## St. Patrick's Day Promotion Begins

### Money Tree Drawing To Be Wednesday

Who wouldn't like to win the BAC's "Giving of the Green" money tree and be several hundred dollars richer on St. Patrick's Day?

The Muleshoe-promoting event is being sponsored by the Business Activities Committee of the Chamber of Commerce, with LaRue Edwards and Iris Clements coordinators.

Registration for the money tree, on display in the window of Sears, Roebuck on Main Street, may be with any of the participating merchants in Muleshoe.

And besides giving-the-green money tree promotion, the Muleshoe merchants are pushing the luck of the Irish happily by celebrating with numerous special bargains and buys. The specials will last all day Wednesday, so that shoppers may profit from saving-the-green as well as register for winning-the-green.

It is a once-a-year time for toasting the good Saint himself on St. Patrick's Day, March 17, as well as an annual savings time for shoppers.

Better hurry and register, say the sponsors, for the deadline for merchants turning in their registration slips is this St. Patrick's Wednesday. At 4 p.m., all merchants will turn in their slips in preparation for the drawing.

Mrs. Edwards said that the winner must be present at the drawing to win the money tree, so everyone is invited to gather at the drawing at 4:30 p.m. on the street in front of the Sears store.

Shoppers may sign up at the following local businesses until Wednesday afternoon: Robinson's Boot Shop, Lambert's Cleaners, San Francisco Cafe, Main Street Beauty Shop, White's Auto, Crow Chevrolet, Higginbotham Bartlett Co., Williams Bros. Office Supply, Muleshoe Locker, Bakers Maytag Laundrette, and Plains Auto.

Also White's Cashway, Spudnut Shop, Barry Lewis Abstract, Muleshoe Motor Co., Bratcher Auto Parts, Yarn Boutique, Pioneer Natural Gas, L & H Grocery, Ladd Pontiac, West Sixth Street Texaco, Wagon Grocery and Weidebusch and Childers.

Also Ranch House Motel, Muleshoe Floral, St. Clairs, Western Drug, The Fair Store, Perry's Variety, Gordon Wilson Appl., Cobb's, Sam's Auto, Western Auto, Southwestern Public Service, Tei County Savings and Damron Drug.

Also Anthony's, Bobo Insurance, Jack Young Att., Jim's Pay and Save, Stovall Printing, Dot's Shop, Reba's Beauty Shop, Corral Restaurant, Decorator's 216, Fry and Cox, Sears, Roebuck and Muleshoe Publishing Co.

problems with them. Mrs. Cecil Jones reported to the Journal that the membership drive was a success and the men seemed to be pleased with the people they met while here. Since they come from a place where they grow winter wheat and it is already green, they thought Bailey County to be very dry.

M.L. Fine took the three men back to Lubbock Friday morning where all of the group met at the airport for breakfast and to visit.

The 35 men were visiting in Area II with different farmers of this area. The three men that stayed in Bailey County went out each day with different farmers and discussed their

### Chilean Visitors Speak To Rotary

Rotary met Thursday night, March 11, with four Chilean visitors present. They were Hernan Constanzo from Chillian, Chile, who is a Professor of English at the University of Chillian; Marcelo Cordore of Concepcion who is the chairman of the department of Spanish at the University of Concepcion; Nelson Briceño of Angol who is a surgeon and Jano Rojas of Concepcion who is a business administration student and a manager of a meat packing plant.

Local guests included J. K. Adams, Earl Ladd, Irving St. Clair, Sam Fox, Jess Bryant and J. W. Coppedge.

Burel Block, Muleshoe High School language teacher, addressed the visitors in Spanish making them welcome to West Texas and the West Plains. The visitors addressed the group and commented that they were happy to meet the friendly people of West Texas. They stated that it was quite an experience visiting oil wells, meat packing plants, feed lots and cotton gins.

Briceño described Chile's industries including steel, textile, copper, paper and agriculture. He pointed out that Chile has a basically European culture and that its six universities are free. He further described the recent change in the government of Chile and that the November 4, 1970 change was presently a socialistic government, not communist. The government, he continued, is composed of six parts. He also stated that Santiago is the capital and has four million people.

The Chileans left Friday morning for a tour of Hereford and will return to Muleshoe to be joined Saturday by three more Chileans and the entire group will be given a tour of the Muleshoe area starting at Plant X and visiting the industry in the Muleshoe area.

13,000 Cattle Said To Be Lost During Blizzard

Congressman Bob Price said this week that he has been advised by the State Farmers Home Administration director that approximately 13,000 head of cattle and 3,000 head of hogs were lost during the recent Panhandle blizzard.

Price added that hog losses were reported primarily in Randall, Hutchinson, Ochiltree, Hemphill and Wheeler counties.

Cattle losses estimated by county include: Armstrong, 150; Donley, 150; Gray, 1,000-1,250; Hansford, 300-400; Hutchinson, 150-200; Lipscomb, 150-200; Ochiltree, 300-400; Hemphill, 250; Roberts, 1,300; Wheeler, 300; Dallam, 100; Hartley, 150 and Sherman, 1,000-1,500.

Also, Deaf Smith, 1,500-2,000; Oldham, 100-200; Parmer, 100; Randall, 950; Carson, 2,000; Moore, 400; Potter, 100; Briscoe, 350; Swisher, 1,000; Childress, 30 and Hall, 50.

The Congressman listed no figures for Bailey County in his loss estimates and added that most of the cattle lost were stockers.

inspection as they can of all schools who send brochures or visit the local school system and added that this was done in order to attempt to protect the local students when they graduate.

As it is thought the Attorney General's statement would be of interest to parents of high school students, it is reproduced below in its entirety: "Experience shows that at this time of the year many high school seniors are contacted by trade schools urging that they continue their education in their schools. Most of these schools are legitimate and no problems arise; however, in a few instances, certain schools have offered substandard instruction and, some cases, have even closed their doors after receiving tuition payments from prospective students.

"For this reason I feel that you could render a real service to your graduating seniors by cautioning them to check carefully before they enroll in any school. One of the prime rules for them to follow would be to avoid any school requiring immediate enrollment. Some high-pressure commission salesmen use this gimmick and say that the failure to enroll immediately will result in the inability of the prospective student ever to enter their school. Legitimate

Appearing before County Judge Glen Williams Friday morning, March 12, were Gilberto Gonzalez for driving while intoxicated; William Bovell III, driving without a driver's license; and Austin Albert Pinkerton, driving while intoxicated.

Four youths from the First United Methodist Church attended Student Day activities held at McMurray College this past weekend. Mark Dillman, Tommy Taylor, Patty Murray and Jan Jinks, accompanied by J. B. Fowler, spent Friday and Saturday of last week in Abilene. The students were guests of McMurray College for the purpose of acquainting them with college life.

In the police activity this week, one was jailed on DWI charges by the county sheriff's department.

### April 9 Last Day To Sign Grain Program

"It's that time again," said Charles A. Daniel, county executive director of the Agricultural Stabilization and Conservation Service in Muleshoe, "Don't wait until the last week to sign-up for the annual feed grain program."

He reminded that if a farmer wishes to be in the program, April 9 is the last day to decide. He also said that May 3 is the final day to transfer cotton acreage in or out of the county.

Daniel also added that for feed grain producers who have changed from grain sorghum to corn or vice versa, since 1959-60, and intend to continue this change may have the COC update the corn and grain sorghum bases on an acre per acre basis. This must also be done by filing a written request before April 9.

Physical requirements for set-aside, Daniel added, are listed for cropland which is at least equal in productivity to the average productivity of other cropland on the farm and could be devoted to the crop for which payments are made. In the event that the productivity of the set-aside acreage is substantially below average, the

The annual All-Sports Banquet for the Muleshoe School system will be held Friday, March 19 at 7:30 p.m. in the Muleshoe High School cafeteria, said Muleshoe Athletic Booster Club President Jim Shafer.

He said tickets are presently available for \$2.50 each for the banquet which will be catered by Underwoods. Shafer added that tickets may be purchased at Damron Drug, Western Drug, Muleshoe State Bank, First National Bank and Williams Bros. Office Supply, and should be purchased before Wednesday morning, March 17. He reminded that the banquet is not restricted to athletes and parents of athletes, but any sports fan who would like to attend would be welcome to attend the banquet and hear special guest speaker, Charley Johnson, quarterback for the Houston Oilers.

To be honored will be boys and girls in all high school sports, including football, basketball, track, tennis and volleyball.

Outstanding players in both boys and girls events will be named during the evening. Special speaker Charley Johnson is quarterback for the Houston Oilers and went to the Oilers in an off-season trade, along with wide receiver Bob Atkins.

He is a native of Big Spring, six foot one inch and weighs 190 pounds. The quarterback is in his tenth year of professional football.

Johnson is expected to be the first really proven quarterback since George Blanda and his manager says, "he should be the man needed to give the Oilers the leadership and field generalship which has been inconsistent during the past few seasons."

He holds virtually all the passing records from the St. four seasons under Wally Lemm at St. Louis, 1962-65. He attended Shreiner Institute before moving to New

Mexico State on a basketball scholarship. His strong arm and tactics helped him lead New Mexico State to two Sun Bowl titles after he switched to football. Johnson has completed 1,030 passes in 2,047 attempts, good for 14,918 yards and has 108 touchdowns with a 50.3 completion percent-

## Grain...

If other land is not designated appropriate reduction in payments shall be made, he said.

In explanation of payment reduction, Daniel said, "The difference between the yield established by the county committee and the original farm yield for the commodity would be multiplied times the following applicable rates: wheat, 80¢ per bushel; corn, 32¢ per bushel; grain sorghum, 29¢ per bushel; and cotton, 5¢ per pound. This result will be multiplied times the required set-aside for each individual commodity, he explained.

Irrigable land within the farm's irrigation system shall be designated for set-aside when the established yield for the allotment or feed grain base from which set-aside is determined is irrigated. If an acreage is designated which cannot be irrigated, the payment for the allotment or base will be made on the basis of a "dryland yield". A yield then will be established that is representative of dryland production for the farm, Daniel concluded.

## Muleshoe Jaycees Continue Survey

In order to compete coverage on the Muleshoe Jaycees Community Development Survey begun Tuesday, March 9, will be continued through Saturday, March 27, according to co-chairman Dwyan Calvert and Gene McGuire.

More than 387 survey forms were completed this week Calvert said.

Muleshoe High School students to be surveyed this week, to bring the younger generation into the survey suggestions.

Those who have not mailed in their questionnaire survey sheets or who were not contacted are asked to complete the sheet and mail to the Muleshoe Jaycees, in care of the Chamber of Commerce 221 West First Street, Muleshoe.

A duplicate form of the survey is reprinted elsewhere in this issue in order that those who have not been reached may complete the form.

It is especially hoped, Calvert said, that those in nearby rural areas around Muleshoe will use the form to express their suggestions and interests for Muleshoe's betterment.

The aim of the survey is to compile a list of problems and possible solutions. The Jaycee spokesman added that "We are aware of some of the problems, and we are looking for solutions".

## Banquet...

He received a doctor's degree in chemical engineering in June 1970 and is married and the father of two children. Johnson is said to be an outstanding and dynamic speaker, with a good message for both teenagers and adults.

With a limited number of tickets available for the banquet, President Shafer suggested that tickets for the banquet be obtained as soon as possible.

Habits are at first cobwebs, then cables.

-Spanish Proverb.

The comments of ideas and suggestions from those who will take time to fill in the questionnaire will be of the greatest assistance for city improvement to the Jaycees, as well as others in the community, Calvert added.

Calvert remarked that the suggestions made in general comment on item 18 of the survey had been most revealing to the committee thus far.

**OK!... you want to be Cool**

**Get your money's worth electric air conditioning**

**OVER 30 YEARS OF PROVEN DEPENDABILITY**  
 Just like your refrigerator, electric air conditioning uses the same experience-proven method of cooling. A dependable compressor keeps on cooling no matter how high the outside temperature.

**LOW OPERATING COST**  
 Before you buy, be sure you have complete information. Electric air conditioning saves you money when you buy and because it uses only electricity and free air, your operating cost is low... no extra installation costs either!

**HIGH ALTITUDE - NO PROBLEM**  
 Despite our high altitude electric air conditioning keeps on doing its job because the electric cooling method is completely sealed against the effects of altitude changes.

**CHOICE OF BRANDS**  
 There are 58 manufacturers of electric air conditioning and all major brands are available in our area. Brands in your area are listed in the Yellow Pages or identified on your neighborhood dealer's store front.

**CHOICE OF SIZES**  
 Electric air conditioning offers the right size for your cooling job. Do large a unit makes your first cost unnecessarily high; too small runs up operating cost. Electric air conditioning can save you money on both counts.

**COMPLETE SERVICE**  
 The principle of electric air conditioning is so well understood and the parts so easy to change that any air conditioning man can give you service quickly should you ever need it.

MRS. BOBBY ALLISON

## Miss Rhonda Briscoe, Bobby Allison Are Wed

Miss Rhonda Su Briscoe and Robert Carroll (Bobby) Allison exchanged wedding vows Sunday, February 28, 1971, in the Pioneer Drive Baptist Church at Abilene, Texas. Doug Wood, brother-in-law of the bride, officiated at the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Guy Briscoe of Lubbock and the groom is the son of Mr. and Mrs. Gerald Allison of Muleshoe.

The church was decorated with two large arrangements of white gladioli and carnations with decorative greenery.

### Eastern Stars Attend School In Tulia

"The Brightest Key" Eastern Star School of Instruction for District 2, Section 3, was held March 6, in Tulia, with an attendance of 325. Forty-two Grand Officers were present, including Mrs. Frances Key Herrin, Austin, Worthy Grand Matron; Victor Jones, Amarillo, Worthy Grand Patron and Mrs. Rebecca L. Miles, Arlington, Grand Secretary.

Registration began at 8:00 a.m. in which Mrs. Barbara Lust, Muleshoe Chapter 792, assisted. Mrs. Sidney Dell Bullock, Worthy Matron and Mrs. Beth Boren, Associate Matron, participated in the lovely drill by the Worthy Matrons and Associate Matrons of the Hostess Chapters. Mrs. Bullock, and her husband, Wyle, filled the office of Associate Matron and Associate Patron during the Day Session and Mrs. Bullock served as Marshal at the Evening Session and Joint Fraternal Visit of the Worthy Grand Matron.

Registration began at 8:00 a.m. in which Mrs. Barbara Lust, Muleshoe Chapter 792, assisted. Mrs. Mary Farley served as School Secretary, and in the Evening Session, Mrs. Charleta Treider of Muleshoe Chapter sang "Keys to the Kingdom". 181 Certificates of Proficiency were issued. Elbert Nowell and Mrs. Lavonne Hinkson assisted in the Examining Room.

Receiving "A" certificates, from Muleshoe Chapter, were: Mr. and Mrs. Elbert Nowell; Mr. and Mrs. Wyle Bullock; Mrs. Mary Farley; Mrs. Barbara Lust; Mrs. Lavonne Hinkson; Mrs. Vera Clay; Mrs. Clara Lou Jones; Mrs. Beth Boren; Mrs. Charleta Treider and Mrs. Jewell Strong. Receiving "B" Certificates were: Mrs. Alex Williams and Mrs. Wayne Williams.

Others attending from Muleshoe Chapter, and enjoying the "Key to the West" Banquet and Joint Fraternal Visit of the Worthy Grand Matron, were: Mr. and Mrs. Alton Epting; Owen Jones; Alex and Wayne Williams.

Nuptial music selections, "We've Only Just Begun", "The Lord's Prayer" and "One Hand-One Heart", were presented by Tau Alpha Phi members and organist, Clay Freeman of Tulia. The soloist was Tim Seelig of Fort Worth, a student at Hardin-Simmons.

Given in marriage by her father, the bride wore a gown of white satin with an empire bodice of Chantilly lace, decorated with seed pearls. The gown featured long sleeves and lace appliques adorned the full length skirt which ended in a chapel train. The elbow length veil of illusion was caught with a satin bow. The bridal bouquet was of white feathered carnations.

Mrs. Doug Wood of Abilene, sister of the bride, served as the matron of honor. She wore a full length pink gown of dotted Swiss with an empire waist, trimmed with white lace, and long sleeves. She carried a small bouquet of white carnations with pink ribbon streamers.

Larry Allison, Littlefield, brother of the groom, served as the best man. Seating the guests were John Gulley of Muleshoe and Ronnie Hill of Floydada.

The reception was held following the ceremony in the dining room of the University Baptist Church. Included in the house party were Mrs. Alan Cunningham, Judy Wilcox and Jeannie Vinson.

The bride is a 1970 graduate of Monterey High School in Lubbock and attended Hardin-Simmons University. The groom graduated from Muleshoe High School in 1968 and is a junior social work major at Hardin-Simmons University, Abilene, where he is a member of Tau Alpha Phi Social Club.

Out of town guests at the wedding were Mr. and Mrs. Oscar Allison and Sam, Mr. and Mrs. Harold Allison, Carolyn, Fred and Jim, all of Muleshoe; Barry and Bobby Briscoe, brothers of the bride of Lubbock; Miss Joyce Fisher of Lubbock and Bob Beights of Lubbock.

ENGAGEMENT ANNOUNCED . . . Mr. and Mrs. O. H. Hawkins of Muleshoe announce the engagement and approaching marriage of their daughter, Janie Cousatte, to Tommy Gibbins, son of Mr. and Mrs. Don Bohannon of Baxter Springs, Kansas. Miss Cousatte is a 1970 graduate of Muleshoe High School and is employed at Marion's of Muleshoe. Gibbins is now serving with the United States Marine Corps, in the Philippines. The couple plans to be married May 8 at the Trinity Baptist Church of Muleshoe.

## Young Homemakers Meet, Have Program

The Muleshoe Young Homemakers met Thursday, March 11, at 4:00 p.m. in the Muleshoe High School DECA room.

Mrs. Jimmie White began

### Lazbuddie 4-H News

Reporter: Danny Clark  
The Lazbuddie 4-H Club met in the school cafeteria Monday night, March 8, for a covered dish supper. This was parent night and some of the members entertained with a program in the form of a talent show. They are planning to enter the county "Share the Fun" contest in April.

Danny Clark, master of ceremonies, welcomed the parents, members and guests; Susan Mimms led the Pledge of Allegiance and Reta Davis led the 4-H motto.

Groups performing were: The Sensational Five - Danny Howard, Greg Mosley, Randy Smith, Raborn Winters and Mark Foster; Plo Girls - Donna Brown, Elaine Cargile and Diana McGuire; The LaDonnas - Susan Mimms LeAnn Farley, Reta Davis and Diana Coker; Fourth Grade Duet - Pam McDonald and Darshan Jennings; Kent Winders and Terri Clark played selections at the piano.

We are proud of all the people that came out to eat and enjoy this evening with the 4-H Club. It is a real encouragement to this group of exceptionally talented young people.

We had about 70 parents, members and guests. We from the Lazbuddie 4-H Club thank you and invite you to come to any meeting any time as we have some very interesting and informative programs planned.

The first year food group met Tuesday evening after school at the Home Economic building for their third meeting which was the food group milk.

There were eight girls present and three junior leaders with adult Mrs. Clark present. The girls were Pam McDonald, Darshan Jennings, Tammy Smith, Carla Littlefield, Elaine Cargile, Donna Brown, Candy Moore, and Terri Clark. Junior leaders were Reta Davis, Susan Mimms and Karen Mimms.

Two mothers also present were Mrs. Wanda Littlefield and Mrs. Preston Cargile.

the meeting with an inspirational chalk talk. Drawing a light house, she reminded each member that she was a guiding light for her family and community. She then posed the question "Does your light lead to a closer walk with God?"

President Mrs. Elmer Downing presided over the business meeting. She read notes of appreciation from the Young Farmers for the shared Christmas party; from the Muleshoe Nursing Home Patio Committee for the contribution for the patio flowers; and also from Mrs. Jimmy Black for the rose buds sent her upon the arrival of her baby daughter.

Mrs. Robert Hunt, projects chairman, outlined a circus theme for the Play Day to be held at the Muleshoe Nursing Home in April. The club voted to implement the proposed plans. Mrs. Hunt, Mrs. Eugene Shaw, Mrs. Jimmy White and Mrs. Downing comprise the committee to plan

the project.

## Dear Editor:

When I was in the news office last week, you remarked that several people had wondered just what the Bailey County Tax-payer's Association was, who it was and what its purpose is. I will do my best to explain.

Monday morning after the bond election last May, twelve men met in Muleshoe to try to determine if there was anything that could be done to gain the necessary time to explain the hospital district proposal to the residents of Bailey County and to refute the misleading statements made by the proponents of the district. Each of these men were worried that the county taxes would become prohibitive and would stifle all progress both for Bailey County and for Muleshoe. One of the first things that industry looks at in a community is the tax situation.

This group called several meetings in the different communities of Bailey County to explain the implications of a district hospital and to solicit support. Officers were elected with Chester Lettiff of Bula as president; Leldon Phillips of the Muleshoe area as vice-president and Barry Lewis of Muleshoe as secretary-treasurer.

The membership is limited to those who are interested

in ad valorem and other tax matters as related to Bailey County and is basically those who signed a petition opposing the actions of the Bailey County Hospital Board.

The group does not have a regular meeting date but meet at the discretion of the officers. These meetings are not secret since we meet at the Bailey County Electric Co-op's building on a Friday evening at seven. Are members of the Press welcome? As far as I am concerned any reporter whose purpose is to write an unbiased report of our meeting would be welcome.

A committee was appointed to pick candidates we would sponsor as Board members and several different ideas were discussed.

At our February meeting I gave a report on districts I had checked. We heard reports from the other committees and took what action was necessary. There were approximately 30 people present at the last meeting (Feb.) and more than 100 at the January meeting.

I am leaving this morning (March 8) to check some more districts. Both Wilbarger County (Vernon) and Baylor

County (Seymour) have been suggested as examples of very successful districts. I will give you a report on these and others in my next letter.

Yours truly,  
(s) Richard E. Black

Dear Editor:

A few days ago my youngest child told me that they would be going to the school across town next year. Most families choose their homes to be near a school, church and their work. Some families will have children in all four schools-with after-school activities to attend.

The most inconveniences will be for the mothers and children who must get up earlier to get to school across town and then find their rides back home in the afternoon.

School buses run twice a day; you may wait on them but they don't wait on you! Must our children, parents and school personnel be expected out on extremely bad days? Couldn't everyone (except maybe mothers) benefit from a day off to "catch up"? Wouldn't this lessen the chances of all kinds of accidents?

Some of the classrooms are kept extremely hot-being bad for children, teachers and expenses.

Seems the editorial (Letter's to the Editor) column has been stuck on the same subject too long. Businesses pay for their advertisements.

Yes, I'm for keeping the neighborhood schools just that and NOT bussing children across town, no matter which way. Parents, this issue is to be decided Monday night!

After Tuesday night's Community Survey which involved thirty-five Jaycees, we now have 400 different opinions on our town. There is a wide variety of opinions, as would be expected, but the encouraging thing was the large percent of people who have faith in Muleshoe's growth and prosperity. Many estimated the population in 1985 to be 8,000 to 10,000, and some even estimated up to 15,000 which is possible as

long as we keep thinking growth and working in that direction. Our membership drive is in full swing and several new members have already signed up. We need your help in building a better Muleshoe; it takes two - your Chamber and you.

# ONCE IS ENOUGH.

It's amazing how something as simple as fungus control can be so difficult to get across to cotton growers.

We've been working at it for six years now. We've had great success. But we haven't reached all the growers who are paying for poor stands... and replanting.

What makes it all so complicated is that we can't see the cause of the problem. If we could get our head into the soil at seed level and watch the fungi attack the seed and seedling, it would be a different story: See the fungi? Enter Terraclor Super-X. Pow! The fungi are eliminated.

But you can't see them without a microscope. And plenty of training. Our people who

developed and tested Terraclor Super-X have seen them. And how they were controlled by Terraclor Super-X.

Take their word for it. Apply Terraclor Super-X when you plant this spring. Chances are you, like most growers, will prefer the form with DiSystem Systemic Insecticide impregnated on the granules. It saves time and work.

You'll see the proof of our words in your tall, healthy, uniform stand. And the savings when you don't have to replant.

The man with the details is your Olin distributor. He has all the information you should need to decide that once is enough. Which is another good reason why we say...

The rare bird means business. Olin

## Muleshoe National Honor Society Initiates Fifteen

### Students, Sponsors Travel To Houston Fat Stock Show

By C. L. Myers  
Two weeks ago a group of approximately 35 boys, girls, and several sponsors and the two agriculture teachers from MHS traveled to the world's largest fat stock show and rodeo held in Houston, Texas. Everyone got their animals ready Sunday afternoon, and they all left that night. After arriving in Houston on Monday, the hogs and calves were unloaded and later washed so they would look their best. There was a total of 98 hogs, 11 steers, and two lambs in Houston from Muleshoe. Muleshoe had only ten hogs to get sifted, which is a very good percentage.

All of the students enjoyed the week in Houston. There were good rodeo performances each night and plenty of rides and exhibits to be enjoyed.

Gary Hooten's reserve champion of the breed berkshire barrow was sold for \$4.00 per pound, which amounted to \$832. Douglass Walker sold a berkshire barrow for \$1.75 per pound for a total of \$421. Lizan Gunter sold a Poland china for \$1.75 per pound for a total of \$350.

The following students had hogs placing: Gary Hooten, first place middle weight berkshire and reserve champion berkshire; Lizan Gunter, first place plant china and 19th place hampshire; Douglas Walker, first place berkshire; Greta Bamert, second place berkshire; Tim Black, third place cross; Gene Bray, third place plant china; Verl Burris, third place berk-

shire; Larry Ross, fifth place other pure breeds; Steve Black, fifth place plant china; Tim Black, sixth place cross; De-wayne Phillips, sixth place hampshire; Gene Bray, sixth place plant china; Bobby Henderson, eighth place other pure breeds; Benny Cousatte, ninth place hampshire;

Terry Wheeler, 10th place other pure breeds; Danny Noble, 10th place berkshire and 14th place hampshire; Larry Kemp, 11th place cross; Arthur Lopez, 11th place other pure breeds; Keith Harp, 11th place berkshire; C. L. Myers, 14th place plant china; Terry Gunter, 16th place cross; Aaron Kelson, 16th place cross; Mike Carpenter, 17th place cross; Jerry Scoggin, 17th place hampshire and 23rd place hampshire; Nicky Bamert, 17th place other pure breeds and 17th place plant china; Larry Vaughn, 18th place cross; Dan-iel Parsons, 18th place hampshire and 20th place hampshire; David Harris, 19th place plant china; John Gunter, 20th place plant china; and Brent Gunter, 25th place cross.

NATIONAL HONOR SOCIETY NEW MEMBERS . . . Pictured are the 15 new members who were initiated into the Muleshoe High School National Honor Society recently. They are left to right in the back row, Mrs. Eric Smith, sponsor, Judy Winn, Bobbi Hardaway, Cynthia Gable, Bryan Brady, Johnny Hayes, Martha Chapman, and Marilyn Pool. Front row left to right are Betty Chandler, Mary Lou Mercado, Ruby Page, Patty Murray, Karen Locker, Geraldine Gray and Connie Redwine. Not pictured is Sue Darsey Locker.

### New Members Light "Flaming Torches"

By Dellinda Henry  
The Muleshoe National Honor Society held its annual initiation Tuesday, March 8, in the high school auditorium. President Mark Dillman conducted the initiation ceremony. As the secretary, Judy Dodd, called the roll, the old members presented the new members. After they were presented, the members directed by Vice-President Jerry Putman repeated the NHS pledge. Mrs. Eric Smith, sponsor, then proceeded to "light the torch" of the Muleshoe NHS. When the candles were all lighted, Mark Dillman closed the initiation.

Old members are Mark Dillman, Jerry Putman, Judy Dodd, Dellinda Henry, Debbie Jo Bruns, Gary Kincaid, Babs Haire, Jon Cole, Jerry Scoggin and Lee Ann Yerby.

New members are Juniors Bryan Brady, Martha Jane Chapman, Karen Locker, Johnny Hayes, Connie Redwine, Patty Murray, Ruby Page, Geraldine Gray, Marilyn Pool, Cynthia Gable, Bobbi Hardaway, Sue Darsey Locker, Mary Lou Mercado, Judy Winn and Senior Betty Chandler.

keystone and flaming torch. The flaming torch is an emblem of its purpose which is to lead by the light of the ideals which the NHS has set and to serve the school by fostering and encouraging these high ideals.

Membership in the Muleshoe Chapter of National Honor Society is open to those Juniors and Seniors who have maintained a 90 overall average in the academic subjects. They are selected by the faculty; and in addition to the 90 average, they are rated on Character, Leadership and Service.

### St. Patrick Legend Of

By Babs Haire  
On March 17, special observances will be held to celebrate Saint Patrick's Day. This day is in honor of Saint Patrick, the patron saint of Ireland. Patrick lives an exciting life. When he was sixteen, Irish pirates captured him and carried him to Ireland. He escaped to France and became a monk. In the year 432, he was told in a vision to return to Ireland where he founded over 300 churches and baptized more than 120,000 people.

Many legends have sprung up around Saint Patrick. Foremost among these legends is that he charmed all the snakes of Ireland into the sea where they drowned.

The shamrock is a symbol of Saint Patrick's Day because the saint is said to have used the shamrock to illustrate the Trinity. People wear green on Saint Patrick's Day because it is the color of the shamrock and Ireland, the "Emerald Isle."

### Lang, Mason Attend DECA

By Brenda Tiller  
Shirley Lang and Ronnie Meason represented the Muleshoe DECA Chapter at Fort Worth, Texas, March 4th through 7th. Mr. Gist, the DECA instructor, sponsored the group to the State DECA contest. They stayed at the Sheraton Hotel in Fort Worth. The first place winners from the Area Contests competed in the different contests on the state level.

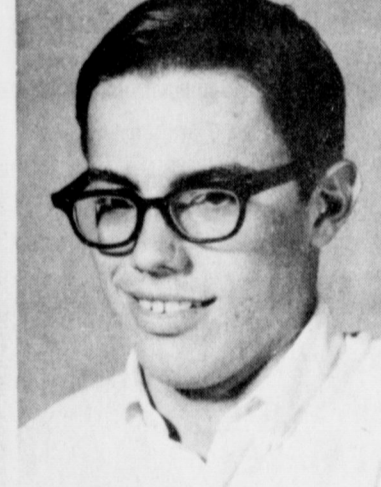

Shirley Lang competed with approximately sixty other area first place winners in the advertising lay-out contest. She did not place in the state contest, but did a very fine job of representing Muleshoe in this contest. Ronnie Meason represented the Muleshoe DECA as a voting delegate.

The theme for the State Convention was "Stand Up For Free Enterprise." During the meetings, state DECA officers were elected for 1971-72. The newly formed DECA Clubs of Texas were honored at the Convention.

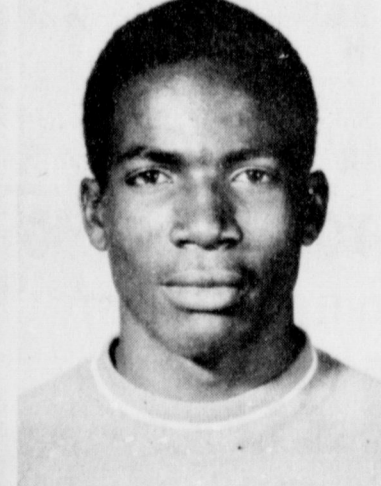

ASTRONAUTS PROMOTED  
Key Biscayne, Fla. -- Following tradition President Nixon has promoted the two space rookies among the Apollo 14 moon explorers. Navy Cmdr. Edgar D. Mitchell, was promoted to captain. Air Force Maj. Stuart A. Roosa, who circled the moon in the spaceship Kitty Hawk while the other two descended to the surface, was promoted to lieutenant colonel. Shepard already is a captain.

### Senior Plans Underway

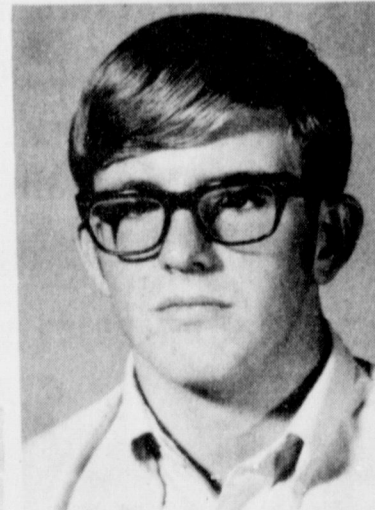

By Cathy Mardis  
The 1970-71 Seniors of Muleshoe High School have ordered their caps and gowns for graduation, May 25, 1971. The Seniors have selected Keepsake Gowns which they will be able to keep after graduation. The Seniors voted to have black tassels.

### MHS Speech Department Wins Fourth

By Kerry Moore  
Muleshoe High's Speech Department won fourth place at the Texas Tech Speech Tournament this past weekend. Fifty-two schools were competing for the sweepstakes trophy.

Bryan Brady won first place in boys' prose reading; John Garth placed second in boys' poetry interpretation; Martha Chapman and Linda Mason won second place in girls' debate. Nine students reached the finals of the competition. The debate teams recorded twelve wins and six losses at the contest.

The Forensics team has two invitational tournaments left before the District Tournament on April 1 in Canyon. The weekend of March 12-13 will be the West Texas State Tournament in Canyon.

### Student Council Holds Elections

This past week, candidates for 1971-72 Student Council officers have been campaigning. Presidential candidates were Bryan Brady and Martha Chapman. Vice-Presidential candidates were Brent Blackman and Kathleen Jennings; Secretary candidates were Tana Murrah and Marianne Madrid, Cynthia Gable was unopposed for Treasurer. Patty Murray, Regina Poteet, Donna Grimsley, and Larry Torres were candidates for Reporter. Jan Jinks was unopposed for Chaplain and Kathy Schuster was unopposed for Historian. Candidates for Parliamentarian were Kelly St. Clair, Cynthia Chandler, and Jeanie Putman.

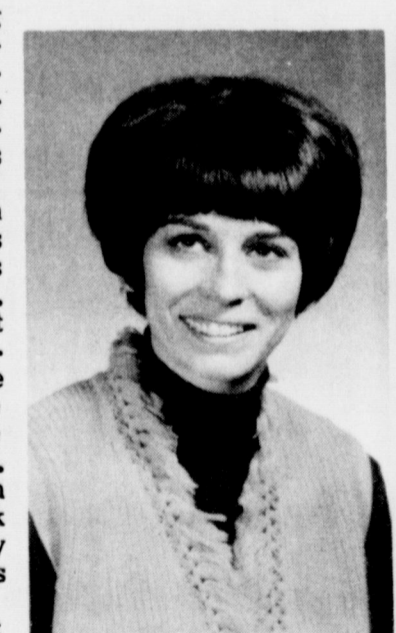

Speeches were given Thursday morning with campaigns concluded Thursday afternoon. Elections were held Friday. Three representatives will be elected from each class during the regular class meetings.

### "Medea" To Be Contest Play This Spring

By Kerry Moore  
The Drama Department will present the Greek tragedy "Medea" for interscholastic league one act play contest this spring. The district contest will be held at West Texas State, Friday, April 16.

Cast members are Greta Bamert, Bryan Brady, Bill Chapman, Lou Ann Cole, Donna Woodard, Judy Woodard, Renee Caldwell, Connie Pruitt, Brent Blackman and Dennie Parker. A public performance will be presented at an announced date later.

### Honor Students For February, March Named

By Babs Haire  
The Honor Students for the month of February were Jerry Scoggin, Mary Lou Mercado, Stephen Bell, and Brenda St. Clair.

Senior Jerry Scoggin served as class president two years. He is a member of the National Honor Society. He is Area I FFA Vice-President, and was a member of the basketball team. Mary Lou, a junior, is a member of the National Honor Society, and Stephen Bell, a sophomore, belongs to FFA. Freshman Brenda St. Clair is a freshman cheerleader and on the basketball team.

### Jr. Class Meets Discusses Banquet Plans

By Marilyn Pool  
The Junior Class met Thursday, March 4 with the main order of business being the Junior-Senior Banquet. We are still discussing the theme and other plans.

The Concession stand at the Bailey County Junior Livestock Show was a real success. We took in over \$500. We are still collecting bills and after they are paid, we hope to have a good profit.

# STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

AUSTIN, Tex.--In a week of major financial flurry, the House passed a \$492.5 million tax bill and an \$80 million college tuition hike, while the Senate approved a \$185 million college building bond plan.

Here's the breakdown on the tax bill:

- \* An increase in the sales tax rate from 3.25 to 4 per cent, \$279.8 million.
- \* An increase in the sales tax rate from three per cent twenty-five to four per cent, \$279.8 million.
- \* Increase in the auto sales tax rate from three to four per cent, \$69.75 million.
- \* Increase in the hotel occupancy tax from three to four per cent, \$6.3 million.
- \* A \$1 tax on transfer of corporate securities, \$10 million.
- \* A 10 per cent levy on entertainment admissions, \$26.6 million.
- \* Increase in the corporation franchise tax rate from \$3.25 to \$3.75 per \$1,000 of

assets, \$39.5 million.

- \* A five cents per gallon tax on aviation jet fuel, \$50 million.
- \* An increase in the tax on sand, gravel, shell and marl taken from submerged lands, \$10.6 million.

The House rejected amendments that would have taxed corporation net profits, timber, snuff and sales to government units.

Representatives approved a tuition increase from \$50 a semester to \$7 per semester hour -- or \$105 a semester for a full 15-hour course load.

Also included is a \$47 per semester hour charge on out-of-state students, or about \$700 per semester.

Both bills now go to the Senate, where Lt. Gov. Ben Barnes has promised extended hearings. First, however, the Senate -- unlike the House -- proposes to total its spending proposals to see just how much revenue is required to balance the budget.

Senate voted 21-7 for the House-passed bill to provide tuition-backed revenue bond financing of new higher education facilities in San Antonio, Dallas, Odessa, Houston, Lubbock and El Paso.

COURTS SPEAK--Texas Supreme Court refused to review a Sunday closing law case involving Cook's discount store at Bryan, thus again affirming Texas' blue law.

A woman who burned her finger due to a defective safety glove at the Dallas Texas Instruments plant nine years ago got a new trial in her damage suit for more than \$20,000.

U. S. Supreme Court, in a case of interest to Texas, held unanimously that highways constructed with federal funds cannot cut through public parks except in "the most unusual situations."

U. S. Supreme Court in a Houston case held that an indictment cannot be jailed to work out traffic fines for non-jailable offenses.

Court of Criminal Appeals held two boys sentenced for murder in Edinburg were placed in double jeopardy because of their age.

REDISTRICTING ROW LOOMS--Lawmakers, armed with new census tract maps, are tuning up for some early showdowns on congressional and legislative redistricting.

Sen. J. P. Word of Meridian introduced capton bills for his redistricting committee to start

work within the next week. Word said he plans no out-of-Austin public hearings like those being conducted by the House redistricting committee headed by Rep. Delwin Jones of Lubbock.

Forty-six of 52 big-city House members served notice on Jones they don't like his preliminary sketches of new district lines. They interpret Jones' early efforts as designed to safe-guard rural congressmen.

Under a fair plan, they said, Harris County should include four congressional districts, Dallas County three, and Bexar and Tarrant counties two each. Instead of the 11 districts to which the metropolitan counties are entitled, they argued, Jones has indicated only seven districts would be dominated by the bigger cities.

APPOINTMENTS -- Gov. Preston Smith named Houston attorney Carl Illig to the Texas Water Development Board.

Smith selected for the Texas Tech University Board of Regents Bill E. Collins of Lubbock, Dr. John James Hinchey of San Antonio and Johnny Clinton Formby of Hereford.

Among other recent appointments announced by Smith were: John B. Turner Jr. of Houston to Texas Industrial Commission.

C. H. Coffield of Houston to Texas Conservation Foundation.

Aubrey D. Voelkel of LaGrange, Roger Gilbert Zercher of Blanco, William C. Petri of Austin (reappointment) and Thomas C. Ferguson of Burnet (reappointment) to Lower Colorado River Authority Board.

Wright Matthews of Palestine (reappointment) to Upper Neches River Municipal Water Authority Board of Directors.

LOCAL SCHOOL COSTS SET--Local school district share of the state's public education system cost in 1971-72 will be \$245.1 million.

State Board of Education set the local fund assignment for the next school year at a meeting here last week. (March 1).

Assignment includes 20 per cent of the foundation school program cost (\$215.1 million), plus another \$30 million in

special credits earned by the districts during the past year.

Total cost -- both state and local share -- of the foundation school program for the 1970-71 school year is estimated at \$1,075,634,247 (billion).

Professional and teacher aide salaries this year will cost \$926.7 million; maintenance and operation of schools, \$76.8 million; transportation, \$26.8 million; Texas Education Agency administration, \$2,093,000 and special programs, \$7,082,000.

Many local school districts pay for additional services with local tax money and support salaries for their teachers higher than the minimum scale.

CRIME INCREASING STILL--Major crime increased in 1970 by 5.1 per cent, according to a report by Col. Wilson E. Speir, director of the Texas Department of Public Safety.

Although Texas' crime trend remained up, Speir noted, the rate of increase was down from a 19.9 per cent gain for the first six months of last year and compares with almost 16 per cent for all 1969.

DPS director said there was a major crime every one-and-one-quarter minutes.

Crime rate jumped 4.8 per cent in cities and 7.9 per cent in rural areas. There was some decline in the crime rate (5.9 per cent) for cities in the 50,000-100,000 population bracket. It was up 25.2 per cent in 10,000-25,000 cities. In big cities, the rate increase was just 2.8 per cent. Crime clearance rate rose slightly.

BETTER BUDGETING URGED--In a new report, the Texas Research League recommended better budgeting and money management for the state.

Recommendations include a proposal that the governor become chairman of a new State Budget Commission which would include Legislative Budget Board members. A single staff would serve the Commission, and only a single budget would be presented to the Legislature. System evasions "budget execution" as part of the money management process.

SHORT SNORTS House committee heard testimony on a bill to protect news reporters from having to

reveal confidential sources of information.

Senate committee killed a bill to authorize nine to three jury verdicts.

Testimony on the proposed penal code revision continued antagonistic.

Tax revenue from cigarette smokers increased from \$12.8 million in February 1970 to \$13.6 million last month.

Preston Avenue Bank and Trust Company Houston, seeks a state bank charter.

Atty. Gen. Crawford Martin held that the Department of Mental Health and Mental Retardation can move household goods of present employees (not new employees) to permanent duty stations in its own vehicles.

Thousands turned out for a look at the Apollo 11 space capsule during its four-day visit to the state capitol via special NASA truck-trailer.

Beeman Fisher of Fort Worth was selected president of Texas Water Conservation Association, succeeding Josiah Wheat of Woodville.

## The Sandhills Philosopher

Sandhills Editor's note: The Sandhill Philosopher on his Johnson grass farm discusses false national emergency alert this week, we think.

Dear editor:

I wasn't listening to the radio at the time so wasn't aware of the "national emergency alert" that went out over the country when somebody fed the wrong tape into the networks, but according to the newspaper account I read a lot of people got pretty excited and more would have if more radio stations had believed what they were being inaccurately told.

I'm afraid the government's going to have to get a different system, because like it is nobody believes much of anything anybody says anymore.

It seems to be a national trend. No matter what a law says, practically any politician in violation of one can explain how he didn't violate it, taking so long to do it by the time he's through you've forgotten what the question was.

This seems to work for politicians, and what I object to is that it won't work in other areas.

For example, if my banker says "Your note was overdue last Tuesday," I'd like to be able to say, "Now look, it was a year ago I promised to pay that note by last Tuesday and I'm a man of my word, the record shows that, but the world doesn't stand still. What's true today is not necessarily true tomorrow. Life is vast and complex. I made that promise in the light of what was happening twelve months ago, and in that time as we all know the Indo-China situation has changed, we've had an earthquake in California, the cost of living has gone up, man has walked once more upon the moon, the world's biggest railroad and Rolls-Royce both have gone broke and the airlines are losing money, not to mention the pollution problem, and while it's technically true that note was overdue last Tuesday, you've got to

remember for the 12 months prior to that it was under-due. You've got to look at this from the over-all viewpoint. On balance, the note was under-due 12 months and is now over-due by only six days. That's not such a bad record, is it?"

You try this, and judging by what the banker will say, you'll figure somebody has fed the wrong tape into him.

Yours faithfully,  
J. A.

## HIS TROUBLES WON'T GET HIM DOWN

Forgetting his incapacitation, he is happily determined to plan ahead. His spirit is not easily crushed. Life is always full of hope and excitement. The Lord and this young man's Christian friends have taught him to have such an outlook on life.

"But the fruit of the spirit is love, joy, peace, long-suffering, gentleness, goodness, faith." Galatians 5:22.

We invite you to attend the church of your choice regularly to worship, to be uplifted, encouraged, and blessed.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

Coleman Adv. Ser.
