A Good News Review

Volume 89 #36

The Eldorado Success

September 6, 1990

Lamb Promoted To Corporal

Buster Lamb

Trooper W.R. "Buster" Lamb, of the Department of Public Safety has recently been promoted to the rank of Corporal. Lamb, who has been a resident of Eldorado since August of 1979, has been a

D.P.S. officer for sixteen years. Officer Lamb is easily recognized in a crowd by his large stature and big Texas Grin. In his years of service as a trooper, he has never had to draw his service revolver, in the

line of duty. One year he led the area in arrests of DWI's.

He is married to the former Ginny Hemphill. "Buster" and Ginny have one daughter, LeeAnn, who is a sophomore at

Eldorado High School.

When asked what she thought about her husband's promotion, Ginny shrugged her shoulders, smiled and said, "More patches to sew on."

Eagles Enter Season On High Note

The Eldorado Eagles Varsity Football team scrimmaged the Brady Bulldogs on August 24th and the Junior Varsity of San Angelo Central Bobcats on August 31st. Both scrimmages were a good test for the Eagles and they will use this experience to improve on week areas.

"The scrimmages allow us to evaluate our players against other teams, so it is beneficial to us. We get to see how our athletes compete against others rather than practicing against our own teammates," explained head coach Doug Kuhlmann.

"During the Brady scrimmage, we saw many positive area on defense. We were hitting hard and causing turnovers, which is a big plus during a game. Justin Paxton, Matt Lloyd and Clifton Brown, a transfer from Water Valley, caused fumbles while Justin Edmiston and Barry Thoms recovered the fumbles. Paxton and Thoms also had interceptions.

"Offensively, we moved the ball with hard running from

Paxton, Brown and Jesse Vasquez. But we also hurt ourselves by mistakes in executing the plays and fumbling. Many fumbles occurred during the center and quarterback exchange. This being unnecessary, we worked hard the next week at correcting the problem.

"Our offensive line played well and the coaches believe the line is progressing much faster than expected. Their ability to continually improve will make a difference on the offense's success during the year. The offensive line consists of Travis Shaw, Chris Meador, Matt Lloyd, Homer Minor, Wade Rinnehard, Pat Martin, Ernie Gonzalez, Sutton Page and Shane Church.

"The passing game is behind schedule at this time. Quarterbacks Cy Griffin and Josh Blair are playing this position for the first time on a varsity level. As the year continues, valuable experience from the quarterbacks will help this phase. Our receivers are Hector Chapa, Justin Edmiston, Barry Thoms,

Gabe Schooley, Ramiro Barajas, Cole Turner, Reyes Lozano and Jeremy Steele," stated Kuhlmann.

The next scrimmage, against San Angelo Central's Junior Varsity, tested the Eagles on their ability to adopt to something new. "We did not know exactly what they would do on offense or defense, so we adjusted as the scrimmage went along.

"Normally we will not practice in full pads before a game or scrimmage, but we needed the extra work, and as a result, or legs were heavy and we did not physically hit as well as we did in the Brady scrimmage.

"Early in the scrimmage we moved the ball well and we self destructed by fumbling on the 2 and 25 yard lines of our opponent. These fumbles were costly and our maturity and experience will have to overcome this problem," ended Kuhlmann.

The Eldorado Eagles' first game will be against a strong opponent. The Eden Bulldogs are rated number 15 in the state by the Harris Rating

System. Eden's coach, Jim Marsh, believes this is the best team in Eden since he has been their head coach.

Eldorado Eagles' starting Line-Up: DEFENSE - Clifton Brown, LB; Justin Paxton, LB; Shane Church, DT; Rudy Saldivar, DT; Chris Meador, DE; Matt Lloyd, DE; Justin Edmiston, CB; Jesse Vasquez, CB; Cole Turner, H; Ramiro Barajas, H and Cy Griffin, S. OFFENSE - Cy Griffin, QB; Clifton Brown, RB; Jesse Vasquez, FB; Justin Edmiston, SR; Hector Chapa, SR; Barry Thoms, TE; Pat Martin, T; Travis Shaw, T; Homer Minor, C; Chris Meador, G and Wade Rinchart, G.

The Eldorado Junior Varsity opens the 1990 season at home against Eden on September 6. The 6:30 p.m. contest will be the first real game of the season for the J.V. The Eagle J.V. lost a hard fought controlled scrimmage to Brady's J.V. two weeks ago, but had an open week last week. The extra week of preparation for Eden should prove to be valuable.

1990 World Champion Goat Roper

by Litane Kothmann

The World Champion Goat Roper for 1990 is Smitty Smith of Aspermont, Texas. He won the title at the World Champion Goat Roping held in Abilene Expo Center on August 23rd, 24th and 25th. Smith was presented with at 1990 Horse trailer for first place in the open

finals and \$616.00 for 1st in the Average. He had a time of 93.18 on seven goats. Dusty Kothmann, of Menard, presented him the traveling trophy, given each year in memory of Karl Kinney Kothmann, winner of the first World Champion Goat Roping in San Angelo in 1985.

Marshal Millican, sheriff

of Robert Lee, Tx., is Reserve World Champion Goat Roper, winning a beautiful Gist Buckle, and \$462.00 in the Average with a time of 94.16 on seven goats.

The final top ten ropers for the championship in the Open Roping were: 1st - Smitty Smith, Aspermont, Tx. - time 93.19; 2nd - Marshal Millican, Robert Lee, Tx. - time 94.16; 3rd - Tuffy Waldrop, San Angelo, Tx. - time 97.56; 4th - Johnny Bownds, Eldorado, Tx. - time 98.19; 5th - Billy Teague, Rankin, Tx.; 6th - Stacey Pennington, Sonora, Tx.; 7th - Joel Ham, Big Lake, Tx.; 8th - Freddie Fields, Knickerbocker, Tx.; 9th - Carl Hopkins, Seymour, Tx.; 10th - Brent Lewis, Penion, N.M.

Winners of buckles in other roping divisions at the finals in Abilene were Garrett Bownds, Eldorado, who won the Junior Division Championship. Freddie Fields, Knickerbocker, won the Senior Division (40 & over) Championship and winner of the Novice Championship was Tommy Hendry of Silver, Tx.

The Texas Goat Roping

Association has held a series of Goat Ropings throughout the summer, including one held in Eldorado on July 14th during the World Champion Junior Goat Roping, won by Cy Griffin of Eldorado. Members of the Texas Goat Roping Association who were presented buckles in the series at the awards ceremonies after the World Champion Goat Roping were Billy Teague, Rankin, for the Open Series Championship, Freddie Fields, Knickerbocker, for the Senior (40 & over) series. Justin Frizzell, Sterling City, won the Junior World Champion Series Buckles, and the Novice Championship was won by Sam Hardcastle of Crane, Tx.

The Texas Goat Roping Association appreciates everyone who helped with the 1990 Goat Ropings and those who supported the World Championship Goat Roping. We feel this is a very worthwhile and family oriented organization.

Those ropers entering from Eldorado were Reagan Garrett, Johnny Bownds and Michael Mertz.

SCMC Volunteer B-B-Que

by Tonya Mahanay

The Schleicher Co. Medical Center would like take this opportunity to invite all our Volunteers and family members to our annual Barbecue on Saturday, September 8 at 7:00 p.m.

This years theme will be a Mexican Fiesta. Everyone is

encouraged to dress in this attire.

There will be Flamingo Dancers for entertainment as well as a lot of great food and visiting. Salad and desserts are welcomed.

Please feel free to stop by. This is our way of saying thanks for all your help.

LEON Team Roping

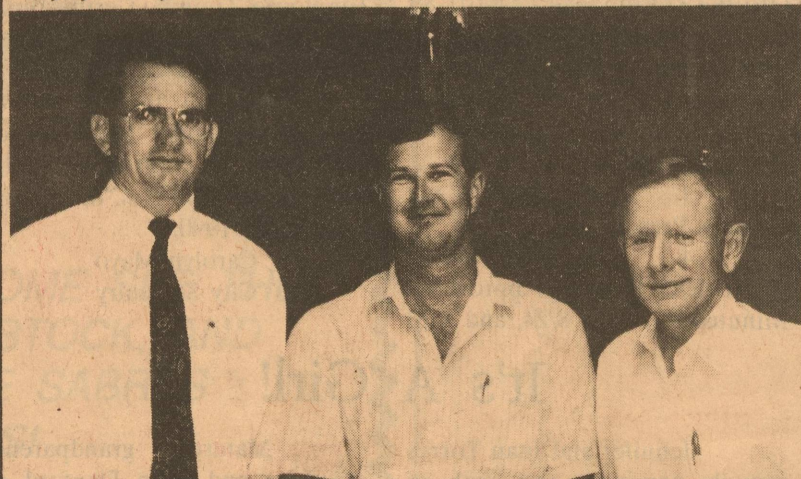

The Annual L.E.O.N. Team Roping and No. 4 1/2 Roping will be held on Sunday, September 9, 1990. Books open at 12 noon. Roping begins at 1 p.m.

3 head for \$20.00 progressive after one.

The roping is sponsored by the Eldorado Roping Club and the Schleicher County Chamber of Commerce.

For more information call Mike Moore at (915) 853-2380 or Sherry Lux at (915) 853-3109.

1990-91 Lions Club Officers

Pictured above are the 1990-91 Lions Club Officers. (L-R) Rick Stering, Vice-President; Eddie Albin, President and Raymond Mittel, Treasurer. Not pictured is Tom Giovannitti, Secretary.

The Editor's Journal

Life Among The Fishes

by Thomas Giovannitti

I have read and reread Mr. Enochs' letter and I can not figure out how he feels that there was some sort of direct slap or insult to him and all other law abiding NRA members. With the possible exception of using the adjective "all" before the term Automatic weapons owners I cannot see how that makes it appear that I think all NRA members want our young men and women over there. But since that letter was Mr. Enochs' thoughts, then I guess he is as entitled as anyone to make such an inference.

But then Mr Enochs presumes to speak for me which creates for me an opportunity to be offended if I were a person who was easily offended. I would never presume to infer that Mr. Enochs is a war monger, but he belongs to an organization which

has taken a clause in the Constitution's Bill of Rights that seems to infer that we citizens can arm ourselves to deter aggressors and made it's existence revolves around the need to hinder, stop and reverse any reasonable legislation aimed at limiting the kind, type and firepower of guns that any U.S. Citizen can own. The point of my article was that the NRA, which I assume represents its members, advocates (not merely allows by indifference) the ownership of any and all types of weapons, many of which have no other purpose than the destruction of human life. If, of course, this is untrue, than I stand corrected. But let's look at the record of the NRA. It was the NRA, after the killing of children in a school yard by a man using an "Assault rifle", that tried to stop the State of

California from banning the Sale of Assault rifles. It was the NRA that has bottled up in a congressional subcommittee a law to limit the amount of ammunition for any semi automatic weapon to seven rounds. I know I am not an avid hunter but I cannot for the life of me (And that is what worries me!) imagine any American civilian, sportsman or otherwise, who would need a weapon that held more than seven rounds of ammunition.

I want to hear an explanation of just how limiting munitions clips to seven rounds or less infringes in any way on my Constitutional right to bear arms? There are no Constitutional rights that are absolute, at least none that I know about. Why should the right to bear arms be the exception? Are we so afraid of

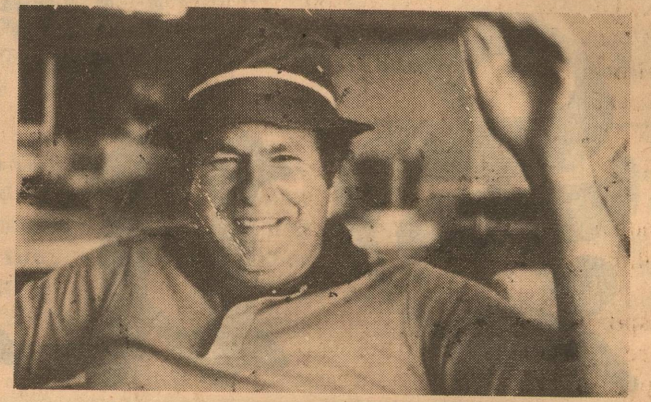

our own government, the government that is us, that we need to have in our homes the firepower of today's infantryman?

I submit that Mr Enochs is right, I know very little about NRA members, I only know what I read in that fair free press he speaks about. It mentions what the NRA fights for in Congress and it appears to me to be the unrestricted ownership of whatever kind of gun any citizen wants to own.

If NRA members do not want the NRA to fight for this then I suggest they change the leadership of the club or change clubs. If, on the other hand, NRA members believe that they should be able to own weapons with munitions clips that hold 10 to 20 rounds, that are not designed for hunting but for assault, then the NRA members should keep the present leadership.

Laugh and Live

by Gary Smith

"Some people who are not paid what they are worth ought to be glad!"

Smith

I'm a bit confused. I heard today that the president of Egypt supports the forgiveness of seven billion dollars worth of war debts that Egypt owes the United States.

Now I'm not confused that Egypt's President is in favor of this, but our President Bush has endorsed the giving away of this 7 billion dollars.

I can't even conceive how much seven billion dollars is, so I asked my father-in-law. He knows about a lot of trivial stuff. He told me that if thousand dollar bills were stacked one on top of the other, a million dollars worth would be nine inches tall and a billion dollars worth would make a stack five hundred and fifty feet tall, or as tall as the Washington monument.

Now I don't know much about forgiving debts, but I do know one thing--- the American people will be the ones who pick up the tab.

But what seems confusing to me is why we can afford to give the Egyptians enough thousand dollar bills to stack up almost a mile, while we can't afford to serve milk to school children without charging for it.

We have been worried about not having enough money for our local hospital. We don't know if we will have enough money to take care of our sick and infirmed, but we can take care of the Egyptian's military problems.

We have elderly people who have to eat cat food because our country can't afford to take care of so many old people, but we can feed other countries armies.

Like I said, I don't really know how much a billion is, but I believe that if we applied a portion of that money to our higher education system and helped support some of our college kids, we might graduate a few students who realize where that money comes from, the value of a dollar and how much a billion really is.

As one politician said, "a billion here and billion there, pretty soon your talking about real money."

'Til the next time...

MAY GOD BLESS.

TEXAS AGRICULTURAL EXTENSION SERVICE

County Agents Report

by Jerry Swift, County Extension Agent - Schleicher County

GOLD FLOWER (Marigolds) PROBLEMS

We are having a little problem with marigolds around Eldorado. Spider mites are the culprits. If you will look very closely, there is a fine web on the flowers with little red specks running around it. If you will take the flower and it on a white

piece of paper, you can see the spider mite much easier. The dead and dried spotted leaves are being caused by the little mite. CONTROL - Due to pesticide regulations, control is the only thing we can do. To get totally rid of the spider mite with approved chemicals is next to impossible but to live with them. Dursbans application every 5 days is about as good as we have. Malathion, at least two (2) applications, possibly more, or sevin will aid in slowing them down.

Sheep & Goat Field Day
San Angelo Experiment Station, Thursday, September 6.
Aggie Medical Terminology
Artery - the study of

paintings.
Barium - what you do when CPR fails.
Cesarean Section - a district in Rome.
Colic - a sheep dog.
Coma - punctuation mark.
Congenital - friendly.
Dilate - to live longer.
Fester - quicker.
G.I. Series - Baseball games between soldiers.
Hangnail - a coat hook.
Medical Staff - a doctor's cane.
Morbid - a higher offer.
Nitrate - lower than day rate.
Node - was are of.
Outpatient - a person who has fainted.

Post-Operative - a letter carrier.
Protein - in favor of young people.
Secretion - hiding anything.
Serology - study of English knighthood.
Tablet - a small table.
Tumor - an extra pair.
Urine - opposite of you're out.
Varicose Veins - veins which are very close together.
Some Wise Thoughts
The difference between a home run and a strikeout is timing.
As you slide down the stairway of opportunity, may all of the splinters be pointed in the same direction.

"E Day" Approaches

by Jo Ann Sproul

We are all so excited about "E Day" that some of us are going to wear special shirts from Punkin's! They have Eldorado on a map with other great cities of the world!!!! If you would like to buy one, go by there, she has even ordered more for the occasion.

More volunteers for "E Day" are Mary Leigh Dunagan, Debbie Joy, Hyman Sauer, Evelyn Stigler, Winona Isaacs, Frances Peters, Doug Yates, Jo

Ward, Lois Lively, Kim-et Nelson, Fay Watson, Stacey Haynes, Karan Holley, Nadine Bell, Lori Stricklan, Belle Neff, Janie Finley, Nelva June and Jim Martin, Jerre and Hal Whitten, Milton and Sharon Fitts, Kymm Nixon, John Callison, Flora Hubble and Ruby Nell Farris.

We have had donations for that special day from Mayfield Paper Co., Skaggs Alpha Beta, The Woman's Club, Super S, Craig Menzies and FFA Boys, Griffin Oil, The Hospital Auxiliary, and Bill Wells and his

art students. Thank you very much for your help.

If you haven't noticed, go by the Schleicher County Middle School and the School Administration Building and see their planters and flowers. To our dismay, some of our other flowers have been attacked by red spider mites. Spray for these pests can be purchased at our local stores if you should want to buy some.

Dr. Debbie Peaslee, our Schleicher County Health Officer, says that our lots and areas that

are not mowed provide a breeding ground for mosquitos. This is an even greater incentive to mow and clean, so we look forward to seeing you on September 15 at 9:00 at the County Courthouse. And by the way, tune in to Pat Attebury on September 14 at 5:00! Someone from here will be interviewed about "E Day" and "The Way Off Broadway Players", both of which are somewhat unique for small towns. Come to think of it, we are unique! Where else can you find a "City of Gold"?

An Apple A Day

by Lee R. (Smokey) Taylor, R.Ph.

Do Babies Need Exercise Programs? Infant exercise programs do not give the baby a physical or developmental advantage, according to experts. In fact, there is a possibility of harm.

Infection can be picked up in swimming classes for children who wear diapers. Shaking injuries and falls and collisions occur when babies are put in backpacks or strollers for running, and frostbite and overheating can occur much more quickly in infants than in adults.

--Sportsmedicine

In last week's issue of The Eldorado Success it was printed that the sanitation rates for residential (outside city) 1 time per week would be raised from \$9.50 to \$19.00 per month. This is incorrect. The actual raise will be from \$9.50 to \$11.50 per month.

City Council Agenda

Notice is hereby given of a Regular Meeting of the Eldorado City Council that was held Tuesday, September 4, 1990, at 7:30 p.m. at the City Hall, at which meeting the following items of business will be conducted:

AGENDA

1. Call to Order.
2. Public Hearing on Proposed Amendment #1 to Utility Ordinance #101-89 Increasing Sewer Rates by \$2.50/Month and Sanitation Rates by \$2.00/Month; Discussion; Action by Councilmembers.
3. Meet With any Citizens Present.
4. UNFINISHED BUSINESS: Reading/Approval of Minutes 8/7, 8/21, 8/24, and 8/28

Meetings; August Financial Reports; EOY Reports; August Tax Report - Distribution; Review/Approval of August Billings; Discussion/Council Action Regarding Hiring Todd Engineering for Wastewater Plant Repairs; Update - Nightwatch Service/Applicants.

5. NEW BUSINESS: Submittal of Ballot for TML Board of Trustees; Discussion - Employee Training/Certification; Discussion - Cleanup Program.

6. ADJOURNMENT.

I certify that the above Notice of Regular Meeting was posted on the front door of the City Hall at 4:45 p.m. on Friday, August 31, 1990.

Carolyn Mayo
City Secretary

It's A Girl!

Jennifer and Juan Torres proudly announce the birth of their daughter LiAna Raine. LiAna was born on August 20 in San Antonio. She weighed 3 pounds and 12 ounces and was 16 inches long.

Maternal grandparents are Jean and John Danford of Eldorado and Jimmy and Sharon Hopkins of Cassville, Mo.

Paternal grandparents are Earnest and Sylvia Torres of San Antonio.

On average, Salt Lake City, Utah gets 17 inches more snow a year than Fairbanks, Alaska.

Unofficial Minutes of City Council Special Meeting

A Special Meeting of the Eldorado City Council was held Tuesday, August 28, 1990, at 7:30 p.m. at the City Hall. All Councilmembers were in attendance. Meeting was called to order by Mayor Preston.

NIGHTWATCH APPLICANTS:

Interviews were conducted of applicants, Bobby Phillips and Andrew Spinks, for the position of Nightwatchman. Responsibilities of the position were discussed with the applicants, and it was reported that the Driver License Check was pending and that each would need to pass a Drug Test as required of all City employees. The Criminal History Check conducted by the Sheriff's Office came back clear on both applicants. After discussion, motion was made by John Nikolauk and seconded by Barbara Jackson that Andrew Spinks be hired to start September 1. Motion carried.

Following discussion, in which the Council discussed legality of hiring an applicant that owes delinquent taxes to the City, motion was made by John Nikolauk that Bobby Phillips be hired contingent on ruling by City Attorney regarding the legality of doing so. Motion carried with John Callison voting against the motion.

1990 TAX RATE:

Following brief discussion of need for adoption of tax rate as a separate agenda action from the Budget approval, as required by State Tax Laws, motion was made by Barbara Jackson and seconded by Dora Bosmans that the tax rate be set at \$0.7387/\$100 for 1990, which

is \$0.2987 I & S rate and \$0.44 Maintenance and Operation. Motion carried.

DRUG TESTING:

Vivian Sanchez was scheduled to meet with the Council; however, after discussion by the Council of change in the testing laboratory, the Council unanimously agreed that Dr. Michael Carlo would be appointed as the City's agent for reporting the results and that Mrs. Sanchez continue to make collection and transportation of samples to the Lab.

OTHER BUSINESS:

Material concerning upcoming TML conference was distributed to the Councilmembers. The meeting is scheduled for September 13 in Sweetwater.

Effective date for inclusion in proposed Amendment #1 to Utility Ordinance #101-89 was discussed. It was unanimous that the proposed Amendment #1 show an effective date after the 9/15/90 billing date.

Regarding publication by the newspaper of City Council Minutes, it was agreed that the newspaper be asked to pick those up at the City Hall rather than City personnel delivering them.

With no further business, meeting adjourned at 8:40 p.m.

Carolyn Mayo
City Secretary

Crimestoppers To Meet

An organizational meeting of CRIMESTOPPERS will be held at 1:00 p.m. Friday at the Memorial Building. Anyone interested in working with CRIMESTOPPERS or being on the Board of Directors needs to be in attendance at this meeting.

A pre-organizational meeting was held this past week in the Sheriff's office. John Pounds of San Angelo met with several interested citizens to try and establish a local CRIMESTOPPERS group here in Eldorado. Materials have been ordered and there is hope that this group will soon be activated.

Wedding Announcement

Charlene Gunstead and Gene Samson, both of Mesa, Arizona, were married Saturday, August 18th in a civil ceremony in Mesa.

Mrs. Gunstead is a former long-time resident of Eldorado and the widow of William F. Gunstead. Her children are Gwendolyn of

Scottsdale, Arizona and Bill Gunstead of Dallas. She is employed by Famous Footwear.

Mr. Samson is a maintenance worker for Winter Cove Park in Mesa.

The couple will reside at 549 E. McKellips #103, Mesa, Az. 85203.

Primitive Baptist Church

We would like to invite all to our service on Tuesday night, September 11, to hear Elder R.A. Tindal from Amarillo, Texas.

The Lord willing, we will begin our singing service at 7:00 p.m. with the preaching to begin at 7:30 p.m.

Elder Tindal is an able minister of the gospel and we believe many of you would enjoy hearing him.

The Primitive Baptist Church is located in the northwest part of town on the corner of West Avenue and Carson street.

It's A Boy!

Becky Trevino and Jesse Barajas wish to announce the birth of their son, Jesse Lynn Barajas, Jr. Jesse was born on August 26 at 4:18 p.m. He weighed 8 pounds and 2 ounces and was 20 inches long.

Grandparents are Mr. and Mrs. Remiro Barajas, Mr. and Mrs. Fernando Trevino.

Great-grandparents are Mrs. Elida Martinez and Mrs. Falisitas Barajas.

Mittel Celebrates Birthday

by Evelyn Stigler

Sunday afternoon, a large crowd of friends and relatives met at Doy Mittel's home here in Eldorado to help her celebrate her 86th birthday. Her children and grandchildren planned and took care of everything including guests, refreshments and hospitality.

The dining table was beautifully decorated with a lovely centerpiece of red and

pink roses in a crystal vase. The birthday cake, which sat on one end of the table, was also decorated in red and white. A large punch bowl, with brightly colored punch, was located at the other end.

There was a lot of picture taking, both photographs and movies, so when they are developed, Doy can remember her birthday all over again.

Merry Makers Meet

by Bessie Doyle Clifton

Estelle Baker hosted the Merry Makers 42 Party in the Eagle Dairy Mart Club Room on Thursday, August 23rd.

Those present were: Lillian Mikeska, Pearl Enochs, Opal Parks, Wenona Isaacs, Jessie Sudduth, Gladys Gunn,

Ada Bell Taylor, Opal Faulk, Gladys Faulk, Mary Stricklan and Florence Hinton.

The hostess served refreshments to those present.

Bessie Clifton will be hostess when the club meets on September 13th.

Practice electrical safety around the home, business and farm

- Keep electrical tools or appliances in good condition. Replace or repair worn or damaged cords.
- Avoid overloading circuits, and protect children by covering unused outlets with plastic caps.
- Avoid hitting underground power lines by calling WTU before digging or excavating.
- Stay clear of overhead power lines — look up when using heavy equipment or tools like ladders or tree trimmers.

SCISD Update

Eldorado high school and middle school teachers and principals have been receiving questions and occasionally complaints about the longer lunch periods this year. The reason for the lengthened lunch period is instructionally based. The hour-long lunch is actually a 30 minute lunch time and a 30 minute Eagle Period. The Eagle Period will be used for tutorials, club meetings, UIL practice, G/T in middle school, pep rallies, etc. Students who are not required to be at tutorials or some other activity will have an hour-long lunch period. The district wanted a time to tutor and/or otherwise work with students during the school day rather than before or after school. Tutorials before or after school hurt those students who ride buses and cause inconvenience for all concerned. By tutoring students during the middle of the day, the district can require students who have not shown mastery in some area to show up and get help. The students who need help most are often the ones who will skip tutorials if the period is not part of the school day. Thus, the district is insisting on helping those students.

For the first six weeks during Eagle Period, students will be reviewed over the Texas Assessment of Academic Skills (TAAS) test objectives that they did not master on practice tests

given at the beginning of school the TAAS test, replacing the old TEAMS test, is a test of high-level skills and is much more difficult than TEAMS. Most students have shown a need for extensive help in preparing for this test. It may seem as if the district has become totally test oriented, and sometimes we feel that way, too. In truth, Texas now has a test-driven curriculum. The recently passed Senate Bill 1 has tied state funding to test scores. Districts are to be given a grade based on their test results. District grades, based on a comparison of 100 school districts of equal size, wealth, etc., will be published in the news media. Historically, Schleicher Co. ISD has done well in comparison to other districts. We want to continue that tradition, but there is a more serious issue involved. Students must pass the TAAS test before they can graduate from high school. Because of the increasing difficulty at each grade level, students passing at lower grade levels is critical to future success. Our teachers are working hard to ensure that students have the basic foundation they need at all levels for the test that will be administered in October. Understanding and encouragement from parents will be a great help to the school district as we make every effort to see that every student's educational needs are being met.

Kolbenschlag Promoted To Airman First Class

Thomas J. Kolbenschlag, son of Richard P. and Alma C. Kolbenschlag of Page, Ariz., has been promoted in the U.S. Air Force to the rank of airman first class.

Base, Arizona. His wife, Rebecca, is the daughter of Delmar and Margaret Scott of Christoval, Texas.

Kolbenschlag is an apprentice munitions systems specialist at Luke Air Force

Las Cruces High School, New Mexico.

Edmiston Attends Lions Camp

Haley Edmiston, a diabetic youth from Eldorado, was a camper at the Texas Lions Camp in Kerrville. Swimming, horseback riding and camping out came between classes focused on teaching insulin dependent diabetic children to manage and understand diabetes.

Sponsored by the Eldorado Lions Club, this camper had the opportunity to fish, study nature, and participate in sporting events. Haley Edmiston, nine, is the daughter of William and Darlene Edmiston.

A team of doctors, nurses, and dietitians from the University of Texas Medical Branch at Galveston taught campers about exchange diets,

blood sugar level testing, exercise effects upon blood sugar, and how to give their own insulin injections. The team helps campers to understand the importance and reasons for medical testing.

A well-trained staff supervises each camp activity with a ratio of just three campers to each counselor.

Located on 500 acres of Texas hill country, the camp serves handicapped and diabetic children ages six to 17, the Texas Lions Camp is a non-profit organization funded by contributors interested in providing challenging, tuition-free programs for handicapped and diabetic individuals.

The remainder of the

year, the facility provides instruction through its Texas Education Agency accredited school.

For more information, or if you know of someone who

could benefit from these programs, contact your local Lions club or contact the Texas Lions Camp, P.O. Box 247, Kerrville, Texas 78029-0247. (512) 869-8500.

You're playing with death...

...when you shoot at game while electrical fixtures are in your line of fire. Each year numerous preventable tragedies result from such carelessness, and each year irresponsible shooters cause thousands of dollars worth of damage to electric lines and hardware.

As power suppliers, we must pass along the costs of these damages to those who use our service - and this results in higher electric bills for everyone.

Hunting is a great American pastime for millions of people. Don't spoil the enjoyment of this great sport by disregarding safety.

Your interest and cooperation will make the difference.
