawn, Mrs. Pete Guinn, Mrs. C.J. Feagley, Mrs. Bill Harmon, Mrs. Wayne Gregorv. and Mrs. Cecil Holt.

It is no small art to sleep; to achieve it one must keep awake all day.

Women of The Year Honored

Candlelight and floral arrangements highlighted the setting for the annual Epsilon Sigma Alpha Mother-Daughter banquet at the Corral Restaurant Tuesday night.

In the spotlight were Mrs. Eugene Howard and Mrs. Mickey Sowder who were

honored for being named "Outstanding Young Women of America." The duo was honored for their participation in varied community activities, including activities pertaining to their homes, clubs, projects and churches.

Mrs. Howard and Mrs. Sow-

der were two of the four young women honored from the Muleshoe area.

The awards were presented by Mrs. John Gentry.

Special guests introduced at the banquet were the mothers of the ESA members, Mrs. Sowder, Mrs. Horace Blackburn and Cleta Williams.

Outstanding ESA member, Mrs. Jack Rennels, who was out of town on the night of the banquet, sent a card expressing her appreciation for the honor bestowed upon her and also thanked the sorority for honoring her

husband with the Zeus award. The Zeus award is presented annually to some man who has contributed of his time and efforts in making the sorority successful.

Also honored was the Outstanding Pledge of the ESA, Mrs. Jerry Hutton. She was presented a key chain designating the honor she received.

Delightfully different was a book review by Mrs. Horace Blackburn. She held her audience spellbound and in the palm of her hand as she reviewed Phyllis Diller's "A Complete Mother." In her usual style, Miss Diller reviewed typical incidents in the life of any mother, using her own children as comical examples.

Mrs. Costen Elected Prexy Epsilon Delta

The Epsilon Delta chapter of Delta Kappa Gamma Society met Saturday night in the Flame Room of the Pioneer Gas Company in Littlefield.

After a formal dinner, Mrs. Ray Blessing of Amherst, read a poem she wrote, honoring the founders Annie Webb Blanton, Ruby Cole, Mable Grizzard, Annie Hiss, Ray King, Sue King, Helen Koch, Ruby Lomax, Cora Martin, Lilla M. Odum, Lilla Lee Williams and Mamie Sue Bastian.

Installation of these officers followed; President, Mrs. Joe Costen of Muleshoe; First Vice President, Mrs. Pat Donnelly of Littlefield; Second Vice President, Mrs. Ray Schultz of Olton; Recording Secretary, Mrs. B. M. Wilson of Sudan, Corresponding Secretary, Mrs. Howard Cummings of Springlake-Earth; Treasurer, Mrs. Jess Ingham of Muleshoe; Parliamentarian, Mrs. Wilson Witherspoon of Muleshoe.

Delta Kappa Gamma, founded in Austin, Texas, May 11, 1929, is an educational, honorary, professional society. It has seven basic purposes which govern its program of work and study. They are: 1. to unite women educators of the world in a genuine, spiritual fellowship; 2. to honor women who have given or who evidence a potential for distinctive service in any field of education; 3. to advance the professional interest and position of women in education; 4. to sponsor and support desirable educational legislation, and initiate legislation in the interest of women educators; 5. to endow scholarships to aid outstanding women educators in pursuing graduate study and to grant fellowship to women educators from other countries; 6. to stimulate the personal and professional growth of members and to encourage their participation in appropriate programs of action.

7. to inform the membership of current economic, social, political, and educational issues to the end that they may become intelligent, functioning members of a world society.

Those present from Muleshoe, were: Mrs. Joe Costen, Mrs. Clifton Finley, Mrs. E.W. Johnson, Mrs. John Miller, Mrs. Jack B. Obenhaus, Mrs. Jeff Ingham, Mrs. Eric Smith, and Mrs. John Watson.

AAUW Honors Graduates

The Muleshoe Branch of the American Association of University Women honored the girl graduates of Bula High School,

Lazbuddie High School, and Muleshoe High School, Sunday, May 3, from 3:00 to 5:00 p.m. The setting for the Spring Tea was the Parlor of the United First Methodist Church of Muleshoe. Pastel colors were used in the flower arrangement and table decor.

Hobby Club Dines In Lubbock

The Muleshoe Hobby Club met Thursday, at St. Clair's parking lot, to leave as a group for Lubbock, where they had their annual Mothers Day Luncheon, followed by a tour of the Tech museum.

A previously planned trip to Hereford was cancelled.

At the joint meeting of the Muleshoe, Hart, Idalou and Clovis Clubs, Thursday, April 30, which featured a covered dish luncheon at the home of Mrs. Mabel Caldwell, the Idalou Club brought several articles to display, and demonstrated pillows made with burlap background and woven with yarn.

Lucy Cook of Idalou won the hostess gift. Muleshoe displayed afghans, old bottles, a crocheted poncho, cross stitch quilt, birdeage, plastic articles, vases, ceramic dolls, flower arrangements, including three made of plastic cartons, made and demonstrated as to method, by Dora Phipps.

From the Clovis Rock Club, Willie Woodburn and Dorothy Ryberg attended. Nell Farmer and Christine King represented the Hart Club, and Billie Hanna, Lucy Newton, A.S. Meinice, and Ruby Ratjen were present from the Idalou Hobby Club.

Muleshoe members were Edith St. Clair, Dora Phipps, Verna Dement, Ola Pesch, Allie Snyder, Myrtle Chambliss, Mary Evins, Zula Carlyle, Juanita Snow, Maude Robinson, Allie Barbour, Levina Pitts, Barbara Burton, Evadell Gillis, Hallie Briscoe, Bernice Amerson, and Mabel Caldwell, hostess, with visitors from Muleshoe, Zona Boydston and Mae Pattie.

Other AAUW members attending were: Mrs. Lena Hawkins, Mrs. Wayne Gilliland, Mrs. L.B. Hall, Mrs. Charles Lewis, Mrs. Jimmy Shafer, Mrs. E.W. Johnson, Mrs. John Watson, Mrs. Jeff Ingham, Mrs. Waid Griffin, Mrs. John Gunter, Mrs. Robert Sanders and Mrs. J.W. Witherspoon.

Senior girls attending from Bula were: Iva Clawson, Sharron Turney and Judy Snitker.

Those attending from Lazbuddie were: Linda Hodges, Mickie Broyles, Vicki Robinson, Elaine Jesko, Kathy Coker, and Debbie Burch.

Those attending from Muleshoe were: Diane Crawford, Arlene Brown, Carolyn Wedel, Pam Swint, Tanya Cherry, Janet Ellis, Dawna Locke, Kathy Seymour, Devona Bradley, Darla Kendall, Ann Douglass, Dana Damron, Karen St. Clair, Barbara Wilhite, Debra Rudd, Narssia Otwell, Joyce Raney, Jan Creamer, Janie Cousatte, Norma Sowder, Merced Puente, Betty Harbin, Patte Camp, Lana Moore, Gayetta Gable, Lana Washington, Nelda Finley, Melaine Precure, Debra Hayes, Donna Heathington, Charlotte Wagon and Brenda Scott.

I will lay me down in peace and sleep.

Auxiliary Hears Mrs. Phelps On Hospital

Mrs. Bernard Phelps was guest speaker at the Hospital Auxiliary, Wednesday, May 6, in the administrative office of West Plains Memorial Hospital. A slate of officers were elected, in their business meeting which followed her speech and material on new hospital plans while advocating the creation of a Hospital District, through passage of the bond issue.

Mrs. Charles Lewis opened the meeting, as incumbent president, with Mrs. Frank Ellis reading the prayer. Mrs. Phelps answered questions by Auxiliary members after her presentation, and departed. Discussion of questions regarding the Hospital and Nursing Home ensued among the members.

Minutes of the last meeting were read and approved. Old business was then considered, after a report from the treasurer.

Drapes which were made and installed in the Nursing Home by the Auxiliary have not been paid for, at this time. Mrs. Lewis mentioned several ways to raise funds to pay for them, among which were contributions from other civic organizations, private donations by individuals, and memorial donations. She pointed out that checks of \$100 and more were sent, at times, by local donors, with a list of names. She showed the type of memorial notice mailed to surviving relatives, and the card simultaneously mailed to the donor, so informing him.

It was stressed, further, that small donations of any amount was handled in a similar fashion, and counted for a continuing source of needed income for Nursing Home improvements.

Next, the time schedule of volunteer personnel for the Hospital and Nursing Home was considered. Several other organizations' members work three hours a month, along with Auxiliary members, to fill the gap caused by lack of paid personnel. These volunteers do tasks as varied as the patients' and home residents' personal needs.

It was emphasized that there are not enough volunteers to do non-professional chores. More are needed to give service time. Volunteers are assigned regular working days and hours. They are required to promise to secure a substitute, if possible, when unable to be present at the time set. Their assistance to paid personnel ranges from running errands, to washing the hair of the elderly, who cannot do this for themselves. They may cut and clip fingernails and toenails of those not able. The need for their help is manifold, it was stressed.

Appreciation for press and radio publicity was expressed by Mrs. Lewis.

A list of officers proposed by the nominating committee was read by Mrs. Lewis, and Mrs. Horace Hutton moved they be elected by acclamation. This was done.

Next, Mrs. Lewis apprised the elected officers individually of their duties and responsibilities required by Muleshoe Hospital Auxiliary Constitution and By Laws. They were then installed: President, Mrs. Royce Turner; First Vice President, Mrs. J.E. McVicker; Nursing Home Coordinator; Second Vice President, Mrs. Paul Poyner; Hospital Activities Coordinator; Third Vice President, Mrs. Haney Poyner; Membership Coordinator; Treasurer, Mrs. Johnie Prater; Recording Secretary, Mrs. Gordon Wilson; and Corresponding Secretary, Mrs. Gary Miller.

Dispersed at meeting's end, were Mrs. Johnie Prater, Mrs. J.E. McVicker, Mrs. Robert Hooten, Mrs. Royce Turner, Mrs. Lee Roy Hughes, Mrs. Horace Hutton, Mrs. Haney Poyner, Mrs. Rod Springfield, Mrs. Gordon Wilson, Mrs. Charles Lewis and Mrs. Mabel Caldwell.

Mrs. Glenn Lust, Worthy Matron, and Glenn Lust, Worthy Patron of Muleshoe Chapter No. 792, Order of the Eastern Star, presided at the Stated Meeting of the Chapter, Tuesday Evening, May 5th, in Masonic Hall.

Letters were received from Mrs. Beulah Speer, Abernathy, District Deputy Grand Matron, District Two, and from Mrs. Bobbie Marshall, Hale Center, Deputy Grand Matron, District Two, Section Three, thanking the members of Muleshoe Chapter for their cooperation and courtesies at the Eastern Star School.

Mrs. Elbert Nowell, Chairman of Pink Ladies and Pink Ties Committee, reported 331 service hours in March and 200 in April.

Mrs. Frank Hinkson gave a nice report on the Friendship Night at Earth. Plans were made for the Family Night entertainment, Friday evening, May 15th, at 8:00 o'clock, for Eastern Stars and Masons and their families, Rainbow Girls and DeMolays.

Mrs. Wyle Bullock, Worthy Matron-Elect, announced the appointment of the following officers to serve during her year as Worthy Matron: Chaplain, Charleta Treider; Marshall, Betty Jo Davis; Organist, Pat Johnson; Adah, Allie Snyder; Ruth, Lois Norwood; Esther, Barbara Lust; Martha, Vera Clay; Electa, Margaret Epting;

Warder, Alton Epting and Sentinel, Bill Hunt.

Open Installation of officers will be held Saturday evening, June 6th, at 8:00 o'clock, in Masonic Hall. Practice, Friday evening, June 5th. Birthdays recognized were: Charleta Treider, May 10th and Phyllis Beavers, May 13th.

In closing the Worthy Matron read a lovely poem, "The Meanest Mother", in commemoration of Mother's Day, May 10th.

Refreshment hostesses were: Lois Norwood and Clara Lou Jones.

She has studied art most of her life and for the past seven years have taught an Arts and Crafts course in Amarillo and in many parandle towns.

Mrs. Hurlbut Musician Will Audition Pianists

"The National Guild Student Auditions is known as the "largest piano playing event in the world", and Muleshoe has the distinction of having a center established here." Mrs. Sam McKinstry noted, as chairman. Students who will be playing in the Muleshoe center are pupils of Mrs. Sam Damron, Mrs. Sam McKinstry and Mrs. W.T. Watson.

The Annual National Guild Piano Playing Auditions for students of this area will be held in Muleshoe, Friday, May 15, and Saturday, May 16. Auditions will be held in the parlor of the First United Methodist Church, with Mrs. Cornelia Hurlbut of De Moines, Iowa, serving as adjudicator.

Mrs. Hurlbut is in "Who's Who in the National Federation of Music Clubs". She holds a Bachelor of Music degree from Drake University of Des Moines, Iowa, and coached with Isador Phillip, Tobias Matthey of London, and Rudolf Gaug of

the American Conservatory of Music.

She was on the Drake University faculty for ten years, then became head of Hurlbut Piano Studios, as well as chairman and faculty member of Des Moines Center for 18 years. She has conducted work shops on the Federation of Music clubs for many years, and also acted as judge for the nationwide Guild Auditions.

Boy Born To Crutsingers

Mr. and Mrs. Richard Crutsinger of Fort Sill, Okla., are the parents of a boy born May 7 at 12:10 p.m. in the base hospital. He has been named Daniel Wesley and weighed eight pounds.

Grandparents are Mr. and Mrs. Ed Parks and Mrs. Nell Crutsinger all of Muleshoe. Mrs. H.A. Patterson of Route 2 Muleshoe is the great-grandmother.

It was stressed, further, that small donations of any amount was handled in a similar fashion, and counted for a continuing source of needed income for Nursing Home improvements.

Drugs: Self-Destruction

-- by Dovi Reynolds

One of the TV channels that we receive is running a series of interviews with former drug addicts. As they tell of their ruined lives, I cry. To see me, you'd think I was crying with sympathy for the people behind these sad tales, people who had gone the wrong road and come back scarred, but had come back.

No, I cry for the boys like Tony Dooley who are just getting started in this business of self-destruction.

Let me tell you about Tony. Tony is an American Indian. He was one of the kids in a children's home I worked in this summer. The Laveen Children's Home on the Gila River Reservation outside Phoenix was established by a group of caring people who saw the need of a home, a new environment for these children, children who had been made wards of the court, either because of their parents' failure to take proper care of them or because of the children's own failure to adjust to our society and its laws. Most of the kids brought to the Home are under 11, and these, being impressionable, are likely to respond to love, an orderly life, and understanding discipline. However, there are brought to the Home, kids over this age, and these kids are the ones who may never find themselves. Tony was 16 when he was brought to the home, and the pattern for his life was set.

To my knowledge Tony ran away from the Home three or four times and he was always found or came back on his own. He resented the rules, the restraints, but he deep down enjoyed them, although he would be the last one to admit it. He had found a place where people could be depended on to do as they said they would, where things were orderly and where he knew just how far he could go. Tony had found a place where he didn't have to prove himself to other people over and over. These people accepted him as he was. But he still had to prove himself to himself!

Tony had turned to popping pills, shooting Stuff, and smoking grass in this frantic search of himself, the self that had been taken from him by his groping childhood.

Tony knew the dangers of the course he had taken; he had seen a friend blow his mind on speed, he had seen his girl killed by the vicious life that they lived, yet he couldn't stop. Then, in September, shortly after my return to Texas, Tony ran and didn't come back. All the authorities' efforts to find him fail. For months, we heard nothing about Tony.

Finally, as Christmas approached, Tony was busted in California for possession of drugs and brought back to Phoenix.

Tony spent Christmas in the Juvenile Detention Home. We who had loved and tried to help him were devastated. Through the Christmas holidays, Tony was constantly in our prayers, but he had gone out from our hands and we could do no more than pray. Tony has started down the road to drug addiction, increasing crime, and all too soon, death. We have committed Tony's life to God now, and while we would do anything to stop his illfated journey down this road, only God can intervene now.

But what started this heart-rending career: His environment? Tony came from an environment which has no constructive purpose, no distinct goal. Kids from an environment like this turn to lawlessness at an early age. I have talked to guys there on the reservation who were arrested for the first time at the age of six. I knew innumerable children who were left at home, unattended for days at a time and accepted it as normal. These neglected children start smoking, drinking, fooling around with drugs, roaming the roads, and generally leading their own lives. From a background like this, from long years of this kind of unguided life, purposeless life, take a boy sixteen years of age and transplant him into a regular home, with loving, Christian parents and give him a "chance". Give him a chance? What kind of a chance? What are the odds on an experiment like this? What chance do the concerned people, who all over our land who are trying to counsel and guide these young "rebels", have of undoing the work of an unfortunate environment? Yet the world we live in, our "environment" forces us to try this dangerous experiment with young lives time after time.

What created this environment? The unworthy parents? "Society"?

Negligent parents are a great factor in the ruination of a young person's life, it is true, but they are not alone in their guilt.

What about "society"?

"Society" is not one person, or a special group of people, but all people. Society is no better, no more noble than the people of which it consists. That is you, and me, my friend.

What kind of animals have we become? What right have we to call ourselves thinking, compassionate, God-fearing humans?

We claim this title, yet we do little to prove it to ourselves, to others, or to God himself.

Am I being harsh? Am I being unjust?

Perhaps, I am, but I include myself in this judgment. I am not so childish as to say to others, "Since I did not create this situation, it is unfair for me to have to bear the responsibilities of correcting this sick society!" Granted, I did not ask to be born, but I was, and all the protesting on earth won't change that fact. I was born into this world, with all its problems, and for the privilege of living I must bear part of the blame for its faults, and share in the job of changing the conditions for the better.

I too am to blame for today's problems. Therefore, when I judge humanity or society, I am judging myself.

Are we each doing everything we possibly can to right the wrongs we see around us?

I speak from limited experience and with the questioning attitude of the unproven young, I know, but from what I hear from others and from the news media these problems are widespread in our country. I must speak, and it is my duty to speak, loud and long against the pitiful situation.

But is this all I must do?

It is the easiest course of action, I know, but it is not the right one. To talk is not enough!

I must act, my brother, and you must act, and we must begin to care, to do, to use every opportunity, no matter how small, to do a good thing for others.

I, as a member of the "turned-on", "tuned-in", "hipped-up" Pepsi generation, see the problems clearly, and pledge myself, in the witness of God, to make the world around me a better one by living for others.

We have lived, here in this land of plenty and opportunity, too long for Self. It is time we realized that living for others is the noblest cause of all. God commands it, our own consciences plead for it, and now we must turn an ear to these still, small voices.

Living for others; sounds great doesn't it? But what does it amount to? Helping a child, loving and counseling a friend, speaking out for one's beliefs, trying to influence those around about for the better; to me this is living for others, to me this is Life.

Yes, I've got a lot to live--for others!

FFA Members Host Award Banquet

Signs of The Times-DECA Honors Bosses

By D. Bradley

Chicken fried steak and all the trimmings was fed to approximately 120 D.E. students, their employers, and other guests who attended the annual D.E. Employer-Employee Banquet May 1st.

The theme of the banquet was Signs of the Times for DECA. Master of Ceremonies was Rick Bomer. Invocation was given by Chester Clay Beavers. Sharron Davis delivered the welcome and Bill Goodwin introduced each D.E. student who in return introduced his employer and presented him with a certificate of appreciation.

The Muleshoe Folk Singers provided some excellent entertainment for all those present.

Cecil Cunningham introduced the guest speaker, Keith Ingram, disc jockey at KSEL Radio in Lubbock. His speech brought out several good points about working and each student learned a lot from the speech. Jimi Rowland led the group in saying the DECA Creed and Merced Puento led the benediction to close the 1970 D.E. banquet.

We would like to say thank-you to our employers for guiding us through the past year and giving us some valuable experience that will aid us in future years. Thanks again.

DECA BANQUET-- Guest of the Distributive Education banquet enjoy the speaker, Keith Ingram, as he gives them his words of wisdom.

Typing Course To Be Offered

Muleshoe High School will offer a six week personal non-credit typing course during the summer for students who are not able to work typing into their regular schedules and for community adults who wish to take beginning typewriting. Classes will be taught from 6 p.m. to 8 p.m. on Tuesday and Thursday evenings in the high school typing room for six weeks beginning Tuesday, June 9 running until Thursday, July 16. The fee for the course is \$28 payable to Muleshoe Schools. In order to register for the course, which must be done by Tuesday, May 26, the full \$28 fee must be left at the high school principal's office. Fees will be returned if the course does not make. In order for the course to be offered, a minimum of 10 students must register for the course. Students interested may sign up in the principal's office during the school day, or adults may come to the office and pay fees. The course will be taught by Georgia Pena. Anyone wanting more information may contact the office at 272-3080.

PAIN AND POLLUTANTS Charleston, S.C.--Medical school professor Dr. Roy H. Hart, in an article for a medical publication, expressed his belief that certain aches and pains and discomforts suffered by some are associated with pollutants in the air.

B. Block Leaves On Study Tour

Burel Block along with Dr. Harley Oberhelman, Chairman of the Department of Classical and Romance Languages at Texas Tech University, Barry Duman, Assistant Professor of Economics at West Texas University, Dr. William F. Ford, Associate Professor of Economics at Texas Tech, Richard Gesin, a Sweetwater Rancher, Don Nelson, Curriculum Coordinator at Pampa, and James R. Swann, Spanish instructor at Lubbock make up the Group Study Exchange of Rotary International District 573. The group will spend approximately eight weeks in Southern Chile, S.A. The group left for Chile May 9.

Group Study Exchange, an educational activity of The Rotary Foundation, offers a unique person-to-person opportunity for the promotion of better understanding and friendly relations among the peoples of the world. The program provides travel grants for the exchange of teams of young business and professional men between paired districts in different countries, enabling them to study the institutions and culture of their hosts and to develop personal acquaintance and exchange ideas.

Reciprocity is a key to the Group Study Exchange program. Over a two-year period each of the paired districts must both send and receive a team. The District 573 Selection Committee has chosen a team of six outstanding young men between the ages of 25 and 35, who represent a cross-section of business and professions in the district, who will depart for District 476 in Chile on May 9, District 573 in West Texas, U.S.A. includes 47 Rotary clubs. District 476 includes 39 Rotary clubs in the South

MHS STUDENT RELEASED FROM HOSPITAL--John Woodard, an outstanding senior of MHS is finally back in school after being critically injured in an auto collision about four weeks ago. He is an editor of the school paper, and was welcomed back by his classmates. The other co-editors of "The Mules Tale" commented, "It sure is good to have him back."

Central portion of Chile, South America. The focal point of the district is the city of Concepcion.

In 1971, Rotary clubs in District 573 will serve as hosts for a group study exchange from District 476 in Chile.

Burel plans to visit Buenos Aires, Argentina, Montevideo, Uruguay, and Asuncion, Paraguay, after leaving Chile.

He is going to Aregua, Paraguay to do research on his thesis for the M.A. in Spanish Literature. The subject of his thesis is the literary works of Gabriel Casaccia who was born in Aregua. Many of his novels take place in Paraguay. Casaccia won the Kraft Prize of li-

STUDENT COUNCIL PRESIDENT--Newly elected president of the Muleshoe High School Student Council, Jerry Putman, will serve as president for the 1970-1971 school year. Good Luck and Congratulations to Jerry!

Jerry Putman Edged Cole For President

Active democracy in Muleshoe High School has assured the election of a hard-working slate of officers for next year's student council. After a number of close races, the decisions have been made by the registered voters in the school. The first balloting named only two officers, as a majority of the votes cast was required, Martha Jane Chapman seized the Vice-Presidency and Becky Sain the office of reporter in this manner. However, a run-off was required to determine the remaining positions. After a run-off between Brent Blackman and Charlie Vela, Blackman became Parliamentarian. Betty Chandler edged out Judy Dodd for the office of Chaplain. Monica Griffiths was unanimously named Historian, and Lee Ann Yerby named Secretary over Brenda Kimbrough. In a hairline vote situation, with a margin of only 30 votes, Jerry Putman was elected President over Jon Cole. Putman will assume the office at the Awards Assembly on May 13th, and this executive committee will assume responsibilities at the end of the present school term.

Bill Sarpalius Is Guest Speaker

The annual FFA Banquet was held Tuesday, May 5, 1970. The food was catered from Underwoods in Lubbock and made a smile appear on everyone's face.

The Past State FFA President, Bill Sarpalius was the honored speaker with a speech that dropped mouths open and kept everyone spellbound. Entertainment was provided by an Ag Boy's Band consisting of Daryl Sprayberry, Ronnie Barrett, Gary Ethridge, Verl Burris, Sandy Noble, and C.L. Myers.

Following the entertainment was the presentation of awards. Awards given are as follows: Livestock Farming, Prentice Griffiths; Crop Farming, Nicky Nickles; Ag. Mechanics, Gregg Little; Public Speaking, Ed Mason; Agri Business, Sandy Noble; Soil and Water Development, David Williams; Home Improvement, Terry Gunter; Poultry Farming, Johnny Williams; Farm Safety, Jerry Scoggin; Ornamental Horticulture, Mike Grimsley; Natural Resources Development, Gary

Lackey and Placement in Production Agriculture, Albert Lee.

The Young Farmers awarded Rex Black, \$25.00 for the Hustler Award. The Star Chapter Farmer Award went to Nicky Nickles and the Star Green Hand Award went to Rex Black.

Several people received the Honorary Charter Chapter Farmer Award. Those receiving this award were: Wayland Ethridge, Bess Edwards, Bill Bickel, Jimmy Black, Betty Murray and Donald Harrison. The ag boys are proud that everyone attended and are happy to call the banquet a huge success.

HE'S GOOD FOR SOMETHING--The Mules Tale finally found something that Mr. Moore was good for--opening cans Ports-o-Call of Dallas.

Seniors Plan Graduation On May 29

The MHS Seniors held a meeting in the cafeteria on April 28, to choose their class colors and flower. The class picked red, white and blue as their colors, and the carnation as their flower.

Mr. Jinks, MHS principal, explained the restrictions placed on final exams, too. He said that the new five day absent rule applied only to regular absences, not to school sponsored trips or college days that were approved. He also said that it was up to the teacher as to whether the students took the final even if they had a 75 or above average and had not missed the five days of school this semester.

Annual Arrival Anticipated By MHS Students

Any day now, students of Muleshoe High are expecting the 1970 edition of THE MULE-TRAIN to arrive from the publishers. Although staff members are busy working with pages for the summer supplement which will be ready in August, staffers eagerly await to see the results of much work during the year.

It is the hope of the staff and sponsor of the yearbook that it will arrive by May 13 which is High School Awards Assembly Day. That is the day

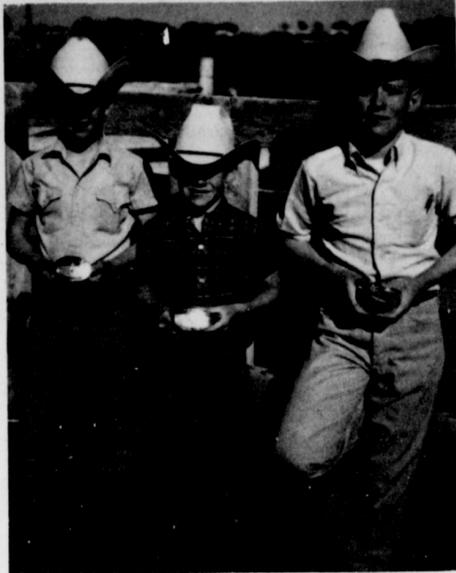

that the dedication of the book is announced along with the various awards of the different departments of Muleshoe High. When books are passed out, a general signing party will be held in the high school gym so that students can autograph yearbooks. Until that day comes, whether it is tomorrow, the next day, or next week, students have to deep secrets deeply imbedded; no one knows these secrets until the day of dedication!

Tillage Study Gets Attention At High Plains

Minimum tillage studies at the High Plains Research Foundation near Halfway is creating more attention on the High Plains as witnessed recently by a field trip made to the Foundation by Dr. Harold Dregne, agronomy professor, Texas Tech University, and eleven students. The students were from the soil conservation and land use management class at the Lubbock university. Dr. Tom Longnecker, Foundation director, said the trip was made primarily to review minimum tillage studies undertaken by the Foundation during 1969 and test programs planned for 1970. Dr. Longnecker said the trip also allowed the group to become better acquainted with the studies conducted by the Foundation. The group received a briefing on livestock, water conservation practices, crop variety studies, and cultural practices undergoing testing at the Foundation. Participating in the briefing sessions were Dr. Longnecker; Dr. Douglas Owen, oilseed scientist; Jim Valliant, soil scientist; and Dennis Mooney, associate agronomist. Climaxing the field trip was a tour of the research farm and facilities.

Students Take Field Trip Around Town

The fourth grade students and Mrs. Spence's Special Education Class from Mary DeShazo school had their field trip Wednesday, May 6. With the teachers in charge, they left the school at 9 a.m. and toured the Law Enforcement Center, Muleshoe State Bank, Noe's Tortilla Factory, Bailey County Electric and the Post Office. They walked to the park and several mothers helped them prepare hot dogs. The students also were served potato chips, pickles and cup cakes with a choice of Coke or Kool-aid to drink. Relay races were held in the afternoon with Mrs. Rudd's room winning the most first place ribbons. She was presented the traveling trophy to be kept in her room until next years races. The Mary DeShazo PTA wishes to express their thanks to the five business firms for giving their time to the children for a day of education and fun. CHRYSLER & INFLATION Detroit - The Chrysler Corp. blamed lagging sales and inflationary pressures for its loss of nearly \$30 million in the first quarter of 1970. Board Chairman Lynn A. Townsend said the firm's worldwide sale of cars, trucks and tractors ran 12 per cent below the opening three months of 1969, when the firm made a profit of \$48 million.

Your son could end up playing at the All-Star Game this year!

And Phillips 66 will take you and his mother there to watch him

This year, Phillips 66 will send eight boys and their parents to the All-Star Game as finalists in the first annual nationwide Major League Baseball Pitch, Hit & Throw Competition, sponsored by Phillips 66. All you have to do is take him to the nearest participating Phillips 66 station to register, between now and May 16. No purchase required.

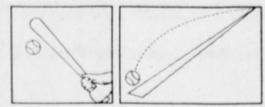

He'll have a great time testing his baseball skills as he progresses through local, district, and divisional competitions. The competition is open to boys age nine through twelve, and he'll compete only against boys his own age.

In addition to going to the All-Star Game, the finalists and their parents will be Phillips guests at the Baseball Hall of Fame in Cooperstown, N.Y. So don't wait. Sign him up now. And get a little father and son practice in beforehand.

TRY THE EVENTS IN THE COMPETITION

PITCH: From 46 feet, throw baseballs into a 20 inch circle.

HIT: Fungo batting for distance.

THROW: For distance along a line, with distance to right or left subtracted.

YOU AND PHILLIPS 66 MAY CREATE A CHAMPION

VOTE NO On Hospital District And Bond Issue

Why You Should Vote Against The Hospital District And Bond Issue . . .

1. Bailey County possibly can't support this large a project at this time- The County has been declared a disaster area by the Federal Government- Your present County valuation is \$16,041,014 and is to be doubled if this carries- What guarantee do you have if the Hospital is built and can't pay its way that your valuation will not be raised again- No end to taxes in sight-
2. As yet no Doctors- To get qualified Doctors that could make this go would need enormous salaries- Are there enough people in Bailey County to support Doctors enough to carry this through- It's very doubtful people from other Counties would come to Muleshoe for medical service-
3. Voting boxes- Only two they say- Only enough money for two and yet they are asking the people to take on this kind of obligation and they don't even have enough money in the County to hold an election with more than two boxes- this looks pretty downright fishy - Precinct 3 and 4 offered workers without cost for voting boxes, we do not understand by what authority the Bondsman has to say only two boxes- This looks bad to us-
4. Bailey County economy is supported by Farm income and at present the Farm Program seems to be in trouble- It does seem a little unreasonable to assume more taxes at this time- With interest rate even at 8% the first year of \$76,000 would be quite a bit to pay- It would be impossible for the Hospital to bring in enough income to pay the interest.

BAC Backs Hospital Election

During their regular monthly meeting Tuesday morning, members of the Businessmen's Activities Committee of the Chamber of Commerce officially went on record as unanimously backing the upcoming Hospital District and bond election.

This action was taken following an explanatory talk by Muleshoe School Superintendent Neal B. Dillman. Dillman explained to the BAC why a hospital is needed, and reminded them of the fact that he is responsible for almost 2,000 children for several hours a day.

The superintendent recounted the many reasons the Bailey County Hospital District Board believe a hospital is mandatory for this area, and stated the distinct possibility Muleshoe will be without hospital facilities, sometime in the near future without adequate measures being taken to assure continued medical service.

Also during the morning meeting, over which Bill Loyd,

chairman presided, numerous reports were given from committee chairmen of the organization.

Don Harmon reported on the District P-TA conference which was hosted in Muleshoe during April. Harmon expressed appreciation to the many people who assisted with the conference and stated he had heard many favorable comments about Muleshoe's hospitality during the three day meeting.

A report on the April Amarillo Symphony 'Pops' concert was given by Chamber of Commerce Manager Jerry Hutton. He favorably commented on the response to the highly-regarded cultural event.

Hutton also reported on the annual George White District Boy Scout banquet which was hosted in Muleshoe in April and brought the group up to date on the upcoming July 4th celebration.

A 'Dad's Camper' will be given some lucky father on the Saturday preceding Father's Day in June, and Bob Donaldson said the camper will soon be ready for downtown display.

Last year, 'Dad's Fishing Wagon' was given, and the fishing wagon was won by Eugene Buhrman.

Muleshoe City Council Member Lyndal Murray reported on recent city activities and projects including: the present crossroads improvements at the intersection of Highways 70-84-214; a street straightened near the new park site on West Avenue D; new paving program progress; the water and sewer lines in the Morrison Addition are complete; the purchase of five acres of land between the Morrison and Lenau Additions for a future neighborhood park; work being done by the Muleshoe Park and Recreation Board; the water and sewer lines progressing as scheduled; the work on the new sewer treatment plant has begun; junk cars being worked on daily to remove from streets and lots of the city; the SOS check warning system and reminded that Muleshoe is a service center, constant work keeps Muleshoe an active service center and asked everyone to vote in the Hospital District and bond election on May 16.

Next meeting of the BAC will be Tuesday, June 2 at 10 a.m. in the Muleshoe State Bank community room.

FIRST PLACE RIFLE TEAM--Displaying first place ribbons which they won in 4-H competition at the regional contest at Lubbock was the Bailey County 4-H Rifle team. Team members shown from left are Larry Vinson, Vowery Throckmorton, Gary Lackey and Mark Dillman. They will compete in state contest.

CAC Election Set Thursday For Committee

Following a meeting Thursday night of the Bailey County Community Action Steering Committee, an election of seven target area representatives to serve on the permanent committee was set for Thursday, May 14, at 8:30 p.m.

The election will be held in the Hilltop School, which is the location of the former Catholic Center.

Persons nominated Thursday night just prior to the election must be a resident of Bailey County, should have shown a prior interest in the Community Action Program and should have shown a willingness to work in the program.

Persons interested in voting on the CAC representatives are required to be a cross section of the persons who will benefit from the newly-instituted program.

Everyone is asked to attend how the program is expected to work in this county.

PUBLIC SPEAKING WINNER--Linda Mason, daughter of Mr. and Mrs. Clarence E. Mason, was a first place winner in the regional 4-H competition on public speaking. The contest was held at Lubbock last weekend. She will compete at Texas A&M University in state competition in June.

Attention, Voters!

If you have any questions pertaining to hospital district, bond election, write your question to the Journal, Box 449, Muleshoe, Texas, and we will try to find the answers.

"You can quote me on this!"

You should vote against the Hospital bond if you want Muleshoe to slowly die on the Vine. If you think it's cheaper to drive to Lubbock to the doctor than to pay a few pennies in taxes a year. If you want to do away with one of the finest industries this town has.

Most of all, you should vote against this hospital if you don't think you or your wife or children or grandchildren will ever be in need of emergency treatment.

If you vote against this, there will be a time you'll wish like heck you hadn't!

--Curtis Walker

I am for the Bailey County Hospital District 100% because I believe this is the only chance we have to keep the doctors we now have and encourage others to come.

--Albert L. Field

I would like to encourage all voters to investigate both sides of the issues concerning the hospital district before they make a final decision as to how they will vote.

My primary concern, as a young father, is adequate emergency facilities. It seems to be part of raising a family, but each family is of some time or another faced with an emergency crisis that requires immediate attention. It may be nothing more than high fever, but we can't rule out the possibility of a more serious incident such as backing over a child in a driveway. A trip to Lubbock for this attention may take too long.

--Clarence Christian

I am personally award of the need for additional hospital facilities because of the ambulance service doubling in calls to out of town hospitals.

This is definitely because of a shortage of doctors in Muleshoe. As we now have fewer doctors the ambulance service to Lubbock has increased. If we do not get a new hospital, people who aren't for it will say 'this won't happen to me' but there will be a day they will need the facilities and need immediate attention.

Muleshoe must have a new hospital! It may take a tragedy for some individual in Muleshoe, big enough to have an effect on people and show them how important it is and how much the facilities are needed.

A tragedy or disaster may wake people up.

Also, Muleshoe must have a new hospital someday and the local people will be the ones who will have to pay for it.

We don't know how long it will be, but the rates for building are increasing and in order to benefit by lower rates, a hospital should be built now.

--Frank Ellis

I am very strongly in favor of seeing the Hospital Election carry, because I think the progress of Muleshoe greatly depends on the passage of the issue.

--Mrs. Frank Ellis

I cannot conceive of anyone, who plans to make their home in Bailey County, voting against the Hospital Issue. It is both healthfully and economically infeasible for Muleshoe and Bailey County to be without health facilities. As a citizen who believes in the future of Muleshoe, I urge each and every person to vote for the formation of the Bailey County Hospital District.

The effort to make money often prevents the making of a man. The impulse to do good is worth while if the individual does good. Politics being what they are you can expect government to be what it is.

Linda and Edd Mason Address

The Progress 4-H Club turned its regular monthly meeting April 28, over to Mrs. C.L. Taylor for presentation of public speakers, Linda and Edd Mason. Each gave the public address speeches delivered at District in Lubbock, on May 2. Linda Mason won first, there, and will go to State Round-up in June.

Terry Wheeler, President, conducted the meeting held in St. John Lutheran Parish Hall, with the Y.-L. Club as guests. Ruth Ramm and Lavern Carpenter led the pledges.

Questions On New Hospital

(As contributed by Journal readers.)

Q. If the bond issue is passed for the new hospital, would the ones who helped build the hospital, (the taxpayers), get a cut-rate on room expenses, etc., or would it still be the same rate or would it be higher rates?

A. The taxpayers would pay the same as anyone else and the rate would be governed by the prevailing rates at the time the new hospital would be opened.

Q. Will the nurses get higher wages?

A. The hospital district will have nothing to do with the administration of the hospital as far as wages are concerned.

Q. What will happen to profits?

A. Any profits will be used to reduce the bond balance, with the eventuality of reducing taxes.

Q. Can the non-taxpayer voters decide the bond election for the hospital?

A. No. Although by a Supreme Court decision, non-tax paying voters may vote in a bond election, the taxing voters must approve the bond election or it will not carry.

Q. What happens to the profits after the hospital district bond issue is paid off?

A. All profits will go into improvements and equipment for the hospital.

Q. On the proposed tax estimation, what will be assessed on irrigated farm land with no improvements?

A. Each piece of property will be appraised according to value, improvements, with all being considered.

Q. After notes are paid off on West Plains Memorial Hospital, how can funds be used to pay on hospital bond issue?

A. West Plains Memorial Hospital will belong to the district and any revenue will go to the district for whatever purpose the district chooses, with the eventuality of reducing taxes.

Q. Why let the non-taxpayers vote if their vote isn't going to count?

A. Because of a Federal Court decision in a bond election case in Arizona the Texas Attorney General ruled that bond elections must be held in this manner pending a supreme court ruling.

Q. Will nurses wages be higher?

Tuesday Nighters Play Bridge

Mrs. Buck Wood entertained the Tuesday Night Bridge Club in her home, and won high for the evening with Mrs. Wilbur LeVeque. Others at the party were Mrs. Julian Lenau, Mrs. Dudley Malone, Mrs. Don Mays, Mrs. Vance Wagon, Mrs. Chief Jones, and Mrs. Mary Sweatmon.

A recapitulation of 4-H meetings held during the year indicated John Gunter and Jimmy Henderson gave the pledges, in the February program which consisted of a skit on public speaking by Ruth Ramm, Tim Wheeler, Bobby Henderson, Linda Mason and Terry Wheeler. In March, the pledges were led by Frank Ellis and Gary Gunter, with a program of a filmstrip on, "How to Keep a Good Record", by Mrs. C. L. Taylor.

Must Have It Repaired
The landlord was quizzing the prospective tenant. "You know," he said, "we keep it very quiet and orderly here. Do you have any children?"

"No."

"A piano, radio, or victrola?"

"No."

"Do you play any musical instruments? Do you have a dog or parrot?"

"No, but my fountain pen scratches sometimes."

Navy Offering Educational Opportunities

Chief Petty Officer Douglas M. Rogers, Navy Recruiter in Clovis, has announced a new program available to high school graduates. This program consists of two fields of training in nuclear power and advanced electronics. Men entering these two fields would receive instruction at college level, enter the Navy with an advanced pay grade, and receive an additional promotion upon satisfactory completion of their

assigned schools. This provides an excellent opportunity for young men to gain an exceptional education, qualify for the GI educational assistance bill, serve their country, and fulfill their military obligation at the same time. For more information call the Navy Recruiting Office in Clovis at 763-6622, or you are invited to visit them in the Federal Building room 243.
