MRS. G. M. HOLLAND HAS FAMILY RE-UNION

Mrs. G. M. Holland, for 46 years a resident of the South Concho at Christoval held a family re-union Sunday December 27, 1925, at which all the children of G. M. Hollen deceased, including the three stepsons, were present. This is the first time since 1901 that they have all been together. At the gathering Sunday there were 85 that dined at the Holland Hotel at Christoval now operated by Mrs. Mimma.

Mr. G. M. Holland, deceased, came to the South Concho in the Spring of 1880 from Seguin, Texas, assisting in the moving at the same time J. L. Cochran and family, including his widowed daughter Mrs. A. T. Wright.

On January 6, 1882, Mr. Holland and Mrs. Wright were married at Benfield, then County seat of Tom Green County, to this union were born six sons and two daughters, making 11 children including the three Wright boys, and from these gathered the host that gathered with Mrs. G. M. Holland, second wife and sister of first wife, of Mr. Holland. The offspring including son-in-law and daughters-in-law numbered 46, six have died, and four grand-children and two great-grand-children were absent from the gathering Sunday. This is the first time since 1901 all of the children were together. Those present Sunday were: S. L. Wright and wife; A. T. Wright, wife and daughter Beatrice; A. D. Wright and wife; G. W. Holland, wife and two sons Marcus and Raymond; J. A. Holland, daughter Mrs. Maurice Jones and husband, his son Russ; Mrs. Ina Hodgens and children, Marie, Melvin, Alvin, Glenn, Ray, Edward and Hazel; J. L. Holland, wife, three daughters, Avis, Ruth and Margaret, (Ruth and Margaret are only twins born to any of the connection: T. J. Holland; D. P. Holland; Robert Holland, wife and daughter Ollie May. Boyd Cochran of San Angelo, a nephew of Mrs. Holland also attended the reunion.

A real enjoyable day was spent notwithstanding the bitter cold weather. This will probably be the last time that the entire family will all be together, the ages range from 50 down to 31.

Mrs. T. P. Robinson and little daughter left last week to spend the holiday with her parents at Blanket Texas.

TWO KILLED IN SHOOTING SCRAPE SATURDAY.

On the Ozona and Sonora road Saturday afternoon. Charles Baxter and Frank Reagan, 30 and 45 years of age, met in the road in Sutton County and shot their differences out Reagan killing Baxter then killing himself. Reagan was accompanied by D. Ory who was arrested and is being held as an accomplice. Reagan home was at Camp Wood.

Baxter was accompanied by his family and lived near Calsbad but had been to Ozona visiting. Mrs. Baxter and five children escaped uninjured.

Reagan had charged Baxter with theft of some clothing.

BARBER-WRIGHT.

Mr. L. T. Barber and Miss Eula Wright were united in the Holy Bonds of Wedlock on December 25, at the home of the bride, with only a few friends present. Rev. J. C. Young, pastor of the Methodist Church officiating, performing the ceremony at 5:30 p. m.

The bride is the oldest daughter of Mr. and Mrs. A. T. Wright Editor and Publisher of The Success, born, reared and graduated from our school last term, and is a real Schleicher County product, and at the present time is chief clerk in Wright's Cash Store.

The groom came from Cherokee about 18 months ago he graduated from the Cherokee Junior College, and attended the Southwestern University at Georgetown. At present he owns a half interest in the Palace Barber Shop and has made many friends in our midst, we welcome him in our home and trust that he and Eula will always find room for God in their lives.

They left immediately after the wedding for a visit with the groom's mother near Cherokee.

C. C. Brewer and family left last Saturday for Schleicher county to make their home, where he will work on a farm and ranch that he has leased. For a long time Lum has been associated with the Morrow Motor Co., and he is an all round utility man and we regret their going away but hope for them a good year in their new location, and then perhaps they will come back. He had the Echo to follow him to El Dorado — Eden Echo.

Quite a number of our people attended the Rodeo at Sonora

STAR

Running-in-oil

You will find in the new running-in-oil STAR the many features you have always wanted in a windmill—one oiling a year—your choice of Timken Tapered Roller Bearings or "NO-OIL-EM" Bearings—two gears, two pinions and two pitmans—direct center lift to pump rod—crosshead, guides and pitmans bearings flooded with oil—a scientifically designed wheel with angle steel arms and braces and ball-bearing turn table.

The fans of this new Star are curved to give great efficiency in an 8 to 10 mile an hour wind. Plunger pump in crank case floods crosshead, guides and pitman bearings with oil, and tight cover keeps out dirt, rain or snow.

One filling of crank case with oil each year will save many trips up the tower. May be fitted on any tower.

The new STAR is the last word in Windmill construction. Come in and let us show you this mill. You will want to know about it whether you are needing a new mill right now, and we want you to know what a really fine windmill we have in this new Star.

West Texas Lumber Co.

Hello, happy New Year gift. 1926 has finally reached here after being on the road 365 days, traveling every day, and as far as we can learn had no break downs and came all the way through without a flat. We greet you this New Year's morning with a strong determination to make 1926 one of the years that we can look upon and number the events with pleasure.

26 years ago a newspaper was established in El Dorado and 21-2 years ago the present management became owner and have since that date been striving to advocate the things upbuilding to our community. And as the years have passed by our business has increased in volume and we hoped to make greater improvement during 1926, and with the continued co-operation of the people we can still publish and improve.

El Dorado passed one of the saddest Christmas this year it has ever witnessed. The holiday spirit was deeply saddened Christmas eve morning by the death of J. F. Craig, former Sheriff and ranchman of this County. His funeral services were held Thursday afternoon. The sadness brought to the community was by both young and old.

For Sale, house and lot, lot 100x140 one block north of school house, 200 feet from Highway, 5 rooms, hall and gallery, good barn and corral, priced \$1,100. R. A. Evans Commission Co.

J. F. CRAIG DIES.

James F. Craig died at the home of his father and mother in El Dorado on Thursday morning December 24th, 1925, at 4 o'clock, after a short illness.

Mr. Craig was born October 5, 1882, in Washington County, Texas. Was married to Miss Florence Gains October 27, 1904, at Brownwood, Texas, and to this union were born two sons and one daughter, Jones, Floyd and Pat, the youngest of which is about 14 years of age. Mrs. Craig died Friday September 30, 1921.

Mr. Craig moved to Schleicher County in 1905, and has made his home here since for a number of years. He served as Sheriff for a number of years, he re-entered the ranch business, but during the years of adversity has lost financially.

Jim has gone to a premature grave, not by his own hands or will but by the hand of others, those who rob homes of their virtue, children of their fathers, wives of their husbands parents of their children, laid hands on Jim. Jim's body lies mouldering in the grave his spirit has returned to God who gave it, but where are those who peddled him the poison, they are out seeking whom they may yet devour.

The funeral services were conducted by Bro. Davis, Presbyterian Pastor, assisted by Rev. Young, the body was carried to the Methodist Church for the service at four o'clock Christmas eve and from there to the El Dorado Cemetery where it was laid to rest by the side of his companion who preceded him in death.

Mr. and Mrs. J. N. Craig and the children of the deceased have the sympathy of the community in their sad bereavement.

TEACHERS' INSTITUTE.

Reports from the Concho-Colorado Teachers' Institute held at Ballinger, Texas, Dec. 21-23 indicate that a most successful meeting was held. The counties participating were as follows: Coke, Concho, Glasscock, Irion, Reagan, Runnels, Schleicher, Sterling, Tom Green and Upton. Over five hundred teachers were in attendance of which number the following were registered from Eldorado and Schleicher county: A. B. Tyson, Mrs. A. B. Tyson, Martin D. Clary, Miss Winnie Cox, Miss Theresa Lehne, Miss Ailen Campbell, Mrs. Abbie Cain, W. J. Willingham, Miss Ruth Smith, Miss Alpha Striegler, Miss Fay Finley, Miss Lodice Putman, Mrs. F. G. Clark, Miss Una Lee, Mrs. Jim Hoover, Mrs. Myrtle Milligan, Peyton Cain and Mrs. Bennie Mc Clain.

The work of the institute was carried on in general sessions and section meeting Dr. J. L. Henderson of the State University, being director of the High School section, Miss Gertrude Earhart the Intermediate Section and Miss Nina B. Glass the Primary Section.

State Superintendent S. N. M. Marrs was present and delivered an address to the Institute Monday night. He supported the free text-book law pleaded for the County as a unit in the organization of our public schools and stressed economy. He said the State Department of Education, with its sixty-odd employees, were doing all they could to serve the best educational interests of the state.

President H. W. Morelock of the Sul Ross Teachers College at Alpine, Texas, spoke upon the recent State survey of education and pointed out some of the most important problems that should be solved in the progress of education in the state in order that the sixty thousand dollars spent by the state in this survey should fully meet expectations. Dr. Morelock also gave a highly entertaining and instructive lecture upon the Life of Robert Burns, using slides, and by local talent singing a number of Scotch songs.

Daily meetings were held by the city and county superintendents which offered an opportunity for the teachers to get acquainted and for the discussion of matters of general interest to all the teachers of the respective county. The teachers of Schleicher County went on record as favoring the work of the State Interscholastic League. After some discussion, it was voted unanimously to effect an organization and Mr. Clary of Eldorado was chosen Director General. The directors of debate, spelling, declamation, essay writing, track and field events etc will be announced later.

In executive session which was automatically composed of all the county and city superintendents of the association it was decided to change the time of holding the

Institute from December as now arranged to the first week in September. It was thought this change to enable teachers to carry book into their schools at the beginning of the school term such plans and ideas that may be brought out in the Institute that seem superior, will not only benefit the teacher, but in doing so help the school and the children as well.
