DAN MOODY ENTERS GOVERNOR'S RACE.

Dan Moody, present Attorney General, has entered the race for Governor, takes a pot shot at the inefficiency of the present administration, and says honesty in office is one plank in his platform. He has 12 planks in his platform, his announcement brings four in the race for governor. Three avowed anti Klan candidates, this will make the sailing easy for Jim Ferguson, by proxy, to get in the second primary, will also make it easy sailing for the Klan to put a candidate in the run off with the proxy Governor. Oh! shuks, what will you do about it?

I began using it and soon my bowels acted regularly and I was greatly relieved. I used it every once in a while for about 18 years. "About two years ago I found I was having indigestion, a tight smothering in my chest, then severe pain, especially after eating sweets. I commenced taking just a pinch of Black-Draught after meals, and by doing this I could eat anything. "I gave Black-Draught to my children for colds and headaches. I can certainly recommend it." Being a suit for divorce, said petition alleging that plaintiff and defendant were legally married on, or about the 16th day of October 1922, and lived together as husband and wife until about the 5th day of May 1924, when for reason of the unkind, cruel, harsh and tyrannical treatment, and of infidelity and serious threats on the part of defendant towards plaintiff, she was forced to abandon and separate from her since which they have not lived together as husband and wife; plaintiff further says that the conduct of defendant was such as to render their together living together as husband and wife insupportable, and prays for judgement dissolving the marriage relation existing between them.

Herein Fail Not, but have before said Court, at its aforesaid next regular term, this writ with your return thereon showing how you have executed the same.
Given Under My Hand and the seal of said Court, at office in Eldorado this, the 19th day of February A. D. 1926.
