GRANDMOTHER HILL PASSES BEYOND

Mrs. Margaret Hill wife of J. W. Hill Sr. deseased passed to her home beyond Sunday morning at her home in Eldorado. Her sojourn on earth covered 91 years 4 months and 16 days, she having been born October 16th, 1842 in Austin County, Texas.

The Palmist writes, thus, "The days of our years are three score years and ten, and if by reason of strength they be four score years yet is their strength labour and sorrow; for it is soon

cut off and we fly away."
As the Palmist has written that should we remain here on this sphere for over fourscore years yet it is only a short time and we pass away. Grandmother Hill has walked in the light of her master and obeyed the laws of nature, therefore received strength to carry on to an ac-

vanced age.
Miss Margaret Sullivan was born in Austin County, the daughter of Mr. and Mrs. Patric Sullivan. After her marriage to J. W. Hill she moved to Bosque County, where they reared their family of eight children which survive her, some on them being over 70 years of age. She moved to this county with INTERESTING PROGRAM her husband in 1901, accompanied by four of her children and two grand children who made their home with her.

They bought the sight where she lived throughout her stay and time in our city when she first came and has for 33 years made her home. Her husband J. W. "I decided to take Thedford's Black-Draught, as I had been having bilious spells," writes Mr. Charles E. Stevens, of Columbus, Ind. "When I get bilious, I feel sleepy and tired and do not feel like doing my work. It is hard to tell how I feel, but I do not feel good. I get awfully dizzy. I know then that I had better take something. After I found how good Black-Draught is, that is what I have used. I guess it rids me of the bile, for I feel better - don't feel like I am dropping off to sleep every time I sit down. That, to me, is a very bad feeling." RED CHAIN Egg Mash

WHAT OTHERS PUT ON PAPER

A fair feeding test of RED CHAIN is the best way to clear up conflicting claims about egg mashes...Talk is cheap--and anyone can find nice words in the dictionery. On paper most feeds claim "more eggs at less cost" -- but RED CHAIN actually does what others claim to do! Don't buy your egg mash for what it does on paper--buy it for what it puts in the egg basket ... Feed RED CHAIN to your own hens and see the difference between claims and results. It is the unequaled quality of RED CHAIN Egg Mash that makes it the cheapest egg producer--regardless of price.
