## Site Based Management Program To Be Implemented

Groom Schools will be pioneering a new system of management this fall. Called the Site Based Management System. It was implemented to a limited degree last year.

"Essentially, it will turn the pyramid over," said Groom ISD Principal Judy Babcock, "making the broad base of students, teachers, parents and tax payer, empowered to analyze data, set goals and make recommendations to the policy making group...the board."

Although it does not lessen the authority of the board in any way, the plan will provide a network of information and data that

will help the board be more informed on the needs and priorities of the students, teachers, and the faculty itself.

A team will be elected and appointed that will do the majority of the work throughout the year. The task force will include the campus Principal; four teachers, who will be elected by the other teachers of Groom ISD; two community residents, who do not have children in school, and two parents. The parents and community members are appointed by the principal.

Judy Babcock stated, "We are looking for people to serve right away. Training is provided at the Service

Center in November. Anyone interested in serving would need to be able to attend this training as well as attend meetings during the school day throughout the year."

Anyone who fits the above criteria may call Mrs. Babcock at 248-7474.

The mission of the Site Based Management Team is their commitment to improve student outcomes. Some of the objectives that were set last year were: To purchase software for tutorial use for the purpose of helping students gain skills to master the TAAS Tests; maintain a 22.1 on the ACT Test; maintain a See School, pg. 3

*Groom Elementary Has Spirit! After a week off all three teams are back in action! Groom Junior Varsity at Sannorwood Thursday at 6:30 p.m. Varsity will play Friday night at Sannorwood at 7:30 p.m. Junior High scrimmaged each other Tuesday night due to the cancellation of their game.*

## 27th Annual Square House Museum Day Saturday

Saturday, October 3rd, the 27th Annual Museum Day at the Square House Museum in Panhandle, will be a day of non-stop activities for the whole family. Everything except the barbecue is free.

9:00 a.m.

The Country Store opens at the County Agriculture Building, east of Highway 207 on 4th Street. There will be homemade foods and crafts of all sorts, and you are sure to come away with something. The Country Store is open all

day and evening, so come by whenever you arrive, before you leave, or for some midday browsing.

The Square House Museum complex will be open from 9:00 a.m. to 9:00 p.m., and there are two special exhibits for your viewing pleasure. In keeping with the day's theme of "Coronado and the Age of Exploration," there is a display of the art and craft of the Tejanos, Texans of Mexican descent. On loan from the Conner Museum in Kingsville, this

exhibit includes leather and metal horse gear, all made by hand and showing the native skill and designs of the South Texas vaquero. Also part of this exhibit are knives, toys, tatted and crocheted pieces, quilts, and religious items. "Tejano Folk Arts and Crafts" is on display in the Hazlewood Arts and Education Building.

Several craft demonstrations are planned for the Tejano exhibit area. Jim Williams of Panhandle is scheduled to do some

rawhiding between 9:00 and 10:30 a.m., and visitors are welcome to come watch and try their hand at this cowboy skill. A demonstration of rope braiding is currently planned for 3:30-5:00.

From halfway around the world comes a collection of far eastern horse trappings, loaned by Dr. William Price of Amarillo. These colorful saddle blankets and other woven horse coverings are beautiful examples of the art and craft of the Central See Museum, Pg. 6

### Elevator Opening To Employ 4

Groom will be the new home of Mora Grain Co.! Owner, Mike Smith who also owns half interest in Tejas Feeders of Pampa, has purchased the old R.G.M. complex. Penny Brooks, manager stated, "We plan to hire 4 or 5 local people." The News hopes to have more on this next week.

## Community Calendar

**GROOM CITY** Council will meet on Tuesday, October 6th. A couple of the items to be on the agenda are insurance on the Community Building, and use of the Witt Building.

**CROSS COUNTRY** Girls track Team will attend an invitational meet on October 10 at Wheeler. The District meet will also be at Wheeler on October 21.

## Amarillo News Media Comes Knockin' Only To Find Local Support For Paramount Pictures

Word travels fast in Groom, as in most towns, when there is controversy in the air. Last Wednesday morning Groom found itself on the front page of the Amarillo newspaper. The story depicted a couple of Groom residents very unhappy with its experience last summer with Paramount Pictures.

In particular the four column headlined story, said Bill Riley and Herman

Leven, owners and renters of the motel complex where much of the movie was centered, "regrets the whole experience." "I wouldn't do it again - no way, absolutely no," said Bill Riley in the newspaper's story. Riley said that Paramount still hasn't paid him \$2,000.00 the movie studio owes him for damages to several of the motel's rooms.

Herman Leven said in the story that he is in a

similar bind because he was leasing the motel and bar from Riley and the movie studio agreed to pay Leven \$1,000.00 a month to lease the motel and bar, \$500.00 a week for lost business, plus utility bills and any damages to the motel and bar.

Riley told The Groom News Monday he knows he has made some local folks mad at him but he is the one that has not been paid for the damages to his motel. He has since taken the motel back over from Herman Leven and plans to have the motel in top shape in a month. He asks only for the damages he says is "out of pocket cash", \$2,000.00 on the repair of the motel rooms. He has been paid the rent amount agreed upon initially for the

three months by Paramount Pictures.

Paramount Pictures' location manager Michael Charske called The Groom News Wednesday from El Paso after the story hit the streets to find out what was going on. Charske said he had been called from Los Angeles and it sounded like to him that Groom was forming a lynch mob.

Charske said "These folks had all signed the contracts to the payments agreed upon at the time and he was never aware of anyone being unhappy at the time Paramount left Groom on July 30. "A small office manned by Kate McCartney, also a location manager for Paramount, remained behind for approximately a week in Groom to tie up See Movie, Pg. 3

**A COLLEGE DAY** has been planned for October 7th from 5:30 p.m. - 7:30 p.m. at the M. K. Brown Auditorium. Seniors, Juniors and their parents are invited. Several different colleges will have catalogs and other information as well as representatives in attendance.

**GROOM** Cheerleaders will hold a Pep Rally Friday, at 10:15 in the High School Gym.

**OCTOBER 13** is the next Groom ISD School Board meeting. Watch the Groom News for some of the agenda items.

**SQUARE HOUSE** Museum will host Museum Day Saturday, October 3 at 10:30 a.m. The Conway Church will be dedicated.

**SCHOOL PICTURES** will be Thursday, October 8 beginning at 8:30 a.m. Preschool pictures will be taken between 10:00 and 10:30 a.m. Packets will be sent home with students on Friday, October 2 to be returned Tuesday, October 6. Football and cheerleading pictures will also be made.

**ELECTION** of a soil and water conservation district director to serve in Zone 4 on the McClellan Creek District is scheduled for October 8th at the Soil Conservation office at 10:00 a.m.

100% graduation rate; increase enrollment in advanced courses to 3%, and maintain student attendance at 97.7%.

Other processes the team will analyze are the curriculum, staffing patterns, school organizations, budgeting and goal setting.

Once the team is in place, there may be a need for short term committees to study a specific area. If interested be sure to let Mrs. Babcock know.

Although mandated in Senate Bill I - School Reform, the school administration is excited about the teams formation.

"We feel it will be a real asset to our students, school, teachers, and board," said Babcock.

**MOVIE**

any business left undone.

A majority of Groom residents were quick Wednesday afternoon to come to Paramount's defense saying the movie production experience was a "great one."

Jan and Howard Britten worked with Paramount and they said they were paid and had no regrets.

Jim Moraniec, owner of Mighty's, worked closely with Paramount both while in Groom and in Dallas and he said "I've received every penny."

Tony Treadwell, President of Groom's Economic Development Corporation, said then and now that the majority of the people in

Groom were satisfied with their treatment by Paramount.

Treadwell said, "It totally upsets people in Groom what Paramount might think about the article in the Amarillo paper."

Treadwell noted some of the financial benefits to Groom were thousands of dollars to various Groom programs, such as \$2,000.00 to the summer baseball program that will be used to put a roof on the baseball park, \$2,400.00 to the Groom Fire Department for use of the water trucks and Groom School was paid \$10,000.00 for the use of their facilities. Treadwell also emphasized the hiring of local people around the area and the money spent in local businesses.

The Amarillo news media particularly the Globe-News and KAMR, Channel 4 seemed upset at Paramount for the restrictions placed upon them by Paramount and the Department of Public Safety at the time of shooting the film. Cameraman for KAMR told The Groom News, "We were not allowed to come into Groom when they were shooting the movie. I was told that if I did not turn around I was going to be arrested."

KFDA reporter Rich Vaughn told The Groom News last summer he was

unable to get interviews with Paramount or the actors.

Also last summer, Sonny Bohannon of the Globe-News told The Groom News he too was finding it very hard to find out much about the movie because the publicist of Paramount, Vic Heutschy was not very cooperative.

**SPORTS NEWS**

Chy Phillips will be out of football for an undetermined amount of time after he had an emergency appendectomy last week.

Of the six man local teams in the area that are ranked in the top 10 . . . 3rd ranked Valley (4-0) beat Smyer 66-22 and 7th ranked Lazbuddie (4-0) beat No. 2 Christoval 42-6.

Groom is ranked No. 1 by virtue of it's undefeated record this week. Groom will face Samnorwood this week and begin district play next week against Higgins.

## Carson Co Sheriff's Report

By Sgt. Loren Brand  
The Sheriff's Department relayed ten 9-1-1 calls to various agencies over the past week. The calls dealt with grass fires, a car fire, medical emergencies and requests for assistance.

Six persons were arrested and confined in the Carson County Jail. Two were incarcerated for DWI, two for Possession of Marijuana, one for Public Intoxication and one for warrants from Amarillo.

Deputies investigated a report of a woman hallucinating at a service station on I-40. On arrival, the officer called for an ambulance and the woman was transported to Amarillo for treatment. Deputies received a report of stolen riding lawn mower in Fritch and located the property in Borger. The matter remains under investigation with regards to charges against the person in possession of the property.

Sheriff's deputies responded to a variety of motorist assistance calls and reports of suspicious persons. Deputies and the Texas Highway Patrol investigated a reported one-vehicle, non-injury accident on I-40.

The Carson County Sheriff's Department is continuing its investigations of several reports of sexual assault and indecency in Carson County. The cases are being investigated with the assistance and cooperation of the Panhandle Police

Department, the Department of Human Services and the District and County Attorneys.

Carson County deputies met with a Randall County deputy to assist in locating a subject on release from the Randall County Jail. The subject was located and equipped with a monitor which will notify Randall County if the subject is not

complying with the regulations regarding his work release.

The Carson County Jail is currently holding six inmates. Two are incarcerated for Parole Violations, three for DWI and one for Rape/Indecency with a Child.

## Football Schedule Revisions

Please note these changes and/or additions to the football schedule.

Oct. 9, Varsity will play Miami there at 7:30 p.m.

JV will face Samnorwood again on Oct. 8, here at 6:30 p.m.

The Junior High only had one change. They will play Follett October 23 there at 5:00 p.m.

## Sharp

### Shooters Compete

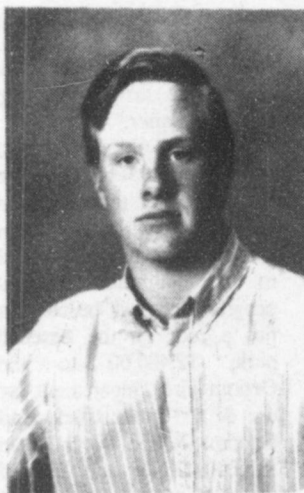

Carson County Sharp Shooters traveled to Amarillo this past Saturday and Sunday to compete in the "Texas State Rifle Association State Championship". The smallbore rifle-outdoor prone match was sponsored by the Amarillo Rifle and Pistol Club.

Shooters competed in a total of 10 matches. Those participating from Groom were: Caleb Pool, Michael Stephens, Jason Prather, Michael Lewis, Jeremy Lewis, and Dara Whatley.

Results of the matches are as follows: Second Place-Michael Lewis with a total of 3124 points and 141 bulls eyes; Jeremy Lewis in fourth place with a total of 3039 points and 67 bulls eyes; C.J. Whatley in sixth place with a total of 2711 points and 31 bulls eyes; Michael Stephens-seventh place with a total of 2400 points and 17 bulls eyes; Jason Prather-ninth place with a total of 1349 and 3 bulls eyes; Caleb Pool-12th place with a total of 880 points and 3 bulls eyes; (Caleb was only able to shoot one day or his total would have been much higher).

Some of the above shooters named will be traveling to Secora, New Mexico on October 24 for prone match. Groom can be proud of these young men, they are representing Groom very well and putting Groom on the map as far as NRA matches are concerned.

## Kuehler Attends WTSU

West Texas State University is the school of choice for many valedictorians from schools in Texas, Oklahoma, and New Mexico. The WTSU freshmen class has 21 valedictorians of their respective schools' graduating classes.

One valedictorian attending WTSU is Nicklaus Kuehler, a graduate of Groom High School. Kuehler, is an agriculture

engineering major and says that he has enjoyed WTSU.

"I knew it was a good school and the fact that it is affiliated with Texas A&M was important to me," Kuehler said when asked what attracted him to

WTSU.

Lila Vars, WTSU director of admissions, says that one reason so many area valedictorians attend WTSU is because of the recruiting process.

"We really recruit valedictorians and other outstanding students from our area because we feel that they fit well into our University," she said.

The state of Texas allows valedictorians from across the state to attend universities in the state tuition-free for one year. This provides an incentive for the top graduates to remain in the state.

## Christian Mothers Meet

The Christian Mothers and Altar Society met Monday, September 28, at St. Mary's Hall for a salad supper meeting and fellowship.

## Horace Allen Williams

Horace Allen Williams, 72, died Thursday, Sept. 24, 1992.

Services were Saturday in the United Methodist Church with the Rev. John Dorn, pastor, and the Rev. Terry Templin, pastor of Clarendon United Methodist Church, officiating. Burial was in White Deer Cemetery by Carmichael-Whately Funeral Directors.

Mr. Williams, born in Wellington, moved to White Deer in 1931 from Groom. He married Mary Louise Koetting in 1942. He served 12 years in White Deer as alderman and then mayor. He was employed by Dorchester Gas Producing Co. for more than 35 years and served as assistant plant superintendent. He retired in 1984.

Mr. Williams was a member of the 90th Division, which landed on Utah Beach and ended up in Czechoslovakia during

World War II. He was a past scout master and a charter member of the White Deer Lions Club. He was a member of the Veterans of Foreign Wars, where he was past president.

Survivors include his wife; two sons, Frank Allen Williams of McAllen and Dr. Donald L. Williams of Clarendon; a daughter, Lynette Russell of Carthage; three brothers, Alvin C. Williams and Clifton William, both of White Deer, and Oscar Lee Williams of Hereford; a sister, Opal Howard of White Deer; nine grandchildren; three stepgrandchildren; and a great-grandchild.

The family requests memorials be to the Hospice of the Panhandle, Box 2782, Pampa, Texas, the White Deer Senior Citizens or a favorite charity.

from the Albuquerque State Fair caught on fire on IH-40, mile Post #93 while enroute to Tulsa. The van exploded into flames and the nearby field was also ablaze until the Panhandle Fire Department was able to put it out. DPS assisted Carson County Sheriff's Office. The incident was investigated by Sgt. Brand of Carson County. No one was injured in the incident.

On September 28th two men were arrested after a routine traffic stop for no tail lamps. The driver currently residing at the Golden Spread Motel was arrested for DWI. The passenger, also staying at the Golden Spread was arrested for a Probation violation our of Cooke County, Texas. Both subjects were working for a local proprietor prior to being stopped on Front Street in Groom.

## DPS Report

### As The Interstate Turns...

By Joe Longway

Well another week has gone by, and just when you think things are slowing down it sure can get busy.

On September 27th an unidentified grey vehicle failed to negotiate the curve on the IH-40 service road next to the large rest area at mile Post #87. The vehicle struck a light pole and fled the scene. While bystanders were attempting to remove the light pole from the interstate an Amarillo woman ran over the pole causing damage to both right side tires and rims. No one was injured and no citations were issued.

Asian horse nomads of Mongolia and Tibet, and they complement the handmade horse gear of the New World's premier horsemen, the cowboys. These pieces have never been on exhibit before, anywhere! but they will be in the Purvins Gallery of the Square House on Museum Day.

Following Museum Day both exhibits will be available for public viewing through the first week in November.

10:30 a.m.

The Conway Community Church, moved into the Square House complex for last year's Museum Day, will be opened to the public this year. Volunteers have been working all year to restore the church. Plans call for a ribbon to be cut by Louise Orr, one of the oldest living Conway Church parishioners. Inside will be artifacts and photographs spanning the decades of church use since its construction in 1912.

High School auditorium includes the presentation of awards to the Museum by the Texas Historical Commission, the Bones Hook Memorial, Dr. Frederick Rathjen speaking on "Coronado and the Age of Exploration," and the premiere of "Coronado: The Search for Quivira," the Museum's newest historical video.

3:30 p.m.

The highlight of the 34th Annual Pioneer Day is the Pioneer Reception, held in the War Memorial Building.

4:30 p.m.

The Barbecue is open! The County Agriculture Building is the scene of great food, prepared and served by dedicated volunteers. Eat it there and listen to the music of the Good Timers, or take it away. The Girl Scouts will help you get some food, if standing in line becomes too physically taxing. While you're waiting, don't forget the Country Store. Barbecue meal tickets are \$7.00 for adults and \$3.00 for children under 12, and all proceeds benefit the Square House Museum.

## More Homecoming Highlights . . .

Pictured are some of the Sixth Grade students waiting their turn to perform at the recent Homecoming Pep Rally: D. J. Basham, Rachel Galley, Vanessa Glass, Destiny Kirkland, Chantell Hicks and Sara Brown.

McLean students gathered to rally around the Tigers for their homecoming game recently. Most of the student body was involved in some way with homecoming activities.

A special fight song, "Tigers, Tigers, Win! Win! Win!" was presented by the McLean Grade School students at the

### Homecoming Pep Rally.

D. J. Basham paid tribute to the coaches and the football team. He introduced the Sixth Grade cheerleaders and drummers. Special thanks were given to Band Director Jerry Sparks for recording the musical accompaniment.

The cheerleaders are Sara Brown, Melissa Foshee, Victoria Bradley, Rachel

Galley, Vanessa Glass, Chantell Hicks, and Destiny Kirkland. They used pom-poms in their routine as they led the "fight song."

The drummers are Sy Brown, Rickie Jasper, and Scott Glass.

This performance was an outgrowth of the Summer Fun: Learning Activities and was directed by June Close.

## Lion's Cookout Deemed A Success

Pictured left are Chuck Hill, Cherry Aldridge and Texas Buckhaults at the recent Lion's Club Hamburger Cookout. Picture Right are Bobbie Stalls, Margaret Milam, and Maudine Rutherford as they go through the line for the Cookout.

The McLean Lion's Club hosted a hamburger cookout on Monday night, September 21st at 7:00 p.m. Regardless of the wind and dirt blowing the club members were at work cooking hamburgers and hot dogs. The wind did lay some and everyone enjoyed the delicious hamburgers, hot dogs and all the trimmings. They also served chocolate cake and watermelon.

### Gray County SWCD Zone 4 Director Election To Be Held

An election of a soil and water conservation district director to serve in Zone 4 on the Gray County Soil and Water Conservation District Board is scheduled for Thursday, October 8 at the Gray Co. Courthouse Annex, Pampa, announced Troy Ritter, Chairman of the Board. The election will be held at 7:00 PM.

State law decrees that to be eligible to vote in a soil and water conservation district director election, a person must own agricultural land within the district where the election is being held. The person must also live in a county all or any part of which is in the district and the voter must be 18 years old or older.

Legal qualifications state that a candidate for the office of a soil and water conservation district director must own land in the zone of the election, be 21 years of age, and be actively engaged in farming or ranching. He must also live in a county all or part of which is in the district. Soil and water conservation district directors serve four-year terms of office.

Zone 4 of the district includes an area from a line beginning at the northeast corner of Gray County going south along the county line 7 miles, then west along the section line 15 1/2 miles, then north 7 7/8 miles to the county line, then east along the county line back to the northeast corner of Gray County.

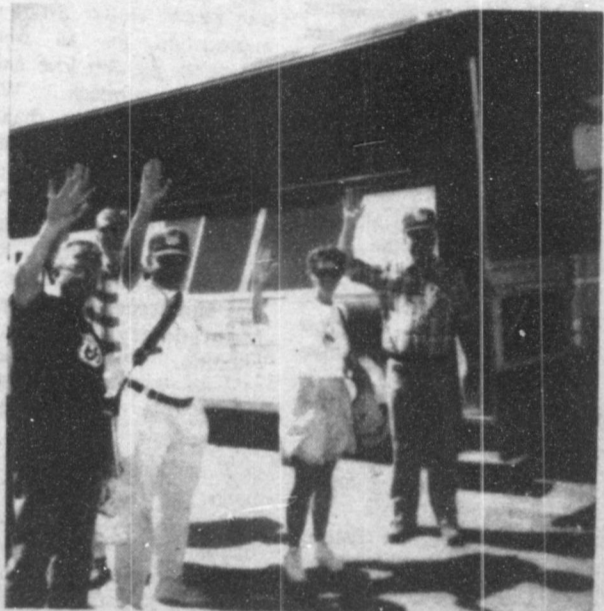

Current members of the Board of Directors of the Gray County SWCD are Troy Ritter, Chairman, Terry O'Neal, Vice-Chairman, David Bowers, Secretary, Jim Shaw, Member, and Tony Smitherman, Member.

The purpose of the Gray County SWCD, with headquarters in Pampa, is to promote sound soil and water conservation progress on farm and ranch lands within the District, and to serve as a voice for farmers and ranchers on conservation matters.

The District Board of Directors coordinates the conservation efforts of various local, state and federal agencies and other organizations and has authority to enter into working agreements with these governmental agencies and private concerns to carry out its purposes.

## Route 66 Tour Stops At McLean's Museum

Giovanni Route 66 Tour Bus visited the Devil's Rope Museum and Old Route 66 Room and Gift Shop was the best on the trip, so far. Several members of the tour group accompanied by Mr. Giovanni from California, the president of the Illinois

Association, who has been here several times.

They insisted our 66 Room and Gift Shop was the best on the trip, so far.

Several promised to return at a more leisurely pace so they could spend more time.

## Poker Run Tour Planned

The McLean-Alanreed Museum's will host a historical tour, poker run, of the areas around the McLean-Alanreed vicinity.

The fundraising project is expected to take about 2-3 hours and is intended for those who are interested in the fall foliage and the history of the area. Some of the points of interest on the tour will be the restored Phillips 66 Station, Prisoner of War Camp, Kellerville Oil Derrick, historical markers at the first Gray County Post Office and the Indian Battlefield, the Petrified Wood Home and the Whitefish Creek Bed & Breakfast Establishment.

The event will occur on Saturday, October 10th at 9:00 - 11:00 a.m. Concessions will be from

11:00 - 1:00 p.m. on McClellan Creek. A prize of \$25.00 will be awarded for the best Poker Hand at 3:00 p.m. at the Museum. Maps for the Poker Run are \$5.00. Maps for the tour are \$3.00.

Everyone is invited to come out and join the fun!

## Public Notice

Southwestern Bell Telephone Company, in accordance with the rules of the Public Utility Commission of Texas (PUC), hereby gives notice of the Company's intent to implement a new schedule of telephone rates in Texas for optional Custom Calling Services and Touch-tone service, effective March 15, 1993, unless otherwise determined by the PUC.

These proposed rates will not increase or decrease the Company's overall revenues; the net effect will be neutral to the Company's annual revenues.

The Company proposes to decrease the rates for Touch-tone service for residential customers from \$1.00 to 68 cents, and also to reduce the Touch-tone rates for business customers from \$1.75 to \$1.70. In addition, the Touch-tone rates for business PBX trunks will be reduced from \$3.15 to \$2.18.

This proposal to decrease the rates for Touch-tone service does not change the commitment that the Company made in the Docket No. 8585 Stipulation to reduce the rates for Touch-tone service in 1993.

The Custom Calling Services affected by the Company's application are optional telephone service arrangements that provide the following features: Call Waiting, Call Forwarding, Three Way Calling, Speed Calling-8 and Speed Calling-30. Following are the feature combinations and their current and proposed rates.

One Feature per line	Residence		Business	
	Current Rate	Proposed Rate	Current Rate	Proposed Rate
Call Waiting	\$2.10	\$2.85	\$2.65	\$3.25
Call Forwarding	2.10	2.10	2.65	3.50
3-Way Calling	2.10	2.10	2.65	2.50
Speed Call-8	2.10	2.10	2.65	2.50
<b>Two Features per line</b>				
Call Waiting, Call Forwarding	3.75	4.25	4.75	6.00
Call Waiting, 3-Way Calling	3.70	4.25	4.75	4.75
Call Waiting, Speed Calling-8	3.70	4.25	4.75	4.75
Call Forwarding, 3-Way Calling	3.70	3.50	4.80	5.00
Call Forwarding, Speed Calling-8	3.70	3.50	4.75	5.00
3-Way Calling, Speed Calling-8	3.70	3.50	4.75	4.00
<b>Three Features per line</b>				
Call Waiting, Call Forwarding and 3-Way Calling	5.30	5.65	6.90	7.50
Call Waiting, Call Forwarding and Speed Calling-8	5.30	5.65	6.90	7.50
Call Waiting, 3-Way Calling and Speed Calling-8	5.30	5.65	6.90	6.25
Call Forwarding, 3-Way Calling and Speed Calling-8	5.30	4.90	6.90	6.50
<b>Four Features per line</b>				
Call Waiting, Call Forwarding, 3-Way Calling, Speed Calling-8	6.90	7.05	9.00	9.00
Speed Calling - 30 code capacity	3.20	3.20	4.25	3.20

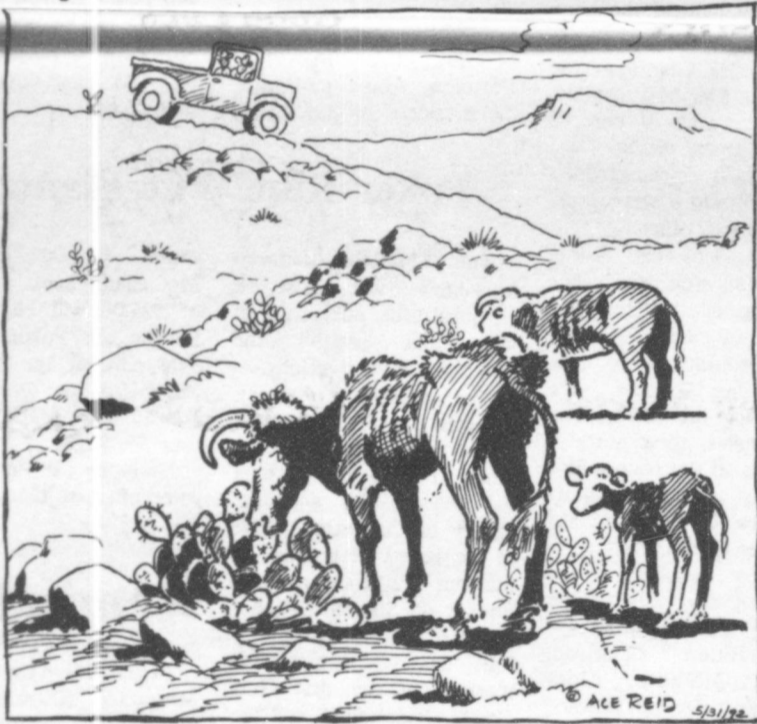

Most of the Company's residence and business customers who subscribe to Custom Calling Features and Touch-tone service will be affected by the proposed rate restructuring.

It is expected that the restructuring of Custom Calling Features will result in a rate increase for approximately 2.9 million residence customers and 280,000 business customers. The reduction in rates for certain Custom Calling Services and Touch-tone Service will affect approximately 4.3 million residence customers and 1.7 million business customers.

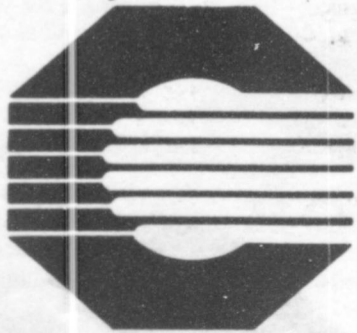

This rate restructuring is expected to have a "revenue-neutral" effect on the Company's annual revenues. The proposed rate restructuring of Custom Calling Services will increase the Company's annual revenues by \$19.8 million; while the reduction in Touch-tone rates will decrease the Company's annual revenues by \$19.8 million.

This proceeding has been designated Docket No. 11382. Persons who wish to intervene or otherwise participate in this proceeding should notify the PUC as soon as possible. The deadline to intervene is October 30, 1992. A request to intervene, participate or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the PUC Public Information Office at (512) 458-0256 or (512) 458-0221, teletypewriter for the deaf.

**SWCD**

All conservation programs managed by the District are of a voluntary nature to the landowner or operator. The Gray County SWCD #125 does not discriminate on the basis of race, color, national origin, sex, religion, age or disability in employment or in the provision of services.

Persons with disabilities who plan to attend this Director Election, and who may need auxiliary aids or services such as interpreters for persons who are deaf or hearing impaired, readers, large print or braille, are requested to contact Shonda Meadows at 806-665-1751 two (2) work days prior to the Election so that appropriate arrangements can be made.

**Riley Attends WTSU**

West Texas State University is the school of choice for many valedictorians from schools in Texas, Oklahoma, and New Mexico. The WTSU freshmen class has 21 valedictorians of their respective schools' graduating classes.

One valedictorian attending WTSU is Misty Riley, a graduate of McLean High School. Riley, a pre-law major, has enjoyed the time she has spent at WTSU.

"WTSU is close to home, and I knew that it had really strong academic programs," Riley said when asked why she chose to attend WTSU.

Lila Vars, WTSU director of admissions, says that one reason so many area valedictorians attend WTSU is because of the recruiting process.

"We really recruit valedictorians and other outstanding students from our area because we feel that they fit well into our University," she said.

The state of Texas allows valedictorians from across the state to attend universities in the state tuition-free for one year. This provides an incentive for the top graduates to remain in the state.

## Public Notice

Southwestern Bell Telephone Company has asked the Public Utility Commission of Texas (PUC) for approval to offer new optional call management services called Caller Identification Service (Caller ID) and Anonymous Call Rejection (ACR).

Caller ID is a new optional phone service which allows subscribers to see the phone number and/or name of most local calls before they answer the phone. Caller ID also allows the recording of the date, time, name and/or phone number of calls. Currently, Caller ID would work only on most local calls, not long distance calls. It would also require that a separate display unit be connected to the telephone. These units that attach to the telephone will be available from various retail vendors, including Southwestern Bell, at a cost starting at approximately \$50.

Southwestern Bell is also proposing that all customers be able to "block," or stop their name/number from being transmitted and displayed on a Caller ID device, free of charge. You would have this option of "blocking" your name/number on each call free of charge. There would be no need to subscribe to this service. All customers would have this capability when Caller ID is introduced in their area.

If you want to block your name or number, you need only press \*67 on your touch-tone pad (or dial 1167 from a rotary phone) before dialing the telephone number. The person you're calling would see displayed a message such as "private" or "anonymous" on their Caller ID display unit.

Southwestern Bell also proposes that qualified domestic violence and law enforcement groups have the option of free per-line blocking, or free per-call blocking.

Anonymous Call Rejection (ACR or "block the blocker") allows subscribers to automatically reject all calls that have been marked anonymous, or "blocked" by the person calling. It is not necessary to subscribe to Caller ID Name/Number to subscribe to ACR. With ACR, your telephone will not ring if the person calling you has "blocked" his/her name or number. The person calling whose identification is blocked will receive a message to hang up and call back with caller identification unblocked. Following are the proposed monthly rates for Caller ID and ACR.

Proposed Rates (monthly)*	Residence	Business
Calling Number only	\$6.50	\$ 8.50
Calling Name only	\$6.50	\$ 8.50
Calling Name & Number	\$8.00	\$12.00
Anonymous Call Rejection	\$3/\$1**	\$3/\$1**

\* These rates are in addition to the initial installation charges and monthly basic service rate. For residence customers, installation charges are \$2.70 per feature, with a maximum charge of \$5.40. For business customers, the charges are \$5.40 per feature, with a maximum charge of \$10.75.

\*\* Anonymous Call Rejection is \$3 per month if purchased without Caller ID and is \$1 per month when purchased with Caller ID Name or Number.

This proceeding has been designated Docket No. 11362, and a hearing on the merits has been scheduled for November 16, 1992. The PUC has jurisdiction to consider this matter pursuant to Sections 16, 18, 37 and 38 of the Public Utility Regulatory Act (PURA). This application was filed pursuant to the provisions of the PUC's Substantive Rule 23.24. Among the issues that will be addressed in this proceeding is the legality of the Caller ID device and service under Texas wiretap laws.

Persons who wish to intervene or otherwise participate in these proceedings should notify the PUC as soon as possible. The deadline to intervene is October 26, 1992. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the PUC Public Information Office at (512) 458-0256 or (512) 458-0221 teletypewriter for the deaf.

are over 100 prizes to be given away. (Each prize is numbered and people wishing to have a chance to win a particular item put the number of that item on their raffle ticket). The tickets are \$1.00 donation. The drawing will be held on October 10 at the convention (you do not need to be present to win). See Alice Kuehler to look at the list of prizes and to purchase your tickets.

The annual Christian Mothers and Altar Society Holiday Bazaar will be Saturday, November 21st from 9:00 a.m. to 2:00 p.m. The theme for this year is "Santa Claus". Everyone is invited to enter their favorite Santa decoration in the "Santa Contest". There will also be a new addition to the fun this year with a display of "Memorable" ornaments. This is for that very special, treasured decoration, for display only, along with some information on its history and/or meaning. Contact Kay

Britten for more information or to reserve booth space (\$10.00 per booth.)

### GAME

McLean's slow start in the first quarter let them get off a six point lead. McLean came back strong with 20 points in the second period of play. Looney nailed a four yard run and the kick by Jeremy Thomas was good. McLean's Thomas drove home a 20 yard pass from Looney. Toby Northcutt pulled in a 22 yard pass from Looney for a T.D. and Looney ran one in for 5 yards to bring the score to 20 to 14, McLean's favor at the half.

Looney came back to score three more T.D.'s with a 5 yard run, 33 yard run, and a 6 yard run. Jason Thomas connected on all the extra points.

Tommy Pennington connected on a 36 yard pass from Looney. McLean gained more total yardage with 482 yards compared to the Eagles 455 yards.

## McClellan Creek SWCD Election

An election of a soil and water conservation district director to serve in Zone 4 on the McClellan Creek soil and Water conservation District is scheduled for October 8th at the Soil Conservation Service office, announced Aubrey Russell, Chairman of the Board. The election will be held at 10 a.m.

State law decrees that to be eligible to vote in a soil and water conservation district director election, a person must own agricultural land within the district where the election is being held. The person must also live in a county all or any part of which is in

the district and the voter must be 18 years old.

Legal qualifications state that a candidate for the office of a soil and water conservation district director must own land in the zone he represents, be 18 years of age and be actively engaged in farming or ranching. He must also live in a county all or part of which is in the district. Soil and water conservation

district directors serve four-year terms of office.

Zone 4 of the district includes an area beginning at a point in the southwest corner of Carson County; thence east along Carson County line to State Highway 15; thence north along State Highway 15 to U.S. Highway 60; thence southwest 1 mile along U.S. Highway 60 to the Panhandle and Santa Fe Railroad; thence west along FM Road 293 to Carson County line; thence south along Carson County line to southwest corner of Carson County which is the point of beginning.

Current members of the board of directors of the McClellan Creek Soil and Water Conservation District are Aubrey Russell, Chairman, Bill Murray, Vice-Chairman, Edward Dittberner, Secretary, Bobby Pool, member and Shawn O'Neal, member.

# STOCKER ALERT!

A news bulletin on parasite control from MSD AGVET.

**Now's the time to control parasites that may have been building up all summer in your stocker calves.**

Before you turn out your stocker calves, make sure they're not carrying a heavy parasite burden. That could be a real possibility, because parasites, both internal and external, can build up all summer, and start damage long before you can see it with your naked eye. Damage that can keep your calves from gaining weight as fast as they should. That, in turn, may affect your bottom line.

**Solution: Treat them when you turn them out.**

While you're handling your incoming calves, give them the advantage of internal and external parasite control from their first day on your pasture. An advantage that can translate into fast, efficient gains.

**The difference treatment can make.**

In Oklahoma State University trials on 855 shipped-in stockers, animals treated for parasites with IVOMEC® (ivermectin) Injection averaged over 28% better weight gains than untreated animals during a twenty-eight day conditioning period.<sup>1</sup>

### Pounds and Profits.

Every additional pound of gain not lost to parasites can provide a greater return on your investment. And that's money you can bank on when your stockers go to market.

**Choose the form of IVOMEC® (ivermectin) that suits your operation.**

You can get IVOMEC as a pour-on or an injection. Both forms kill a broad spectrum of parasites, including economically important mature and immature worms. Plus, IVOMEC kills external parasites like lice and grubs. IVOMEC Pour-On can also help you control horn flies for up to 28 days. For stocker calves that come from liver fluke areas, you

can use IVOMEC-F® (ivermectin and clorsulon) Injection. It kills the same parasites as IVOMEC Injection, plus adult liver fluke, too.

**IVOMEC. An investment in stocker performance that can really pay off.**

Treat your calves with IVOMEC before turning them out to graze. Then weigh the difference for yourself.

**ivomec® (ivermectin)**  
**PARASITE CONTROL THAT'S WORTH THE DIFFERENCE.**
