

Egypt Moves Fast Toward Mobilization

Britain Accused Anew Of "Aggressive Acts"

CAIRO, Oct. 22. (AP)—Egypt, her forces reported moving rapidly toward mobilization on a war basis, accused Britain anew today of "acts of aggression." Britain sent fresh troops into the disputed Suez Canal Zone and Cairo newspapers said an Egyptian guerrilla movement was forming to drive the Britons out.

Egypt's government sent a new note for the ministry of foreign affairs to the British embassy, accusing the British of "new acts of aggression." It said:

"Not satisfied with defying the feeling of the civil population, British authorities in the Canal Zone wish also to provoke the Egyptian Army, which thus far has avoided all cause for friction."

The note said British troops Saturday at Port Said mortally wounded an Egyptian sentry at an Egyptian Army camp, and also fired on an Egyptian sentry before Egypt's governorate office in Port Said.

A short time before, the Egyptian government made public a note charging that the British actions in the Suez area made it look as if the British were "moving in to conquer the country."

A British spokesman said the British Royal Navy now was controlling movements of shipping in the Suez area and carrying supplies for British guarding the strategic 104-mile canal, vital link in the Commonwealth's lifeline.

British warships were guarding

both sides of the canal and more troops were on the way to strengthen British control of the gateway to the Orient.

Formation of the anti-British underground, similar to Jewish forces which fought the British in Palestine, was reported in the pro-government newspaper Al Misri and in the leftist weekly Al Comhour Al Misri.

The daily Al Misri reported Gen. Aziz II Masry Pasha had been asked to command the Egyptian "liberation legions."

Cairo newspapers reported a general mobilization order has been approved by the Egyptian Supreme Court. The next step would be parliamentary approval, providing also for establishment of a high council of war.

The bill calls for a general rallying of manpower for military and industrial production and for organization of communications.

The Egyptian note, originally delivered last Thursday, demanded that British troops "evacuate all places they have occupied, unrightfully and without reason" in cities and other areas of the Suez Canal Zone.

The British have sealed off the canal zone. They guard the two entrances to it and control key spots along the waterway.

The note also cited cases in which British soldiers were accused of "murder, cruelty and robbery" and declared Egypt will hold Britain responsible for any "warfare."

British officials acknowledged Sunday night that the 8,000-ton cruiser Gemara is at Port Said, on the Mediterranean end of the canal. They declined, however, to talk about two warships that arrived from the Persian Gulf last week at the canal's south end.

An Associated Press reporter in the Canal Zone saw two British destroyers there Saturday.

Two British Royal Air Force anti-aircraft squadrons — also trained as riflemen — were due by plane from London to back up the thousands of British troops on the alert along the canal. An Egyptian government official said a British transport brought fresh troops to Suez Sunday.

It gave notice that the company intends to pursue "all legal remedies" to get its \$36,762.47 back.

Homeless Pair

This little fellow's first name is Stanley, but Los Angeles police don't know his last name or where to find his parents. The three-year-old was left last Oct. 2 with Mrs. Carris Nation, 64, at her suburban Los Angeles home by an unidentified woman. A few days later Mrs. Nation died. The mother has never returned. Now Stanley lives at Juvenile Hall, whiling away the hours with a nameless pup who arrived under similar circumstances. (AP Wirephoto).

Smallest Atom Blast Set Off

LAS VEGAS, Nev., Oct. 22. (AP)—The smallest U. S. atomic explosion on record was set off at sunrise today by Atomic Energy Commission scientists.

Signaling perhaps the start of a new atomic weapon era, the infant A-bomb — if bomb it was — flashed sharply for about one-tenth of a second. It was seen from a mountain about 30 miles away.

To eager onlookers in Las Vegas, the flash was obliterated by the bright early morning sun.

It was a detonation in contrast to the five brilliant flashes which lit up the desert sky in tests here last winter.

To scientists, it probably was a better thrill than many of the previous larger blasts.

To control the atom and its fissioning so that it goes "poof" — without much more force than a large artillery burst — that would stand as a milestone in nuclear science.

One of the few men outside the AEC test site to see the tiny weapon perform was Joe McClain, telegraph editor of the Las Vegas Review-Journal.

"It was hardly larger than the TNT blast set off an hour earlier to test instruments," McClain said. "There was a short, bright flash and then a column of white smoke rose from it, narrow at the base and mushrooming finally into a small cloud. The cloud drifted upward for about 10 minutes before disintegrating."

Today's detonation took place about 6 a.m. (CST). An AEC spokesman confirmed that the shot was made from the top of a 100-foot steel tower, similar to the structures used in the original A-bomb blast at Alamogordo, N. M., in 1945 and also later at Eniwetok.

The absence of any flash would seem to confirm speculation that the AEC has developed a smaller nuclear weapon. Speculation on such weapons has included artillery-type shells and guided missiles with atomic warheads.

This, however, was a stationary or fixed-point detonation and would indicate that the atomic scientists have developed what might be termed a baby A-bomb.

A press observer at Cactus Springs, about 35 air miles from the test site, said a brief flash was barely noticeable in the bright early morning sunlight.

But to the small clumps of observers on Las Vegas street corners there was not even a flicker on the sunlit trees.

To newsmen, waiting eight days for the blast — speculation on which had even mentioned the H-bomb — it was a decided letdown. At least a dozen newsmen were on Mt. Charleston, 40 miles from the test site.

What they saw was apparently not spectacular. No troops were reported involved in the detonation today. About 5,000 troops, including a 1,000-man combat team, are at Camp Desert Rock, awaiting participation in atomic warfare maneuvers.

Presumably the AEC used today's explosion for further research into radioactivity and perhaps its effect on animals and structures. It was disclosed last week that a number of boats, rats and dogs were placed within range of the blast, some of them inside Army vehicles.

Await Red Approval Of Security Pact Before Renewing Truce Talks

Forecasts See A Triumph For Conservatives

British Election Campaign Moves To Closing Stage

LONDON, Oct. 22. (AP)—British election campaigning moved into the closing stages today, and political forecasts were almost unanimous in predicting victory for the Conservative Party led by Winston Churchill.

By RELMAN MORIN
Voters go to the polls at 7 a.m. (1 a.m. CST Thursday).

Latest reports today from political soundings all over the United Kingdom, as reported by London newspapers, told the same story with varying details — a forecast the Conservatives will defeat the Labor Party.

Estimates of the expected Tory majority in the House of Commons ranged from 43 to 100 seats.

The single dissenting opinion came — as was expected — from the Daily Herald, a Labor Party journal.

It quoted Morgan Phillips, secretary of the Labor Party, as saying in a speech, "I believe we can win." But even the Herald noted that Phillips, unlike the forecasts of the Conservative and Independent observers, did not mention an estimated figure in the next House of Commons.

The majority of editors on local newspapers throughout Britain believe the Conservatives will capture the government by 76 seats, the Bournemouth Times reported. The editors were asked to forecast the result of the election in their own districts.

It is a notable fact that, throughout this campaign, the heavy weight of opinion — as reported in public opinion tests of various types and shapes — has favored the Conservatives.

The Herald dismissed these findings today with the line "Let them Gallip — we can win."

Not every political observer in London, by any means, is convinced of the accuracy of the polls.

Since the great majority of British newspapers are Conservative, the feeling exists that these uniform results, reported day after day, may be part of a "bandwagon" technique.

No such claims have been made by or for Labor. Party headquarters have issued the customary predictions of victory. But they have had the air of stereotyped claims of confidence.

Even the Conservative Daily Mail reported that the voters "are not only silent, but secretive." It said that, despite the polls, the result of the election may very well depend on last-minute decisions.

Baby In Lung

Little Diana Shaughnessy, who was only 46 days old, was placed in an iron lung in a Chicago hospital after her illness was diagnosed as polio. Nurse Lois Deeden attends the infant. (AP Wirephoto).

Resumption Seen About Wednesday

MUNSAN, Korea, Tuesday, Oct. 23. (AP)—Everything was set today to resume Korean truce talks as soon as Red negotiators ratify a security agreement.

Allied and Communist liaison officers completed the pact Monday, detailing ground rules for renewing armistice negotiations after a two-month break.

The United Nations command promptly ratified it and called on the Reds to reopen talks "without further delay."

The Reds didn't answer Monday. Brig. Gen. William P. Nuckolls, U. N. command spokesman, said if the Red answer is received Tuesday morning a full-scale negotiation session may be called for the afternoon.

The general view in this Allied peace camp was that truce talks would be underway again by Wednesday, at the latest.

The two five-man negotiating committees will meet in a faded yellow tent at Panmunjom, midway between opposing front lines. They will take up right where they left off at Kaesong — on the question of where to create a demilitarized zone for the armistice. The Reds suspended the Kaesong talks, Aug. 23. They charged the U. N. bombed the Kaesong neutral zone the day before but the Allies denied the charge.

U. N. and Communist liaison officers completed their arrangements for renewal of negotiations by signing an eight-point security pact at 10:35 a.m. Monday.

Three hours and 20 minutes later the U. N. ratification was delivered to the Reds at Panmunjom.

It called on the Communists to renew truce talks "without further delay."

The U. N. ratification was signed by Vice Adm. C. Turner Joy, chief U. N. delegate. He told North Korean Lt. Gen. Nam Il, head of the Red delegation, the Allied negotiating team was prepared to meet with the Communists the day after the Red reply was received. He set the hour for meeting at 11 a.m.

Joy's purpose in ratifying the security agreement before talks actually begin, and asking for the Red endorsement in advance, was to prevent a possible reopening of discussion of the "ground rules" by the Communists.

The agreement provides for a demilitarized zone with 1,000-yard radius at Panmunjom.

The agreement provides for a demilitarized zone with 1,000-yard radius at Panmunjom.

The agreement provides for a demilitarized zone with 1,000-yard radius at Panmunjom.

ENTER CITY, WITHDRAW

U.S. Tanks Shoot Up Red Stronghold

By ROBERT EUNSON
EIGHTH ARMY, Korea, Oct. 22. (AP)—American tanks rumbled into flaming Kumson today for the second time in three days as Chinese retreated before advancing Allied infantrymen.

For four hours the M-46 Patton tanks shot up the former Red stronghold on the Central Front. Then they lumbered back through mud and heavy mortar fire to their own lines.

Allied infantrymen, striking out of the fog, overran two hill masses including the highest yet taken on the 15-mile Kumson front.

The Reds put up a hot fight on one ridge line for a little while. Then they withdrew, and the United Nations infantrymen advanced unopposed through the mud.

Despite the soggy going, the advance was so rapid engineers had a hard time keeping up with the infantrymen.

Forty-two Chinese didn't bother to retreat. They surrendered. An officer estimated Red casualties in the ten-day offensive would exceed 15,000.

Ground action quieted all along the front as liaison officers completed arrangements for renewing truce talks, but the air over Northwest Korea flamed with six jet battles.

Returning American pilots reported they probably destroyed two Russian-type MIG-15 jets and damaged another. The Fifth Air Force said all American planes returned safely.

The two probables were reported after a 20-minute battle Monday afternoon between 25 American F-86 Sabre jets and more than 50 MIGs.

A total of 12 Red jets were involved in the six battles. Most engagements were between MIGs and Thunderjets or F-80 Shooting Stars after the Allies raided Red rail lines.

Nine B-39 Superforts from Okinawa on a "very special" mission knocked out a brand new Communist air field at Tachon, 60 miles north of the Red capital, Pyongyang. The Superforts flew

Supreme Court To Hear Appeal

WASHINGTON, Oct. 22. (AP)—The Supreme Court today reversed itself and agreed to hear an appeal by six attorneys who got contempt sentences for their conduct during the New York trial of the Red leaders at the trial before 1st Circuit Judge Harold Medina. Medina gave them sentences ranging from one to six months.

The Supreme Court first denied the attorneys a hearing last June. They then petitioned the court to reconsider the denial, and give them a hearing. This request was granted today and a date will be set later for the hearing.

Justice Jackson last June granted the attorneys a stay of the prison sentences pending the Supreme Court's final action in their case.

The court's order today granting a hearing noted that Justice Clark of Texas took no part in the consideration of the request.

Czech Is Feted As 'Millionth Refugee'

By LYNN HEINZERLING
GENEVA, Oct. 22. (AP)—Alexander Ranezay, 47, Czech refugee who fled before the Red Army in 1945 with his wife and two children, was celebrated in a blaze of camera lights and oratory here today as the one-millionth refugee resettled by the International Refugee Organization.

Ranezay and his family will leave Bremen, Germany, on the IRO-chartered ship Muir, Nov. 2, for their new home in Midland, Texas.

After six years as a man without a country in various Austrian refugee camps of the IRO, Ranezay will be at home late next month at 810 West Story Street, in Midland.

The Czech refugee, former estate manager for a Slovakian count, will be gardener and handyman at the home of William Penn, James Andrew Hall, pioneer dentist here, died Saturday night in a Muskogee, Okla., hospital.

Shamrock, Oct. 22. (AP)—Dr. James Andrew Hall, pioneer dentist here, died Saturday night in a Muskogee, Okla., hospital.

State Taxes Skyrocket In Most Of U.S.

State taxes skyrocketed in 1951. During the year lawmakers in 34 states put the bite on the public for more than \$50 million in new levies, and more are to come.

Taxpayers in Pennsylvania, Missouri and Massachusetts still are waiting to learn their fate. The three legislatures are bogged down in tax programs.

The principal new revenue raising measure voted in Texas will yield about 2 million. It levies a tax at the rate of four and one half mils per 1,000 cubic feet of natural gas gathered into transmission lines.

To help meet rising costs, Florida even put a tax on "courtin'" candy (the kind that comes in boxes and costs more than 50 cents). But most of the new revenues will be collected from the time-worn favorites — taxes on sales, gasoline, cigarettes, corporations and trucks.

Georgia topped all the states in levying new taxes in 1951, passing a new three per cent sales tax expected to yield \$100 million a year for a net annual revenue gain of 7 million. Emergency taxes passed in 1949 and yielding \$80 million were repealed.

Other big tax increases were enacted in Michigan (\$48 million), Illinois (\$40 million), South Carolina (\$4 million), Texas (\$26 million), New York (\$26 million).

Wisconsin cut its income taxes about \$10 million by eliminating a 25 per cent surtax enacted in 1949, and stands to lose about \$600,000 a year by cutting out a three per cent tax on Wisconsin corporation dividends paid to out-of-staters.

Gas Tax Is Paid Under "Protest"

By DAVE CHEAVEN.
AUSTIN, Oct. 22. (AP)—The first protest payment under Texas' new natural gas tax law was made to Comptroller Robert B. Calvert today.

It was a check for \$26,762.47 from the Texas Gas Transmission Corp. of Owensboro, Ky. Across the stub in red typewritten letters was the notation:

"Payment made under protest." Accompanying the check was a formal protest alleging that the new tax of 9-30ths of a cent per 1,000 cubic feet is unconstitutional and "an unlawful burden on interstate commerce."

The protest further claimed that the new tax law violates existing contracts between the Texas Gas Transmission Corporation and parties from whom it buys gas.

Texas Gets A Touch Of Mild Winter

By The Associated Press
Texas, which has been having "mild summer" weather during most of October, is getting a touch of "mild winter."

A cool front moving across the state has brought a drop in temperature and scattered showers over most of the state. All parts of Texas, except the El Paso area, reported considerably cloudiness today.

Freezing weather was reported at Dalhart this morning where the mercury dropped to 21 degrees. The maximum reported Sunday was 32 at Cotulla.

Mineral Wells had a .19 inch rain. And a light rain was still falling there today. San Angelo, Wichita Falls, Dallas, Fort Worth, Midland and Dalhart reported sprinkles.

The forecast for Texas is slightly cooler with continued cloudiness and scattered showers.

The forecast for Texas is slightly cooler with continued cloudiness and scattered showers.

Substantial Gains Over Last Year Reported By Local Banks

Substantial gains from a year ago were reflected in the combined reports of the two banks in Big Spring Monday in response to a call.

The bank call, issued by the comptroller of currency, was for close of business on Oct. 16, 1951.

Deposits were up more than two and three-quarter million in amounting to \$26,328,567 as compared with the Oct. 4, 1950 figures.

Total resources were up nearly three million dollars in reaching \$27,792,813 as against the comparable figures of a year ago.

Loans and discounts stood at \$7,377,922.84, a gain of \$630,470 for the year. Cash amounted to 9,992,111.50, an increase of \$622,475.

	Oct. 16, 1951	Oct. 4, 1950	Gain
Loans & Discounts	\$ 7,377,922.84	\$ 6,747,452.04	\$ 630,470.80
Cash	\$ 9,992,111.50	\$ 9,369,636.11	\$ 622,475.39
DEPOSITS	\$26,328,567.77	\$23,438,998.01	\$2,889,569.76
TOTAL RESOURCES	\$27,792,813.00	\$24,800,117.35	\$2,992,695.65

640 in total bonds, of which \$6,415,453 were in U. S. bonds and \$2,050,837 in others.

The deposit total was about three-quarters of a million dollars over the June 30, 1951 call figures, but it was well under the all-time record of \$30,800,000 on Dec. 31, 1950, which caught the peak of the record harvest. Other June 30 totals were cash \$9,012,695.05, deposits \$25,643,521.79, loans and discounts \$,551,232.94, and total resources \$27,051,463.15.

By banks, figures were: FIRST NATIONAL—Loans and discounts \$5,149,989.92; cash \$6,310,732.18; deposits \$15,441,989.84; total resources \$16,237,694.90. The loan figure does not include \$3,545.61 in cotton producer notes. The bank holds U. S. securities in the amount of \$1,127,824.90.

STATE NATIONAL—Loans and discounts \$2,228,833.62; cash \$3,681,379.32; deposits \$10,887,477.33; total resources \$11,558,118.10. The loan figure does not include \$88,841.24 in cotton producer and acceptance notes. The bank holds \$3,934,600 in U. S. bonds and \$1,569,792.14 in other bonds.

Pioneer Dentist Dies

SHAMROCK, Oct. 22. (AP)—Dr. James Andrew Hall, pioneer dentist here, died Saturday night in a Muskogee, Okla., hospital.

THE WEATHER

Big Spring and Vicinity: Clear, with a few clouds in the afternoon. High 64, low 44.

High today 64, low 44.

Highest temperature this date in 1951: maximum 74 in 1911; minimum 24 in 1916.

Cloudy

Dawson Wildcat Gets Oil On Test; Local Venture Deepens

A northeast Dawson deep wildcat recovered oil and salt water on a drillstem test during the week-end.

In northern Howard county, an East Vealmoor venture which found a new and higher pay electivity to deeper. On the breakdown of drillpipe, a small amount of salt water was returned.

A southwest Borden wildcat north of the Good pool was preparing for a drillstem test in the Pennsylvania lime, but no top was reported. Another Borden wildcat got only mud on a test in an upper Permian lime. A Glasscock wildcat near Garden City recovered only drilling fluid on a test.

Borden

Brinkerhoff Drilling No. 1-A Clayton, C SE SW 37-32-4n, T&P, took a drillstem test in the upper Permian lime from 3,150-3,200. Tool was open for 20 minutes. Recovery was 20 feet of mud with no shows of oil, gas or water. The test was deepening. This venture is about five miles east of the Good pool.

Phillips No. 1-A Clayton, C NE SE 8-32-4n, T&P, was bottomed at 2,214 in Pennsylvania lime. It was preparing to take a drillstem test. Location is three and a half miles north of the Good pool.

Phillips No. 2-A Lewis (Conrad), C NE NW 35-25, H&TC, drilled at 2,825.

Dawson

Gulf No. 1-A Dean, C SW NW 29-1 Pottevant, was coring at 10,304 in lime and chert. It took a drillstem test from 10,280-303 with the tool open 3 1/2 hours. Recovery was 3,880 feet of clean oil, 545 feet of oil and gas cut mud which was about 50 per cent mud, and 2,880 feet of water, slightly salty.

Gulf No. 2-Y Dean, C NW SW 35-32-4n, T&P, was at 16,885. A drillstem test was taken from 10,836-84 with the tool open one

hour. Recovery was 120 feet of mud with no shows.

Gulf No. 1 Vastal, C NE NW 11-34-7n, T&P, was bottomed at 4,900 and was drilling on cement.

Moncrief No. 1 Cobden, C SW SW 92-M, EL&RR, drilled to 6,620 in broken lime.

Glasscock

Argo No. 1 M. E. Cook, C NW SW 17-34-4n, T&P, four miles southwest of Garden City, was at 6,908. It took a drillstem test from 6,884-5,990 with the tool open 45 minutes. There was a slight blow of air throughout. Recovery was 25 feet of drilling fluid.

Magnolia No. 1 Bryan, C SE NW 28-35-4n, T&P, eight miles southwest of Garden City, drilled to 5,986.

Mitchell

Stanford No. 1 Langley C SW NE 25-30-1n, T&P, north of Iatan, perforated from 4,334-48, from 4,372-85, from 4,412-16, from 4,418-32, from 4,437-40 and from 4,444-48 and treated with an unreported amount of acid. Operator was swabbing some new oil and some acid water, the amounts not reported. On the last gauge it had made 23 barrels of new oil and eight of acid water in eight hours of swabbing.

Martin

A Spraberry location in the Germania field is Seaboard No. 2-4 L. C. Jones, 2,101 from east and 860 from south lines, section 6-36-7n, T&P, six miles northwest Germania; 7,500.

E. E. Fogelson and Edwin W. Pauley No. 2-46 Walton-Judkins, a Tex Harvey location, will be 1,800 from west, 660 from north lines section 46-36-2n, T&P; No. 3-46 will be 1,000 from east and 660 from north lines section; No. 4-46 will be 660 from north and east lines section; No. 13-46 will be 660 from south and west lines section; No. 14-46 will be 1,800 from west and 660 from south lines section; No. 15-46 will be 1,800 from east and 660 from south lines section; No. 16-46 will be 660 from south and east lines section. All will go below 7,000 for the Spraberry.

Howard

Peeler Bros., Christman, et al No. 1 Willis mBogie, C SW SW 06-30-2n, T&P, 17 miles northwest of Garden City, drilled past 6,193 in shale and lime and was preparing to set the 7-in. string before drilling into the Spraberry. This is a prospective east outpost to the Driver Spraberry area.

Mendota No. 1 J. T. Daniels, C SW SW 10-34-2n, T&P, 12 miles southwest of Garden City, drilled to 6,193 in shale and lime and was preparing to set the 7-in. string before drilling into the Spraberry. This is a prospective east outpost to the Driver Spraberry area.

City Court Has Busy Session

Corporation court had one of its busier sessions this morning.

A total of 27 cases, appeared on the docket. Eighteen fines were assessed for an aggregate of \$355.

Heading the list of weekend offenders was drunkenness with 11 persons pleading guilty to the charge and receiving fines amounting to \$190. Eighteen others charged with drunkenness had been released on deposits totalling \$255, and failed to appear in court.

Leading traffic violation was driving without license. Three persons pleaded guilty to that charge and were fined \$25 each.

A plea of guilty to reckless driving and speeding resulted in a \$25 fine; a guilty plea to speeding drew a \$15 fine, and another driver was fined \$35 when he pleaded guilty to reckless driving.

Another person was assessed \$15 fine on a plea of guilty to affray. Hearings were set for 5 p.m. today for four persons, two who pleaded not guilty to drunkenness and two who entered not guilty pleas to charges of disturbance.

Transferred to county authorities were two persons charged with carrying concealed weapons and one charged with driving while intoxicated.

Youths Admit Burglaries

Twelve boys, ranging in age from seven to 14 years, have admitted breaking into the Kate Morrison school on two occasions last August, Pete Green, police chief, reported this morning.

The youngsters also admitted "tearing up" the school and taking a typewriter and adding machine, Green said. A 19th youth, since admitted to a state school for boys, was implicated in the break-ins.

The 12 questioned by police blamed the other lad for stealing the office equipment. Neither machine has been recovered, but are believed to be in San Antonio, according to the police chief.

The 12 boys have been released, Green said. He didn't say whether steps to prosecute or punish the youths would be taken.

U.S. NOTICES AWAKENING OF MIDDLE EAST

WASHINGTON, Oct. 22 (AP)—Secretary of State Acheson says the United States recognizes the "awakening national spirit" of the Middle East countries and is doing what it can to help their problems "with common sense and justice to all."

At the same time, Acheson said in an NBC television program Sunday that he is "worried" over conditions in the Middle East.

Acheson said the United States, through the United Nations, and the North Atlantic Treaty Organization, is "trying to make sure that what happens there doesn't jeopardize the rest of the world."

Russians "Find" Way To Make TV Sets In Big Way

BUDAPEST, Oct. 22 (AP)—The Latest Russian "discovery" is the art of mass production of TV sets.

The newspaper Szabad Nep declares also that Russian-made TV sets are far superior to those of the West, giving "a clear, sharp and perfect picture."

However, Hungarians have to be content with the "promise" that TV will arrive in "the near future."

HOW COULD HE MISS FAMILY? DRIVE WASTED

Absent-mindedness or his failure to look in the back seat cost a Colorado man a 175-mile drive and his daughter and grandson a two-and-a-half-hour wait in Big Spring this morning.

The unidentified motorist stopped at the French Martin Service station for gasoline about 7:30 a.m. When he got out of the car to pay for the fuel, his daughter and her infant son also dismounted.

The driver beat them back to the auto and drove to San Angelo before he realized his two passengers were missing. He immediately returned to Big Spring and picked up the pair.

"I thought they were asleep in the back seat," the red-faced driver explained.

ODDS ON LABOR DEFEAT DOWN

LONDON, Oct. 22 (AP)—The betting odds against a Labor government victory in Thursday's national election were shaved to 5 to 2 today.

This was the price quoted by a leading London handbook which one week ago was willing to give 7 to 2 that Prime Minister Attlee and his followers would not be returned to office.

Odds against Winston Churchill and his Conservatives lengthened slightly this morning to 1 to 4. A week ago they were 2 to 9 in the betting.

A better who thinks Labor will retain power can put up two dollars to win five. A Conservative backer must put up four to win one.

The slight shift in the betting was attributed to public opinion polls showing that the Labor Party is making up ground.

Youth Hurt In Collision

GARDEN CITY, Oct. 22.—David Harris of near Garden City, was under treatment in Cowper hospital in Big Spring today as a result of an early-morning traffic mishap that cost him several teeth.

He was being treated for shock as well as the missing teeth.

Young Harris, a second grade student in the Garden City schools, was injured when the car in which he was riding was in collision with another machine while on the way to school. The accident occurred on a dirt road paralleling the Garden City-Midland highway about 10 miles west of here.

Driver of the car in which David was riding was his brother, Bryant Harris, a junior student. The Harris machine collided with the rear of a car carrying Bobby Alexander, Harold Hoover and Bill Smith. Heavy dust which obscured vision was blamed for the mishap.

The Harris youth was started to the hospital in a truck, but was met about halfway by Big Spring by an Eberley ambulance which was going with a doctor to the scene of the accident.

King Arrives To Seek A Divorce

NEW YORK, Oct. 22 (AP)—Sheppard King III, whose wife has smiled benignly on his European romantic ventures, came home today to divorce her so he can pursue those ventures further.

King, Texas oil heir, said he will leave for Houston this afternoon to start divorce action against his wife, Gloria, so he can wed Samia Gamsal, Egyptian dancer.

"The very day I get the divorce, I'm going to hop off to Cairo to marry Samia," he said, adding that he hoped to get the decree in four to six weeks.

King, on a European holiday with his wife, met Miss Gamsal in a Paris night club and vowed his intentions to marry her. His wife came home ahead of him, saying she approved his plans.

His mother, Mrs. Bonner King, has threatened to disinherit him if he goes through with the marriage.

Greene Attending Housing Conference

J. H. Greene, chamber of commerce manager, was in Fort Worth today for a conference with federal housing officials concerning designation of Big Spring as a "critical housing" area.

He was to meet at 11 a.m. with W. H. Sindt, regional representative for the Housing and Home Finance agency. A brief including information on the need for an estimated 1,164 additional homes was to be submitted to the housing representative.

If necessary, Greene was to go on to Washington in connection with the request for the critical designation. Local officials hope to secure action on the request in two or three days in order to proceed with plans for a housing project at the airport.

World's Biggest Catalytic Cracker Unit In Operation

PORT ARTHUR, Oct. 22 (AP)—The Gulf Oil Company puts into operation today the world's biggest fluid catalytic cracker unit.

Towering 22 stories at its highest point, this huge 60,000-barrel-per-day refining unit will produce ingredients for aviation gasoline, materials for synthetic rubber production, high quality automotive gasoline and home heating oils.

The unit will nearly double Gulf's production of synthetic rubber ingredients.

Labor Meeting Set

DALLAS, Oct. 22 (AP)—State farm placement officials from Arkansas and Louisiana scheduled a meeting in Hot Springs, Ark., today to discuss with Labor Department officials the use of imported Mexican farm labor.

Four Arrested Following Fight

GARDEN CITY, Oct. 23.—Four men are under arrest, two here and two in Sterling City, the result of a fight between carnival men and oil field workers, which occurred some ten miles west of here at about 3 p.m. Sunday.

One man, W. D. Jones, who authorities said was in the company of the carnival people, was taken to the hospital in Midland following the scrap. Witnesses said he was beaten over the head with a hammer.

The carnival was the Hill Grader show, which had recently ended an engagement in Odessa and was on its way to winter quarters.

No charges had been filed by Walter Teele, Glasscock county sheriff, this morning. He went to Sterling City to talk with two carnival men being held there. Teele said he had been given no reason for the fight.

Grand Jury Opens Its October Term

A grand jury went into session at 10 a.m. this morning to open the October term of 118th District Court.

Judge Charles Sullivan called the civil docket and made settings for the term. However, no jury cases are to be heard during the first two weeks of the term.

The grand jury faced a fairly heavy agenda and is expected to be in session for at least two days.

Members of the grand jury are R. V. Middleton, foreman; Bill Howard, Bill Bell, J. R. Asbury, Malcolm Patterson, Rad W. R. John Stanley, Willie Johnson, Elmo Wasson, Donald Anderson, G. L. Brooks and D. C. Buchanan.

Jo Cole Leaves Post With The Health Unit

Jo Cole, formerly clerk for the Big Spring-Howard County Health unit, is to leave Tuesday for Dallas where she will embark on a career as hostess for Pioneer Air Lines.

Miss Cole is the daughter of Mr. and Mrs. O. R. Cole, 905 Abrams. She expects to fly the West Texas area with Pioneer planes and will probably be a frequent visitor to Big Spring. She formerly served as hostess for the airline, but has been clerk for the city-county health unit for the past few months.

Taking her place with the unit is Mrs. Harry J. King.

Local Woman Winner Of Ceramic Awards

Mrs. J. C. Douglas, Sr., Ruidoso, N. M., and Big Spring, captured eight first places with her ceramics at the Tri-State Fair in Roswell, N. M. last week. Her studio, Iris Hill, took 21 of 30 first places in competition. Mrs. Douglas plans to bring the winning examples with her when she and Mr. Douglas return here around Nov. 1 to spend the winter months.

Baptist Meets Open

HOUSTON, Oct. 22 (AP)—The Texas Baptist Women's Missionary Union and the Baptist Brotherhood of Texas opened annual meetings here today. The Baptist General Convention begins with a mass meeting at 7 p.m. Tuesday.

Crude Oil Demand Due To Soar In '52

HOUSTON, Oct. 22 (AP)—Demand for crude oil will soar to 7,774,000 barrels average daily in 1952, delegates to the Independent Petroleum Institute annual convention were told today.

This is 172,000 barrels daily above record level of the third quarter of 1951.

The report of the IPAA on petroleum supply and demand was presented to the group meeting by H. B. Fell, chairman of the committee.

Petroleum products demand will be an average of 6.6 per cent higher for the next six months than for the same period the previous year, the report estimated.

From Oct. 1, through March 31, 1952, gasoline demand will go up 7.8 per cent to 2,995,000 barrels daily above what it was the previous year.

Crude oil inventories of 24 million barrels, Sept. 20, were 13 million barrels higher than estimated by the committee in its last report in May, 1951.

This increase came about in spite of the Iranian oil shutdown, Fell's committee pointed out.

Third quarter 1951, supply consisted of 6.25 million barrels of domestic crude oil, 535,000 of natural gasoline imports of 52,000 barrels of crude and 247,000 of refined products daily.

This totals 7.54 million barrels daily, and it is 234,000 daily less than estimated as needed next year.

Fell said the estimates were based on continuation of present industrial activity, normal weather conditions, no new international developments and settlement of the Iran trouble by July 1, 1952.

BLASTS VATICAN APPOINTMENT

HOUSTON, Oct. 22 (AP)—An official of the Baptist General Convention of Texas says President Truman's appointment of Gen. Mark Clark as ambassador to the Vatican "is one of the most unfortunate acts of his ill-fated administration."

Dr. J. Howard Williams of Dallas, executive secretary of the convention, said this Sunday night.

"The Vatican with its 107 acres of land has no significance as a political state," Dr. Williams said. "Our government has no constitutional right to form an official relationship with any religious organization, whatever its beliefs."

Homes Hit By Burglars

Burglars raided at least three Big Spring homes over the weekend, making off with loot valued at several hundred dollars.

Biggest haul was made at the residence of N. O. Decker, 1219 E. 17th street, police said.

Decker lost clothing, jewelry, and other items valued at more than \$200. Taken Saturday night or Sunday were two pocketbooks, a revolver, overcoat, suitcase, a jewelry box containing ring and cufflinks, a table radio, watch, shirt, and pair of trousers.

Jack Alexander lost two brief cases Saturday night or Sunday when burglars broke into two north-side houses. The cases were taken from residences at 401 and 403 NW 12th street.

The two brief cases were recovered this morning. Chief of Police Pete Green reported at noon. Three schoolboys admitted taking the cases and were using them for book satchels, Green said.

Clark Called Spy

MOSCOW, Oct. 22 (AP)—The Russian press published its first comment today on the naming of Gen. Mark Clark as United States ambassador to the Vatican. It quoted the Italian Communist paper Unita as saying the new American embassy is going to be an espionage center.

How To Relieve Bronchitis

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial membranes. Guaranteed to please you or money refunded. Creomulsion has stood the test of millions of users.

Heated Fight Seen Over Vatican Envoy

WASHINGTON, Oct. 22. (AP)—A wave of protest against President Truman's decision to enter regular diplomatic relations with the Vatican promised today to touch off a heated battle when Congress reconvenes.

There was little if any criticism of the President's selection of Gen. Mark Clark as ambassador to the Roman Catholic church state. The protests, some of them from the pulpit, were from Protestants who argued that the establishment

Vatican Plans Sea Fleet And An Air Flotilla

VATICAN CITY, Oct. 22. (AP)—The Vatican — with no seaport or air field — plans to have a fleet and maybe an air flotilla.

The Holy See in a decree Sunday announced its participation in an international convention covering ocean fleets for states which have no seaports.

of diplomatic relations violates the constitutional injunction that church and state shall be separate. The United States has never had a full ambassador at the Vatican, although Myron C. Taylor served there as personal representative of Presidents Roosevelt and Truman from 1940 until last Jan. 1, when he resigned.

Last Saturday Mr. Truman announced that he had selected Clark, an Episcopalian who now is commander of Army field forces, to be ambassador.

The White House statement noted that 37 other nations maintain diplomatic representatives at the Vatican.

Unofficial comment from the Vatican indicated delight at Mr. Truman's move. That was the reaction of Catholic churchmen in this country.

Francis Cardinal Spellman of New York said the Vatican and the United States hold "identical objectives of peace."

The opposing view was expressed by Protestants all over the nation, starting with Dr. Edward H. Pruden, Mr. Truman's own pastor at the First Baptist Church here.

Rain, Snow Hit Part Of Nation

By The Associated Press

Snow, rain and some freezing temperatures appeared on the weather map today — but a large portion of the country enjoyed mild weather.

South Dakota and Nebraska had some snow — not unusual weather in the area for this time of the year. It was quite cool in most of the Plains States and the New England States.

The heaviest rain belt — with showers and thunderstorms — formed a band from the Northern Great Lakes southward to the Middle Mississippi Valley and Southern Plains States. Rains also fell in the Pacific Northwest and Georgia and Northern Florida.

Mild weather ranged from the Eastern Great Lakes southwestward to Texas.

Ely, Nev., had an early morning temperature of 20, the lowest in the nation. Other readings included Rumford, Me., 29; Chicago, 62; Minot, N. D., 22; Goodland, Kas., 31; Los Angeles 60 and Miami 72.

Rev. C. R. Love of the Assembly of God church will be in charge of services. Burial will be in the Big Spring cemetery.

Pallbearers will be her cousins. They are Harvey Weatherby, Clayton Weatherby, Clifford Weatherby, Robert Weatherby, Grover Camp and Alton Snider.

Special Service

Ben Lewis, left, captain of the winning team, got special service at a Jaycees party in Colorado City. Waiting off him is E. M. Grindstaff, captain of the losing team. While Lewis got cake, Grindstaff had to be content with humble pie. (Manis Photo).

IN DALLAS HOTEL

Local Man's Room Is Scene Of Fire

DALLAS, Oct. 22. (AP)—Occupants of the 13th floor of the 25-story Adolphus Hotel were evacuated to the hotel lobby early today when a \$12,000 fire swept through a room and hallway and damaged several other rooms.

It was the second Dallas fire in 12 hours. A wind-whipped blaze caused \$85,000 damage to a two-story building in the 4600 block of Main St. Sunday afternoon.

Two women were overcome by smoke, a man suffered head and face burns and another man, collapsed from shock in the hotel fire. Investigator D. C. Dabbs said the hotel blaze started in a room occupied by Frank Phinney of Big Spring. Phinney told investigators he had left the room about an hour before the blaze was reported at 2:58 a.m. It was not learned how the fire started.

The fire burned into the hallway

and destroyed the door panels to several rooms.

W. Sticker, 52, of Alice, a patron of the 13th floor walked down an outside fire-escape. He suffered an attack possibly from the strain and excitement, upon reaching the street and was given hospital treatment.

H. L. Borden, 45, of Philadelphia, was burned about the face and head. Investigator Dabbs said he was directly across the hall from the room in which the fire started.

Helen Inge, 28, and Louise Guyer, 23, both of New York were overcome by smoke and given hospital treatment.

The fire was brought under control at 3:33 a.m. and most of the people in the lobby returned to their rooms.

Investigators were seeking the cause of the four-alarm fire which broke out at 3:52 p.m. Sunday at the National Shirt Shop, 1600 Main St.

Ousted Tax Collector Got Extra-Special Car Trade-In

WASHINGTON, Oct. 22. (AP)—A Treasury agent testified today that Denis W. Delaney, ousted former tax collector at Boston, once obtained a new Cadillac and two new Chevrolet for \$750 and a two-year-old Cadillac. He said two dealers who supplied the new cars were in tax difficulties.

John J. Callahan of Medford, Mass., special agent of the intelligence division, Boston revenue office, related the story to a House Ways and Means Subcommittee. The Congressional group is investigating charges of corrupt practices by income tax collectors.

Callahan said Delaney went to

Ferry Street Motors, Malden, Mass., in March, 1949, and offered to trade his 1947 Cadillac on a new 1949 model with a list price of \$4,500. He offered his old car and \$250 in cash.

Callahan said Jordan Patkin, now principal stockholder of the motor company, turned down the deal, but that Delaney and a third man whom he couldn't identify, returned later and conferred with Patkin's father, Lewis, now dead.

Callahan said the younger Patkin told him his father came out of the conference and told him "they know we are in trouble and that Uncle Ruby is in trouble and they want a new car for \$250."

"Uncle Ruby" was identified as Rubin Patkin, brother of Lewis and operator of M&M Motor Sales, dealer in Chevrolets.

The investigation already has resulted in dismissal, suspension or resignation of 21 Internal Revenue agents. And the committee, headed by Rep. King (D-Calif.), has indicated its probe may be widened to cover the Department of Justice.

The Internal Revenue Bureau, meanwhile, sets out this week on the biggest job of inquiring into employes' financial affairs ever attempted by any government agency.

Officials said Sunday they have decided to require about 40,000 of the bureau's 57,000 employes to submit to a painfully detailed questionnaire which, among other things, will ask how much money they have and how much tax they've paid on it.

Released From AF

Marvin House Jr., who spent a year in the Air Force after being recalled to duty, has been released and plans shortly to return to his job at the Union Bus Terminal here.

Marvin, who held the rank of staff sergeant, spent six months at Langley Field, Va., and six months at Shaw Field, S. C., during his tour of duty.

FELLOW MUST BE DREAMING

BOSTON, Oct. 22. (AP)—Francis Curran, 34, went to bed Sunday night and when he woke up he was a trapeze act.

Curran told police he woke shivering and found himself hanging by his fingers from a window on his third floor room.

He was naked. Curran said he yelled for help but finally decided to risk a drop of about 35 feet to the ground.

Police said a patrolman found him unconscious, and a hospital reported he suffered a broken leg and cuts.

WHEN IT RESUMES IN JANUARY

Second Session Of The 82nd Faces Crowded Work Docket

By MARVIN L. ARROWSMITH

WASHINGTON, Oct. 22. (AP)—The second session of the 82nd Congress convening Jan. 8 will face a crowded work docket, topped by two continuing major problems — national defense and how to pay the huge cost of it.

The first session which ended Saturday night dealt for nine and a half months with those key issues plus a variety of others, and the lawmakers chalked up a spending record for what technically is called peacetime.

Congress went home after approving \$91 billion. That was

the figure most members used, although Senator Ferguson (R-Mich.) said \$6 billion should be added to it to cover so-called permanent appropriations — mostly interest on the national debt.

In any event, only during World War II was the total for a single year greater. In 1943 Congress voted \$147 billion, the record.

As Congress was closing up shop, Mr. Truman signed the \$5,000,000 tax-increase bill which the lawmakers sent him Friday. He said in a statement that the half loaf he got was not enough, indicating he may seek an additional increase.

In the next session, spending may run even higher than it did during the one just closed. Mobilization officials have made it clear they feel the need to get it done.

With the new tax boost unlikely to balance the budget — a deficit of about \$5 billion has been predicted — Congress appears certain to be in for more wrestling next year with the same knotty prob-

lems, taxes and the defense program.

And the lawmakers undoubtedly will have less time to devote to them in 1952. That's a presidential election year and all House seats and a third of the Senate will be at stake in the election.

At the last session, Mr. Truman fared well on defense and foreign aid appropriations but he ran into a good deal of trouble on his domestic program.

Mr. Truman asked Congress to revise the economic controls measure. The Senate passed a bill that went part way toward meeting his suggestions, but the House shelved it.

The President is expected to ask in January that it be broadened to fit his program.

The Truman "Fair Deal" legislation didn't get to first base in Congress this year, but the President said at the outset that first things would have to come first — and that meant defense and taxes to pay for it.

HOSPITAL NOTES

BIG SPRING HOSPITAL

Traffic Deaths Lead Weekend Casualty List

By The Associated Press

Traffic fatalities led the list of violent deaths in Texas during the weekend.

At least 14 died in traffic crashes and accidents, four were shot fatally and one was burned to death.

The deaths included:

Alexis L. Mapes, about 45, of Dallas, was killed Sunday when he was struck by an automobile when he ran out in the street to pick up his cat which had been killed by another car.

Mrs. Susie Bjorch, 62, was killed in Houston Sunday night in a three-car collision. Her husband, John L. Bjorch, 64, of Longview, was charged with negligent homicide and assault by automobile.

Paul Rogers, 20, of near Kilgore, was killed Sunday when his car struck an embankment three miles west of Kilgore.

Mr. and Mrs. Daniel J. Patrick of Littlefield were killed when their car overturned near Plainview late Sunday. Mr. and Mrs. Travis Weaver were injured.

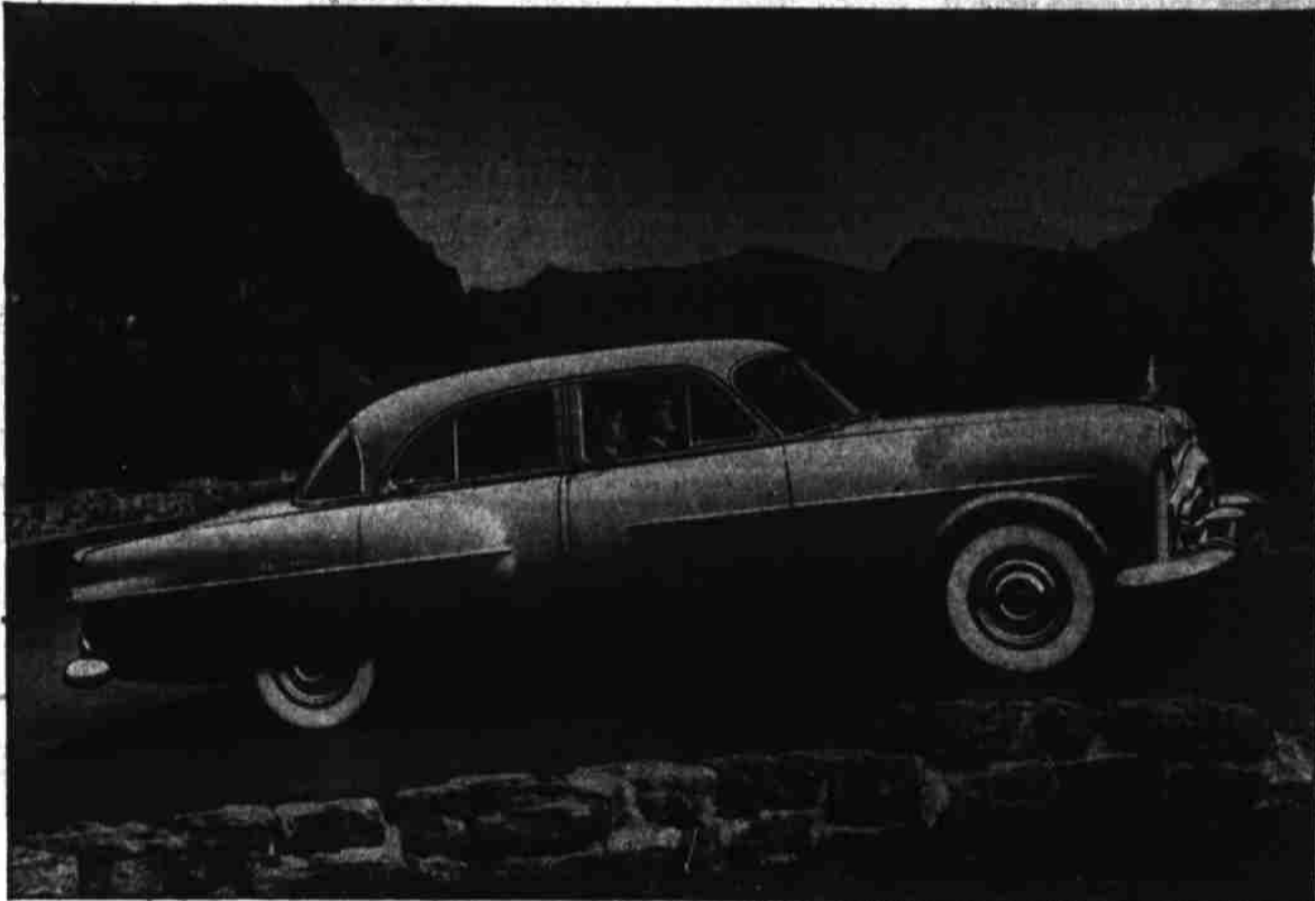

Vicki Carlene Bizzell, 19 months, was killed in a three-car collision near Lubbock Sunday. She was the daughter of Mr. and Mrs. C. O. Bizzell of Goldsmith.

George Marshall Gibson, 33, was shot fatally Friday night in Post. A charge of murder was filed against Earl Smith, 25, oil field worker.

Scottie Ann Foster, 24, Odessa High School student, was killed Friday night when the car she was driving overturned near Fort Stockton.

Lawrence L. Jinkins, about 35, Dallas Negro, was killed Saturday in an automobile crash 20 miles west of Odessa.

Benny George Dickey, 15, Beaumont High School student, was killed Saturday night when a car crashed into the rear of a parked truck.

Meet "Mr. Performance"

No other car can match it—not only for its all-around good balance of performance features, but for the exclusiveness of those features.

Exclusive: Packard Thunderbolt Power: You get the peak efficiency of America's highest-compression engines—plus the service-free simplicity of a Packard design with up to 25% fewer

working parts than in engines of comparable power.

Exclusive: Packard Ultramatic Drive! The only automatic drive that combines (1) the super-smoothness of no gear-changing when speeding up or slowing down, with (2) the positive control and quiet efficiency of no gas-wasting slippage when cruising.

Exclusive: Packard "Limousine Rides!" Cradled by Packard's own broad-beam, "self-controlling" suspension system. Adjusts itself automatically to changes in road and load.

Remember, too! Packard performance stays new. Fact: Of all the Packards built, in the last 52 years, over 50% are still in service!

It's more than a car... it's a PACKARD

Paper Ceiling And Walls Alike In Attic Rooms

By ELIZABETH HILLIER With every inch of housing space at work as it is now, rooms appear up under the eaves where there were attics before. In some of these rooms, jogs and alcoves and

dormers make very odd-shaped rooms, and ceilings slope and turn at odd angles. Mrs. H. K. G. says a third floor room at her house is so full of angles it's hard to tell where the walls end and the ceiling begins, and the main problem is where to end the wallpaper and start the ceiling color. The best answer to this question is to pay no attention to where the walls end and the ceiling begins. A contrasting color, wherever it starts, emphasizes irregularities. Wallpaper in a small, all-over pattern on both the walls and the ceiling is the wonder worker in a room like this. It goes everywhere in its cheery way, makes the walls and ceilings seem as one and brings up few problems of matching at corners or any other angle. And because it can be so colorful and interesting to the eye, it can be depended on for most of the room's decoration.

Bobby Plum Is Birthday Honoree

Mrs. Harold Plum honored her son, Bobby, on his seventh birthday with a party at her residence, 1108 E. 13th, Saturday afternoon. Mrs. Grace Davis assisted in the houseparty. "Halloween favors of candy and pumpkins were presented to the guests and the white lead cake was topped by miniature animals and yellow candles. Attending were: Carol Sewell, Judy and Terry Davidson, Jan Anderson, Ann Dalley, Butch Windburn, Tommy Clark, Danelle Williams, Janie Tamplin, Judy and Mary Flynn and Janet Kendrick.

Visit In Colorado Mr. and Mrs. E. G. Yell and daughter, Dolores, 1002 E. 4th, have returned from a visit with her parents, Mr. and Mrs. J. E. Barrett of Mancos, Colo. They were accompanied by Mr. and Mrs. Dub Green of El Paso.

MENU FOR TOMORROW

FAMILY DINNER Pork Chops Sweet Potatoes Creamy Broccoli Sliced Tomatoes Bread and Butter Cake Squares Beverages (Recipe for Starred Dish Follows) CREAMY BROCCOLI Ingredients: 1 cup boiling water, 1/4 teaspoon salt, one 10-ounce package quick-frozen chopped broccoli, 2 tablespoons butter or margarine, 2 tablespoons flour, 2 tablespoons heavy cream, freshly ground pepper. Method: Put boiling water and salt in saucepan with block of frozen broccoli. Bring quickly to a boil over high heat, separating block with fork to hasten thawing. When the water boils again, reduce heat—cover—and keep boiling actively for 5 minutes, stirring once or twice. Meanwhile put butter or margarine and flour in small bowl and rub together with back of spoon until thoroughly combined; drop into broccoli, lower heat, and stir constantly until thickened and bubbly. Add cream and re-heat gently. Season with more salt if desired, and with freshly ground pepper. Makes 4 servings.

Party Fetes Local Girl

Carol Thompson, daughter of Mr. and Mrs. D. P. Thompson, was feted with a party on her fifth birthday in the residence of her parents at 1107 E. 4th Saturday. Mrs. K. B. Howell and Mrs. M. L. Kirby assisted with the entertainment and preparations. Rainbow decorations of green, yellow, pink and blue were carried out in the multicolored cake and table accessories. Favors were suckers. Guests included Jane and Larry Smedley, Pamela Durait, Don Davidson, Johnnie Harrison, Judy Howell, Lynn and Cathy Ann Kirby, Nancy and Sandra Sessions, Joyce and Betty Henderson, Joyce Howell, Dale Cheek, Perry Thompson and Randy Harter.

Hyperion Members Attend Luncheon

The residence of Mrs. D. M. Penn was the scene of a luncheon by members of the 1948 Hyperion group Thursday. Assisting the hostess were Mrs. John Hodges, Mrs. Robert Whippley and Mrs. J. G. Tucker. During the business portion in which Mrs. C. C. Jones presided, a rummage sale was announced for Oct. 27. The club also decided to contribute to the fund for a headquarters in Austin. A program on Early American homes was featured by Mrs. G. H. Wood and Mrs. Allen R. Hamilton. Some 15 members were present.

Back Following California Trip

Mr. and Mrs. M. L. Kirby and children, Lynn and Cathy Ann, have recently returned from a two-week vacation in Vista, Calif., with Mr. and Mrs. M. R. Kirby. Also making the trip from here at this time were Mrs. Artie Kirby and Mrs. Lucy Camp.

Couple In Midland After Wedding Rites

FORSAN, Oct. 22. (Sp1)—Mr. and Mrs. Dwight Painter are residing in Midland since their marriage in that city on Oct. 12. The bride, formerly Teasle Mrs. Powers, is the daughter of Mrs. Albert Monk of San Antonio. The bridegroom's parents are Mr. and Mrs. G. F. Painter of Forsan. A graduate of Corpus Christi High school, Mrs. Painter has been employed as a secretary in the office of the State Department of Public Safety of San Antonio. Painter, who has been transferred to the department of Public Safety in Midland, was graduated from Forsan High school and also attended Tarleton Junior college, Westford Junior college and North Texas State Teachers college in Denton. He served with the US army occupation group in Japan for 18 months.

Girl Scout members were treated to a picnic recently by the Forsan Study club which sponsors 1 E scout group. Following a hayride to the Hamlin-Kirby ranch, a wiener roast and sing song took place about the open campfire. During the evening Mrs. John Sweeney told of the life of Juliet Low, founder of the Girl Scout organization. The girls also have the scout salute and promise and participated in a round table discussion of the work.

Attending were Dea Elma Grissom, Janette King, Delane Byrd, Barbara Green, Judy Masters, Glenda Whittenberg, Barbara Deah, Ginny Dee Scudday, Gaye Huerta, Betty Conger, Wilma Dunn, Susan Elrod, Opal Boyd, Frankie Bedell, Ketta Willis, Mary Lou McEireath, Carolyn Sweeney, Dorothy Boyd, Carolyn Everett, Sue Averett, Suzie Lamb, William Conger, H. K. Elrod. Mrs. Bill Conger, Jr., Mrs. Albert McAllen, Mrs. M. J. Bear-den, Mrs. E. P. Huchton, Mrs. W. C. King, Mrs. John Sweeney, Mrs. E. A. Grissom, Mrs. J. D. Leonard, Mrs. W. B. Dunn, Lanella Sullivan, Mr. and Mrs. Glenn Whittenberg and Mr. and Mrs. Hamlin Elrod.

Knitted Sock Shoes

Warm as toast, launderable because they have rug yarn soles— inexpensive and quickly knitted, these wool sock shoes are real beauties! You'll need 4 ounces of knitting worsted in American Beauty color (or a color of your own preference) and 2 skeins of inexpensive Hunter Green rug yarn for the soles. Small amounts of leftover yarns are used for the decorative, separately-made flower trim. Add a few sequins to sew onto the flowers. Grand shoes for lounging wear! Send 25 cents for the KNITTED SOCK SHOES (Pattern No. 174) sizes medium and large included, complete knitting instructions, sketches of stitches used, YOUR NAME, ADDRESS, PATTERN NUMBER to CAROL CURTIS Big Spring Herald Box 228, Madison Square Station New York 10, N. Y. Patterns ready to fill orders immediately. For special handling of order via first class mail include an extra 5 cents per pattern. When an iron falls accidentally and acquires dents or rough places there's no remedy but to have a new sole plate put on.

Living In South America

Mr. and Mrs. Charles S. Dempsey are making their home in Maracaibo, Venezuela, following a wedding trip to New York City. Married recently in Dayton, Ohio, the bride is the former Martha Whitley, daughter of Mr. and Mrs. Everett Whitley of Portsmouth, Ohio. The bridegroom is the son of Mr. and Mrs. J. D. Dempsey of Forsan.

'Daddy Date Night' Is Observed By FHA Group

Observing the annual "Daddy Date Night," members of the Big Spring High school Future Homemakers of America, took their fathers as special guests to the football game last Friday evening. The couples were seated in a special section which was indicated with a large sign, "Future Homemakers of America." Red and white streamers decorated the section and each guest wore a red and white trimmed card with the occasion and his name pinned to his lapel. Girls and their fathers attending were Ann White, Floyd White; Juanita Whit, Paul Whit; Mary Ellen Hayes, Robert L. Hayes; Mary Ella Bigony, D. F. Bigony; Gay Nell Lane, R. D. Lane; Joan McKinney, R. R. McKinney; Ava Nell Yates, Denver Yates; Patsy Reeves, Hubert Reeves. Jane Reynolds, Earl Reynolds; Jann Bailey, Walter Bailey; Patsy Hale, R. T. Hale; Janice Anderson, Andy Anderson; Joyce Anderson, Ollie Anderson; Jann Brooks, G. L. Brooks; Nell Glover, Arthur Marworth; Dolores Sneed, Morris Sneed; Viola Chandler, Alfred Chandler; Sally Brown, Sam Brown. Margaret Hurst, E. M. Hurst; Arlene Mitchell, Mr. Mitchell; Barbara Elmore, O. E. Elmore; Shirley Van Kirk, S. F. Van Kirk; Peggy Hogan, J. E. Hogan; Ann Grey, Mr. Grey and Joan Beard and H. N. Snodgrass.

LOOKING 'EM OVER

Big Spring ball carriers were losing the ball Friday night against Haskell more because the opposition were clutching at their arms than due to jarring tackles.

Look for Ed Robertson, the ex-Coahoma coach, to have one of the saltiest Class A teams on the South Plains in 1952.

His O'Donnell Eagles are fairly potent this year and most of the hands will be back next fall.

NECK CRAMPS They don't want for scores in some Nebraska six-man football games this fall.

Tulane will drop Miami, Baylor and Holy Cross from its 1952 football schedule to make room for Georgia, Georgia Tech and Santa Clara.

BEST FORMATION Most observers still think the double wing makes for the best passing formation in football, though a T man may hit those short ones more consistently.

Down through the years, SMU has used the double wing with fine results.

Charley Everett, a hard hitting back for the Flower Grove football team last year, had a chance to go to New Mexico A&M, where Joe Coleman is the range boss, but remained out to help his father farm.

Charley's sly tackle brought his team some penalties, but it was admitted he was one of the finest gridirers in the abbreviated game in this section.

When Coahoma got bowled over by Hermleigh in that all-important football game recently, the Bulldogs couldn't be blamed for an emotional letdown.

A relative of one of the boys was buried on the day of the game and all the players attended the funeral. The athletes on the Coahoma team are very close to each other, off the field as well as on.

Pro Grappler Johnny Pesek is still wrestling regularly, despite the fact that he is 36 years of age. He says he's had more than 12,000 bouts.

Boudreau Gets Post With Sox

BOSTON, Oct. 22. — The Red Sox appointed a new manager today — Lou Boudreau, who for many American League seasons was a nuisance to the Boston team.

Yearlings Play Angelo Saturday

The Junior high school Yearlings, still unbeaten after five starts, ret. to action Saturday, when they play Thomas A. Edison in San Angelo.

Nothing Certain But Death, Texas

NEW YORK, Oct. 22. — Hanging Monday's football wash out to dry, and who said there's nothing sure but death and Texas?

SHINE REMOVED

Baylor-Aggie Go Headlines Card

By HAROLD V. RATLIFF Associated Press Sports Writer The Southwest Conference divides its time this week between throatcutting at home and scalping afield.

The shine was removed from both games last week when the most complete round of upsets in football history had the coaches talking to themselves, the fans snorting at each other and the gamblers hunting holes to hide in.

Rice completed the upset picture by slaming SMU, 28-7, after being a 14 point underdog.

The conference is in a mess except in intercollegiate play. Against the powers from outside, the league has the gaudiest record in the nation — 13 victories against five defeats.

Saturday it will have a chance to make the margin prohibitive. TCU, battered but happy, journeys to Los Angeles to play Southern California, the team that ticked the nation's No. 1 eleven — California — last Saturday in Arkansas, busting its buttons over shooting down mighty Texas, plays Santa Clara at El Paso in a night game.

McKown quarterbacked TCU to whip A&M, scoring one touchdown on a 49-yard run, another on a line plunge and setting up another with a brilliantly executed on-side kick.

McKown piloted Arkansas to its smashing upset of Texas, his passing and running providing the heart of the frenzied Razorback offense.

Isbell completed 13 of 18 passes

Coach Arrested WEST LOS ANGELES, Oct. 22. — Coach Henry (Red) Sanders of the UCLA football team was arrested and booked on a drunk driving charge Sunday night.

COYOTES CATCH FIRE

Odessa And Pampa Vie In Top Game

By HAROLD V. RATLIFF Associated Press Sports Writer Odessa and Pampa meet this week in the headliner of a round of crucial conference games in the upper divisions of Texas schoolboy football.

Eight of the 18 districts of Classes AAAA and AAA have top battle counting in the championship races but the Pampa-Odessa test will be the feature because if not only involves undefeated teams but matches two of the highest-rated eleven of the state.

Odessa is ranked No. 1 by many. Another big one is the clash of reborn Wichita Falls and Texarkana in a fight that could determine the District 5 championship.

Wichita Falls 1950 defending state champion, has suddenly caught fire after a dismal start. General opinion is that if Texarkana is to be stopped Wichita Falls is the team to do it.

Lamar of Houston, which rates with the top three teams in any book, battles Jeff Davis of Houston in the fifth of two teams unbeaten in District 7 conference play.

Only four teams are undefeated and untied in Class AAAA. They are Pampa, Lubbock, Ray and Lamar. Odessa is unbeaten but has been tied.

In Class AAA, the feature games are in District 3 where Grand Prairie and Irving meet and District 6 where Fort Neches takes on

By Rouison

Rice End Bill Howton Needs No Substitute

Busy Man

A man which the high school athletic program couldn't do without is Lee Ashley (above). Lee lives at Star stadium and looks after the plant and buildings. He also drives the football bus on all the trips the Steers make.

Giants, Browns Register Wins

NEW YORK, Oct. 22. — The New York Giants, only team holding an advantage over the Cleveland Browns, take their unbeaten record to the gridiron of the once defeated National Football League top game Sunday.

The Giants, with a 13-1 tie by Pittsburgh the only blot on their record, chalked up their third victory Sunday with a great third-period scoring spurge that downed the Philadelphia Eagles, 26-24.

The Browns' defense also proved their best offense as they blanked Pittsburgh's Steelers, 17-0, for their third success in four outings.

The Bears, with Johnny Lujack coordinating his passing with the running of Rookie John Dotley, defeated San Francisco 13-7.

The Rams, exploding for all of their points in the second half, shut out Green Bay 24-0.

Sammy Baugh, playing every minute as the Redskins were on the offensive, passed for the touchdown that gave Washington a 7-3 triumph over Chicago's Cardinals and the Skins first victory of the season.

Bob Celet's aerial work was instrumental in bringing the New York Yanks from behind four times as they tied the Detroit Lions 24-24.

Douglass: Porkers Determined To Win

FAYETTEVILLE, Ark., Oct. 22. — Coach Otis Douglas said today he did nothing special to inspire his Arkansas Razorbacks for their 16-14 upset of Texas Saturday.

Scandal Tightens On Beard, Groza

CHICAGO, Oct. 22. — The octopus-like college basketball scandal tightened its tentacles on two of the game's greatest modern players today and sent cagedom's top pro circuit into an emergency session.

Former Kentucky All-Americans, Alex Groza and Ralph Beard, were to be arraigned this morning on a fugitive warrant charging bribery in a 1949 game at New York's Madison Square Garden.

The executive board of the National Basketball Association will meet in New York to consider a policy for the hard-smitten Indianapolis Olympians, from which Groza and Beard, stock-holder stars, already have been suspended.

Presented here Friday night by officers of the New York district attorney's office, Groza and Beard were expected to waive extradition in court today.

With another former Kentucky star, 1949-50 captain, Dale Barnstable, they will face bribe charges before the New York grand jury. Barnstable Sunday went from Louisville, where he coaches at a high school, to New York.

SHIPPER WINS DALLAS, Oct. 22. — Shipper W., owned by E. F. Waggoner of Fort Worth and ridden by Pine Johnson, won the open cutting horse contest at the State Fair Sunday night. He had 428 points.

WHAT A DAY!

Cal Bears, Texas And A&M See Grid Records Spoiled

By ED CORRIGAN NEW YORK, Oct. 22. — The old maxim that most accidents take place right in your own back yard is something to ponder. Ask California, Texas, Texas A&M.

They were rolling merrily along winning game after game — some from rivals all over the country — but they awoke with a start today to find their proud records smashed to smithereens by foes they expected to take into camp with no trouble.

The biggest reversal Saturday was Southern California's 21-14 victory over California, a team that had been tied only once in the past four years of regular season competition and which held a virtual stranglehold on the Pacific Coast Conference championship.

That's all over now if the Trojans can get past Stanford and UCLA, their two remaining league foes. Further, those victories would assure Southern Cal a Rose Bowl bid, which automatically goes to the conference winner provided it has not played there the previous year.

In the Southwest, where the annual mad scramble for the Cotton Bowl bid is in full swing, no one would dare make a prediction on the future after Saturday's shenanigans.

Texas was supposed to have no trouble with doornut Arkansas. The Razorbacks won, 16-14. Texas A&M was a cinch over Texas Christian. The underdogs won, 29-14. Southern Methodist was set to

Wildcat-Jacket Go May Decide Crown

By The Associated Press The Texas Conference championship may not be decided until Nov. 22 when Abilene Christian and Howard Payne meet at Brownwood.

Howard Payne has two conference victories. Abilene Christian has one. The Yellow Jackets have chalked up triumphs over Texas A&I and Austin College. Abilene Christian began defense of its 1950 crown Saturday with a 56-10 victory over the McMurry College Indians.

Howard Payne has only McMurry in its path. Nov. 19, before meeting Abilene Christian, while ACC has to get past Texas A&I and Austin. McMurry, A&I and Austin can prove stumbling blocks to both Howard Payne and ACC.

Sam Houston Meets East Texas State By The Associated Press A battle between the leaders features this week's play in the Lone Star Conference.

Sam Houston State, ahead with a 2-0 record, clashes with East Texas State (1-0) at Huntsville Saturday.

Other members of the conference take on outsiders and they all have tough games. Southwest Texas A State, which lost its first game of the season last week — 27-20 to Stephen F. Austin — clashes with Howard Payne at San Marcos.

been weaker than expected and this more than any other factor, probably has kept the Vols from going to the top in the weekly Associated Press poll.

Ohio State was the choice to win the Big 10 crown in preseason forecasts. But the Buckeyes have been staggering and after their 35-10 shellacking at the hands of Indiana, one of the Bearus have-nots, they will be lucky to make it.

Defending Champion Michigan heads the class with two wins and no losses after polishing off Iowa, 21-0. But the Wolverines still must play Minnesota, Illinois, Northwestern and Ohio State, so the race is far from settled.

In the South, Tennessee, Maryland and Georgia Tech still are in the thick of the fight for top national honors. Tennessee was the prediction for the No. 1 team in the land before the season started.

Notre Dame overpowered Pitt, 33-0; Kentucky halted Villanova's streak, 35-13; San Francisco turned back Fordham, 32-28; Dartmouth upset Syracuse, 14-6, in other major games.

Good Graves, Aid To Bob Russ At Plainview, A Local Product

When the Plainview Bulldogs come here Friday to open their District I-AAA season with the Big Spring Steers, it will be a sort of homecoming for Good Graves, who serves as Bob Russ' assistant coach.

Good grew up in Big Spring and became one of the finest guards in the history of the local school. He later attended Howard P. Payne college in Brownwood where he was a regular on the football team and then started his coaching career as a member of the local staff.

Later, he was head coach at Lakeview high school in San Angelo before taking the job at Plainview with Russ.

The Bulldogs won't come here at full strength. When Plainview rolled over Austin high school at El Paso, 36-14, last week, Quarterback Charles Lee Harris suffered a broken arm in the game.

Harris, son of the former Plainview mentor, W. C. O. Harris, has been lost to the team for the remainder of the season.

Lee Dye, Craig Silverthorne, Don Calor and Don Sutterfield scored against Austin.

Raymond Gilstrap, Big Spring end, will return to action in the game. He sat out last week's contest with Haskell due to a substantial problem but he passed his work last week and is ready to go.

Spink To Be Heard By House Group

WASHINGTON, Oct. 22. — A House committee trying to find out if organized baseball is monopolistic started today its last series of hearings.

J. Taylor Spink, publisher of the Sporting News, was called to give his views on the reserve clause.

Committee counsel indicated the head of the baseball periodical will be sounded out on other issues, such as the desirability of jury systems and the draft rules.

Newsman Challenge Judge's Trial Right

By KEITH FULLER
LAKE CHARLES, La., Oct. 22. — A New Orleans judge is expected to rule today on motions challenging his right to try five crusading Lake Charles newsmen accused of defaming 18 public officials and three admitted gamblers.

The newspapermen were indicted, Aug. 27, on charges of defaming the public officials and gamblers during a crusade against gambling.

The newsmen are Thomas Shearman, publisher of the Lake Charles American Press; his son and co-publisher William Hugh Shearman; Kenneth Dixon, managing editor; James Norton, city editor; and Carter George, court house and police reporter.

They were called up for arraignment on the charges last Monday. Before the newsmen were asked to plead, their attorneys filed a group of motions questioning the right of New Orleans Criminal District Judge J. Bernard Cocke to try the cases.

Cocke had been appointed to fill the Lake Charles district court bench in place of Judge Mark Pickrel, who is ill.

The motions claimed Cocke's appointment by the Louisiana Supreme Court deprived the newsmen of the right to be tried by a judge elected in the Lake Charles district. The district has two other judges besides Pickrel.

The newsmen were indicted, after a heated anti-gambling campaign, on charges of defaming Dist. Atty. Griffin Hawkins, Sheriff Henry Reid, assistant District Attorney Melvin Bothwell and the 13 members of the parish (County) police jury, the county governing body.

The newsmen were also accused of defaming Claude Williams, Sam Smith and E. J. Miller, three Lake Charles men who pleaded guilty to gambling charges shortly before the newsmen were indicted.

Casualties At 269
WASHINGTON, Oct. 22. — The Defense Department identified today 269 more battle casualties in Korea. A new list reported 55 killed, 184 wounded, 11 missing and 19 injured.

McCarthy Gets Two Offers For Mac Expenses

HOUSTON, Oct. 22. — Oilman Glenn McCarthy had two offers today from wealthy Texans to clear up the unpaid expenses of Gen. MacArthur's trip to Texas last June.

McCarthy, himself wealthy, gave no indication which offer, if either, he would accept.

McCarthy was chairman of the MacArthur Arrangements Committee. His figures showed the MacArthur trip cost \$8,010.55. He told the city council a donation of \$1,000 was all that had been received for the expenses. He asked, and got, \$2,500 from the council.

Houston Mayor Oscar B. Holcombe wrote the mayors of Dallas, Fort Worth and San Antonio suggesting they might like to pick up part of the check. The famous general also visited those cities.

No answer has come from the three cities.

Oilman H. R. Cullen of Houston, chairman of the MacArthur Reception Committee, offered Friday to pay any or all of the unpaid expenses.

The other offer came from Sam E. Wilson Jr., wealthy independent oil man of Corpus Christi. The Houston Post received a check for \$5,010.55 from Wilson with this condition:

"To be used in paying the balance of expenses incurred only by the visit of Gen. Douglas MacArthur to Houston, Tex., if the person responsible and the City of Houston refuse to pay the balance of 5,010.55."

TEXAS BRANDS MOOR

Another man who utilized his entire name as a brand was F. Moore who gave as his post office Concho and his range as being in Mitchell County. In the early '30s Mr. Moore had about 1,600 head of cattle on his Mitchell county range bearing the brand MOOR. He was one of the hundreds of cattlemen who used the flats and breaks of the Colorado and Concho country as his ranch.

Texas Girl Is Talent Winner; Seeks Eyesight

NEW YORK, Oct. 22. — This is the story of a young Texas girl, the piano-playing winner of a television talent program.

Her prize was a trip to Hollywood, but she was brought to New York instead. She wasn't choosing between a movie career and a Broadway concert career. Her choice was a chance for eyesight.

Nanette Tyson, 21, has been blind since birth. The Dallas typist will be examined today by Dr. Ramon Castroviejo, a corneal transplant specialist at St. Clare's Extension Hospital.

She arrived Sunday with her mother and Seeing-Eye dog, "Hope." Miss Tyson said she was "very excited" and "very hopeful."

The sightless girl, who learned to play the piano and to type while in school and at college, said she had been treated here about two years ago and had been saving up ever since for corneal transplant operations.

When she won the TV talent program last week (sponsored by Vitamin Corporation of America), the chance she had been waiting for had arrived.

Piano Tips Over And Kills Youth

LEVITTOWN, N. Y., Oct. 22. — At the modern public school here, where the St. Francis Episcopal Church meets, virtually everything is new — but not the upright piano.

After Sunday School class Sunday, several children climbed up on the piano to play.

The upright, standing on three casters and a book, suddenly tipped over — and crushed to death five-year-old Jennifer Ann Hume, the daughter of an Air Force staff sergeant.

Red POWs Missing

WASHINGTON, Oct. 22. — Russia has failed to account for up to three million men and women prisoners from World War II, the State Department's "Voice of America" said Sunday in an overseas broadcast.

Virus Hits Dewey

ALBANY, N. Y., Oct. 22. — A virus infection has forced Governor Thomas E. Dewey to cancel all engagements for the next few days.

Venezuela Quells Short-Lived Revolt

CARACAS, Venezuela, Oct. 22. — Venezuela's military government put down the second unsuccessful revolt in nine days Sunday. It announced that one person was killed, two were wounded and 40 taken prisoner in a dawn rebel attack on an officer's training school near Caracas.

Attempts also were made to bomb the transmitters of three Caracas radio stations. Sunday night, however, the National Press office announced that order had been restored.

Urges Youth Prayers

NEW YORK, Oct. 22. — Francis Cardinal Spellman urges six million Catholic Youth Organization members to offer daily prayers this week for youth behind the Iron Curtain.

Cool And Cloudy

MEXICO CITY, Oct. 22. — Skies were partly cloudy Sunday. And the thermometer ranged from 46 to 74.

Police Search In Vain For Bomb In Stork Club

NEW YORK, Oct. 22. — Two anonymous tips that the fashionable Stork Club would be blown up brought police squads to the restaurant twice over the weekend. Both times, emergency squads

went through the eight-story building housing the club, but they found no explosives. The first scare was Saturday night, the second Sunday. One caller said the club would be bombed because it refused to admit Negroes.

Singer Josephine Baker, a Negro, has complained that she was ignored by Stork Club waiters when

she visited the place last Tuesday. Meanwhile, police bomb squads received another workout Sunday night after an anonymous telephone caller told of a time bomb at Pennsylvania Station. Officers searched for four hours without finding an explosive.

On Friday, a similar bomb scare sent police squads to City College of New York for a five-hour search.

A Statement To The Public

About The
TEXAS MOTOR VEHICLE SAFETY-RESPONSIBILITY ACT

There has been, and is being, a great deal of erroneous information circulated about the Texas Motor Vehicle Safety-Responsibility Law which goes into effect January 1, 1952. It is to your advantage to learn exactly what the provisions of this law are. Your own home insurance agent is a man in whom you can have confidence for consultation.

For an intelligent and correct explanation of insurance which will meet the requirements of this law, we ask you to see your LOCAL INSURANCE AGENT
