Houston Mayor To Speak At Dinner

Ticket Sales Underway For Clayton Dinner

General Rains Fall In Area Thursday

Rain Reports Vary From .3" To 1.5"

Farmers in Bailey County were happy this week as more rain fell on maturing crops. Varying reports of moisture were reported across the county Thursday.

Elvis Powell reported .3 of an inch on a farm 14 miles north-east of Muleshoe and .5 on another farm 12 miles north-east of Muleshoe.

Clarence Mason reported 1.3 inches Thursday. He is located one mile south and 10 miles west of Muleshoe.

J.W. Layton reported a half of an inch three miles east of Enochs and one and a half miles south.

O.M. Lackey who lives south-west of Muleshoe reported that rain varied on his land from a half inch near the state line to 1.2 inches east of the line.

Farmers have been fortunate this month in receiving adequate moisture during a month where there is usually less rainfall.

Natural Weather Association Has Meeting

Farmers and Ranchers for Natural Weather met on Tuesday, July 24, in the District Courtroom in Littlefield to make some decisions, according to Nolan Harlan. "It was decided to try to raise funds for the purpose of getting an injunction against Atmospherics, Inc., based at Littlefield, and also Plains Weather Im-

MAYOR SIGNS PROCLAMATION Thursday, August 2, was declared "Bill Clayton Day" in Muleshoe by Mayor Alex Williams Friday. Looking on are the co-chairmen for the Bill Clayton Appreciation Dinner, Corky Green, left, and Harvey Bass, right. The dinner is scheduled for Thursday, August 2, at 8 p.m. in the Mary DeShazo gym. Tickets are priced at \$10 per plate for the barbeque dinner and are now on sale from a number of Muleshoe people as well as in many other towns in Clayton's District.

Thursday, August 2, will be "Bill Clayton Day" in Muleshoe, as proclaimed by Muleshoe Mayor Alex Williams. The proclamation read "Whereas, the people of Muleshoe and the 74th Legislative District of Texas are sponsoring an appreciation dinner for Representative Bill Clayton on Thursday, August 2, 1973, in Muleshoe, Texas; and, "Whereas, Bill Clayton, a true West Texan, has effectively represented the people of his district in the Texas House for more than 11 years; and Whereas, the Muleshoe area will be able to have more effective representation upon Bill Clayton's election as Speaker of the Texas House of Representatives in 1975. Now, therefore, I, Alex Williams, Mayor of the city of Muleshoe, do hereby proclaim Thursday, August 2, 1973, to be Bill Clayton Day in Muleshoe, and do

personally urge all Muleshoe citizens to attend the Muleshoe Appreciation Dinner."

State Representative Bill Clayton has represented this district in Austin since 1962, and is now a candidate for Speaker of the Texas House of Representatives. He will be honored with a fund-raising appreciation dinner at the Mary DeShazo school gymnasium at 8 p.m. on the night of August 2, and his constituents from the entire district are urged to be present. Charge for the dinner will be \$10.00 per plate, and the funds realized from this effort will be used to finance Bill Clayton's campaign for the Speakership in the 1974 Legislative session. Gordon "Corky" Green, chairman for the appreciation dinner, said, "It is extremely important that we of this district show our support for our representative, Bill Clayton, and help him to finance his campaign for the speakership independently. The opposition will be well-financed by the special interest groups and will be ready to make a strong race for the Speakership. Bill Clayton can be a more effective representative for our area in Austin if we all work together and help him win the race for Speaker of the House."

The appreciation dinner will feature entertainment by the Caisson Trio from Hereford, in-

Registration For Kindergarten Nears

In compliance with recent legislation, all children who will be five years of age on or before September 1, 1973 will be eligible to attend Kindergarten in the Muleshoe Public Schools. All five year olds will be able to attend on a

voluntary basis, but it will not be compulsory for them to attend Kindergarten.

Registration for students will be Thursday, August 23, 1973 and the first day of school will be Monday, August 27, 1973.

When a child is brought to register in Kindergarten, Grade One or Grade Two, he will need to bring his birth certificate (unless he has attended the Muleshoe Schools previously) and also his health records. The school will need

both the birth certificate and the health record (signed by a doctor), before he can be entered in class unless they have attended the Richland Hills School previously.

The immunizations that are required are Polio, Diphtheria, Tetanus, Rubella and Measles. If a child has not been started on his shots, there will be a clinic held at the Bailey County Courthouse on Tuesday, August 21, between the hours of 12 and 1 p.m. This clinic will

Community Center Board Has Meeting

The board of the Agricultural and Civic Center at Muleshoe met in regular session Monday, July 23, at 8 p.m. at the XIT Steakhouse, with Dr. Jerry Gleason presiding.

Land site committee chairman, John Gunter, reported that he and committee member Jesse Leal had met with the city council and that the new community center was discussed and the city councilman were aware of some of the needs of the community center project.

Carl Bamert, finance chairman, was given the go ahead to see what means of finance are available for the project at this time. He is to call a special meeting if he deems necessary to get this project underway as quickly as possible.

Judge Williams reported that the estimates on funds spent by the county were just about what they had expected. He felt that there would still be funds available that were applicable to this project, when it becomes a reality.

A report was given to the board by Spencer Tanksley on

the size building that the building committee felt would be feasible for this community. He gave measurements of other buildings in town for the board to use in comparison.

Joe Harbin, chairman of the building committee, then introduced Robert Wampler of Hallmark Builders. Wampler gave

a brief resume of his company

Texas Seseme Sponsors Fish Fry

Texas Seseme sponsored an informative program for bean growers Thursday night.

Larry Hendrickson of the Lockwood Corporation from Scottsbluff, Nebraska, gave a film program.

A cultural practice program was given by Clarence Christian, local agronomist.

A fish fry was also held and Bill Wimberly reported that there were 78 people present.

Cooks for the fish fry were Larry Hall, Tub Angeley and Pesky Winn.

Ladies Partnership Tournament Held

The annual Muleshoe Country Club Ladies Partnership Golf Tournament was held in Muleshoe on Wednesday, July 25.

Tournament chairman was Mrs. Harmon Elliott and her co-chairman was Mrs. M.D. Gunstream.

There were 28 teams participating in the tournament and the Ladies Association served lunch.

Winners in the Championship Flight were June Gladman and Ann Clough of Plainview, first place; Gail Kenyon and Anna Crook of Clovis, second place; and Dorothy Bender and Kath-

erine Skards of Clovis, third place.

In the First Flight first place went to Mitzel Hallgarth and Alice Jacobs of Clovis; second place winners were Doris Wood and Betty Brown of Portales; and third place winners were Jackie Vaughn and Bernice Teeters of Clovis.

Second Flight winners included Lynn Box and Bertie Johnson of Muleshoe, first; Mardelle Moreland and Gertrude Ferguson of Tucuman, second place; and Polly Green and Betty Buzzard of Clovis, third.

FARM BUREAU QUEEN Miss Sharon Kelton, the 18 year old daughter of Mr. and Mrs. Robert Kelton, was named the Bailey County Farm Bureau Queen Friday night, July 27. First runner-up was Miss Pam Vinson, daughter of Mr. and Mrs. L.P. (Pat) Vinson. The winner will receive a \$150 scholarship to the college of her choice. Miss Kelton was chosen from a field of nine contestants on the basis of poise, beauty and vivaciousness.

WIN CHAMPIONSHIP FLIGHT The annual Muleshoe Country Club Ladies Partnership Golf Tournament was played Wednesday, July 25, in Muleshoe. Pictured are the first place winners of the Championship Flight, left to right, Ann Clough and June Gladman, both of Plainview, and Gail Kenyon and Anna Crook, second place winners, both from Clovis. Also pictured on the right is Mrs. Harmon Elliott, Tournament chairman.

The Consumer Alert

by John L. Hill
Attorney General

AUSTIN--You might imagine that people who deal with consumer complaints every day would gradually get used to hearing about troubles.

But that doesn't seem to happen. The assistant attorneys general who work in our Consumer Protection and Environmental Protection divisions, where complaints of abuse are received frequently, never appear to look upon anybody's problems as "commonplace."

I have observed that this is true, also among personnel in other agencies involved in problem-solving.

Perhaps, it is because this

DOYLE HENRY

Doyle Henry Services Held

Funeral services for Doyle Glenn Henry, 34, were held at 2 p.m., Saturday afternoon, July 28, in the First Baptist Church of Muleshoe, Rev. E.K. Shepherd, pastor of the First Baptist Church at Wilson, and Rev. Doug DuBose, First Baptist pastor, officiated. Interment was in the Bailey County Memorial Park under the direction of Singleton-Ellis Funeral Home.

Henry died at 12:45 a.m. Wednesday, July 25, in Rapid City, South Dakota.

He had lived there since 1972 moving from New Castle, Wyoming. He moved to New Castle from Lubbock in 1964 and was a former resident of Muleshoe. He was a graduate of Muleshoe High School and played football for MHS. He was born July 26, 1938 in Lubbock County. He was a member of the Baptist Church and was in the building construction business.

Survivors include two sons, Bobby Don and Mike, and two daughters Kristi and Kacy, all of Muleshoe; his parents, Mr. and Mrs. Clyde Henry of Austin; two sisters, Mrs. Edith Goss of Austin, and Mrs. Shirley Gunstream of Irving; four brothers, Kenneth and Earl of Muleshoe, J.R. of Canyon and Eugene of Dillon, Mont.

Pallbearers were Homer Redwine, Bobby Black, Charles Wagoner, Royce Turner, Eugene Shaw and Willie James. Honorary pallbearers was the Order of DeMolays.

type of work attracts persons who are compassionate and concerned. And, perhaps, it is because one never ceases to be amazed at the many ways in which true con-men can perpetrate fraud, and the problems they can cause.

One example of this unfortunate brand of ingenuity was evident recently when a North Central Texas trial judge granted our Environmental Protection Division's request for a contempt of court order for a consumer fraud which was disguised as a "pest control" service.

Before discussing this case, let me emphasize that most

Services Held Friday For Tom Smith

Funeral services for Tom L. Smith, 81, were held Friday afternoon, July 27, at 3:30 p.m. in the First United Methodist Church of Muleshoe, Rev. J.B. Fowler, pastor of the First United Methodist Church of Perryton, and Rev. C.B. Melton, pastor of the Muleshoe church, officiated.

Interment was in the Muleshoe Cemetery under the direction of Singleton-Ellis Funeral Home. Masonic and Odd-fellow graveside services were held.

Pallbearers were his grandsons, Crispian Green, Charles Green, Tommy Green, Leslie Smith, Ronald Smith and Edward Murrain. Honorary pallbearers were Elbert Nowell, Clarence White, Arnold Morris, Lloyd Haire, W.Q. Casey, Ray Griffiths, Boone Allison and Loyd Stephens.

Smith, a resident of the Muleshoe area since 1923 was dead on arrival at the West Plains Memorial Hospital around 3 p.m. Tuesday afternoon after suffering an apparent heart attack.

licensed pest control operators are serious businessmen, trying to offer a needed service, and depending upon return customers who expect reliable and expert help.

If someone offers you pest control service, ask to see his Texas Structural Pest Control Board identification card--the card which is issued by the board to show an authorized operators license number, driver's license, social security and other dependable information. Be certain that the date of the license is current.

If the operator cannot show you that license, that should be enough of a warning not to do business with him.

There were several complaints involved in the North Central Texas case--including the report from one woman that the defendants had charged some \$600 for spraying her house for pests, and another's charge that she had paid more than \$1,000 for so-called "structural repairs" to terminate damage, only to learn later that there were no termites, and, in fact, no repairs actually had been made.

These people were elderly, and physically were unable to crawl under their houses or up in their attics to see with their own eyes if destructive insects were endangering their homes. They had trusted the words of the operators.

Inspectors for the Texas Structural Pest Control Board, which licenses and regulates legitimate pest control service operators under a law the Legislature passed in 1971, tell us that preying upon older home owners is standard operating procedure for those who pose as pest control specialists, but are operating outside the law.

Some of them offer "termite inspection" services, which turn out to be an excuse to gain entry, and, often, to sell "structural repair" services. There have been instances, we have learned, in which the operator would conceal a vial of sawdust and insects on his person as he began an "inspection," then tell the homeowner he had found this "proof" of pests.

Our office, acting on behalf of the Texas Structural Pest Control Board, has gained injunctions in several parts of the state against unlicensed operators, and we are cooperating with the board in the preparation of several other suits.

Oftentimes, a consumer complaint can be settled with the help of our office or the Struc-

tural Pest Control Board. In just the past two months, the board's personnel have cured a dozen complaints by effecting licensee agreements to retreat a house, or to reimburse a dissatisfied consumer.

Since the state board grants licenses, it can take them away. Several times, compliance with state standards has been achieved after a license was suspended.

But that sort of action is the exception, rather than the rule.

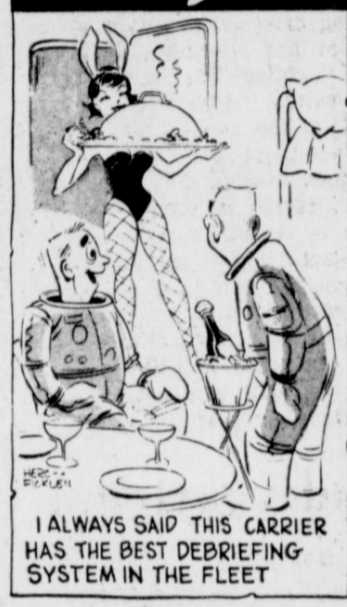

If you do run into difficulty, however, do not hesitate to contact the Structural Pest Control Board, Chevy Chase building, Austin, 78752, or the Environmental Protection Division of the Attorney General's office.

MRS. HILBERT LEE WISIAN AND SHERRY LEANN

Stork Shower Fetes Mrs. Wisian, Baby

Mrs. Hilbert Lee Wisian and infant daughter, Sherry LeAnn, were feted with a stork shower Tuesday evening, July 24, in the First National Bank of Muleshoe.

The serving table was laid with a white lace damask cloth and centered by a Cambridge arm featuring candles entwined with small pink flowers. Mints in miniature pink diapers completed the table decor. Appointments of crystal and silver

were used. Cake squares and pink lemonade were served by Mrs. Arnold Prater and Mrs. Royce Turner.

Special guests of Mrs. Wisian were Mrs. Merly Busby of Hereford, her sister; Mrs. Henry Hendrix of Hart, her grandmother; Mrs. Richard Humphrey of Dimmitt, her sister-in-law; and Mrs. Hilbert Wisian of Springlake, her mother-in-law.

The hostess gift was a baby

bed and mattress.

Hostesses for the occasion were Mrs. Calvin Embry, Mrs. Ben Roming, Mrs. Arnold Prater, Mrs. Chester Yerby, Mrs. David Stovall, Mrs. Curby Brantley, Mrs. Monte Dollar, Mrs. Reagan Cox, Mrs. Charles Stewart, Mrs. Royce Turner and Mrs. James Cox.

Market Report

COLLEGE STATION -- This month's meat situation averages about the same as last month in price, according to Mrs. Gwendolyn Clyatt.

The consumer marketing information specialist, Texas Agricultural Extension Service, Texas A&M University System, added that while supplies are about equal to demand, no one seems to expect that prices will decrease.

She advised consumers to keep aware of price fluctuations for various cuts of meat and take advantage of specials.

"Current values include chuck roasts and steaks, ground beef, smoked hams and picnics, along with pork shoulder roasts and steaks, and liver.

"Fryer chicken prices are about the same as a week ago, while grade-A large-size eggs offer the best combination of quality and economy for your egg money.

Turning to fruits and vegetables, the specialist said the potato market "is extremely short, and prices are high."

"Carrots, hardshell squash (such as acorn and butternut), cushaw, cooking greens, cantaloupe, watermelons and oranges are generally the most economical produce items.

"Also locally grown corn, Valencia oranges, bananas, cantaloupes, watermelons and cabbage.

"There's a wide variety of small fruits, but prices generally remain high. These include peaches, nectarines, plums, grapes and cherries--all seasonal."

HEALTH

Brushing seems the best way to cut down on cavities. You may try carrying a small child size brush with your other cosmetics in your purse. Use it after every meal or snack to evict every food particle that may cause decay.

Dental floss is another important "must." It should be used once each day, and is doubly important where teeth are placed close together.

Summer Coolers

COLLEGE STATION -- Summer heat closing in on you? "Serve foods that offer cool contrast to the weather," suggests Frances Reasonover, foods and nutrition specialist with the Texas Agricultural Extension Service, Texas A&M University System.

"Success largely depends on planning ahead--using foods that help 'beat the heat.'"

"Cool, summer meals start with an on-hand supply of canned or convenience foods from each of the four basic food groups. Include canned tuna, deviled ham and other canned meats which don't require cooking."

Also, homemakers can prepare foods ahead to serve cold, the specialist continued.

For instance, leftover meats become delicious sandwiches. Or, turn hardcooked eggs from breakfast into deviled eggs for another meal.

"Another technique involves preparing large quantities of foods which last several days. For example, refrigerate a gallon of sweet-sour bean salad and use as needed."

For a unique summer treat, serve a colorful fruit salad in a watermelon rind.

"Brimming with watermelon and cantaloupe balls, pineapple chunks, strawberries or other fresh fruits, it's nutrition-packed with vitamins A and C."

"Serve fruit salad, along with an assortment of sandwiches and tall glasses of iced tea, on the terrace in late afternoon."

Still another summer cooler, and a popular one at that, is homemade ice cream, Miss Reasonover noted.

To cut ice cream calories and cost, the specialist advised using nonfat dry milk--rich in calcium for teeth and bones.

"For extra flavor, and a boost in vitamin C, add fresh fruit such as peaches, strawberries or cantaloupe to the ice cream."

Or try a slush sherbert using three cans of grapefruit soft drink, two cups crushed pineapple and one can sweetened condensed milk.

"Freeze it in the refrigerator freezing compartment--or in a crank-style or electric ice cream freezer. Whatever method, it can be a real adventure for kids."

Venetian blinds are now available in 60 colors plus brass and aluminum finishes. Use colorful wooden trellises or frames around windows with these blinds, advises Patricia A. Bradshaw, housing and home furnishings specialist, Texas Agricultural Extension Service, Texas A&M University System.

MRS. DERRELL OLIVER AND BRANDON KENT

Get-Acquainted Tea Honors Kent Oliver

The home of Mrs. Howard Watson was the scene of a get-acquainted tea for the newly adopted son of Mr. and Mrs. Derrell Oliver, Wednesday afternoon, July 25, from 3:00 to 5:00 p.m. The baby has been named Brandon Kent.

Special guests for the occasion were Mrs. Betty Oliver

and Mrs. Ruth Briscoe, his grandmothers; Mrs. Royce Turner, his aunt; Mrs. Fred Bruns and Mrs. C.E. Briscoe, his great grandmothers; and his great aunt, Mrs. Zilpha Zimmer.

Approximately fifty guests called to get acquainted with Kent during the afternoon.

Jaycee-Ettes Urge Response To Senior Citizen Card Project

The Muleshoe Jaycee-Ettes met Monday evening, July 23, at 8:00 p.m. in the First National Bank. Mrs. Carter Reed was hostess for the meeting.

The members discussed the upcoming ice cream social to be held August 9 for Jaycee-Ettes and prospective members. A report was given on the Little Miss Muleshoe Pageant by the co-chairmen, Mrs. Bill Dale and Mrs. Butch Duncan. Plans were also made for a car wash to be held August 11. Further information will be given at a later date.

Mrs. Carter Reed reports that the card project for the Senior Citizens has drawn very little response. Thus far, only those residing in the nursing home have been reported. She urges anyone knowing of a Senior Citizen who lives alone or who would welcome these cards, to contact any of the Jaycee-

Ettes. Names can be phoned in to Mrs. Reed at 272-3879.

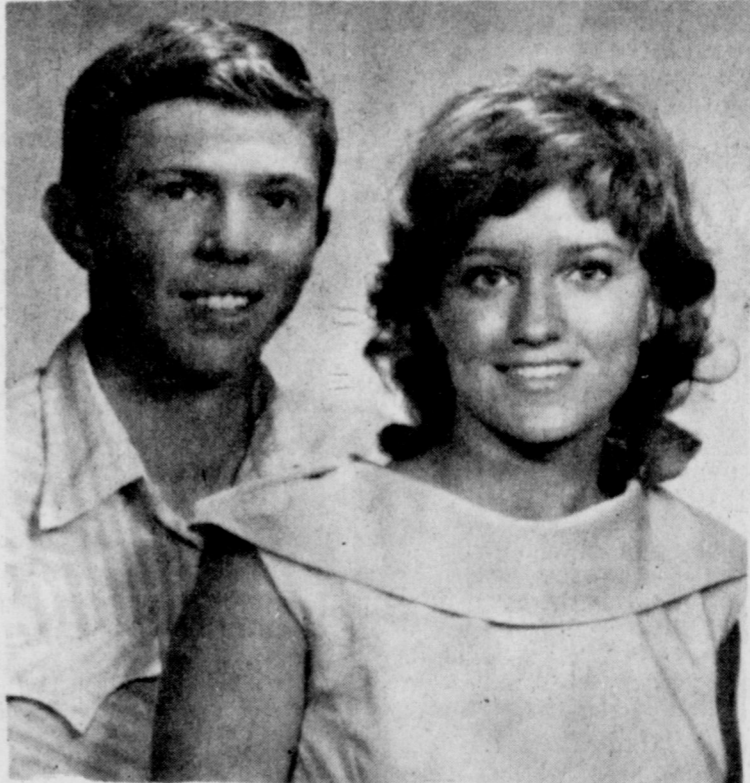

The Jaycee-Ettes will hold their next meeting August 27. Members present were Mrs. Butch Duncan, Mrs. Wayne Peterson, Mrs. Gary Toombs, Mrs. Bill Dale, Mrs. Charles Moraw, Mrs. Steve Hamilton and Mrs. Carter Reed.

Imitation Nuts Now Available

COLLEGE STATION--A new imitation nut product on the market is a blend of wheat germ, milk protein and vegetable oil similar in texture and flavor to pecans and black walnuts.

It's selling at about half the price of natural nutmeats, according to Mrs. Gwendolyn Clyatt, consumer marketing in-

formation specialist, Texas Agricultural Extension Service, Texas A&M University System.

"Test markets indicate consumer acceptance of this new product not only because of lower price, but also because supply will be available upon demand, unrestricted by growing conditions," she added.

MR. AND MRS. FUSSELL BUHRMAN

Reception Honors Mr., Mrs. Buhrman

Mr. and Mrs. Don Furman honored her parents, Mr. and Mrs. Russell Buhrman, on their 40th wedding anniversary with a reception Sunday afternoon, July 22, in the community room of the Muleshoe State Bank. Assisting Mrs. Furman with the hospitalities was Mrs. Oron Sims.

The serving table was laid with an ecru lace cloth over red and centered with an arrangement of red roses. Ruby red candle holders featuring white tapers flanked the arrangement. Mrs. Tom Bratcher, a niece of the couple, served white cake squares decorated with red flowers. Red punch was served by Mrs. Ronald Elliott.

The register table was a replica of the serving table with a small arrangement of red roses centering it. A wedding picture of the couple stood at one side. Mrs. Don Furman presided at the table.

Russell Buhrman and Juanita Beller were married July 20, 1933 on the lawn of the Methodist parsonage at Portales, N.M. Rev. J.T. Redman united the couple in marriage.

Mrs. Buhrman was born July 11, 1914 at Crowder, Okla. She

moved to Muleshoe with her parents, Mr. and Mrs. E.A. Beller, and family in 1928. She is presently employed at Bailey County Electric and Five Area Telephone as cashier. Russell Buhrman, a farmer, was born July 22, 1905 in Sprague, Nebr. and moved to Muleshoe with his parents, the E.H. Buhrmans, in 1908.

The couple has one grandchild, Daryl Russell Furman of Amarillo. The Buhrmans reside at 214 West Ave. F here in Muleshoe.

Out-of-town guests for the occasion were Mrs. Tom Bratcher of Ponca City, Okla.; Mrs. Reba Hall of Lubbock; Mr. and Mrs. Bill Bishop of Littlefield; Mrs. Earl Moore and Miss Kelly Moore, both of Clovis, N.M.; and Mr. and Mrs. Don Furman and Daryl of Amarillo.

Use an old nylon stocking to clean lint from velvet. Gently rub stocking over fabric—lint and dust become entangled in the mesh and are easily removed, according to Mrs. Vivian Simmons, clothing specialist with the Texas Agricultural Extension Service, Texas A&M University System.

Progressive HC To Help Girls At Girls' Town

The Progressive Homes Club met July 25 in the home of Wenona Gibson with six members and two visitors present.

Opening prayer was given by Katie Roubinek. Roll call was answered by house hold hints and poems.

The club voted to help the girls at Girls' Town to get ready for school.

Minnie Dunn received a birthday gift from her secret pal and Lucille Harper received the hostess gift.

Refreshments were served to Vera Engleking, Minnie Dunn, Katie Roubinek, Jewel Strong, Roxie Hoover and hostess Wenona Gibson, also visitors Lois Norwood and Lucille Harper.

Four Students Return From Seminar

Four high school students from Bailey County have recently returned from the 11th annual High School Students Citizenship Seminar conducted by the Texas Farm Bureau July 16-20 on the campus of Baylor University at Waco.

Miss Jana Garrett daughter of Mr. and Mrs. Phil Garrett, Miss Dennett Mann daughter of Mr. and Mrs. Franklin Mann, George Mitchell son of Mr. and Mrs. George Mitchell and Paul Harbin son of Dorene Harbin, were selected to attend the seminar from this county. They were among nearly 500 students from the state of Texas who will be entering the 11th and 12th grades this September. Each of the participants were carefully screened as to leadership ability and scholastic achievement.

Following are some of the lectures that were given at the Seminar: Dr. Clifton Gannus, President of Harding College in Searcy, Arkansas, gave a talk on "Understanding and Preserving Our Heritage". In his talk he discussed the American free enterprise system and how it works. He also discussed what is happening at present in the United States to hinder free enterprise and possible ways to stop it.

Dr. Skausen, former FBI agent, became well informed on Communist activities in the United States and told the students about different organizations in the United States at present which are Communist fronts. He explained the Communist doctrines and plans for United States take over by Communists. He explained the best ways for Americans to reverse the trend toward Communism and ways to prevent Communism.

Gerry Kirk, former FBI undercover agent who infiltrated the Communist party, explained who the leaders were, what their plans are, front organizations for Communist party, government officials with Communist ties, explained the workings of the Communist party to the students in his talk titled, "The Youth Revolution and its Impact for America."

Dr. C.L. Kay, Assistant President of Lubbock Christian College in Lubbock, Texas, gave a talk on "The Role of the Citizen in the American Government". He explained how constitution and Americans can

stop Communist, how the best way to stop Communism is through practicing the beliefs of American Constitution. He also explained how the American free enterprise system has made America the best fed, clothed and housed country in world history. This has also improved living standards of the world through increased technological advances as a result of the free enterprise system.

Cleon Skousen, author of "Naked Communist", discussed the history, strategy and tactics of the Communist party.

The students also saw several films related to Americanism and Communism. The last day four students gave a panel discussion on "What Can We Do?". One of the students selected for this panel was George Mitchell of the Bailey County Farm Bureau group. This was George's second year to attend the Citizenship Seminar.

RETURN FROM SEMINAR Pictured above are l. to r.: Paul Harbin, Jana Garrett, Dennette Mann and George Mitchell, four students who returned recently from the 11th annual High School Students Citizenship Seminar. The seminar, conducted by the Texas Farm Bureau, was held July 16-20 at Baylor University in Waco.

Nursing Home News by Myrtle Guinn

Mrs. Mae Provence and her twin grandsons visited Mrs. Sain Monday morning.

The last few nights we have had rains which will be of great benefit to the crops.

Mrs. Ora Martin of Littlefield visited her mother, Mrs. Perry, Monday.

Mr. and Mrs. Leon Lewis and son, Kirk, visited his mother, Mrs. Lewis, Monday.

Mrs. Lavada Lassiter of Whiteface came Monday and spent part of the day with her daughter, Mrs. Newton.

Mrs. Struve, Mrs. Hardgrove and her two small children visited Mrs. Whitford Monday afternoon. Mrs. Struve is her daughter and Mrs. Hardgrove is her granddaughter.

Mr. and Mrs. John Blackman of Bula visited his mother, Mrs. Blackman, on Tuesday.

Buran and Betty Ann Robinson of Long Beach, Calif. vi-

sited Mr. and Mrs. Robinson for a few days. Buran is their nephew.

Mrs. Boone and Mr. and Mrs. Almon Whitford visited Mrs. Whitford, their mother, Tuesday afternoon.

Mrs. Miller and Mrs. Lewis were among those getting permanents Wednesday.

Mrs. Jewell Griffiths visited her mother, Mrs. Stevens, Wednesday afternoon.

The ladies of the auxiliary are holding a rummage sale each Wednesday and Saturday, opening at nine o'clock, in the Green Memorial Clinic. This is sponsored by the Auxiliary ladies and they accept any article of clothing, shoes, what knots, ect. The money from the sales will go entirely to the nursing home for needed things. Any used clothing, shoes or anything usable will be accepted gladly. You may see Mrs. Dorothy Green or Mrs. Jeanne McVickers for more information about this sale. They also accept new things as well as used.

Mrs. Vivian White came Wednesday afternoon to see her mother, Mrs. Harris.

The following people visited Mrs. Lewis Sunday and Wed-

nesday: Mr. and Mrs. Edwards, Mr. Green, Mr. Cross, Mrs. Jackson, Mrs. Timms, Mrs. Weeners, Mrs. Erma Ray, Rev. Hudgins, Mrs. Martin, Mrs. Self, her son, Leon, and her grandchildren, Merle and Kirk.

My two great grandsons, Shawn and Shane Smith of Lazbuddie, who are visiting their grandparents, Mr. and Mrs. Allen Guinn, came to see me along with their grandmother Wednesday. I went with them to the new library where they checked out some books to read while they are here.

Mrs. Goodnaugh visited her mother, Mrs. Choate, one day this week.

Mrs. Irma Ray comes every day to see her mother, Mrs. Duke, who isn't very well.

The following is from an article by Ruth Bruns and as I read it, I thought how much more happiness and a better world we each would find. It follows: "I wonder what the world would be like if we each would remember to show to those who cross our paths the same courtesy and tolerance we show to friends. It shouldn't be hard to do. We have only to see, behind each new face, not a stranger, but an unknown friend."

Cook meat or poultry at low temperatures for maximum tenderness and juiciness--and less shrinkage, suggests Mrs. Gwendolyn Clyatt, consumer marketing information specialist, Texas Agricultural Extension Service, Texas A&M University System.

STATE Capital NEWS

By BILL BOYKIN

AUSTIN, TEX.--Federal Environmental Protection Agency proposals to cut auto pollution smog in Texas ran into opposition in public hearings last week.

EPA proposes to put the smog control plans into effect August 15 unless convinced it should alter or delay them. Here's what the controls would mean, with variations from area to area:
*Special traffic lanes for buses and car pools on freeways.
*Installation of anti-pollution devices on pre-1968 cars.
*Elimination of downtown parking in major cities like Houston and San Antonio.
*Gasoline quotas.

*Reducing gasoline fumes in some areas (like Austin-Waco) by improved storage tanks and tighter gasoline delivery trucks.
A Texas Good Roads Association spokesman assailed the idea of special traffic lanes as potential contributors to all-time record traffic pile-ups.
A Texas Air Control Board representative also challenged constitutionality of EPA recommendations to require owners of seven-year-old (and old-

er) cars to install anti-smog equipment.
The latter requirement, said the Board spokesman, places an undue and discriminatory burden on the poor and raises questions under due process and equal guarantees of the fifth and 14th amendments.
Air Control Board spokesmen have contended emission control devices would cost owners of old cars \$300 million and would affect one per cent of the total pollution problem.

PRICE INCREASES CONTINUED--The Texas Department of Agriculture reports dramatic increases in prices of eggs, pork and other commodities throughout the state.
TDA estimated the egg price increase at 10 cents per dozen this week on the retail level, and said grade A large eggs could sell for 85 cents a dozen.
Potatoes are expected to increase from \$1 to \$2 per hundredweight.
Pork prices are up 10 cents a pound, and lamb prices are also soaring. The Agriculture Department said some smaller packers are contemplating discontinuing cattle slaughter. Distributors were said to be seeking additional supplies of vegetables since they are permitted to raise prices.
A major problem is a shortage of trucks to move grain.

APPOINTMENTS--Allen Eugene Richardson, a native of Bailey County, is new executive director of Texas Water Rights Commission, and Clinton R. Miertschin of La Grange will be the agency's acting chief engineer.
Governor Briscoe appointed Don Carroll of Tyler as district judge of the Seventh District Court in Smith County, replacing R.P. Power who resigned.
Briscoe named LeRue Dixon of Jacksonville as district attorney in Cherokee County.
Governor Briscoe placed Frank Barron of Fort Worth and Robert T. Mattox of Crockett on the Trinity River Authority and reappointed Guy C. Jackson III of Anahuac, and Amon G. Carter Jr. of Fort Worth.
Sam Damron of Muleshoe and Albert Hopkins of Houston were picked by Briscoe to serve on the State Board of Pharmacy, succeeding John R. Fowler of Memphis and Eugene Wilson of Dallas.
Mrs. Blake Sparenberg of Austin is the Governor's choice for the State Board of Canvassers.

REIMBURSEMENT FOR CITIES -- Cities which constructed sewage treatment plants between July 1, 1966 and July 1, 1972, without benefit of full federal construction grants can get reimbursements.
Texas Water Quality Board Executive Director Hugh C. Yantis Jr. said applications for the reimbursements should be made to the Environmental Protection by October 17. Yantis also suggested cities which constructed plants as far back as July 1, 1956, without full federal grants should make applications for reimbursement in case regulations are changed to qualify them.
BRISCOE WEALTH ESTIMATED -- Major Texas daily newspapers came up with estimates that Gov. Dolph Briscoe owns more than 300,000 acres of land in South Texas and has assets of over \$40 million.
The Governor paid \$113,309 in taxes on his land in 1972. "What we assess him, he pays," said Dimmit County Tax Assessor - Collector Mrs. Jeanne John.
Through leases, in addition to his holdings, Briscoe is said to control a million acres of land.

COURTS SPEAK -- Third Court of Civil Appeals agreed with lower court that St. Mary's University of San Antonio owns the Laredo Archives and other documents in the Sebron S. Wilcox collection.
The same court dismissed South Texans' suit for hunting rights in Uvalde, Dimmit and Zavala counties river beds.
Affirming an intermediate court, the State Supreme Court backed a new trial for a candy flavoring mix company's suit to collect insurance on ice cream unit for consumption.
The Third Court of Civil Appeals affirmed a district court verdict that a miscarriage by an Austin woman was not caused by an auto accident.

OIL PRODUCTION WIDE OPEN -- For the 17th straight month, the Railroad Commission has directed 100 per cent oil production during August.
Crude oil buyers' request for more than 3.78 million barrels daily was slightly less than the record for July, however.
Exceptions to the wide-open order were allowed for East Texas field (86 per cent), Kelly-Snyder of West Texas (84 per cent) and Tom O'Connor Field (70 per cent).
Commission Chairman Jim C. Langdon said state crude reserves dropped 13.1 million barrels since July, 1972.

AG OPINIONS--Atty. Gen. John Hill conditionally approved the state's \$5 million tuition-equalization grant program for private college students but warned that rules must be framed to meet U.S. Supreme Court tests of aid to parochial schools.
In other recent opinions, Hill concluded:
*A college professor cannot be employed simultaneously as an assistant state district attorney.
*Residence of a minor for purpose of school attendance is normally that of his parents.
*Texas Water Quality Board has authority to require feedlot owners to submit evidence that wastes from their operation will not cause pollution of ground or surface waters.

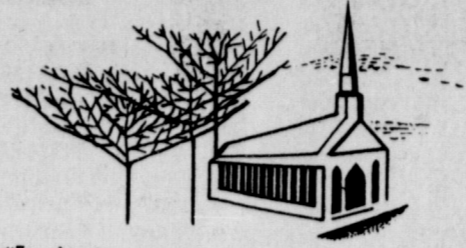

SHORT SHORTS
The State Board of Insurance set an August 2 public hearing here to consider adjustments in Texas Workmen's Compensation and Employers' Liability Insurance rates to meet new changes in law.
Harry Hubbard defeated Roy Evans for presidency of the State AFL-CIO, and Sherman Fricks won his race for secretary-treasurer of the big labor organization over Lanny Rogers.
Hunting fees ranging up to \$10 a day for deer will be charged for public hunts at Parks and Wildlife Department game management areas.
Ronald Earle won a July 17 special election to fill an Austin House of Representatives vacancy Republican Maurice Angly and Democrat Lloyd Doggett went into a runoff for the Austin district 14 state senate vacancy.
House Speaker Price Daniel Jr. announced his availability for chairman of the 1974 constitutional convention, and Sen. Tom Creighton of Mineral Wells announced he will nominate Sen. A.M. Aikin Jr. of Paris for the post.
A House interim committee has recommended removal of the capitol press room to a nearby office building and replacing legislative reporters in the gallery instead of on the House floor.
The same committee recommended purchase of a \$7.3 million office building and television coverage of House proceedings paid for with tax money.
Former Rep. Hudson Moyer of Amarillo got a 10-year probation sentence on charges he stole \$5,000 worth of postage stamps.
Legislative lobbyists reported spending more than \$107,373 this year to directly influence outcome of legislation.

ATTEND CHURCH

"For where your treasure is, there will your heart be also"

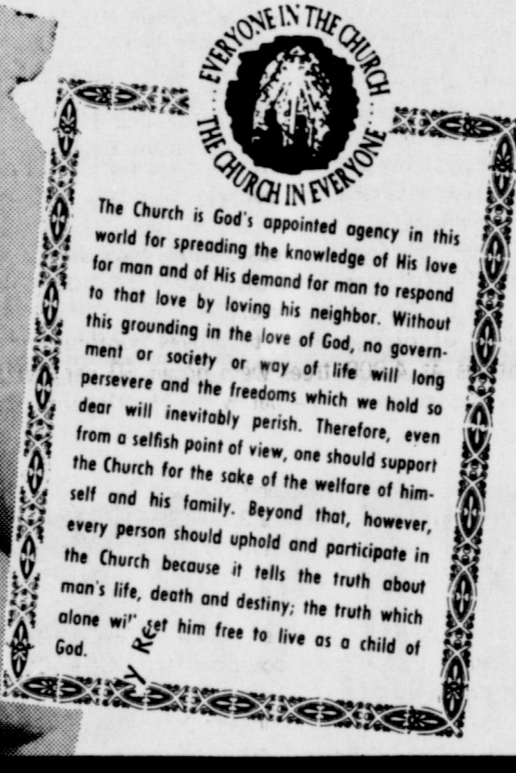

A NEW BIBLE...

for ME!

She really is delighted because her church is presenting her with a new Bible. She understands and appreciates this gift, because in earning it she has committed many verses to memory, and thus learned to value God's word. The churches desire that all would study and learn to love God. Plan to attend church and share in this knowledge and joy.

Milk Production Declines As Predicted... Broilers,
Eggs Also Show Declines... Citrus Tree Plantings
Increase... Cattle Feeding Increases.

Milk Production in Texas as well as the nation is
following a year-long pattern of declines, which has been
predicted by dairy group spokesmen. Texas milk
production for June is 5 per cent below the previous
month's production, although it is slightly above June of a
year ago.

Nationwide, milk producing is 2.5 per cent less than a
year earlier. Production during the first half of this year is
running 2 per cent under 1972. The number of milk cows,
nationwide, also has declined by 2 per cent.

The cost price squeeze in the dairy industry is also
dramatized in the milk-feed price ratio. That ratio is down
27 per cent from a year ago. It is also the lowest June ratio
since 1955.

EGG production in Texas during June is down 4 per
cent from a year ago and 5 per cent under last month.
Nationwide, a decrease of 5 per cent is noted from the same
month a year ago.

Broiler chick hatch in Texas during June is down 7
per cent from a year ago and 10 per cent under the
preceding month.

The turkey poult hatch for Texas during June is up
19 per cent from a year ago, but is 9 per cent under a
month ago.

The June hatch of egg-type chicks in Texas is up 34
per cent from a month ago and 3 per cent above a month
earlier.

CITRUS tree plantings are on the increase in the
Lower Rio Grande Valley. Licensed citrus nurserymen and
private citrus nurserymen in the Valley reported 230,000
citrus moved from nurseries to groves during the period
July 1, 1972 to June 30, 1973.

This is 12 per cent above the previous year when
206,000 trees were set out; these totals reflect new
plantings in commercial groves.

Of the total, about 98 per cent are grapefruit; about 2
per cent oranges; less than 1 per cent lemons, limes,
tangerines and tangelos.

The number of grapefruit trees planted was up 15 per
cent from the previous year. More than half of the 1972-73
plantings were of the Star Ruby variety.

Movement of orange trees to groves continues to
decline. Plantings at 4,000 trees were down 50 per cent
from the previous season and far below the planting rate of
prior years.

CATTLE on feed in Texas and the nation continues
to increase. As of July 1, a total of 2,335,000 head of cattle
and calves were on feed in Texas. This is 10 per cent above
a year ago, 4 per cent above June 1, and 3 per cent above
April 1.

Large feedlots--those with 1,000 plus
capacity--numbered 234. Steers accounted for 1,513,000
head of the cattle on feed.

Cattle placements on feed in Texas feedlots from
April 1 to July 1 were down 11 per cent compared to a
year ago. Cattle marketed out of Texas feedlots is 4 per
cent above marketings compared to the same period of a
year ago.

Feedlot operators intend to market 1,238,000 cattle
between now and September 30. This would be 6 per cent
more than marketed during the same quarter last year.

Nationwide, cattle and calves on feed is up 2 per cent
from a year ago. Cattle feeders plan to market about 1 per
cent more than those actually sold during the July to
September period of a year ago.
