## **Electricity Clinic** To Be Held for Scouts

As a part of the observance of National Electrical Week and National Boy Scout Week, Boy Scouts from the Santa Fe and Comanche districts have been invited to participate in an Electricity Merit Badge Clinic, which will be held in the Patio Room of the First Methodist Church, Pampa, Thursday evening, Feb. 9.

The clinic is designed to assist Boy Scouts in meeting the requirements for the Electricity Merit Badge and covers the subjects which are necessary to qualify for the award.

Six employees of Southwestern Public Service Co. will conduct Thursday evening's program. Brac Biggers will open the program with a discussion of the history of electricity, and advise the Scouts on career opportunities in the electrical field. "Fundamentals of Elecwhere children and dults are treat- tricity" will be the topic of Dave Tucker, while Jerry King will discuss Magnetism." "Household Electricity" is the subject Jake Webb will discuss, with Willard Suit leading the "First Aid and Safety" discussions and W. T. Seitz the "Projects and Diagrams." # **NEWS OF**

By LYNN McDANIEL

Carey McAdams and Ralph Britten are leveling their irrigated land. They plan to level the land to get better water distribution and save irrigation water. Their farm is located south of Pampa.

Dean Burger, Ken Burger and Joe Gordon are installing underground irrigation pipeline for better distribution of irrigation water.

Leon Daugherty is staking his land into 100 foot centers. We will make a grid map to locate the high points and the low points and will make him a sheet showing where to fill the land and where to cut the land.

Herb Graham has completed the land leveling on his farm just east of Pampa

Tom Anderwald has completed leveling on a field on his farm. He has also worked over his tailwater recovery system. Tom has developed a very good system of recovering all of the water and tailwater that falls on his farm.

John Spearman is planning to level some land on his farm located northeast of Pampa.

Stan Kretzmeier is constructing a diversion terrace on his farm located west of Pampa. Grass planting time is here. The

grass should be planted before the first of June. Now would be a good time to get the seed and be ready when you decide to plant
