The Eldorado Success

June 28, 1990

Welcome Mias Amigas!

It was on July 12, 1931, that Mrs. J.E. (Josephine Murchison) Hill, Mrs. Wallace (Ruby Jones) Dameron, Mrs. J.L. (Ida Conner) Neill and Mrs. E.W. (LaVita Christian) Brooks met at the Experiment Station at Sonora, Texas, in Ruby Jones Dameron's home to make plans for ex-students to reunite and keep alive that old school spirit. Thus the Mias Amigas Club was organized so that those who attended the school during the teens of the century might keep that school day friendship alive.

The charter members of this unusual club were Ruby Jones Dameron, Josephine Murchison Hill, LaVita Christian Brooks, Ida Conner Neill, Lucile Hill Walker, Lula May Evans Smith, Mattie Whitten Royster, Lucy Lee Williams, Evelyn Hinyard Renken, Marie Doty

Perner, Mary Ellen Tisdale Hughes, Gladie McKnight Davis, Sulena Halber Bird, Lummie Pelt Whitten, Olga Benton Meador and Elsie Berry Reagan.

In 1938 the Club decided to really organize and draw up a constitution. Section I stated that "the object of this organization shall be to preserve through the crowding years the love and sentiment of our school days". Article III, Section I, provided that "the persons eligible for membership in this club shall be graduates of Eldorado High School or those who would have been eligible for graduation between the years 1907 and 1919 inclusive. Article IV, Section I stated that "regular meetings shall be held annually the last Thursday and Friday in June in Eldorado.

To commemorate the spirit of their school days, the Mias Amigas Club placed a plaque on the foundation along with the school bell from the old school house. This was erected in 1940.

Until 1954 the highlight of the meeting was the hayride that everyone enjoyed, but it was decided that the hayride would be dispensed with and instead all would meet on the courthouse lawn and ring the old school bell and sing the Mias Amigas song before the meeting began in the Memorial Building.

The Mias Amigas Club has done many worthwhile things since it has been organized. The club has donated many books to the Eldorado Library, had a marker put at the grave of a former schoolmate, Gladys Patton, who was buried in San Antonio, helped buy floor covering for the kitchen and rest room in the Memorial Building and was the first to donate money for the establishment of the Schleicher County Museum.

In 1966 the members amended Section I of the Constitution by including school years 1920 through 1929 to the

membership. Then again in 1973 the motion was made that classes be eligible for membership twenty years after graduation.

The Mias Amigas song was written by Lucile Hill Walker, one of the charter members. Following are the words, sung to the tune of "Believe Me If All Those Endearing Young Charms":

My Mias Amigas, the glad time has come

To recall golden days ever dear.

Pledge again our devotion.

Renew friendship's vow

As our happy hearts laugh at the years.

Then join in the fun,

*Make merry each one,
Precious moments are fleeting away.*

*Clasp a hand, say "I love you,
I'm glad you could come"*

*Help up celebrate friendship's
bright day.*

The original Mias Amigas Club has grown in such proportions since it was voted to take in one new class a year that it has really turned into a big reunion where old friends get together with joy and laughter, tears and regrets. Joy at sight of familiar faces, laughter at remembering past events, tears at parting and regrets for those who are absent.

Museum Hosts Open House

by Rene Calcote

During Mias Amigas days, June 29th and 30th, the Schleicher County Historical Society will open the Museum to the public on Friday from 2 p.m. until 6 p.m. and on Saturday from 2 p.m. until 5 p.m.

Everyone is invited! Come see the Museum's new carpet, ceiling, improvements, and many new collections.

The Historical Society would like to give special thanks to the individuals and businesses who contributed yards of carpet. Ross & Marilyn Whitten, Willie Johnson, John & Punkin Danford, Ruth Harper, Jess & Irene Blaylock, Lois Pinkston, Lucille Jackson, Bill & Pat Gentry, Blanche West, Lola Humphry, Alvin & Isabelle

Luedecke, Otis & Ora Deal, David Powell, Rudy & Shine Spigarelli, Oscar & Bill Neff, Johnny & Carolyn Mayo, Dee Jay & Dona Garvin, Mora Lee West, Earl & Sarah Yates, Geneva McWhorter, Enron Corp., Eagle Dairy Mart, Jim & Holly Brame, Schleicher County Chamber of Commerce, Ethel Etheredge, Tom Enochs, Mary Barton Robinson, Pam Meador, Jon & Rene Calcote and Charlotte Harvey.

Donations are still being accepted. Send your \$12 a yard donation to the Historical Society as a memorial or contribution. All names of donors will be displayed permanently in the Museum.

Don't forget to come by on June 29th and 30th!

Party for Class of '40

On Friday night, June 29, there will be a party for the class members and spouses of the class of 1940. It will be held after the picnic supper on the Courthouse lawn, and should start at

approximately 9:00 p.m.

The party will be held at the home of Shine and Rudy Spigarelli at 713 Highlander, in the Glendale addition. (This is the old Edmiston home.)

Success Deadlines

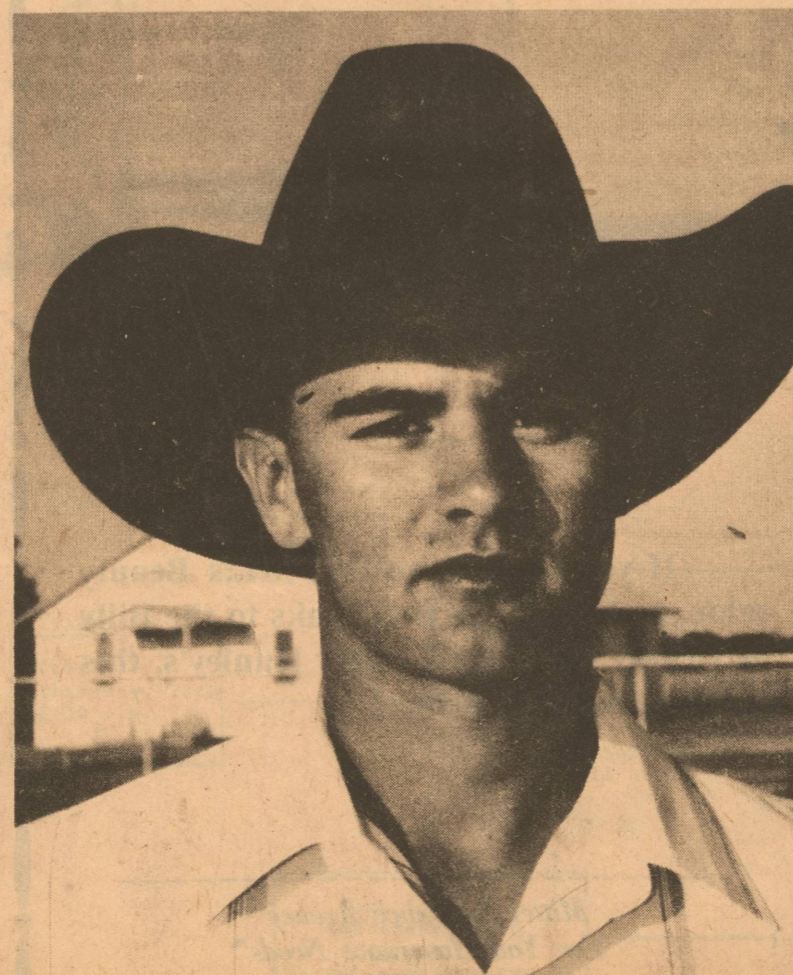

All news items, advertisements, and inserts to be run in the newspaper are due in the Success office by 5 p.m. on Monday of the week they are to be published. Any item received after the deadline will be taken as time and space permit.

Pictured above are elementary pictures of the class of 1970.

Criswell To Compete In High School National Rodeo

Shane Criswell

Shane Criswell, son of Donnie and Sherry, placed 3rd overall in the State Saddle Bronc Rodeo Finals on Saturday, June 16. Shane will be traveling to the Nationals on July 22. He is the first person from Eldorado to go to the Nationals.

Shane, a 1990 graduate of Eldorado High School, has participated in the state rodeo

for three years. He has participated in rodeos since he was old enough to participate, and he has participated in high school rodeos for the past four years.

Shane is now working at Howard Derek's ranch breaking horses. He plans to go to college in Snyder in the fall. As of now, he has not decided on a major.

Shane has two brothers, Rusty, fourteen and D.J., eight.

Foster Sells Radio Stations

Walton Foster, President of Foster Broadcasters Inc, announced Tuesday, June 26, the sale of Radio Stations KHOS AM/FM in Sonora and KYXX FM in Ozona to Ft. Stockton Radio Company Inc., subject to FCC approval.

The owners of Ft. Stockton Radio Co. are Ken Ripley and Gail Garlitz, who also operates KFST AM/FM in Ft. Stockton. KHOS AM operates at 980 khz. KHOS FM operates 92.1 mhz. KYXX FM operates at 94.3 mhz. KHOS AM/FM has been off the air since Feb 1,

1990 and will resume broadcasting on July 2, 1990.

The stations will be managed by Sonora native Camille Cawthorn. New equipment was recently installed to facilitate improved service and programing including affiliation with the Texas State News Network, the Dallas Cowboys and Texas Longhorn Networks. The stations trend will be contemporary country with local news broadcasts four times daily and total weather coverage.

The Editor's Journal

Life Among The Fishes

by Thomas Giovannitti

Since I have been writing these articles on a computer a few things about the technological revolution, especially in communications, have made me a little puzzled.

I was working in the Air force just about the time that computers were being used in the

data collection and storage area of many large businesses, including our government.

In those days they stored information on "punch cards" that were then read and the information transferred to large magnetic tapes. Those machines took up whole floors of large buildings and the stored cards took up a considerable amount

of space themselves. The old cards would even be put to good use as Christmas decorations or whatever else some "crafty" person could think of to build with those seemingly limitless boxes of used cards.

Of course today our computers fit on a desk and the information is stored in so little space that most of us can't

conceive how it is actually accomplished.

There is still one problem though, even with all of our advancement in computers, those smart engineers haven't figured out what we can use to make those Christmas wreaths with Floppy disks just don't lend themselves to decorating for any season.

Health Care

Contributed by Steve Goode

QUALITY HEALTH CARE: Will it be there when you need it?

Although the United States has the finest health care in the world, the system is in jeopardy, according to the Texas Hospital Association, the Austin-based trade association representing the Texas hospital industry.

Hospitals are facing increased costs and decreased income. Unless dramatic changes in health care financing are made, health care as we know it will soon become a thing of the past, according to Terry Townsend, president of the hospital association.

Advancements in medical treatment in the last 10 years have contributed to increased costs. "A few years ago, cataract surgery required several days of hospitalization; now, thanks to the YAG laser, most cataracts are removed on an out-patient basis," Townsend notes.

An aging population is placing greater demand on the health care system, too. Older patients tend to suffer from chronic illnesses and multiple problems that make their treatments complex, lengthy and more expensive, association statistics reveal.

In Texas, 16.5 percent of the population has no health insurance. Uncompensated care represents more than 10 percent of the average hospital's case load,

according to DataPulse, the association's information collection and reporting program.

Medicare and Medicaid programs, which represent more than 50 percent of the average hospital's patient load, pay hospitals less than what it costs to deliver services. "As hospitals are forced to spread the unpaid costs among their paying patients, a 'hidden tax' is created, and every employer and employee pays it, in addition to taxes paid to support Medicare and Medicaid," Townsend said.

The result of current government health care financing policies has been hospital closures. For the past four years, Texas has led the nation in the number of hospital closings. Combined with the 53 counties with no hospital, these closures have placed access to hospital

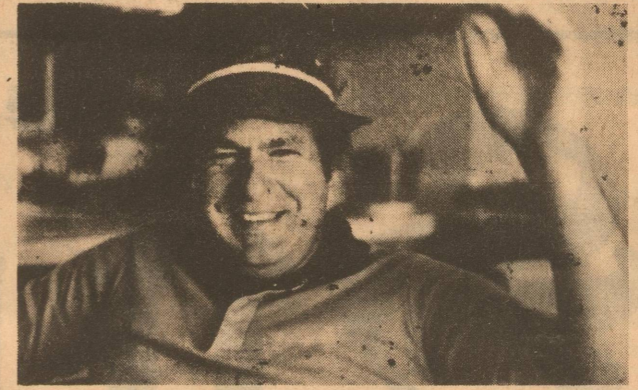

services in jeopardy in parts of the state, the association reports.

"We are convinced that unless government policies regarding health care financing change, the high quality medical care we all expect simply won't be available," Townsend said. Some have suggested adopting socialized medicine models similar to those in place in Great Britain and Canada. Townsend noted that rationing of care and delays in receiving needed treatment are routing in these countries. "Is this the future of health care in America?" Townsend queries.

The association is urging Texans to communicate with federal and state elected officials demanding the development of a national health policy that maintains both quality of care and access to basic health services.

Laugh and Live

by Gary Smith

"Life is tough. Three out of three people die, so shut up and deal!"

Ring Lardner

Remember an old, old story about a chicken and a pig.

Chicken says to the pig, "Let's open a restaurant."

Pig says, "What will we serve?"

Chicken says, "Ham and eggs."

Pig says, "That's easy for you to say."

All it takes from you is a contribution. From me it takes TOTAL COMMITMENT."

Have a friend that goes by the name of Tom Enochs. Now, I don't know if you know Tom or not. If you do know him, I don't know if you like him or not. To tell you the truth, I don't even care if you like Tom or not, cause that has nothing to do with what I'm writing about.

For the last few years, Tom has been totally committed to taking care of the war memorial at the cemetery.

Others have made contributions. Lately, contributions have been low, low, low. Tom, however has remained committed to the project.

Now, I know that there are many worthwhile organizations that need our contributions. But anyone who remembers what the cemetery used to look like knows how much the lights, flags and monuments have added to the beauty of our county.

I guess what I am saying is this... if you have a few extra shekels laying around, I know of a fund that could use them.

'Til the next time...

MAY GOD BLESS.

Tribute To Tom Meador

Photo by Donna Garvin

by Rene Calcote

A quaint, vine covered, native rock building in downtown Eldorado houses a museum. Inside is an invaluable collection of Schleicher County's beginnings display evidence of struggling hardships and good times of early pioneers. These families endured great perils creating modernization from this vast wilderness of West Texas.

One of these pioneer families was the C.L. and Mattie Meador family. Carrying all their household goods in an old schooner type covered wagon, herding their cattle and horses, the Meador's came to Schleicher County in 1900 from Lampasas County, Texas.

C.L. and Mattie raised four sons, one being Tommy Cecil, the father of Tom.

Tom Meador loved West Texas History. He spent many hours researching, reading, and

collecting evidence of early days. He restored photos and items of historical value. He worked tirelessly with the Historical Society to help preserve our yester year for the generation of tomorrow.

Tom donated material and artifacts to the Angelo State Library's West Texas Collection, and to the Schleicher County Museum.

Tom died a few years ago, but his memory will remain for all the future to share in his collection of history.

Tom also left a generous donation to the Schleicher County Historical Society. The roof, carpet, improvements, and ceiling for the museum was made possible by this contribution. The Historical Society hopes to house and display beautifully the West Texas History that Tom Meador loved.

Theatre Group Presents 'Patio/Porch'

Patio/Porch will be presented again this Friday and Saturday at 9:00 at the Little Theatre. These hilarious plays will give you a lift!

Tickets are on sale at C.R. Sproul's office, ASC office, Mias Amigas Registration or at the theatre at play time.

An Apple A Day

by Lee R. (Smockey) Taylor, R.Ph.

Eye Protection in the Sun: As the ozone layer deteriorates, we will be exposed to more damaging ultraviolet (UV) light, and one bad side effect of this problem is cataracts.

Sunglasses can provide significant protection. Their

degree of protection can be found on labels. "Special purpose" glasses are the best, followed by "general purpose" and "cosmetic", which does the least.

Wide-brimmed or billed hats also help when sunglasses cannot be worn.

Notice

There is an Eldorado City Ordinance prohibiting the use of fireworks in the city limits.

According to the Sheriff's Department, this ordinance will be enforced during the 4th of July season.

The very dry weather that we have been having greatly increases the possibility of fires that could be caused by fireworks.

Unofficial Minutes of City Council Meeting

A Special Meeting of the Eldorado City Council was held Tuesday, June 19, 1990 at 7:30 P.M. at the City Hall with all Councilmen in attendance. Also present were Maria Gauna and Ronnie Sauer, who represented the Schleicher County Chamber of Commerce. Meeting was called to order by Mayor Preston.

TCDP Hearing

A Public Hearing was opened to discuss proposed 1990 Texas Community Development Program Urgent Need Application. Purpose of the hearing was to solicit views and comments concerning the possible uses of grant funds should they be obtained. Attendance Sheet was circulated for those persons

attending. Program materials were distributed. Following discussion, motion was made by John Callison and seconded by Dora Bosmans that the Resolution be approved authorizing submission of an application to TCDP, endorsing activities, setting application amount and designating the Mayor as the City's Executive Officer and authorized representative. Motion carried.

Update On TCDP Projects

The Secretary reported that final designs were being prepared for approval on the 1987 Amendment Project by Todd Engineering. Preliminary work is ongoing on the 1989

Water Tower Project and that correspondence from TDOC Economic Development Administration and Farmers Home Administration had been received for submittal on the Urgent Need Grant application. Figures had been obtained on the wastewater facility's input, design flow, test results as well as Permit information for submission with the Urgent Need Grant application to TDOC. She reported that Todd Engineering had responded to the TWC on the problems at the plant as requested and a copy of the letter was distributed to the Council members.

Beautification Program

After discussion, motion was made by John Callison that the Lease Agreement with Parker Foods, Inc. and Working Agreement with the Schleicher County Chamber of Commerce be executed by the City as drafted. Motion was seconded by John Nikolauk. Motion carried.

DPS Request for Waiver

The Secretary passed along request from Trooper McIntyre with the Department of Public Safety - Drivers License Testing Division - who had requested a waiver from the Council of the Truck Ordinance for purposes of his testing applicant drivers for commercial licenses. Reportedly, this would involve perhaps one or two drivers on Thursday, and the officer would be in the truck with the applicant. The proposed route was circulated for the Council's review. Motion was made by John Nikolauk and seconded by Barbara Jackson that the waiver be allowed. Motion carried.

Landfill Alternative

Mayor Preston emphasized need of the Council to be considering future of the City's landfill. Final regulations

have not been published as yet, but Jack Dean reported that he had been in contact with Adam Hernandez with the Texas Department of Health (Solid Waste Division) and Mr. Hernandez had agreed to meet with the Council if a meeting could be arranged.

The Council discussed the transfer station alternative briefly and Mr. Dean stated that he was going to dig another pit as soon as possible as the 1988 pit was filling up.

Wastewater Plant Update

Mr. Dean reported on sampling results for the past week which continued to show a good improvement toward compliance. He reported estimate of expense for used irrigation equipment (pump, piping for one mile, 40 horse motor, sprinklers, etc.) for Kellogg pastureland irrigation of 200' diameter of \$22,000 ±. John Callison reported that Charles Kellogg was still agreeable to the arrangement with stipulation that water was not to puddle and that tailwater would be contained. Pros and cons were discussed with the Secretary reporting on progress with the Railroad to either lease or purchase the Railroad Right-Of-Way property between the plant and the Kellogg property. The need for the irrigation permit was discussed with Mr. Dean to proceed as far as possible and Todd available for input as necessary. The Secretary also reported that she had contacted the Hanover office in Midland and that she had been referred to Walter Donaldson to obtain guidance with regard to the Hanover high pressure gas transmission line. No further contact has been had with the Christian family regarding the sewer farm.

SCAD Proposed 1991 Budget

The figures as provided

by Ray Lewis Ballew were reviewed with the supplied 1989 figures and 1990 budget figures for comparison. After discussion, no official action was taken to file opposition to the presentation.

Billings

Billings received since the last meeting of the Council were reviewed, and motion was made by Barbara Jackson and seconded by Dora Bosmans that they be approved as presented. Motion carried.

Equipment Report

Mr. Dean reported that the County dumptruck had a rod bearing out and that metal was reported in the engine. Repair estimate was given by International representative showing approximately \$2528.00 to \$3000.00 needed. It was reported that the truck had been given to the City by the County; however, the title has not been transferred. Motion was made by John Callison that the repairs not be made until the title was received. Motion was seconded by John Nikolauk. Motion carried. The source for the necessary funds for the repairs was discussed with Amendment #5 to the budget proposed to transfer funds within the General Fund; however, no official action was taken.

Law Enforcement

The Council discussed letter sent to Sheriff Norris on June 10 in which the Council had stated that the \$1500/month payment from the City to the County was in jeopardy due to failure of the Law Enforcement Personnel to provide the agreed

upon nightwatch and ordinance enforcement services since January, 1989. No response has been received by the Council to the letter. It was the unanimous decision that another letter be drafted but directed to the Commissioners' Court stating that the July payment would be held due to Sheriff Norris' failure to respond as requested.

Sewer Line Request

Mr. Dean reported that a customer had requested services in Block 42, O.T. for water, gas and sewer services. All tap fees had been paid as well as deposits. The water and gas services were not a problem; however, the sewer service was approximately 200' away which would require digging in the alley to connect. The City's Utility Ordinance has provided for 100' extension by the City with the customer to provide anything in excess of the 100'. Mr. Dean asked the Council to consider the City extending the line the additional 100'. After discussion, the request was denied due to a variance from the established policy; however, discussion was held and the Council emphasized the need for the plumber making the extension to provide sufficient bonding to protect the City and adjacent property owners from damages which might occur. This customer will need private sewer lift pump.

After brief discussion, the next two meetings of the Council were set for July 10 and July 24. With no further business, meeting adjourned at 10:20 p.m.

City Secretary

Burrows Selected for NJCAA Softball Team

Kelly Burrows

Odessa Kelly Burrows, a 1988 graduate of Permian High, was selected to the 1990 NJCAA Women's Fast Pitch Softball All-American Team.

Burrows is the daughter of Ronnie and Kathy Burrows of Odessa and the granddaughter of Louise Burrows of Eldorado.

She graduated from Ranger Junior College in May where she played outfield and helped the Rangers to a regional appearance in the National Junior College Athletic Association playoffs this season. Burrows batted .441 with 44 RBI, 13 doubles, four triples, seven home runs and 12 stolen bases. Twenty-

six of her 44 hits went for extra bases.

She now plans to attend Northeast Louisiana University and play softball and volleyball. She says she will return to her high school position, shortstop, for NLU. Burrows hasn't played volleyball since high school, but NLU Coach Rosemary Holloway, who coaches both volleyball and softball, wants Burrows for both sports.

As the only Texas player named by the NJCAA, Burrows was selected second among 12 players named to the first team, and will play as an outfielder. Her award marks the third time in four years since the Ranger Junior College woman's softball team originated that an RJC player has been named to the All-American team.

Burrows earned an associates of science degree at Ranger and plans to major in physical education at NLU.

Burrows played nearly every sport available to women at permian. She earned 4-5A All-District honors in basketball and volleyball and was a regional qualifier in track.

Enjoy electricity...

but don't take it for granted!

By following some very basic safety rules, you should be able to safely enjoy the many ways electricity helps us.

1. Do not touch anything wet or metal while using any appliance. This could cause you to become grounded which could result in you being shocked or electrocuted.
2. Install Ground Fault Circuit Interrupters (GFCIs) in any area that can get wet.
3. Before you dig, be sure to check with your local utility to locate underground electrical lines.
4. Teach your children electrical safety rules.
5. Before you clean or remove anything from an appliance, unplug it.
6. Never use water on an electrical fire.
7. Unplug heaters and irons when they are not in use.
8. To help prevent shocks, plug power tools into grounded GFCIs.
9. If someone has been shocked, do not attempt first aid until current is no longer going through the body.

Public Notice

TO ALL FORMER AND CURRENT INTRASTATE WIDE AREA TELECOMMUNICATIONS SERVICE (WATS/800) SUBSCRIBERS:

Southwestern Bell Telephone Company has instituted a Class Action Lawsuit seeking judicial approval of a settlement reached in Docket No. 7297, an inquiry of General Counsel of the Public Utility Commission of Texas into possible overcharges which occurred between September, 1976, and February, 1987, due to rounding practices, on bills of intrastate WATS/800 customers sent by Southwestern Bell and other telephone companies which concur in Southwestern Bell's tariff. The suit is styled "Southwestern Bell Telephone Company, Plaintiff, vs. MCI Telecommunications Corporation, A Member of the Class of Texas Intrastate WATS and 800 Service Customers Who Paid Overtime Charges From September 1976 Through February 1987, Defendant," and identified as Cause No. 471,460 in the 126th Judicial District Court of Travis County, Texas.

Pursuant to the settlement, while not admitting liability, Southwestern Bell, the other local exchange telephone companies in Texas, and AT&T Communications of the Southwest, Inc. have agreed to pay refunds to those WATS/800 customers who paid overtime charges attributable to the rounding practices for intrastate WATS/800 services at any time between September, 1976, and February, 1987. The refunds will be based upon either the actual or estimated amount of overtime charges attributable to such rounding practices. An exact refund will be determined for customers able to produce copies of their WATS/800 service bills. For customers who do not have copies of their WATS/800 service bills to establish actual overtime charges paid, an average refund of \$4.53 to \$5.95 per WATS/800 service line per month will be applied. All claims will be subject to verification. The refunds will also include interest at the rate of 7.80% per annum.

Claim Forms And Additional Information

Those customers who think they may be entitled to a refund or who desire more information must call 1-800-782-3026, 8:30 a.m.-4:30 p.m., Monday through Friday, or write to WATS Refund Pool Administrator, One Bell Plaza, Room 670, P. O. Box 650376, Dallas, Texas 75265-0376, to request a WATS Refund Information Package. The WATS Refund Information Package will contain further information regarding the lawsuit and eligibility for a refund, a description of documentation required to support a customer's claim for refund, and a refund claim form to be filled out and submitted requesting a refund. REQUESTING A WATS REFUND INFORMATION PACKAGE DOES NOT OBLIGATE YOU IN ANY WAY.

All claims for a refund must be received by the Refund Pool Administrator by Friday, October 5, 1990, and all rejections of the settlement (that is, requests for exclusion from the class action lawsuit) must be received by the Court by Wednesday, September 5, 1990. Only those who respond by filing a claim or by filing a rejection of the settlement, as explained in the WATS Refund Information Package, will receive notice of future developments in this proceeding.

Persons who wish to obtain further information may also contact the Public Utility Commission, Public Information Division, at (512) 458-0257 or (512) 458-1221, teletypewriter for the deaf.

4th Annual World Championship Cowboy Campfire Cookin' and Ropings

by Cindy McGinnes

The Schleicher County Chamber of Commerce is sponsoring the 4th Annual World Championship Cowboy Campfire Cookin' and Ropings on July 13th, 14th and 15th.

On Friday night the Campfire Cookin' will set up and the Theatre group will perform "The Perils of Pumpnickle Pass" under the direction of Marcy Willis at 9:00 under the tent on the slab at the rodeo arena. Tickets will be on sale at the gate.

Saturday mornings events start at 8:00 with the World

Championship Junior Goat Roping sponsored by the Texas Goat Roping Association. The entry fee is \$50, cash only. A parent or guardian must sign a consent form. Preliminary rounds begin at 9:00 with 3 go's. Finals will be at 5:00. The top 15 will have 2 go's. A World Championship buckle will go to the winner.

A match roping will be held between two World Champion Goat Ropers, Jeff Maldrop of Bronte and Billy Teague of Crane.

At 1:00 p.m. on Saturday, there will be an open

goat roping. There will be 3 go's and a short go. A senior goat roping will follow. You must be 40 years or older. There will be 3 full go's. For more information contact Johnny Bownds at 853-3252.

A Campfire Cooking will be going on all day Saturday. The cooks will be entering their favorite recipes in a contest. The winners will be announced at 4:00 p.m. There will be cash prizes.

A fiddling contest will be held under the tent on Saturday at 1:00 p.m.

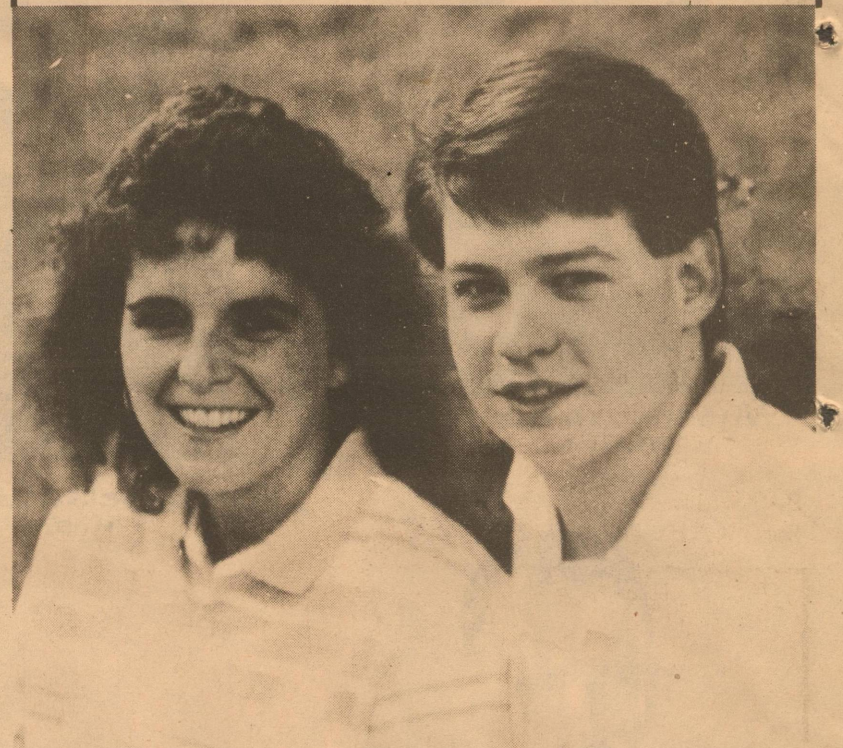

A dance featuring Los Tejanos will be at 9:00 p.m., also under the tent. Tickets are \$4.00 in advance or \$5.00 at the gate.

There will be food booths and Arts and Crafts booths. For the kids, there will be a batting machine to try their hand.

On Sunday there will be a team roping. Books open at 12:00 and the roping starts at 1:00. It is a #5 1/2 roping, 3 head, progressive after one. There are buckles for the average winners.

Come out and bring the family!

Wedding Announcement

Michelle Walker and Jack Fairchild

Mr. and Mrs. Herman Walker, Jr. have announced the engagement and approaching marriage of their daughter, Suzanne Michelle, to A.C. "Jack" Fairchild, Jr., son of Mrs. Arlene Pike of Kerrville, Texas.

Miss Walker is a 1985 graduate of Eldorado High School, and a May 1989 graduate of Angelo State University, with

a Bachelor of Science degree. Michelle teaches Physical Education and Health at Llano High School and is also Jr. Varsity girls basketball coach and assistant girls track coach. Her fiancé is manager of his family's business, New Life Health Foods in Kerrville. He is a 1985 graduate of Ingram High School.

An August 4th wedding is planned in First Baptist Church, Eldorado.

Cornett Renuion Held In Mertzon

The children of J.A. and Gertrude Cornett held their renuion in Mertzon on Saturday and Sunday, June 23rd and 24th. Tim and Karen Cornett were the host and hostes for this special occasion. It was held in their home on the banks of the Concho River.

Visiting, 42 games and skip-bo wree enjoyed by everyone.

Those attending were: Chelsea and Garrett Cornett of Mertzon, Allen and Dorothy Cornett and B.J. Barron of Lamesa, Sylvia Pruitt of Lamesa, Nolan and Carol Ann Cornett of Brownfield, Craig and Jan and Evan Cornett of Brownfield, Roger and Sissy, Kalya and

Zachery Cornett of Seminole, Wayne and Bea Cornett of Midland, Morris, Claudette and Morri Hargraves of San Angelo, Joni Hartgraves of Bartlesville, Oklahoma, Dan and Allene, Chorrissa, Alyssa, Jessica and Lycynda Halbert and Hope Martinez of Eldorado, Cindy Hare and 2 sons of Midland, Claude and Doris Ledbetter of Eldorado, Bobby Jack and Connie Robinson of Eldorado, Paul land Babs Cornett and Charlie John and Clint of San Angelo, Bill and Faye Cornett of San Angelo, Clarice Pscenk and Amy.

We missed A.B. and Virginia Cornett of Brownfield, who were unable to be there.

'Wild West Show'

Continued from Page 7

Patterson, a West Texas storyteller best known for his tales of the West and his experiences as a "cowperson". Says Paul, "I got a burning yearning for learning after a bronc threw me on my heard on day. That's when I realized what a long, hard road cow punchin' is."

Saturday evening's show features Patrick Dearen, the author of three novels and a non-fiction book, "Castle Gap

and the Pecos Frontier. Dearen will share stories of West Texas cowboys, the last of a dying breed who punched cattle up the trail and who worked ranches entirely by horseback in the first three decades of the twentieth century.

The Caverns of Sonora are located eight miles West of Sonora off IH-10. For more information call (915) 387-2381 or write P.O. Box 885, Sonora, Tx. 76950.

Before about 1800, there were no separately designed shoes for right and left feet.

Foster Sells Radio Station

Continued from Page 1

Foster Broadcasts is owned by Walter Foster of San Angelo, Attorney Don Griffis and KIXY/KAYJ Business Manager Fred Key.

In making the announcement foster said, "We want to thank everyone in Sonora, Ozona and Eldorado for their splendid support since KHOS went on the air in 1976. The new owners are outstanding broadcasters and will be excellent citizens."

Foster is retaining own-

ership of translator stations in Junction and Big Lake, which will rebroadcast San Angelo station KIXY FM. Ripley anticipates FCC approval in 60 to 90 days.

Covered Wagon Dinner Theater's 'Wild West Show'

Look out! The Wild West Show is coming to Sonora in the form of Allen Wayne Dameron, folksinger extraordinaire. He will be appearing at the Covered Wagon Dinner Theater located on the grounds at the Caverns of Sonora on Friday, June 29. The show will begin following dinner which is served at 6:30 p.m.

Allen is entertainment personified, considered by his peers to be one of the top ten

acoustic performers in this country. He has regularly shared the stage with such artists as Willie Nelson, Jerry Jeff Walker, Nanci Griffith and Pete Seeger. He is a founding father of the Kerrville Folk Festival, which the London Times heralded as "the best music festival in the world," where he is still a Director and performer.

Raised by his family to be a hunting guide, he has studied drama and psychology,

raced cars, owned a nightclub and taught school, but music always ended up on the top of his extensive list of activities. "Singing is a hobby that got out of hand," he explains. He has appeared at every conceivable festival and civic event in Texas. He appeared in the Disney film, 'Save the Dog', in which he sang "Over the Rainbow" to Cindy Williams. He has a substantial role as a re-enactor in Alamo-The Price of Freedom, which runs daily at the River Center Theater in San Antonio.

Allen is as diverse and exciting a performer as his credentials suggest. He hits the stage running and goes non-stop until the last note fades away. Allen does it all-contemporary folk, country, western, children's songs, Irish music, nautical ballads-tailoring his show to suit his audience. His music is interspersed with storytelling and punctuated by his sharp wit. At a Dameron show, a good time is truly had by all - including Allen.

Sharing the stage with Dameron on June 29 is Paul

Booster Club Meeting

The Booster Club will hold a meeting on Monday, July 2 at 7:00 p.m. in the classroom next to the weight room.

The purpose of this

meeting to elect officers for the coming year.

Everyone is encouraged to come!

Let's Paint The Town Clean!

The Chamber Pride Committee solicits donations of money and/or labor to help in their efforts to make Eldorado clean and attractive!

They are excited about

their plans and want to involve everyone in this project.

Send any donations to The Chamber Pride Committee, Box 716, Eldorado, Tx. 76936.

LET'S PAINT THE TOWN CLEAN!

Correction

Correction: In last week's Success it was stated that the City of Eldorado donated the land for the new Senior Citizen's Center. The land was actually donated by Schleicher County.

Summer Reading Club

Children at the Schleicher County Public Library will encounter "The Secret Code R-E-A-D" in the Reading Club Program which began June 20 and will continue each week on Wednesday at 2:00 p.m.

Activities this year include films, general activities, crafts and programs. You may register by calling 853-3767. There is no charge. Hours at the library are 1:00 p.m. - 5:00 p.m.

Encourage your children to read this summer by attending the Summer Reading Club at the library.
