Serving McLean and the Area Since 1903

McLean, Texas Price 25c February 2, 1984 Volume 81 Number 5

**Kathy's  
Korner**

After much consideration and discussion, we at the paper, have decided to raise the subscription price of *The McLean News*. Beginning March 1, the paper's weekly cost will go from 25c per copy, to 35c a copy.

Yearly subscriptions for residents in Gray county will be raised from \$12 a year to \$14, and readers outside Gray county will now be paying \$16 instead of \$14 a year.

It is never easy to decide to make a price increase, and it has not been any easier this time. However, the rising costs of chemicals, film, and the actual printing of the paper, make it so that we must have some type of increase in our income.

There was a time when advertisers made up the largest part of our revenue, but that is no longer possible. \$ longer possible.

Personally, I think *The McLean News* is still a bargain at 35c a week. I think we put out a fine product each week, we try to accumulate as much news for you as is possible, and we know that we're the only paper that care about McLean, Lefors and Alanreed 100%.

The new prices will not go into effect until March 1, so for those of you who would like to renew your subscriptions at the old rate, come in before then, and we'll take care of you. You may renew your paper at the old rate no matter what time of the year your subscription is due.

For those faithful readers of "Whittler's Bench", and "Lines by Lem O'Rickk", we're sorry for their absence in this week's paper. Their author, Sam Haynes, was hospitalized earlier this week, and was unable to provide them for us. However, Sam did get "Down Memory Lane" to Robbin before his trip to Pampa, so we are able to include it in this edition. I know you join Robbin and me in wishing Sam a speedy recovery.

As is usual in my case, I made a few minor mistakes in my first column last week and several friends have made it a point to bring my attention to them. I suppose the most glaring

## Tigers Slip From Second To Third; Tigerettes Lose To Claude And Phillips

McLean Tigers slipped from second to third place in district standings after three straight losses last week. After a disappointing 58-50 loss to Groom, the Tigers lost 74-49 to Claude, and 52-47 to Phillips. Tigers are scheduled for re-matches with Groom and Claude, and a chance to better their district record, Feb. 7 and Feb. 10. Both games will be played in McLean.

Tigers travelled to Claude Jan. 24 to face the current district leaders. At the end of the first quarter, Claude led McLean 10-9, but the Tigers out-scored the Mustangs five points, and led at halftime 26-22. McLean saw their lead begin to slip away, and were trailing 46-37 at the end of the third quarter. Claude held the Tigers

to 12 points in the fourth quarter, and burned the basket up on their end of the court, scoring 28 points in the last quarter. Final score of the district match was 74-49. Scott Stubbs led the scoring for the Tigers with 14 points. Martin Gately had 13, Randall Wynn had 10, Robert Swaner had eight, and Darin Corley had three.

McLean then travelled to Phillips Jan. 27 for a re-match with the Black-hawks, but came away empty-handed, and tied for third in the district. The Tigers led at the end of the first quarter 12-7, and at the end of the half 22-19. Phillips did some fast shooting, and at the end of the third quarter, the game was tied, 31 all. Phillips out-distanced McLean in the final period, and defeated

the Tigers 52-47. Wynn led the Tigers with 15 points, Stubbs followed with 14, and Gately tallied up 13 points. Swaner had four. The JV Tigers also travelled to Claude, and were defeated 42-27. Jerry Money led the scoring with 14 points. Bill Watkins had six, Chet Bohler had five, and Darren Johnson had two.

The JV Tigers were scheduled to play their final game of the season Jan. 31. All other games for the JV Tigers have been cancelled. The Tigerettes swallowed two defeats at the hands of first-place Claude Mustangettes, and the Phillips Black-hawks. McLean trailed Claude throughout the game, and lost the match 72-42. Jem Ann Rice led the

Tigerettes with 17 points. Melanie Billingsley had 13, Lee Ann Tate had four, Kristie Thompson had four, and Patricia Rodgers had four. Their second defeat came at the hands of Phillips, 28-21. Rice had 10 points, Billingsley followed with four, Tate had three, and Thompson and Tanya Cummings had two each.

The Tigers and Tigerettes were scheduled to host the Lefors Pirates Jan. 31, but results of the matches were too late for press time. The Tigers will travel to Pampa Feb. 2 for a re-match with the Pampa Sophomore team. Both varsity teams will close out this year's season when they host Groom Feb. 7, and Claude Feb. 10.

## McDonald To Seek Re-election

Jim McDonald announced recently that he will seek re-election for the office of constable in the May primary. McDonald, the 41-year-old chief of the McLean Volunteer Fire Department, said that he is seeking re-election to the office to continue to serve the community in the

capacity of Constable. He has completed 12 hours of law enforcement courses through Amarillo College, has 320 hours of Basic Law, and is a certified paramedic. McDonald, who helped form the McLean Ambulance Service in 1970, served as president since its creation, until 1982.

He has been a member of the fire department for 18 years, and has served as its chief for 12 years. He has two children, Paige, 17, and Trevor, 15, who are students in the McLean schools. He also owns and operates McDonald's Garage, which recently reopened.

## 75 Students To Participate In Shoot-Out

Seventy-five McLean students, from third to eighth grade, will participate in the 1984 Texas Easter Seal Basketball Shoot-Out, according to supervising coach, Jack Rott. The students will be visiting local businesses and friends in the coming weeks to solicit community sponsors to pledge optional amounts for each basket made.

The sponsorship money is considered a tax deductible contribution to Easter Seal. Community support and student involvement in the event will benefit physically handicapped children and adults in Texas, according to a news release from the Easter Seal organization. McLean participants will have their "shoot-

out" during school, Feb. 8. According to principal Dorman Thomas, the third and fourth graders will have their contest from 9:10 to 10:10; fifth and sixth graders will shoot from 10:15 to 11:10. The seventh and eighth grade will meet at the gymnasium from 1 p.m. to 2 p.m. The public is invited to attend the

## Senator Bill Sarpalius Asks Public Opinion

AUSTIN--State Senator Bill Sarpalius said recently that he is asking parents, students and others interested in the state's education system to provide him input on a proposal to lengthen the school day throughout Texas. A subcommittee of the Select Committee on Public Education has recommended that the public school day commence at 8:30 a.m. (with an appropriate break for lunch) and end at 5:30 p.m., five days a week, for grades kindergarten through 12. Sarpalius said he was talking with school officials throughout the Panhandle and South Plains about the proposal, but would like

on buses before sunup and they wouldn't get home until after dark. They also are disturbed that youngsters who work in the afternoons would be unable to continue their jobs or helping on family farms. They also mentioned destruction of non-school activities and the opportunities to learn social skills. A number of other interferences with daily life have also been talked about. Sarpalius said he was asking newspapers in the 29 county area of the 31st District to provide the opportunity to respond. He said he would research the results and provide a district and county breakdown of how those who respond feel about the proposal.

to know the feelings of those who would be directly affected by the proposal. "While this is a subcommittee recommendation at this time, the final work product of the Select Committee will have a definite impact on what future direction public education will take in Texas. If there is a majority in our district who adamantly oppose this idea, then I would like to be armed with that knowledge if we are to oppose it before the Legislature," Sarpalius said. The Senator said he had already received some comments critical of the idea. "I have heard from some who say it would put their children

## Meacham Returns Recently From Two - Week Journey

A McLean man travelled to the Holy Lands on a Texas Methodist tour recently. J.W. Meacham, owner of the McLean Hardware, returned Jan. 23 from a two-week tour of Israel and Egypt, with 58 other travellers.

The group spent the first night of their tour in Aman, Jordan, and the second in Tel Aviv, their third and fourth nights in Tiberias, and then stayed four days and nights in Jerusalem.

After Jerusalem, the group visited the Sinai desert, and spent three nights and days in Cairo, Egypt. From Cairo, they returned to Aman, and then began the journey back to the United States.

Mr. Meacham was also able to visit Nazareth, Bethlehem, some pyramids, and many other

well-known places of interest.

"The people of the lands were very friendly and the food and hotels were fantastic," said Meacham. "Breakfast was a little difficult for us to get use to. We had radishes, carrots, tomatoes, cheese, and fish for breakfast. However, the dinners were super. There were usually four to five types of meats, 8-10 kinds of salad, and 8-10 desserts for us," he said.

"It's difficult to explain the trip, and the feelings I got while I was there, but it was something that I never imagined I would be able to do, and I would never trade for the experience. It was incredible, and unbelievable," said Meacham.

## LOSE MARBLES

LISA PATMAN

Dear Mom and Dad,

I would have written sooner, but the sweepstakes got me again. I know you made me swear I would never touch another entry form, but Ed McMahon came into my life, staring dreamily at me from the face of an envelope. I really tried to resist him, but then he appeared on television, sandwiched between two pizza commercials, begging me to enter, and I was hooked.

It took me a full week before I was finished. First I had to figure out which gold seal went where, which coin to use to scratch off which silver square, and then I had to match all my lucky numbers with my prizes. And as if that weren't enough, I was forced to read through every one of those letters to find out the secret of the "early bird" prize.

Then, of course, there was the big decision--would I really stand a chance to win the house of my dreams if I didn't subscribe to a magazine called *Better Bingo Through Meditation and Analysis*.

Now that all the entering is over I have a little time until they announce which goodies I've won, so I'm writing to ask for your advice. For instance, I really don't know where I'm going to wear the \$10,000 mink coat. It's obviously too warm for the two-week trip to Jamaica (valued at \$5000, airfare included). And the money--being a good citizen, should I donate my winnings (one of these three people may have won \$250,000!), or should I try to pay off my charge accounts? And should I redo my will so that my offspring (should they ever call home and let me know where they are) will inherit the new home video system, the new family camper, the 19-foot boat, the genuine sapphire and diamond ring, and "one of these exciting" cars?

As you can see, I'm drowning in a luxurious sea of indecision, so if you could answer before March 1, when the first sweepstakes winner is announced, I'll share my dream vacation with you.

Frantically waiting for your reply,  
Your baby, Marbles

P.S. After reading my new magazine, my psychiatrist says it's okay for me to chant "Help. Help. Help." so long as I remember to put the kernel of corn on the right Bingo number.

The Fidelas Sunday school class met Jan. 27 for their monthly social with Vela Young and Mildred Giesler as hostesses.

President Thelma Steven opened the meeting with a prayer and

space to apologize to a group of McLean students. It seems as though I have been unable to get many pictures of the high school and junior high basketball teams this year, and I am very sorry for the lack of pictorial coverage.

This year's schedules and mine seem to have conflicted in almost every way imaginable, and when, at times I have been able to attend the games, I have invariably had a sick child. I do apologize, and yes, Randall, I will try to do better the next few weeks.

Louise Dickenson brought the devotional. Others attending were Eula Morrow, Opal Hugg, Edith Bybee, Ruby Boyd, Bertha Smith, Ada Simmons, Safronia Pettit, and Relia Ayers.

## Letter To The Editor

Ms. Kathy Carter,

The sign at the entrance to McLean says, "The Friendly Town". How true it is!

Last December 26, while travelling through your community, we developed a problem with our car that needed attention before we could continue our journey. Being a holiday, auto service was unavailable. Stopping at your local Wil-Mart store, we found some very helpful people who gave us numbers to

call for assistance. Standing nearby were your local citizens Jerald and Corey Gardner. Mr. Gardner mentioned help might be difficult to obtain and volunteered to

have a look under the hood. An alternator belt was shattered and needed replacing. He set out to find a proper size and after several tries found someone to open the store and get a belt that could solve our problem. Perhaps nearly two

hours, in very cold weather, of the Gardners' holiday were spent assisting total strangers. Compensation was out of the question - in fact they were prepared to have us stay in their home - had we needed to wait for service the following day.

Our hometown of Effingham, Illinois, like McLean, is a small community and it has been our pleasure to take in travellers in our home during Interstate Highway closings, due to

weather conditions. Aren't we blessed in these two communities that such an atmosphere exists? Your McLean is a better place in which to live because of the Gardners, the folks at the Wil Mart, and obviously many more of your people. We shall be eternally grateful for this experience.

God Bless You All!

Most Sincerely,  
Mr. and Mrs. George  
Wenthe, Sr.
