"My mother had used Cardui with beneficial result, so I decided to take it. I surely am glad I did, for it stopped the pain in my side and built up my general health. I took seven bottles in all."

For over 50 years, Cardui has been helping women just as this Texas lady describes above. Cardui is sold at all drug stores.

Fae Belle Enochs The Pep Squad sponsored a bonfire rally Friday night, Oct. 21. There was a crowd there that would make anyone feel glad to be alive. There were three or four pep talks and otherwise, some yells and songs Sonora was led in which looked very much like a mule to the spectators but that was one time that a mule got a great big hand from Eldorado.

It looks very much as if the pep rally put lots of enthusiam into our boys and they clawed those Bronchos down to a score of 26-6. Everyone seems to agree that we should have another pep rally before we go to Rocksprings next Saturday, November 5.
