Norris Not Seeking Re-election

Harris Files for Position

Richard Harris

Sheriff Ronnie Norris has announced that he will not seek re-election in the upcoming Democratic Primary. Chief Deputy Richard Harris has filed for the office of Sheriff.

Said Sheriff Norris, "I have decided to try out some new fields. The position of Sheriff is both challenging and rewarding. I am grateful to the people of Schleicher County for giving me the opportunity to serve. I believe that Chief Deputy Harris will do a fine job if he is elected."

Harris came to work for the Sheriff's Department in April of 1988 and was named Chief Deputy in July of 1989.

He has been a member of the Eldorado Volunteer Fire Department since 1973. He has

been both training officer and President of the Fire Department. He holds an advanced certification in fire fighting and is a certified Fire Marshall. He has been the President of the Hill Country Fireman's Association and has been a co-county Fire Marshall since 1986.

Richard received his Peace Officer Certification from the Concho Valley Police Academy and he is a Cross-designated U.S. Customs Officer.

Before going into law enforcement, Richard worked for Producer's Gas Company for ten years.

He is married to Glenda Harris. They have one son, Stoney.

Gower Vies for West Texas Teen Title

Catharina Gower

Miss Catharina Gower age 15, daughter of Mr. and Mrs. George Gower of Eldorado, has been selected to be a FINALIST in the 1992 West Texas National Teen-Ager Pageant to be held on the campus of Wayland Baptist University, in Plainview, on May 29-31, 1992. The West Texas National Teen-Ager Pageant is the Official Preliminary Pageant to the 21st Annual Miss Texas National Teen-Ager Pageant to be held at Texas Christian University, Fort Worth, Texas on June 11-14, 1992.

There will be a Regional Winner and 4 Runners-up in two age divisions: 13, 14, 15 and 16, 17, 18. The Winner in each age division will receive a \$1,000 Savings Bond, an all expense paid trip to Ft. Worth to compete in the State Pageant at Texas Christian University, and 2 Full-Tuition Modeling Scholarships from Barbizon and John Robert Powers, each worth \$1,000. The Senior East Texas Teen-Ager will also receive a

Full-Tuition Scholarship to Mary Hardin-Baylor, worth \$4,000, a scholarship to Wayland Baptist University, among other schools. The West Texas Teen-Ager Pageant will also be awarding over \$29,000 in Tuition Scholarships from various universities during the pageant weekend. Every Contestant will receive a \$200 Scholarship to both Barbizon and John Robert Powers Schools of Modeling.

Each contestant accepted has the option to participate in the Volunteer Community Service Program of the National Teen-Ager Pageant. This program teaches teenagers to share and to participate in school and civic activities. Contestants will be judged on scholastic achievement-leadership, appearance, and poise-personality. There is no swimsuit competition. Talent may be presented at the option of the participant or an oral essay on the subject of "What's Right

"Mr. Preston's Kids"

Eldorado Kindergarten

Kindergarten has suffered a great loss. Mr. Dick Preston's death has saddened us all. He was a loving and supportive asset to our Kindergarten program for about six years. Mr. Preston helped us when there was no V.I.P. program. He came each day to do jobs that may not have seemed important to some. Mr. Preston helped kids open milk cartons, zip jackets and tie

shoes, as well as perform numerous other tasks. The most important things he did for children were things that no one could see. Mr. Preston loved all the children in our school. He took time each day to do and say the little things that can make people of all ages feel loved and important. Mr. Preston always valued patriotism, honesty and respect. He worked hard to convey these values to "his kids". He never

hesitated to share a smile or wipe a tear.

As a tribute to Mr. Preston's loyal service to our children and our school, we are establishing a fund. This fund will be for "Mr. Preston's Kids." Money from the fund will be used to buy crayons, glue, shoes and lunches for children who are in need. Please feel free to

donate at any time during the school year. We hope to keep the fund active year after year. Through the fund and all our fond memories, Mr. Preston will continue to touch the lives of our children. Donations to "Mr. Preston's Kids" may be made in the Elementary office or be given to a Kindergarten teacher.

ELDORADO BUCKS CONTEST

RULES

1. Bring your ticket plus this Eldorado Bucks Ad to the Chamber office.
2. Winner must sign ticket voucher in person at Chamber office to receive prize.
3. Weekly prizes will be given away with the grand prize of two \$250.00 cash Eldorado Bucks that can be spent at participating Eldorado businesses.
4. Need not be present at drawing.

THIS WEEK'S PRIZES & WINNERS

- \$15.00 Certificate from Jerry's T.V. - #596829
- Subscription to The Eldorado Success - #596814
- \$15.00 Certificate from Love's Flowers - #596605

Participating Merchants

McCormick's Exxon, Exxon, Germania Insurance, First National Bank of Eldorado, D&L Automotive, Charlotte Steele, Star Stop Texaco, Rene's Beauty Shop, Warnock Bookkeeping and Tax Service, Shaw's Motel, Helen Faye, S&D Laundry, Softgee's Apartments, Meyer's Grocery, Mittel Insurance, Shot's, Bertha's Glamourama, Halbert LPG, Glidden's Grocery, Eldorado Pharmacy, CRSI Roustabouts, Schleicher County Medical Center, Eagle Dairy Mart, S&T Roustabouts, John Ed Meador Construction, Meador Real Estate, Jerry's T.V., Cathy's Flowers, Dr. Peaslee, H.G. Automotive, The Eldorado Success, Kim-ets Cakes, Love's Flowers, West Texas Utilities, Throp's Laun-dry, Bradley Photo, Steve Sessom-D.D.S., Casa Arispe, Perry's, Kent's Automotive, Dr. Johnson, and Production Plus.

Peaslee's Office Closed Dec. 23-Jan. 6

Dr. Peaslee will be on vacation from December 23rd to January 6th. Her office will be closed the week of Christmas (December 23rd to December 27th).

Dr. Suzanne Swenson will be staffing Dr. Peaslee's office the week of December 30th through January 6th. Dr. Swenson is a pediatrics

physician and a 1989 graduate from the University of Texas Medical School in Galveston.

Dr. Johnson's office will remain open over the holiday season. His office will be closed on Christmas Day and New Years Day. Patients may be seen through the Emergency Room which is staffed 24 hours a day, 365 days a year.

Meals On Wheels Bake Sale

The Meals On Wheels Program will hold a Bake Sale on Wednesday, December 18, from 9:00 a.m. until 2:00 p.m. at Glidden's (if the weather is bad, then it will be held inside the Dairy Mart.)

The bake sale will include cakes, casseroles, cookies, and lots of goodies. This sale is being held to help

meet the cost of Home Delivered Meals to the home bound elderly through the winter months. The Meals Program also accepts donations and memorials.

We invite you to visit the Senior Citizens Center Monday through Friday from 10:00 a.m. to 2:00 p.m.

Commodity Recertification Date Set

Starting in January, commodities will be distributed to Senior Citizens 60 years and older at 1:00 p.m. on the Courthouse lawn, with the distribution to the public following. Commodities will be distributed in the Memorial Building if bad weather prevails.

Everyone who receives commodities should be

reminded that the recertification day is Friday, January 10, 1992 from 9:00 a.m. to 2:00 p.m. at the Schleicher County Senior Citizens Center, 106 Gillis (across from SWTEC).

For more information, call the Senior Citizens Center at 853-2123, Monday-Friday from 10:00 a.m. to 1:00 p.m.

Evans Files For Re-election

by Dorothy M. Evans

Election time is near again and I wish to announce that I am a candidate for re-election to the office of County Tax Assessor-Collector. If re-elected I will continue to perform the duties of the office with pride and dedication and I assure you that I treasure the friendship and consideration shown me by each and every one

of you.

I have complied with the State law requiring elected officials to attend schools, pass exams and become certified officials. I received all required credits for a period of five years in 1987 and recently received my final sixty continuing education units for the next five-year period. Your consideration and vote will be truly appreciated.

Editor's Journal

TOP OF THE DIVIDE

by Thomas Giovannitti

What with the William Kennedy Smith Trial and the changes in the Soviet Union there has been little time to reflect upon the coming events. Even the Thanksgiving Turkey didn't last as long as it should have.

I hope all of these aren't signs of the end of the World, mostly because I am not as prepared for the end as I would like to be.

For one thing I have not been able to think of what to get Maxine for Christmas. It isn't that my wife has everything, far from it, but I always have trouble finding out what she really wants. Maxine is one of those persons who say, "Oh, I really don't want anything." Now, I didn't just come on this earth yesterday, so I know that it is not quite true that she doesn't want

"anything".

In fact, the few times I didn't get her something I found out that nothing was not what she wanted at all.

So here I am with this dilemma; what do I get my wife? I do know what not to get her. She does not want practical things like appliances or any other tool that has worked on the other end of it. Not that she is against work; she works all the

time. She is just against getting presents that do work.

Of course there are a few standard things that I can get her but these are family predictable now and don't necessarily translate into a renewal of our marriage vows.

The car needs new shocks; Nah! I can't afford a trip to the Bahamas even if I sent her by herself. Such is the Holiday problem of a married man.

TEXAS AGRICULTURAL EXTENSION SERVICE

County Agent's Report

The Texas A&M University Research and Extension Center here will host a winter supplemental feeding workshop December 17. The Center is located north of San Angelo on U.S. Highway 87. The workshop begins at 9:00 a.m.

The program will take an in-depth look at the supplemental feeding and mineral needs of sheep, goats, cattle and wildlife. Feed costs usually represent a major expense item in livestock

budgets. Feeding needs vary greatly depending on range conditions, stage of reproduction and market factors. The workshop is designed to help producers study and possibly improve their feeding programs while saving money.

The morning's key speakers and their topics include: "Interactions: Range and Vegetation and Supplemental Feeding", Dr. Ed Huston, professor-sheep, and goat science, San Angelo;

"Mineral Nutrition: Enhancing Production Efficiency", Dr. Wayne Greene, associate professor-nutrition, College Station and "Alternate Feedstuffs", Dr. Millard Calhoun, professor-sheep and goat nutrition, San Angelo.

The morning session will conclude with a dutch-treat lunch at noon.

The afternoon speakers and their topics are: "Beef Cattle Feeding", Dr. Jerry Cowley, Extension beef and cattle specialist, San Angelo; "Sheep

and Goat Nutrition Needs", Dr. George Ahlschwede, Extension sheep and goat specialist, San Angelo; "Sheep and Goat Requirements and Feeding", Dr. Frank Craddock, Extension sheep and goat specialist, Uvalde; and "Wildlife Supplementation" Dr. Dale Rollins, Extension wildlife specialist, San Angelo.

For further information contact: Steve Byrns, communications specialist, 7887 North Highway 87, San Angelo, Texas, 76901, (915)

Our Sympathy

ISAIAS P. ESQUIVEL

Isaias P. Esquivel, 47, died Monday, December 9 in Arlington, Texas. Services will be held at 2:00 p.m. Thursday, December 12 in Greenwood Chapel. Burial will follow in Greenwood Memorial Park.

Isaias was born in Sonora, Texas and was a resident of Fort Worth for 24 years. He served in the Army during the Vietnam era, was a member of Central Baptist Church, and owner of I.P. Esquivel Trucking Co. and Esquivel Pipeline and Supply Co. He had a master plumber's license.

Survivors include his wife, Dorothy Esquivel; one son, Isaias P. Esquivel, Jr. of Ft. Worth; two daughters, Delfina Esquivel and Mary Lynn Sosa, both of Ft. Worth; two brothers, Jessie Esquivel and

Sam Esquivel, both of Ft. Worth; two sisters, Beatrice Mata of Ft. Worth, and Stella Gomez of Sonora; and three grandchildren.

Usually, when I write these little ditties, I try to include a moral of sorts. This week, however, I'm a little tired and I could use a bit of help with this article.

I will tell you a story that I heard several years ago. Then, I will give you the beginning of the "moral" and you may finish the rest for yourself.

Seems that a small Church in West Texas needed to be painted. The pastor, being a prudent man, decided that the congregation could save money if they would paint the building themselves. So, one Saturday they all gathered at the Church and the painting commenced.

Before they had finished much of the painting, the preacher realized that they were not going to have enough paint, and so, he put a bit of thinner in the paint. A little later, they were running low on paint, so he added more thinner. Soon after that, the preacher had to add even more thinner.

Finally, the job was finished and the Church was painted. BUT... the first time it rained all of that "thin paint" just washed right off the building.

Suddenly, a voice boomed from the heavens, "REPAINT AND !!!"

Till The Next Time...

MAY GOD BLESS!

Engagement Announcement

Rachel Denyes and Ray Pfluger

Rodney and Casey Holfoter, of Woodruff, South Carolina, wish to announce the engagement and approaching marriage of their daughter, Rachel Michelle Denyes to Raymond Howard Pfluger, son of Charles and Helen Pfluger. The wedding date has been set for Saturday, February 15th at the First Baptist Church of Eldorado. Dr. Chris Graham will be performing the ceremony.

Rachel is a graduate of San Angelo Central High School, and attended Howard Jr. College. Ray is a graduate of Eldorado High School, and has attended TSTI and Howard Jr. College. He is currently an Airman in the U.S. Navy.

Social Security Representative Slates December Visit

Garland Gregg, representative for the San Angelo Social Security Office, has scheduled his December visit to Eldorado. He will be at the County Courthouse on Thursday, December 19th, between 1:30 p.m. and 2:30 p.m. Anyone who wants to file a claim for benefits, get information, or transact other business with the Social Security Administration may contact him at this time.

Safe Practices With Heaters Can Avert Losses

The winter months can be harsh. Like many families last winter, a Texas couple worried about staying warm. Both were classified as legally blind, yet they relied on a small gas heater to warm their home. One evening in January, the 66-year-old woman tried to light the heater as she had on many nights. She turned on the gas, then threw lighted matches at the heater as she listened for the distinctive "whoosh" that said the fire had ignited.

Unfortunately, on that evening, the fire flared and caught her clothes on fire. Her wheelchair-bound husband couldn't tell what was happening. The woman managed to dial 9-1-1, but then panicked and ran out in the front yard. She died of burns, becoming one of 23 Texans who died in heating-related fires during 1990.

From now through February, Texans will try to stay warm by using various types of heating equipment in their homes. Unfortunately, many will discover that improperly used heaters can cause property damage, injuries and even death.

"Each year, the number of reported fire deaths increases during December, January and February," said State Fire Marshal Ernest A. Emerson. "Much of this loss is related to the misuse of heaters, and the unfortunate fact is that many, if

not most, of those fires can be prevented."

Statistics on fires are gathered through the Texas Fire Incident Reporting System (TEXFIRS), a standardized reporting program coordinated by the State Fire Marshal's Office through which more than 320 fire departments in Texas report fire incidents. Emerson said that according to TEXFIRS statistics for 1990, the misuse of heating equipment ranked as the third leading cause of residential fires. A total of 1,756 fires were caused by heating equipment, resulting in more than \$14 million in property damage. At least 110 persons were injured in those fires.

"When the causes of these fires are examined, it becomes apparent that the homeowner or resident can do several things to reduce the chance of fire in his or her home," Emerson said.

He described six fatal fires to illustrate the hazards most commonly associated with heating equipment. "In none of these fires were smoke alarms present in the home," he added. "Perhaps some of them could have been saved if a smoke alarm had been there to warn of the fire, especially since about two-thirds of these fires occurred during the night or when someone was sleeping."

*Combustible items, such as furniture or clothes,

are placed too close to the heater. Three people died when clothing was left too close to a portable gas heater. The 20-year-old woman tried to escape with an infant girl when they were overcome by the fire. An infant boy died of asphyxia.

*A portable heater is placed too close to combustible items, especially beds and furniture. An infant died when a portable electrical heater was placed too close to an upholstered chair. The fire occurred just after noon, but adults in the home were not warned of the fire because there were no smoke detectors. The infant died of asphyxia; his 2-year-old sister also suffered injuries from smoke inhalation.

*Clothing catches fire when the person comes too close to the heater. A 30-year-old man who was intoxicated was sleeping too close to a portable electric heater when his clothes contacted the heater. His clothing caught fire, and he died of burns and asphyxia.

*The heater or stove is not used or maintained properly. Three people died in a fire started by overheated heating equipment, which ignited upholstered furniture in

the room where an infant was sleeping. A 30-year-old woman and a 2-year-old boy were also sleeping when the late evening fire started. The woman and infant died of burns and asphyxia; the 2-year-old died of asphyxia.

*The heater or stove is not installed properly, allowing heat to be transferred to combustible objects such as the floor or wall. An 87-year-old man died when a chimney connector for a wood-burning stove caused the interior wall covering to catch fire.

*Central heating systems are not maintained and monitored properly. An infant boy died in an early morning fire caused by the mechanic failure of a central heating unit. The malfunction caused the ignition in the room where the boy was.

"A goal of fire prevention is to keep heat sources - such as heating equipment - away from fuel sources," Emerson said. "By taking specific actions that are simple, common sense safety precautions, everyone can help prevent home heating fires and

NOTICE OF CHANGES TO ELECTION PRECINCT BOUNDARIES

STATE OF TEXAS

§
§
§

COUNTY OF SCHLEICHER

On this 20th day of November, 1991, the Schleicher County Commissioners' Court ordered certain changes to the County Election Precincts pursuant to Chapter 42 of the Texas Election Code, such changes to become effective on January 1, 1992. The changes were necessitated in order to conform election precinct boundaries with the County Commissioner precinct boundaries adopted by the County Commissioners' Court on November 20, 1991. As amended, those election precincts affected are: Election Precinct 1 was modified along U.S. Highway 277 south of Eldorado. Election Precinct No. 2 was modified east of Eldorado along U.S. Highway 190 and extended north of U.S. 190 to the county line in the northeastern area of the County. Election Precinct No. 3 was modified to delete the northeastern area of the county. Each of the four Election Precincts were modified within the City of Eldorado and as required to conform to newly adopted County Commissioner Precincts. Additional information concerning these changes is available in the Schleicher County Judge's office, Schleicher County Courthouse.

NOTICE OF SUBMISSION OF REDISTRICTING PLAN

Schleicher County has submitted its redistricting plan adopted November 20, 1991 (Commissioner, Justice of the Peace and Constable and election), to the United States Department of Justice for its review under Section 5 of the Voting Rights Act, 42 USC § 1973c. A complete duplicate copy is available for public review in the Schleicher County Courthouse, Eldorado, Texas 76936. Any comments regarding the submission may be sent to:

Wedding Announcement

Kimberly Wallis

Kimberly Ann Case of Dallas, Texas, daughter of Mr. and Mrs. Howard Case also of Dallas, became the bride of Wade Franklin Wallis of Eldorado, son of Mr. and Mrs. Walter Wallis of Llano, Texas on Saturday, December 7th at 2:00 p.m. in the Park Cities Baptist Church of Dallas. Dr. Frank Schwall performed the ceremony. Music was provided by soloist Joe Brake and Barry Brake of San Antonio, Texas.

The bride wore a formal gown of white silk taffeta applied with Alencon Lace. The bodice, applied with seed pearls and paillettes, was fashioned with a princess neckline, which fell to a deep V back. The full skirt was embroidered with jeweled Alencon lace and flowed into a chapel length train. She carried a cascade bouquet of white roses, stephanotis, white freesia, and sprays of dendrobium orchids.

The Maid of Honor was Allison Case, sister of the bride. The Bridesmaid was

Valerie Willis of Arlington, and Janie Washburn of Dallas was the flowergirl. The bride's attendants wore tea-length gowns of navy velvet and silk faille. The dropped torso bodice featured a bateau neckline and long fitted sleeves. They carried cascade bouquets of roses, stargazer lilies, and dendrobium orchids.

The Best Man was Mark Wallis, the groom's brother, and the Groomsman was Greg Tilger of Dallas. Ushers were Darran Ancine of Lubbock, and Charles Hodge of Dallas.

A reception was held in the Ellis Parlor at Park Cities Baptist Church of Dallas. The house party included Darla Hodge, Traci Wallis, Valerie Willis, and Ned Washburn.

The rehearsal dinner was given by Mr. and Mrs. Walter Wallis at Pierre's By The Lake.

After a trip to the French West Indies, the couple will reside in Austin, Texas.

Jump Rope For Heart Successful

Thanks to the superb generosity of Schleicher County residents and/or relatives and for the hard work by the students at Eldorado Elementary, over \$2,700.00 has been donated to the American Heart Association. Over 120 students participated in the

Jump Rope for Heart and each of those did a super job.

We, the sponsors, are very proud to be a part of a worthwhile project and are especially proud to be associated daily with such fine youth.

Thank You again, Joaquine Rojas, Jo Parker, Shari Wink, and Randy Mitchel

SCISD Board Sets Public Meeting

The Board reviewed the following statistics that track growth in SCISD over the past 33 years. In light of these facts, a public meeting has been scheduled for 8:15 p.m., Wednesday, December 18, 1991 in the board room at the administration building. All citizens interested in the current enrollment numbers and possible needs for additional cafeteria and gym space are invited to attend.

SCHLEICHER COUNTY INDEPENDENT SCHOOL DISTRICT STUDENT POPULATION STATISTICS 1958-1991

Yr	Mem	Yr	Mem
1958-59	602*	1975-76	604
1959-60	602*	1976-77	592
1960-61	663*	1977-78	577
1961-62	646*	1978-79	604
1962-63	662*	1979-80	594
1963-64	675*	1980-81	609
1964-65	645*	1981-82	618
1965-66	653*	1982-83	691
1966-67	597	1983-84	707
1967-68	602	1984-85	707
1968-69	570	1985-86	747**
1969-70	561	1986-87	721
1970-71	544	1987-88	694
1971-72	575	1988-89	690
1972-73	561	1989-90	692
1973-74	587	1990-91	772**
1974-75	602	1991-92	780**

*Included Miles Elementary (the Black students attended there); approximately 25 students; located north of East Street

**High enrollments based on actual counts--all others are average enrollments; includes Pre-K

OTHER PERTINENT FACTS

*SCISD provides 3,570 square feet of cafeteria space for all students; in SCISD there is 4-58 square feet of cafeteria space per student--the state average is 8.72 square feet per pupil

*SCISD provides 13,861 square feet of gym space for all three campuses--5,620 in the elementary gym and 8,241 in the high school gym; the state average square footage per pupil is 33.21-- in SCISD it is 17.77; for the high school and seventh and eighth grades the gym space per pupil is 24.97 square feet

*In 1958, there were two P.E. classes in grades 7-12; today there are seven P.E. classes in grades 7-12

*In 1958, there were four basketball teams in grades 7-12; today there are ten basketball teams in grades 7-12

*The student population on this site has increased by 35.18% since 1958 (577 to 780)

*Available physical education space has not increased since 1958 when the new gym was built

*Enrollment projections, based on current student counts, indicate a high school student population of 251 by 1995; the previous high enrollment is 221 (current)

*The cafeteria currently seats 216 students; by 1995 student numbers will require an additional 150 available seats if students are to be fed at lunch time

*Currently, SCISD serves 24 pre-K students because of space limitations; an additional 30 are in the community that need to be served

*The addition of one more second grade student will require, by law, the addition of another second grade teacher and classroom

*Interest rates are at the lowest level since 1974

*Economic hardship has created a very competitive construction industry

*Access to all buildings could be made weather proof through proper planning

*To attain space equivalent to state averages per pupil, SCISD would need to add 3,229 square feet of cafeteria space, 12,042 square feet of gym space and 3,521 square feet of locker/dressing room space for a total of 18,792 square feet

History Books Available For Christmas

by Rene Calcote

The Schleicher County Historical Society is offering some unique Christmas gifts this holiday season. Available are "A History of Schleicher County, Texas," "Buck Bailey," and "Old Eldorado" books. Also available are 100 year old Range Cannery Labels. Each item is reasonably priced from \$5.00 to \$25.00.

Buy a unique hometown gift and receive the reward of supporting a worth while cause - The Museum.

Books are sold at: Eldorado Pharmacy, The Eldorado Success, Rene's Beauty Shop, the Schleicher County Library, City Hall and the Museum.

The Historical Society would like to take this opportunity to give a special thanks to Lorain Hamilton, Pancho Bradley, Rita Meador, Cathy and Gary Smith, Herman Walker, Bill Neff and everyone who helped put together our little "Old Eldorado" book.

ECA Class Being Offered

The Sutton County Emergency Medical Service is starting an Emergency Care Attendant Course (ECA) January 7, 1992. The class will be, on Tuesday and Thursday nights and will end March 3, 1992. Class hours are 7:00 pm to 10:00 am. There will be one class period on Saturday, February 22nd, 9:00 am until 3:00pm.

The class will consist of 48 hours in basic emergency medical training, including Cardiopulmonary Resuscitation (CPR), choking, bleeding, shock, fractures, poisoning, and various other subjects.

After successfully completing the course, the student will be registered with the Texas Department of Health as an Emergency Care Attendant (ECA).

The cost of the Class will be \$50.00 for the Texas Department of Health License Fee; \$30.00 for the textbook "First Responder-Third Edition"; and \$5.00 for handout

materials, bringing the total to \$85.00 per student. Other course cost will be absorbed by Sutton County.

This may possibly be the only 40 hour Emergency Care Attendant program given for this area in 1992, so if you are interested upgrading your emergency skills knowledge, please let us know.

HOT NEWS

Western Communication Service is pleased to announce **WIDE AREA PAGING**. With our **WIDE AREA PAGER**, you will be able to receive calls in the areas of Big Lake, San Angelo, Mertzon, Eldorado and Sterling City. The Sonora, Midland, Odessa and Abilene areas are to be added before the first of the year.

For a low monthly price of \$32.00, you will have **WIDE AREA COVERAGE** with an unlimited number of calls.

FEATURES OF THE NEW BRAVO PLUS WIDE AREA PAGER

- * An 800 toll free paging phone number
- * 25 - 30 mile radius of each town
- * Display pager with vibrate
- * Time stamps messages
- * Time displayed on pager at all times

Call (915) 658-6515 now for your Wide Area Pager and ask for Linda.

What's an Energy Saving Plan Home?

It's a home that gives you extra comfort plus lower energy bills. So check out the features an ESP home can offer.

Attic Ventilation
Proper ventilation controls summer heat build up and moisture accumulation in winter. This adds life to the building and its components.

Insulation
Insulation in the ceiling and walls in the amount appropriate for this area and climate keeps ESP homes cooler in summer and warmer in winter.

Air Distribution System
Correctly sized air ducts and proper placement of supply and return air are important considerations for an ESP home.

Heating and Cooling Equipment
Equipment is properly sized to the structure for highest efficiency. WTU recommends the all-season electric heat pump that heats in the winter and cools in the summer for year-round savings. Call WTU for details.

Air Infiltration Control
Air infiltration control helps stop uncomfortable drafts with weatherstripping, caulking, and insulation.

Windows and Doors
Insulated or storm doors and windows greatly improve both efficiency and comfort by reducing heat gain and loss in both summer and winter.

Eagle Basketball Update

SCISD Board Meets

David and Goliath? Eldorado's 5'6" Michal Martinez applies defensive pressure to 6'4" Russell Dean of Water Valley.

Stephanie Ledbetter watches as Roxanne Martinez overcomes a Water Valley Wildcat for two points.

VARSIITY BOYS
Our ball game against Brady resulted in their winning, 68-60. This was a close ball game. It was marked by defensive intensity. Both teams pressed full court. In the end, the Eagles fell a little bit short. I felt like the underlying factor in the game was that we ran out of gas at the very end of the ball game. Matt Williams and Cy Griffin led our scoring. Matt had 15 points and Cy had 14.

On the Saturday of Thanksgiving week-end, we played Comstock. We played a very poor game. It was our first long bus ride and we did not get mentally prepared for the ball game. The final score was 68-54 and that brought our record to 2-2. Matt led the scoring with 24 points, but no one else was able to break in to double figures.

Our next game was at home against Menard. We fell behind early. We were behind going into the fourth quarter. We came from behind with a great fourth quarter and won the game 65-60. Cy Griffin led the scoring with 24 points and Matt Williams had 12.

In the Sonora tournament we lost to Ballanger and Ozona. The game against Ozona marked the Varsity coaching debut of Coach Harvey Wink. The final score in the Ozona game was 63-54. According to Coach Wink, we played a pretty good ball game. The first quarter hurt us and the second quarter hurt us. We were not quite used to their press. We were a little nervous. But, we came back and out-scored them in the second half. That showed that our kids didn't quit and that we will be a factor in this year's district race.

On December 10, we played Water Valley, the 10th ranked team in Class A. This was the very first time in two years that I thought we gave the type of effort that I think is necessary to win the district. We played with all the heart and intensity of a lion. We lost 60-53, but the score wasn't decided until the very end of the ball game. On two different occasions, we got to within two points. Scoring was led by Matt Williams with 21 and T.C. Willis with 14. T.C. finally showed

enough confidence to knock down some three pointers. He hit 3 threes in a row and that really kept us in the ball game.

We are DEFINITELY on the right track now.

VARSIITY GIRLS
The girls went to Brady, but we did not play a good ball game. We lost 52-30. We were led in scoring by Stacy Reeves with 12 and Claudia Martinez with 10. It just wasn't a solid performance. The good thing about it was that we knew we were playing them first at the Sonora Tournament. We beat them 49-36. Stephanie Ledbetter led the scoring with 14. Claudia Martinez had 12 and Lindy Hardy had 11.

The Ballanger game was nip and tuck. We were one point up going into the fourth quarter, but in that quarter, they out scored us by 10. I must do a better job in relaying to the girls what I want them to do in crucial situations. We have to make sure that we get the ball into the hands of the right people and we get good shots at the last part of the ball game. This was an excellent performance. Claudia had 11

and Lindy had 10. Then we played Menard in the Sonora Tournament. We dominated the game and took third place in the tournament. We won that game 55-22. Claudia led the scoring with 19. Ericka Schooley came in with 10.

If the girls can develop depth and the boys develop confidence, then we are going to be in good shape.

Both teams play in the Iraan Tournament this week-end.

The regular meeting of the Board of Trustees of Schleicher County Independent School District was held on December 9, 1991, at 6:00 p.m. in the Administration Building.

After a lovely Christmas dinner hosted by the homemaking department, the meeting was convened and called to order by Phil McCormick, President of the Board.

Eldorado Middle School Principal Scott Barton reported on plans for the Partnership Schools Initiative. He also reported that because of lack of gym space, basketball girls are not getting sufficient practice time. Mr. Barton announced that the new computer lab has been installed and is in use by various classes. He further discussed supplying tools for the industrial technology program and the possible need for more space in the future due to the large number of students enrolled in the course.

Dr. Blair reported that as of Monday, December 2, 1991, enrollment reached an all-time high with 327 students in

the elementary grades, 234 at middle school, and 219 in high school, for a total enrollment of 780.

Board member agreed on a memorial recognition for Dick Preston in honor of his many years of voluntary service to SCISD. Also, members voted to give the superintendent flexibility in adjusting substitute pay. The financial report for the month of November was approved, and members instructed Dr. Blair to consult an attorney concerning recent Workmen's Compensation claims.

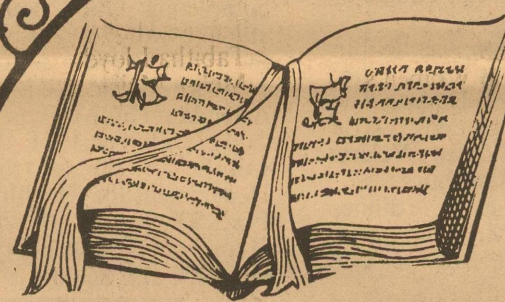

After agreeing to cast their votes equally among the five candidates for the Schleicher County Appraisal Board, members discussed enrollment and building requirements. They agreed to hold a public hearing on December 18th at 8:15 p.m. to discuss the situation.

After completing the superintendent's annual evaluation, members voted to employ Susie Richters under the alternative education program as a special education teacher at the middle school beginning January 6, 1991.

The meeting was adjourned at 10:14 p.m.

Hospital Auxiliary members Dorothy Harris and Vernell McCalla are pictured above as they decorate the Christmas tree in the Hospital.

He who refreshes others will himself be refreshed.

Safe Practices

Continued from Page 3

fire deaths." The State Fire Marshal's Office recommends these safety precautions when operating heating equipment:

1. **Keep all heaters at least THREE FEET away from combustible objects**, such as walls, curtains, drapes and furniture, especially beds. Use a yardstick or meter stick to measure the distance.

2. **Use only heating equipment that is in good operating condition.** Watch for worn electrical cords, gas leaks or faulty switches. Keep your heating equipment (including ducting) clean.

3. **Have your heating equipment, both central systems and portable equipment, serviced by a qualified expert at least once a year.** Have your fireplace, wood-burning stove and chimney inspected and cleaned at least once a year.

4. **Test your smoke alarms each week.** Install a smoke alarm if you don't have one. Contact your local fire department if you can't afford one or install one yourself. Replace the battery if it has not been changed in the past year.

5. **If your heating equipment is not safe, ASK FOR HELP.** Contact local authorities for help in improving your heating equipment or for locations of shelters in extremely cold weather.

6. **If you know someone who does not have safe, adequate heating equipment, offer help or ask a local social service agency to help.**

7. **Be sure all heaters, stoves, fireplaces and chimneys are installed and insulated properly.** Check for heating of adjacent

floors and walls, which can be very hazardous.

8. **Use only approved heaters and fuels.** Check for UL or Factory Mutual labels. Because portable heaters are illegal in some jurisdictions, check with local fire authorities to be sure that portable heaters are allowed in your area.

9. **Follow all operating instructions for your heating equipment EXACTLY.** Re-read the instructions before operating your heater.

10. **Wear close-fitting pajamas or night clothes - and avoid loose, billowy gowns or robes -** to reduce the risk of igniting your clothes by contacting heaters or cook stoves. Warn senior citizens and children to stay away from heaters.

11. **Be sure there is adequate ventilation in any area where there is an open flame.** Keep the central gas heating system ventilation ducts open. Provide ventilation for wood- or gas-fueled heaters by opening a window.

12. **Practice emergency procedures so you and your family know what to do in case of a fire:**

*Know to "stop, drop and roll" to put out the fire if your clothes catch on fire.

*Have an emergency exit plan with two exit routes from each room, and explain your plan to overnight guests. Keep your exit routes clear; don't place portable heaters near doorways or in halls.

*Hold a practice exit drill each month so everyone will know how to get out safely.

*Emphasize the importance of getting out quickly in case of fire.

Women's Club Hosts Book Review

by Juanita Taylor

The Eldorado Women's Club met in the club room of the Memorial Building on December 10th at 2:30 p.m.

After a brief business meeting, we adjourned to the auditorium for a book review given by guest Mary Robinson.

She reviewed the book "Don't Shoot" written by Bob Hope. She is a very talented lady and we all enjoyed the humorous book very much.

Refreshments were served to 18 members and 9 guests.

Arispe Files For Constable

George Arispe

George Arispe has announced his candidacy for the position of Constable of Schleicher County.

Mr. Arispe is the owner of the Casa Arispe Restaurant in Eldorado. He is 39 years old and has lived in Eldorado 33 of those years.

He is married to Annie Lou Arispe. They have five children and four grandchildren.

Mr. Arispe worked in the oil-field for 16 years before taking over the family business in 1986.

When asked why he would pay a \$300.00 filing fee for a non-paying position, Mr. Arispe answered, "I am paying the filing fee for the same reason that I am running for the position, I am not interested in taking from Schleicher County, I am interested in giving. The cost of the filing fee is not the major part of being Constable. The position of Constable will require time away from home, from my children and my business. I want this job so that I can help our community, the Citizen's of Schleicher County."

ASCS Update

Congress has approved a \$1.75 billion disaster assistance bill that will provide payments for farmers who suffered crop losses in 1990 or 1991. A number of farms suffered losses due to flooding, drought and freezes. This program will be administered through the county ASCS offices. Early reports indicate that both program and non-program crops will qualify for disaster payments. According to ASCS Director, Ronnie Mittel, more information will be forthcoming soon and all producers will be advised as to the procedure to file applications for disaster payments.

Wool and Mohair producers are reminded to file applications for incentive payments. All sales receipts for wool, mohair and unshorn

lambs should be submitted for incentive payments. Information needed to complete applications includes date of shearing, number of head shorn, unshorn lambs purchased, amount paid for freight to haul wool and mohair to the warehouse and amount paid for grading charges and other marketing deductions.

The County Committee met on Monday, December 9 at 9:30 a.m. and counted the ballots cast in the county committee election. Matt Brown was elected to a three year term. Bobby Helmers and Rick Fuessel were elected as first and second alternates respectively. Matt Brown will take office on January 1 and will be serving with Steve Williams and Mabel Freitag to administer farm and ranch programs in Schleicher County.

City Council Agenda

NOTICE OF REGULAR MEETING

Notice is hereby given of a REGULAR MEETING of the Eldorado City Council to be held Tuesday, December 10, 1991, at 7:30 P.M. at the City Hall, at which meeting the following items of business will be conducted:

- AGENDA**
1. CALL TO ORDER
 2. Meet With David Todd, Todd Engineering - Update on water tower project, wastewater plant project, proposal regarding wastewater plant compliance representation
 3. Meet With Any Citizens Present
 4. UNFINISHED BUSINESS: Review/approval of November Minutes; Review/initialling of November Tax Report; Distribution/review of November Financial Reports; Review/approval of current billings

Follow-up: Commercial Sanitation Rates; discussion/review; Proposed Ordinance #104-91 (Weeds); review by Council; Proposed

Ordinance #105-91 (Junked/Abandoned Vehicles); review; Proposed Ordinance #106-91 (Livestock); review by Council Resolution re Section 8 Housing Assistance; review/action; Resolution re Conflicts of Interest; review/action; Drug Testing Policy

Executive Session: As authorized by Article 6252-17 for the purpose of discussing purchase of property for City use (Section 3)

Open Session: Open discussion; action by the Council; Casting of votes - SCAD Board of Directors; Superintendent's Report

5. NEW BUSINESS: Authorization of Longevity; Review of Insurance Board Inspection Report

6. ADJOURNMENT
I certify that the above Notice of Regular Meeting of the City Council was posted on the front door of the City Hall at 4:30 P.M. on Friday, December 6, 1991.

City Secretary

Christmas In Olde Ballinger

by Jeanette Fadlay

The citizens and merchants of Ballinger invite you to join them in celebrating the holidays with old fashioned hometown spirit at the 3rd Annual Christmas in Olde Ballinger to be held on Saturday, December 14th from 8:00 a.m. until dark.

Stroll through our historic downtown area to see our wonderful decorations, visit our quaint shops and view our local artist's exhibit. Sign up for contests and drawings for prizes

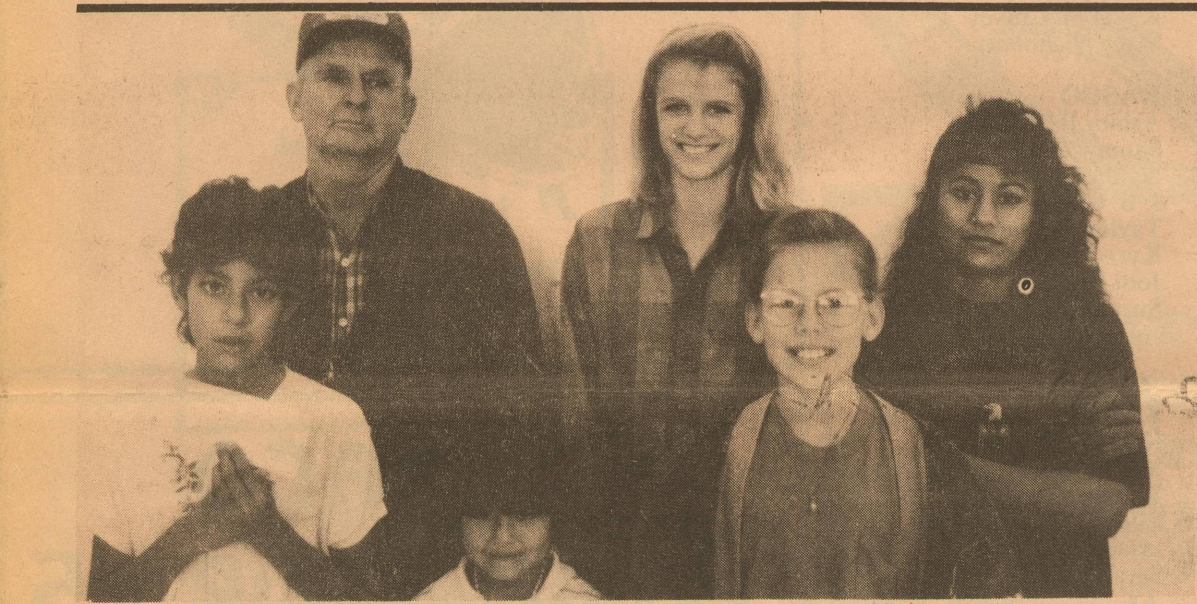

donated by our banks and stores.

A favorite stop in the past has been our arts and crafts fair held on the courthouse lawn. Our fair features many vendors from all over Texas, arts and crafts booths, games for the kids, food booths, carollers, a live nativity scene (a group project of our local churches and youth groups), turn of the century costumes, pictures with Santa, a tour of lights at dark and much more.

All events will be held rain or shine. For more information and to reserve our free booth spaces, please call The Old Park Hotel (915) 365-2453.

This is a real community effort and we all hope you'll drive out to enjoy a fun-filled day.

Happy Holidays from all of us in Ballinger!

Pictured above is Jerry Jones (top left) with the first place winners of the Fire Prevention Poster Contest. This contest was sponsored by the Eldorado Volunteer Fire Department. The winners were: (top row, L-R) Jerry Jones, Ashlie Whitten, Lou Ann Peaslee, (bottom row, L-R) Leticia Ruiz, Jennifer Rodriguez, and Katey Lively. Other winners were: Christina Redish, Lora Warren, Ashley Finley, Rachel Hunley, Chris Barajas, Lucie Templeton, Jodie Hooten, and Pam Whitten.

Elementary Christmas Programs Set

The 3rd and 4th grade students of Eldorado Elementary School will be traveling to San Angelo this Saturday, December 14, 1991 to sing Christmas Carols for Sunset Mall Shoppers. The third grade will sing from 11:00-11:30 and the fourth grade will sing from 11:35-12:15 in front of Dillard's Department Store.

"Merry Christmas U.S.A." is scheduled for December 19th at 7:00 p.m. in the High School Auditorium. The early education, pre-kindergarten, kindergarten, first and second grade classes will present a geography filled Christmas program. They will celebrate the building of the United States map with costume and song.

Make plans now to attend!

WE WISH YOU A JOYFUL AND SAFE HOLIDAY SEASON!

As you and your family celebrate during the Holiday Season, we encourage the following wise-energy-use practices:

- ✧ Make sure your tree is placed away from fireplaces, candles, space heaters, electrical appliances and other heat sources that might dry it out, or ignite it.
- ✧ Turn off tree lights overnight or when you're away from home.
- ✧ Keep paper decorations and tinsel away from hot light.

Above all, enjoy this festive time. And, greet the New Year with energy, health and happiness!

THANK YOU
The family of Billy Dean Donaldson would like to express their heartfelt thanks to everyone for the love, support, and all acts of kindness shown during our great loss. Thanks for the food, cards, calls, visits, memorials and any other deeds done. Also a special thanks to our hospital staff, to Dr. Johnson and the nurses who were so kind to us at our time of need. Without friends and loved ones at a time like this, one would not be able to endure. God Bless Each and Everyone! Clara Mae Donaldson, Sabrina and Chauncey, Gary Donaldson & Family, Larry Donaldson & Family, Walter Donaldson & Family, Donna Donaldson & Girls
