The recognition ceremony is sponsored by the Duke University Talent Identification Program (TIP) to salute the seventh-graders from Texas who qualified in TIP's ninth annual Talent Search. All students invited to the ceremony have earned scores on the Scholastic Aptitude Test (SAT) or the American College Testing Assessment (ACT) comparable to college-bound high school seniors.

The students will receive certificates of distinction at the ceremony. The highest scorers will also receive scholarships and books.

TIP conducts recognition ceremonies in each of the 16 states it serves in the Southeast, Midwest and Southwest. Over 50,000 mathematically and verbally gifted seventh graders are identified by this program each year. TIP offers additional education opportunities for gifted students in seventh through tenth grades.

TIP is a non-profit educational organization established in 1980 with a five year grant from The Duke Endowment. The program receives continuing support from student fees, individuals, corporations and foundations.

## Grandview-Hopkins Barbeque

The Grandview-Hopkins Annual End of School Barbecue will be Thursday, May 25 at noon.

In 1926 three schools consolidated to become Grandview. The first Grandview Community End of School covered dish picnic was the next spring, 1927. At that time the picnic lasted all day with baseball games and water fights. The picnic evolved into a barbecue with the men of the community cooking the meat all night. They would also take turns feeding a calf for the next year.

In the early 1950's John Baggerman began contributing the meat for the barbecue, a tradition his wife and later his son Ruben have continued.

The Hopkins Community always had an End of School picnic and when the two schools consolidated in 1973, the barbecue and covered dish picnic continued as a community activity. Baggerman now has the meat prepared by Dyer's Barbecue. The PTO members prepare beans and apricots and set up tables and chairs in every available corner.

All friends of the community are invited to bring a salad, vegetable or dessert and join in the fun, food and festivities.

## Nick Kuehler and JoLee Burger Crowned Band King and Queen

A nice crowd was well fed and entertained at what hopefully is to become an annual event, the first band banquet. The event was held Monday, May 15 at 7:30 p.m. in the school cafeteria. The decorations were paper notes and scales that adorned the walls. The barbecue meal was catered by Sharlene Lewis.

A video of the band's performance at the UIL Marching contest was enjoyed by all. Mr. Thomas welcomed special guests; Bud Fields, Judy Babcock, Rex Peeples, Kenneth Sweatt, Band Booster officers and Charlotte Whatley.

Steve Hutsell sang several songs with his guitar to the crowd.

Mr. Thomas spoke on highlights of the band's year which included receiving a Division II in marching contest and a Division III in concert. He also brought to the crowd's attention that the band appeared on KAC-TV, performing Christmas musical selections.

Selected as Band King and Queen for the 1988-89 school year were Nick Kuehler and JoLee Burger. Nick is the son of Alice and Robert Kuehler. JoLee is the daughter of Holly and Ken

Burger. Certificates of leadership were presented to Kenzi Burger, Nick Kuehler, Krista Burgin, Latisha Burgin, Bruce Britten, Amy Brown, Melinda Burgin, Matt Fields, Phillip Vaughn, JoLee Burger, Angela Reed, Ronnie Jenkins, Andrea Payton, Brian Baker, Bronte Britten, Daryle Homer, Kim Fields, Krista Case, Rebecca Conrad, Wesley Hall, Shannon Miller and Karen Babcock. **Karen Bohr Honored At Banquet**

The annual Groom Athletic Banquet was held Tuesday, May 16, at 7:30 p.m. in the school cafeteria.

The dinner was catered by Sharlene Lewis. The evening began with invocation given by Julie

Lyles.

Daniel Hinson was recognized by the state UIL association as a state qualifier. Daniel is the son of Bill and Georgeann Hinson. This year has been a special year for Daniel. Daniel broke the school record his sophomore year in the discuss and broke this own record of 159'2" his senior year.

For the first time the Six-Man Coaches association recognized several local athletes as members of the All-State Academic Team. These athletes were not only honored for their ability on the field, court or track, but their skills in the classroom. These young men honored were; Jason Eschle, Richard Jenkins, Michael Rose and Jay Britten.

Anticipation was in the air

as the different coaches took the microphone to announce who they had selected as Most Valuable Player. Coach Jimmy Branch presented the Most Valuable Football award to Michael Rose. Michael had quite a night as he was called once again by Coach Jay Lamb to receive the Most Valuable Basketball Player award, Rose was barely seated when he was called a third time by Coach Shirley Fields to receive the Most Valuable Player Tennis Award.

Coach Branch felt the Most Valuable Girls Basketball Award was deserved by two special athletes; Karen Bohr and Shannon Fields. Jenni English and Karen Bohr were the duo recipients of the Most Valuable Track Award. Named as Most Valuable Track Members were Daniel Hinson and Brice Ruthardt. Shannon Fields was called again to be named Most Valuable Tennis Player. Shannon Fields and Karen Bohr were equally recognized, being honored as Most Valuable Player in two sports.

Emotions were high as Coach Branch presented the Fighting Tiger and Tigerette Award. This award seems to be of high importance to all the local athletes, because it stands for the spirit each member strives for, that winning drive and dedication. This year's Fighting Tiger Award was presented to seniors Stoney Crump and Kevin Kerlee. Stoney is the eighteen year old son of Richard and Donna Crump. Stoney has been a member of the All-District Football team for two years and the All-District Basketball team for two years. He was also a member of the All-Star Team and All-Tournament Basketball Player. He was also a district qualifier in tennis for two years.

Kevin Kerlee is the son of Barbara Kerlee and Bill Kerlee. Kevin was a member of the All-District Football team. In track Kevin's name appeared among the winning sprint relay.

Karen Bohr was named the Fighting Tigerette. Karen is the daughter of Bill and Linda Bohr. She is a senior at GHS. Karen during her four years at GHS has been the recipient of Most Valuable Player in Basketball and Track. She has been very active in track and basketball and brought home several medals and honors for Groom High School.

Michael Rose and Stoney Crump came forward to present a special plaque to Coach Branch, Lamb Fields and Gilliland. This was in recognition of their hard work and support, from the class of 1989.

Michael Rose concluded the evening with the benediction.

**YOUR HEALTH** 

By Dennis Roark

Laughter not only helps sick people get well, it may even prevent sickness, according to a study at Western New England College in Springfield, Massachusetts. Volunteers who watched humor films had higher levels of salivary immunoglobulin A than those who viewed an educational film.

At New York University School of Medicine, high-risk patients who've had melanoma once are being given an experimental vaccine to prevent recurrence. It works on rats, early results on humans are good.

Fertility specialist in Massachusetts has patented a saliva test that shows when a woman is ovulating. It's said to be more accurate than body temperature, easier than testing other body fluids.

Radiation synovectomy can take the place of surgery in cases of rheumatoid arthritis, say doctors at the Hospital for Joint Diseases in New York. Radioactive drug is injected into joint to destroy inflamed lining, which the body replaces. Procedure can be repeated.

renewal to the news. My wife Lourene and I have subscribed since the death of her grandmother, Mrs. Blanche Harris in 1972. We purchased her land north east of Groom then. We have enjoyed the paper. There is one thing that those of us that live far away would appreciate, we need more information about rainfall near Groom. I know that when there is a large amount and some hail there are articles in the paper, but with dryland farmers like us every bit of moisture counts.

Thanks Sincerely,  
Dr. and Mrs. William Kemp  
Editors Note:

Thank you for your subscription and letter. We agree with you and have tried in the past to keep our out of town subscribers informed for that very reason. So, we are asking the farmers or anyone else to assist us in obtaining rainfall amounts around Groom. If there is anyone that would help us please call us at 248-7333.

Another discussion centered around a 911 phone system for the county. There will be meetings in the near future to discuss this program. Judge Roselius said, "The Sheriff's office will be the answering point for Carson County at the present time."

A prescription can easily be transferred from one pharmacy to another. Simply bring the old prescription bottle to help provide directions for use, and one phone call to your doctor can transfer the prescription. The bottle is not always necessary, but it speeds up the process. It is helpful to do this a few days before you run out of medication.

Do not hesitate to phone and ask about prescription transfer or prescription price.

**The Lighthouse News**

**By R.L. Winebrinner**

The rains came, came and came, but all was badly needed. The rain of the holy spirit is falling here at the Lighthouse and it too was badly needed. We have had several make decisions for Christ, we have had several miracle healings and God is transforming lives. Two who came in and made decisions for Christ were on hard drugs and Jesus has set them free- and he who the Lord has set free is free indeed- God is a God of a second chance, he does forgive if you will let him. Are you hurt, wounded or maybe you feel life is just not worth living. Come to the Lighthouse let us love you for Jesus. We have ministries for all ages. Youth, teen, young married couples, you surly can find a place to fit in at the Lighthouse. Give Jesus a chance to forgive you, and prove his love for you. Sunday services are at 10:30 a.m. and 7:30 p.m. Youth meets at 6:30 p.m. Wednesday night is Old Fashion Camp meeting, Rev. R.L. Winebrinner and all the church welcomes you to attend.
