OF AND FOR EL DORADO AND SCHLEICHER COUNTY. ALL THE TIME.

## BOY SCOUT MEETING.

The Boy Scouts had their weekly meeting Friday night October 20. Mr. C. B. Foster Field Scout Executive was there to issue badges and promote boys to higher ranks. Junior Isaacs was the only one that was ready with his Tenderfoot test. He was admitted to the troop by vote of the scouts and then through the secret initiation exercises.

Scouts that received second class badges were Joe H. Moore, Vance Morgan, Lawrence Morgan, Oliver Hardt, A. J. Roach and Eli McAngus.

There were several boys who applied for places. They are: Luther Parker, Hollis Reagan, R. L. Sample and Henry Green. They are required to be present at Scout meeting three nights in succession and on the third night pass their Tenderfoot test.

After all exercises were over the visitors and Scouts were served punch. Everyone enjoyed themselves and at ten o'clock we were dismissed.

Scribe.

## ENTERTAINS WITH BRIDGE

Miss Gladys Miller entertained with three tables of bridge Tuesday afternoon, honoring her sister Miss Betty Miller of Washington D. C.

Prizes were awarded Mrs. Van McCormick high and Mrs. J. C. Crosby second high.

W. H. Parker and Son have installed a new Frigidaire in their store, this will add much to the appearance of their stock as well as the keeping their stock from perishing.

## ZONE MEETING HELD AT METHODIST CHURCH HERE.

An all day Zone Meeting of the Woman's Missionary Society of the Methodist Church was held at Eldorado on Thursday Oct. 18th, 1928, an interesting program was rendered and was by those present. San Angelo, Ozona, Sonora and Christoval as well as Eldorado were well represented, also a few visitors.

At the noon hour lunch was served by the local society of our next meeting will be at Sonora in January, to which we are looking forward to. These meetings are a great inspiration and help to us all.

Mrs. G. A. Neill.

## SHEPPARD—JEFFREY

Last Sunday morning Oct. 21, at nine o'clock Miss Lizzie Mae Jeffery and Mr. John Shepperd were united in marriage at the home of the bride. The Rev. Charles Richie, Primitive Baptist Minister performing the ceremony.

Miss Jeffery is the daughter of Mrs. Fronie Jeffery of Eldorado and has many friends here. Mr. Shepperd is employed in the City Barber Shop and is well known and liked by everyone in Eldorado. They left for San Antonio and Austin immediately after the ceremony where they they visited relatives. They will make their home here.

The Success joins in extending many congratulations and good wishes in their future life.

See the nice display of King's Chocolates at Wright's Cash Store.

## SATURDAY'S ELECTION IMPORTANT FOR ELDORADO SCHOOL.

The people of the Eldorado Independent School District will vote Saturday on the raising of the school tax. The school must have more money in which to carry on its work and the present 50 cent tax is entirely inadequate. The law allows the people to vote as much as one dollar on the \$100 valuation and up to the present time the school has been operating on a 50 cent tax. There is but two things to do, one is to raise the tax and the other is to raise the valuation of the property. The school gets only a portion on the raising of the property but gets all of the tax raise, so the best thing to do is to raise the tax. Any way The Success wants to call the attention of all voters that Saturday is the day.

## NORMAGENE POINTER

Little Normagene Pointer, three weeks old daughter of Mr. and Mrs. Mellie Pointer, died Sunday morning at a San Angelo Sanitarium, from a hemorrhage of the navel. In fact the babe has not done well since birth and in spite of the loving care of both friends and physicians the little life could not be saved.

Interment was made Sunday afternoon in the Eldorado cemetery, following the funeral service held at the Methodist Church, the Rev. Hardt conducting the services.

The Success joins the many friends of these young parents in extending condolence in this their sad hour.

ALPINE TEX.—Irene Parker, of Eldorado, has been elected to the Sachems, the girl's ranking honor society of the Sul Ross State Teachers College. In electing Sachems, personality, general scholarship, and leadership are taken into consideration. Miss Parker is very active in student activities and is the assistant art editor of the Brand, Sul Ross Annual Year-book.

Come to the Hallowe'en Party given by the Parent Teachers Association at the Woodman hall October 31, 8 P.M. to see all kind of spooky things, to find plenty of dainty eats and fun in abundance. Admission 50cents for large families and 10 cents each if five in famgily.

## ENTERTAINS BRIDGE CLUB.

Mrs. Joe Williams entertained the Bridge club last Thursday at her home with eight club members and four guests present.

Prizes were awarded Mrs. Van McCormick high club and Mrs. A. P. Bailey high guest.

## ANNOUNCEMENT

I wish to announce to the public that I have moved my Dental Office up town—next door to the bank building. Will appreciate your patronage.

Office hours 10 to 12 A. M. and 1 to 5 P.M.

Miss Nettie Isaacs.

Buy where your money gets the most, Wright's Cash store for bargains.

## REV. L. D. HARDT GOES TO CONFERENCE

Rev. L. D. Hardt, pastor of the Methodist Church here, left Tuesday for annual conference, with every department paid in full for the first time in the history of the church. The only regrettable thing about the pastors report is that the church has not made any attempt to pay the indebtedness of the building this year. Every one here wants to see the Rev. Hardt returned to work here but nothing is definite about a Methodist Pastors stay. Changes in other quarters sometime necessitates changes where changes are not desired, but we always get good pastors, no matter who comes.

## ISSACS—KIEFER.

Last Sunday afternoon at 2:30, Miss Uda Kiefer of San Angelo and Mr. Lenard Isaacs of Eldorado, were united in marriage by the Rev. J. L. Ratliff, Pastor of the Baptist Church of Eldorado.

Miss Kiefer is the daughter of Mrs. Kiefer of San Angelo, recently moving there from Kerrville.

Mr. Isaacs is the son of Mr. and Mrs. W. L. Isaacs, prominent ranch people of Schleicher Co.

The young couple will make their home on the Isaacs ranch east of Eldorado.

The Success joins with the many friends of these estimable young people, in extending congratulations and best wishes of prosperity.

### "PICK'S TOPICS"

One reasonably accurate gauge on prosperity is the mortgage.

What this country needs is bigger and better candidates.

Advice to candidates: Don't count your chickens before the votes are scratched.

Anyhow, it's a relief this campaign not to have to study up on the League of Nations.

We notice that states' rights become somewhat important when applied to the electoral college.

If the political orators insist on making stump speeches they can find plenty of stumps in our denuded forests.

"This will come home to you some day," said the forlorn wife to the hard-hearted husband as he put out the stray cat.

Yes, you can get married on twenty five dollars a week, but sometimes it's rather difficult to stay married on fifty.

Talking movies will be a success so long as we can't hear what the director said to the actors when the film was being made.

Trial by jury has introduced in Japan. They probably figure that 12 Japs looking steadily at the prisoner might aid him in making a confession.

The thing that worries us from a newspaper standpoint is, Secretary Kellogg will have all the world at peace before the Senate gets a chance to reject the treaties.

While the Wets, Drys, Catholics, Protestants, Anti-Saloon Leaguers, Ku Kluzers, Whisperers, Farm Reliefers and Association Against The Prohibition Amendments are fighting valiantly for the "best man to lead and protect the people during the next four years," old man big business is sitting back, smiling, and saying, "What fools those mortals be."

#### School Ground Activities

The boys in High School play "pass" football each day at noon. This pass ball develops their wind and muscles and keeps them in trim for real work. Mr. Curry is coaching a second football team and is going to send them to Sonora for a game Tuesday. We are betting on these Eagles.

The girls basketball team is practicing now and Eldorado High School expects a real basket ball team.

**Facts You Should Know**  
Mrs. Holt is a good Algebra teacher.

There are several desks in school that are not very good. The school is better than it was ten years ago.

There are more students in school this year than last. More students are passing in three or more subjects.

A dictionary is very good in school.

We could not do without teachers.

This newspaper work is written and collected by the student body.

#### Reports in English

We have found out that we don't know much about parts of speech. We are studying about verbs and adverbs, subjects and adjectives and find that, although we have studied such before, we need more and more study.

**Outside Readings in the Ninth Grade**  
Miss Flanagan has given the ninth grade a list of books and the authors. She encourages us to read more good literature than we have been doing. Each student much report on enough books to average 10 points to the semester.

#### WHY EDUCATION COSTS MORE

The public schools of any community may sometimes be criticized for their increased cost. This increased cost of education has been noticeable all over the United States and has resulted from a large increase in school attendance and a necessary increase in teachers' salaries as well as from the addition of more subjects to be taught in the schools. In addition to these facts the purchasing power of the dollar has been reduced so that a school must have more money now than it had a few years ago in order to maintain the same school plant and keep it up to the same standard.

The school in the town of Eldorado alone now has a total of 831 pupils enrolled with the prospects for the enrollment to reach well over 850 during the year. The other schools in the district now have an enrollment of 18 pupils, making the total enrollment of the district 849. Five years ago the enrollment of the district, exclusive of Mexicans, was only 299 and ten years ago the total enrollment was 223. Seventeen teachers are now employed in the Eldorado district as compared with 13 in 1923 and 7 in 1918. These are figures taken from the superintendents' annual report for those years.

#### CHEMISTRY

Nearly all the students in Chemistry are making good grades, there being a few "A" students in the class. While the others are not doing so well, everyone is learning something which will be of worth to him later on.

#### Some Speed

Sam—Ham, what part of dis here army are ye going to join?  
Ham—I's going to join the infantry.  
Sam—Why is yo going to join the infantry?  
Ham—Cause when de general yells "retreat", I don't wanna be bothered wid no hoss.

Thomas—"Say something soft and sweet to me dearest".  
Lois—"Custard pie".  
A Friend—"What makes Annie Pearl so talkative?"  
Mr. Finley—"I think she was vaccinated with a phonograph needle."

To All Persons Interested in the Welfare of the Estate of Mrs. Nan Denson, deceased:  
You are hereby notified that Sterling Baker has filed in the County Court of Schleicher County, Texas, an application for letters of temporary administration upon the estate of Mrs. Nan Denson, deceased and on the 21st day of August, A. D. 1928, by order of the County Judge of said Schleicher County, the said Sterling Baker, was appointed temporary administrator of the estate of the said Mrs. Nan Denson, deceased and at the next regular term of said court, commencing on the 1st Monday in November, A. Given under my hand and seal of said court, at office in Eldorado, Texas, this the 21st day of August, A. D. 1928.

John F. Isaacs,  
Clerk, County Court, Schleicher County, Texas.

Gene Springstun was a business visitor in the city Monday.

John Gray a good farmer who has recently gone wrong by driving a truck had a thrilling experience Saturday night in San Angelo. He parked his truck to eat supper and when he came out he found that his truck had been arrested by San Angelo police and taken to headquarters. When he reached there he found Lee Buie on the job, who let him have his truck after he signed up that he would return Monday for trial. John being a fairly good "speeler", out talked them Monday. The parking law is supposed to be about two hours. John must certainly been laying away the eats to be in the restaurant that long.

M. H. Crabb was in from the farm Monday.

### CANNING POULTRY CULLS.

"The pantry shelf is a good place to put the loafer hen culled out of the poultry flock this fall provided she is well encased in tin," so home demonstration authorities of Texas A. & M. College Extension Service declare. Years ago it was nearly out of the question for the housewife to can meat but since the invention of the steam pressure canner all has changed. The barn yard skeik and the boarder hen are now turned to profit by this means on thousand of Texas farms. Those unfamiliar with the steam pressure canner, however, will find it necessary to learn its operation from a neighbor or home demonstration agent.

In canning chickens care must be taken that the meat is not over-cooked and that as little liquid as possible is used in order that the delicate poultry flavor may be retained. Older birds may be boned by splitting the flesh down the back and removing it from the skeleton with a sharp knife. A more common method is to steam in pressure cooker for a short time and then pack the meat in tin cans to be sealed and processed.

Younger birds may be fried as usual until thoroughly browned and then packed with the rest of the chicken because its flavor will penetrate every piece in the can. When carefully packed 3lb cans will hold a frying sized chicken.

Canned chicken is best served, according to these home demonstration authorities, in combination dishes, such as creamed chicken, croquettes, chicken-a-ladling, salads, sandwiches. A circular, C-55, "Home Canning of Meats," including recipes, is available by writing the Extension Service, College Station, Texas.

Hollywood, Sept. City motorists touring the country often are amazed at the quick adoption of the latest style in dress in even the more remote section. Daily explained. As the motorcar has pushed back confining horizons and broadened communication so has the motion picture broken down provincial isolation and brought the world all dressed up to parade before "rural" eyes.

Hollywood broadcasts the styles with meticulous authority. Hollywood besides contributing its own creative ideas, maintains intimate contact with European styles centers to gather monies in advance, the coming changes in modes.

How seriously Hollywood regards its responsibility in the latter of style portrayed is shown for instance in the frequent trips abroad of Travis Benton creator of fashions from Paris, London, Vienna and like style centers, conferring with other famed authorities who are concurring the new line and beauty. So Benton knows what is what and what is to be. And his translation of styles to the screen carries to every section of the world.

Fashions of the immediate future will accentuate curves, spelling the downfall of the popular straight lines with which we have so long been familiar," says Banton. "We are definitely entering a new style era. "That the change will effect motor car styles as well as dress is shown in the new Silver Anniversary Buick, which already has captured the idea and boldly broken away from the lines of yesterday.

The Paramount style expert was viewing a new Buick sedan, critically sizing up the contours, increased body room, luxury in appointments and the striking

"It is most interesting that artisans in metal can achieve such striking effects in the very latest fashion trend. It is a tribute not only to American designers but also to the spirit of progress which seeks the new. Style evidently is a powerful factor today in motor cars. No longer are the makers content with providing transportation alone. I glory in this recognition of style importance.

### NERVES Went to Pieces

"I suffered a long time, before I tried Cardui," says Mrs. Lillie Pruitt, 130 "K" St., Anderson, S. C.

"I was badly run-down in health. My nerves 'went to pieces', and I had to go to bed.

"I got so bad off, I could not bear to have anybody walk across the floor of my room. The least little thing upset me. Sometimes I became hysterical. I had bad pains in my back and sides, and my head and limbs would take spells of aching, which almost set me wild.

"One day I saw where a woman, who had a trouble like my own, had been relieved by Cardui. I decided at once to try it. It began to help me from the very first. I took Cardui regularly, for several months, and my improvement was so remarkable my family and friends were delighted."

Try Cardui for your troubles.
