Eldorado, Texas... "Down-Home Living at the Top of the Divide!"

September 17, 1992

Eagles Battle Menard - 18-20

Michael Gamez receives a hand-off from Farley Dakan as the fake is being run by Jason Whitten.

The Eldorado Eagles allowed the Menard Yellowjackets to slip by them in their first home game of the season on Friday, September 11th. The final score was Eldorado-18 and

Menard-20.

Although the Eagles played hard, they seemed to be plagued by mistakes, penalties and plays that were called back. A 66 yard winning touchdown run was

called back due to penalties.

"We hurt ourselves with many little mistakes, but I was pleased with our effort and intensity," commented Coach Doug Kuhlmann.

Reagan Bowns recovered a Menard fumble on the 6 yard line. Eldorado scored two plays later with Michael Games going after the right side of offense.

Jason Whitten intercepted in the first quarter, Menard's second series of the game. Three plays later, Reagan Bowns scored from 13 yards out around the right side of the offense.

In the second quarter, after a Menard punt, the Eldorado offense scored on a play-action pass from Farley Dakan to Jason Whitten from 60 yards out. All P.A.T.'s failed.

Menard's scores came in the 1st quarter by Kuykendall, again in the 3rd quarter by Kuykendall, and 4th quarter a pass play from Gonzalez to Jennings. Kothmann made 2 of 3 P.A.T.'s for the Yellowjackets.

STATS

Eldorado		Menard
15	First Downs	11
210	Rushing Yards	71
81	Passing Yards	85
2/2	Fumbles/Lost	2/1
1/30	Punts/Average	3/32
5/46	Penalties/Yards	12/70
1-1	Season Record	2-0

The Eldorado Eagles will play Coleman in Coleman Friday, September 18th at 8:00 p.m. "They are a good class AAA football team with an explosive offense," stated Coach Kuhlmann.

J.V. Defeats Menard For 2nd Win Of Season

The Eldorado J.V. played the Menard Yellowjackets on Thursday, September 10th in Menard.

"The kids played extremely hard all night," stated Coach Paul Michalewicz. "We still have room to improve, but I think we are making great progress and as long as the kids play hard and keep working on better technique, we are going to have a super year."

The final score was 24-10, with Eldorado winning. Scorers for the game were: Mada Gower with two

running touchdowns, Johnny Arispe with one running touchdown and Cody McCravey with one running touchdown. Pepper Nix made an interception with a 60 yard return.

This win brings the J.V.'s record to 2-0 for the season.

Eldorado will host the Junction Eagles on Thursday, September 17th at 6:00 p.m.

"Last year we won 24-0, but we expect a closer game this year," commented Coach Michalewicz.

Tax Rate Set By County Commissioners

The Schleicher County Court of Commissioners adopted a budget and set the tax rate for 1993 at a meeting held on September 14 at the Schleicher County Courthouse.

The county tax rate is \$0.65 on each \$100.00 of assessed valuation. This is a total levy of \$1,202,175 with an estimated 97% collection rate for a total estimated collection of \$1,165,139.

The tax rate for 1992 was .4840 for the General Fund, .0437 for the Farm Market Fund and .0442 for

interest and the Sinking Fund. The 1993 rate is .5644 for the General Fund, .0414 for the Farm Market Fund and .0442 for interest and the Sinking Fund.

Although this represents a tax increase over last year, it seems to be due primarily to a \$12,576,502 decrease in assessed valuations for the county.

The population of Schleicher County was 2,990 as of 1990. Schleicher County covers an area of 1,331 square miles or 851,840 acres.

Tax Rate Proposed By School Board

The Schleicher County Independent School District Board has proposed a 0.527 tax rate per \$100 of assessed valuation which would be a \$929,706 levy. At 97% collections this would net \$901,815.

In addition to this, taxes levied for the County Education District #9 will be \$1,596,600. This tax rate is \$0.9050 per \$100 assessed valuation. This will result in a total rate of 1.4320 with a total levy of \$2,526,300.

Last years school tax

rate of \$0.3570 resulted in a levy of \$676,230 while the C.E.D. #9 tax rate of 0.7830 returned a levy of \$1,481,776. The total combined 1991 rate was \$1.14 with a total levy of \$2,158,00.

The Supreme Court of Texas has declared the County Education District funding policy to be unconstitutional. The court also mandated the levy and collections of this unconstitutional tax for the current year.

Peaslee/Castillo Attend Pediatric Life Support Course

Deborah Peaslee, M.D. and Bertha Castillo, I.V.N., of Schleicher County Medical Center, recently completed the American Heart Association's Pediatric Advanced Life Support Course in San Antonio. The course was intended for instruction to healthcare providers dealing with infants and children. Included were information for rapidly recognizing conditions potentially leading to cardiopulmonary arrest and strategies for preventing that progression, as well as knowledge and skills necessary for resuscitating victims of cardiopulmonary arrest.

The course was taught

in the form of lectures followed by hands-on experience. Small group and individual sessions allowed practical application of the skills and knowledge gained in the care of critical situations. A team approach and advanced preparation and planning for a wide range of medical emergencies were emphasized.

In a rural hospital setting, where the team of caregivers is small, every person must strive to play a larger role. Thus, continuing education (both courses and individual study) is essential, and each individual must, in turn, strive to pass on skills and information to others.

School Board Proposes 7 Single-Member Districts

On Monday night, September 15, the board of the Schleicher County Independent School District voted unanimously to propose to the voters of Schleicher County an election plan that would allow for the election of school board trustees from seven single member districts.

This plan will be developed and submitted to the Department of Justice for pre-clearance. Before the plan is implemented a public hearing will be held where registered voters of the district will be given an opportunity to comment on whether or not they are in favor of the election of trustees in the manner proposed by the board.

This board action was precipitated through a process provided by the Department of Justice, whereby concerned citizens can file complaints with the Department of Justice and

districts. Many more are in the process of moving in that direction to comply with Section 2 and Section 5 of the Voter Rights Act, written to protect the rights of minority voters. The Voter Rights Act guarantees equity to minority voters in the election process. Thereby have an avenue to open discussion about perceived inequities within the system.

An initial concern of some of Schleicher County's citizens was the lack of Hispanic representation on the Board of Trustees of the Schleicher County Independent School District. Other concerns involved treatment of school employees and students and the perceived need for Hispanic representation in teaching positions, coaching positions and administrative positions.

Many school districts throughout the state are now under seven single member

Players Prepare For Fall Performances

by Jo Ann Sproul

The Way Off-Broadway Players are rehearsing two one-act dramas for fall presentation. The plays are "The Valiant" by Holworthy Hall and Robert Middlemass, presented by special arrangement with "Bakers Plays," Boston, Mass., and "Early Frost" by Douglass Parkhurst, produced by special arrangement with Samuel French, Inc.

Both plays are interesting, moving and very powerful. "The Valiant" is set in the Warden's office in the State's Prison at Wethersfield, Conn. shortly after World

War II. "Early Frost" is set in the attic of a large two-story house in the Midwest in the 1970's.

Jim Brame, Hawley Wolfe, Smokey Taylor, Bob Lester and Trudy Niblett are cast in "The Valiant." Kara Sue Garlitz, Pansy Jay, Sarah Mankin, Hannah Wolfe, Jo Ann Sproul, Ashley Finley, and Kristen Gray complete the cast of "Early Frost." Preshow entertainment will be readers theatre, "Number Please," performed by Sundi Nix and Summer Finley.

Make plans now to see these productions on November 7th, 8th, 14th and 15th.

TWC Aquifer Plan Overturned

Travis County District Court Judge Pete Lowry ruled September 11th that the Texas Water Commission lacked the authority to declare the Edwards Aquifer an underground river.

The Texas Water Commission's actions were illegal, said S.M. True, Texas Farm Bureau President. "We've always felt the Commission didn't have the authority to regulate underground water."

Unless the TWC appeals, the court ruling nullifies Edwards rules approved by the Commission September 9th, lifts a moratorium on the drilling of new wells and voids a requirement that Edwards users file a declaration of historical use by this November 1st. The court action came in a lawsuit filed by the Texas Farm Bureau.

As of today, Edwards is by law, an aquifer - not a river - and not subject to state regulation, True said.

"Naturally we are disappointed by the ruling," said TWC Chairman John Hall. "But the ruling doesn't really change anything for the Edwards. The problem of inadequate water supplies is still there and so is a federal lawsuit that could result in

drastic restrictions on pumpage. Those restrictions, if issued, would require much greater cutbacks for all users than would have been faced under our plan."

Hall said the Commission will discuss this week whether to appeal the ruling. He also expressed optimism that Texas lawmakers will take the work done by the Commission and finish the job.

"We have achieved more consensus on a management plan for the Edwards than has ever occurred in the 40 year history of this issue," Hall said. "That work provides an excellent framework that puts the legislature very far down the road towards a successful conclusion. Our plan also has the endorsement of the U.S. Fish and Wildlife Service."

Meanwhile, trial begins October 26th in federal court in a lawsuit filed by the Sierra Club charging that overpumpage of the Edwards threatens endangered species which live in Comal and San Marcos Springs. The two springs receive about a third of their water from the Edwards. Sierra Club officials want pumpage from the Edwards reduced as much as 70 percent during dry times.

Hunter Safety Course Offered

On Monday, Tuesday and Wednesday, September 21st, 22nd and 23rd, a Hunter Safety Course will be offered.

The class will be held at the Ag Barn (next to the

roping arena) from 6:00-9:30 p.m. The cost is \$5.00 per person.

Anyone interested is invited to attend.

Editor's Journal

TOP OF THE DIVIDE by Thomas Giovannitti

Well, my son asked me why he had to learn algebra since he feels when he grows up he is going to be anything that does not require algebra. I told him the reason he has to learn algebra is so when he has children in high school he can show them how to do algebra problems.

In fact, our whole family, with exception of grandma and our fourth grader, did algebra all weekend. I forgot how much I enjoyed math, especially algebra and geometry. I have

to admit that my chosen career as an attorney does not afford many opportunities to use those algebraic formulas or the orders of operations but they were still fun to try once more. What is a pity is that my son does not, along with algebra, get a chance to study Latin. I think it might have been a mistake to take Latin out of the college preparatory curriculum. Latin, as the basis for most all western languages, is a great help in English and the study of foreign languages. On top

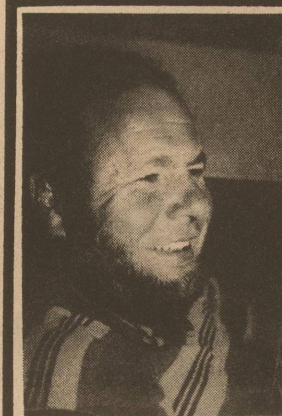

of that the discipline of declinations and conjugations helped a person concentrate especially on tense. Failing to get a verb conjugated correctly could make a Latin student pretty tense.

I am sure I am dating myself talking about taking Latin in high school but the effort involved in the translations of Virgil, Pliny, Caesar, or Cicero helped both in the enhancement of ones knowledge of ancient history but also how to use the

reference library to find "Trots". The best trot was one that had the English translation right beside the Latin. All of those books must

be gone from the library by now, maybe from every library.

I am still not quite sure what the value of "x" is but I know about the defeat of the Gauls by Julius Caesar as he rode upon his white horse on the battlefields of France, I think at a TROT!

Our Sympathy

TRUEMAN ELMO HOLCOMB

Trueman Elmo Holcomb was born to Sarah Frances and Walter William Holcomb on March 7, 1907, in Young County, Texas. He died Wednesday, September 9, 1992, at Angelo Community Hospital.

Funeral services were held at the First Baptist Church Chapel at 10:00 a.m. on Friday, September 11th with the Rev. James Andrews and the Rev. Glenn Roenfeldt officiating. Interment followed in Fairmount Cemetery directed by Robert Massie Funeral Home.

Trueman's public school education began in

Olney, Texas and continued in Seymour where he graduated from high school in 1924. He attended Decatur Baptist College for two years, then graduated from Baylor University in 1928 with a bachelor of arts degree. In 1942 he received a master of arts degree from Hardin Simmons University.

Trueman was married to Virginia Jefcoat of Vera, Texas, on September 4, 1933.

His 43 years of dedicated service in the teaching profession included teaching, coaching, and administration positions in the small schools of Baylor, Knox and Haskell counties. He served as superintendent of the Knox City Schools before coming to Eldorado in

1951 as superintendent. The last 16 years, before his retirement in 1972, were spent as elementary principal at the Day School in San Angelo. He was active in the professional organizations on the local, district, state and national levels throughout his teaching career.

Trueman's dedication to the teaching profession extended beyond the school rooms as evidenced by his active participation in community affairs, giving unselfishly of his time, talents, and abilities in working with youth and civic organizations, and church activities. He maintained high standards for both students and teachers, and inspired them to set worthwhile goals that could be reached by commitment to the task with diligence and hard work.

Trueman was a member of the First Baptist Church and the Goodfellows Class. He was a member of the Masonic Lodge 890 of Eldorado, Texas, and a 32nd Degree Scottish Rite Mason of the Austin Bodie. He was a lifetime member of the PTA and the TRTA, listed in Personalities of the South, and was a member of the 50 Year Club of Baylor University.

Trueman is survived by his wife, Mary Holcomb of San Angelo; one son, William

David Holcomb and his wife, Sue, of Miami, Florida; four grandchildren, David Holcomb, Cynthia Terry, Shanon Reid and Shelley Holcomb; and four great-grandchildren.

Pallbearers were Phillip Walker, Dr. T.A. Bankston, Doug Wells, Clois D. Henry, Lloyd Matson, and John Phillip.

Honorary pallbearers were the Goodfellow Sunday School Class of the First Baptist Church.

Memorials may be made to the donor's favorite charity organization.

ROBERT DEL ROSSON

Robert Del "R.D." Rosson, 15-month-old son of Robert Rosson and Becki Jezek of Christoval, died Wednesday, September 9, 1992, in a farm related accident in Eldorado.

Graveside services were held in the Eldorado Cemetery, directed by Kerbow Funeral Home.

Survivors include his parents; paternal grandparents, R.J. and Dorothy Rosson of Snyder; maternal grandmother, Ada Clifford of Wisconsin; maternal grandfather, Del Roy Jezek of San Angelo; and several aunts and uncles.

Scott/Lively Wed

Debby Lively

Debby Scott, daughter of Mr. and Mrs. Alvin Atnipp of San Angelo, and Jamie Dobs Lively, son of Mrs. Frank Bradley of Eldorado and Mr. Jamie W. Lively of Ingram, were married on Saturday, September 12, 1992 at the First Presbyterian Church of Eldorado. Rev. Hawley Wolfe performed the ceremony.

Marcus Scott, son of the bride, gave the bride away.

Sally Little of Eldorado was the Matron of Honor. Junior Bridesmaids were Jennifer and Katey Lively, daughters of the groom.

Jack Williams of Eldorado was the Best Man.

Ushers were John Atnipp of Del Rio, Lee Taylor

of Eldorado, Eddie Bolm of Burnet, and John Kotsch of Eldorado.

Martha Lively, daughter of the groom was the Flower Girl. The Ring Bearer was Travis Lively, son of the groom.

Debby is a graduate of Central High School of San Angelo. She is a Respiratory Care Practitioner at Concho Valley Regional Hospital in San Angelo.

Dobs is a graduate of Eldorado High School. He is a Field Superintendent for Southwest Texas Electric Coop.

After a wedding trip, the couple will reside in Eldorado, Texas.

A reception and dance was held at the Memorial Building following the wedding. A shower given by Roxanne Dey and Pam Templin was held in San Angelo on August 29th.

Shrine Circus Is Coming To Town

On Tuesday, September 22nd, the George Carden Circus, sponsored by the Tri-Cities Shrine Club, will be coming to town for two performances. The circus will be held at the Eldorado Rodeo Grounds at 4:00 p.m. and 8:00 p.m.

The George Carden Circus is a 3-Ring Circus with many exciting acts. Some of the highlights will be: Vincent Duke's Cats, Circus Clowns, Magic by Esqueda, Olmeda's Spanish Horse Fantasy, The Flying Alvarados, Pedro's Foot Juggling, Andre's Comedy Wire, Miss Yessica-Contortion, George Carden White Ponies, The Globe of Wheels and George Carden Circus Elephants.

The George Carden Circus is being sponsored by the Tri-Cities Shrine Club of Ozona, Sonora and Eldorado. It is the same circus that will travel to Big Spring on September 21st, Del Rio September 23rd, Brownwood September 24th, San Angelo September 26th, Snyder September 27th, Midland October 17th, and Abilene on October 18th.

The Shrine Club raises money for a travel fund for families who will be taking their children to the Shriner's Children's Hospital and Burn Centers. A portion of the proceeds of the Circus will go into this fund.

This is the first time in several years that this circus has been held in Eldorado. It promises to be an outstanding event with lots of family fun and excitement. Plan to join the Shrine Circus for an exciting evening!

Hartgraves To Speak At Science Symposium

Morri Dave Hartgraves, grandson of Mr. and Mrs. Claude Ledbetter of Eldorado and Mrs. Inez Hartgraves of San Angelo, will give a lecture at a Science Symposium in Anaheim, California on October 22nd.

Morri is currently

completing a Ph. D. in Neuro Chemistry at the University of North Texas in Denton, Texas. He is teaching biology, while going to school.

He is the son of Morris and Claudette Hartgraves of San Angelo, Texas and the nephew of Dan and Allene Halbert of Eldorado.

WTRC Silver Spur Ball Held

Proceeds for the West Texas Rehabilitation Center generated from the recent Silver Spur Ball totaled \$7,500.

Approximately 475 attended the annual western dance event at the Knights of Columbus hall.

A silent auction, featuring hand-crafted and donated items, accounted for \$1,255 of the total revenues.

Organized in 1991, the affair is coordinated and hosted by Benny and Sweetie Willberg of Piant Rock, Preston and Pete Dudley of

Mertzson, Bill and Mabel Freitag of Eldorado and Al and Clara Nell Waters, Floyd and Dottie Frerich, Steven and Jennifer Hoelscher and Texas Jo McCully, all of San Angelo.

"Such volunteers are one of the rehab center's strengths," said WTRC President Bill Snowden, "and their efforts genuinely are appreciated. They are the ones who help rehab provide help and hope for the handicapped."

FUMC To Hold Rummage Sale

If you would like to donate to the First United Methodist Church Rummage Sale, please take your items to the Church before Monday, September 21st. If you are unable to deliver your items, please call Mary Jo Hill at 853-2608 to have them picked up.

RESOURCE WASTE

About 80% of garbage is recyclable. Right now in Texas, we bury about six million tons of paper each year and over a million tons of glass. An astonishing 18% of the trash heap is nothing more than leaves, grass and tree trimmings landfilled at a cost of \$56 million a year. No doubt yard waste played a major role in the 2,000 landfills in Texas that have been filled and closed.

TRANSAMERICAN DIAGNOSTIC SERVICES IS PROUD TO ANNOUNCE THEIR 6TH ANNIVERSARY AND THE EXAMINATION OF THEIR 100,000TH PATIENT. ALSO OCTOBER IS NATIONAL BREAST CANCER AWARENESS MONTH. TO CELEBRATE THERE WILL BE \$1,000.00 GIVEN TO THE 100,000 PATIENT.

According to the American Cancer Society, one out of nine women in the United States will develop breast cancer sometime in her lifetime. It is currently estimated that over 37,000 women die each year as the result of breast cancer.

Transamerican Diagnostic Services has long been recognized as being the largest of its kind in the nation, both in numbers of mammograms done and the area serviced.

GUIDELINES OF SCREENING MAMMOGRAPHY ESTABLISHED BY THE AMERICAN CANCER SOCIETY.

I. Begin mammography by age 40 - One baseline mammogram

II. 40-50 years of age - A mammogram every 1-2 years depending on breast type and risk factor.

III. 50 years of age and over - An annual physical examination and annual mammogram.

IV. Asymptomatic women under 50 years of age with significant high risk factors should be examined at appropriate intervals. These risk factors should be examined at appropriate intervals. These risk factors include previous breast cancer and family history of cancer.

V. A woman should have a mammogram at any age when she experiences a mass, nipple discharge, skin changes or unexplained breast pain.

The charge for the screening mammogram is \$70.00 which includes the Radiologist fee. The Unit accepts cash, check, Visa, Mastercard, and American Express.

Beta Sigma Phi Update

by Dorothy Dacy

Thirteen members met Monday night, September 14th in the club room of the Memorial Building. Meeting was called to order by the President, Dorothy Dacy with opening ritual being repeated. Two new pledges were welcomed to the group; Wendi Dunagan and Amy Redwine. We hope to have more at our next meeting.

Several upcoming events were discussed, including the Halloween Carnival on Saturday, October 31st and the annual New Year's Eve Dance on Thursday, December 31st.

If your group or organization would be interested in having a booth at this year's Carnival, please contact Charlotte Crain at 853-3084 for more information.

We have a fantastic band booked for the New Year's Eve Dance. *Rebel Heart* from San Angelo will be the entertainment, so make plans now to celebrate with us.

We discussed the

upcoming West Texas Area Convention to be held in Lubbock on October 9th, 10th and 11th. Several members are making plans to attend.

Guest speaker was Pat Sykes. She discussed the Chamber Pride activities and the recycling program. It was a very informative presentation. Barbara Jackson volunteered to be our Environmental Minute Chairman representative to contribute to this wonderful cause.

Meeting was adjourned and closing ritual was repeated. Refreshments of finger sandwiches, vegetables, chips and dips and cokes were served by the Executive Board Members: Dorothy Dacy, Flora Hubble, Caroline Hight, Linda Lindsey and Sheila Prater.

Our next meeting will be held on Monday, September 28, 1992 at 7:00 p.m. in the Club Room of the Memorial Building. We are looking forward to a great year in Beta Sigma Phi!

Eden Fall Fest & Homecoming Set

Friday and Saturday, September 18th and 19th, Eden will host it's Fall Fest and Homecoming.

A Homecoming Parade will kick-off the weekend at 2:45 p.m. downtown on Friday afternoon. The Homecoming Game will be held at 8:00 on Friday night at Sanders Field.

Saturday's events will begin at 7:30 with a Pancake Breakfast at City Hall. Another parade will be held at 10:00 a.m. downtown on Saturday. Arts & crafts and food booths will be set up all day around the square.

The Concho County "Country Fair" will be held from 9:00 a.m. through 3:00 p.m. at the Multi Purpose Building. Entertainment will be provided at the Gazebo from 11:00 a.m. until 5:30 p.m. Games for young and old will be offered downtown all afternoon. Join the fun for the Concho County Sheep Shearing Contest downtown at 2:00 p.m.

Supper will be provided by the Eden Volunteer Fire Department at the fire hall at 5:00 p.m., followed by a Pie Auction at the Gazebo at 5:30 p.m. From 6:00-7:30 p.m., prizes will be awarded by the service club at the Gazebo.

A dance will end the events downtown from 9:00

p.m.-1:00 a.m. Music will be provided by "Southern Image."

This event is sponsored by the Eden Chamber of Commerce, Eden Service Club and the Eden Volunteer Fire Department. For more information, please contact Gary Speck at (915) 869-5511-general information; Dianne Schuder-(915) 869-5112-booths; or Paula Duwe (915) 869-6803 or David Duwe (915) 869-5131-parade.

Editorial

by Gary Smith

The Eldorado Middle School students have been collecting school supplies and money to aid in hurricane relief.

It started as a student council project, but the entire school is involved. Each class voted to decide what items to send. The seventh grade is contributing money. The sixth grade is contributing anything that can be used for writing. The fifth grade is collecting paper, notebooks

scissors and glue. The eighth grade is sending teacher supplies. Many of the students are writing letters of encouragement.

A middle school in Homestead, Florida has been contacted and students there are eager to receive the supplies. They also want to continue the relationship by having pen pals between our students and the Florida students.

I believe that our students deserve our praise. In a time in which many people are "looking out for #1", these students have been eager to share. They are learning an important lesson. Sometimes, it is good to do something just because it is the right thing to do.

These supplies will be sent directly to the school. There will be no government or administrative costs. No one will be making a profit. What we have here is just people helping people and they could use our help. If you or your business would like to help in this effort, please take your supplies, money or letters of encouragement to the Middle School or you may call the Middle School at 853-3028 or Glenda Nix at 853-3221 or Marcie Willis at 853-2671.

Barrera Graduates From SWTSU

Virginia Barrera

Virginia Barrera of Eldorado was among the 1,137 Southwest Texas State University students who were candidates for degrees awarded in summer commencement ceremonies August 14 and 15.

Donald M. Carlton, president of Radian Corp. of Austin, delivered the keynote address during the undergraduate ceremony August 15 in Strahan Coliseum. The student speaker was Paul Edward Neuse of Gonzales, who received a bachelor of business administration degree with a major in

accounting. There were 913 bachelor's and 21 associate degree candidates.

Dr. Michael Nowicki, assistant professor of health administration, delivered the commencement address at the Graduate school ceremony August 14 in Strahan Coliseum. There were 203 candidates for master's degrees.

Virginia, daughter of Mr. and Mrs. Jose A. Barrera of Eldorado, received a bachelor of science in criminal justice with a major in corrections and a minor in sociology. She is a 1987 graduate of Eldorado High School. Virginia received her Associates degree from Midland College in 1989 and completed her bachelor's degree at Southwest Texas State University in San Marcos, Texas.

While living in San Marcos, she has worked for ht City of San Marcos and was an intern for Travis County Adult Probation. She plans to seek employment in the Central Texas area and to continue to further her education.

"For All Your Insurance Needs"

Let Co-Op Know If You Are On Life-Support System

Southwest Texas Electric Cooperative line crews are constantly performing maintenance or construction projects on distribution lines, and under certain circumstances, the need arises to plan an outage to further protect our linemen. Outages can also be caused by uncontrollable circumstances such as extreme weather conditions or other acts of nature.

No matter the cause, the Cooperative tries to minimize any inconvenience that any outage may cause our members and attempts to restore the electric service the electric service to our members as soon as safely possible.

Of specific concern during any outage are those of our members who rely on electricity for a life-support system. To keep our records current, we ask those members who depend on a life-support system to any extent to complete the form here and return it to the cooperative office at P.O. Box 677, Eldorado, Texas 76936. If you have any questions or concern in this matter, please call the Member Services Department at (915) 853-2544.

Hospice Care Available In Schleicher County

Barbara Burragh, an R.N. from San Angelo, outreach coordinator, is pictured above with Rita Reeves, local Hospice Coordinator, as she goes over some of the procedures for Hospice Care Attendants.

Hospice, a non-profit organization which provides a special concept of care for the terminally ill in the comfort of their own home, is now available in Eldorado. Rita Reeves, Vita Willeke, Mary Wiseman and Anita Jones are available to help anyone who needs Hospice care in Schleicher County.

Hospice is a program that exists to provide support and care for persons in the last phases of incurable disease, so that they might live as fully and comfortably as possible. It strives to enhance quality of life by focusing on the patient and family rather than the illness.

The Hospice team composed of physicians, nurses, social workers, clergy, counselors and trained volunteers work closely with the patient and family. The team assists them in understanding and providing for their needs both as individuals and as family. Concentration is on maximizing the quality of life which remains.

Patients may be referred to Hospice by family members, friends, nurses, clergy and others. A written order from the primary physician is a prerequisite to Hospice care. The patient must have a family member, friend or someone who can serve as the primary care giver in the home and who is willing to take responsibility for primary care to the patient.

The Hospice team assists the family with the responsibilities involved in terminal illness. Hospice Care may include:

- * Visits from a registered nurse to provide the family with instruction in patient care, skilled nursing care as needed and careful monitoring of pain and symptoms to keep the patient as comfortable as possible.
- * A nurse is on call 24 hours each day.
- * Trained lay volunteers who act in the capacity of a good family friend. They may assist the family in: relief time for the primary care

giver, meal preparation, errands, grocery shopping, visits to the doctor, etc. Volunteers can also assist in legal or other necessary arrangements.

* Helping to secure necessary medical equipment which might include hospital beds, wheelchairs, walkers and supplies such as catheters, bandages and skin care items and more.

* Patient and family counseling and spiritual support provided by a medical, social or pastoral counselor.

There is no cost to the patients and families who receive services from Hospice. It operates off of donations, insurance or Medicare, and is available free of charge for anyone, regardless of financial status.

The professionals who work in the Hospice program are all licensed and qualified. Hospice services are available to any terminally ill patient regardless of race, color, sex, religion, age, handicap or national origin in compliance with Title XI of Civil Rights Act of 1964.

Any donation, bequest, memorial or other gift is always greatly appreciated. All donations to Hospice are tax deductible. All money from fund-raisers held in Schleicher County will be used only in Schleicher County.

Hospice of Schleicher County is currently in need of portable phones or beepers. If you would like to make a donation, or would like more information on Hospice care, call Rita Reeves at 853-3178 or call 1-800-499-6524.

Free Live Oak Trees

Ten free live oak trees will be given to each person who joins The National Arbor Day Foundation during September 1992.

The free trees are part of the nonprofit Foundation's Trees for America campaign.

"These magnificent wide-spreading trees will be picturesque additions to your landscape," John Rosenow, the Foundation's executive director, said. "They were selected for this campaign because of the shade and special beauty they will give your home. Live oaks grow rapidly when young and may live to be centuries old."

The trees will be shipped postpaid at the right

time for planting between October 15 and December 10 with enclosed planting instructions. The six to twelve inch trees are guaranteed to grow or they will be replaced free of charge.

Members also receive a subscription to the Foundation's news magazine, Arbor Day, which includes regular features about tree planting and care.

To become a member of the Foundation and to receive the free trees, send a \$10 membership contribution to TEN LIVE OAKS, National Arbor Day Foundation, 100 Arbor Avenue, Nebraska City, NE, 68410, by September 30, 1992.

Cattlemen's Round-Up For Crippled Children

A cattle sale to benefit West Texas Rehabilitation Center is scheduled for 1 p.m., September 24 at Producers Livestock Auction.

This new sale will be one of several regional auctions scheduled during September and October as part of Cattlemen's Round-Up for Crippled Children activities.

"We're hopeful this event at Producers will make it more convenient for West Texas area ranchers to participate as donors," said local Round-Up Chairman Carter Behrens, "and we're especially grateful to John Cargile and his staff for this opportunity to help Rehab."

Behrens added the Rehab Center chuckwagon will be on hand for the event, and donors will be invited to bring their branding irons and "brand" the wagon.

Donated cattle brought in prior to sale time may be taken to MidWest Feed Yards in San Angelo. Sheep, goats and horses will be held for one of the following special sales which also benefit Rehab:

- October 7 - Special Sale - Stephenville
- October 9 - Special Sale - Lometa
- October 10 - Horse Sale - Abilene Auction
- October 14 - Special Sale - Coleman
- October 15 - Special Sale - San Saba
- October 20 - Special Sale - Eastland
- October 24 - Special Sale - Colorado City
- October 26 - Sheep, Goat Sale - Junction
- October 27 - Special Sale - Brownwood

"If ranchers sell livestock at other times of the year, we're hopeful they will

make a pledge now to have their local auction send the Center a check when the stock does sell," Behrens added.

Persons needing to have donated animals picked up should contact Behrens at (915) 653-1427 or the Rehab Center at (915) 949-9535.

Assisting Behrens with the local CRCC effort are Mike Adams, Wayne Hudson, Andrew Lewis, Jim Nevins, Jim Thomas, Bud Upton and Jimmy Watson.

In addition to these Tom Green County volunteers, 250 other ranchers and community leaders throughout the Southwest promote Round-Up activities in their communities and ask neighbors to join them in donating to the 1992 drive which has a goal of \$272,000.

Since 1960 this annual rounding up of livestock has generated treatment dollars for Rehab Center out-patient facilities in San Angelo and Abilene which serve 13,000 handicapped children and adults annually.

Abilene agribusinessman James M. Alexander serves as general chairman for this 33rd annual Round-Up fundraiser. Assisting as honorary national chairman is Rex Allen, veteran entertainer and celebrity friend of West Texas Rehab Center.

Notice of Public Hearing on Tax Increase

The Schleicher County ISD Board of Trustees will hold a public hearing on a proposal to increase total tax revenues from properties on the tax roll in 1992 by 37.96 percent. Your individual taxes may increase at a greater or lesser rate, or even decrease, depending on the change in the taxable value of your property in relation to the change in taxable value of all other property.

The public hearing will be held on Thursday, September 24, 1992 at 6 p.m. in the Board Room of the School Administration Building.

FOR the proposal: Phil McCormick, Chris McCravey, Tip Finley, Ilse Williams, Lynn Williams, Scott McGregor
 AGAINST the proposal: None
 PRESENT and not voting: None
 ABSENT: None

The statement above shows the percentage increase the proposed rate represents over the effective tax rate that the unit published on August 13, 1992. The following table compares taxes on an average home in this taxing unit last year to taxes proposed on the average home this year. Again, your individual taxes may be higher or lower, depending on the taxable value of your property.

	Last Year	This Year
Average home value	\$18,121	\$18,197
General exemptions available (amount available on the average home, not including senior citizen's or disabled person's exemptions)	\$10,000	\$10,000
Average taxable value	\$8,121	\$8,197
Tax rate	0.357/\$100	0.527/\$100
Tax*	\$28.99	\$43.20

Under the proposal taxes on the average home would increase by \$14.21 or 49.01 percent compared with last year's taxes. Comparing tax rates without adjusting for changes in property value, the tax rate would increase by \$0.17 per \$100 of taxable value or 47.62 percent compared to last year's tax rate. These tax rate figures are not adjusted for changes in the taxable value of property.

Farm Safety For "Just Kids"

In conjunction with National Farm Safety Week, September 20-26, 1992, the Farmers Home Administration (FmHA), an agency of the United States Department of Agriculture, has again selected the Farm Safety for "Just Kids" program as its public service project for 1992-1993, through its Wellness Program's Public Safety Campaign, according to Fred Greenway, FmHA County Supervisor for Schleicher County.

Farm Safety for "Just Kids" is a non-profit organization dedicated to educating parents and children about farm injury prevention. This organization stresses raising awareness levels regarding on-farm hazards. Each year, farm accidents result in the death of 300 young people and 5,000 serious injuries. The primary age group affected is 5 to 14 years old. Educational material, including a file, warning decals, and children's workbooks will be distributed by FmHA personnel throughout Texas. Over 13,000 FmHA employees nationwide will help spread the farm safety message to schools and the general public.

A Cornell University study reveals that children bear the brunt of farm

accidents when then injury rate is adjusted to account for the time each worker is in the workplace. In 1988, 35.6 percent of farm accident victims were children ranging in age from 5 to 14 years. There are three factors today which may be aggravating the dangers for children: (1) Increased mechanization; (2) New safety hazards - 50 percent of the ATV accident (900 deaths over five years) have involved children; and (3) Stressful economic conditions.

"We believe Farmers Home Administration in Texas can make a tremendous contribution to this organization in reaching thousands of children and young adults in rural areas that would have otherwise been missed," Mr. Greenway said.

LANDFILL DILEMMA

Texas currently has 700 landfills and 12 incinerators for garbage disposal. Those landfills have collective total of about 15 years of capacity remaining. And some have only 5 years or less. Recycling 25% of our garbage could extend the collective life of those landfills by at least 4 years. A 40% recycling rate would extend landfill capacity by almost 8 years. Is a 40% recycling rate possible? Japan recycles 52% of their garbage. Australia, 49%.

ASCS Update

Schleicher County producers in the county that a 1979 law implemented by Congress requires foreign investors to comply with the following: A foreign person or entity that acquires or transfers any interest other than security interest in agricultural land, is required to file form ASCS-153 to the Secretary of Agriculture no later than 90 days after the date of acquisition or transfer.

Ronnie Mittel, Schleicher County ASCS Director, wishes to remind all

High School Student Council Manned Local Labor Day Telethon Phone Lines

by Maureen Hodges

Members of the Eldorado High School Student council volunteered part of their Labor Day Weekend to answer the phone for the MDA telethon.

The Association asked that someone locally have a number that citizens could call to pledge for the telethon and council members agreed to answer the phone at the high school office. members participating were President LeeAnn Lamb, Vice-president

Adrienne Pina, parliamentarian Trent Manning. Also helping were council representatives Melanie Stricklan, Chris Meador, Shanna Edmiston, Farley Dakan, Lindsay Johnson, James Avila, Will Edmiston, Christy Ramirez, Courtney Triplett, Estella Montalvo, Carrie Green and Misty Williams.

The council would like to thank all those who called and remind them that they will receive a pledge envelope soon.

Jim Bowie Days Set

The legend of Jim Bowie's lost silver mine comes alive in Menard County once again. An arts and crafts fair, county fair and entertainment all day will kick off a weekend of fun beginning Friday, September 25 through Saturday, September 26 at the American Legion Park in downtown Menard.

Friday look through the county fair and arts and crafts items while enjoying the entertainment. Saturday enjoy a treasure hunt, gunfights, and kid's activities plus arts and crafts, county fair, hourly

drawings, tours of the Presidio, a Pony Express race and much more. Plenty of great food and drinks will be available both days.

One of the highlights on Saturday will be the Old Fiddlers Contest. Saturday night relive Jim Bowie's search for silver at the outdoor theater production of "Song of Silver".

Wrap up a great weekend in Menard dancing to the music of Southern Image at Stock Pen Crossing Park!

Happy 40th Birthday, Danny!

Mobile Mammography Service To Giveaway \$1000.00 to 100,000th Patient

Transamerican Diagnostic Services, the Mobile Mammogram Service that has been servicing this area for six years, is about to reach an unparalleled event. Some time in October the service will receive its 100,000 patient for a mammogram.

Transamerican Diagnostic Services has long been recognized as being the largest of its kind in the nation, both in numbers of mammograms done and the area serviced. The two units cover the entire state of Texas, Southern and Eastern New Mexico, Oklahoma and, on contract, as far away as Maryland, North Dakota and Virginia.

According to Rick Fleetwood, C.E. O. of Transamerican Diagnostic Services, "This is no doubt the first time any facility has

done 100,000 mammograms in a six year period. More important than the number of mammograms done, is the number of lives saved as a result of the mammograms."

Janet Eklund, marketing coordinator for Transamerican Diagnostic Services, explains there are three major events happening at the same time. Eklund explained, "Transamerican Diagnostic Services sixth anniversary is in September, the National Breast Cancer Awareness month is in October, and we will see our 100,000 patient some time in October."

Due to the three events coming so close together, Transamerican Diagnostic Service has elected to combine the three and use them as a way to say Thank you to all 100,000 women who have

visited the units, the local sponsors who have worked so diligently on arranging their visits and the physicians who have supported the unit by recognizing the need for screening mammography.

As a way to express their gratitude, Transamerican Diagnostic Services will award \$1,000.00 to the 100,000 patient to register for a mammogram. Officials will only say it will happen in the month of October, but they cannot say exactly when. Along with the \$1,000.00

award there will be a drawing every day in each city. The daily winner will receive a variety of items donated by local merchants. They will include a free mammogram for 1993, discounts on future purchases, dinners, etc.

Fleetwood went on to say, "Although we are adding fun and excitement to the patient's done in October, the bottom line is still serious. We are saving lives, and that is the most important thing to us."

Eaton Awarded ROTC Scholarship

Angelo State University Air Force ROTC Detachment 847 Cadet Corps Commander Casey Eaton of San Angelo was awarded a \$1,000 scholarship by the United Services Automobile Association (USAA) Wednesday, September 2nd.

The scholarship award recognizes the outstanding AFROTC pilot candidate in Air Force ROTC in each of the five AFROTC regions. The ASU detachment is among 37 AFROTC detachments in the Southwest Region. Ten states make up the Southwest Region, including Mississippi, Tennessee, Arkansas, Louisiana, Oklahoma, Texas, New Mexico, Arizona, California, and Hawaii.

Eligibility is limited to cadets who hold a pilot allocation, rank in the upper 10 percent of the junior class, achieved at least the 75th percentile in both the pilot

and navigator portions of the Air Force Officer Qualifying Test, and demonstrate leadership, organizational ability, and teamwork.

Eaton is the son of Darrel and Barbara Eaton of San Angelo and is a graduate of Angelo Christian Academy.

He attended field training during the summer of 1992 and received the Commandant Award and Athletic Award. The Commandant Award is presented to the top cadet at the field training site.

Criticizing is so easy to do! It doesn't take much brain power to find fault. Perhaps that is why we have more critics than constructive people. Solving problems is the only way to really help. Today, be constructive! Remember, "Changing one thing for the better is worth more than proving a thousand things are wrong."

Davis Reunion Held

Mr. and Mrs. Weldon Davis, with their children, hosted the Davis Brothers Labor Day Reunion for the seventh year, in Eldorado. Several families came on Friday and stayed until Monday. Children swam and played volleyball. Men and boys hunted dove and women played Wahoo.

Cooking was done ousted by the men, with Winiford and James Larry Davis as chief cooks. Everyone enjoyed a barbecue on Saturday afternoon.

Those in attendance were Eunice and Walter Davis, Billy, Jason and Jarrod, Mable and Charles Davis, Fred and Sharon Davis, Meggie and Jon Lindley, James and Casey Stuckey, all of Lancaster; Floyd and Charlotte Davis, Michaela, Marci and Brad of McKinney; Winiford and Steve Davis and Lorelee Collins of Clyde; Kim and Keri Davis, Ashley, Kimmi and Miranda of Patosa; Lawrence and Nancy

Wright, James Larry and Nancy Davis, Janay and Kelsey of San Angelo; Janet Rutledge, Jeremy, Julie and Joshua of Houston; Jacque Wilson, James and Jana Lyn of Pearsall; and Latrell and Wiley Kidd and Sam Cunningham of Carlsbad, New Mexico.

The atmosphere of the reunion was saddened by the loss of a brother, Chalmers, last March, and recall was made of the death of two other brothers, Chancel, in 1958, and Paul, in 1981. Their families were not represented at the reunion.

8:30 a.m.-12:00 p.m.

Everything Under The Sun
(except clothes)
Furniture, Appliances

Women's Club

by Ethel Etheredge

Seventeen members and four guests were present when the Eldorado Woman's Club opened the Fall activities with a coffee in the club room at 9:30 a.m. on September 8th.

The meeting opened with a devotional by Jewel Bailey. The pledges to the flags were led by Ora Deal. Following the business session, leader Jean Brazzel, asked the members to answer roll call by naming an item one might find in a treasure chest. The theme for the years club work is "A Treasure Chest of Memories,

Opportunities, and Challenges."

Mary McGinnes, Federation Counselor, discussed the need for federation in women's club work.

Florence Williams explained the plans for the years programs. She presented the members with copies of the yearbook. Mrs. Williams introduced Pat Sykes who explained the Chamber Pride's city beautification plans. She spoke of the need for conservation and recycling.

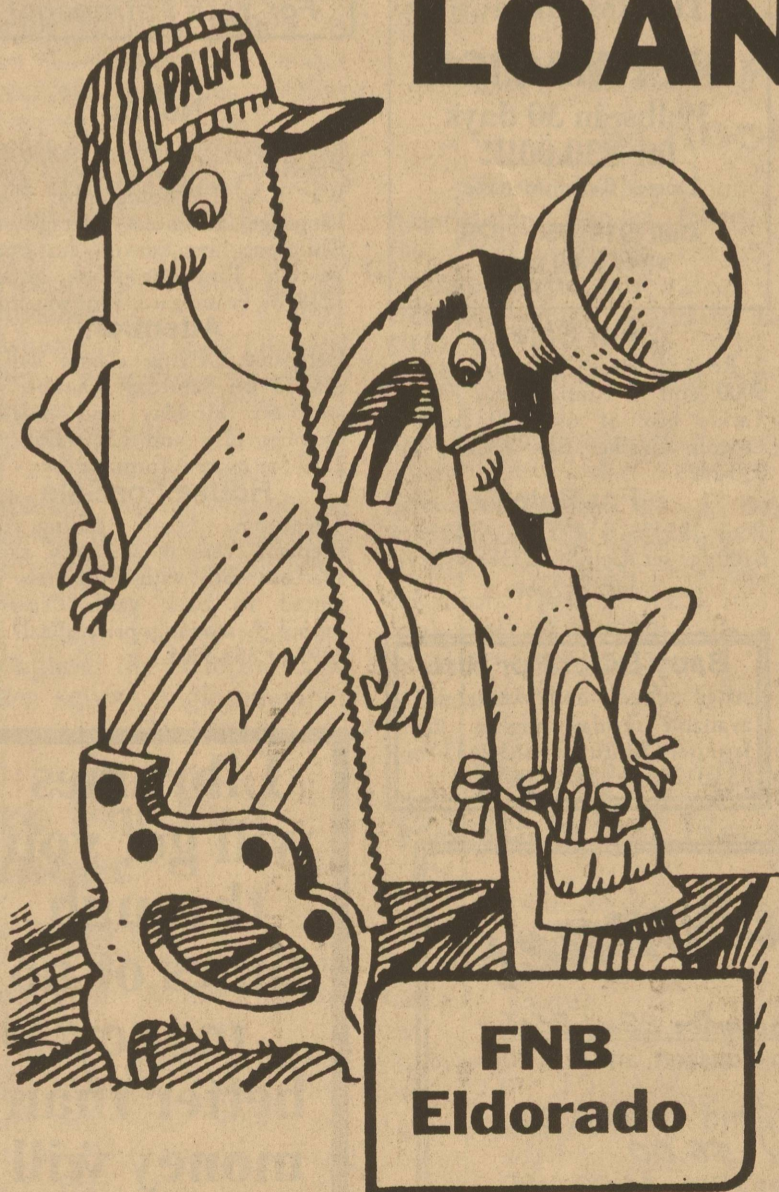

NOTICE OF COMPARABLE TAX RATES AND REVENUES

The legislature has enacted a statute on school funding to comply with a court mandate enforcing the state constitution. Under prior statutes (SB 1) the tax rate for last year provides \$ 5063.00 per student in state and local revenues. Under this statute (SB 351) that same rate now provides \$ 5344.00 per student in state and local revenues.

State law only requires a minimum tax rate of \$.9050 for county education districts. State law does not require a school district to adopt additional taxes. Neither does state law require a school district to adopt a tax rate that maximizes the receipt of state funds.

The board of trustees of the Schleicher County T.S.D. School District hereby gives notice that it is considering the adoption of a tax rate of \$ 0.527 that will provide \$ 5708.00 per student in state and local revenues.

Put These Guys To Work With Our HOME IMPROVEMENT LOAN

Fight Idle Tool Syndrome!
* Make repairs, put on new paint, add a patio...make your home a better place to live and increase its value with our Home Improvement Loan. * Visit one of our loan officers today and put those tools in motion.
