J FRANK NORRIS TRIAL MOVED TO AUSTIN.

The case of J. Frank Norris, fundamentalist pastor of Fort Worth, was transferred to Austin after Judge Hosey heard the testimony of about 20 witnesses. The case was called for trial Monday. This case is attracting nationwide attention, the Mayor of Fort Worth testified he was a Catholic and had paid \$15,000.00 for special council to prosecute Norris, on the other hand the membership of the First Baptist Church has subscribed a fund for the defense of Norris. Norris is being tried for killing D. E. Chips in July. The trouble occurred in the pastors study, following a telephone call from Chips to Norris.

ELDORADO DEFEATED BY JUNCTION 6 TO 0.

The El Dorado Eagles got their wings clipped 6 to 0, Saturday when they invaded Junction, of course they came back with an alibi that sounds reasonable, but the home people expected for them to win, but if they will bring home the bacon this week we will accept their alibi for next week end. They play Winters next.

If you were buying an auto mobile would you buy one you could get no service on. Then why buy that kind of a radio set? You can get service at El Dorado Hardware Co.

TRAGEDY AT OZONA, WIFE SHOT, HUSBAND DEAD.

Ozona was thrown into intense excitement Sunday night when George Brieger, 43, for four years an employ of the Smith Drug Company, shot his wife and then killed himself. Mrs. Brieger passed through El Dorado Monday on her way to San Angelo for treatment, and considerable hope for her recovery is held by the physicians.

Mrs. Theron Cook, a daughter and her husband, were at the Brieger home when the tragedy occurred. Two shots were fired at Mrs. Brieger but one went wild, then the gun was turned on himself, firing one bullet into his head killing him instantly. Mr. Brieger has been in bad health for some time which is thought to be the cause of his rash act.

ELDORADO TO HAVE PRO- GRAM NOVEMBER 11.

El Dorado is to have an Armistic program, which will consist of a Rodeo, Ball Game and big dance at night. Don McCormick, one of the committee on entertainment says they expect a large crowd and are preparing to furnish some real entertainment for the day.

REV. J. C. YOUNG RE- TURNED TO ELDORADO.

Rev. J. C. Young, who has been Pastor of the Methodist Church here for the past three years, was returned here for the fourth year, which was gratifying news to most of the people.

The new Presiding Elder is Sterling Fisher.

There were many changes in the district even in the entire Conference.

Many of the Schleicher County people attended the Conference, and some for the first time the Conference does not meet in the San Angelo District very often. About 22 years ago El Dorado entertained the Annual Conference, a good big undertaking at that time, but they came from far and near, in wagons and buggies, and all had a good time, in those days we had no evolution troubles, but those days are gone for ever.

Preachers for the San Angelo District are as follows:

Presiding Elder, Sterling Fisher; Big Lake, F. P. Bishop; Brady, Joe F. Webb; Christoval, E. Homer Miller; Eden, J. R. Kidwell; El Dorado, J. C. Young; Garden City, D. B. Norman, supply; Junction, J. A. Ludlam; Meivin, and Pear Valley, E. C. Young; Menard, J. W. Bickley; Mertzon and Barnhart, A. Y. Old; Midland, T. O. Rorie, Jr.; Milton, F. Hill; Millersview, O. D. Wallace, supply; Ozona, Stanley Haiver; Paint Rock, O. M. Cole; Rankin, J. C. Evans; Rechele, W. P. Allen; San Angelo First Church, Gaston Hartsfield; Chadbourne Street, O. E. Moreland; Sonora, F. M. STAR

Running-in-oil

You will find in the new running-in-oil STAR the many features you have always wanted in a windmill—one oiling a year—your choice of Timken Tapered Roller Bearings or "NO-OIL-EM" Bearings—two gears, two pinions and two pitmans—direct center lift to pump rod—crosshead, guides and pitmans bearings flooded with oil—a scientifically designed wheel with angle steel arms and braces and ball-bearing turn table.

The fans of this new Star are curved to give great efficiency in an 8 to 10 mile an hour wind. Plunger pump in crank case floods crosshead, guides and pitman bearings with oil, and tight cover keeps out dirt, rain or snow.

One filling of crank case with oil each year will save many trips up the tower. May be fitted on any tower.

The new STAR is the last word in Windmill construction. Come in and let us show you this mill. You will want to know about it whether you are needing a new mill right now, and we want you to know that a really fine windmill we have peeled bare through a sieve. Ingredients in 20 minutes may dissolve. Free ice mixture. This is called cream.

Lesson for November 7

THE FALL OF JERICHO

LESSON TEXT—Josh. 6:1-20.
GOLDEN TEXT—This is the victory that overcometh the world even our faith.
PRIMARY TOPIC—Joshua Leads His People to Victory.
JUNIOR TOPIC—The Victory of Jericho.
INTERMEDIATE AND SENIOR TOPIC—How God Helped Joshua.
YOUNG PEOPLE AND ADULT TOPIC—Overcoming by Faith.

Jericho was the key to the land of Canaan. A signal victory here would put the Israelites in control of the land. Failure here would mean irretrievable ruin.

1. Jericho Shut Up (vv. 1-5).
The Canaanites felt secure because Jericho was strongly fortified from the south. Approach to the city from the east was not thought of as the Jordan river was a barrier. The miraculous crossing of the Jordan by the Israelites and their surrounding the city of Jericho greatly alarmed the people. "Therefore none went out and none came in."

1. God's promise to Joshua (v. 2).
"I have given into thine hand Jericho, and the king thereof, and the mighty men of valour." Because of this promise from the Lord their faith had a firm basis.

2. God's instructions (vv. 3-5).
They were to encompass the city with seven priests bearing trumpets of rams' horns. The ark, a symbol of the Divine Presence, went before the people. They encompassed the city once a day for six days and on the seventh day they encompassed it seven times. When the last circuit was made the priests were to give a long blast of the trumpets and the people were to shout with a great shout and the walls of Jericho were to fall down.

II. The Obedience of the People (vv. 6-16).
They advanced according to the directions of their leader, for they were going forth according to the command of the Lord. To the natural eye the means employed were very inadequate, even foolish. If they had looked at the inadequacy of the means in themselves, they no doubt would have faltered, but they believed that He who had given the orders would fight for them. Joshua and his people set out at once to obey the divine directions. The people marched around the city every day for six days. This, no doubt, was very trying to their faith. There was absolutely no connection between the means and the end. Perhaps as the days wore

wearily away the whole affair became monotonous. Even at the end of the sixth day there was no change. Doubtless the people on the walls of the city used this unseemly behavior as an occasion of great merriment and ridicule. Even at the end of the sixth round on the seventh day there was no change. Yea, the seventh round brought no change until the very last moment. At the mighty shout, accompanied with the blowing of trumpets, the walls came tumbling down. This is the way of all works accomplished by faith. At the time when everything seems against us, faith holds on and wins the victory.

III. The Fall of Jericho (vv. 17-20).
At the end of the seventh day the seventh round having been made of the city, the long silence was broken with a shout. As the walls crumbled down, the Israelites clambered over them, slaying men, women and children. They were not to spare anything save the gold, silver, brass and iron which were to be saved for the treasury of the Lord. However, Rahab and her household were saved according to the promise of the spies. This wonderful deliverance was calculated to inspire the people with courage and enthusiasm. They could now see how God could fight for them and deliver them from their enemies. Also, it would strike terror in the hearts of the Canaanites. The blowing of the trumpets and shouting of that day with its great victory is typical of the greater day when larger victories shall be won by the Almighty for His people, and even greater consternation will be struck into the hearts of the enemies of God's people (I Thess. 4:18, 17).

Let us learn of this whole lesson that spiritual victories are won upon principles and by means which are not sufficient in themselves. According to human wisdom it is utter foolishness (I Cor. 1:17-29).

The Living Trees

Living trees are always shedding something in order to produce more.

The Bible Leads

Judge the Bible by the influence that it has had upon the lives of men, and it wins first place with all other books trailing in the dust.

The Christian

A Christian, when he makes a good profession, should be sure to make his profession good.

On God's Side

Stand on God's side and He will stand by your side in times of need.

BUYING CREAM AGAIN.

Beginning Tuesday November 9th We will begin buying cream again for the Mistletoe Creameries, and invite all those having a surplus of cream to bring it in as it will take quite a bit of cream to justify the expense of shipping. We have no say in making the price, our last quotations from Ft. Worth for butter fat was 34c., this does not mean pounds of cream, it means 31c. cents for the actual butter that is in the cream. We are asking every day to buy butter, this we can not buy, but the more cream you bring the better we will like it. Get ready for the opening day Tuesday November 9th. Wright's Cash Store.

Happy Wedlock Sure Thing If Bride Is Cook

By KATHRYN ST. JOHN

Haphazard meals yearly ruin thousands of marriages. Most marital ships would maintain an even keel if brides knew cooking.

Many of the first year's troubles between newlyweds would be avoided if the wife were capable of preparing foods with an experienced hand. Wives are to blame for the failure of many business men in the final analysis. The business man's health depends a great deal on what he eats. And it's up to his wife to see that he gets the right kind of food. A healthfully balanced diet goes a long way toward making the tired business man less fatigued.

The expert home manager sees to it that her husband never comes home to a delicatessen lunch. There is a carefully planned meal waiting for him. The real housewife knows that an unbalanced diet means trouble and avoids it. Likewise, she appreciates the fact that variation in her menus is important. In this connection the following recipes have been selected as an aid to the home manager:

Frozen Salad.
1/2 cup mayonnaise 1/2 cup candied dressing cherries
1/2 cup diced pine-apple 1/2 cup diced apple
2 tbsps. pineapple 2 tbsps. lemon juice
1/2 cup cream 1/2 cup evaporated milk
Mix the fruit and juices. Combine milk and cream, chill and whip; then fold in the fruit and mayonnaise. Pour into a mold and pack in equal parts of salt and ice. Serve on lettuce leaves. This serves eight.

Orange Bavarian.
1 tbsps. gelatin 2-3 cup evaporated milk
1/2 cup cold water 1-3 cup whipping cream
1/2 cup orange juice 1/2 cup sugar
Soak gelatin in cold water, add fruit juices, sugar and salt. Heat in the top of a double boiler until gelatin dissolves. Strain and set in pan of cold water. When mixture begins to set, fold in the evaporated milk and cream which have been beaten stiff.

Banana Ice Cream.
6 very ripe bananas 2 cups evaporated milk
1/2 cup lemon juice 2 cups cream
2 1/2 cups sugar 1/4 tsp. salt
Scrape off adhering fibrous portion on surface of peeled bananas. Mash and rub through a sieve. Add the rest of the ingredients in the order given and stir until all are well blended. Let stand for 20 minutes so that all sugar may dissolve. Freeze in a 1 1/2 gallon mixture. This recipe makes 1/2 gallon cream.

WHY ABBOTT TOLD ME.

Our Sheriff and Abbott to bed did go
 One night in the county jail
 And slept quit sweetly til morning light
 When their hearts begin to quail
 A Negro knocked at the 'iron gate'
 And then for keys did call
 And August "I Gods" just handed them out
 And turned his face back to the wall.
 To finish his slumber in peaceful dreams
 E're the town should start its "din"
 But he happened to think that their door was locked
 And he and "poor Abbott shut in."
 So he whooped and he yelled at the top of his voice
 But the darkey had vanished from sight
 So he said to friend Abbott "I gods oid boy"
 I guess we're in here 'til night
 Now this the story that Abbott told me
 But "shor as hec was a pup"
 I think these two lads were out on a spree
 And 'Jackson' locked both of them up.
 My advice to the people, who live in your town
 Would be to keep watch on these "boys"
 And should they get noisy just lock them in jail
 "It will rid the old town of a noise."

 W. A. Spencer.

Nervous hot flashes

"SOME time ago when in a very nervous, run-down condition," says Mrs. Martha F. Marlow, of Broken Bow, Okla., "I tried numerous remedies to try at least to keep going, but I could not. I was weak and tired—just no good at all. My back ached and I had hot flashes until I was so very nervous I smothered. I couldn't sleep and I was never hungry, and I kept getting weaker. I couldn't stand on my feet. This was an unusual condition for me as I had been pretty strong all along. I knew that I would have to do something, and that pretty soon. Some friend suggested that I take Cardui, and it certainly was a good suggestion, for after taking one bottle I could tell I was stronger and better. I didn't quit. I kept it up all through the change and did fine. I felt like a different person after I began taking Cardui."
