

WATER SYSTEM MIGHT BE OFFICIALLY RECEIVED BY CITY COUNCIL TUESDAY

On The DIVIDE

Schleicher County 4-H club boys showed lamb growers of the state a thing or two about lamb raising when they stacked their animals up for judging at San Antonio Friday and Houston Monday. The local youths bagged eighteen places at the Houston show and eight at the San Antonio exhibition.

Schleicher county is expected to show up well at San Angelo this week-end. A number of club boys will have entries to be judged and a number of prominent ranchmen will also have livestock that will compete well against the best at the forthcoming exhibition.

Harold and David Williams were named Gold Star 4-H club boys this week, based on their outstanding record as 4-H club workers. To gain this distinction judges selected Harold's and David's records as superior to 130 others submitted by youths of this district.

The Williams brothers have established themselves among the outstanding 4-H club boys of Texas, having fed many winning animals at all the state shows. The all-time record set at the Houston show last year when David sold his 100-pound lamb for \$6.50 per pound will long be remembered. These boys have worked diligently at their feeding projects and each year exhibit livestock representative of Schleicher county and of which the county is justly proud.

1939 Acres New Land Put In Cultivation In Schleicher County

A total of 1933 acres of New Land is being put in cultivation in Schleicher County in 1939, was announced by County agent, W. G. Godwin, Wednesday.

A total of 748 acres of this new land will be planted in cotton. L. Moore and Nick Jurecek of the Reynolds Community are planning to put in 300 new acres each. Other farmers are John Gray, Victor Sauer, V. Suddeth, B. T. Williams, C. N. Shaw, Walter Hanusch, C. L. Woodward, J. E. Jones, J. O. Trotter, Paul Nixon, L. E. Lloyd, Edgar Spencer and Lee Lewis.

P. T. A. Buys New Curtain For School

New curtains have been presented to the high school by the P. T. A. for the stage. They were purchased from and put up by the "Berry Drapery Shop" San Angelo, Texas. The cost of them was \$280, \$175 of which the P. T. A. has already paid. They plan to pay the rest at different times in the future. The curtains are to be kept drawn while not in use and covered with some of the old curtains. The school is very proud of these curtains and in order to express our appreciation we intend to take the best possible care of them.

Construction of the Eldorado municipal water system is nearing completion and might be officially received by the city council at the regular meeting Tuesday night, Mayor A. T. Wright stated this week.

Water from the new well was turned into the tanks early this week and after the system has been received, work will be started connecting individual users on to the new system, Mayor Wright pointed out. It will require approximately a month to complete this work.

L. L. Winans, Government engineer, inspecting the local project stated this week that the local water project is included in a group of 73 new PWA projects being built in the state with the purpose of protecting public health. The projects range in size from improvement of water works facilities at Houston, which will cost \$1,000,000 down to projects in smaller communities involving only a few thousand dollars.

The reduction of fire insurance rates, a by-product of the construction of the water system is expected to save Eldorado property owners considerable each year. The health of the city will probably be affected by the construction of the local sewage system, as a result of possible water supply pollution.

Another Test Is Staked On Bert Page Place

Another location was being made and a test is expected to be staked Thursday by the Lone Star Gas Company on the Bert Page ranch, nine miles southeast of Eldorado.

The new well will be the No. 1 Shell-Bert Page, in the southwest corner of the northwest quarter of section 31, block L, GH&SA Ry. Co. survey. The well is the third being drilled by Lone Star Gas Company in the area of the two producers, Cooper Gas Co.'s Bert Page No. 1 and No. 2.

Lone Star No. 2 Humble-Page one mile west and slightly north of Cooper No. 1 Page, had a bailer hung in the hole yesterday and efforts were being made to recover. Lone Star No. 1, one mile southeast of Cooper No. 2, had drilled Thursday morning to 4,055 in shale.

Mr. and Mrs. E. O. Nevills moved into the house Dave Williamson vacated this week.

Mrs. A. O. Berry and son, Orville Dan, and Mrs. W. M. Bearce visited in San Angelo, Thursday.

Fire Department To Be Organized

A fire department is expected to be organized in the city of Eldorado in the near future, it was pointed out by Mayor A. T. Wright in an interview early this week.

The city is now contemplating the purchase of fire fighting equipment, and by the time the new system has been set in operation, the city should have a volunteer department training in preparation to combating any fire that might threaten property and lives of citizens.

Senior Play Takes In \$75.00 Friday

A total of \$75.00 was realized from receipts of the Senior Class play "How Dare You" presented at the school auditorium last Friday night, it was announced this week.

The play, under the direction of T. D. Riddle, principal, was presented before a very large audience. The stage was decorated with a new curtain recently installed by the Parent Teachers Association of the school.

After royalty and other expenses had been paid, a net profit of \$47.25 was realized by the class. The money will be used for various class activities, Mr. Riddle stated.

Schleicher Youths Named Gold Star 4-H Club Boys

Harold and David Williams were among the 4-H gold star boys selected from the state of Texas for the year 1938, it was announced this week by W. G. Godwin, county agent.

More than 130 records were judged in selecting these winners. Boys won honors from six counties in district six including Schleicher, Tom Green, Martin, Irion, Fisher and Menard.

Winners this year are about equally divided among the various districts which is an indication that greatly improved work is being done in every section of Texas. Records of the boys this year were complete and in much better condition for judging than those entered in previous contests.

C. S. Chick Funeral Today

Word was received here Thursday afternoon of the death of C. S. Chick who died Thursday in Rowena at the home of his daughter, Mrs. Henry Leach, after a brief illness.

Funeral services will be held here this afternoon at the Methodist church. Burial will be in Eldorado cemetery.

WEST TEXAS RANCH TALK

Mars McLean, who ranches near Junction, sold 168 calves, coming yearlings and two's, at 7 1-2 and 8 1-2 cents to C. B. McMillan of Mason. They are reported to have been sold without shrink or cut.

M. B. McVay, Eden banker and one of the promoters of Eden's annual ram sale, has one of the first lamb crop stories of the year. Mac said that five of his registered ewes gave birth to nine lambs last week.

Dee Jones of Roswell, N. M., has contracted his 1939 calves, the unborn crop, to a northern feeder at 11 1-2 cents a pound. He is said to have an unusually good herd of cows. Rumors went the rounds of the ranch country last week to the effect that a Panhandle ranchman had sold his unborn calf crop at that same figure.

Charlie Gray & Sons, in the Brady country, contracted a string around 400 coming yearlings some time ago at 9 and 10 cents for May 1 delivery.

Volley Ball Tourney To Be Held Mar. 10

The second Annual Volley Ball Tournament at Eldorado will be held in the high school gymnasium Saturday, March 10.

Miss Mary Bolding has mailed invitations to ten teams. These are Christoval, Sonora, Eden, Fairview, Junction, Ozona, Barnhart, Mertzon, Watervalley and Menard.

Sungold trophies will be awarded for championship, consolation, and runner up teams, and individual gold volley balls will be presented to the six girls selected as the tournament teams.

The Eldorado Volley Ball Team defeated the Ozona team four games on Monday, February 6. They were also champions over Sonora Wednesday February 15 beating Sonora five games.

Admission to the tournament is ten cents for three games. For the all-day ticket it will be twenty-five cents.

Reynolds Community Plans Big Cotton Crop This Year

The Reynolds Community in the west end of Schleicher county is planning a profitable cotton crop this year, according to L. L. Moore, farmer and gin operator.

The entire community was planted to one variety of cotton last year, Mr. Moore pointed out, and records show the yield considerably above the county average and farmers are highly pleased with the results. The community will be planted to the Watson variety again this year, and farmers are looking forward to an even more successful crop.

Mr. Moore states that the services of a Leach Seed Grading machine has been secured to grade and clean seed for farmers of Schleicher county. The machine will be in operation in this community this week and next.

Mr. and Mrs. Ed Reynolds were in San Angelo Monday.

Mr. and Mrs. Sidney Bates were in Brady Saturday visiting his father who is ill.

SCHLEICHER 4-H CLUB BOYS WIN HIGH HONORS AT S. A. AND HOUSTON STOCK SHOWS

New Homes Occupied By Owners Here

Reflecting the progress and development of Eldorado, several new homes have been occupied this week by their owners. In addition to new houses that have been constructed, many others have undergone remodeling and repairs.

Among these are Mr. and Mrs. Dave Williamson and Mr. and Mrs. Cicero Smith occupying new homes in the Glendale Addition, Mr. and Mrs. R. L. Bricker and family have moved to their home recently remodeled, and the R. C. Spurgers home has undergone considerable repairs. Terrel Nicks is also having repair work done on his ranch home, and J. D. Tinning's home in the Glendale Addition will soon be ready for occupation.

Other improvements being made are the new garages of Pat and H. T. Finley.

Survey of Gas Users Will Be Made In Eldorado

A survey of the city will be conducted next week by the Rio Gas Company of San Antonio to determine the number of users of natural gas, preliminary to the construction of a gas distribution system, according to Robert Page Lions Club President.

Representatives of the gas company will be in the city next week and will submit an agreement to citizens and property owners. The gas company will seek to secure 200 signatures agreeing to use the gas when made available here.

Signers of the agreement will direct the installation of a gas meter in his property and will agree that upon the installation made by the company he will immediately connect to the meter and begin the use of gas for domestic, commercial or industrial purposes. If, for any reason he does not connect to the gas meter by the last of the month in which meter is installed, he agrees to pay the sum of \$2.00 per month until the connection is made and the use of gas has begun.

The signer will be asked to deposit \$10.00 with the bank of Eldorado as a meter deposit, to be held by the bank until the distributing system has been completed and gas turned into the meters. When this has been done the bank is to turn the \$10.00 over to the gas company to be held as a meter deposit, guaranteeing the payment of gas bills.

In the event that the gas is not installed and meter set before the first day of August, 1939 the \$10.00 deposit will be refunded.

A franchise was recently granted to the gas company by the city council and the survey will be made in order to determine the number of users that may be had in the city.

It is contemplated that gas will be piped from the Bert Page field, nine miles southeast of Eldorado.

Schleicher County 4-H club boys took off high honors at both the Houston and San Antonio shows this week. With the exception of single class in San Antonio, Schleicher youths monopolized both the shows, not only taking first places, but also winning a majority of all places.

The boy exhibitors who last year won grand champion honors at Houston, missed the mark this year, but won 18 places and major honors. Eight places were won at San Antonio. Four exhibitors went to Houston and three to San Antonio. Twenty-five lambs were taken to Houston and ten to San Antonio.

Pinky Moore was outstanding exhibitor of the Monday show, winning the first four places in the singles club class, first place in the group of three, all breeds first and second in the open class, and first in the groups of three, open. Other exhibitors were David Dewey Griffin, James A. Griffin and Gerald Nicks. Exhibitors at San Antonio were Harold Williams, Sonny Stanford and David Williams.

Practically every issue of the daily newspapers in Houston and San Antonio carried stories and pictures of the Schleicher boys and their lambs.

Results of San Antonio Show:
Singles—
(with 82 singles competing)
Harold Williams, 4th; Sonny Stanford, 5th; Harold Williams, 7th; Sonny Stanford, 15th; David Williams, 18th.

Group Of Three—
(27 groups competing)
Harold Williams, 1st; Sonny Stanford, 3rd; David Williams, 6th.

Results of the Houston Show:
Singles—
(Club Class—68 competing)
Cecil Moore, 1st & 4th; David Dewey Griffin, 2nd & 5th; James A. Griffin, 3rd & 7th; Gerald Nicks, 6th & 8th.

Group of Three—
(All breeds)
Cecil Moore, 1st; Gerald Nicks, 3rd; James A. Griffin, 4th; David Dewey Griffin, 6th.

Group 15—
Schleicher County 1st.
Open Class—
Cecil Moore, 1st & 2nd; James A. Griffin, 3rd; Gerald Nicks, 5th.

Group Of Three—
Cecil Moore, 1st.
A number of the local 4-H club boys will have livestock in exhibition when the San Angelo Stock Show opens Friday afternoon of this week. They also plan to show at Fort Worth.

Lester Henderson was taken to a San Angelo hospital Wednesday afternoon for treatment.

Mr. and Mrs. Jerry Westmoreland and children, of Sonora, visited in Eldorado last Thursday.

Grill Cafe Under New Management

Wiley Cartwright, formerly of San Angelo has sub-leased the Grill Cafe here from Sid McDonald and J. S. Tolbert, managers since January, it was announced this week.

Mr. Cartwright has had a varied experience in cafe work and states that he has located in Eldorado to stay. In an ad in this week's issue of the Success he extends an invitation to the people of the city to visit his place.

THIS AREA WATCHED

Signing of a contract for deepening a wildcat oil test near Carlsbad—where gas has been discovered—means three active oil tests will be under way in Tom Green County.

As it happens, they are in different parts of the county; one in the north section, one in the southeast and the other nearer the center, just a few miles south of San Angelo.

This, coupled with development

in Schleicher County, lends hopes of additional development on the east side of the Permian Basin, returning oil operations on a larger scale to the San Angelo section.—San Angelo Times.

TWO BIRDS WITH ONE STONE

Those civic-minded individuals in this section of Texas who are spending their time and money in the campaign for soil and water conservation are moving in the direction of what we need more than anything else on earth.

Literally, their plans call for killing two birds with one stone—soil and water conservation go hand in hand, and can be brought about by a single operation. The result is, considerable less cost for the result in either case.

This part of the state is entitled to wholehearted cooperation both from the state and the federal governments. And apparently the district's representatives in the state legislature are going to do their part as well as our representation in the national congress.

Civic and political leaders, as well as the masses of the people in this section are solidly back of the program for soil and water conservation, and results are inevitable.

M. F. Bardwell of Rocksprings, an old timer of this city, was in Eldorado, Tuesday.

Mrs. Joe Tisdale returned home Thursday from Christoval where she has been taking treatment.

Mrs. Joe Tisdale has as her guest, Mrs. May Prugel of Deming, New Mexico.

News Item: American industry spends \$750,000 each working day for research to find new and better products.

Nobody's Business

By Julian C. Capers

AUSTIN.—The Legislature faced a short work-week, as it prepared to wind up Wednesday night for a three-day observance of Texas Independence Day, with many members going to old Washington-on-the-Brazos for the historic celebration.

Major issues of taxation and pension payments were still unsettled, as the House passed the date for introduction of new bills except under suspension of the rules, and the Senate neared the half-way mark under which it will apply the same procedure. The House committees on taxation and revenue, and constitutional amendments is continuing hearings on all tax bills submitted, including virtually every variety. It has heard testimony on the transactions tax, and numerous variations of the O'Daniel scheme. This week it turned its attention to sales taxes and then the bills providing for natural resource imposts will be aired out. Just what the outcome will be remained in a state of great uncertainty, the ideas of members of the committees apparently being almost as widely at variance as those of the House membership generally. The Senate meanwhile, was marking time on tax measures, but forging ahead on passage of much other legislation, some of it extremely important.

Economy Group Busy
The Senate economy bloc, headed by Sen. Morris Roberts of Pettus, is working in harmony with the House appropriations committee. Apparently, the major biennial appropriations bills are going to come onto the floor without substantial increase over last biennium's total. Somewhat larger expenditures for state institutions will be offset by savings in departmental spending, which Roberts insists ought to total \$2,500,000 a year,—and without crippling any department or reducing useful service. "We believe we can save half a million dollars annually on traveling expenses alone," said Roberts. Budgets recommended by the Board of Control are being pretty carefully adhered to by the committee, and an innovation that ought to assure much more carefully formulated appropriation bills will be applied. That consists, according to Roberts, in sending the bills to free conference committees, where the real bills are usually written, in time to give the conference the last 48 hours of the session, with the result that inadequate consideration is given. At the last regular session for instance, appropriation bills were brought out and passed in the dying hours of the session,

which carried in some cases appropriations even larger than the requested amounts to some departments. Plenty of time for proper consideration ought to halt that kind of waste, Roberts thinks and he will make every effort to provide at least a month.

Await Committee Action

Much other important legislation is in committees of both houses, and whether it comes out during the next two weeks will indicate whether it has a chance to pass. Included is the drivers' license bill, the truck load limit bills by Kelley, of Edinburg; the so-called "fair trades" legislation; renewal of oil proration laws; and many lesser measures. The Senate seems in no hurry to act upon O'Daniel's nomination of Judge J. C. Hunter of Abilene as Highway Commission chairman, and, at the weekend, the East Texas group was reported sitting tight with sufficient votes to block confirmation whenever it comes up. The Governor has sent up no new nominee for insurance commissioner, following rejection of Truett Smith of Tahoka.

Would Curb Loan Sharks

The House banking committee this week was to hold a hearing on a bill by Rep. Harrell of Smithville, which would curb the loan shark evil under which thousands of Texas citizens have been mulcted of millions of dollars. Twenty nine states now have laws regulating small unsecured loans to workers, similar to Harrell's bill, and Texas, without regulation of any kind, has become a Mecca for loan sharks from these states. Harrell would license small loan brokers, fix a fair rate of interest and penalize those who violate it. Such a law is urgently needed in Texas, and Harrell is hopeful it will pass, despite a strong lobby by the loan sharks against it.

McDonald Stands Pat

Lobbyists for the plan of some County Judges to divert part of the gasoline tax money to pay off "dead horse" bonds of the counties, issued for lateral roads, to the tune of \$182,000,000, journeyed to Washington last week, seeking a reversal of the ruling of the U. S. Bureau of Public Roads, which threatened to penalize Texas \$4,000,000 of Federal aid for roads, if the diversion was carried out by Legislature. The delegation included County Judge Jake Loy of Sherman, Judge Ben Fly of Dallas, and ex-Lt. Gov. Walter Woodul, of Houston. They got no reversal from Bureau Chief Thomas McDonald but a suggestion that the surplus in the bond retirement fund could be

Catalogue For San Angelo Auction Sale Issued

San Angelo—Catalogues for the Hereford auction sale to be

used to build new county lateral roads, with Federal grants to help pay the cost. Under this plan, the boys and girls in the country, who have been paying gasoline taxes for years and are still in the mud, would get some new roads instead of helping to pay off the "dead horse" bonds. There seems little equity in the County Judges plan, which would give Williamson county \$300,000 and Hidalgo county \$10,000,000. Ten counties would get not a cent, while Dallas would get nearly \$5,000,000.

Notes

Gov. O'Daniel reported "substantial progress" by the Texas Fair Commission headed by Karl Hoblitzelle of Dallas in raising funds and taking other steps for as at the New York Fair Hoblitzelle has obtained production of a feature motion picture, depicting contemporary life in Texas, around which the exhibit will center. . . The Hill-Billy Band is reported to have an offer of \$6,000 and expenses for a 10-day appearance this summer at the World Fair in New York and may accept. . . Gov. O'Daniel apparently has cancelled permanently his weekly conferences with newspaper reporters. . . The Governor has changed the style of his radio broadcasts, offering much music and virtually no comment on political matters. The reaction of Legislature to some of his early broadcasts was so unfavorable that it is believed his advisors persuaded him to "lay off" the law-makers.

held at the Fairgrounds here Saturday, March 4, as a feature of the 8th Annual San Angelo Fat Stock Show and Rodeo, are being sent to consignors and prospective purchasers throughout the Southwest, it was announced yesterday. The catalogues were delivered to the B. C. D. Saturday and more than 100 were placed in the mails. Others are to be sent out this week.

Culberson Deal, manager of the show, said that 29 breeders have consigned 65 bulls and nine females for the sale. There have been more animals sold at previous auctions but the year's list of consignors is the most representative group of breeders selling here.

Animals in this year's sale are of better quality and more desirable ages than Herefords sold in previous auctions, Mr. Deal says. In the Hereford show proper there have been entered 162 head of registered cattle. Entries for the show are to be received until Tuesday night, Feb. 21.

SOCIETY CLUBS PERSONALS

Schedule For Community Choir Meets Announced

A three months schedule for the meetings of the community choir was announced by R. O. Smith, director, this week.

These meetings are held semi-monthly for those of the community who love to gather together for singing.

March 5 the group will gather at the First Baptist church; March 19, at the Presbyterian; April 2 with the Methodist; April 16, at the First Baptist; May 5 at the Presbyterian; and May 21, will meet with the Methodist.

Mr. and Mrs. Jerry Pennington and Miss Agnes Wright attended a meeting of the West Texas Utilities officials Monday night.

Mr. and Mrs. J. W. Hoover visited their parents, Mr. and Mrs. Kuykendall of Cherokee and Mr. Hoover of Fredonia.

Presbyterian W. A. Meets In Page Home

"Where Our Dollar Goes", was the theme of the program given to the Presbyterian Woman's Auxiliary when they met for their regular meeting in the home of Mrs. R. J. Page with Mrs. W. J. Burrus acting as hostess.

The program on Foreign and Home missions was led by Mrs. John Williams, with Mrs. Joe Edens, Mrs. Williams and Mrs. N. P. Wilkinson taking part, and Mrs. Bert Page leading the Bible Lesson.

Refreshments were served to members including Mrs. Joe Edens, Mrs. Noel Wilkinson, Mrs. Sam Holland, Mrs. Sally Murchison, Mrs. Sam Jones, Mrs. R. A. King, Mrs. H. T. Finley, Mrs. John Williams, Mrs. Leslie Baker, Mrs. Sam Oglesby, Mrs. Bert Page and Mrs. W. J. Burrus.

Baptist W. M. U. Begins Week Of Prayer

The Womans Missionary Society of the First Baptist Church began their week of prayer for Home Missions by meeting with the Brotherhood Monday night and rendered their first program for the week.

The theme for the evening was "More Faith In God," with Mrs. Fred Watson, Mrs. Bailey Montgomery, Mrs. Gordie Alexander, and Mrs. L. M. Hoover leading the discussion with Mrs. Alexander in charge of the program. Mrs. E. W. Brooks sang "Have Thine Own Way."

After the program a covered dish dinner was served to Mr. and Mrs. Gordie Alexander, Mr. and Mrs. E. W. Brooks, Mr. and Mrs. Fred Watson and daughters, Gloria and Elaine; Mr. and Mrs. W. T. Whitten, Mr. and Mrs. W. N. Ramsay, Mrs. C. T. Aly, Mrs. B. J. Montgomery, Mrs. L. M. Hoover, Mrs. George Williams, Miss John Alexander, Miss Betty Jo Whitten, J. A. Whitten Robert Lee Anderson and Harold Pappard.

Edward Ratliff Honored With Dinner Sunday

To compliment their son, Edward, of Station A, Mr. and Mrs. Ed Ratliff were hosts to a dinner at their home Sunday.

The occasion was in honor of his birthday anniversary. The table was attractive, centered with a birthday cake.

Covers were laid for five guests and the honoree.

Martha Ann Godwin, baby daughter of Mr. and Mrs. W. G. Godwin, was taken to a San Angelo hospital last Sunday for treatment.

Self Culture Club Studies First President

A Washington Day Program was given when Mrs. Weldon Bynum was hostess to members of the Self Culture Club at her home last Thursday afternoon.

Roll call was answered with quotations from presidents. Mrs. Reuben Dickens spoke on George Washington's travels, Mrs. L. M. Hoover gave an illustrated talk on "Our Constitution and Its Builders" and Mrs. Edgar Spencer directed a citizenship questionnaire.

During the social hour, Miss Ann Cowart, of Dallas played three accordion solos. The patriotic motif was carried out in favors and refreshments. Others present were Mrs. E. O. Nevills, a guest, Mmes. Hugh McAnges, Joab Campbell, Howard Aycock, Reuben Dickens, Geo. Williams, W. G. Godwin, O. E. Conner, W. J. Davis, John Williams, and Misses Chris Enochs and Pauline West.

Mrs. Hext Hostess To Eldorado Bridge Club

Members were present for party at two tables when Mrs. Ben Hext was hostess to the Eldorado Bridge Club at her home last Thursday afternoon.

High score was held by Mrs. Lewis Ballew.

A salad course was served after the games to Mr. Jerry Westmoreland of Sonora, Mrs. Lewis Ballew, Mrs. Luke Thompson, Mrs. E. M. Reynolds, Mrs. H. B. Rees, Mrs. J. C. Crosby, Mrs. H. T. Finley, Mrs. Albert Bailey, Mrs. J. D. Tinning and the hostess.

METHODIST CHURCH

"What is that in thine hand" —Ex. 4:2.

God often does His greatest work by the humblest means. The great force of nature are not the earthquakes which tumble cities into ruins. This power passes in a moment; the soft silent light, the warm summer rain, the stars whose voice is not heard, these are the majestic mighty forces which fill the earth with riches, and control the worlds which constitute the wide universe of God. The founders of Christianity are fishermen. It is the humble soul that God can and has used to do the great things of earth. God is still meeting every man and asking, "what is that in thine hand". Go to Church some where Sunday.

Subject Sunday Morning: "Broken Pieces."

Subject Sunday Evening: "Made Whole."

Marvin Williams, pastor.

Mrs. Ramsey Entertains Club

Members were present for play at two tables when Mrs. Seth Ramsey was hostess to the Wednesday afternoon bridge club at her home this week.

High score was held by Mrs. McLaughlin and cut went to Mrs. West.

A salad and sweet course was served to Mrs. Leslie Baker, Mrs. C. C. McLaughlin, Mrs. G. C. Crosby, Mrs. Horace Rees, Mrs. Ed Reynolds, Mrs. Sam Oglesby, Mrs. Jimmie West, Mrs. Dave Williamson and the shostess.

Mr and Mrs. J. W. Lawhon attended the Fat Stock Show at Houston last week-end.

There will be a meeting of the monthly B. T. U. conference at the Immanuel Baptist Church in San Angelo Sunday afternoon at three o'clock. Many are expected to attend from Eldorado.

Woman's Club Has Patriotic Program

Mrs. J. E. Tisdale was hostess to members of the Woman's Club at her home Tuesday afternoon.

The only guest present was Mrs. Marvin Williams.

The patriotic program, on "Fatherest Away", was led by Mrs. S. D. Harper and included the roll call, answered with patriotic quotations, a discussion of Pitcairn Island by Mrs. Joe Edens and Life on Pitcairn Island Today by Mrs. Ernest C. Hill. Reports of Department chairman were given by Mrs. D. E. DeLong Home Economics; and Mrs. Bert Page, American Citizenship.

A salad and sweet course was served to the guest and members including Mrs. Dave DeLong, Mrs. Joe Edens, Mrs. S. D. Harper, Mrs. D. C. Hill, Mrs. Ernest Hill, Mrs. Cora Millar, Mrs. C. M. McWhorter, Mrs. Bert Page, Mrs. Robert Page, Mrs. Walter Ramsay, Mrs. Verge Tisdale, Mrs. R. A. Evans, Mrs. Jess Koy, Mrs. Claude Meador, Mrs. Willie Whitten, Mrs. L. Wheeler, Mrs. A. J. Atkins, and the hostess.

Mrs. H. C. Holcomb of Richland Springs arrived here Wednesday for a visit with her daughter, Mrs. R. T. Crain and family

Mrs. S. L. Douthit, Mrs. Hunter Ervin and Mr. and Mrs. Knox Pennel of Andrews spent last week end with Mr. and Mrs. W. F. Edmiston.

Methodist W. M. S. Completes Mission Study Monday

Fourteen members were present when the Methodist Missionary Society met Monday afternoon at the church.

The study on "The Church Takes Root in India" was completed by Mrs. L. L. Stuart, Mrs. Reuben Dickens and Mrs. Marvin Williams. Devotional was given by Mrs. Williams.

Mrs. W. H. McClatchey, hostess for the occasion, served coffee and cake following the program.

Drive safely. Save a life.

L. E. Lloyd sold 410 lambs to Charlie Mund for Amos Womble at seven cents. Weight was 75 pounds

ACHING COLDS
Relieve Their DISTRESS This Easy, Quick Way!

To bring speedy relief from the discomfort of chest colds, muscular rheumatic aches and pains due to colds—you need more than "just a salve"—use a stimulating "counter-irritant" like good old warming, soothing Musterole. It penetrates the surface skin breaking up local congestion and pain resulting from colds.

Even better than a mustard plaster—Musterole has been used by millions for over 80 years. Recommended by many doctors and nurses. In three strengths: Regular, Children's (mild) and Extra Strong, 40¢. Approved by Good House-keeping Bureau. All druggists.

Eldorado Success

Attention . . .

Cotton Farmer

We have secured the service of the Leach Seed Grading Machine for a short time, next week, for grading and re-cleaning the planting seed stock we have at our gin plant. The machine will be available to farmers of Schleicher County who desire to have their planting seed graded and cleaned. The public has realized the general importance of grading and cleaning of planting seed and we have secured this machine, built especially for this purpose by the Leach Grader Manufacturing Company of Brownwood, Texas. The machine will grade both by size and by weight. It is competent in operation and highly recommended by many leading farmers and agricultural agents. The Leach Grading Machine is used in practically every cotton growing country of the world.

Farmers interested in securing the services of the grading and cleaning machine, at a nominal cost, should get in touch with us at once. The machine is equipped with the (searson) attachment and may be used at actual cost of searson.

RANCH TALK

to the Angora show at Lampasas July 19, 20 and 21. Six or eight of the goats will be his show flock and the balance will be sold.

W. O. Dickerson of Roosevelt says that not over ten per cent of the kid crop is on the ground in his country.

Blackstone Smith of Junction describes the Angora as the "Poor man's friend"—and says the goat eats up, while the sheep eats down. Mr. Smith says he never has to feed his goats and kinds them on the open range. He watches the weather for shearing time and says that he waits for warm weather to avoid having to keep the goats in a shed.

No Soil, but Presto! Cucumbers!

"Everyone could have a garden in his bathtub," says Miss Teddy Price of Abernathy, amateur biologist at Texas State College for Women, as she points proudly to her prize specimens in a "Water Culture" experiment. This cucumber and tomato vine are two of a whole greenhouse full of plants and vegetables which have been cultivated without soil, in clean sand and a chemical solution. With the aid of Miss Willie I. Birge, head of the biology department, Teddy prepared a culture solution containing potassium, calcium, magnesium, nitrogen, sulphur, iron, borax, copper and zinc, a line-up which seems a far cry from plain dirt. Plants can be grown in water tanks, but the sand gives support, and solution is applied to it at regular intervals. Water culture is now used in a small way commercially.

Mack Yates, San Saba ranchman, who runs about 5,000 head of goats, has just purchased 400 mutton kids from Oliver Flowers of Menard at \$3.50 in the hair.

Irvin Geistweidt, who ranches six miles from Mason, sold to a Boerne man 55 top cows at \$75 a head and sold Owen Brothers of San Saba 700 mixed kids at \$3.35 around.

Brady has better than 55 entries to date for their first annual colt show, which will be held March 1 with the annual 4-H club and FFA livestock show. Among the later entries are four colts and fillies entered by J. E. Jones and Son of Eldorado, nine colts and fillies by J. M. Treadwell of Menard, and ten colts, fillies and stallions by Sheen Bros. of Mertzon.

Sheep Dog Will Preform At San Angelo Stock Show

San Angelo.—Jean America's champion sheep dog, is to be seen in action here during the 8th Annual San Angelo Fat Stock Show and Rodeo, March 3-6, Culberson Deal, manager of the B. C. D. sponsor of the show has announced. Jean, belonging to Luke Pasco, Chicago sheep dog trainer, has been in the Southwest on previous occasions with her master along with other sheep dogs, but she never has performed for a San Angelo show crowd.

Pasco, one of the best known of sheep dog trainers, will be here for the four days of the show and perform during each afternoon in front of the grandstand in the rodeo arena. This is one of the featured acts show officials have contracted for.

While Jean is Pasco's featured performer the noted trainer will have a number of other dogs here for the program and it is likely that some of them will also work.

In this event Jean goes about at the direction of whistled notes from her master, the many tasks a herder of a large flock of sheep must do each day. She pens the sheep, cuts out a small group from a larger flock, loads another flock and in general gives her master the greatest help in minding his flock.

One of the principal feats Jean does is that of "shedding" or sorting the flock into different groups, a regular daily task on sheep ranches. This is performed to enable separation of disabled individuals, those that are to be

Juniors Honor Seniors With Skating Party

The Junior Class honored the Senior Class with a skating party Friday night, February 24, immediately following the Senior play. Cookies, cocoa, and sandwiches were served while the party skated.

Seniors present were Genevieve Ramsey, Erma Lee Bodine, Charlene Mund, Billie B. Steward, Hazel Lewis, Hobson Ashmore, Bob Bradley, Kyle Neill, Maude Brown, Clifton Henderson, and John McWhorter. Juniors present were Rosalyn Jones, Willie Bridgeman, Jo Ed Hill, Joe Reynolds, Helen Williams, James Henderson, Ernest Sweatt, Lyndon Isaacs, Calvin Henderson, Beatrice Wright, Hazel Doyle, Wallis Cozzens, Bob Williams, Nell Edmiston, Billie Louise Spurgers, and Gardner McCormick. Outsiders present were Frances Thompson, Betty Jo Bryant, Venita Davis, Nolte Jarrett, Pauline Jones, Mr. and Mrs. T. D. Riddle, Jewel Spurgers, John Thomas Ballew and Beulah Williams.

Mrs. F. B. Gunn is expected home from Dallas this week end. Mrs. Gunn also visited in Dulent, Oklahoma and was at the bedside of her youngest brother, Ray Baldwin, who died in a Soper, Oklahoma hospital of pneumonia.

Mr. and Mrs. Ed Ratliff went to Junction last week to the lamb sale. He received 3rd on his lambs and 11 on the bucks that the 4-H boys were feeding.

sold and for other purposes. The strong herding instinct in sheep to group themselves together in a compact flock makes the task of segregating the animals extremely difficult. Only the first trained sheep dogs have ever accomplished this remarkable feat which would ordinarily require half a dozen or more men to perform in the same manner.

Pasco and his dogs, with Jean usually being the featured performer, have appeared on programs at the International Livestock Exposition, the American Royal, the National Western at Denver, the Eastern States Exposition, Springfield, Mass., more than a dozen state fairs in the leading livestock states of the nation and many other affairs.

LOCALS

Mrs. C. T. Aly and children, Carroll T. and Joe Helen, and Mrs. Clyde Galbreath spent Tuesday in Carlsbad and attended the evening services of the revival Rev. Aly is holding at the Baptist church. Rev. Aly sends back god reports of the meeting there. He will return to Eldorado Saturday and will preach in both services Sunday.

Ewell Williamson Jr, having recently returned home from a San Angelo hospital after an operation for the removal of his appendix, was returned to the hospital Wednesday with a high fever.

Mrs. Neill Hostess To "42" Club

Members of the El Martes forty two club were entertained by Mrs. J. A. Neill at her home Tuesday afternoon.

Guests included were Mrs. Orville Conner, Mrs. E.E. Menges, and Mrs. R. C. Spurgers.

Following the games refreshments were served to guests and members including Mrs. L. L. Arnold, Mrs. O. B. Bradshaw, Mrs. Raleigh Duncan, Mrs. W. H. Graves, Mrs. Clyde Graves, Mrs. Ben Isaacs Jr., Mrs. S. P. McDonald, Mrs. Frank Newman, Mrs. Milton Spurgers, Mrs. W. C. Spurgers, Mrs. Norman Hodges, Mrs. Evans Etheredge, Mrs. Jack Etheredge and the hostess.

Otho Drake of San Angelo has contracted 2,000 coming yearling wethers in Glasscock County from Mrs. Henry Currie at 6 cents a pound out of the wool.

Henry Speck sold 600 mutton lambs to Mr. Robinson of San Angelo at seven and one half cents.

The grand son, Jerry, of Mr. and Mrs. W. R. Nicks who has been in a San Angelo hospital for some time, is improving.

Mr. and Mrs. Guy Bodine and daughters, Erma Lee, Katherine, Ruby and Billy and Jeff Enochs, left this morning for Bryan to visit Harmon Bodine, student at A & M, who is ill and Mrs. Jeff Enochs and boys.

Mrs. Bounds Feted With Dinner

To honor Mrs. Hardy Bounds on her 50th birthday anniversary, Mrs. Amos Bush, Miss Mildred Bounds and Mrs. Pug Bounds were hostesses to a dinner Wednesday.

The birthday cake was white, covered with 50 pink candles.

Those present were Mrs. Bush, and son, L. A. Mrs. Bill Ramsey, Mr. and Mrs. Pug Bounds, Mildred and J. W. Bounds and the honoree.

MILK

A Fortress Of Health

For every Child, milk is the one essential food, the one true fortress of health. Their growing bodies demand the complete food characteristics embodied in MILK. Every essential food element but iron is included. Give children a quart a day. Grown-ups need it too. . . . It is a delicious food as well as fortress to good health. Deliveries Daily.

WRITE YOUR LEGISLATORS—"NO PRICE-FIXING"

Do You Want Laws Which Repeal The ANTI-TRUST LAWS and RAISE PRICES?

Texas Legislators Are Ready to Pass Price-Fixing Laws

THE FAIR (?) TRADE LAW

Gives manufacturers power by law to fix prices YOU PAY for his products. It does NOT provide higher wages or better prices for farmer-producers. YOUR COST OF LIVING will be determined by men who live in New York, Boston and elsewhere if this law passes. THE ANTI-DISCRIMINATION LAW prohibits sale of any item at less than invoice cost PLUS SIX PER CENT. Goodbye sales and bargains if this one passes.

PROTESTS FROM FARMS AND KITCHENS.

THE NATIONAL GRANGE says: "Therefore, be it resolved, that the National Grange urges immediate repeal of the Miller-Tydings Act and recommends to STATE GRANGES that they move to secure repeal of equivalent state laws erroneously called STATE 'FAIR TRADE ACTS.'" THE AMERICAN HOME ECONOMICS ASSOCIATION says: "... continue opposition to legislation for resale price maintenance and other forms of price-fixing."

PRESIDENT ROOSEVELT SAYS:

"When prices are privately managed at levels above those for which would be determined by free competition, everybody pays." FORT WORTH PRESS, FEB. 2, 1939 —An editorial: "The best way to judge such laws is to see how they have worked in states where they operate. "In New York, for instance, a survey by E. H. Macy & Co. showed that prices of cosmetics had been raised 8.6 per cent; liquor, 11.8; drugs, 15.8; books, 17.6; miscellaneous items, 16 per cent."

These Laws Affect Every Store in Every Town in Texas

WRITE YOUR LEGISLATORS "NO PRICE-FIXING"

**ONE THING
And
THEN ANOTHER**
By Fred Gipson

PORT ARANSAS—Lately, I find myself becoming extremely anti-social. The ways of mankind irritate me. I'm tired of meeting people on the street, the same people on the same streets.

People say: "How are you today?" It's the same tone of voice they used the day before that. Like a parrot, I say: "Fine, thank you, just fine! How are you?"

Which are the very same lying words I said yesterday and the day before and the day before that.

The way I feel now, that's all a lot of farce and front and people endure the monotonous falsity of it, only because they're fearful of going against the set order of things or are just too confoundedly lazy to think up something different to say.

And I'm mighty tired of it all. I'm even tired of shaving the same face every morning in the same bathroom. But it's when I meet people and they say so indifferently, "How are you today?" that I have to chew hard on my thumb awhile to keep from telling the truth. I want to say:

"I'm irritated today. I didn't sleep last night. Stomach ulcers, I think. And if I don't have them, I will, what with worrying about the way the government's robbed me on this income tax business. Besides, that's a revolting necktie you're wearing, and I don't like the way your wife's always going around with her petticoat showing. It's a sloppy and unlady-like, if you ask me. Also, if you're interested, I could tell you plenty more that's wrong with me. But, of course, you're not. You just ask me because everybody else does the same thing. And I just answered you because everybody else answers such questions. And I really don't care any more than a bull bat about your well-being, either. Which only goes to prove that we're both fools for ever stopping and talking in the first place!"

You can imagine what that would lead to on the day that both my thumbs are chewed off and there's nothing left to keep me from saying what's on my mind. Mob violence and a hanging, that's what it would mean.

So, today, to keep from getting my neck stretched and my body mutilated, I slip out away from organized and conventionalized

and monotonized society and hide myself to the lonely sands of Mustang Island, far south of the last vestige of human habitations. And here I sit, my back braced a sand dune, my bare toes digging into the sand, my mind completely inactive, just sitting and listening to the soothing sounds of the pounding surf.

And the sands crawl by, whispering of many and strange secrets that they are constantly burying and uncovering, burying and uncovering, as the winds shift the dunes from one place to another, building up around a liveoak here until only the top-most twigs are out, dragging the last supporting grain of sand from under the roots of another, leaving it to fall and wither and die.

But though the sands whisper and murmur constantly, they don't ever say: "How are you today?" The sands don't give a damn how I am, or where I am, or why I am. They'll bury me, if I sit here long enough. (And I sometimes think it would be a good idea to sit that long.) But they won't annoy me with any false show of interest.

Nor will the huge sand crabs that dig holes the size of a skunk's dei under the roots of the tall sea grass waving from the sand dunes. Nor will the little fiddler crabs that honeycomb every foot of damp shore sand and pattern its surface with their light footprints.

They're interested in me, yes. But it's genuine interest. I might be an enemy. Better still, I might sit here until I die and they could make several meals off my dissatisfied carcass.

They scramble by. It doesn't matter to a crab how he travels. They all wave a wicked claw in greeting or warning, however you like to interpret the gesture. Then they go right on about their business and don't say one foolish word. I like sand crabs.

The gulls and terns fly overhead. The gulls fly with their beaks pointed straight out. The terns fly with their bills pointed down. They scream at the strange creature sitting here in the sand. But they don't light down and start trying to make conversation. We've got nothing in common, and they know it. They don't care about my personal well-being, and they don't mind my knowing they don't care. They're just being themselves and ignoring all else.

Sometimes, it's mighty satisfying to a man to be ignored completely like this.

Sometimes, I think I'd make a mighty good beachcomber, anyhow.

Sometimes I'm just naturally a soursup and people get on my nerves.

This is one of those times.

CITATION BY PUBLICATION

THE STATE OF TEXAS

To the Sheriff or any Constable of Schleicher County—GREETING:

YOU ARE HEREBY COMMANDED, That you summon, by making Publication of this Citation in some newspaper published in the County of Schleicher if there be a newspaper published therein, but if not then in a newspaper published in the nearest County to said Schleicher County, for four consecutive weeks previous to the return day hereof, Lonnie Murray and the unknown heirs of Lonnie Murray, Coll Bramblett and the unknown heirs of Coll Bramblett, John Bramblett and the unknown heirs of John Bramblett, Evelyn Bramblett Watson and the unknown heirs of Evelyn Bramblett Watson, and O. B. Bramblett and the unknown heirs of O. B. Bramblett all of whose residence are unknown, to be and appear before the Hon. District Court at the next regular term thereof, to be holden in the County of Schleicher at the Court House thereof, in Schleicher County on the fourth Monday of March 1939, being the 27th day of March, 1939, then and there to answer an Amended Petition filed in said Court, on the 21st day of February, 1939, in a suit numbered on the Docket of said Court No. 570 wherein Virgil J. Powell is Plaintiff, and Lonnie Murray, and the unknown heirs of Lonnie Murray, Coll Bramblett and the unknown heirs of Coll Bramblett, John Bramblett and the unknown heirs of John Bramblett, Evelyn Bramblett Watson and the unknown heirs of Evelyn Bramblett Watson, O. B. Bramblett and the unknown heirs of O. B. Bramblett, and James Bramblett are Defendants.

The nature of the Plaintiffs demand being as follows, to-wit:

Plaintiff sues for the title and possession of survey No. 57, Cert. No. 1468 in Block K in the name of G. H. & S. A. Ry Co. containing 640 acres more or less, situated partly in Sutton County, Texas, and partly in Schleicher County, Texas, said action being in trespass to try title against all the above named Defendants.

Plaintiff also sues to cancel as a cloud upon his title to the above described tract of land that certain deed from S. E. McKnight to J. F. Logan dated the 18th day of July, 1913, and recorded in Volume 13, at page 96 of the Deed Records of Sutton County, Texas and that said deed from J. F. Logan and wife to Coll Bramblett dated October 9, 1914 and recorded in Volume 13, at page 506 of the Deed Records of Sutton County, Texas, and more cancellation of the records respectively of the said deeds above referred to as clouds upon the title of the Plaintiff to the above described land and as grounds for his suit to cancel aforesaid Plaintiff alleges that S. E. McKnight conveyed said lands to J. F. Logan by the deed above mentioned in consideration of six vendor's lien notes for \$640.00 each, maturing on the 15th day of November, for the years 1914 to 1919 inclusive and that only one of said notes was ever paid; that the said Logan and wife conveyed said land to Coll Bramblett by the other deed above mentioned and the said Coll Bramblett assumed the payment of said notes as part of the consideration for said deed and defaulted in the payment thereof except note No. 1 which was paid. The said S. E. McKnight re-entered into possession of said land about June 5, 1917, and used and occupied the same and claimed the title thereto adverse to the Defendants herein until he sold and conveyed the said land to the Plaintiff herein by deed dated August 10, 1934, and recorded in Vol. 31, at page 177, of the Deed Records of Sutton County, Texas, that upon the delivery of said deed the plaintiff herein went into actual possession, occupancy and use of said land and claimed the same adverse to the Defendants herein continuously until the filing of this suit February 22, 1937.

That Plaintiff further alleges

that Defendants hold and claim their interest, if any they have, as heirs and by descent from Mrs. Eva Bramblett, Deceased wife of Coll Bramblett, who died November 1916, intestate; that the said executory contract of sale from S. E. McKnight to J. F. Logan of said land as shown by the deed above mentioned was rescinded by the said S. E. McKnight for default by the said J. F. Logan and by the said Coll Bramblett and the other Defendants herein and conveyed by the said McKnight to the Plaintiff as aforesaid. Plaintiff, in support of his allegations intresspass to try title, also pleads adverse possession against the Defendants and title resulting therefrom under the three year statute of limitation, under the five year statute of limitation and under the ten year statute of limitation in this State; and Plaintiff's said Petition prays

for the title and possession of said land and for damages thereunto and for a decree for removing and canceling said deeds above described from S. E. McKnight to J. P. Logan and wife to Coll Bramblett conveying said land and the records thereof respectively as clouds upon Plaintiff's title and for his costs and all other relief, legal or equitable, general or special, as he may show himself entitled.

HEREIN FAIL NOT, And have you before said Court, on the said first day of next term thereof, this Writ with your endorsements thereon, showing how you have executed the same.

Given under my hand and seal of said Court, at office in Eldorado, Texas, this, the 21st day of February, 1939.

H. T. Finley, Clerk District Court Schleicher County, Texas.

Green Feed Provides Vitamin A For Hens

Realizing that green feed is essential to the management of a flock of laying hens, Mrs. Silas Burk, Cooperator of Adams Home Demonstration club, has provided green feed for her flock of silver wyandotts. Mrs. Burk found a plot of ground four by 10, enriched the soil and covered with two inch mesh wire which is raised 10 inches above the level of the ground by means of discarded wind mill towers which are placed around the plot. In this way the hens will not harm the roots by their scratching yet green feed is available to them. Wheat was planted and if it becomes dry Mrs. Burk will water the plot.

The Safety Sensation of 1939!
**THE NEW
Firestone
CHAMPION**
The Only Tire Made with the
**NEW SAFETY-LOCK CORD BODY
and NEW GEAR-GRIP TREAD...**

NEVER before in our experience has a tire met with such instant and unanimous approval as the new Firestone Champion Tire. It's the Safety Sensation of 1939! Our customers have started a word-of-mouth campaign that is making this the biggest selling tire we've ever had. Motor car manufacturers have been so impressed by its superior performance that they have adopted it for their 1939 models.

Why? Because the Firestone Champion Tire is an entirely new achievement in safety engineering.

Stronger Cord Body. This is accomplished first, by the use of a completely new type of tire cord called "Safety-Lock," in which the cotton fibers are more compactly interwoven to assure cooler running and provide greater strength. Then, the fibers in each individual cord, the cords in each ply and the plies themselves, are all securely locked together by a new and advanced Firestone process of Gum-Dipping which provides amazingly greater strength. And greater strength means greater safety.

More Non-Skid Mileage. The new Safety-Lock cord construction provides the extra strength needed for the use of the new, thicker, tougher, deeper Firestone Gear-Grip tread which delivers remarkably longer non-skid mileage. This sensational new tread is called "Gear-Grip" because of its unique design — it has more than 3,000 sharp-edged angles which grip the road with a sure-footed hold to protect against skidding and assure a safe stop.

Drive in today and equip your car with a new set of Firestone Champion Tires — the only tires made that are safety-proved on the speedway for your protection on the highway.

LOUIS MEYER
Only Three-Time Winner
Annual Indianapolis
500-Mile Race

Champion race drivers, whose lives and chances of victory depend on tire safety, know tire construction and that is why they select and buy Firestone Tires for their cars.

**Firestone
LIFE PROTECTOR
the Tire within
a Tire**

This amazing new Firestone development makes a blowout as harmless as a slow leak.

Should a blowout occur the exclusive Firestone Safety-Valve holds sufficient air in the inner compartment to support the car until it is brought to a safe stop.

SCHLEICHER YOUTHS NAME D GOLD STAR 4-H CLUB BOYS

David Williams, 16, left and Harold Williams, 19, of Eldorado, named this week as Gold Star 4-H Club boys are two of the best known 4-H clubbers in West Tex-

as. The Schleicher county brothers are shown above with one of their choice entries in the various stock shows in which they are taking part this year. David Williams last year set and all-

time record by selling a 100-pound lamb at Houston for \$6.50 per pound. At San Antonio this week, Harold placed fourth and seventh in the single club class, while in the class groups of

three Harold took first and David won sixth place. The Williams boys will exhibit lambs at the San Angelo Stock show this week.

—Courtesy San Angelo Times

Eldorado Club Adds New Members

Mrs. T. D. Riddle and Mrs. R. N. Brown were recognized as new members at the meeting of the Eldorado Home Demonstration club February 24, in the home of Mrs. Jess Thompson.

The program, on "Are You Growing Gracefully," was given by Miss Ruth Baker. "Have a

hobby for relaxation, be well and look well and you will grow gracefully," were points brought out by Miss Baker.

Refreshments were served to Mrs. Thomas Baker, Mrs. G. L. Ballew, Mrs. R. L. Bricker, Mrs. Orval Conner, Mrs. Clyde Garves, Mrs. Norman Hodges, Mrs. E. E. Menges, Mrs. Joe Moore, Mrs. R. C. Spurgers, Mrs. A. E. Tree, Mrs. L. D. Christian, Mrs. Tom D. Riddle, Mrs. R. N. Brown, Mrs. Norman Klink, Mrs. W. J. Humphrey, Miss Ruth Baker and the hostess.

Prevailing asking price for yearling ewes, according to reports from over the ranch country, is \$6.50 out of the wool in the Midland country; \$6 out of the wool in the Comstock country; and in Alpine and Marfa \$6.50 out of the wool. Five dollars and a half a head is asked generally for muttons out of the wool.

Total sales value of the meat animals passing through the Union Stock Yards at San Antonio has increased from \$5,739,000 in 1935 to \$11,770,000 in 1938. Last year's gain, one and a quarter million, was achieved in spite of the generally lower price level on slaughter cattle and pigs. San Antonio, consequently, mounted from tenth to eighth place as a cattle market.

Arrested in New York City for possessing policy-game slips, Negro Mickey Mouse insisted, "I've had that name for 35 years."

NOTICE TO BIDDERS
