On a statewide level,

Commissioner Education, Jim Nelson, announced that the rising scores on the TAAS tests and declining dropout rates caused the State of Texas as a whole reach the equivalent of the recognized rating level in the states' accountability system.

He said "This outstanding performance for the state as a whole to achieve a recognized rating, a school or campus mush have 80 percent of all its students and each major student group pass each section of the TAAS and must have a dropout rate of three percent or less for all students and each student group. This level of performance represents years of hard work on the part of the students,

educators, and parents."

Next year the TAAS
tests will be changed to tests will be changed to the TAKS test which will cover more material and starting with the third grades, the student will have to pass the test to pass into the next grade.

Council Approves .316355 Tax Rate For City

The City Council of McLean met in a special session Friday, August 17, 2001, in the City Hall. The meeting was called to order by the called to order by the Mayor and opened with the September meeting an invocation by Joe and look at the price of Billingsley at 5:00 p.m. gas at that time.

Discussion was held concerning the proposed rate. Mayor Martin explained that he had talked to the Gray County Appraisal District concerning the increased property value and that it been explained to him that the increase was because one local business had an increase local ess had inventory and another equipment and another had an increase in size of their business and that the majority of the residences in McLean did not have an increase in their value. The Mayor went on to explain that if the council wanted to go with the rollback tax of .316355 that it rate would not increase the property taxes of most homeowners.
example if a For home was appraised at

\$30,000 home and at last year's tax rate of .45 that would equal to \$135.00, however that same \$30,000 home at this year's proposed tax rate of .316355 would pay \$94.91, a decrease \$40.09. Motion sade by Jim McDonald, seconded by Doyle Lee to go with the proposed tax rate of .316355, voting in favor of the motion motion was LaVon Watson, Doyle Lee, Jim McDonald, and Billingsley. Voting against was Joe Lamb.
A special meeting will be held August 29th at 5:00 p.m. to consider adopting the proposed tax rate of .316355.

Discussion was held concerning locking in a gas price for the winter. The Mayor informed the council that he had spoken with J.J. King with West Texas Gas and Mr. King had told him that he felt like the gas prices would keep going down and Mr. King advised Mr. Martin not to lock in at this time but to wait and see if the gas prices would go down even more. It was agreed by the council to wait until

NOTICE OF PUBLIC MEETING TO DISCUSS BUDGET AND PROPOSED TAX RATE

The Grandview Hopkins ISD will hold a public meeting at 8:00 PM, September 11, 2001 in Grandview Hopkins Board Meeting Room.

The purpose of this meeting is to discuss the school district's budget that will determine the tax rate that will be adopted. Public participation in the discussion is invited.

The tax rate that is ultimately adopted at this meeting or at a separate meeting at a later date may not exceed the proposed rate shown below unless the district publishes a revised notice containing the same information and comparisons set out below and holds another public meeting

Comparison of Proposed Rates with Last Year's Rates

	Maintenance & Operations	Interest & Sinking Fund*		Total	Local Revenue Per Student	State Revenue Per Student
Last Year's Rate	\$0.872400	\$0.455300		\$1.327700	\$3,830	\$280
Rate to Maintain Same Level of Maintenance & Operations Revenue & Pay Debt Service	\$0.671200	\$0.341200	•	\$1.012400	\$4,172	\$325
Proposed Rate	\$0.932300	\$0.349200		\$1.281500	\$3,184	\$288

^{*} The Interest & Sinking Fund tax revenue is used to pay for bonded indebtedness on construction, equipment, or both. The bonds, and the tax rate necessary to pay those bonds, were approved by the voters of this district

Comparison of Proposed Levy with Last Year's Levy on Average Residence

	Last Year	This Year
Average Market Value of Residences	\$18,265	\$18,265
Average Taxable Value of Residences	\$3,265	\$3,265
Last Year's Rate Versus Proposed Rate per \$100 Value	\$1.327700	\$1.281500
Taxes Due on Average Residence	\$43.35	\$41.84
Increase (Decrease) in Taxes		(\$1.51)

Under state law, the dollar amount of school taxes imposed on the residence homestead of a person 65 years of age or older or of the surviving spouse of such a person, if the surviving spouse was 55 years of age or older when the person died, may not be increased above the amount baid in the first year after the person turned 65, regardless of changes in tax rate or property value.

Notice of Rollback Rate: The highest tax rate the district can adopt before requiring voter approval at an election is \$1.347507. This election will be automatically held if the district adopts a rate in excess of the rollback rate of \$1.347507.

Superintendent, Board To Recommend Tax Increase

Groom School Trustees met Board of last. week regular monthly meeting on August 14. All members of the Board were present. Also in attendance were Superintendent Noack, Business Manager Joyce Hutsell, visitors Joyce Hutsell, visitors Curtis Downs and Donna Burton, representing The Groom News.

Minutes of the July 10 meeting were read and approved.

President Clif Britten asked for comments during the open forum section of the meeting. Superintendent Noack commented that he had commented that its been approached by a citizen concerning the posting of the agenda at the post office. Noack stated that he had failed to post the agenda at the post office this time, but

assured the board that the legal requirements had been met for the posting of the agenda because technically all the school technically all the school is required to do is post it in the window of the door that is near the business office. Posting it in the post office is a Posting courtes to the

The Lone Star Energy

Program was again discussed. Superintendent

Noack presented a letter from engineer Jim Brown concerning the Texas A&M Energy Report. Brown is planning a visit to the school to discuss some of the findings. The Board has not be happy with the small degree of savings seen since the renovations recommended by Brown were completed.

The board entertained a request from Superintendent Noack to appoint Councilor Janie Weatherly Administrator of the Special Education programs at Groom ISD. This will give Ms.

Weatherly the authority
to attend special
education meetings in Mr. Noack stead.

The teacher appraisal calendar was unanimously adopted as presented.

The board approved the contracting of Cornell

Tigers Do Well In Opening Scrimmage Against Follett Panthers

The Groom Tigers obtained a little practical experience last Saturday they scrimmaged

Follet at Miami.
Coach Larry Reid was very pleased with the

outcome.

"Offensively we played very hard and executed well," he said.
"Defensively we didn't tackle too well, so we will expect to see some improvement in that area."

Groom gained 250 yards on 21 rushes for 250 touchdowns and two completed 23 passes 296 yards on five touchdowns.

"We made some mistakes on our offense, like throwing three interceptions, but all in all we got to look at several different players and things went well, Reid continued. "On Reid continued. "On defense, while our tackling wasn't the best, we were in the right places, which is very important. Follet was not at 100%, but they are talented with some key positions have experience. As a who having we were very happy with

The Immaculate Heart of Mary Catholic Church in Groom was completed in 1965.

The Roman Catholic Diocese of Amarillo will celebrate its 75th Anniversary August 25, at the Amarillo Civic Center Auditorium. People from all areas of the diocese, which covers the top 26 counties of the Texas Panhandle, will join guests traveling from across the nation in a Eucharistic celebration. Mass will begin at 11:00

a.m.
Archbishop Patrick
Flores of San Antonio
will be the main
celebrant, and Bishop
Charles Grahmann of
Dallas will give the
Homily. Other guest
joining Bishop John W.
Yanta of Amarillo and
Bishop Emeritus Leroy T.
Matthiesen will include
12 bishops and a long
list of priests and nuns.

The Diocese of Amarillo was created in 1926 by Pope Pius XI. The area was formed from portions of the dioceses of Dallas, El Paso, and San Antonio. Originally, the Diocese of Amarillo was comprised of 70 counties in approximately 73,000 square miles. In 1961, the Diocese of San Angelo was created, taking with it the southern 24 counties of the Amarillo diocese. And in 1983, another 20 counties in the southern region became part of the Diocese of Lubbock, which was created by Pope John II.

In Groom, Father Lindeman celebrated the first Mass on April 4, 1907 in the home of Nicholas Bohr. All the first settlers were present. During this first Mass, he took up a collection for the building of a church. The collection exceeded \$500,00. Theodore Conrad secured the donation of one-half block of land from Mrs. E.E. Wilkerson on June 24, 1907. A year later,

on July 26, 1908, Father Lindeman dedicated the first church. It was finished and paid for.

Matthew Britten donated a plot north of town for a parish cemetery in 1911. At the close of the year the parish pledged \$2,250 for the construction of a new church.

On June 14, 1912, Bishop John Patrick Lynch of the Diocese of Dallas visited the parish for the first time, conferring the Sacrament of Confirmation on a class of 41, 18 of who were from the surrounding parishes.

The new church, valued at \$4,500, was completed in March 1913 and blessed by Bishop Lynch on March 2, 1914. The old church had been torn down and a rectory was built from the lumber. Father Lindeman came to Groom as its first resident pastor and stayed until 1916.

The rest of the block on which the church stands was purchased in 1915. Pastors in this era included Father Ferdinand Schiessl, Father Cyril Buotich, and Father F.J. Herkert.

During F.X. Pruss' pastorate, the parish built a four-room parochial school in 1929, which was staffed by Sisters of Mercy. A building was purchased for a convent for the sisters across the street, west of the school.

LaHive, and Father Norbert Wagner followed Father Pruss.

In 1952, the old school building was torn down to make room for a new one. Father Andrew Quante erected modern classrooms and a gymnasium-cafeteria. Classes continued with eight grades until May of 1967, then with six

grades until the parochial school's final closing in May 1968. By the 1960's, the

By the 1960's, the frame church, which had seemed so large fifty years earlier, was too s m all for the congregation and plans were begun by Father Arnold J. Carlson for a new brick church, completed in 1965. He built a pastor's dream of a church with plenty of seating, a very attractive interior and lots of storage space. Bishop Lawrence J. DeFalco dedicated this church to the Immaculate Heart of Mary. Meanwhile, the old building was moved to Memphis, where it serves today as Sacred Heart Church.

With the physical facilities in good shape, the priests who followed Father Carlson emphasized person-to-person relationships. Msgr. Kevin Hand was noted for his ministry with the youth. Later,

Father Richard Neyer is remembered for his sense of humor; he could start a joke and be laughing too hard to finish it. All the citizens of the community appreciated his involvement in Groom Days, even being an actor. After the sudden death of Father Neyer, Father Ted Podson got his feet wet w i t h p a r i s h administration, after having had a priestly ministry devoted to teaching school. He was especially accommodating to those parishioners interested in the Charismatic Movement.

to 1998. The school building, which remained relatively untouched since the late 1960's, was remodeled. Today the building houses classrooms for Christian Formation Classes from pre-school through the 12th grade, taught by lay teachers and the School Sisters of St. Francis from Panhandle. Currently, Father Neal Dee is the pastor. His moderately progressive style of leadership is appreciated as the church enters a new millennium. Father Neal has introduced the Rite of Christian Initiation of Adults. Parishioners are more involved in the welcoming of new members. Besides his

duties in the parish, the present pastor has played a role in the diocesan church as many rural pastors are privileged to do today. He is one of the Diocesan Consulters to Bishop John Yanta.

In 1999, his fellow priests elected him a member of the Priests' Pension Benefit Review Committee.

Committee.

Parish members, both lay and clergy can be justly proud of its long history of devotion and hard work. This continuity has brought Immaculate Heart of Mary Parish to its present size of about one hundred households.

The church building that was built in 1913 is still being used today in Memphis.
