Eldorado, Texas... "Down-Home Living at the Top of the Divide!"

February 11, 1993

Page Named SMU Distinguished Alumni

Paul Page

West Texas business- man Paul Page is one of six recipients of Southern Methodist University's 1993 Distinguished Alumni Awards, presented annually by the SMU Alumni Association.

Page served on the SMU Board of Trustees from 1980-87. Through his primary business, Page Energy, he has earned the respect and confidence of mineral owners, major oil and gas companies, and independent operators. Page also is active in his community and church. His involvement includes service as an elder, teacher, and delegate to the General Assembly of the Presbyterian Church; 22 years as director of the First National Bank of Eldorado; and trustee of Schreiner College in Kerrville.

Page earned a B.B.A. from SMU in 1949. He was a student leader and an all Southwestern Conference football player in the famous backfield of Doak Walker, Kyle Rote and Dick

McKissack. Page has continued his ties with the University, serving for seven years as a trustee. He currently serves as a non-trustee member on the Committee for Student Recruitment and Financial Aid.

The other SMU award recipients are Donald D. Clayton, noted anthropologist; Robert Dennard, the engineer who developed the most popularly used electronic memory circuit; Kenneth Prewitt, senior vice president of the Rockefeller Foundation; Carl Sewell, Dallas businessman and community leader; and Susan Hering Stahl, public relations consultant and community leader.

The recipients will be honored at an awards ceremony on March 13 at 6:30 p.m. in the Promenade Ballroom of the Hughes-Trigg Student Center at SMU. Tickets are \$40 per person and are available from the SMU Office of Alumni Relations at (214) 987-7650.

Dinner Theater/Fun, Food & Friends

by Carrie Hill

The 3rd Annual Dinner Theater, sponsored by the Chamber Pride Committee, was a wonderful success. It was held Saturday, February 6 at the Memorial Building. Ninety guests were served an elegant candlelight dinner amidst a beautiful outdoor garden setting. The garden was complete with twinkling lights in the trees, a soothing water fountain, and even live birds chirping. All of this was further enhanced with the lovely piano accompaniment by Terri Green. Ed Wandling, pastor of the First United Methodist Church, provided the invocation.

Each table of guests had their own waitress to serve the wonderful dinner and dessert. The waitresses were provided through the Schleicher County 4-H Club. The girls acting as waitresses were: Erin Meador, Sabrina Samuels, Lucy Templeton, Amanda Manning, Makenzie McCravey, Sundi Nix, Victoria Mitchell, Renee Edmiston, Estella Montalvo, Kimberly Beach, Tiffany Case, Mitzi Lux, Andi Sterling, Toni Whitten, Whitney McGinnes, and Madolyn Joy.

The dinner was put together by members of the Chamber Pride Committee. The menu consisted of Honey-baked Ham, Broccoli-Cheese-Rice Casserole, Sunshine Salad, and Homemade Rolls. Cherry Delight was served for dessert.

The Chamber Pride Committee members are: Jackie Napier, Lucy Page, Jo Ann Sproul, Pat Sykes, Mary Jo Hill, Mary Barton Robinson, Charlotte Steele, Jeri Whitten, Joyce Ann Speck, Camille Green,

Carolyn Mayo, Cynthia Sauer, Carrie Hill, Susie McAngus, JoAnn Heffernan, Kathy Brewer, Mendy Wandling, Mabel Blaylock and Duge Yates.

When the dinner was over the guests then attended the first showing of "The Odd Couple" a female version. As the guests can attest, this is absolutely the most hilarious play you can imagine. Each cast member is superb in his or her part.

The dinner theater sold out two weeks before the date. There are only two performances left for this spectacular play, Friday, February 13 at 8:00 p.m. and Saturday, February 14 at 3:00 p.m. Tickets can be purchased at 853-3343 or at the door. There are a few seats still available for each performance. It is recommended to call TODAY if you wish to attend one of these performances.

The Chamber Pride Committee would also like to thank the following contributors to the Dinner Theater: Super S, Glidden Foods, Shot's, Plateau Pecans, Tom Ridgeway Florist, HEB, Mayfield Paper Co., Cathy's, Nancy Powell, Fay Dell Derrick, Madolyn Mertz, Mora Lee West, Holly Brame, Helen Page, Myrta Rathbone, Frances Peters, Shine Spigarelli, Danell McCormack, Corrine Hext, Lois Etheredge, Mary Etta Stricklan, Becky Sterling, Sharon Mittel, Becky Moore, Pam White, Susie Richters, Pansie Jay, Ronnie Sauer, Nancy Lester, Ed Wandling, David Hill, Lee Brewer, Harries Napier, Schleicher County 4-H Club, Eldorado Success, and The Way-Off Broadway Players.

Local Pianist Terri Green entertains theater goers at the first dinner theater of the season.

Sallee Hospitalized In Dallas

Allan Sallee is currently in Baylor Hospital in Dallas where he is undergoing chemotherapy treatment. According to his mother, Novella Sallee, he is not doing very well. "His throat and mouth are very sore. He is at his lowest point right now and hopes to be improving. He will be in the hospital for 2 or 3 weeks, then he will come back home for about 2 or 3 weeks. He will then return to have another super chemo treatment and a bone marrow transplant. He will stay in the hospital for 2 or 3 months

after the transplant."

The fund that was established at the First National Bank for Allan Sallee is still open for donations. The money that was collected before was used to pay the hospital and doctors in San Angelo, as far as it went. The Sallee's are in need of money to help pay for their stay in Dallas while Allan is in the hospital.

If you would like to send Allan a card, mail it to: Charles Allan Sallee, Baylor Hospital, Jonsson Building, Room J606, Junus St., Dallas, Tx. 75346.

Social Security Representative

Social Security Representative Garland Gregg will be at the Community Resource Center on Thursday, February 18th from 1:30-2:30 p.m.

Please come by and let him answer all your questions

about Social Security, filing for your Social Security numbers and etc.

If you have any questions, call the Community Resource Center at 853-2574.

Editor's Journal

TOP OF THE DIVIDE by Thomas Giovannitti

I just don't know what has happened. I guess I am just paying for my sins. You see I was one of those people who, until very recently, could eat anything and as much of it as I wanted and not gain any weight.

I have to admit I took some small pleasure in eating heartily before those poor folks who had to get by on cottage cheese and a pitted prune. Usually, if I just would worry a little I'd lose five pounds. Suddenly all that

has changed. There must be some sort of body clock that catches up with a person and from that time on everything he eats stays with him. I probably shouldn't complain, I made it to fifty before this thing really kicked in.

I have even tried exercise, walking for now, but I still gained five pounds. It just doesn't seem fair, although all those folks who used to watch me gorge myself are right now having a difficult time keeping a smirk

off of their faces.

The really tough part is that I got in the habit of eating fairly large amounts of food so when I do cut back I leave the table hungry. Well, I am sure I'll find a way to start losing weight but along with it I am going to lose my bragging rights to the pasta eating contest amount. There are worse things in life I guess - it would be even tougher if I had to give up pasta altogether.

Maybe now I'll have a

little more sympathy for those folks who have been struggling with their weight all along. They, at least, have trained themselves to eat cottage cheese, lettuce, and all those other weightless things and convince themselves they are full. It will be a long time before a bean sprout sandwich replaces a meatball sandwich in my heart. Hey! It better, or my heart might not be able to hold anymore meatballs!

Laugh and Live

I asked my wife, "Will you love me when I am old and feeble?" And she answered, "Yes, I do."

Smith

For the past month I have been working on the development of our new Success Hotline. This technology has been available to daily newspapers for quite some time, but it has been too expensive for small weekly papers.

With the help and inspiration of friends, we have been able to make it a reality for Eldorado.

Our hope is that information that you are looking for will now be more readily available.

As with anything else, there are certain limitations to our Hotline.

1. You must use a touch-tone phone.

2. So that everyone will have access to the system, callers will be limited to one feature per call. (You will be able to access several Yellow Pages selections per call.)

I believe that Eldorado is truly a wonderful place to live. I hope that the Hotline will make it just little bit better.

If you have any suggestions as to how to improve the Hotline, please let me know. It is another extension of our philosophy of having a newspaper that belongs to the entire community.

A special thank you is due to our initial sponsors. They shared this little dream. I hope that you will do business with them, the other Success advertisers and our future sponsors.

Spread the word. Call often. Thank you for your support.

'Till The Next Time...
MAY GOD BLESS!

Letter To The Editor

Dear Editor,

Recently I had the pleasure of working with 16 lovely young ladies in Jr. High and High School who are members of the Schleicher County 4-H Club. The occasion was our Dinner Theater where they so aptly acted as servers for 90 dinner guests. For those of you who have never tried this, it is no small feat!

I cannot say enough kind words about those girls. They were polite, respectful, friendly, cordial, excited, intelligent and nervous. They listened to and followed instructions, and they had fun. Thank you for your compliments and encouragement to these girls.

I'd like to express my appreciation to them, and to their parents, teachers and 4-H leader, Nancy Lester. You are a tribute to your community!

Sincerely,
Pat Sykes

Dear Editor,

Just a few lines to inform you and the people of Eldorado. Me and my wife, Jean, are purchasing the old house across from Foxworth-Galbraith Lumber Co. (The Old Telephone Building.) We have been hunting in Schleicher County for some time - at present with W.F. Edmiston. We are both retired. We don't know when we will move there, or if we will, as now.

Walter Mangum Jr.

Dear Editor,

Last year we attended a dinner theater at Eldorado and thought it was a top-notch affair. When they decided to repeat the event we thought it might possibly be as good as last year. We were wrong. It was even better. When it comes to community pride, Eldorado could write the book.

These creative ladies

liberal media may have to say, the origin and spread of aids was in the homosexual community, and the prime source is still there.

We believe that homosexuality is morally wrong and rather than encourage it by open and full recognition of them we should try to persuade them to change their lifestyle. Let's not build a Sodom and Gomorra!

We firmly believe if you will check with any military past or present, you will find over 90% join us in this opposition.

Please, Mr. President, listen to the vast majority. Minorities have their rights when they follow the law and conventions, but do not forget the rights of the majority.

Dear Mr. President, American Legion Post #257 of Eldorado, Texas and it's undersigned members wish to go on record as being strongly and unalterably opposed to allowing homosexuals and lesbians to serve in the military. We base our opposition on the following points.

We who have served in the military know how confined many military quarters can be and this could lead to exposure to these prime carriers of H.I.V. and aids.

SCISD Board Met

The regular meeting of the Board of Trustees of Schleicher County Independent School District was held on February 8, 1993 at 6:00 p.m. in the Administration Building.

Mr. Barton shared information with the board concerning the latest action on school finance. Mr. Barton also presented information on a Conference for Hispanic Students that is to be held in San Antonio in April. Board members agreed that teacher representatives need to attend to bring back information to share on the three campuses. Candi Homer, along with the Elementary Kitchen Committee, presented to the board, plans for a "sized-down" kitchen that will be located in the elementary and that will be accessible for

grades Pre-K through four. The next board meeting was moved to March 15 because of Spring Break. Mr. Barton reviewed the monthly nurse's report which included a summary of Mrs. Richter's activities for the month of January.

In action items, the board called for the election on May 1 to fill all seven school board positions. Filing dates for the school board election will be February 15 to March 17. The board approved the application for a waiver that would give career ladder teachers the option for a portfolio assessment instead of the regular TIAS appraisal. The board voted to extend the following contracts for one year: all principals, athletic director, and curriculum director.

Colder regions of the country may have enjoyed a respite from fire ants during the winter months. But cold weather doesn't mean fire ants are dead. They are just less active in the winter. As soon as the sun warms the soil, they'll be back, probably stronger than ever.

Spring is the mating season for fire ants. Soon, millions of females will rise high in the air over fields, lawns and brushland. Spring breezes will waft them miles from their starting points. They'll mate in the air, fall to earth and lay eggs from which new queens will hatch, and every new queen has the potential to start a new colony.

Fire ant mounds can be more properly called fire ant families. The family doesn't have a father, because he died early in the process. But it has a mother, the queen, and the hundreds of thousands of ants in a colony are her children. A single queen can lay as many as 2,000 eggs a day, and she can keep doing that for as long as 6 years. A singly colony can have as many as 300,000 ants and every one of them exists only to look after their queen. One way they protect her is by tasting her food and processing it through their own bodies, a procedure that takes as long as five days.

This five day waiting period for the queen's food is the main reason that the southern states of the U.S. are losing the battle against the spread of fire ants. Pesticides on the general market consist of fast poisons that kill the ants swarming on top of the mound and just below the surface. But if the ants are dead they can't feed the poison to the queen.

Add to this the fact that the ants on the surface represent only about ten percent of the colony. And

TEXAS AGRICULTURAL EXTENSION SERVICE

County Agents Report

these are usually the oldest survivors. The young, active ants are far below the surface, looking for the brood and tending their queen. These ants are incredibly sensitive to any disturbance of the mound. At the slightest sign of trouble they move the queen far away from harm. Fast poisons simply cannot kill the queen because she doesn't eat them. And "if the queen is alive - the mounds gonna thrive."

From a starting point near Mobile, Alabama, fire ants have spread steadily, taking over more and more land very year. Today, fire ant infestations cover more than 250 million acres in 13 southern states. They're also becoming a serious problem in both Hawaii and Puerto Rico and they're now beginning to show up in some western states.

Until now, nothing has been able to stop the march of the fire ant. Fortunately, a product is now on the market that can finally solve the fire ant problem. It can kill every single ant in a colony, including the queen, and it is guaranteed to work.

Called Bushwacker/ Guaranteed Fire Ant Control, this new product combines a powerful attractant, with a dilute, slow-acting poison. The poison stays in the food chain long enough to reach the queen. And then it kills her dead. No more queen. No more mound.

One application of 3 lbs. of Bushwacker per acre is usually enough to totally clear an area. Official tests by both private labs and government agencies have shown that once cleared, acreage stays free of ant mounds for a year, and

frequently much longer.

Bushwacker is a clean, dry granule that can be spread easily by hand, or with a spreader, for specified larger areas it can be broadcast from the air, using fixed wing aircraft.

Bushwacker is licensed for use in the states and territories suffering the worst infestations of fire ants. These include Alabama, Arizona, Arkansas, Florida,

Georgia, Louisiana, Mississippi, New Mexico, North Carolina, Oklahoma, South Carolina, Tennessee, Texas and Puerto Rico. It carries EPA REG. NO. 59977-1 -- EPA EST. NO. 59977-TX-1. The product is available through selected retail outlets, or by calling 1-800-422-ANTS (1-800-422-2687).

Bushwacker is a product of the Bushwacker Associates, Inc., a division of Bethurum Research & Development, Inc., P.O. Box 3456, Galveston, Texas 77552.

director, Jo Ann Sproul. This small-town genius had a dream of a theater group in Eldorado. Against overwhelming odds she put it together. The early plays showed the public how good they could be, and others began to catch the vision. The

volunteer energy of the community got behind her and the result is a theater group that would be the pride of any community. How wonderful it is to be a West Texan and to be part of such a creative culture.

"Spots of the Month"

by Carrie Hill

The Chamber Pride Committee has chosen the special residence and business in the community to serve as February "Spots of the Month."

This month the residence chosen is that of Mr. and Mrs. Phil Edmiston on Oak Street. This residence always maintains a lovely, clean yard. The business chosen for this month's honor

goes to the Pool Hall on Main Street. The area around the Pool Hall is always clean and free of trash and debris which exemplifies the message Keep Texas Beautiful officials wish to express to all businesses and citizens of each community in Texas.

A yard sign was placed in front of each of these spots and will remain in place for the remainder of February.

patients, teaching them the correct methods of rehabilitation.

On days that Susie is not at school, and there is an ambulance siren to be heard, she is very likely to be at the scene of the accident. She works closely with our Schleicher County E.M.S. personnel.

In visiting with Susie and asking her how her first days "in office" were, she stated very, very busy. Three hundred and seventy-five students were examined and many were diagnosed with flu-like symptoms and one hundred and six of those students were sent home.

February is designated as National Heart Month. Mrs. Richters will be participating with Mrs. Wink's Kids Kampus and the Country Day School in the promotion of healthy hearts. As if that were not enough, Susie also teaches a High School nurse's assistant course. Upon completion of the course, the student may become a certified nurse's assistant if he/she passes a state exam. The student will also be participating in a 24 hour practical hands-on experience in the Schleicher County Nursing Home.

As you can easily see, Susie Richters is an asset to our community, as well as to our school district.

One might be apt to say she is a "Jane of all trades!" The person we are referring to is Susie Richters.

Susie became employed with the Middle School last year as a Special Education teacher, later moved to fill a 5th grade teaching position and recently has taken on the job of school nurse.

Susie earned her B.S. in education from West Texas State University in Canyon in 1977. She then received her nursing degree from A.S.U. in 1986. Upon receiving her degree, Susie was employed

at Schleicher County Medical Center as a staff nurse. Later, she began putting her knowledge to the test by working long hours in the Shannon Emergency Room. Susie continues to work part time in the summer months at Shannon with cardiac

Beta Sigma Phi Update

by Dorothy Dacy

Xi Xi Chi & Kappa Delta Chapters of Beta Sigma Phi met on February 8th in the Corral Room of the Memorial Building. 14 members enjoyed a Valentine's Salad Supper and Secret Sister gift exchange. A brief business meeting was held, and last minute plans were made for the Middle School Valentine's Dance to

be held on Friday, February 12th.

A benefit dance for one of our members, Tammy Morley, was discussed. More information will be available about this next week. Tammy's daughter, Ashlyn, has an unidentified muscular disease. Plans are being made for the dance to be held at the 4-H Building in Sonora.

Members voted by secret ballot and Flora

Hubble was chosen our Valentine Queen for 1993. Flora is an asset to our sorority, and her kind, loving and hard working ways are appreciated by all.

The Sunshine Gifts were won by Amy Redwine and Dorothy Clark.

Hostesses for the festive evening were Mary Leigh Dunagan, Jana Key, Amy Redwine and Barbara Jackson.

Kerrville State Hospital Has New Admission Rules

Dr. Gloria P. Olsen, Superintendent of Kerrville State Hospital announced today that effective February 10, 1993, the hospital will no longer accept patients committed or referred for the treatment of only chemical dependency disorders.

The decision to discontinue services to individuals who had chemical dependency problems was made by the Texas Department of Mental Health Mental Retardation on February 12, 1992. The department made its decision based on the legislature's designation of the Texas Alcohol and Drug Abuse Commission as the agency to serve substance abuse or chemical dependency patients. Consequently, the Kerrville State Hospital was

required by TXMHMR to cease serving only substance abuse patients. However, the hospital will continue to serve dual diagnosis patients - those individuals who have substance abuse problems and mental illness.

In a letter to local county judges effected by the closure of the program, Dr. Olsen wrote "Kerrville State Hospital is aware that the discontinuation of this service will pose a problem for many of the communities we serve. We will be working to develop a list of other resources for your use, and we hope that in the coming months we can work together to encourage the development of community resources for the treatment of these individuals."

Woman's Club News

by Ethel Etheredge

Fifteen members were present when the Woman's Club met for their regular monthly meeting.

The Club President, Imogene Edmiston, opened the meeting. The opening prayer was given by Ora Deal and Winnie Helen Ratliff led the salute to the flags.

Jewel Bailey, program leader, spoke on the importance of federation in club work. Jewel asked for the roll call and each member answered with a "treasure of federation." She turned the program over to the Federation Counselor, Mary McGinnes. Mary displayed several momentos from the Eldorado Woman's Club collection which is located at the Schleicher County Library. She read a short history written for the 50th anniversary of the club. The

paper was unsigned and had been published in the 1969 issue of the Texas Club Woman magazine. As Mary read on, Willie Johnson recalled that she wrote the history in 1969. This interesting history of the early day meetings and activities of the local club and was enjoyed by everyone at the meeting.

The meeting adjourned following the reading of the Club Collect.

Refreshments were served by Gladys Mittel and Ethel Etheredge.

The next meeting will be held on Tuesday, March 9th at 2:30 p.m. in the Woman's Club Room. The program for this meeting will be an Art exhibit featuring works of Schleicher County artists. The public is invited to attend.

Boy Scout Luncheon

The Silver Beaver Award, Scoutings' highest decoration that a local council can award will be presented to three veteran volunteers at this year's Concho Valley Council Annual Luncheon to be held on Saturday February 13, 1993, in San Angelo.

The banquet, centered in the Houston Harte Ballroom at Angelo State University, will feature a

variety of recognition including; Veterans, Eagle Scouts, selected individuals and the 1993 Council Officers.

The highlight of the banquet will be the recognition of all volunteers.

This year's banquet M.C. will be Jim Hughes, and will feature the 1993 theme "Scouting, A Bridge To The Future."

ASU "College Days" Set

Angelo State University will host two "College Days" for high school seniors during the 1993 Spring Semester on Saturday, March 6 and April 3.

Prospective students and their parents are invited to the programs, which includes presentations on academic offerings, student activities and organizations, scholarship offerings and financial aid packages.

The program begins at 10 a.m. and runs through 3 p.m. both Saturdays. Registration begins at 9:15 a.m. in the Houston Harte University Center.

There is no charge for attending a College Day, and

lunch will be provided for participants.

Campus tours and visits with academic departmental personnel are also scheduled.

Faculty members, administrators, student organization leaders and representatives of the admissions, housing, financial aid and the Carr Academic Scholarship offices will be available.

The University bookstore, snack bar, and "Super Slab" recreation facility will remain open all day during the program.

For more information, contact the Office of University Affairs at (915) 942-2117.

Editor's Note: R. Santellano asked us to publish this letter, but wished that the first name not be used.

Donations are needed for R. Santellano for leg braces. The person has Muscular Dystrophy.

"I do not look handicapped, but I have a handicapped sticker on my car. I receive stares and rude

comments, such as "Where is your wheelchair," every time I park in a handicapped parking space, yet I see other people park there who do not have stickers. Sometimes one person stays in the car with the car running as if this justifies them parking there.

Donations may be taken to the Texaco Star Stop, Perry's or the First National Bank of Eldorado.

Martinez Joins Navy

Daniel Martinez recently enlisted in the United States Navy for guaranteed training in the Navy's Yeoman program.

Daniel, son of Hector and Connie Martinez of Eldorado, enlisted under the Delayed Entry Program, and will report to Recruit Training Orlando, Florida in November for active duty, where he will undergo basic training.

Upon completion of basic training, Daniel will begin seven weeks of schooling at Meridian, Mississippi in the Yeoman field.

Yeoman perform secretarial and clerical work.

They deal with visitors, telephone calls, and incoming mail. They organize files, operate duplicating equipment, and order and distribute supplies. They write and type business and social letters, notices, directives, forms, and reports. They also maintain files and officer service records.

Petty Officer Billy Williams of the San Angelo Recruiting Station, Daniel's recruiter, noted that he may go on to additional schooling, or be assigned to any one of the Navy's duty stations around the world.

Daniel is a senior at Eldorado High School.

22 FFA & 4-H Members To Attend Houston Livestock Show

10 4-H and 12 FFA members from Schleicher County will be joining other 4-H and FFA members from throughout Texas for show ring competition at the upcoming Houston Livestock Show, February 20th through March 7th at the Astrodome.

These FFA and 4-H exhibitors compete in one of two divisions of the Houston Livestock Show - the junior show division. The other division, the open show, attracts its exhibitors from the world's agricultural industry, who are primarily professional breeders and ranchers.

Entries in both the open and junior shows combine with horse show entries to make the Houston Livestock Show the world's largest.

4-H and FFA members from Schleicher County who will be participating are: Lindsey Griffin - Market

Steers; Gary Hanusch, Jr. - Market Barrows; Jodie Hooten - Market Steers; Kyle Hunter - Market Barrows; Carmen Joy - Market Lambs; Madolyn Joy - Market Lambs; Levona Lloyd - Beef Heifers; Matt McCormick - Market Steers; Whitney McGinnes - Market Lambs; Christy Robinson - Market Lambs; Cody Arendt - Market Barrows; Jimmy Barton - Market Lambs; Market Barrows; Renee Edmiston - Market Barrows; Will Edmiston - Market Barrows; Austin Hunter - Market Barrows; Eric McGinnes - Market Lambs; Lonnie Middleton - Market Barrows; Shianne Middleton - Market Barrows; Shy Lowe Middleton - Market Barrows; Kristal Nelson - Angora Goats, Breeding Sheep; Ericka Schooley - Market Lambs; Ty Williams - Market Barrows.

Representing 862 Texas 4-H clubs and FFA chapters, the junior show is expected to exceed 11,000 entries this year. A variety of animals are shown in the junior show division: market steers, market swine, market sheep, market poultry, beef and dairy heifers, breeding sheep, goats, commercial steers and breeding rabbits.

The four market animal categories (steers, sheep, swine and poultry) represent animals raised by the exhibitor as food sources. Top animals in each of these categories are eligible for their individual market auctions. Total money paid in 1992 at the four junior show auctions exceeded \$3 million.

"Our junior show is the highlight of our livestock show, placing an emphasis on education, supervised instruction and fair competition," said Steve Woodley, Houston Livestock Show and Rodeo manager.

In addition to the upcoming livestock show competition, a series of lectures, seminars and live animal demonstrations again will be on the calendar for the month of February - the International Livestock Congress. Held February 24-26, 1993, at the Sheraton Astrodome Hotel, this school focuses on lectures and seminars delivered by agricultural experts from throughout the world.

Returning to the horse show arena is the International Cutting Horse Contest, featuring competitors from several nations. This contest helps kick off the upcoming Houston Livestock Show and Rodeo beginning Wednesday, February 17. The National Cutting Horse Association World's Championship Finals is scheduled for Thursday-Sunday, February 18-21. The 1993 Horse Show also will feature competition from six

different breeds.

Barbecue cooking fans can enjoy the World's Championship Barbecue Contest beginning Friday, February 19, at 4 p.m. in the northwest corner of the Astrodome parking lot and the contest continues through Saturday, February 20.

Running pigs take to the track during the special pig racing event, held Monday-Thursday, February 22-25 at 2, 4 and 6 p.m.; Friday and Saturday, February 26 and 27 at 6, 7 and 8 p.m.; Sunday, February 28th at 9 a.m. and 2, 4 and 6 p.m. and Monday, March 1 at 10 a.m. and 2 and 4 p.m. These races are presented by Budweiser and KPRC-TV.

Also, Wal-Mart Stores Inc. and KTRK-TV will present the exciting Wild West Show in the Astrodome at 6:30 each night, Monday, February 22 through Monday, March 1.

Another fun family feature will be the Great American Petting Zoo, located in the Astroarena and sponsored by Kroger and KTRK-TV.

Across the street in the Astrodome, each rodeo performance will be enhanced with a special fireworks display as a performance finale, sponsored by Southwest Airlines.

Spectators can take advantage this year of the Coors Light Rodeo METRO Express shuttle bus service from four satellite parking

sites: West Loop Park and Ride and Gulfgate, Northline and Meyerland shopping malls. The shuttle service beginning February 20, will run from 9 a.m. to midnight Saturdays and Sundays and 5 p.m. to midnight on weeknights. The fare will be \$2 per person round trip.

All net proceeds from the annual Houston Livestock Show and Rodeo provide funds for scholarships and research projects throughout the state. Currently, more than 1,000 students receive some form of Show-sponsored financial assistance. This year's aluminum recycling program, sponsored by Browning Ferris Industries and KHOU-TV, will add to the scholarship fund through money collected in this project.

The 1993 Houston Livestock Show and Rodeo begins with horse show

competition, Wednesday, February 17 followed by other livestock competition beginning Saturday, February 20. The first rodeo performance will be held at 4 p.m. Sunday, February 21. All events conclude March 7.

Saturday matinee performances begin at 11 a.m. and the Sunday, February 28 matinee performance begins at 1 p.m. The first and final Sunday performances, February 21 and March 7, will be held at 4 p.m. All evening performances begin at 7:15 p.m.

Ticket prices are \$10 and include admission to the horse show (excluding National Cutting Horse Association sponsored events, the livestock show, the carnival and the rodeo. Tickets can be purchased at all Ticketmaster outlets, including the Astrodome box office.

Boy Scout Anniversary

How many senior citizens can go hiking, biking, camping and swimming all in their 83rd year? At least one ... the Boy Scouts of America.

The Concho Valley Council, Boy Scouts of America, will honor the 83rd year of Scouting in America with an Anniversary Week celebration. The observance starts on Sunday, February 7 with Scouting Sunday at Churches across the Concho Valley.

All week long, Concho Valley Council will host activities that include Cub Scout Blue & Gold Banquets, Scout Courts of Honor, Volunteer meetings, and conclude with its Annual Volunteer Recognition Luncheon, Noon, Angelo State University, Houston Harte Ballroom, San Angelo.

"The Boy Scouts of America believes in the youth of today because they are the future leaders of tomorrow. Anniversary Week is one way that allows Scouts from Concho Valley Council and

from all over the country to show their respect and dedication for such an important American tradition," Don Griffiths, Council President, said.

The Concho Valley Council has served more than 5,650 youth in 1992.

With 7,000 youth and adult members, the Concho Valley Council is a leader in community youth development. Since 1926, the council has been serving youth and families of Coke, Concho, Crane, Crockett, Dimmit, Edwards, Irion, Kimble, Kinney, Maverick, McCulloch, Menard, Pecos, Real, Reagan, Runtels, Schleicher, Sutton, Terrell, Tom Green, Upton, Uvalde, Val Verde, and Zavala counties. With more than 5 million youth and adult members, the Boy Scouts of America is one of the nation's largest youth development organizations. More than 88 million young people have been involved in Scouting nationally since its inception.
