STAR

Running-in-oil

You will find in the new running-in-oil STAR the many features you have always wanted in a windmill—one oiling a year—your choice of Timken Tapered Roller Bearings or "NO-OIL-EM" Bearings—two gears, two pinions and two pitmans—direct center lift to pump rod—crosshead, guides and pitmans bearings flooded with oil—a scientifically designed wheel with angle steel arms and braces and ball-bearing turn table.

The fans of this new Star are curved to give great efficiency in an 8 to 10 mile an hour wind. Plunger pump in crank case floods crosshead, guides and pitman bearings with oil, and tight cover keeps out dirt, rain or snow.

One filling of crank case with oil each year will save many trips up the tower. May be fitted on any tower.

The new STAR is the last word in Windmill construction. Come in and let us show you this mill. You will want to know about it whether you are needing a new mill right now, and we want you to know what a really fine windmill we have in this new Star.

AN ELDORADO GUEST BRIDGE PARTY HONOREE.

In compliment to their guest, Miss Jewel Roach, of El Dorado, Misses Mabel Roach and Ruth Cloud delightfully entertained a number of friends on Thursday afternoon with a bridge party at the home of Mrs. John S. Roach on Ambler avenue.

Throughout the entertaining rooms, baskets of flowers were charmingly arranged carrying out the color scheme of yellow and white.

Lovely handkerchiefs were awarded to Miss Buice Johnson for high score, to Miss Jack Matthews as cut prize, and to Miss Jewel Roach as guest favor.

The hostesses served dainty refreshments of yellow and white cream and cakes in shapes of clubs, diamonds, hearts, and spades to the following: Misses Vivian Sears, Francis Larramore, Francis Jackson, Mary Alice Jackson, Eloise Gaines, Katherine Anderson, Bonnie Duke, Buice Johnson, Jewel Atkinson, Lola Mae Atkinson, Gladys Burk, Ruby Roundtree, Pat Jenkins, and Miss Jewel Roach. —A Bline Reporter.

O'HARA-SHARP.

We note from the San Angelo Standard that Mr. Jack Stanley O'Hara and Miss Ella Mae Sharp were united in marriage Saturday afternoon in San Angelo. The Groom is unknown here but the Bride is the daughter of Mr. and Mrs. H. E. Sharp of our city and was reared in this county, but for the past several months has been working in San Angelo in a printing office, where the groom also works. Her many friends here join The Success in extending congratulations.

MISS PANSIE KEELE OPERATED ON.

Mr. F. R. Keele and Paul returned from Temple last week where they had been with Miss Pansie Keele for several days, she underwent an operation for appendicitis and is doing nicely. Miss Bettie remained with her.

Late last Thursday Mr. John H. Rodgers announced through The Success that he would ask for a run-off in the Public Weigher's office, Mr. Green liked two votes having a majority, this run-off will take place August 28th.

Mrs. L. D. Ellington and children of Pittsburg, Texas, are visiting her two brothers and sister here this week, she being a sister to Messrs. W. L. and Carl Whorter and Mrs. W. F. Ford. She is also a mother of Carl Ellington well known here as a merchant at Sheffield.

Mr. S. W. Holland reports that the Presbyterian Meeting will begin Thursday night before the 2nd, Sunday in August, and continue over two Sundays everybody is cordially invited to come and take part in this revival.

FINAL COUNT GIVES MOODY MAJORITY.

The final count in the primary election gave Dan Moody a majority over all by 1,013, the vote for each candidate was as follows. Moody 411,390, Ferguson 281,757, Davidson 123,025, Zimmerman 2,910, Wilmans 1,498 Johnson 1,006; Total vote polled 821,767.

The final count in Schleicher County in the Sheriff's race show that Edmiston and Marchisot tied, also Watson and Isaac tied. There is no change however in the standing of the candidates.

CARD OF THANKS.

San Angelo, Texas,
July 31st, 1926.

To my friends and supporters in the recent Democratic Primary: I desire by this method to express my sincere appreciation of your confidence and support in the promotion of my candidacy for the Democratic Nomination for the office of District Attorney. I hope that I may never prove a disappointment to you. I shall strive at all times to deport myself as to in some measure prove worthy of the splendid men and women, who could not be swerved from their purpose and determination to secure my nomination.

I wish to assure those who saw fit to oppose my nomination that I entertain no ill will toward them. I know they were moved to do so from an honest belief that they were serving the best interest of the district. If I am finally elected, I want them together with the other good men and women who supported me, to feel perfectly free to call upon me at any time and lend me their assistance in the discharge of the duties of the office. I realize full well that no law enforcement officer can fully succeed in his efforts to enforce the law without the aid and support of all good people. I am,
Gratefully and sincerely yours,
D. I. Durham.

"Cain't you help us protest against politicians bringing our Ku Klux Klan into the campaign? We protest hotly, as ours is only an American fraternal order, a memorial of our Confederacy. Let us hear from you." This is State press addressed and addressed by a gentleman of Franklin Texas, under date of July 24 Last Saturday, July 24, is the same as a thousand years ago, in some respects. So there is no need of the particular protest mentioned by the Franklin customer. However, S. P. would like to know what the customer means by using the collective pronoun "our." State Press hasn't joined anything, with one exception, in twenty years. He was born into the Democratic party, inherited the Baptist Church and achieved membership in the Bonehead Club That is enough for one person to accomplish in a brief lifetime.

—Dallas News.

We are not satisfied with State Press answer. If we understand it the Ku Klux was born in the solid South, where Democracy prevails. Its daddy was a Baptist Minister, and most of the Klan enemies around these diggins claim that its membership is mostly bone-head people. What we want to know is just what is the different in a Ku Klux and State Press.

It's not a question of whether the farmers of Schleicher are going to make a big cotton crop, the question now is are they going to get it gathered. There is always something to worry about.

Our neighboring communities must have raised a large watermelon crop from the amount of them being hauled into Schleicher County.

The town of El Dorado has just passed through a water famine the water works was broke down several days last week and water hauling was the hour of the day. It is up to the citizens of El Dorado to see that we have water. The Success is of the opinion that that the town will never have a satisfactory water

supply until they take it over and rebuild the system. A water system here would pay well if put in the right shape but it is very difficult probalem as we have a financial one, and it seems like the present supply is getting worse instead of better as each summer comes around. This is the next problem for our citizens to solve

Get Yourself a Brand New Liver

How Dodson's Liver Tone Makes You Feel the Old Liver is Born Again

Just off the slant of Old Piedmont where it rolls away into the foot-hills of South Georgia, Bud Evans makes a good stand of cotton. A year ago he was too sick to even follow a plow. His right side seemed hard, felt as if his liver had turned to stone; belched gas all the time; couldn't hold up his head for the pain; calomel just turned him inside out. You couldn't imagine anyone sicker than Bud Evans. It just happened that an egg buyer dropped in on him one day and says: "What you need, Bud, is a dose of Dodson's Liver Tone—your liver is baked and full up so it doesn't work." And so Bud got a bottle at the town drug store for a few cents. The very first night it loosened up so much sour bile and fermenting food that the swelling went down, his whole system righted itself and he was a new man entirely before noon.

There is no question but that Dodson's Liver Tone will do more for bilious people than anything else ever known. It works easily and smoothly, without gripe or distress, and cleans out all the sour bile and sickening stuff that gives you headache, nausea, vomiting, bilious fever and all the other distresses due to obstinate constipation.

Get one bottle of Dodson's Liver Tone, and if it doesn't make you feel like you had traded your old, worn-out liver for a new one full of pep, go to the druggist and he will refund the price.

E. M. Acker and sons Milton and Alton, from Denton, were shaking hands with old friend in El Dorado Tuesday.

CHRISTIAN MEETING

There will be a meeting at the Christian Church beginning Saturday night before the first Sunday in August, continuing over the second Sunday, Elder D. B. Rose will do the preaching.

All are invited to attend.
S. S. Foster.

TO THE VOTERS.

I thank you now most courteous for the splendid vote you gave me in the first primary. I liked only three votes getting a majority over my two opponents and I understood when I went away to the bedside of my sick brother that there would be no second primary for me but I have learned since, that Mr. Rodgers has decided to make the race again. So I am asking you again for your loyal support. I am familiar with the duties of public weigher, and feel sure that I can give you the service you need.

I am aware of the fact that this year we will have more cotton, and that the work will be greater than last year, and in view of the fact I am making arrangements for sufficient help to handle the cotton without any delay or inconvenience to you, in fact I shall, if elected, give you service that will please you. So do not allow anyone to tell you that I am not able to handle the job for I am prepared to give you the best of service, and will if you elect me be your grateful and obedient servant.

Lesson for August 8
 THE GIVING OF MANNA

LESSON TEXT—Exodus 16:1-26.
 GOLDEN TEXT—Jesus said unto them, "I am the bread of life."
 PRIMARY TOPIC—God's Gift of Daily Bread.
 JUNIOR TOPIC—God Sends Food in the Wilderness.
 INTERMEDIATE AND SENIOR TOPIC—Our Daily Blessings.
 YOUNG PEOPLE AND ADULT TOPIC—God's Good Gifts.

I. Lusting for the Fleshpots of Egypt (vv. 1-12).
 1. Murmuring against Moses and Aaron (vv. 1-3).

As they journeyed from Elim into the great wilderness, they became conscious of the scarcity of some of the things they had enjoyed even in Egyptian slavery. Only a few days before they were singing God's praises for their wondrous deliverance at the Red Sea (Ex. 15). Their complaint not only displayed ingratitude but a deep-seated impety. It was against God that they were murmuring, for He had led them into the wilderness. His object in so doing was to teach them to walk by faith instead of sight. They went so far as to express the wish that they had died in Egypt with full stomachs rather than to be walking in the wilderness by faith.

2. God's answer to their murmurings (vv. 4-12).

(1) He promised to rain bread from heaven (vv. 4, 5).

His purpose in this was to teach them that man liveth not by bread alone, but by every word that proceeded out of the mouth of the Lord (Deut. 8:3).

(2) He promised to give them a vision of His glory (vv. 6-10).

This served as a warning and encouragement. Moses and Aaron told the children of Israel that the glory of the Lord should be seen in the morning as a reminder that their murmuring was against the Lord and not against themselves.

(3) He promised them flesh and bread (vv. 11, 12).

"At even ye shall eat flesh and in the morning ye shall be filled with bread."

II. Quails and Manna Given (vv. 13-15).

At the appointed time God gave the Israelites the promised food. He first allowed them to feel their need to show them that man's highest need is not physical food, but living faith and fellowship with God.

1. In the evening the quails came up (v. 13).

Since they desired flesh, He gave them flesh to eat. God frequently caters to the desires of His people, knowing that the best way to teach them is to allow them to be filled with their own folly.

2. In the morning God gave the manna (vv. 14, 15).

The Israelites did not know what it was. They therefore exclaimed, What is it? Moses told them that it was the bread which the Lord had given them to eat.

III. The Responsibilities of the Israelites (vv. 16-31).

1. They must gather a certain rate daily (v. 16).

The purpose of this was to test their faith. They must look to Him for their daily bread (Matt. 6:11).

2. Every man must gather for himself (v. 16).

This teaches us the important lesson that every man must appropriate Christ for himself.

3. They must not gather in excess of one day's supply (vv. 18-20).

That which was in excess of a day's supply became corrupt. The Christian must use what gifts the Father bestows upon him. Christian grace and Bible truth must not be hoarded up—they are good only when put to use.

4. The manna must be gathered fresh every morning (v. 21).

This was to be done early before the sun was up. So must we seek Christ, who is our manna, every day and the first thing in the day (John 6:57).

5. The manna must be eaten to preserve life.

They were in a wilderness, so could live only by the eating of the food which God gave. It is so with Christ (John 6:53).

6. Due consideration should be given to the Sabbath day (vv. 22-31).

A double portion was to be gathered the day before so as to keep inviolate the Sabbath day.

IV. Manna Kept as a Memorial (vv. 32-36).

This was to be kept as a reminder of God's favor in feeding them in the wilderness, even for supplying them with bread for forty years until they reached the promised land.

Run-Down
 gave out easily

"MY health wasn't any account at all," says Mrs. H. L. Cayton, of Washington, N. C. "I would start to do my housework and I would give out before I had done anything at all. I did not have any strength, and if I did the least thing it seemed to tax me so I could not finish. I was run-down sure enough. "Several of my friends had taken Cardui and they said to me, 'Why don't you try it?' I knew I needed something to build up my general health and to increase my strength. "Finally one day when I was recovering from a spell of sickness, I decided to try Cardui. I got a bottle and began to take it. I could notice that I was improving as my appetite got better and I did not give out nearly so quick. I took several bottles and I felt lots better. "Two years ago I decided to take it again. It built me up and made me feel like a different person. It is the grandest medicine for women that I know anything about."
