El Dorado, Schleicher County, Texas, Friday April 5, 1929

No. 14

This Week

By Arthur Brisbane

NATURE'S BALANCE.
THE PRICE FOR PICTURES.
EINSTEIN PUZZLE.

THE "FIVE AND TEN" LAW.
It is dangerous to interfere with nature's balance, one thing killing others, all kept in bounds. Yakima County, Washington offered a bounty to exterminate hawks and owls, and thousands were killed, to protect game birds and poultry.

Investigation by government experts, examining hawk and owl interiors, found that the birds lived on snakes, grasshoppers, field mice and ground squirrels, all dangerous to man—especially the ground squirrels that spread bubonic plague.

Yakima has withdrawn the bounty. Kill off coyotes and foxes and you encourage a plague of field mice and jack rabbits. Montana made that discovery. The wise plan to destroy the objectionable creatures by scientific means. Get rid of small vermin and the bigger nuisances will disappear.

When we see news films we rarely realize the risks are great and occasionally death proves it. At Dayton Florida, Mr. Bible, trying for a new automobile speed record, was instantly killed when his car was going 202 miles an hour.

The crowd stood well back, watching the race, but Charles Traub, grinding a newsreel camera, knew it was his duty to show the machine, traveling four miles a minute, coming head-on. He stood with his camera planted slightly to one side of the straight course. When the driver lost control the car leaped and rolled.

It was too late for Traub to save himself. His dead body was laid out beside that of the driver. That is the price paid sometimes for news pictures.

Professor Einstein, fifty years old, retired with his wife from public view, to think about relativity and the fourth dimension, and wonder why people make such a fuss over him. He is especially amazed at the "Five and Ten prohibition law," five years in jail, and \$10,000 fine went into effect in Chicago, and the first man caught in the Jones net was Carl Mahnk, a policeman. The Chicago federal district attorney expects 250 indictments per month.

Impressive figures prove that the radio has come to stay with a vengeance. During 1928 retail sales of radio apparatus totalled \$70,877,517.

The extent to which radio has transformed human life and enlarged its possibilities is understood as little as the importance of printing was understood when Gutenberg began setting up his movable type.

Printing opened all the knowledge of the world to everybody that could read. Radio offers the speeches, music and information of the world to everybody able to listen.

Professor Card of Philadelphia says women will soon wear dresses made of asbestos, fireproof, shiny, as silk, more durable than any cloth, easily cleaned with a

Dramatic Club To Put On Play Saturday Nite

Saturday night, April 6th, the AYLI Dramatic Club will present another play at the High School Auditorium. [The play is entitled "Cinderella O'Reilly" a three act Comedy Drama that is interesting as well as funny from start to finish.

Part of the proceeds will go to the P. T. A. Association and the rest for the Club in getting up other plays, costumes and other expenses.

As a description of the play and characters we will try to give you a small synopsis and the names of the characters with their parts so that you will know what to expect but you will not know how it will end.

The play is a society play in which servants, orphan, mechanics, etc., are not allowed above the stairs with the high brows of society. The scenes are in the lawn of a supposed to be large mansion in which the owner is rich and trying her best to catch an Author.

The characters are as followse, Maggie, an orphan of the owner of the mansion, Miss Agnes Wright. Come and see how she fares in the play. Judith Bohne, the rich society girl. Miss An-nice Putman. Granny Bohne, grand mother of Judith, Miss Cotton. Willard Wood, an accomplice of Judth's Ervin Mund. Chang Fu, a chink cooking for the Bohne's, Chan Whitten. Lord Cyril, an Englishman, who does not know what it is all about, Lyonelle Ballew. Jimsey Brayden, the authors mechanic but is taken for the author and gets in a great deal of trouble, Billy Stewardson Forrest Arnold th ral author bu is mixed up and is takn for a mechanic, L. T. Barber.

You will be entertained from start to finish with this little play and also mixed up at times as to who's who in it.

We will reserve seats to those wanting them and if you want one call at Royster & Whitten Drug Store. Admission is 25, 50, and 75 for reserved seats. Get your seats now and know that when you get there you will have a good seat.

The Club Orchestra will furnish music before the play begins, between acts and after the show while you leave. Don't be afraid of not being entertained while you are at the Auditorium.

Moody Vetoes Wirtz Bill Is Party Menace

Governor Moody has vetoed the Wirtz bill which was destined to prevent the Hoover voter from running for office on the Democratic ticket, or from voting in the Democratic Primaries. Moody gave as his reason that it would widen the breach in the party instead of healing. Mr. Moody is undoubtedly of the opinion that if the party is still to be the predominant one it must have the vote of the Hoover Democrats and not force them into some other party.

The little town of Naco Arizona felt the menace of the war in Mexico on April 2nd, when a rebel plane was bombing the Mexican town across the border, dropped bombs in the American town wounding one American. The Government is taking precautionary steps to try and prevent it occurrence again.

wet cloth, costing less than other materials.

All interesting, but women probably won't wear asbestos. Imitation pearls are as handsome as real pearls. Synthetic rubies and sapphires are made exactly like the real. But woman insists on having the real.

ELDORADO TO HAVE NEW LUMBER YARD

ELDORADO BOY MAKES GOOD AT SIMMONS UNIVERSITY

Gets Fellowship Appointment in Oklahoma A&M Places in Tennis Tournament

Walter Ramsey, son of Mr. and Mrs. W. N. Ramsey of Eldorado, has accomplished something worth while, both in school work and athletics.

He has received a fellowship in Oklahoma A&M, which entitles him to teach as assistant professor in undergraduate Chemistry. He was offered one in the University of Colorado but had already accepted this one.

He entered his first intercollegiate tennis tournament and won fourth place against 24 others entries, all of which were 2, 3, and 4 letter men in high school and some college letter men. Walter is working hard on his studies and has not been under coaching in tennis and only practices once a week. Simmons and the Success with many other friends extend their best wishes to him.

Mrs. E. M. Reynolds, Mrs. C. E. Springstun, and Mrs. H. W. Wiedenmann were hostess on Friday afternoon at the home of Mrs. Reynolds. Seven tables of guests spending the afternoon at Progressive forty-two.

On Saturday afternoon, the ladies entertained with four tables bridge party. Lovely bouquets of lilac and violets were used while the color scheme of yellow and white were carried out in accessories and refreshments.

Mrs. T. K. Jones and Mrs. F. M. Bradley won high score at forty-two. Miss Francis Armstrong won high score at bridge Mrs. Edwin DeLong, second and Mrs. Sam Oglesby Jr. the low.

Prof. R. D. Holt is erecting a new residence between the Stewardson and Watd residences, the lumber is on the ground and the workmen are at work on the new home.

CITY OFFICIALS ELECTED TUESDAY

[The City of Eldorado voted 67 votes in the City election Tuesday when they held their City election to name their officers. Fred O. Green and W. O. Alexander were candidate for Mayor, Mr. Green received 35 votes and Mr. Alexander received 25 seven votes cast were for neither. Alderman electd were John Davis, H. G. Parker, H. W. Wiedenmann, Joe Williams and F. M. Bradley, City Marshall S. M. Oglesby.

THIS IS WHAT SCHELL BROS SHOWS THINK OF CHEVROLET

March, 30th 1929 Evans Motor Co., Gentlemen:

The largest and finest motorized show on earth, being equipped with a fleet of Chevrolet Sixes, season of 1929, has traveled 480 miles in the past six days, giving two performances each day and a free street parade at noon.

Our moves from city to city to range from 60 to 90 miles over all kinds of roads.

This big show was transported for the season of 1927 and 1928 on Chevrolet trucks also, and we find that the new Chevrolet six with this power gives us a better mileage on gas and oil that the four cylinder did. Schell Bros., being the largest motorized show on earth, has tried to other makes of trucks, and we can show on our expense list that the Chevrolet truck and car operation expense is from 20% to 30% less on the season than any other car and truck we have used.

This big motorized show travels in a season from 15000 to 18,000 miles over all kinds of roads, and we show twice daily and give a street parade every day, and have never failed to reach the city advertised to show at since being transported on a 100% Chevrolet transportation.

Schell Bros., Show, By Dave L. Rader

RECITAL THURSDAY NIGHT

Miss Curry will present her vocal students in a song recital Thursday Evening, April 4th, at 8 o'clock, in the High School Auditorium.

Rev. L. D. Hardt, pastor of the Methodist Church, who has been at Burnett holding a meeting returned Tuesday and reports having a successful meeting.

Building Under Construction.

The McCarrol Lumber Company have begun the construction of a new Lumber Yard in Eldorado, just across from the Eldorado Gin. [This yard will be in operation in the near future and will be another added improvement to our little city.

The McCarrol Lumber Company have their main office in San Angelo and other yards in various cities. It is a very large concern and the citizens of this county are very fortunate in getting this yard.

Mr. Sam Loyd who has been employed with the West Texas Lumber Company is now with the McCarrol yard. Sam is well known here and has many friends. He is also a member of the Eldorado Lions Club and is a very progressive young man and has a good future before him and we hope that he makes the best of it with this company.

Methodist Sunday

School Has Easter Egg Hunt

Sunday afternoon the Methodist Sunday School went to the Tom Jones pasture and carried the children of this school for an Easter egg hunt. Lunch was served after the hunt was over and all reported an enjoyable time.

Presbyterian Sunday

School Has Egg Hunt

The Presbyterian Sunday School went to the Tom Jones' east well Sunday afternoon for an Easter egg hunt. A great hunt was had and refreshments were served afterwards.

Ben Hext Leases Ranch Near Burnet, Texas.

Ben Hext has reported that he has leased a seven section ranch in Burnet county for a period of ten years.

Mr. Hext has been ranching in Schleicher county on the Stewardson ranch for some time and has proven a successful stockman this far.

We regret to lose our friend Ben and family and hope that they will see their mistake in leaving the promised land and soon return.

NOTICE

KANSAS CITY, MEXICO AND ORIENT RAILWAY COMPANY OF TEXAS hereby gives notice that on the 16th day of March, 1929, it filed with the Interstate Commerce Commission of Washington, D. C., its application for a certificate that the present and future public convenience and necessity require the construction by it of a line of railroad extending from San Angelo in the general southerly direction to Sonora, a distance of approximately 65 miles, in Tom Green County, Schleicher, and Sutton Counties, Texas. KANSAS CITY, MEXICO AND ORIENT RAILWAY COMPANY OF TEXAS.

Born Rriday March 29th, to Mr. and Mrs. Marion Owens, a nine pound son, mother and babe doing nicely. Marion is recovering from his son stroke, and Grandpa Pete has purchased a larger hat, has a new hustle and can be heard singing new baby songs.

THE ELDORADO SUCCESS

PUBLISHED EVERY FRIDAY

A. T. Wright, Owner. L. T. Barber, Editor and Publisher.
 Subscription Rate One Year \$1.25.
 Entered as Second Class matter July 9th, 1906, at the post office at El Dorado, Texas, under Act of Congress of March 3rd, 1879.

FRIDAY, April 5, 1929

Now we have a set of city officials and yop will have to begin to put on city airs. This old turning at will and parking every where in the street will have to be cut out.

Another thing, if we get going good, old "sooky" will have to stay in the pen. This incorporation will yet look like something.

The recent rains has made old Schleicher County blossom like

a rose. likewise put, put a smile on the stockmen's faces as well as the farmers. Planting time is here and everybody has the push. Busy, oh my, we just can not be any other way.

We are glad to note that our friend Charlie Spencer, who has been wintering down about Kerrville has returned with the beautiful spring weather. Charlie just couldn't stay away.

KEEPING UP WITH THE

JONES ACT.

One of the real tests of the Prohibition law has come in the form of the Jones act, a federal statute increasing the penalties of the Volstead law to a higher degree of felony, or with a maximum punishment of \$10,000 fine or five years' imprisonment, or both. It will be a real test because the final test of any law is its enforcement. If the citizens of the United States, thru their federal trial juries, want to put a stop to the illicit liquor business they can come nearer doing it with the Jones Act than with any other enforcement measure since the advent of Prohibition as a national regulation. If they do not desire prohibition as it relates to intoxicants as beverages the severity of the Jones penal clauses will be their tacit excuse for wholesale acquittals.

One interesting phase of the will be the stand the various states will take in regard to adopting the provisions of the Act for the state and municipal courts. It is improbable that the state constitutions will permit the automatic adoption of these penalties without reenactments or special legislation by state legislatures. If that is found to be the case the sentiment of the states will be reflected by their legislative action or failure of action in this regard. If the states adopt the Jones Act penalties, and they are imposed upon what is called the "little fellow" juries may be even more reluctant to convict. This would bring about a deplorable condition of enforcement and be worse than no Jones Act.

No law ever went further than the people wanted it to go, at least for any great length of time. Legislation, however restrictive, in the end finds itself on a level with public thought and opinion and with the social and moral standards of society. The pendulums of laxity on the one hand and of severity on the other swing back and forth only to the points of temporary excitement and popular interest. Prohibition will be what the people make it, either a success or a failure. If there are not enough people to make it a success, of if thru carelessness or indifference to public administration the majority let apathy rule where no amount of increases in penal clauses will avail on the side of Prohibition.

Federal courts will be handicapped without the adoption of similar provisions by the states. The real test will come when the state courts are given power to impose penalties provided by the Jones Act, and enforcement is given its trial in local jurisdictions.

"THE BLIND SIDE"

In earlier days, it was not at all unusual to find on the farm, a horse that was blind in one eye. There was a "blind side" to the animal. He was easier to lay hands on than the other horses, because of his defect; it was no trouble to get old Ben and put him to work, for you could

How can DUNLOP

offer the World's most sweeping GUARANTEE?

Simply because DUNLOPS are built to stand abuse

DUNLOPS must be extraordinary tires to stand so drastic a guarantee as this new Surety Bond. Dunlops justify the world's most sweeping guarantee simply because they are built to stand abuse. To remove all doubt, the guarantee is in the form of an irrevocable Surety Bond, issued by the American Surety Company.

Before you buy another tire, read this...

This Bond covers accidents, like collisions and broken bottles... abuses, such as mis-alignment, or rim-cuts. In fact, it covers almost every tire hazard you can imagine. Come in and see a specimen copy.

ROCK Filling Station

sneak up to him on the blind side and clap the bridle on him.

Otherwise, he seemed to get along as well as a horse with two good eyes.

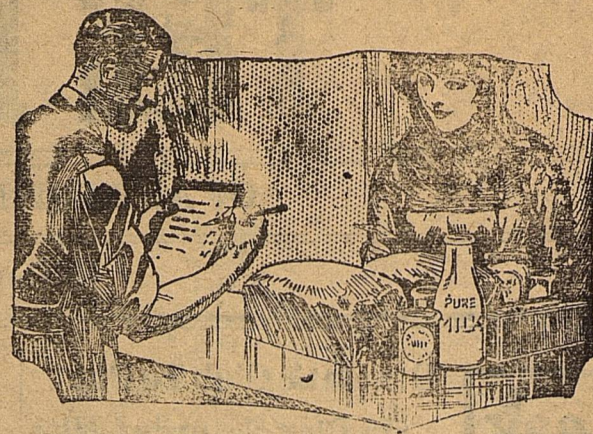

He was easier trapped, that's all.

My sympathies went out to old Ben for that very reason. hate to be trapped—caught un-awares. Many men have "blind sides," in spite of their two perfectly good eyes. Rogues sneak up and halter them, almost before they realize it.

Whenever a fellow approaches me with a proposition that my conscience doesn't approve, and that my pocket-book doesn't quite harmonize with—and tries to talk me into his way of thinking, so he can get the halter on me, then I recall poor old Ben and his blind side.

Over-zealous solicitors, political and commercial, work the blind side of their victims for all it will stand. Once the halter is on and buckled tight, how hard the driver's lash! How heavy the plough! For I have been caught on the blind side, and I know.

So, my life-study thus far, has been to see all around me—to have no "blind side." Sometimes get to thinking that my blindness has been cured—by experience; then some pussy-footer will slip up on me, but not so often—not so often. I shall delve after truth always, for truth makes men free. Light is the antidote for darkness.

West Texas Lumber Co. Has New Manager

The West Texas Lumber Company in the last few days has made some wonderful changes in the management of the yard in Eldorado. The new manager now H. F. Wiedenman and assistant manager Luther Gunter seems to be quite different than the recent man.

Mr. Wiedenman is from Brownwood where he has been with a roofing concern there. He seems to be very congenial and we believe will be much easier to deal with than the manager preceding him.

We are sure that everyone regrets the loss of Mr. Carpenter, but we heartily welcome these men to our city in his place.

J. H. Rodgers was called to Eden Thursday where his Mother and Father were in a car wreck, they were visiting relatives at Eden when the accident occurred. It could not be learned just how bad they were hurt but not serious it was thought.

MRS. O. E. BRADSHAW SUCCEUMBS TO ILLNESS

Mrs. O. E. Bradshaw, who resides on the Paul Nixon farm, died Wednesday night, after a lingering illness for 6 months. Mrs. Bradshaw moved here from Menard County last fall. The remains were laid to rest Thursday afternoon in the Eldorado Cemetery. Johnson Undertakers of San Angelo had the services

in charge.

SCHOOL NOTES

Editor-in-chief—Prince Murphy
 Assistant editor—Vera Wade
 Assistant editor—Glenn Ratliff
 Reporters: J. C. Bullion, Lola Davis, J. C. Kinchen, Louise Williams, Albert McGinty, Linna Parker and Fannie Hardt.

These news notes are prepared by the students of the Eldorado High School and submitted to The Success for publication.

DECLAIMERS GIVE GOOD PERFORMANCE

Friday night at the High School auditorium, an elimination contest was held for all divisions of declamations. Judges from Sonora school rendered the decisions.

The winners of Junior girls were:

Ima Gene Evans, first.
 The Junior boys declamation was won by R. L. Sample, first, Oliver Hardt, second, and Wayne May, third.

Morris Whitten was winner of the Senior boys division, Fred Williams second and Garland Bullion third.

The Senior girls contest was close but after the judges' decisions had been assembled, Fannie Hardt was awarded first place, while Lorene Shoemaker and Anna Florence Page tied for second. J. C. Bullion gave an excellent example of what an extemporaneous speech should be to win that contest.

All first place winners are awarded a gold medal, bearing the inscription E. H. S. Declamation, 1929.

SCHLEICHER COUNTY FIELD AND TRACK MEET

Friday afternoon at three o'clock a track and field meet was held at the school house to determine the representatives from this county in the District meet at San Angelo, April 12 and 13. Through the efforts of Mr. Holt, medals were secured for each winner. Gold track shoes with an engraved E will be given to track men and a gold tennis racket will be given to tennis winners. All medals were presented at chapel last Wednesday morning. The following is an account of the winners and the track meet:

100 yd. dash; W. Murphy first, C. Swift, second, K. Green, third. Time 10 3-4.

220 yd dash; W. Murphy, first, C. Swift second, K. Green third. Time 24 1/2

440 yd. dash; W. Murphy, first, P. Murphy, second, C. Swift, 3rd. Time 58.

880 yd run; G. Ratliff, first, H. Graves second, L. Parker third. Time 22 1/2

1 mile run; A. Smith first. Time 5.33 1/2

Discuss throw; R. Parker, first, E. Ratliff second, H. Graves third distance 81 feet 6 inches.

Shot Put; R. Parker first, C. Swift second, K. Green third, distance: 32 feet.

Pole Vault; R. Parker first, G. Ratliff second, P. Murphy third 9 feet 2 inches.

High Jump G. Ratliff first, W. Murphy second, L. Parker third 5 feet 2 inches.

Low Hurdles; W. Murphy. Broad Jump; P. Murphy, first

High Hurdles; G. Ratliff. E. Ratliff and G. Ratliff will compete at the District meet in tennis in doubles and G. Ratliff will compete in the singles.

Tramp: "Lady could you give me something to eat?"

Lady: "I know of a vacancy where you can earn your food."

Tramp: "I already have the vacancy lady, I am just looking for something to fill it."

Mr. Williamson: Name a liquid that won't freeze.
 Luther: Hot water.

Evelyn: Would you marry a spendthrift?
 Helen: It would depend on how much he had to spend.

Mrs. Holt: You don't give me presents as you used to.
 Mr. Holt: No; but I pay for the ones you give me.

Waller wrote:

gone through many hardships and unfortunate experiences, he is like a dark cottage. When the cottage becomes old and battered chinks fall out of the cracks and let sunshine flow into the rooms. This makes the old cottage brighter, because the sun has taken its place where the dark has reigned.

So it is with human beings. After all their hardships they become aged. But these hardships have taught them how to look on the sunnyside of everything and no matter how old they have become, sunlight begins to drench the dark place in their souls.

And how much brighter is sun shine to eyes that have been in darkness before.

Most of the people who dance and have to pay the fiddler try to wipe out the debt on easy payments.

John D. Rockefeller has shown a considerable amount of generosity, but many of our other millionaires don't seem to give a dime about the common people.

In the interest of peace the United States decided to send to 10,000 rifles and 10,000,000 rounds of ammunition to Mexico. This ought to bring peace with the manufactures of munitions.

A psychology expert at the University of Washington says intelligence tests show that persons who get married have a higher rating than those who remain single. We would have to see the person each one married before we would believe it.

Gingerville, Jamaica—Inasmuch as three of the four elements air, land and water are now concerned with transportation Prof. Noble X. Periment thought he would try the fourth fire. The professor has been transported father than he ever was by any of the other three.

DUNCAN'S CAFE

Another thing that has leaked out and that is, Carl Reagan and L. T. Wilson has the fishing fever

Some of the boys have already been heard to say that they were going to Christoval for a swim, which indicates that spring has come to stay.

The Eldorado School has started a baseball team for this year. This is excellent news for the Senior Editor and George Williams.

WHEN damp days, sudden changes in weather, or exposure to a draft makes joints ache, there is always quick relief in Bayer Aspirin. It makes short work of headaches or any little pain. Just as effective in the more serious suffering from neuralgia, neuritis, rheumatism or lumbago. No ache or pain is ever too deep-seated for Bayer Aspirin to relieve, and it does not affect the heart. All druggists, with proven directions for various uses which many people have found invaluable in the relief of pain.

Maybe some of the cities these Mexicans are fighting for aren't worth fighting for.

Washington.—After Senator Applejack had attended one of those White House breakfasts here this morning, reporters crowded around him for an interview of any important happenings. The Senator gave out the statement that the grape fruit juice squirted just as disastrously in the White House as in any other kind of a house.

Included in the list of handy things around the farm may be the mortgage.

Trouble seldom comes singly because it generally takes two to make it.

The biggest boost you can give Eldorado is by trading in it, and by supporting its institutions for good.

Some people spend their evenings at the same place they spend their week's earnings.

A business serves in proportion to the support given it. Support is given a business in proportion to the service it renders. Neither side should wait for the other to start.

FORGETTING COMMON

In the battle of Salamis, when the ancient Persians for a time threatened the power of the Hellenic forces, Themistocles and Aristides the Just, who had been bitter antagonists in the council of war, forgot their common differences against a common danger and helped to wage successful naval battle against the Persian invaders.

This happened 480 years before the beginning of the Christian era. It constitutes one of many examples in history where enmity between people in both public and private life is subdued or banished against a common foe.

Because of the historical and dramatic appeal of this incident there should be no less reason for its application in the less heroic affairs of modern life. Especially is the example applicable in community life where familiarity is likely to breed that contempt which is so destructive to civic progress.

We as a people in this community are not unlike the Greeks. For disturbances in our political, civic and social affairs liken us unto these Greek warriors. But the ends to gain are worthy of the sacrifice of personal grievances. This sacrifice is necessary in community activities. Indeed, it is indispensable to all progress.

To forget the trival things that cause unpleasantness and wage battle for success in local endeavors of a public or semi-public character is a fine accomplishment. No community can advance as it should without such a condition.

Two Greek warriors did it in 480 B. C., and thus turned the tide of the world's history. Any two citizens of Eldorado can do it and start a new era of civic development.

Saturday will be election day for the School Trustees for the Eldorado Independent School District. It behoves everyone to take some interest in the Election of those who are to manage your school.

Mr. Gordon Galloway from friend Rector White this week, on the White stockfarm near town.

RUPTURE SHIELD EXPERT COMING TO SAN ANGELO

ON Thursday & Friday April 11 & 12 AT

ROBERTS HOTEL from 10 a. m. to 4 p. m. Evenings by telephone Appointment only

TWO DAYS ONLY No Charge for Consultation

Mr. C. F. Redlich, the successful expert says:

The "Perfect Retention Shields" hold the rupture perfectly, no matter what position the body assumes or how heavy a weight you lift. They give instant relief, contract the opening in a remarkably short time and strengthen the weak tissues (the real cause of rupture) so that they frequently recover their natural retaining power, needing no further outside support. Stomach trouble, backache and constipation often caused by Rupture promptly disappear.

Truly remarkable and prompt results have been obtained not only with recent and not fully developed ruptures but also with old, long neglected ones.

Ingenious, recently perfected devices are now holding ruptures firmly which heretofore never had been retained.

No elastic belts nor filthy leg-straps are used.

I guarantee to hold the rupture and also the durability of my absolutely sweat and moisture proof, sanitary appliances.

75% of ruptured children recover completely through expert mechanical treatment according to statistics.

Do not waste your money or widely advertised mail order contraptions. You cannot fit you self.

C. F. REDLICH, Rupture Appliance Expert, Home Office, 538 Boston Block, Minneapolis, Minnesota. (Adv)

It is unfortunate that the people can not devote themselves to observances of the birthdays of more great characters of history.

Perhaps it might be well to eliminate so many special "weeks" and give opportunity for more special programs in honor of men and women who have accomplished things worthy of remembrance. Only a few outstanding characters are thus remembered so far as is concerned birthday observances.

Washington and Lincoln are the subjects of legal holidays. Thomas Jefferson is remembered often with more than passing notice. Robert E. Lee's birthday is observed with considerable degree of devotion. But a few more names would

tell the story. One has to consult his almanac too often to remember who was who.

Now since Eldorado has their street lights and have connection with the Main line of the West Texas Utilities, we can buy stoves, frigidaires, and other electrical equipment. Gee, but that sounds good.

April comes along with its days of greatness. On April 6th, 1909 Perry discovered the North Pole, Thomas Jefferson has a birthday on April 13th. April 19 is Patriotic Day. April 21st, the Lee's birthday is observed with considerable degree of devotion. Col. U. S. Grant was born April 27, 1822.

Worried Night after Night as health declined

"I SUFFERED frequently from nervous headaches, and I could not sleep well," says Mrs. Cora Dover, R. F. D. 2, Hickory Grove, S. C. "I was thin and pale. I was so weak I could scarcely walk. I tried several remedies which were suggested, but nothing seemed to help me. Night after night I worried because I could see I was going down-hill. I had my children to look after, and I was afraid of what would become of them if anything happened to me. "I began to take Cardui on the recommendation of a friend. It wasn't long until I was beginning to pick up. My strength gradually began to return. I rested better at night and was less nervous. I took several bottles of Cardui, and when I had finished taking it I was in fine health."

ELDORADO LIONS HAVE GOOD MEETING—ING FOUR NEW MEMBERS TAKEN IN

The Eldorado Lions Club met Wednesday and had a large percent of the membership present and several visitors.

The meeting was a very lively one and the report of the different committees were all very favorable and accepted by the club. has done much in putting on the street lighting program was retained, although they have completed their work that they were supposed to do.

The banquet committee gave the report that the annual or the club's first anniversary banquet would be held on the evening of May 1st. The Charter was issued on June 19th but the committee felt that there might be some conflicts in having it on that date and therefore set the date to May 1st.

Four new members were taken in at this meeting which included the men who became members were, Dr. H. W. Weidenman, J. N. Davis, S. F. Shoemaker, and W. B. Cobb, all who are very progressive men of the town and will greatly strengthen the Lions Club of Eldorado.

Rev. Epperson of San Angelo was one of the visitors present and gave a very interesting talk and also invited the members of the Club here to attend the State Convntion in San Angelo on May the 9th and 10th.

Mr. Cope of San Angelo was also another visitor and gave us a hearty welcome to attend some of the luncheons of the San Angelo club on Thursday of each week. Mr. Cope is the reporter of the Morning Tims in San Angelo.

The sidewalk project was taken up but was put off until a future date after the committee could find out more about the cost and other problems that are due to arise from the paving.

HINTS FOR THE HOME

What more refreshing for the bedroom than a crisp new spring dress for the vanity? Perhaps one of sprigged chintz, if floor covering and draperies be plain. Or, if the contrary, a faintly flouncing of tinted organdie over a satenee slip. Nothing is more feminine than organdie.

One pretty model in two tones of green was made with the foundation of pale leaf green organdie, the deep hem and applique above it in a slightly darker tone. In another two shades of yellow-rose were used. The light rose formed the long under flounces, the darker shade was scalloped and shirred on cords and used as a six-inch ruffle finish at the top of the table.

Menu for Bridge Luncheon—
Antipasto
Tomato stuffed with chicken
Potato chips
Cloverleaf rolls
Strawberry Mousse
Assorted small cakes
Coffee

Fricadelli

To 2 cups cold roast meat, chopped, add 1/2 cup bread crumbs, 1 chopped onion, 1/2 teaspoon chopped parsley and same of chopped celery leaves. Beat 2 eggs and mix with all ingredients. Form into balls, roll in crumbs and fry in deep hot fat.

Rice and Swiss Cheese

Boil 1 cup rice and place a layer in buttered baking dish, season with salt and red pepper; add a layer of grated Swiss Cheese, more rice and cheese; cover to top with milk and bake until the milk is absorbed.

Angel Sandwich

Cut slices of angel food cake about 1/2 inch thick, spread between them a filling of whipped cream mixed with chopped nuts.

School Census Increases

Mr. J. H. Rodgers has just finished the school census for the Eldorado Independent School District and reports that he has enrolled 491 pupils. An increase over last year of 27. The school will have to prepare to take care of over 500 pupils, for that number will be reached before another term of school starts.

Bridge Party

The Bluebonnet Bridge Club was entertained Wednesday afternoon at the home of Mrs. E. M. Reynolds, with one guest present.

(The color scheme of yellow and white was carried out in the a-plate.

Mrs. V. G. Tisdale won the club prize and Mrs. Buchannen the guest prize.

Trustee Election Saturday

Next Saturday is the trustee election for the Eldorado Independent School District. Three new trustees will be elected to go on the board. This job is not one that everyone wants but it is very essential and everyone should be interested.

The following names were turned in to us that will be in the race—J. H. Rodgers, C. M. Reynolds and L. T. Barber.

FOR ECONOMICAL TRANSPORTATION

Why over 300,000 have already chosen the new Chevrolet Six

Smooth Six-Cylinder Performance

The Chevrolet Six delivers its power easily, freely and without annoying vibration or body rumble—assuring at every speed the quiet, luxurious comfort that everyone expects of a fine automobile.

Distinctive Bodies by Fisher

Longer, lower and roomier... and offering such fine car features as Fisher VV windshield, adjustable driver's seat, and Ternerstedt hardware—the new Fisher enclosed bodies give the Chevrolet Six an outstanding measure of distinction.

Better Than 20 Miles to the gallon

Due to finer carburetion and improved manifold, this marvelous six-cylinder performance is delivered with fuel-economy of better than 20 miles to the gallon of gasoline—with extremely low oil consumption.

Every Modern Driving Convenience

The new Chevrolet Six is equipped with full ball bearing steering mechanism... quiet, non-locking 4-wheel brakes... theft-proof Electrolock... automatic stop and tail light... rear vision mirror... and foot-controlled adjustable beam headlights.

A Six in the Price Range of the Four

Many people do not realize that this marvelous new six-cylinder Chevrolet is actually offered in the price range of the four. Compare total delivered prices as well as factory prices when determining automobile values. You will find Chevrolet delivered prices include the lowest handling and financing charges available.
