## County Adopts Re-Districting Plan

The Schleicher County Court of Commissioners voted to accept a plan to re-district the Schleicher County Commissioner Precincts. The plan was a new plan. It was neither of the plans first presented by council for the court or the plan presented by Albert Torres.

This new plan makes District 3 a predominantly Hispanic Precinct. This new precinct will have 74.02% Hispanic population and 2.37% Black population. This will provide a combined minority population total of 76.39% for precinct 3. Of the minority population of precinct 3, 70.69% are of voting age.

The proposal is being presented to the Texas Attorney General for approval.

When asked about the Commissioners plan for re-districting Albert Torres commented, "We are studying this new plan and are trying to determine appropriate measures to take." Mr. Torres continued, "The people of the Hispanic community have never been able to get a person elected to a paid political position in Schleicher County. We believe that ALL of our citizens have the right to be represented."

Commissioner Kerry Joy, Judge Johnny Griffin and Commissioner Ross Whitten study the re-districting plan presented to them by Attorneys for the County.

## Eagles Record Moves To 5-1

The Eldorado Eagles faced a tough and determined team in the Iraan Braves. The game was played in Iraan, Friday night, October 11.

Although the Eagles demonstrated a great deal of courage, they were simply overpowered by the larger, stronger team from Iraan, 57-12. While the Eagles are starting 3 sophomores and one freshman, the Iraan team boasts 17 seniors. Although a David and Goliath upset was hoped for, it just did not materialize.

Iraan scored early in the game and the Eagles were never able to overcome their mistakes.

Cy Griffin is credited with two touchdown passes. Reyes Lozano received a 5 yard touchdown pass. Jorge Arispe caught a pass for a 39 yard touchdown.

The statistics show that Iraan had 202 rushing yards. Eldorado had 78 rushing yards. Eldorado had 147 passing yards. Iraan had 124 passing yards.

The Eagles are tied with Ozona for third in the district, behind Coahoma and Iraan.

With a 5-1 record, Eldorado faces Coahoma her

Friday night at 8:00 p.m.

**Publisher's note:** Before living in Eldorado, I lived in Iraan. Some of the finest people I have ever known live in that community. There are some very fine young men on the Iraan football team.

On Friday night, one of the members of the team from Iraan used his knee to kick one of the Eagle players. After that, the same player made an obscene gesture to the coaches and spectators who were on the sidelines.

Although the referee ignored these actions, those folk from Iraan who witnessed these events expressed to me that they were just as disappointed as we were.

It should be imperative that coaches of this school and all other schools hold sportsmanship and good conduct in high esteem. Poor sportsmanship and socially unacceptable behavior needs to be seriously frowned upon.

The behavior of players often is a reflection of the attitudes that they see in their coaches. I am thankful for the high ideals of the coaches of our community.

## City Seeks County Aid in Street Paving

On Monday, October 14, Mayor John Nikolauk met with the Schleicher County Court of Commissioners at their regularly scheduled meeting.

Mayor Nikolauk informed the Commissioners that the City of Eldorado did not have the funds or the man power to adequately maintain the city's streets. He stated that there are more than twenty miles of streets in the city proper. The Mayor asked that the Commissioners consider the prospect of assisting the city with this dilemma.

The Commissioners seemed open to the possibility of working with the City Council. They explained that the county and the city presently had an inter-local government agreement that would allow the county to work within the city.

According to Commissioner Kerry Joy, the cost for materials for paving a mile of road exceeds \$20,000.

Johnny Griffin, county judge, stated that there would certainly be some people in the county who would be opposed to the county paving streets within the city limits.

Commissioner Ross Whitten informed those present that the laws concerning inter-local agreements was vague.

According to Judge Griffin, the only way that the county could do work on the streets of the city would be for Mayor Nikolauk or the City Council to make a request for specific work done. The Commissioners said that they would consider any requests that were made by the city.

## Men's Community

### Bible Study

A men's community Bible study is being formed in Eldorado. The group will gather weekly for a noon meeting at the Dairy Mart.

The hour meeting will provide an opportunity to discover or rediscover resources for living that are revealed in the

Bible. Chris Graham, participant in the group, indicates that the focus will be a straight-forward consideration of the biblical text.

The first meeting will be held on Monday, October 22, 1991.

## Annual Health Fair Being Held

As we go to press, the Annual Health Fair is being held at the Memorial Building. Medical services and assistance are being provided for many of our citizens. We will have a more complete story concerning this event in next week's success.

## Club Championship Held Mickey Rathbone - Club Champion

Mickey Rathbone

The Eldorado Golf Club Championship Tournament was played this past weekend. There was a great turnout for this last tournament of the year.

This year's Club Champion is **MICKEY RATHBONE**.

The results of this tournament are as follows:  
**Championship Flight**  
Mickey Rathbone-1st; Moses Hill-2nd; Melissa O'Harrow-3rd. (Moses and Melissa tied for 2nd and 3rd. They had a play-off on the course to determine placement.)

**First Flight**  
Tip Van Court-st; Leroy

Reeves-2nd; Jo Callison-3rd.  
**Second Flight**  
Joe Ed Hill-1st; Mabel Freitag-2nd; Geneva McWhorter-3rd. (Mabel and Geneva tied for 2nd and 3rd. They had a play-off on their cards.)

**Third Flight**  
Delbert Taylor-1st; Buck Baze-2nd; William Bryant-3rd.

The weather has been great! Everyone get out and play golf and enjoy our great course!

It is a joy to have our young folks out enjoying golf and entering our tournaments. We are so happy to have you!

Happy Golfing  
Mabel Freitag

## The Circus Is Here

**The Circus Is HERE!** The King Royal Brothers 3-Ring Tented Circus is in Eldorado **TODAY ONLY** for two performances, 6:00 p.m. and 8:00 p.m., at the Rodeo Grounds.

This circus is the second largest North American Circus. Come enjoy all the thrills, excitement and entertainment by wild animals, clowns, elephants, and horses under the Big Top.

This Circus is being sponsored by the Schleicher

County Chamber of Commerce. The Chamber receives 25% of all advanced ticket sales, and 10% of all tickets sold at the gate.

Advanced tickets are available at Southwest Texas Electric Co-op or the Chamber Office. Ticket prices are: Advanced Tickets - \$4.00 for children and \$6.00 for adults; Tickets At The Gate - \$6.00 for children and \$8.00 for adults.

Purchase your tickets early and support our Chamber of Commerce!

## Halloween Carnival Approaching

The Beta Sigma Phi Annual Halloween Carnival is fast approaching - only two more weeks, and we still have spaces for booths! The Halloween Carnival is set for October 31st from 6:00-8:00 p.m. in the Memorial Building.

There are **many** game and food booths still available for you, your club or organization! Be creative, get involved, and make this a fun-filled evening for the children of Eldorado!

## Social Security Representative

Garland Greg, representative for the San Angelo Social Security Office, has scheduled his October visit to Eldorado. He will be at the County Courthouse on Thursday, October 17th,

between 1:30 p.m. and 2:30 p.m.

Anyone who wants to file a claim for benefits, get information, or transact other business with the Social Security Administration may contact him at this time.

## Notice

The water will be cut off on South Main Street for Fire Hydrant repair on Friday morning. All of the businesses on each side of South Main will be affected.

# Editor's Journal

## TOP OF THE DIVIDE

by Thomas Giovannitti

As most people do I have on occasion thought of jobs that I think I would really like to have. These jobs just seem to be very easy and, even if they don't pay that much, are pretty safe.

I always thought I would have liked to have been a background singer for the Supremes. I would only have to know a few words such as "Whopdowa" and "Shanana" and to keep in step with the rest of the backup singers. I would

not have to learn all of the words to the songs and still would get to go to all of those groupie gatherings and rub elbows with the celebrities that came to here the Supremes.

There are other safe jobs. If you live among cannibals be a drummer. They always need drummers for the human sacrifice and they never eat the drummer. It would be a pretty safe job so long as I did not lose my sense of rhythm.

Pathologist is another

pretty safe job. A pathologist operates on people who are already dead thus he never runs the risk of losing a patient on the operating table. Another thing is that no one really ever checks his work since it would mean messing with a dead body.

Assistant coach is also a pretty safe job, especially if your not too friendly with the head coach. It is always the head coach that gets fired no matter how sorry the players may be. The assistant merely runs the

club the last few games of the season and they hire a new head coach who will get fired next year.

The best job of all is the one that Vanna White has. Vanna does not speak, she does not sing, and she does not even have to spell. If one of the letters is there a little light goes on so she knows exactly which one to turn. The letter squares are three sided so she merely keeps turning it until the letter comes up.

## Hear and Their

by SHERRY LUX

### FIRE PREVENTION ASSEMBLY HELD

On Wednesday, October 16th, the Eldorado Volunteer Fire Department presented a program on Fire Prevention. Every student in the Elementary school will enter a fire prevention poster to be judged by the Eldorado Volunteer Fire Department on Tuesday, October 22nd.

### ELEMENTARY ACTIVITIES AT JR. HIGH FOOTBALL GAMES

During the half-time of the Junior High Football games tonight, the 3rd grade boys will again have a flag football game. Between the 7th grade and 8th grade games, the 4th grade girls will play speedball. This game is played somewhat like soccer. Coaches Randy Mitchel, Joaquin Rojas, and Joella Parker are responsible for these youth activities. Come support your youth and our local schools.

### J.V. TRAVELS TO COAHOMA

The J.V. Football team will travel to Coahoma Thursday night. Game time is 6:30 p.m. The Jr. High teams will play Wall here at 5:00 p.m. for 7th grade and 6:30 p.m. for the 8th grade.

### VARSITY VS. COAHOMA

The Eldorado Eagles will play Coahoma in Eagle stadium on Friday, October 18th. Game time is 8:00 p.m.

### CROSS COUNTRY RESULTS

The Cross Country teams travelled to Ozona Saturday, October 12th to compete on Junior High and High School levels.

### Junior High

There were 30 entries in the Jr. High Girls division. Amy Massey won 1st place with a time of 13:06 for the two mile run. Other results for Eldorado are as follows: Tara Hunley-5th, 14:04; Michelle Mora-7th, 14:22; Mitzi Lux-8th, 14:22; Alisha Wink-13th, 15:25; and Ysenia Castilleja-22, 17:48. The team won 1st place with a combined score of 29 points. Rocksprings placed 2nd with 45, Garden City, 3rd with 78, Mertzon, 4th with 93, and Sanderson, 5th with 128 points.

The Junior High Boys won 2nd place to Ozona by one point - Eldorado with 28 and 27 for Ozona. Results are as follows: Johnny Joe Arispe-4th, 13:10; Brandon Dresner-5th, 13:13; Fonzie Covarrubiaz-9th, 13:36; Stuart Lux-12th, 13:45; Arisdel Hernandez-17th, 14:40; Cody Andrews-19th, 15:21, and Rocky Meador-22nd, 17:01.

Congratulations to the Junior High teams for a very successful season. The Junior High District meet will be held in Stanton on Monday, October

28th. Good Luck Eagles!

### High School

The High School girls won the Ozona meet with 45 points. Rocksprings-2nd, 74; Mertzon-3rd, 78; Garden City-4th, 78; Ozona-5th, 104, and Junction-6th, 109.

Individual placings were: Jana Sterling-7th, Ericka Schooley-8th, Jenny Wink-10th, LeeAnn Peaslee-14th, Roxanne Martinez-16th, Tamara Robledo-23rd, Amber Hamilton-26th, Suyen Hernandez-29th, Mary Ann Rodriguez-30th, and Catharina Gower-33rd. There were 56 runners in this event.

The High School boys placed 3rd with 75 points. Rocksprings won with 23 points; Ozona-2nd, 56; Eldorado-3rd, 75; McCamey-4th, 80; and Junction-5th, 117.

Heli Sanchez was 5th high individual. Homer Hernandez-17, Jorge Arispe-18, Jessie Sanchez-19, Shane Dresner-24, Daniel Hernandez-28, Joe Sanchez-27, Robert Taylor-43, and Johnny Brassfield-46. There were 47 contestants.

The High School Cross Country teams have meets at Big Spring on October 19th, and Comanche on October 23rd before district in Stanton on October 28th. Fly High, Eagles - Win District!

### THE GALLERY

The Gallery on Main Street has a new display by Harris and Jackie Napier. Come enjoy the artwork this month as it is truly exceptional.

### THE WAY OFF

The Way Off Broadway Players have set play dates for the second and third weekends in November. Look in future issues for details and times.

### GAME ASSOCIATION DINNER

The Eldorado Game Association Dinner is just 2 weeks away, November 2nd. As in the past, the dinner will begin at 6:30 p.m. at the Ag Barn. Door prizes will be given away. Register at Shot's or McCormick's Exxon. There's a longest spike contest as well as the longest turkey beard, doe drawing and spike buck drawing.

### NEW BUSINESS COMING

Congratulations to Sidney Reynolds who will open a deer processing center here beginning November 1st. He will process and package deer, as well as make sausage. The business will open in the old Top Package Store building on Highway 277 South. Go by and welcome the new business to town!

### TEXAS AGRICULTURAL EXTENSION SERVICE

## County Agents Report

### Use Leaves for Compost

Dr. William C. Welch, Landscape Horticulturist

Autumn is here and with it comes the annual chore of keeping lawns free of fallen leaves. Leaves should be removed from lawns not only for appearance, but also to prevent damage to the grass. A heavy blanket of leaves can smother a lawn if allowed to remain.

In previous years, leaves were burned or hauling to the dump to be burned or buried. Air pollution controls have made the smell of burning leaves a thing of the past. Actually, leaves are much too valuable to

burn, and it is more efficient to compost them. Leaves can provide a ready source of composted soil to use in preparing flower and shrub borders, potted plants, or as a top-dressing for the yard.

The simplest method of composting leaves or other vegetable matter is to alternate 4 to 6 inch layers of vegetable matter with 2 to 4 inches of good garden soil. Sprinkling commercial fertilizer on each layer of vegetable matter hastens decomposition. One cupful or 1/2 pound of 10-10-10, 10-6-4, 10-20-0 (or the equivalent) per 10 square feet of vegetable matter is sufficient. If manure is Continued on page 3

## Gary Smith's

Laugh and Live

"It is a great deal better to do all the things you should do, than to spend the rest of your life wishing you had."

Lately, there has been so much hatefulness and ugliness in the world. It has been easy to overlook the beautiful.

One man that I know has not overlooked beauty. He is doing what he can to make our community and our world a more beautiful place.

He has been working with a number of people who are trying to beautify our community. This past Tuesday, he was out with Neria Pina, Cathy Niblett and Sue McAngus planting flowers on a lot downtown. Folks around town have seen him watering plants and cleaning up. Young people have seen him cheering them on and giving them encouragement.

I have often said that God made two kinds of people, the useful and the decorative. Well, this gentleman is both.

He is working to make our community a nicer place and his warm, caring attitude make the world a better place in which to live.

I'm glad Eldorado has Doug Yates.

Till The Next Time...

MAY GOD BLESS!

# Letters To The Editor

It has been a long six months since my father Ray Romero, has had his accident. My father is now at home and he is doing great. He still has no use of his hands or legs but has a great set of lungs. (It's going to be a long road for us, but, knowing the people in Eldorado are with us and knowing that we are in their prayers will give us the strength to keep going.) I would like to take this opportunity to thank everyone who thought about us during our hard time.

- VERY SPECIAL THANKS TO**
- Hector Romero and George Arispe - We couldn't have made it without you two.
  - My wonderful Aunts - Dora Cruz, Mary Romero, Anna Espinosa, and Rosa Pina.
  - My brothers, Mickey and Jody and their wives Lilsa and Louanne Romero.
  - Ken Newman for all the things he did for me in and out of school.
  - The Amigos Club for building our ramps at home, headed by Billy Joe Pina.
  - Jerry Bass and his family for helping in keeping our yard up when we were gone.
  - Kenneth Richardson and his wife for helping with the yard.
  - Reyes Lozano for leaving a benefit roping.
  - Sherry Lux for the wonderful article in the paper.
  - Dana and Howard Ledbetter for fixing my dad's truck with no charge.
  - Special thanks to my friends: Stephanie Ledbetter, Denese Crowder, Carisa Porter, and Claudia Martinez.
  - Victor Gutierrez and many others for the phone calls to Farmington, New Mexico and San Angelo.
  - Thomas and Lilia Martinez, Ben Cruz, Oscar Martinez, Maria Hill, Dora Bosman, Cathy Niblett, Brother Ken and his wife, Richard Mendez, Manuel Torres and family, Mr. and Mrs. Edmundo Martinez, Valdo Hernandez, Danny and Edna Crowder, Juan and Emma Espinosa, Paul and Bertha Rebeck, Dana and Helen Ledbetter, Felipe and Neria Pina, Johnny Griffin and family, Joe and Vivian Sanchez, Thelma Bosman, Reyes Robledo, Juan Favila, The Cardinas family, The Sheriff's Department, Cruz and Dominga Cruz, and Victor Belman and family.
  - God Bless You All,  
I can't thank you enough!  
Lesia Romero

Dear Mr. Smith:  
I receive the Success and look forward to its arrival each Saturday morning. Recently I received my issue and found an article on the front page that disturbed me to some degree. This particular article dealt with the issue of whether or not Eldorado/Sonora should try and obtain a State Prison. There was a quote in the article by one of the local citizens (I believe from Sonora) who voiced an opinion which I believe to be very "narrow minded." It is to this that I wish to submit my opinion in reply.

This person made the statement which went something like "the first thing that will happen is a convict will escape and kill somebody or steal something." There was another statement that said "there will be a lot of families moving into town who have convicts locked up in the prison and we don't want that kind of people living in the community."

To qualify myself as a reliable source of information and establish some credibility I would like to first give you some background. My family and I moved to Bridgeport in July of 1990, I needed a job while attending the University of North Texas in Denton. I applied for employment at the prison located in Bridgeport and was hired because of my past law enforcement experience and because I am bi-lingual. At first I was very apprehensive of working in a prison. This soon proved to be an unfounded fear. After being a guard for slightly more than a year I changed jobs and now I am employed as a Vocational Instructor in the prison. Because of the positions that I have held in the system I have a good working knowledge of the System and of the mindsets and beliefs of not only the personnel employed but also the inmates.

This facility is one of four presently in the State that is privately operated by a contractor. The contractor at this facility is Wackenhut Corrections Corporation, Coral Gables, Florida. The building and all the equipment inside belong to the State however, since it is a private corporation it becomes subject to all local and state taxes. The current facility is classified as a 500 bed unit. There plans presently under consideration to expand this to 1,000 and the possibility of another 1,000 bed facility to be

constructed also. The city of Bridgeport and Wise County realize the economic impact that this facility has provided to the County/Community.

The first things to consider economically are the following facts: (I obtained this information from the business manager.)

1. Wackenhut pays \$200,000 annually in taxes.
2. Yearly payroll at initial start-up 82.3 million.
3. 130 full time (including some part time) employees.
4. Approximately 50 extra support personnel.
  - A. 10 vocational instructors
  - B. 1 vocational director plus secretary
  - C. 5 academic teachers
  - D. 1 academic supervisor
  - E. 3 counselors
  - F. 1 doctor
  - G. 1 dentist
  - H. 8 registered nurses
  - I. 1 medical director
  - J. 10 food service workers and supervisors
  - K. 2 maintenance personnel

All these facts pertain directly to the facility. There are things that must be considered also and this is the "spin-off" businesses associated with a prison. Since it is a State Prison there are a lot of State Officials as well as Corporate Officials who have to visit the unit on a regular basis. This requires that they stay over night, in some cases, and consequently they eat out in the local restaurants and purchase other goods and services. Another important aspect to consider are the people who come in on week-ends to visit inmates. They also stay in the local motel (its full every week-end) and purchase other items as well. In addition they buy food from the local restaurants to take inside the prison for whom ever they are visiting. There is no real way to determine how much money is added to the local economy as a result of this activity, but I would guess it is significant.

One of the stipulations of the contract is that the contractor must purchase and obtain as much goods and services as is possible from the local community. This means that local people are employed first. Also of significance is the fact that the contract also calls for a local, resident doctor, dentist and hospital.

If there is a prison there is the possibility of escape however, it is unlikely at this facility. Every inmate that is released, is released in Huntsville at the Walls Unit, not at the local unit. Since every inmate will be out within two years, most within six months, it is not likely that they will attempt an escape from a "Pre-Release Facility." To my knowledge there has never been an escape from a privately operated prison in Texas.

The family of an inmate may only visit on week-ends and only for two hours (unless they live more the 500 miles, then 4 hours). Why would a family pack up and move to Eldorado when they can only visit two hours a week? This type of

thinking is completely unfounded.

In closing I would like to ask, could Schleicher County stand \$200,000 a year in extra taxes, an additional pay-roll of 2.5 million dollars, security for the doctors, nurses, hospital, and the addition of probably a minimum of 50 extra families (employees) moving into the community? Think about it! I believe the advantages far out weigh the possible negative consequences.

If you are near Bridgeport and would like a tour of the facility I would be glad to make the necessary arrangements and provide whatever assistance possible.

Thank You,  
Jackie Harris  
Box 992  
Bridgeport, Texas 76426

Dear Mr. Harris,  
Thank you for your interesting and informative letter.

It is my understanding that the Schleicher County Court of Commissioners has considered this and have chosen not to act on it at this time.

If your information is correct, perhaps it will give them cause to reconsider.

It is my understanding that either Schleicher County or the City of Eldorado could be a sponsoring agent in a project of this type.

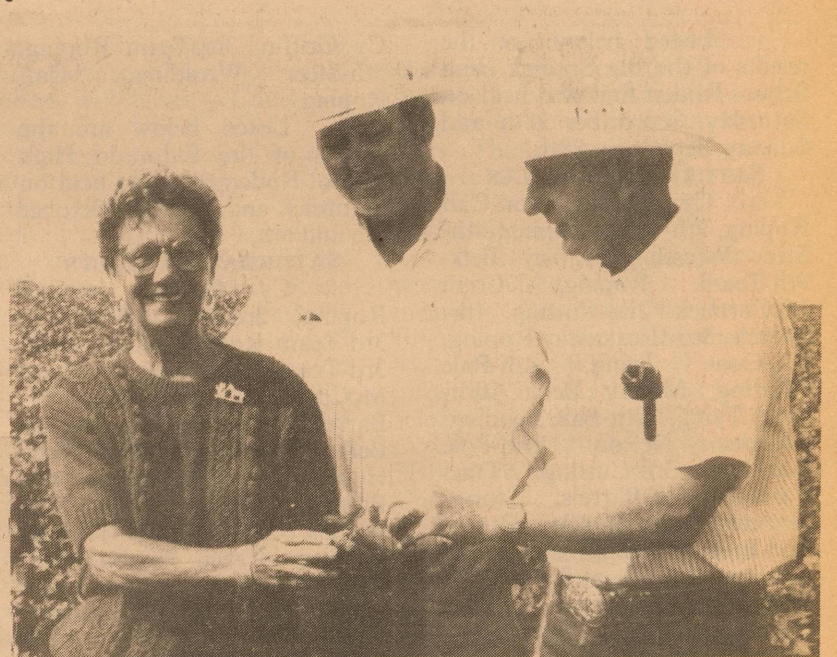

Recently, one citizen commented to me that this would be bad for our community because it would make the community grow. This person stated that we would then have to have a bigger school and provide more community services. Personally, I could not understand this type of logic.

It seems to me that we have an obligation to study all prospects and possibilities to improve our county and town.

I do not know if a private prison is what we need. I do feel that we need to explore all possibilities for community growth and action.

I thank you again for your letter and for your concern for our community.  
Sincerely,  
Gary Smith, Publisher

# ASCS Update

ASCS committee members Mabel Freitag and Steve Williams along with Ronnie Mittel, ASCS County Executive Director examining a cotton boll on the Steve and Ilse Williams farm.

Schleicher County cotton producers have certified 7157 acres of cotton planted this year. This acreage is being grown by forty five different producers. Interestingly enough, this number of producers is down from approximately one hundred twenty five back in the 1960's. You might say that we now have less than one-half the producers growing about the same number of acres as we did 20 to 30 years ago. Cotton remains the number one cash crop in Schleicher County even though production costs have risen sharply in recent years.

Grain sorghum acreage in the county is substantially lower than 10 years ago. Slightly less than 2000 acres was reported this year. Most grain sorghum that is planted now is in a crop rotation pattern with wheat and cotton. Farmers participating in any USDA program and earning program payments cannot produce an agricultural commodity on highly erodible land unless a conservation plan has been developed through SCS and is being followed. Both grain sorghum and wheat are high organic crops and return a lot of residue to the soil thereby reducing soil erosion.

# County Agents Report

Continued from page 2

available and free of weeds, it is also beneficial to add it to the soil layer.

The compost pile should be 4 to 6 feet wide and any desired length. The surface of the pile should slope toward the center, forming a basin to

hold water. The top layer should consist of soil. Leaf layers should be watered thoroughly as they are spread out. When the pile is complete, additional water should be periodically added to keep the material moist but not soggy.

The compost should be turned or mixed with a garden fork or shovel every 3 or 4 months. Within 6 months to a year, it should be ready for use.

# Health News

Dr. Rico J. Forlano

It is important for athletes to know when to use ice and when to use heat after injuries so they can return to action early. After a soft tissue injury, there is usually inflammation and swelling which is important to reduce immediately. This can be done with rest, ice, compression and elevation. It is remembered by the word RICE.

Ice is used initially after an injury for the first 24-72 hours, or as long as pain or swelling is the main complaint. Ice reduces pain by its effect on nerve fibers and pain receptors, it can also reduce muscle spasm. Ice should be used on an area that swells often after performing sports. The ice should be applied twenty minutes out of every other hour.

Heat should be used after the first 24-72 hours after the injury and after the pain and swelling are gone. Heat therapy also helps to control pain and

spasm by decreasing joint stiffness. When spasm and tightness in the muscle are the main complaints, heat should be used. Heat should be used before performing a sport because it helps the muscles to stretch. When using heat, moist heat should be used because it penetrates the muscle better than a dry heating pad. Heat should be applied 20 minutes out of every other hour.

When you have a sports injury, consult your Chiropractic Physician for the proper treatment plan of ice or heat and other types of physical therapy for rapid rehabilitation.

# PUBLIC NOTICE

PETITION OF GTE CORPORATION AND CONTEL CORPORATION FOR DECLARATORY RELIEF

On April 16, 1991, GTE Corporation ("GTE") and Contel Corporation ("Contel") filed a joint petition for declaratory relief with respect to the obligations or requirements of GTE or Contel and/or any of its subsidiaries relating to the merger of GTE and Contel.

GTE and Contel have requested a ruling from the Public Utility Commission of Texas that neither GTE nor Contel is required to report the merger of GTE and Contel pursuant to Section 63 of the Public Utility Regulatory Act ("PURA"), TEX. REV. CIV. STAT. ANN. art. 1446c (Vernon Supp. 1991), that no investigation of the merger by the Commission is required. In the alternative, GTE and Contel seek a determination that the merger is consistent with the public interest.

This filing has been assigned Docket No. 10212. Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission. A request to intervene, participate, or for further information, should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas, 78757. Further information may also be obtained by calling the Public Information Division of the Public Utility Commission at (512) 458-0256, (512) 458-0221 teletypewriter for the deaf.

### High School Rodeo Results

Listed below are the results of the Big Springs High School Rodeo that was held on Saturday, September 28th and Sunday, September 29th.

#### SATURDAY'S RESULTS

Cy Griffin: 2nd-Calf Roping, 9th-Team Roping, 4th-Steer Wrestling; Jamey Belk: 9th-Team Roping; Crissi McCormick: 2nd-Cutting, 4th-Barrels, 3rd-Breakaway Roping, 5th-Goat Tying, 4th-Pole Bending; Mandy Belk: 10th-Goat Tying, 10th-Pole Bending; Mondee Nelson: 2nd-Pole Bending, 3rd-Cutting; Traci Paxton: 6th-Barrels; Stoney Hariman: 1st-Saddle Bronc, 2nd-Bull Riding; Lindsey Johnson: 10th-Goat Tying, 7th-Breakaway Roping. New member Isis Pina also participated in the Big Springs Rodeo.

#### SUNDAY'S RESULTS

Rusty Criswell: 2nd-Saddle Bronc; Lindsey Johnson: 10th-Goat Tying, 7th-Breakaway Roping; Stoney Hariman: 2-Bulls, Traci Paxton: 5th-Barrels; Mondee Nelson: 4th-Barrels, 3rd-Cutting, 2nd-Pole Bending; Jodie Hooten: 3rd-Barrels; Mandy Belk: 10th-Pole Bending; Crissi McCormick: 2nd-Cutting, 2nd-Barrels, 3rd-Breakaway, 5th-Goat Tying; Jamey Belk: 3rd-Team Roping;

Cy Griffin: 3rd-Team Roping, 5th-Steer Wrestling, ?-Calf Roping.

Listed below are the results of the Eldorado High School Rodeo that was held on Saturday and Sunday October 5th and 6th.

#### SATURDAY'S RESULTS

Cy Griffin: 1st-Calf Roping, 3rd-Steer Wrestling, 3rd-Team Roping; Jamey Belk: 3rd-Team Roping; Crissi McCormick: 1st-Cutting, 1st-Barrels, 5th-Goat Tying; Mandy Belk: 7th-Pole Bending; Jodie Hooten: 4th-Breakaway, 4th-Barrels; Mondee Nelson: 8th-Barrels, 2nd-Cutting, 1st-Pole Bending; Traci Paxton: 3rd-Barrels; Stoney Hariman: 1st-Saddle Bronc; Lindsey Johnson: 10th-Barrels.

#### SUNDAY'S RESULTS

Lindsey Johnson: 10th-Barrels; Stoney Hariman: 2nd-Saddle Bronc, 2nd-Bull Riding; Traci Paxton: 3rd-Barrels; Mondee Nelson: 1st-Cutting, 1st-Barrels, 3rd-Pole Bending; Jodie Hooten: 9th-Barrels; Mandy Belk: 7th-Goat Tying; Crissi McCormick: 2nd-Cutting, 4th-Goat Tying, 9th-Pole Bending; Jamey Belk: 1st-Team Roping; Cy Griffin: 1st-Team Roping, 1st-Steer Wrestling, 1st-Calf Roping; Rusty Criswell: 2nd-Saddle Bronc.

### ASU Symposium

Three nationally recognized scholars from the fields of political science and international affairs will be the guest lecturers for the Eighth Annual University Symposium at Angelo State University, Monday and Tuesday, Oct. 28-29 in the Houston Harte University Ballroom.

The 1991 University Symposium will explore the area of "Life, Liberty, and the Pursuit of Happiness: The American Dream in a Changing World." The lecturers include Dr. Barbara J. Callaway, associate provost for academic affairs and professor of political science at Rutgers University, Dr. James M. McCormick, professor of political science at Iowa State University, and Dr. Barry Rubin, professional lecturer in international affairs at the John Hopkins School of Advanced International Studies in Washington, DC.

The University Symposium program begins Monday, Oct. 28 at 9:45 a.m. with Rubin delivering a lecture entitled, "Portrait of a World Turned Upside Down." McCormick will make his presentation at 2 p.m. and it is entitled, "American Values and Beliefs and the New World Order."

The Tuesday, Oct. 29 program begins at 9:30 a.m. with Callaway's lecture entitled, "American Values in a Changing World: the Challenge of Opposing Forces." The three featured speakers will take part in a panel discussion at 7:30 p.m. Dr. Bill J. Henderson, professor of government at ASU, will be the moderator.

According to Dr. E. James Holland, dean of the College of Liberal and Fine Arts at ASU and chairman of the University Symposium Committee, the annual symposium helps to enrich the academic environment at Angelo State by bringing

outstanding scholars, academicians, and artists to the campus for a program of lectures and formal and information discussions.

In addition to the formal speakers program associated with the Symposium, numerous members of the campus community engage in a semester-long inquiry into the Symposium topic.

The Symposium Committee sponsors an essay contest for students, offering cash prizes for the top entries. Dr. Terence A. Dalrymple, professor of English at ASU, is director of the essay contest. Deadline for entries is Friday, Nov. 15 and contest rules are available in all departmental offices on campus.

A special honors course in conjunction with the Symposium is conducted during the fall semester. Dr. Holland, professor of government and Dean of the College of Liberal and Fine Arts, is teaching the special topics class, University Studies 3381 - America in a Changing World. Fourteen students are involved in the seminar class.

### The Ballad Of Old Fort McKavett

Alone on a hilltop towards Heaven you reach,  
Your ruins tell a story of promises breached.  
The San Saba River still flows through your land  
Where Apaches and Comanches once fought hand to hand.

We are your children, your future, your past;  
Deep in our hearts, your memory stands fast.  
We are your children, though far we've roamed.  
Old Fort McKavett, you were our home.

Your buildings are empty, your gates are all locked,  
You're inhabited only by mesquite trees and rocks.  
You guard well our memories with your sentinels of stone.  
Old Fort McKavett, you were our home.

The soldiers are gone now, ordered away,  
Their barracks left standing, empty and gray,  
Bequeathing your care to the brave men who dared  
Remain with their families in this land dry and bare.

We are their children, their future, their past.  
Deep in our hearts, their memory stands fast.  
We are their children, though far we've roamed.  
Old Fort McKavett, you were our home.

Our families are gone now, driven away,  
To restore your old site to its former array.  
They had to submit, the State decreed:  
For their homeland belonged to posterity.

Scattered hither and yon like seeds on the wind,  
With eyes to the future, we try to fit in.  
Our trails are now asphalt, our buildings are steel  
We long for our home on your high windswept hill.

We are your children, your future, your past.  
Deep in our hearts, your memory stands fast.  
We are your children, though far we've roamed.  
Old Fort McKavett, we're coming home.

### ASU Homecoming

Angelo State University's annual Homecoming week festivities begin Monday, Oct. 14, in the Houston Harte University Center Ballroom with the presentation of the Homecoming Queen nominees.

The week of activities is highlighted Saturday, Oct. 19, with the Exes Luncheon at 11:30 a.m., a parade at 3 p.m., the Exes Mixer at the Bank of the West at 4:30 p.m. and the Homecoming football game at 7:30 p.m. at San Angelo Stadium with the Rams hosting Lone Star Conference rival Abilene Christian. The Homecoming Queen will be crowned in halftime ceremonies at the game.

Another highlight of the week's festivities is the bonfire at the corner of University and Knickerbocker after sunset Friday, Oct. 18. Other activities during the week include the student election for the Homecoming Queen on Tuesday, a style show in the University Center Ballroom Wednesday at 7 p.m., a Hawaiian Luau picnic for students between the high rise residence halls and the student carnival at the Super Slab on Thursday, and a pep rally followed by the torch parade and bonfire Friday.

The main alumni functions take place Saturday,

including the Angelo State Ex-Students Association Luncheon in the University Center Ballroom at 11:30 a.m. Cost of the luncheon is \$8 and reservations should be made by noon Thursday, Oct. 17. Reservations can be made by calling the Alumni Affairs Office at ASU at 942-2073. Distinguished alumnus Dr. Ralph Chase, Class of 1941, and Retired Faculty Member of the Year Phil George will be honored at the luncheon.

Exes will have another chance to meet at the Exes Mixer scheduled from 4:30 p.m. to 6:30 p.m. at the Bank of West at 2909 Sherwood Way. The event is free and open to all ex-students.

The Homecoming parade is scheduled for 3 p.m. Saturday with the route going west on Avenue N, then south on Johnson Street through the ASU campus.

### Jr. High Eagle Football

The seventh grade boys football team played the Iraan Braves Thursday night in Iraan. The Final score was 28-0 in favor of Iraan.

According to Coach Larry Mitchell, the team played hard, but just could not get their offensive plays to work.

On the defense, Casey Willis and Matt McCormick did very good work. Rick Gibson and Matt McCormick played well offensively.

The seventh grade plays Wall in Eldorado tonight at 5:00.

Publishers note: These young men have had a tough season due to injuries and size. They are working hard. They and their coach deserve a great deal of affirmation.

The eighth grade boys football team played Iraan in

Iraan Thursday night. Iraan won the game 45-8.

The Iraan Braves were first on the scoreboard with a touchdown. They made the extra point and brought the game to an early 7-0.

Eldorado drove the field with Johnny Arispe making a touchdown. Arispe had some good blocking from Wayne Jenkins, Jason Corbell and David Holquin. Michael O'Daniel connected with Caleb Estrada for the conversion bringing the game to 8-7.

Iraan scored on their next possession, to bring the score to 15-8.

Coach Rick Singleton said that after this, the team lost their composure. Said Coach Singleton, "We just let the game get away from us."

The eighth grade boys play Wall tonight at 6:30.

### Weight Loss Surprises Researchers

**WASHINGTON** --A nutrition organization was hopeful that a nutritionally complete "hi-tech" food tablet would help erase world hunger problems, until a study revealed that one of the ingredients could cause significant weight loss.

Although other studies and scientists may not agree, researchers in Europe found that the ingredient, a natural plant colloid, actually caused people to lose weight, even though specifically instructed not to alter normal eating patterns, according to one study published in the prestigious *British Journal of Nutrition*. Researchers in an earlier study had speculated that the weight loss was due to a decrease in the intestinal absorption of calories.

While the project of National Dietary Research, aptly named Food Source One, would not be used to successfully fulfill its original goal, the formula which has since been improved with other natural colloids has been a windfall for some over-

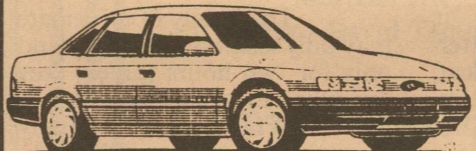

weight people. A Daytona Beach, Florida woman fighting a weight battle for 12 years used the product on the recommendation of her physician and lost 30 pounds. She stated, "Not only have I lost 30 pounds but my cholesterol has dropped from 232 to 143. I have two closets full of clothes which have not fit me in two years that I can now wear." In a separate report, a telephone interview revealed that a Wilmington, North Carolina pharmacist lost 14 pounds in 3 weeks on the product and was never hungry.

Food Source One tablets are part of National Dietary Research's comprehensive plan to bring a rapid end to obesity in this country. A variety of nutritionally sound diet plans, specially prepared by NDR, accompany each bottle and provide a natural, drug free alternative for confronting the problem of obesity.

## Texas Pharmacy Week

### Proclamation October 20-26

WHEREAS, the sophistication of health care in the United States enhances the quality of life for every man, woman, and child; and, WHEREAS, an integral part of quality health care includes drug therapy which is increasingly more sophisticated; and, WHEREAS, more than 12,000 practicing pharmacists in Texas daily apply their five years or more of training and education to dispense medications, to monitor prescriptions and non-prescription medications for the correct dosages as well as possible allergic and drug interactions; and, WHEREAS, these professional pharmacists counsel patients to help assure the maximum benefit of both prescription and non-

prescription medications; and, WHEREAS, public opinion polls consistently rank pharmacists among the most highly-respected professionals for their unselfish gifts of time, knowledge, and talent to advise the public on health concerns. NOW, THEREFORE, I, John Nikolauk Mayor of the City of Eldorado, do hereby proclaim the week, October 20-26, 1991 as "PHARMACY WEEK" in Eldorado, Texas, and urge all citizens to acknowledge and utilize the expertise of pharmacists whose skills, concern, and knowledge contribute to the health and well-being of this community. IN WITNESS THEREOF, I have set my hand and caused the seal of the City of Eldorado to be affixed this 8th day of October, 1991. John Nikolauk Mayor of Eldorado

ADVANCED TICKET SALES are available at the Sunset Mall at the Circus Vargas store front. \*11 years and younger. (No charge for children under two.)

## Boy Scouts Selling Popcorn

The Concho Valley Council of the Boy Scouts of America will be pounding the pavement starting October 21st as they kick-off their annual sale of Trail's End Gourmet Popcorn. The sale lasts through November 14th. Dr. Bill F. Bartosh, Popcorn Chairman for Concho Valley Council indicated the Scout's popcorn sale helps to provide supplemental income to finance Scouting activities for the Council, as well as individual Scouting Units. "Escalating program costs, the need for camp equipment and maintenance, as well as continued growth in youth participation, have prompted the Executive Board of the Council to seek additional sources of support," said Dr. Bartosh. Executive Board President Dick Funk

emphasized the primary income for Scouting activities will continue to come from community support through the United Way and from the Friends of Scouting campaign of the Council. "The local Scouts give a lot to our community, and by helping to support them, you are actually helping the city of San Angelo," says Carl Cummins (Scout Executive). "And what a better way to help than through the purchase of popcorn. It's a great American snack!" "We appreciate the support that our Scouting activities have received from the community and wish to express our thanks to everyone who participates," says Dr. Bartosh. "When the Scout comes to your door, welcome him. It's some of the highest quality popcorn you can buy."

## SCISD Board Meets

The regular meeting of the Board of Trustees of Schleicher County Independent School District was held on October 14, 1991, at 6:00 p.m. in the Administration Building. Ray Ballew reported on tax collections to date and asked the Board to be thinking about nominations for the Appraisal District Board. He also indicated that the school board should approve the tax roll totals for the 1991 tax year. Phil McCormick, Board President, presented Su Scott with an award given by the University Interscholastic League. She was nominated for one of ten outstanding UIL sponsor awards given across the state. Although not chosen as one of the ten, Mrs. Scott was recognized for her outstanding work with UIL programs. Elementary Principal Harold Steele presented the Elementary Campus Report to Board Members. Items reported included departmentalization of 2nd, 3rd, and 4th grades; positive results with the Saxon Math program adopted this year; 3rd grade TAAS preparation; Fall Open House on Sept. 3rd; participation in the President's Physical Fitness Program with 117 qualifiers in the 1 mile run; participation in 3rd and 4th grade 6 man football for boys and speedball

for girls; and a meeting for parents of gifted/talented students. Mr. Steele also reported that his campus is beginning the Pizza Hut BOOK IT program in which students are awarded free pizza for reading a certain number of books. Steele informed board members that an awards assembly was held at the end of the first six weeks. Students were given awards for fitness, for honor roll, for A honor roll, and Eagle Excellence ribbons for not only good grades but also for good work habits. Other recent events at the elementary include a puppet show concerning handicapped children put on by the Region XV Education Service Center. Mr. Steele noted that Fire Prevention Week will be observed with a kindergarten program, an assembly on Wednesday of Fire Prevention Week, and with all students participating in a poster contest. The elementary campus also plans to have a Saturday football-speedball exhibition in order to allow parents to watch their children play. A Halloween Carnival will be held on the Thursday of Halloween and will be sponsored by Beta Sigma Phi sorority. On Monday, November 11th, 3rd and 4th graders will give a Veterans Day program. In December, the 3rd and 4th grades will have a

caroling party and kindergartners through 2nd graders will have a Christmas Program. The PTA is sponsoring attendance awards and treats. For the first six weeks, 15 out of 17 classes received cookies and cokes for maintaining at least a 97.5% attendance rate. Mr. Steele reported that he had attended a Pre-School Conference and had gotten some good information on programs for pre-schoolers. Mr. Steele said that computers, computer furniture and math manipulatives have been purchased with federal Chapter I funds. Also, Chapter I funds are being expended to provide the district with Parent Involvement Specialists who work directly with the parents of students who are having difficulties at school. Mr. Steele also gave a facilities and equipment report. He said that the halls have been painted and bulletin boards put up to allow the display of student work. Also four new audio tape players have been purchased as well as four new TV and video disc players. These allow the use of laser disk technology in the classroom. Also five kidney shaped tables have been purchased for Mrs. Althaus' room and Mrs. Herrera's room. Dr. Blair presented the Board with a transportation report for the months of August and September. This will be a monthly item on the Board agenda since Mr. Nix has developed a computer data base that allows the tracking of all bus expenditures by bus and expense category. A note clearing the Eldorado FFA and its members of any wrongdoing was presented from the Houston Livestock Show and Rodeo Committee. Three reports detailing attendance and pass/fail rates for the first six weeks were discussed. Dr. Blair informed the Board of the need to replace approximately 450 yards of carpet in the elementary and 81 yards in the auditorium and discussed funding this with two CD's designed for that purpose and that mature in November.

Board members discussed the possibility of refunding the 1985 Series bonds in order to obtain lower interest rates. They also discussed the process of self-assessment and elected to abstain from the process at this time. Copies of two letters were shared with Board members. One letter was from Friends of The Governor's Mansion to Whitney Fuessel informing her that she has been selected to take part in the County Christmas Ornament Project. Whitney will make a Christmas ornament representing one of Schleicher County's historic structures. Also, Pat Moore, high school English teacher, received a letter from the UT Ex-Students' Association concerning the Texas Excellence Award for Scholarship and Leadership. Dr. Blair informed the Board that bids would be taken soon on property insurance. Members discussed possible bidders and the bidding process. In action items, a motion carried unanimously to recess the November Meeting in order to attend the Veterans' Day Program that the elementary school will present on November 11th at 7:00 p.m. in the high school auditorium. To facilitate the County Education District #9's tax collection, board members authorized the opening of a TexPool account and the adoption of a resolution to that effect and authorized a participation agreement. In other action items, the 1991-92 Textbook Committee was approved, and the low bid of \$12,760 from the Texas Department of Corrections for curtains and drapes for the auditorium was accepted. However, action on computer bids was tabled pending the reissuing of specifications and the taking of new bids by October 25th. After the financial report for the month of September was approved as presented and the original tax roll totals as presented for the 1991 tax year were approved, the meeting adjourned at 8:58 P.M.

## Blaylock Receives Scholarship

More than 700 incoming freshmen at Texas A&M University have been honored with scholarships recognizing outstanding academic achievements and excellence in extracurricular activities. Among the scholarships presented were: President's Endowed Scholarships, which are funded by endowments from former students and friends of Texas A&M and bear the name of the donor; President's Achievement Award Scholarships, funded by money from Texas A&M designated to support its strong institutional commitment to the principle of diversity focusing on students with African-American or Hispanic heritage; Lechner Undergraduate Fellowships, provided from a bequest by the late Walter W. Lechner, a Texas A&M former student; and McFadden Scholarships, provided by the late Ella C. McFadden Trust. Also, National Merit, National Achievement

Scholarships and Merit Plus Scholarships, which are all funded from private endowments, the Association of Former Students and Texas A&M for students who have achieved finalist or semifinalist status based on test scores. And Barnes G Noble Scholarships, established by the Barnes & Noble Texas A&M Bookstore to recognize superior students; and Terry Foundation Scholarships, established by the Terry Foundation of Houston to assist "young people who have the promise of future distinction." The scholarships are of varying monetary values ranging from several hundred to several thousand dollars per student per year. Among those receiving these scholarships were: Jay Blaylock, son of Steve and Mary Ann Blaylock of Eldorado, received the Lechner National Merit scholarship. Jay, a Lee High School graduate, is majoring in Geophysics.

Mrs. Myrta Rathbone's 1st Grade class

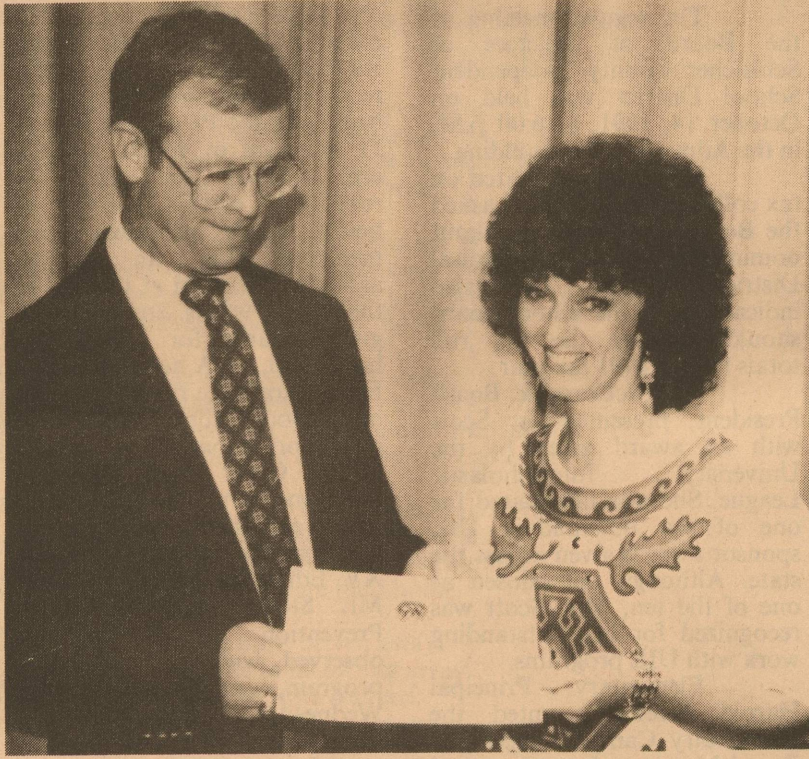

Mrs. Branda Barton's 1st Grade class

Mrs. Lynna Mikeska's 1st Grade Class

The 1st grade classes of Eldorado Elementary School recently completed a study of Nursery Rhymes. After their study, they illustrated some of the art they studied. This art was displayed at the Schleicher County Library. Mrs. Rathbone's class illustrated Hey Diddle, Diddle. Mrs. Barton's class illustrated The Cow Jumped Over The Moon. Mrs. Mikeska's class illustrated Goldilocks.

## Su Scott Honored

Ken Newman, Eldorado High School Principal, presents a UIL Award to Mrs. Su Scott, Eldorado High School UIL Coordinator. Mrs. Scott was nominated for the 1991 Denius-UIL Sponsor Excellence Award.

Su Scott, a teacher and University Interscholastic League sponsor at Eldorado High School, was one of 114 nominees for the 1991 Denius-UIL Sponsor Excellence Award, UIL Directory Bailey Marshall announced.

The Denius-UIL Sponsor Excellence Award, a first year program, seeks to highlight the contributions of sponsors to UIL scholastic competition. The award was created to identify and recognize outstanding sponsors who assist students in developing and refining their extracurricular talents to the highest degree possible within the educational system while helping them keep their personal worth separate from their success or failure in competition.

Mrs. Scott has sponsored Typewriting/Keyboarding for 15 years, Shorthand for 5 years, Accounting for 5 years and has been the UIL Coordinator for Eldorado High School for 15 years.

She has had 19 students qualify for Regional: 14 students in Typewriting/Keyboarding - five students won 1st, seven students placed 2nd, and two students placed 3rd; four students in Shorthand - 2 students won 1st, one student placed 2nd, and one student placed 3rd; one student in Accounting - placing 2nd.

She has had five students who were alternates for Regional - four for Typewriting/Keyboarding and

one student for Shorthand. Also, she has had students place in the top 6 places - Typewriting/Keyboarding - one student placed 5th and one student placed 6th.

She has had six students who qualified for State placing at Regional as follows: Typewriting/Keyboarding - one student placed 1st and three students placed 2nd; Shorthand - one student won 1st and one student placed 3rd.

In 1982 her student placed 5th in Shorthand at the State Meet, and in 1983 her student was the State Champion in Typewriting.

A panel of judges selected ten nominees to receive a \$1,000 award for their dedication to scholastic competition. Those ten winners were Leo A. Ramirez, Number Sense and Calculator sponsor at McAllen High School; Jana M.

Riggins, One-Act Play, Speech and Literary Criticism sponsor at Schertz Clemens High School; Donna Hopkins, Journalism and One-Act Play sponsor at O'Donnell High School; Don Coleman, basketball coach at Houston Memorial High School; Tom Kimbrough, football coach at Plano High School; Norma Pullin, volleyball, tennis and junior varsity basketball coach at East Bernard High School; Doyle E. McElroy, Concert Choir and Marching Band director at Sealy High School; Donnie Owens, Marching Band and Concert choir director at Dickinson High School; and Marca L. Bircher, Concert Choir and Ensemble director at

Dallas Wilson High School. "The University Interscholastic League recognizes that the quality of the benefits of educational competition for students is directly attributable to the knowledge, values, ability and enthusiasm of the sponsor, coach, or director," said Marshall.

The Denius-UIL Award was made possible by a grant from the Effic and Wofford Cain Foundation. Frank W. Denius, for whom the award is named, has been director of the Cain Foundation since 1955 and Executive Committee Chairman from 1983 until present.

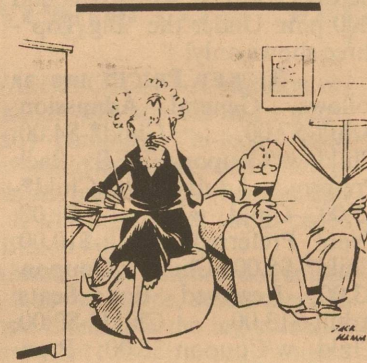

## J.V. Eagles Win Over Iraan

The Eldorado Eagle Junior Varsity overcame the Iraan J.V. in their match up on October 10. Pepper Nix opened the scoring with a touchdown reception from Farley Dakan. The Braves were playing catch up for the remainder of the game.

It was a good night for Landon Neal. Neal scored a touchdown and a two point conversion. Farley Dakan also had a good night with a fumble

recovery and an interception. According to Coach Paul Michalewicz, this was a most important win for the J.V. Said Michalewicz, "Although we still need to improve in a lot of areas, we have to consider this a big win for us, especially after such a disappointing game in Ozona. It is great to bounce back with a win."

This brings the Eagle record to 4 wins and 2 losses. They play Coahoma there Thursday night at 6:30.

**THANK YOU**  
J.R. and Dianna Goodrum would really like to thank the Ambulance Crew - Ray Ballew and Roger Powell, and Dr. Peaslee for their QUICK action during our recent emergency. Thanks for the 911 Service and the Sheriff's Department also. We would also like to thank David Templeton and Andy Spinks for riding with us to San Angelo.

Thank you so very much, The Goodrum Family  
**THANK YOU**  
In the last 4 months, the people of Eldorado have been such a support to our Mother. You called her, visited her, sent cards, letters, and flowers to her, brought her food and gifts and prayed for her. She appreciated every act of support, love, and kindness shown her. Now, in our loss, you have been her for us, her family. We appreciate everything that has been done for us at this, our saddest of times. The calls, visits, cards, letters, flowers, food, memorials, and prayers will always be remembered. A special thanks to our 911 system and Schleicher County EMS. Thanks to Gary Smith, Paul Lynn, Sherry Belk, and Lynn Meador for a beautiful service for our Mother.

Sincere Thanks To All,
