Eagles Baffle Bulldogs

by Coach Doug Kuhlmann

The Eldorado Eagles beat the Eden Bulldogs 56-14 on Friday, September 3rd in their first game of the season.

We were a very opportunistic team on Friday night. We scored three touchdowns quickly in the first quarter.

Reagan Bownds had a touchdown run of 58 yards for the first score - the first time he touched the ball in the game. Casey Triplett made an interception, bringing the ball inside the ten. Two plays later, Reagan Bownds scored again from three yards out. We had another interception by Pepper Nix on Eden's second series. The very first play from that, Reagan Bownds made a 45 yard touchdown run. That placed us ahead 21-0, and in control of the game. Eden did fight back and play well, and score, making it 21-7. In the second quarter, Reagan Bownds had a 7 yard

touchdown run.

Reagan finished the night with 8 rushes for 161 yards. His all-purpose yardage was 306 yards with 6 touchdowns. Two of those touchdowns were punt returns.

Casey Triplett had 6 carries for 31 yards, Cody McCravey had 1 rush for 21 yards and a touchdown, Landon Neal was 5 for 7 yards, and Wayne Jenkins has 5 rushes for 17 yards.

We were 0-2 passing with 2 interceptions with no yardage.

Other all-purpose yardage was: Casey Triplett had 108 total yards, one was a 77 yard touchdown return on a kick-off.

This was a great way to start off the season. We still have to get better. We made some mistakes, but will continue to improve ourselves for later on.

Defensively, Cody McCravey made an interception, Landon Neal

caused 2 fumbles, Wayne Jenkins had a batted ball, Joe Sanchez had a batted ball and a fumble recovery, Carlos Estrada had a fumble recovery and he caused a fumble.

Offensive Linemen grading out were: Will Edmiston, Joe Sanchez, Eto Escarcega, Jason Porter, Cody Arendt, Roy Adame, David Wilson, Carlos Estrada and Eric McGinness.

Head Hunters (players making tackles on the kicking game) were: Travis Whitten-1, Pepper Nix-1, Landon Neal-4, Wayne Jenkins-2, Casey Triplett-5, Austin Hunter-1,

David Wilson-1, Robert Sanchez-2, Hunter Preston-3, Cody McCravey-1.

The Eagles will face Menard in Menard on Friday night, September 10th at 8:00 p.m. They will play a good, solid fundament team in the Menard Yellowjackets.

"See You At The Pole"

by Lori Stricklan

On Wednesday, September 15, 1993, students on thousands of Jr. High, High School and College campuses will continue to make history when they unite for the common purpose of prayer.

"See You At The Pole" began in 1989 as the vision of a few students in Texas who wanted to meet to pray for their families, friends, school and country. Their vision has exploded into a powerful movement of prayer that has swept from coast to coast and

worldwide, uniting students from almost every city, denomination and ethnic group.

On September 15th, Eldorado Middle School and High School students will meet at 7:30 a.m., by choice, around the flagpole at the football field. (Adults who wish to meet for prayer may meet around the flagpole on the Courthouse Lawn.)

There will be a pre-pole rally on Sunday, August 12th at 3:00 p.m. at the Community Baptist Church. Everyone is invited to attend.

J.V. Eliminates Eden

by Coach Paul Michalewicz

Last Thursday, September 2nd, the Eagles J.V. football team traveled to Eden, and won the game 50-0.

We obviously had a good offensive effort. Going into the game we were a little bit worried about the offense since we had to move our starting quarterback up to varsity due to an injury of the starting varsity quarterback. Justin Leggett, who had been playing fullback, came in and did a good job at quarterback.

Other backs who did well offensively were Johnny Joe Arispe and J.B. Barker. The line did a super job of opening up big holes. They were blowing Eden off the ball all night long. I don't believe we threw a pass all night. We didn't have a need to throw any. We controlled the

line of scrimmage and ran the ball most of the night.

Defensively, leading tackler was linebacker was Joe Rocha with 11 tackles and he caused a fumble. Defensive end Justin Leggett caused a fumble and was in on several tackles. Half-back Clemente Aguilar had one interception and two batted balls. Corner back Caleb Estrada had one batted ball and Safety Randy Adame had two interceptions defensively for us. We did a good job of setting them down. They had very few first downs and never crossed the goal line.

This week, the J.V. will not have a game. Menard did not have enough players to play a game this week on the J.V. level. Our next opponent will be on September 16th against Junction in Junction at 6:00 p.m.

Osmose To Be Treating & Testing SWTEC Poles

Southwest Texas Electric Cooperative has contracted again this year with Osmose Wood Preserving to test approximately 5000 poles on the cooperative's system. Osmose provides a systematic inspection of wood poles to evaluate their structural strength and apply supplemental preservatives to protect the pole against decay and insect damage.

Osmose personnel will be following Southwest Texas Electric Cooperative powerline and testing older poles for the

next several months. In providing this service, Osmose helps extend pole life which helps avoid the cost and inconvenience of unscheduled power outages.

Farmers and Ranchers may encounter Osmose personnel on the job. They have credentials, and also may be identified by their blue trucks with the Osmose insigne on the door. You may call the cooperative at 1-800-643-3980 if you have any questions pertaining to Osmose or pole treatment.

Letter To S.C. Citizens

Dear Schleicher County Citizens:

It will not be news to you that one more time, "Austin goofed." In the following weeks, you will find a tax notice by the Schleicher County Independent School District, announcing a 177.89% tax increase of your local school taxes. This rate increase exists on paper only; actually, YOUR LOCAL SCHOOL TAX RATE WILL NOT BE AFFECTED.

Here is what happened: Previously, the school tax was imposed by two (2) authorities: the county education district (CED) and the school district (SCISD). The new school finance law abolished the CEDs, so that now all school taxes are levied by one authority -- the school district. Unfortunately, the tax reporting laws were left unchanged. Now the school district is required by law to post its 1994 proposed total tax rate in comparison to last year's partial tax rate.

Last year, the CED imposed a tax rate of \$90.5 (per \$100.-value), and Schleicher Co. ISD imposed a tax rate of \$52.7. Together, these resulted in a combined school tax rate of \$1.4320. This year, SCISD, as the only taxing authority, is proposing a tax rate of \$1.4320. Thus the publicized "tax increase" is NOT ACTUALLY AN INCREASE. You will not have a higher tax rate this year.

We apologize for the confusion not caused by us!!!!

If you have any further concerns, please contact Scott Barton -- Superintendent, Ray Lewis Ballew -- Tax Assessor, or one of the school board members.

Thank You

Thank you again, everyone that is associated with the Schleicher County Medical Center that helped with my Retirement Party.

I would also like to thank each person that came and also for the gifts, plants, congratulatory letters and cards.

I was very touched by the proclamations I received from Pres. Bill Clinton, Congressman Lamar Smith, Gov. Ann Richards, Commissioner's Court and from the Eldorado and Sonora Mayors.

All this would not have been possible without the long hours of work by Mr. & Mrs. Jim Blum, Mr. & Mrs. Gary Smith and Dr. & Mrs. J.B. Brame. Again, thanks to each one of you.

TOP OF THE DIVIDE

by Thomas Giovannitti

I worked pretty hard on Labor day. Mario, our oldest was home for a few days. He has taken up golf. Admittedly he is only a beginner but as with all new golfers, he is very enthusiastic about the game. On occasion during my lifetime I have had only a glancing relationship with this game.

Where I grew up, South Jersey, there were no public golf courses and the country clubs even then were only for the very wealthy. My brother Carlo caddied a few summers at the Woodberry Country Club, but that was my families only link to the "links", if you know what I mean?

I went one time with my cousin, Johnny Pino, but I pulled the cart, (Riding carts were still not the vogue). After watching my cousin become a completely insane person merely because his shot over one water obstacle caused him to shoot a ten, I decided that golf was a game which could lead to serious mental disorders. There were bent clubs, huge chunks of lawn here and there and golf balls gone forever into the underbrush called "the rough".

I have gone about two

other times and actually attempted to play, but the cup is usually too far away for my liking and any minor mistake with a golf club usually resulted in a horrendous error at the other end of the shot.

With all of my prior inexperience I went with Mario and Nicolas and we played ... at golf. Ever the parent I found myself giving my sons advice which apparently was not very good advice considering our scores.

On most of the holes I managed a disrespect able three or four over par, but on the longest, a par five dog leg, I managed to hit the fence poles not once but twice sending my ball back behind the tee. When I finally hit a nice looking drive it landed in a mosquito infested swamp, (Left by the recent rains no doubt). I should have taken a penalty instead of going for the ball. I stirred up so many mosquitoes that they followed

"Our chief want in life is somebody who will make us do what we can."

Ralph Waldo Emerson

us through the next three holes. About the only thing that redeemed the day at all was that we spent it together, and we sure got some hardy laughs out of it.

I hope I didn't dampen Mario's enthusiasm for the sport. As for me, there is too big a gulf between me and golf.

SCISD Board Met

A special meeting of the Board of Trustees of Schleicher County Independent School District was held on August 30, 1993 in the Administration Building. In action items, the board hired Peggy Wheeler as the high school Spanish teacher. Blanca Martinez was hired as the Early Childhood aide, and Gloria Henderson was contracted to serve as a part-

time reading teacher/consultant. A public hearing was held after the special board meeting to give taxpayers the opportunity to have input concerning the budget for the 1993-94 school year. After the public hearing, the board convened again in a special board meeting and adopted the proposed budget for the 1993-94 school year.

RC&D Sponsored Grant Seminar

Ronnie Mittel of Eldorado, Schleicher County's board member for the Concho Valley Resource Conservation and Development (RC&D) Area, Inc., has announced that the RC&D Area is sponsoring a Grant Writing for Professionals - Proposal Writing I Seminar in San Angelo.

The seminar will be held September 16th-18th at the La Quinta Motel at a cost of \$150.00.

The Concho Valley RC&D Area was organized in November 1992 for the purpose of empowering local groups, within the thirteen county area served by the RC&D area, to improve conditions in their respective communities and counties.

The acquisition of grant funds from private foundations and corporate giving programs to aid in making needed improvements is only of the reasons the area was organized.

Mr. Mittel encourages all persons in Schleicher County to consider the possibilities that could result from attending the

school. Dr. Don Udell, Research Development Specialist of Norman, Oklahoma, will be conducting the proposal Writing I Seminar.

Charles Anderson, RC&D Coordinator for the Area, said the seminar will teach you how to research foundations for a particular project and how to develop a quality proposal.

Persons interested can contact Ronnie Mittel, Carrol Green (District Conservationist with the Soil Conservation Service at Eldorado), or Charles Anderson if you want additional information about the seminar. The Concho Valley RC&D Area's phone number is (915) 396-4708.

Mittel encourages anyone interested in attending the seminar to register as soon as possible since it is limited to 30 participants.

THE ACCOMPANYING TAX NOTICE IS WRONG!

The Schleicher County Independent School District is required by state law to publish the accompanying tax notice in this form, even though the notice is deceptive.

Because of an omission in the recently-enacted state law, Schleicher County I.S.D. may not include revenue collected by the county education district in the calculation of taxes for the previous (1992-93) school year. The effect of this is to understate last year's actual school tax rate and produce an inaccurate comparison of last year's tax rate to this year's tax rate.

The correct comparison of tax rates is as follows:

Last year's (1992-93) total school tax rate (including county education district taxes):	<u>\$1.4320</u>
This year's (1993-94) proposed school tax rate:	<u>\$1.4320</u>
Percentage change:	<u>0%</u>

Notice of Public Hearing on Tax Increase

The Schleicher County Commissioner's Court will hold a public hearing on a proposal to increase total tax revenues from properties on the tax roll in 1992 by 6.45 (%) percent. Your individual taxes may increase at a greater or lesser rate, or even decrease, depending on the change in the taxable value of your property in relation to the change in taxable value of all other property.

The public hearing will be held on Monday, September 13th at 10:00 A.M. in the Commissioners' Courtroom.

FOR the proposal: Jerry Jones, Kerry Joy, Johnny Mayo, Ross Whitten
AGAINST the proposal: None
PRESENT and not voting: None
ABSENT: None

The statement above shows the percentage increase the proposed rate represents over the effective tax rate that the unit published on August 26, 1993. The following table compares taxes on an average home in this taxing unit last year to taxes proposed on the average home this year. Again, your individual taxes may be higher or lower, depending on the taxable value of your property.

	Last Year	This Year
Average home value	\$22,502	\$22,472
General exemptions available (amount available on the average home, not including senior citizen's or disabled person's exemptions)	\$5,000	\$5,000
Average taxable value	\$17,502	\$17,472
Tax rate	\$065/\$100	\$0.675/\$100 (proposed)
Tax	\$113.76	\$117.94 (proposed)

Under this proposal taxes on the average home would increase by \$4.18 or 3.67 (%) percent compared with last year's taxes. Comparing tax rates without adjusting for changes in property for changes in property value, the tax rate would increase by \$0.025 per \$100 of taxable value or 3.85 (%) percent compared to last year's tax rate. These tax rate figures are not adjusted for changes in the taxable value of property.

1993 PROPERTY TAX RATES IN THE SCHLEICHER COUNTY I.S.D.

THIS NOTICE CONCERNS 1993 PROPERTY TAX RATES FOR SCHLEICHER COUNTY SCHOOL DISTRICT. IT PRESENTS INFORMATION ABOUT THREE TAX RATES. LAST YEAR'S TAX RATE IS THE ACTUAL RATE THE SCHOOL DISTRICT USED TO DETERMINE PROPERTY TAXES LAST YEAR. THIS YEAR'S EFFECTIVE RATE WOULD IMPOSE THE SAME TOTAL TAXES AS LAST YEAR IF YOU COMPARE PROPERTIES TAXED IN BOTH YEARS. THIS YEAR'S ROLLBACK TAX RATE IS THE HIGHEST TAX RATE THE SCHOOL DISTRICT CAN SET BEFORE TAXPAYER'S CAN START TAX ROLLBACK PROCEDURES. IN EACH CASE THESE RATES ARE FOUND BY DIVIDING THE TOTAL AMOUNT OF TAXES BY THE TAX BASE (THE TOTAL VALUE OF TAXABLE PROPERTY) WITH ADJUSTMENTS AS REQUIRED BY STATE LAW. THE RATES ARE GIVEN PER \$100 OF PROPERTY VALUE.

LAST YEAR'S TAX RATE:	
LAST YEAR'S OPERATING TAXES	\$493,712.37
LAST YEAR'S DEBT TAXES	\$439,050.11
LAST YEAR'S TOTAL TAXES	\$932,762.48
LAST YEAR'S TAX BASE	\$177,672,910
LAST YEAR'S TOTAL TAX RATE	\$0.5270/\$100

THIS YEAR'S EFFECTIVE TAX RATE:	
LAST YEAR'S ADJUSTED TAXES (AFTER SUBTRACTING TAXES ON LOST PROPERTY)	\$927,850.15
/ THIS YEAR'S ADJUSTED TAX BASE (AFTER SUBTRACTING VALUE OF NEW PROPERTY)	\$180,049,190
= THIS YEAR'S EFFECTIVE TAX RATE	\$0.5307/\$100
X 1.03=MAXIMUM RATE UNLESS THE SCHOOL DISTRICT PUBLISHES NOTICES AND HOLDS HEARING	\$05307/\$100

THIS YEAR'S ROLLBACK TAX RATE:	
SCHOOL MAINTENANCE AND OPERATIONS COMPONENT	\$2,080,752
/ THIS YEAR'S TAX BASE	\$180,049,190
= THIS YEAR'S LOCAL MAINTENANCE AND OPERATING RATE	\$1.1539/\$100
+ \$.06 CENTS = THIS YEAR'S MAXIMUM OPERATING RATE	\$1.2139/\$100
+ THIS YEAR'S DEBT RATE	\$0.2318/\$100
= THIS YEAR'S TOTAL ROLLBACK RATE	\$1.4457/\$100

Schedule A Unencumbered Fund Balances

The following estimated balances will be left in the unit's property tax accounts at the end of the fiscal year. These balances are not encumbered by a corresponding debt obligation.

Type of Property Tax Fund	Balance
Maintenance and Operating (M&O)	\$325,827
Interest and Sinking (I&S)	\$ 64,904

Schedule B 1992 Debt Service

The unit plans to pay the following amounts for long-term debts that are secured by property taxes. These amounts will be paid from property tax revenues (or additional sales tax revenues, if applicable).

Description of Debt	Principal or Contract Payment to be Paid	Interest to be Paid	Other Amounts to be Paid	Total Payment
1985 General Obligation	\$375,000	\$34,356	\$400	\$409,756
Total required for 1992 debt service				\$409,756
- Amount (if any) paid from funds listed in Schedule A				\$ -0-
- Excess collections last year				\$4,223
= Total to be paid from taxes in 1992				\$405,533
+ Amount added in anticipation that the unit will collect only 97. % of its taxes in 1992				\$12,542
= Total Debt Levy				\$418,075

9-1-1 Day Set

submitted by Concho Valley Council of Governments

Governor Richards has proclaimed September 11th as "9-1-1 Day in Texas" in order to recognize the importance of 9-1-1 service in the state and to have those individuals who serve their communities as emergency response professionals.

"9-1-1 Day is a special time for all of us involved with the implementation of 9-1-1 emergency services. It provides an opportunity for us to actually

experience the success of 9-1-1 and how it saves lives," said Mary A. Boyd, Executive Director of the Advisory Commission on State Emergency Communications, the state agency responsible for overseeing the implementation of 9-1-1 service for much of the State of Texas.

This year's activities mark the fifth annual 9-1-1 Day. All celebrations will be held at the Marriott at the Capitol in Austin on September 10th, from 12:00 noon until 2:00 p.m.

Lauffer Named Residential Loan Correspondent

Bob Lauffer, Residential Loan Broker, in Eldorado, is pleased to announce that he has been appointed Residential Loan Correspondent by the oldest conventional residential loan wholesaler in Texas. It is reported that they service over 8 billion in home loans.

"This new affiliation," says Bob, "is a tremendous addition to our stable of residential lenders. It is great for the area and our person-to-person program as we can underwrite manufactured and

modular housing loans. This lender also enables us to provide 95% loans in small towns and 90% on small acreage outside the city limits. In addition to the basic 30 year fixed rate conforming and nonconforming loans, we are now able to offer 10, 15, and 20 year terms at competitive rates along with the complete menu of Fannie Mae and Freddie Mac loan products."

There has not been a better time to buy the home of your dreams or to refinance your present home loan.

A nation is molded by the tests that its people meet and master.

Walling Returns From Six-Month Deployment

Navy Petty Officer 2nd Class Randale L. Walling, a 1978 graduate of Eldorado High School of Eldorado, Texas, recently returned from a successful six-month Mediterranean Sea, Persian Gulf and Indian Ocean deployment with Marine Expeditionary Unit Service Support Group 24, 2nd Force Service Support Group, Marine Corps Base, Camp Lejeune, N.C. embarked aboard ships in the USS Wasp Central Command Amphibious Ready Group (CARG 2-93).

The CARG deployed ahead of its regularly scheduled Mediterranean Sea deployment to support the humanitarian efforts of Operation Restore Hope, providing much needed food supplies to Somalia. In a 2,100-man Marine

expeditionary unit deployed to the Persian Gulf and back to Somalia to support United Nation Coalition forces. Sailors and Marines conducted flight operations and went ashore in Mogadishu.

This deployment exemplified the mobility, flexibility and capability of the Navy and Marine Corps team to operate forward, demonstrating U.S. power and resolve, from the sea.

Foreign ports visited by CARG 2-93 included Bosaaso, Somalia; Jebel Ali, Abu Dhabi and Dubai, United Arab Emirates; Kuwait; Bahrain; Rota, Malaga and Benidorm, Spain; Rhodes, Greece and Toulon, France.

He joined the Navy in January, 1984.

LOOK UP AND LIVE!

Look up for power lines

Be careful when using a combine, cotton module builder, stripper, skid steer loader, bale wagon, wind-rower, grinder-mixer, forage harvester, or any piece of equipment with parts that extend high enough to touch power lines.

And look up when moving irrigation pipe. Contact with metal pipe and a power line could mean serious injury or death.

Help prevent farm accidents.

* The percentage increase shown in the first paragraph below may appear unusually high because it does not reflect 1992 taxes levied by the now-abolished county education district (CED). In 1992, the CED levied a portion of the taxes used for school purposes, and the school district levied the remainder of school taxes. In 1993, school districts will levy all school taxes. For an explanation of the increase, attend the public hearing scheduled below or call your school district.

NOTICE OF PUBLIC HEARING ON TAX INCREASE

The Schleicher Co. ISD Board of Trustees will hold a public hearing on a proposal to increase total tax revenues from properties on the tax roll in 1992 by 177.89 (%) percent. Your individual taxes may increase at a greater or lesser rate, or even decrease, depending on the change in the taxable value of your property in relation to the change in taxable value of all other property.

The public hearing will be held on Monday, September 13, at 5:30 p.m. in the Schleicher County I.S.D. Administration Building.

FOR the proposal:	Eddie Albin, Chris McCravey, Scott McGregor, Ilse Williams
AGAINST the proposal:	None
PRESENT and not voting:	None
ABSENT:	Phil McCormick, Berta Nicholson, Thomas Martinez

The statement above shows the percentage increase the proposed rate represents over the effective tax rate that the unit published on September 9, 1993. The following table compares taxes on an average home in this taxing unit last year to taxes proposed on the average home this year. Again, your individual taxes may be higher or lower, depending on the taxable value of your property.

	(Optional) Last year County Education District	Last Year School District	This Year School District
Average home value	\$22,502	\$22,502	\$22,472
General exemptions available (amount available on the average home, not including senior citizen's or disabled person's exemptions)	\$10,000	\$10,000	\$10,000
Average taxable value	\$12,502	\$12,502	\$12,472
Tax rate	\$0.905/\$100	\$0.527/\$100	\$1.4320 (proposed)
Tax	\$113.14	\$65.89	\$178.60 (proposed)
(Optional) Total 1992 School Taxes	\$179.03	(Optional) Total 1993 School Taxes	\$178.60 (proposed)

This paragraph compares last year's CED and school district taxes with this year's proposed school district taxes:

Under this proposal taxes on the average home would decrease by \$0.43 or 0.2 (%) percent compared with last year's total school taxes. Comparing tax rates without adjusting changes in property value, the tax rate would remain the same per \$100 of taxable value. These tax rate figures are not adjusted for changes in the taxable value of property.

This paragraph compares last year's school district taxes. \$112.71 or 171 (%) percent compared with last year's school district taxes. Comparing tax rates with out adjusting for changes in property value, the school district tax rate would increase by \$0.905 per \$100 of taxable value or 171 (%) percent compared to last year's school district tax rate. These tax rate figures are not adjusted for changes in the taxable value of property.

NOTICE OF PUBLIC HEARING ON SCHLEICHER COUNTY APPRAISAL DISTRICT BUDGET

The Schleicher County Appraisal District will hold a public hearing on a proposed budget for the 1994 fiscal year.

The public hearing will be held on Wednesday, September 15th, 1993 at 6:30 PM in the Commissioners's Courtroom of the County Courthouse.

A summary of the appraisal district budget follows:

The total amount of the proposed budget is \$97,448.00.

The total amount of decrease over the current year's budget is \$6,420.00.

The number of employees compensated under the proposed budget will be two (2) (full-time equivalent).

The number of employees compensated under the current budget is two (2) (full-time equivalent).

The appraisal district is supported solely by payments from the local taxing units served by the appraisal district.

If approved by the appraisal district board of directors at the public hearing, this proposed budget will take effect automatically unless disapproved by the governing bodies of the county, school district or city served by the appraisal district.

A copy of the proposed budget is available for public inspection in the office of each of those governing bodies. A copy is also available for public inspection at the appraisal district office.

PUBLIC NOTICE
BRIEF EXPLANATORY STATEMENTS
OF PROPOSED
CONSTITUTIONAL AMENDMENTS
SPECIAL ELECTION
NOVEMBER 2, 1993

**PROPOSITION NO. 1
ON THE BALLOT**

Senate Joint Resolution 9 proposes a constitutional amendment that would authorize the Texas Legislature to provide for the issuance of bonds for the state financing of start-up costs for historically underutilized businesses. The amendment provides that the legislature by law may establish a Texas historically underutilized business capital growth and start-up fund. The money in the fund may be used without further appropriation and only for a program established by the legislature to aid in the start-up costs of a historically underutilized business, as defined by the legislature. To carry out the program, the legislature may issue up to \$50 million of general obligation bonds to provide funding. The legislature may require review and approval of the issuance of bonds, the use of the bond proceeds, or of the rules adopted by an agency to govern use of the bond proceeds. Bonds authorized by the amendment constitute a general obligation of the state.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the legislature to provide for the issuance of \$50 million of general obligation bonds for the recovery and further development of the state's economy and for increasing job opportunities and other benefits for Texas residents through state financing of the start-up costs of historically underutilized businesses."

**PROPOSITION NO. 2
ON THE BALLOT**

House Joint Resolution 86 proposes a constitutional amendment authorizing the legislature, by general law, to exempt from ad valorem taxation all or part of real and personal property used, constructed, acquired, or installed wholly or partly to meet or exceed rules or regulations adopted by any environmental protection agency of the United States, Texas, or a political subdivision of this state for the prevention, monitoring, control, or reduction of air, water, or land pollution. The amendment applies to real and personal property used as a facility, device, or method for the control of air, water, or land pollution that would otherwise be taxable for the first time on or after January 1, 1994. The amendment does not authorize the exemption from ad valorem taxation of real or personal property that was subject to a tax abatement agreement executed before January 1, 1994.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to promote the reduction of pollution and to encourage the preservation of jobs by authorizing the exemption from ad valorem taxation of real and personal property used for the control of air, water, or land pollution."

**PROPOSITION NO. 3
ON THE BALLOT**

House Joint Resolution 3 proposes a constitutional amendment to clear land titles in which the State of Texas relinquishes and releases any claim of sovereign ownership or title to an undivided one-third interest in and to the lands and minerals within the Shelby, Frazier, and McCormick League (now located in Fort Bend and Austin counties) arising out of the interest in that league originally granted under the Mexican Colonization Law of 1823 to John McCormick on or about July 24, 1824, and subsequently voided by the governing body of Austin's Original Colony on or about December 15, 1830. Title to such interest in the lands and minerals is confirmed to the owners of the remaining interests in such lands and minerals.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment providing for the clearing of land titles by the release of a state claim in a fractional interest, arising out of the voiding of an interest under a Mexican land grant, to the owners of certain property in Fort Bend and Austin counties."

**PROPOSITION NO. 4
ON THE BALLOT**

Senate Joint Resolution 49 proposes a constitutional amendment that would prohibit a state personal income tax without voter approval and would dedicate the proceeds of any income tax, if enacted, to property tax relief and education. The amendment provides that a general law enacted by the legislature that imposes a tax on the net incomes of natural persons, including a person's share of partnership and unincorporated association income, must provide that the portion of the law imposing the tax not take effect until approved by a majority of the registered voters voting in a statewide referendum held on the question of imposing the tax. The referendum must specify the rate of the tax that will apply to taxable income.

The amendment also provides that a general law enacted by the legislature that increases the rate of the tax, or changes the tax in a manner that results in an increase in the combined income tax liability of all persons subject to the tax, may not take effect until approved by a majority of the registered voters voting in a statewide referendum held on the question of increasing the income tax. The referendum must specify the manner in which the proposed law would increase the combined tax liability of all persons subject to the tax. The legislature may repeal, or amend without increasing, a tax approved by the voters without submitting the amendment or the repeal to the voters. If the legislature repeals a tax approved by the voters, the legislature may only reenact the tax without voter approval if the effective date of the reenactment of the tax is within one year of the effective date of the repeal of the tax.

The amendment also provides that, in the first year in which an income tax is imposed, and during the first year of any increase in the tax, not less than two-thirds of all net revenues from the tax shall be used to reduce the rate of ad valorem maintenance and operation taxes levied for the support of primary and secondary education. In subsequent years, not less than two-thirds of all net revenues of the tax shall be used to continue such ad valorem tax relief. The net revenues of the tax remaining after the dedication of money for reduction of ad valorem maintenance and operation taxes shall be used for support of education. The maximum rate at which a school district may impose ad valorem maintenance and operation taxes is reduced by an amount equal to one cent per \$100 valuation for each one cent per \$100 valuation that the school district's ad valorem maintenance and operation tax is reduced by the minimum amount of money dedicated under the amendment, provided that a school district may subsequently increase the maximum ad valorem maintenance and operation tax rate if the increased maximum rate is approved by a majority of the voters of the school district voting at an election called and held for that purpose. The portions of the amendment relating to dedicating tax revenues to reduce the rate of ad valorem maintenance and operation taxes apply on or after the first January 1 after the date on which an income tax takes effect, except that if the income tax begins to apply on a January 1, the amendment applies to ad valorem maintenance and operation taxes levied on or after that date.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment prohibiting a personal income tax without voter approval and, if an income tax is enacted, dedicating the revenue to education and limiting the rate of local school taxes."

**PROPOSITION NO. 5
ON THE BALLOT**

Senate Joint Resolution 18 proposes a constitutional amendment that would authorize the legislature to prescribe the qualifications of sheriffs. Currently, the constitution authorizes the legislature to prescribe the duties, perquisites, and fees of office, but not the qualifications for the office of sheriff.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to allow the legislature to prescribe the qualifications of sheriffs."

**PROPOSITION NO. 6
ON THE BALLOT**

House Joint Resolution 21 proposes a constitutional amendment that would abolish the office of county surveyor in Jackson County. The amendment also provides for the powers, duties, and functions of the county surveyor to be transferred to the county officer designated by the commissioners court.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment abolishing the office of county surveyor in Jackson County."

**PROPOSITION NO. 7
ON THE BALLOT**

House Joint Resolution 57 proposes a constitutional amendment that repeals article XII, section 6, of the Texas Constitution, which currently provides that no corporation shall issue stock or bonds except for money paid, labor done, or property actually received, and that all fictitious increase of stock or indebtedness shall be void.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment repealing certain restrictions on the ability of corporations to raise capital."

**PROPOSITION NO. 8
ON THE BALLOT**

House Joint Resolution 22 proposes a constitutional amendment that would authorize the commissioners court of McLennan County to call an election to abolish the office of county surveyor. The office of county surveyor will be abolished if a majority of the qualified voters of McLennan County voting on the question favor the abolition. If the office of county surveyor is abolished, the amendment requires the maps, field notes, and other records in the custody of the county surveyor to be transferred to the county clerk of McLennan County. After abolition, the amendment also grants the commissioners court of McLennan County the authority to employ or contract with a qualified person to perform any of the functions that would have been performed by the county surveyor if the office had not been abolished.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to abolish the office of county surveyor in McLennan County."

**PROPOSITION NO. 9
ON THE BALLOT**

Senate Joint Resolution 19 proposes an amendment to article VIII, section 13 of the Texas Constitution that would modify the provisions for the redemption of real property sold at a tax sale. The amendment deletes current language in article VIII, section 13 that allows the legislature to provide for the sale of property without trial to pay for delinquent taxes. It also states that the deed to the new owner vests a good and perfect title subject only to redemption as set out in this amendment or impeachment for fraud. Language is added limiting application of the current two-year redemption period to former owners of residence homesteads and land designated for agricultural use sold for unpaid taxes. When property is sold as the result of a suit to enforce collection of unpaid taxes, the amendment would allow the legislature to limit redemption to property used as a residence homestead or designated for agricultural use at the time the suit was filed. The amendment creates a second type of redemption for former owners of real property when property is neither a residence homestead, nor designated for agricultural use. These owners would have a six-month period in which to redeem their property by paying the amount of money paid for the property, including the Tax Deed Recording Fee, all taxes, penalties, interest, and costs paid plus an amount not exceeding 25 percent of the aggregate total. The amendment applies to redemption of properties sold at a tax sale for which the purchaser's deed is filed on or after January 1, 1994. For redemption of properties sold at a tax sale for which the purchaser's deed was filed before January 1, 1994, the former law is applicable and remains in effect.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to modify the provisions for the redemption of real property sold at a tax sale."

**PROPOSITION NO. 10
ON THE BALLOT**

Senate Joint Resolution 34 proposes a constitutional amendment that adds a

new section 49-b-2 to article III of the Texas Constitution. This new section provides that, in addition to the general obligation bonds authorized to be issued and sold by the Veterans' Land Board (the "Board") by sections 49-b (950 million) and 49-b-1 (\$1.3 billion) of article III, the board may provide for, issue, and sell general obligation bonds of the state in an amount not to exceed \$750 million to provide financing to Texas veterans. \$250 million of the bonds authorized by this new section shall be used to augment the Veterans' Land Fund (the "Land Fund"). The Land Fund shall be used by the Board to purchase lands situated in Texas owned by the United States government, an agency of the United States government, the State of Texas, a political subdivision or agency of the State of Texas, or a person, firm, or corporation. The lands shall be sold to veterans in quantities, on terms, at prices, and at fixed, variable, floating, or other rates of interest determined by the Board. Lands in the Land Fund that are offered for sale to veterans and that are not sold may be sold or resold to the purchasers in quantities, terms, prices, and rates of interest determined by the Board.

New section 49-b-2 creates the Veterans' Housing Assistance Fund II (the "Housing Fund II"), and \$500 million of the general obligation bonds authorized by the section shall be used for the Housing Fund II. The Housing Fund II is a separate and distinct fund from the Veterans' Housing Assistance Fund (the "Housing Fund") established under section 49-b-1 of article III. Money in the Housing Fund II shall be administered by the Board and shall be used to make home mortgage loans to veterans for housing within this state in quantities, on terms, at fixed, variable, floating, or other rates of interest determined by the Board. The principal of, and interest on, the general obligation bonds authorized by this section for the benefit of the Housing Fund II shall be paid out of the money of the Housing Fund II. The principal of, and interest on, the general obligation bonds authorized by section 49-b-1 of article III for the benefit of the Housing Fund shall be paid out of money in the Housing Fund. If there is not enough money in the Land Fund, the Housing Fund, or the Housing Fund II, as the case may be, available to pay the principal of, and interest on, the general obligation bonds authorized by this section or by sections 49-b or 49-b-1 of article III, there is appropriated out of the first money coming into the treasury in each fiscal year an amount that is sufficient to pay the principal of, and interest on, the general obligation bonds that mature or become due during that fiscal year.

If the Board determines that assets from the Land Fund, the Housing Fund, or the Housing Fund II are not required for purposes of the fund, the Board may transfer the assets to another of those funds or use the assets to secure revenue bonds issued by the Board. The revenue bonds shall be special obligations of the Board and payable only from and secured by receipts of the funds, assets transferred from the funds, and other revenues as determined by the Board and shall not constitute indebtedness of the State of Texas or the Board. The Board may issue revenue bonds from time to time, which bonds may not exceed an aggregate principal amount that the Board determines can be fully retired from the receipts of the funds. The revenue bonds shall be sold in forms, denominations, and in installments, and bear a rate or rates of interest as the Board determines.

The general obligation bonds authorized to be issued by the Board by this section or by sections 49-b and 49-b-1 of article III shall be issued and sold in forms and denominations, on terms, at times, in the manner, at places, in installments, and shall bear a rate or rates of interest the Board determines. The bonds shall be incontestable after execution by the Board, approval by the Attorney General of Texas, and delivery to the purchaser.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing issuance of \$750 million in general obligation bonds to augment the Veterans' Land Fund and the Veterans' Housing Assistance Fund and to fund the Veterans' Housing Assistance Fund II."

**PROPOSITION NO. 11
ON THE BALLOT**

Senate Joint Resolution 31 proposes a constitutional amendment relating to the duties of trustees of local retirement systems which provide retirement and related disability and death benefits for public officers and employees and that do not belong to a statewide retirement system. The amendment provides that the

board of trustees of such a system shall (1) administer the system of benefits; (2) hold the assets of the system for the exclusive purposes of providing benefits to participants and their beneficiaries and defraying reasonable expenses of administering the system; and (3) select legal counsel and an actuary and adopt sound actuarial assumptions to be used by the system.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment providing that the trustees of a local public pension system must administer the system for the benefit of the system's participants and beneficiaries."

**PROPOSITION NO. 12
ON THE BALLOT**

House Joint Resolution 23 proposes a constitutional amendment providing that any person accused of a violent or sexual offense committed while under the supervision of a criminal justice agency of this state or a political subdivision of this state for a prior felony may, after a hearing and evidence substantially showing the guilt of the accused, be denied bail pending trial. If the accused is not, however, accorded a trial within 60 days from the time of his incarceration upon the accusation or indictment, the order denying bail shall be set aside unless a continuance is obtained upon the request of the accused. In the amendment, the term "violent offense" means murder, aggravated assault (if a deadly weapon was used or exhibited during the commission of the assault), aggravated kidnapping, or aggravated robbery. The term "sexual offense" means aggravated sexual assault, sexual assault, or indecency with a child.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment permitting the denial of bail to certain persons charged with certain violent or sexual offenses committed while under the supervision of a criminal justice agency of the state or a political subdivision of the state."

**PROPOSITION NO. 13
ON THE BALLOT**

Senate Joint Resolution 13 proposes a constitutional amendment that amends article VII, section 17(a), of the Texas Constitution to provide that, of the \$100 million currently appropriated by that section for the use of public institutions of higher education during each fiscal year, those institutions may also utilize this money to pay for acquiring, constructing, or equipping or for major repair or rehabilitation of buildings, facilities, other permanent improvements, or capital equipment used jointly for educational and general activities and for auxiliary enterprises to the extent of their use for educational and general activities. For the five-year period beginning on September 1, 2000, and for each five-year period thereafter, the legislature, during a regular session that is nearest, but preceding, a five-year period may, by a two-thirds vote of the membership of each house, increase the amount of the \$100 million constitutional appropriation for the five-year period. The amendment also reflects name changes that have been made to some of the institutions of higher education for which such funding is available. The amendment adds the Texas State Technical College System to those institutions eligible to receive such funding, but limits its allocation of the annual appropriation to 2.2 percent of the total appropriation each fiscal year. The amendment also provides that each governing board authorized to participate in the distribution of money under article III, section 17, may also issue bonds and notes for the purposes of refunding bonds or notes issued under that section or prior law for the purposes of acquiring capital equipment, library books and library materials, paying for acquiring, constructing, or equipping or for major repair or rehabilitation of buildings, facilities, other permanent improvements, or capital equipment used jointly for educational and general activities and for auxiliary enterprises to the extent of their use for educational and general activities. The amendment deletes language in article III, section 17, which authorizes the legislature to designate a single agency to issue such bonds or notes in lieu of the governing bodies, and to transfer to that agency the authority to collect and pledge money to the payment of such bonds and notes as directed by the governing body of each eligible institution. Funds appropriated under article III, section 17, may not be used for the purpose of constructing, equipping, repairing, or rehabilitating buildings or other permanent im-

provements that are to be used only for student housing, intercollegiate athletics, or auxiliary enterprises.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment relating to the amount and expenditure of certain constitutionally dedicated funding for public institutions of higher education."

**PROPOSITION NO. 14
ON THE BALLOT**

Senate Joint Resolution 45 proposes a constitutional amendment that adds a new subsection (e) to article III, section 49-h, of the Texas Constitution. The new subsection provides that, in addition to the amounts authorized by subsections (a) (\$500 million), (c) (\$400 million), and (d) (\$1.1 billion) of section 49-h, the legislature may authorize the issuance of up to \$1 billion in general obligation bonds and may use the proceeds of the bonds for acquiring, constructing, or equipping new corrections institutions, including youth corrections institutions, and mental health and mental retardation institutions and for major repair or renovation of existing facilities of those corrections and mental health and mental retardation facilities. The amendment also provides that the provisions of subsection (a) of section 49-h, relating to the review and approval of bonds, and the provisions of subsection (b) of section 49-h, relating to the status of the bonds as a general obligation of the state and to the manner in which the principal and interest on the bonds are paid, apply to bonds authorized by this amendment.

The proposed amendment will appear on the ballot as follows:

The constitutional amendment authorizing the issuance of up to \$1 billion in general obligation bonds payable from the general revenues of the state for projects relating to facilities of corrections and mental health and mental retardation institutions."

**PROPOSITION NO. 15
ON THE BALLOT**

House Joint Resolution 37 proposes a constitutional amendment that would authorize the county commissioners court of a county to call an election to abolish the office of county surveyor. The office of county surveyor is abolished if a majority of voters of the county voting in the election approve the measure. If the office of county surveyor is abolished, the maps, field notes, and other records of the county surveyor are transferred to the county officer or employee designated by the commissioners court.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to permit the voters of a county to decide, at an election called by the commissioners court, whether to abolish the office of county surveyor in the county."

**PROPOSITION NO. 16
ON THE BALLOT**

Senate Joint Resolution 44 proposes an amendment to article III, section 49-i(b) of the Texas Constitution, which currently limits the principal amount of bonds outstanding at one time for the Texas agricultural fund to \$25 million and for the rural microenterprise development fund to \$5 million. The amendment would raise the principal amount limit for the Texas agricultural fund to \$100 million. The amendment would also make the principal amount limit for each fund apply to the total principal amounts of both bonds and notes issued or sold rather than just the principal amounts of bonds outstanding at one time.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing up to a total of \$100 million in bonds and notes to be issued or sold to finance the Texas agricultural fund for providing financial assistance to develop, increase, improve, or expand the production, processing, marketing, or export of crops or products grown or produced primarily in this state by agricultural businesses domiciled in the state."

Eldorado Spotlight

Nathanael & Leah Wolfe

This week's spotlight shines a light on Nathanael & Leah Wolfe. Nathanael and Leah are the children of Anne and Hawley Wolfe. Nathanael is 9 and Leah is 8, they are both in the 3rd grade at Eldorado Elementary School. They have two older sisters, Sarah, 10, and Hannah, 12.

Nathanael likes to play baseball and making things. Leah enjoys drawing and is very interested in family history.

They both enjoy playing with their friends, school, riding bikes and taking piano lessons.
