## GHS Hosts 1996 Senior Prom Last Weekend

The Groom High School Juniors hosted their annual Banquet and Prom this weekend for guests of honor, the Class of 1996. "Viva Las Vegas" was the theme that transformed the

Legion Hall into a Casino Hall with all the glitz and glamour of Vegas.

The Juniors and Seniors were treated to a meal catered by Dyers Barbecue. The surprise entertainment

of the evening was a live performance by the one . . . the only "Elvis"! (Andy Alexander).

After a brief intermission in which many of the

celebrants went to fetch their underclassmen dates, the group enjoyed games of chance like "Blackjack," "Craps," and "Roulette" as well as dancing.

## Elementary Students Visit Public Library

Open House at the Groom Library was very successful. There were 94 students and 20 adults in attendance.

Library Friends, Mrs. Janie Britten and Mrs. Sybil Harrell served refreshments. Mrs. Karen Case, substitute librarian, explained the

summer reading program and asked that everyone watch the newspaper for the schedule for the Story Hours.

While here some students had time to look through copies of year books from the past, others were able to check out "Goosebumps"

books.

Mrs. Case also explained steps necessary to get a library card, sending students home with the application. About half the students already had library cards.

Also discussed with the students was the computer

to be installed sometime in May. The final date for installation will be before the end of June.

As the students left each was given a balloon, courtesy of State National Bank.

## Davis' Burglar Receives 20 Years

Remember the robbery that was foiled by D.P.S. wife, Marcia Davis? A Gray County jury convicted the Ohio man on aggravated robbery and sentenced him to 20 years in prison.

Christopher Allen Cannaday, 28, will also have to pay \$2,500 in fines. He was charged with robbing the home of an 85 year old Shamrock woman on April 20, 1995. He stole a wallet and pulled phone lines from the wall before

fleeing her home in a GMC van that had been stolen from Tennessee several days before.

While the elderly woman was calling authorities, Cannaday robbed to Groom where he drove the Marcia and Gary Davis home.

Marcia saw the van parked in the alley near her home and assumed it was someone visiting her neighbors, as she drove past her home taking her daughter's schoolmate

## Electric Outage Affects Much Of SPS

An electric outage on April 16 affecting much of the area served by Southwestern Public Service Company resulted from an electrical fault in a substation at SPS's Tolk Station power plant near Muleshoe, Texas.

Both units of the 1,080 megawatt, coal-fueled power plant went off line at approximately 10:20 a.m. This circumstance caused a severe under frequency situation that affected several other SPS power plants. SPS lost 75 percent of the 2,800-megawatt load it was carrying at the time.

Southwestern Public

Service Company provides electric service to a population of about one million people in a 52,000-square-mile area covering eastern and southeastern New Mexico, the South Plains and Panhandle of Texas, the Oklahoma Panhandle and southwestern Kansas. Most communities throughout this area experienced outages.

As of 2:30 p.m. Central Time power had been restored to many communities. However, it was later in the day when power was restored to all areas.

## Student Council Hosts Memorial Service In Memory Of Oklahoma City Bombing Victims

The Groom student body gathered in the auditorium last week for a brief Memorial Service for victims of the Oklahoma City bombing. Sponsored by the Student Council, the youths were led in the Pledge of Allegiance by Vice President, Sandie Conrad. Tammy Cockrell led the group in prayer.

April Burton made a brief statement admonishing her schoolmates to do random acts of kindness in honor of the memory of those who died and to let family members know that they are loved and appreciated.

The audience then watched a video by Garth Brooks. The film showed scenes of the destruction and devastation that followed the terroristic act. Brooks also performed a song that he wrote entitled "The Change", in honor of the tragedy.

April Burton, Scott McLaughlin, Jason Prather and C.J. Whatley witnessed, first hand, the mood of Oklahoma City just after the event.

"We were there just after this happened," stated Burton, "I saw the building from about five or six blocks away. It was a

terrible sight. I can only imagine how awful it was close up."

"The thing that amazed me," stated McLaughlin "is how quiet everything was. Places that were normally kind of noisy, like restaurants, were extremely quiet. I think everyone was in shock."

"We decided not to show our cattle on the day of the memorial service that was held right there at the fair grounds where we were showing," stated Whatley. "We felt that the show should have been cancelled and our money refunded. It just was not appropriate for that to be going on when the whole world was focused on the next building over."

Prather added, "Our thoughts and prayers were on the families that had been destroyed by this senseless act, not on the competition."

## McLean Department Dedicates Truck To Two Fallen Firefighters

The McLean Fire Department spent 1 1/2 years rebuilding a 5 ton 6x6 military truck to use in fighting rural fires. They had to add a tank and a pump and all the painting and rebuilding necessary to

make it a fire truck. All these many jobs were done by the McLean fire fighters. This truck was obtained through the Texas Surplus property program. During the time the volunteers were building this truck two

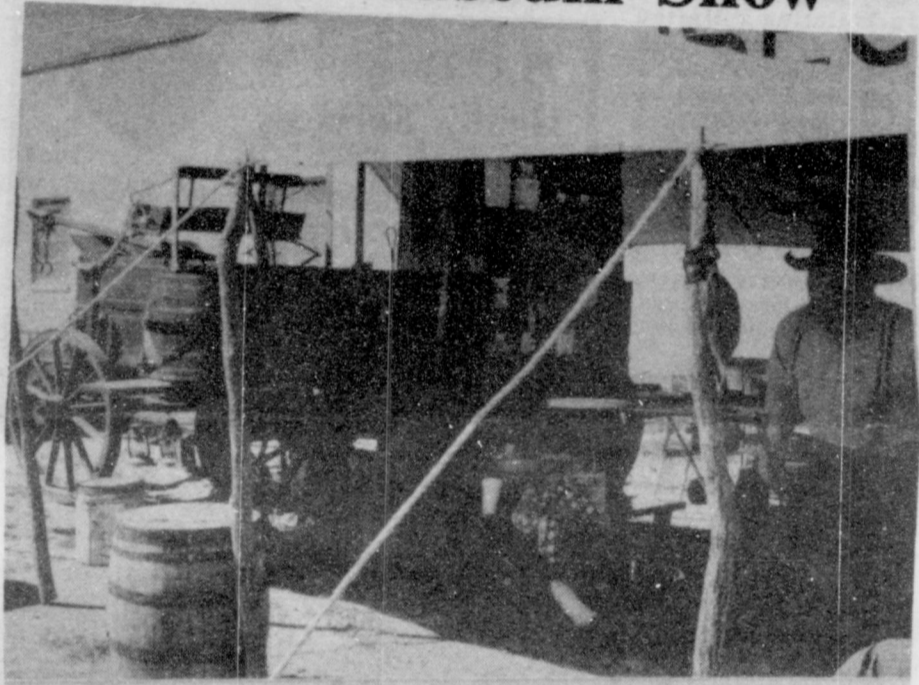

Claude Volunteer Firemen were killed. The McLean Fire Department decided to dedicate the new rebuilt truck in memory of the Claude Firemen, Marcus King and Jared Wright.

### ATTENTION PARK ENTHUSIASTS

In the last couple of weeks, employees have twice replaced sprinkler heads in the Park that were destroyed due to vandalism. At \$10. per head this is an absolute unnecessary use of our tax dollars.

Parents should take this as a warning! If your child is caught destroying park property, the City of Groom will expect parents to pay damages!

If anyone should see children or anyone else kicking sprinkler heads or in any other way destroying property in the park, please contact a Groom city employee or the Carson County Sheriff's Department.

## PUBLIC NOTICE

To those who dump tree limbs on the north end of the school practice field... Please use the alleyway that enters on 3rd Street to gain access to the practice field. **Do Not** cut through the empty lot that 4th street dead ends into on Broadway, or the school playground-bus yard. Please comply with these conditions when dumping tree limbs so that we can continue to use the school grounds for this much needed service.

## WHEN IS A BARGAIN NOT A BARGAIN?

When someone uses "economy" or "generic" sheet metal to repair your GM vehicle. Imitation parts may not fit properly, or could result in premature rusting.

So insist on genuine GM parts. They're designed for your GM vehicle and built to strict GM quality guidelines. Ask for genuine GM parts. They're backed by a Limited Lifetime Warranty.\*
