## SPAG Plans Project Costing \$1,053,964

AUSTIN--South Plains Association of Governments and local governmental units in the area it serves will need more than 1.9 million dollars in state and federal money to carry out 62 criminal justice projects during 1972, according to the new regional plan.

The proposed projects are outlined in SPAG's "Criminal Justice Plan, 1973," just received by Governor Preston Smith's Criminal Justice Council.

The regional council itself will be applicant for the project of primary emphasis, continuation of law enforcement officer training, for which a need for \$28,000 in CJC funds is seen.

Bulk of the projects, however, is planned for governmental units in Lubbock County. Twenty projects are projected for the area, with funding need of \$1,053,964.

Eleven projects with expected need of \$41,833 in funding assistance are planned for SPAG during the year. Governmental units in Hale County plan nine for \$92,001; Crosby County seven for \$58,580; Garza County four for \$104,500 and Terry County two for \$43,000. Texas Tech University Police Department plans one for \$7,200; Cochran County one for \$20,000; 110th judicial district one for \$2,950; 154th judicial district one for \$45,630; City of Spur one for \$7,500; City of Littlefield one for \$720; City of Levelland one for \$8,500; West Texas Justice of the Peace Association two for \$42,940.

Projects chosen for major emphasis besides the training project, listed in order, are: SPAG--law enforcement radio communications, \$380,000; Texas Tech University police department--pay incentive for officers to enroll in law enforcement college courses, \$7,200.

City of Plainview--same pay incentive project, \$9,600.

City of Slaton--same pay incentive project, \$2,707.

Lubbock County Sheriff's Department--same incentive pay project, \$1,500.

## M.G. Clinic To Be Held In Hale Center

The Northwest Texas Chapter of Myasthenia Gravis, Hale Center, Texas, announces that on Wednesday, October 11, Dr. J. E. Tether of the Indiana University School of Medicine, Indianapolis, Indiana, a noted authority on the diagnosis and management of Myasthenia Gravis, will conduct an all day clinic in the High Plains Hospital, Hale Center, beginning at 9:00 a.m. Dr. D.R. Foster, staff member of High Plains Hospital will work with Dr. Tether during the all-day clinic. This is the fourth trip to Texas to conduct a clinic of this kind, for Dr. Tether. Many M. G. patients have benefited from previous visits and the Northwest Texas Chapter feels fortunate to be able to have another clinic of this kind, with Dr. Tether.

Myasthenia Gravis is a neuromuscular disease characterized by varying weakness of the voluntary muscles of the body. This weakness is abnormally increased by repeated use of the muscles at any one time and partially relieved by a short period of rest for the muscle. M.G. is relatively uncommon, surveys estimate its presence in one in 10,000 to one in 40,000 of the general population. The symptoms may be any of the following, alone or in combination: drooping of one or both eyelids; double vision; loss of facial expression and in moving the facial muscles; difficulty in chewing or swallowing; an easily fatigued voice; difficulty in breathing; difficulty in raising the arms overhead; weakness in the arms and hands; difficulty in extending the fingers; weakness in flexing the thighs at the hips; weakness in lower limbs, especially when trying to walk on heels.

There are two tests that aid in diagnosing M.G.: Neostigmine test and the Tension test. Other and more specialized testing may be done by physicians who see large numbers of myasthenics and have particular interest in disorders of Neuromuscular transmission.

Preceding the M.G. Clinic, Dr. Tether will be the guest speaker at the monthly meeting of the Tri-County Medical Association meeting, Tuesday, October 10, 7:30 p.m. at the High Plains Hospital, Hale Center.

## Rotary Club Has Meeting

The Muleshoe Rotary Club met Tuesday at noon at the XIT Steak House with the following guests present: John Spearman, James Arnold, Arch Fowler, Jess Wilhite and Jimmy Bishop who is a former Muleshoe resident, Bishop graduated from Muleshoe High School in 1960 and is now a Texas Highway Patrolman, working out of Farwell.

Charlie Vela was the student guest for the month.

It was announced that the Rotary District Governor will be in Muleshoe next Monday night and the regular Rotary meeting will be covered dish supper in the home of Harvey Cass.

Alex Williams gave the program on the new Social Security increase and how it will effect citizens of different ages.

## GSPA Announces Membership Program

Delbert Watson, Bailey County Director of the Grain Sorghum Producers Association appealed this week to each grain sorghum farmer to mail his 1972-73 GSPA membership dues promptly. The new fiscal year begins October 1, 1972. Each farmer on the GSPA mailing list will receive his membership application through the mail.

The Grain Sorghum Producers Association is the organization that has established a remarkable success story while working for the grain sorghum farmers. GSPA's main goal is to make grain sorghum a more profitable crop to produce. Its work in this direction led to the 1970 Congressional action that tied grain sorghum government price supports to corn according to nutritional value. This has given grain sorghum farmers an increase in the loan rate of 18 cents per hundredweight since 1970 and also an increase in the support payment.

Working to increase the demand for grain sorghum around the world, the Grain Sorghum Producers Association has been a leader in developing new markets for U. S. feed grains and, in particular, for grain sorghum. By inviting teams of key feed manufacturers, buyers and specialists from foreign countries to come and visit the grain sorghum production area,

## Postmaster Will Attend IRS Meeting

Spencer Beavers, Postmaster of Muleshoe will attend a special seminar sponsored by the Internal Revenue Service 91, r. s.o. the meeting will take place in Rm. 308 Federal Office Bldg., at 1205 Texas Avenue on Tuesday, October 31, at 1:00 p.m.

These statewide meetings are held by the I. R. S. with postmasters in a joint effort to better serve taxpayers who will need tax forms, schedules, tax publications etc. Topics to be covered will include what forms will be needed, how best to arrange the forms to make them more accessible to the public, and how to make emergency requests for forms and publications.

Beavers will also have an opportunity to discuss other problems concerning tax forms and schedules with responsible I.R.S. officials.

## Clinical Massuese Now Located Here

Theresa Davis has recently opened a new business in Muleshoe and is so far, the only one like it in the county.

Mrs. Davis has the Muleshoe Clinical Massuese on South First Street in Muleshoe.

She has trained under Ralph Williams, a physical therapist at Clovis, for six months and has worked in hospitals with the machines she uses for seven years.

Some of the equipment used in her shop include steam packs, ultrasonic machines, muscle stimulator, cervical and pelvic traction machine, tank whirlpool, paraffin bath, and steam cabinet. She also performs physical massage and conducts exercises.

With her knowledge and machines she can treat tension headaches, fibrositis and bursitis, pulled muscles, muscle spasms, strained muscles, charliehorses, planters warts, sinus, traumatic swelling and injuries. She can also help to heal scar tissue, give relief for arthritis, and treat broken

GSPA has helped to make grain sorghum one of the major feed grains of the world. Production and demand has increased 800% during the last 20 years.

GSPA is a leader in research on insect and disease problems affecting grain sorghum farmers. GSPA President, A. W. Anthony, Jr., a grain and livestock producer of Friona, Texas, expressed the importance of every grain sorghum farmer's mailing his annual membership dues of only \$10,000 immediately. Anthony said, "1973 is a critical year in the life of farm programs. Congress must extend or rewrite the law since the present program expires next year. Grain sorghum farmers must be properly represented. The Grain Sorghum Producers Association membership extends from South Texas to Nebraska, covering the major grain sorghum production area of the United States.

Delbert Watson of Muleshoe was recently elected by members of GSPA in Bailey County to serve as their representative on the Board of the Grain Sorghum Producers Association.

## Cold Front Brings Nippy Weather To Area

Temperatures dropped to 38 degrees early Saturday morning as a new cold front moved into the Muleshoe area. High temperatures for Friday and Saturday were in the low sixties.

Frosty mornings and freezing temperatures are now good prospects for the Muleshoe Country as fall makes its way into the area.

## EDA Meeting Scheduled For Monday

Congressman Bob Price of Texas announced this week that arrangements have been made to hold a public meeting for all interested persons in West Texas Counties that have been statistically qualified for economic development assistance. This qualification should prove helpful in stirring economic growth in these counties. The meeting will be conducted on Page 3, col. 1

## Muleshoe Wins Fifth Straight Game 27-12

The Muleshoe steamroller rolled over top-ranked Portales Friday night 27-12 for their fifth straight win of the season. The Rams were ranked number one in New Mexico's Class AAA prior to the Friday night romp.

The fired up Mules rushed for 340 yards in the game with David Wheat accounting for 218 of those yards on 36 carries.

Quarterback Don Long completed three of six passes for a total of 75 yards.

Key plays in the game included interceptions by Roger Williams and George Mitchell.

Prior to gametime, Portales coaches asked officials if they could use the ball used in Portales' district which is a Spaulding J5V.

The officials in turn asked Hedgecoke who gave his approval. During the game, Portales used their district ball and Muleshoe used their respective ball, a Wilson TD.

During the game when Portales was in the south end of the field heading north, Portales ran for approximately five yards and fumbled for an additional 10 yards where it was recovered by a Muleshoe player. At this point, the referees returned the ball to Portales and played the down over again. This call was made due to confusion on the part of the officials which could have been one of a number of things. Coach Hedgecoke pointed out to the Journal that Muleshoe had a call of the same nature, only in Muleshoe's favor, during the game against Olton.

With four minutes remaining in the first quarter, Wheat plunged across the goal line from three yards out for the first score. He then kicked the extra point to make the score 7-0.

Wheat scored again in the second quarter for six points. His PAT attempt went wide to make the score 13-0.

The Rams came back late in the second quarter to score 6 points on a 12 yard pass from Cook to Salaz. The two-point conversion attempt was stopped by a tough Mule defense.

In the third quarter, Wheat ran the ball over from the four yard line for six points, but the PAT attempt failed.

During the third quarter, the Rams were held scoreless.

In the fourth stanza, the Portales team scored on a pass play when Cook threw a 27 yard pass to Salaz.

The Mules came right back when halfback Ronnie Parker took the ball and ran 23 yards for a TD. Don Long ran the two point conversion in from the five yard line to account for the final score of 27-12.

The Mules are still leading District 1-AAA as other contenders lost games Friday night or did not play.

Canyon lost their game with Pampa by a score of 27-7; Clovis defeated Dumas, 35-20; and Tahoka bombed Levelland 62-13.

Next Friday, the Mules will play their last out-of-conference game with Morton at Morton. A week from Friday, the Mules will take on their first conference game, playing Dumas here at Benny Douglass Stadium.

## SBA Plans Conference For Muleshoe

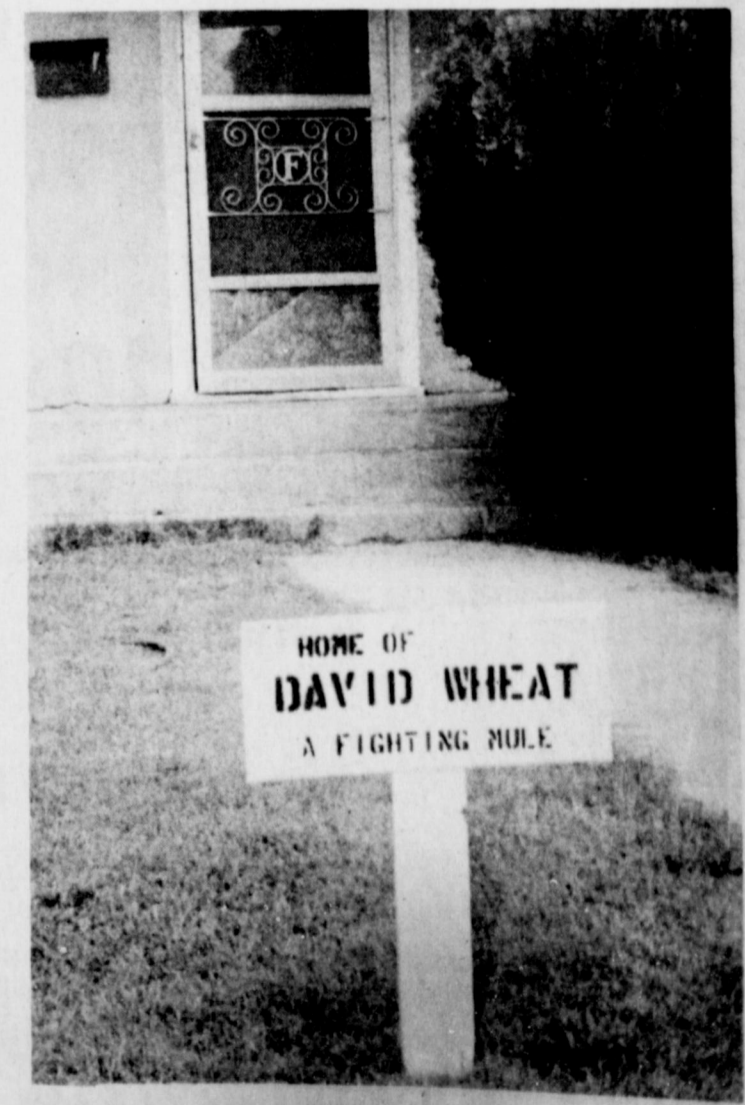

The Muleshoe Chamber of Commerce and Agriculture and the Lubbock District Office of U. S. Small Business Administration are co-sponsoring a conference entitled "What is the Future of Small Business?" at 7:30 p.m., Thursday, October 12, at the Muleshoe Chamber of Commerce and Agriculture, 215 South First, Muleshoe.

The conference is designed to assist the small businessman in analyzing his increasingly competitive situation, identifying his problem and exploring possible solutions to the problem. Speakers will be J. B. Hare, Management Assistance Officer, and Millard A. Townsend, Borrower Services Officer, both of the Lubbock Small Business Administration Office.

This conference is open to the public and there will be no registration fee. For further information contact the Muleshoe Chamber of Commerce and Agriculture, phone 272-4248; or the Small Business Administration, P. O. Box 10107, Lubbock, telephone 747-3711, ext. 462.

MAKE WAY FOR WHEAT . . . David Wheat, 33, goes around for long yardage on this play in the game played Friday night against the top-ranked Portales Rams. The Mules won the game, their fifth straight this season, by a score of 27-12. Wheat was the leading rusher as well as the leading ball carrier as he carried 36 times for 218 yards during the game. He accounted for three touchdowns and halfback Ronnie Parker accounted for the other score in the game.

MULE SIGNS . . . The Muleshoe Athletic Boosters have erected signs in the lawns of Muleshoe team members. This one belongs to David Wheat, who just happens to be the district's leading scorer at this time. The strong Muleshoe team this year is number one in the district.

## The Sandhills Philosopher

Editor's note: The Sandhill Philosopher on his Johnson grass farm tackles a serious problem this week, approximately.

Dear editor: Everybody has heard about the blight of the cities, the ghettos, the inner city turmoil, the power failures, the crowded schools, crime in the streets, burglaries, triple-locked apartments, drugs, police cor-

ruption, high taxation, un-repair streets, garbage pile-ups, hopeless traffic jams, pollution, cross-town pupil busing, corruption, near bankruptcy, but how desperate big-city life finally has become has just now come to light.

It's the television black-out of home games.

As I understand it, if you live in a city big enough to have a professional foot-

ball team, the only way you can see your team play at home is to buy a ticket to a seat in the stadium. No home games are televised in the home city. Any T.V. station reaching the city is blacked out as far as that game goes, although it's free to carry a game from some place on the other side of the country. Basically, it's like saying you can follow the Mules to out-of-town games but can't see them play at home.

This is the final blow that has made big-city life unbearable, and Congress is trying to do something about it. What it's trying to do is pass a law requiring the black-out to be lifted when the game is sell-out, which is so reasonable it probably has no chance of pass-

ing. In Washington, for example, I understand the Redskins' games are completely sold out for the rest of this season, but the only people in Washington who can see them play at home are the people who have tickets, leaving the hundreds of thousands of other Redskins fans gnawing their fingernails on Sunday afternoons.

Obviously Congress has got to do something about this or it will bring on the total collapse of big cities. People will flee them to the country where they can see any game they please, and you get that many people scattered out over the country and not even the country will be a fit place to live. Congress is on the right track

and this anti-black-out law ought to have top priority. We've got to keep city people in the city, except for the occasional desirable ones who're smart enough to move to Bailey County, although I'm not sure all of those have been checked on. Yours faithfully, J.A.

### ON HEALTH WORKERS

The Health, Education and Welfare Department has awarded \$375 million to schools that train doctors, dentists, nurses and other health workers under health manpower legislation enacted last November 18.

## Tickets Now On Sale For NHRA Finals

The advanced ticket sales for the NHRA World Finals are now on sale. The tickets are being sold at NHRA Division Four headquarters at 708-A Taylor.

This year for the first time there will be a reserved seat section. It is located on the south side of Amarillo Dragway from the starting line to the 200 foot mark of the quarter mile strip. This is the covered grandstand and contains the finest seats at the dragstrip. Both reserved and general admission seats will be on advance sale. The reserved seats will be sold on Sunday, October 22, only.

The world finals will be run at Amarillo Dragway October 20-22. Tickets can be ordered by mail by making out a check and mailing the order to NHRA World Finals, 708-A Taylor Street, Amarillo, Texas, 79101.

Ticket prices are \$3.00 for general admission on Friday; \$5 for general admission on Saturday; \$7 for general admission on Sunday; and \$9 for reserved seats on Sunday only. An order blank for tickets can be found elsewhere in this issue of the Bailey County Journal.

Friday, October 20, Tech inspection will be held from 8 a.m. until 5 p.m. with time trials to be run from 1 to 5 p.m. Saturday qualifying runs will be made from 9 a.m. to 5 p.m. Sunday, October 22, the time

trials will start at 10 a.m. with the world championship races starting at 11:30 a.m.

## Services Held Thursday For D. Looper

Funeral services for Deward Looper, 16, who died Monday night of injuries suffered in a boating accident July 16, were at 3 p.m. Thursday in the Sixth Street Church of Christ.

Terry Brown, minister, will officiate. Burial will be in Friona Cemetery by Parsons-Ellis Funeral Home.

Young Looper had been a patient in the intensive care unit at Northwest Texas Hospital in Amarillo since being injured when he was struck by a boat while skiing at Ute Lake, N.M. He played basketball and football at Friona High School where he would have been a junior this year.

Survivors include his parents; two brothers and the grandparents.

### Hog Cholera Outlook Uncertain... Calf and Cattle Marketings Increase... Poultry Situation Summarized... Food, Fiber Pavilion Ready...

The Texas swine industry is intensifying its efforts to eradicate hog cholera from the state. Hog producers are hoping the two-month absence of the disease continues. A state must go 12 months without a case of hog cholera being confirmed before it can attain the hog-cholera free status. Although the last case was reported in July, quarantines continue in Nueces and Parker counties.

Nationwide, hog cholera has made an alarming comeback. During the first two weeks in September, a total of 25 hog cholera cases were reported; this compared with only one for the entire month in 1971.

A new drive and a new toughness toward hog cholera eradication is underway.

Texas is becoming one of the major pork producing states in the nation. It now ranks 14th in total hog numbers with an inventory of about one million head. Hogs and pigs on farms in the 10 corn belt states are now estimated at 46.5 million head, one percent below a year earlier and eight percent below 1970 levels.

Hog producers in the 10 states intend to farrow two percent more sows during September-November this year than in the same period a year ago. They expect to farrow seven percent more sows during the December 1972-February 1973 period than a year ago.

LIVESTOCK auctions in Texas report that sales were above a year earlier for cattle and calves, sheep and goats but below for hogs.

Cattle and calves marketed through auctions during August numbered 671,000 head; this is 15 percent above a year ago and eight percent above a month ago.

Sheep sales totaled 109,000 head which is 27 percent more than a year ago but 17 percent below a month ago. Goats sold totaled 46,000. This is seven percent above a year ago and 70 percent above last month.

Hogs sold totaled 48,000 head. This is 26 percent below a year ago and four percent above a month ago.

UP, DOWN, Unchanged. That's the summary for poultry production in Texas. The August hatch of egg-type chickens totaled 1,449,000; this is down 18 percent from a year earlier.

The August hatch of broiler chicks increased three percent from a year ago to total 15,645,000.

The total turkey poult hatch increased three percent but was 61 percent below a month ago. Total hatch is 288,000.

Egg production was unchanged from a year ago at 215,000,000. Nationwide, egg production was down one percent from a year ago. The average daily egg production in Texas for 100 hens was 61; the average nationwide was 61.8 eggs.

BE SURE and visit the Food and Fiber Pavilion at the State Fair of Texas this October 7 to 22.

This is the third year the Texas Agricultural Product program-TAP-will be in charge. Special entertainment is planned, you'll see fashion shows utilizing Texas natural fibers-cotton, wool and mohair-and special cooking demonstrations are also planned.

It's all aimed at acquainting all Texans with the abundance and the quality of Texas-produced food and fiber.

## TDPS Seeking Men For Uniform Service

The Texas Department of Public Safety is seeking applicants to fill the ranks of its uniform services. The training school for cadet patrolmen will begin November 28. This announcement was made by Major C. W. Bell, Regional Commander of the Texas Department of Public Safety for this area.

**QUALIFICATIONS:**  
Applicants must be males between the ages of 20 to 35; a height of not less than 68 inches nor more than 76 inches; a weight of not less than two pounds nor more than three and one-half pounds per inch of height; visual acuity no less than 20/40 correctable to 20/20 at least 30 semester hours of college credit; in excellent physical condition; good moral character; and a citizen of the United States.

**EMPLOYMENT:**  
Applicants are urged to contact any Texas Department of Public Safety office or patrolman for an application. After completing the application take it to the nearest regional, district or sub-district Texas Department of Public Safety office for verification and certification. If all is in order then the written test will be administered which will qualify or disqualify the applicant for further consideration. Successful applicants will be given an agility test, a character investigation, and a physical examination. Those accepted for employment will be notified prior to the beginning date of the next training school.

**TRAINING:**  
Cadet patrolmen will be assigned to the Texas Department of Public Safety Law Enforcement Academy in Austin, Texas for 12-week training period. The training is designed to equip the cadet to handle any of the various situations he may encounter as a patrolman. The training of a patrolman is a test of an individual's intellectual, emotional and physical stamina. It is also an educational process which prepares him for a rewarding career in law enforcement.

In addition to classroom work the cadet is taught self-protection by means of judo, boxing, wrestling, and other po-

to one of the four uniform services--Texas Highway Patrol, License and Weight, Motor Vehicle Inspection, or Driver License. These assignments are made according to the individual's preference, his aptitude, available vacancies, and the Department's needs. Requests for a specific home station will be given every consideration.

After two years of experience each patrolman is eligible for promotion to Sergeant in the uniform services and also eligible for transfer into the Narcotic and Intelligence Sections.

All interested young men who feel like they meet these requirements are urged to contact the nearest Texas Department of Public Safety office or patrolman for an application and details.

## Large Cotton Crop Expected In Texas

**COLLEGE STATION---**The 1972 cotton crop is shaping up as a bumper crop across Texas and the United States.

"The most recent cotton crop forecast from the U.S. Department of Agriculture indicates production in Texas to reach 3.8 million bales with U. S. production at 13.6 million bales," points out Charles Baker, marketing economist with the Texas Agricultural Extension Service.

"This means a three million bale increase nationwide over last year. In Texas the crop was down to 2.6 million bales in 1971 due to dismal fall harvesting conditions."

Baker explains that this year's increased production stems mainly from increased acreage and good yields in most

cotton-producing areas. Favorable prices last fall enticed producers to increase plantings this spring.

"However, the price situation has changed this season, as one might expect," notes the Texas A&M University economist. "Prices have dropped steadily since this spring as forecasts have indicated increased production. Trading has been light as buyers anticipate lower prices and producers expect a return to higher prices."

Many producers are considering the use of Commodity Credit Corporation (CCC) loans to hold for better prices in early 1973. According to Baker, this likely will improve prices for qualities that are eligible for the loan.

MRS. EDESEL D. BYNUM JR., the former Harriet Ann Glaze

## Miss Glaze, Bynum Wed In Candlelight Ceremony

A candle light ceremony at the First Baptist Church on Saturday evening, October 7, united in marriage Miss Harriet Ann Glaze and Edsel D. Bynum Jr. The double ring vows were read at 7 p.m. by Rev. Douglas C. DuBose, pastor of the church.

Parents of the couple are Mr. and Mrs. James B. Glaze of Muleshoe and Edsel D. Bynum Sr. of El Paso.

The altar was decorated with spiral candelabra flanked by seven and five branch candelabra, each holding yellow candles and entwined with comadore, leather leaf fern, fall oak leaves and fall rainbow satin accents. Musical selections including "Whither Thou Goest" and "Bless This House" were presented by Mrs. Finis Whitten, organist, and Finis Whitten, soloist.

Mrs. Sam Feagley of College Station was her sister's matron of honor. Mary Estes of Lubbock was bridesmaid. They were attired in formal gowns of maize yellow chiffon and mimosa gold Venice lace. The empire bodices were overlaid with the lace and featured high jewel necklines with rows of tiny satin buttons extending to the waistline. The long sheer sleeves were gathered onto wide lace cuffs. The softly gathered chiffon skirts were floor length. The attendants carried nosegays of maize cushion, butterscotch pom poms with wheat, oak leaves and maize star flowers as accents.

Kathy Blankenship of El Paso was the flower girl. She wore a long yellow dress which matched those of the other attendants and carried a basket of maize and bronze ball and cushion pom poms accented with fall leaves, straw flowers and star flowers.

Benton Glaze, brother of the bride, was ring bearer.

Larry Bynum served his brother as best man. Groomsman was Terry Golbert of Lubbock. Ushers were Sam Feagley of College Station, Rick Roark of Seminole and Don Coleman and Steve Kinder, both of Lubbock.

Escorted by her father, the bride wore a formal length gown of satin organza fashioned with a high Victorian neckline and long full Bishop sleeves with wide cuffs of lace. A v-yoke of val lace accented the front and back of the empire bodice. The softly gathered A-line skirt ended with a deep border of lace at the hemline. She wore a matching lace-edged chapel length mantilla. The bride carried a bouquet of "Maize Glow" in a triangular design. The bouquet featured maroon ball, butterscotch daisies and red cap mums accented with maize star flowers, oak leaves and red huck. For something old, she wore her grandmother's ring. She

borrowed her mother's bracelet and wore new earrings given to her by her sister. She also wore the traditional blue garter.

A reception followed the ceremony in the fellowship hall of the church. A white lace cloth covered the bride's table which was centered with an arrangement of yellow cushion, butterscotch daisies, maroon ball and yellow mums in a gold and crystal epergne. The arrangement was accented with fall oak leaves, cattail, sea oats and maize star flowers. The tiered white bride's cake was decorated with an encircling of yellow. Crystal and gold appointments completed the table decor. Presiding at the table were Mrs. Darrell Mason and Mrs. Ronnie Kenmore.

The groom's table was covered with an antique gold cloth and centered with a fall arrangement of flowers and fruit in a heavy brass candlestick. Chocolate cake and coffee were served from gold appointments by Mrs. Larry Bynum and Miss

Winn Watson. Members of the houseparty were Mrs. M. D. Gunstream, Mrs. Carl Bamert, Mrs. Tommy Haley and Miss Bill Ed Jones.

Guests were registered by Mrs. John Schott and musical selections were played on the piano by Mrs. Hester Branham.

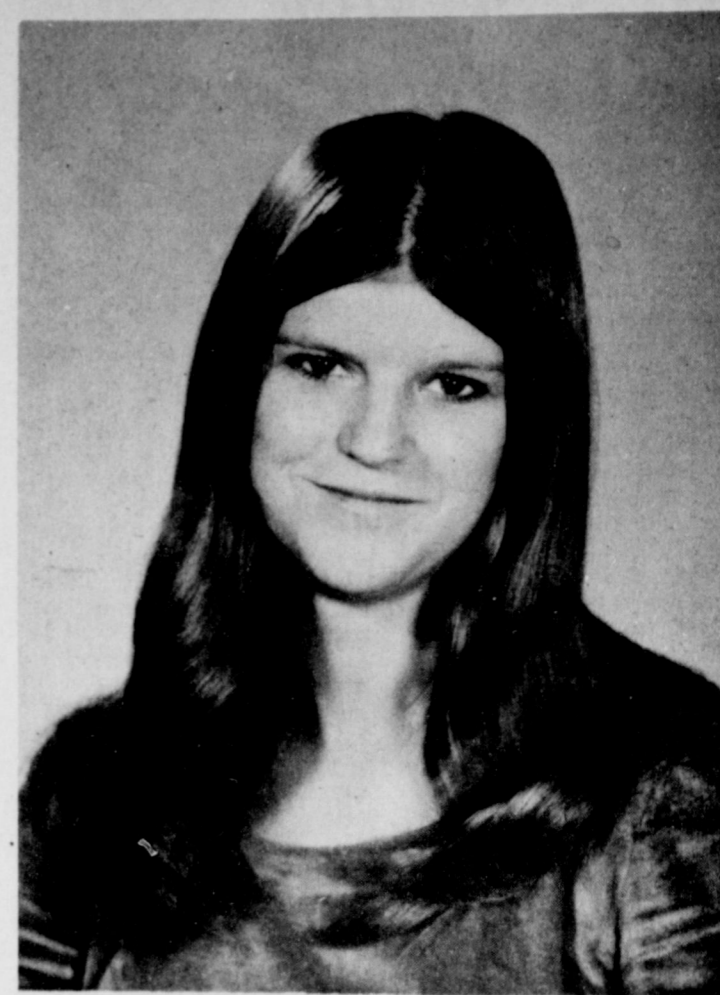

For travel the bride chose an orange and avocado dress featuring long sleeves gathered to wide, gold buttoned cuffs. Light brown accessories and a corsage lifted from her bridal bouquet completed her ensemble.

Following a short wedding trip, the couple will be at home at Route 4, Lubbock.

The bride is a graduate of Muleshoe High School and attended Texas Tech University in Lubbock.

Bynum graduated from Y-slette High School in El Paso and is currently attending Texas Tech University.

A rehearsal dinner was given by the groom's parents at the XIT Steak House.

## Bula Church Slates Lay Witness Mission

The Bula Baptist Church will be sponsoring a Lay Witness Mission Friday, Saturday and Sunday, October 13-15.

Forty-five visitors are expected to arrive at 4 p.m. Friday with a team meeting to be held at 5:30 p.m. At 6:30 p.m. the supper meal will be served in the fellowship hall of the church by ladies of the church. A general session will be held at 7:30 p.m., conducted by the visiting lay witness.

Saturday breakfast will be served in homes of the hosts followed by a team meeting at the church at 8:30. At 10 a.m. adults will meet in homes of local members Mrs. Arnie Pierce, Mrs. Opal Locker, Mrs. John Latham, Mrs. Fae Davis and Mrs. Ann Sinclair for coffee. Each home will be visited by eight adults, two of which will be team leaders. While the adults are meeting for coffee the young people and junior classes will meet in the garage at the Dewitt Tiller home for visiting team leaders.

At the noon hour ladies of the church will gather in the fellowship hall of the church for a salad luncheon. While the men are eating lunch in the school cafeteria, young people will enjoy a sack lunch at the snack bar in the school gym. Juniors, primary and nursery will be meeting for lunch in the fellowship hall of the Methodist church. Team members will be meeting with each of these groups. The Baptist women from the Three Way Church will have charge of the nursery during all sessions. At 5 p.m. there will be a team meeting at the church followed by dinner for all members at 6:30. At 7:30 there will be a general session.

Sunday morning guests will get breakfast in the homes of the hosts. Sunday morning regular services will be held with

team members in charge of each class, followed by the regular worship hour at 11 a.m. Sunday at noon, sandwiches, cookies and drinks will be served. This will conclude the meeting. At 7 p.m. the church will meet for evaluation and dedication by sharing in the worship hour.

Bob Walker from Panhandle will be coordinator for all team workers. Mr. and Mrs. Elbert Hamilton, Muleshoe, will be song leader and pianist. Visitors are expected from Amarillo, Panhandle, Kress, Midland, Lubbock, and Muleshoe.

## Art Assn. To Meet Tuesday

The Muleshoe Art Association will meet Tuesday, October 10, at 9:30 a.m. in the community room of the Muleshoe State Bank.

Guests artist will be Dale Hamlett of Portales, assistant professor of art at Eastern New Mexico University. He will demonstrate water colors and acrylics.

All members are encouraged to attend.

**VEGETABLES OF SEA.** There's no excuse for skipping nutritious vegetables just because you don't have the convenience of your own home stove. Your family still needs the vitamins and minerals found in vegetables, to avoid cooking vegetables at all, marinate canned vegetables in French dressing and serve cold. Best of all, eat 'em raw: carrot strips, cucumber fingers, celery hearts, even cauliflower florets. These are even more nutritious than when cooked. Carry along a salt shaker for those who like extra seasoning.

Facts are better than dreams, if pleasant.

## Nursing Home News by Myrtle Guinn

Mrs. Hawkins came to stay with us in the Home last Saturday. Her home formerly was in Colorado City. She is the mother of Mrs. J.W. Coppedge of Muleshoe.

spending a few days with her daughter, Mrs. Green.

Several people or couples from Needmore came Sunday afternoon and said for us. We did enjoy them very much.

The decorations in the day room are done by the Auxiliary ladies so the credit goes to them. Mrs. Horace Hutton's fall display of canned foods and other fall decorations is so very pretty. Be sure to stop in the day room and admire it, I did. Thank you, Mrs. Hutton, for doing this that we may enjoy it too. Autumn brings so many beautiful colors for us to see and admire.

Mrs. Whitford had several visitors Sunday, among whom were her son, Dale Whitford, and his wife, her grandson, Tom Whitford, and wife and little son from Munday. Mrs. Whitford also had a birthday and received red roses, money, a dress, necklace, transistor radio and two pair of house shoes. She is 93 years old.

Mrs. Wilterding's daughter and son-in-law visited her on Monday. They are Mr. and Mrs. Russell Harmon of House, N.M.

Mrs. Ellen Spence and Mrs. Myrtle Guinn called on Mrs. Bessie Harlan who lives several miles north and west of town. They enjoyed the visit very much and are glad to be able to say Mrs. Harlan looks so much better in her lovely home. She hasn't been very well for the past few years, so we are indeed glad to find her much better.

Mrs. Lewis' son, Leon, came Sunday afternoon and took his mother out to his home for a visit which she enjoyed.

Mrs. Fern Warren came Sunday and took her sister, Mrs. Neva Lloyd, home for the day.

Mrs. Millie Epperly went home with her son, Odie, and spent the day with him and his wife, Jane. Her daughter, Marie Chappel, is sick and in the hospital at Amherst for several days.

Mrs. Ailene Edwards of Littlefield came each Friday to visit her sister-in-law, Mrs. Maggie Emanuel.

Mrs. Robason came again on Wednesday to see Treessie.

Mrs. Brown's daughter and son-in-law, Mr. and Mrs. E.W. Simpson, of Clovis, N.M., came for her on Tuesday to spend

two or three days visiting with them. We are so happy for her and know she will enjoy herself.

Mrs. Alona Harper of Dodson came to see her grandmother, Mrs. Fannie Sain, Sunday afternoon. She and her three children have recently returned home from Germany where they have been stationed for three years with her husband, S/Sgt. Cliff Harper, who is in the Air Force. S/Sgt. Harper will return to the States in December.

The truth is a great enemy to conversation.

**DISPLAY FAIR ITEMS . . .** Mrs. Mabel Caldwell, back, and Mrs. Allie Barbour are shown with the items which they displayed and won prizes on at the Curry County Fair in Clovis and the Panhandle South Plains Fair in Lubbock. Together the women won over \$100 in prize money on the entries.

## Assembly of God Church Plans Missionary Crusade

A Kids Missionary Crusade will be held October 9-13 at the First Assembly of God Bible College in Freeton. Open air campaigns were conducted in every large city and many small villages in Sierra Leone. A campaign was held in Sierra Leone's largest stadium in Freetown.

For a number of years, Rev. Kornelsen was a missionary pilot, making over 4,000 flights over the jungles of eight West African Countries. He helped build the largest print shop of West Africa and Bible schools and dormitories in Nigeria and Sierra Leone. He also taught in those schools.

Rev. and Mrs. Kornelsen were appointed missionaries in 1949 and have served five terms on the field. Their last term was spent in Sierra Leone on the African west coast. They will be going to Johannesburg, South Africa, following their present furlough.

The Republic of South Africa is located at the southern tip of the African continent. Over 100 camps of gold miners, ranging in population from 2 to 5,000 people, will be near their headquarters and they expect to be ministering to these people with a film rover.

Rev. Kornelsen served as principal of the Eastern Bible Institute, was Field Fellowship Chairman, and General Superintendent of Sierra Leone. They

laid the foundation for the new Assemblies of God Bible College in Freeton. Open air campaigns were conducted in every large city and many small villages in Sierra Leone. A campaign was held in Sierra Leone's largest stadium in Freetown.

## FTA Will Present Powder Puff Game

### Muleshoe High DECA Leaders Attend Leadership Conference

by Rhonda Manasco

The DECA Club held a meeting Wednesday, October 4. The meeting was called to order by the President, Boyd McCamish, and the DECA Pledge was recited. It was reported by treasurer, Jama Maritt that the pregame supper was a success. The income for the supper will be divided by the DECA and HECE chapters. Both of the clubs wish to express their appreciation to everyone who participated at the supper. Special thanks go to the mothers who helped prepare the meal.

Next, plans were made for the Halloween Carnival which will be held on October 28. Committees were chosen to operate this project.

Also, the Christmas project, which will be to present a film to M.H.S., was discussed. Debbie Dunbar was chosen chairman.

The plans for a "Get Acquainted" party for the members were relayed to the members. The time will be set at

a later date.

The Distributive Education coordinator, Mark Gist, attended the Area 6 Leadership Conference held in Amarillo this past weekend. Accompanying him were his wife and son, Cheryl and Shawn, Chapter President Boyd McCamish, and Historian Beverly McCamish.

The purpose of this conference was to educate Chapter Presidents and leaders on how to accomplish complete and total participation and communications in the chapter.

Boyd McCamish reported that the two-day conference was a tremendous success, and he has several surprises in store for the chapter throughout the year, as a result of this conference.

### Wheat And Hodge Share AAA Honors

by Bill Tanner

Sharing the Amarillo Globe-News Player of the Week honors this week are Jerry Hodge and David Wheat, because of the Mules stunning upset over favored Littlefield, 42 to 14, these players were tabbed for their honors.

Jerry Hodge, a 6-0, 185 pound defensive end doubling in the offensive tackle spot, is a junior at MHS. Hodge was in eight unassisted tackles and about eight assisted tackles. Hodge was matched with a back about three times his speed, yet several times stopped him for a loss or no gain. Fred Hedgecoke, head coach, commented on Hodge by saying,

"He played one heck of a ball game."

David Wheat, tailback, led the Mules in rushing with 161 yards on 11 carries. Wheat also threw a 40 yard scoring pass, returned a punt 60 yards to set up a score, caught a pass for 50 yards setting up another TD. He also scored one touchdown and kicked six PAT's, thus putting up some more points on his league-leading race.

The 175-pound junior, who was last week's Player of the Week, also doubled at safety "and was in on a bunch of tackles."

Congratulations to these two outstanding young players for their exceptional game against Littlefield.

### Dillman Explains Tort Law

The Tort Claims Act was passed by the Texas Legislature in 1969 and came into effect in January, 1971. The act pertains to all power driven vehicles owned by the school and the school is liable for any accidents that happen on these vehicles. The school is also liable for any student if he has an accident in his own car during school hours or on a school activity. All school activities must be supervised by a paid professional in the school system.

There is one court case pending in Texas and after this case has been ruled on, the school will know how far this law goes.

Mr. Dillman stated that it was sad to take away the students' personal freedom, but the school must abide by the laws.

### MHS Teachers Attend Reading Conference

School was dismissed Friday at 2:00 p.m. for Muleshoe teachers to attend the TAIR Reading Conference held at Estacado High School on Friday and Saturday.

Attending from High School were Mrs. Ernest Kerr and Mrs. Eric Smith, English teachers, Resource teacher Mrs. Melvin Roberts and Librarian Mrs. Glen Harlin.

Following registration Friday afternoon, the first general session was held. Presiding was Dr. John Thornton, President. Mr. Ed Irons, superintendent of the Lubbock Schools extended the welcome and Mrs. John Watson of Muleshoe delivered the invocation. The main address "Some Trends and Issues in Reading" was made by Dr. Ira Aaron from the University of Georgia.

The Friday afternoon and Saturday morning interest groups included "Literature in Secondary Schools," "Reading as Enrichment for the Gifted," "Newspapers as Appetizers or Entree in Reading," "Close

Procedure in Reading," "Open Concept in Reading-Physical or Mental," "The Act in Language Arts," "Making Dictionary Skills a Part of the Reading Program," "Language Experience Techniques for Secondary School," "Bi-lingual Reading: The Role of ESL," "Creative Use of Basal Readers," "Interest Centers in the Reading Program," "Using the Media Center in the Reading Program," "Reading for the Educationally Disadvantaged," "Working with Learning Disability Problems in Reading," and "Readiness in Beginning Reading."

Dinner meetings were held for special groups.

The second general session was called to order at 7:30 p.m. with Mr. Ed Stokes, Director of Elementary Education of Lubbock, presiding. Mrs. Mildred Ardis, First Vice-President of TAIR, introduced the speaker, Dr. Robert Galvan of Our Lady of the Lake University spoke on "Humanizing Reading."

A reception at Estacado High

School followed the night session.

Saturday, the Third General Session was held with Mrs. Bonnie McCullough, Area Vice-President of TAIR, presiding. A welcome was extended by Dr. E. C. Leslie, Assistant Superintendent of Lubbock Schools. Dr. Ira Aaron spoke on "Evaluating Progress in Reading" and Dr. Robert Galvan addressed the group on "What is the Right to Read Program?"

The conference adjourned at noon on Saturday.

### FFA Chapter Selects Sweetheart, Plow Girl

by Jimmy Henderson

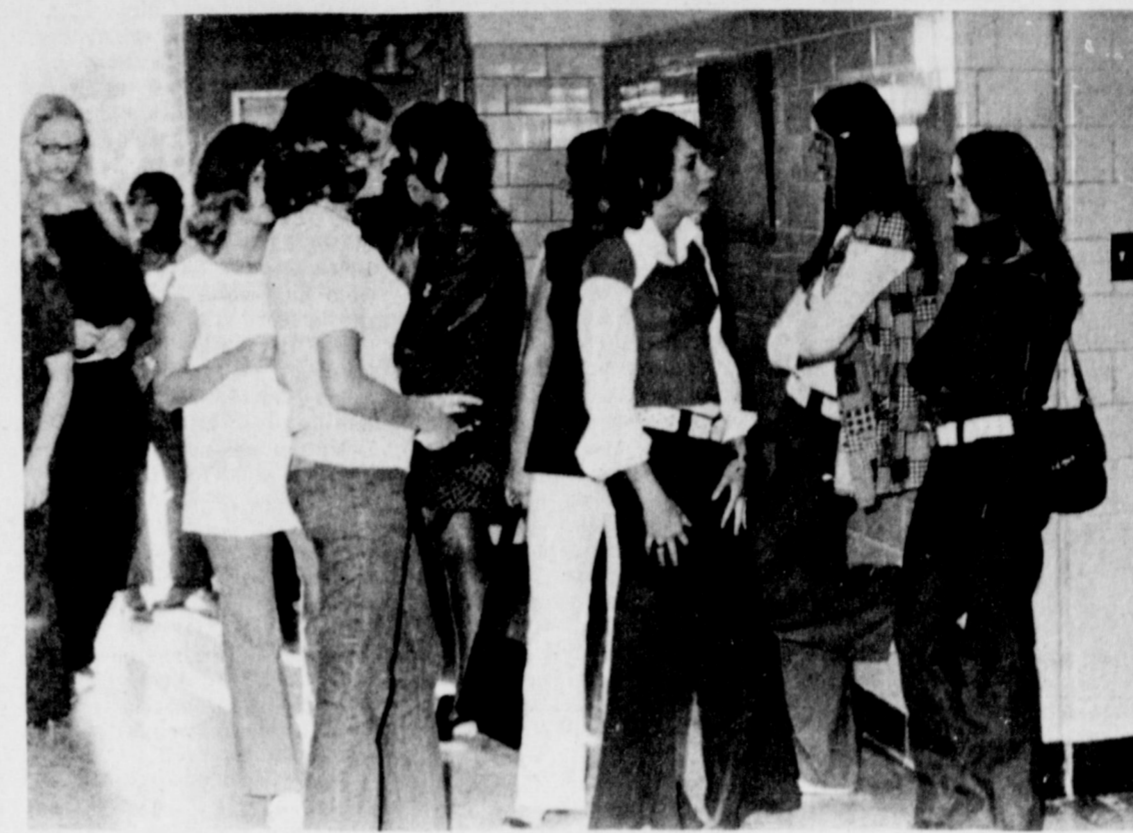

The FFA meeting opened Monday night with the officers' opening ceremony.

Gene Rogers moved to vote greenhands into the chapter. The Greenhands were voted into the chapter. The ceremony for receiving greenhands was then given by the officers.

Nominations was then opened for Plow Girl and Sweetheart. Sharon Kelton was elected Sweetheart and Brenda St. Clair was elected Plow Girl.

It was moved to refer the Citrus sales to the Earning and Savings Committee. Gene Rogers is the chairman of that committee.

It was then moved to refer getting a speaker for the banquet to a committee appointed by the chair. It was then moved to have both bucking and

### FTA Students Attend District Session

by Kathleen Jennings

On Saturday, September 18, a district planning session was held in Floydada, Texas at the high school. Present at this meeting were the officers for District XVII, the local advisors, and other FTA students. The advisor-coordinator for the district convention, which will be held on November 18 in Lubbock, was discussed and plans were finalized. Other plans were made for projects throughout the year. After a general session, the district officers met for a short meeting.

District officers are President: Bill Balch, Levelland, Vice-President: Yolanda Flores, Frenship; Corresponding Secretary: Linda Bates, Levelland; Recording Secretary: Marilyn Walker, Slaton; Financial Secretary: Shelly Havens, Frenship; Parliamentarian, Jeanie Putman, Muleshoe; Chaplain, James Johnston, Coronado High School, Lubbock.

Schools represented at this meeting included Brownfield, Earth, Floydada, Levelland, Lockney, Lubbock, Muleshoe, Sudan, Frenship, and Shallowater.

Attending from Muleshoe

were Mr. Moore, Jeanie Putman, Brent Blackman, Gary White and Kathleen Jennings.

All F.T.A. members are encouraged to turn in points for September by the last day of September. They may be turned in to Jeanie Putman.

The Tenth Annual Powder-Puff game will be held on Monday, October 9, at 8:00. Tickets are \$1.00 for adults and fifty cents for students twelve and under. They may be purchased from any F.T.A. member.

### Classes To Be Instructed In Drug Education At MHS

This year the instruction of Junior High and High School students in areas of drug and crime education will be different from the previous two years. Instead of all students and teachers being involved for a two day period of time each semester, individual classes will be instructed.

In the High School, Mr. Mike Pollard will conduct the crime and drug program from October 9 thru November 16. The instruction will be given to groups of 50 students in the high school auditorium during the second and activity periods. Each group will meet for two days during these periods.

The emphasis of instruction for this semester will be in the area of crime education. The following topics will be used on the designated levels. The Freshmen will discuss the topic, "Values--Everyone Has Them But What Are They?" The Sophomores will discuss the "Causes of Actions and the Consequences of Those Actions." The Juniors will discuss "Why a Society Must Have Rules and Law for Harmonious Living." The Seniors will discuss "Why a Man Must Accept Himself and Then the Other People in His World."

In the Junior High, Mrs. Mary Scoggin will direct the drug and crime education program. The first semester will be spent on crime prevention. Mrs. Scoggin will work through the science classes for three day periods, in each grade. Discussion will concern the questions

"What can each student do to assure that he will not become involved in crime?" "What are the self values that each must develop?" The first session is scheduled for the week beginning October 9 with the Sixth Grade.

Truth

Class: "Gloves!"

### Purple People Eaters Vs. Green Hornets

by Kathleen Jennings

It's that time of the year again when the girls play football, and the boys do the cheering. That really is something to imagine!

This year, it is the Purple People-Eaters vs. the Green Hornets. Both teams are undefeated (actually, this is the first game for either team!), and we are looking forward to seeing which team will maintain their record.

The Purple People-Eaters (the Seniors and Sophomores), are coached by Danny Blaylock, Bill Tanner, Bobby Hayes and Raymond Davenport. Team members are: Linda Mason, Rhonda Manasco, Pam Lloyd, Jonice Killough, Christy Ford, Pam Davenport, Sheryll Bass, Sharon Kelton, Susie Cousatte, Liza Gunter, Jama Maritt, Debbie Dunbar, Belinda Throck-

morton, Tani Murrach, Donna Grimsley, Cindy Cason, Chris Dobbins, Sharon Harris, Kathy Howard, and Lavern Carpenter.

The Green Hornets (the Juniors and Freshmen) are coached by Boyd McCamish, Benny Cousatte, and Gene Rogers. Team members are: Joie Carpenter, Jama Bruns, Carol Brown, Brenda St. Clair, Susan Grimsley, Donna Lambert, Darla Hunter, Vicki Griffin, Cynthia Rogers, Janet Hopper, Kathy Burris, Sherrell Rascoe, Diane Vinson, Debbie Purcell, and Mary Ann Gonzales.

Both teams have been working very hard in their practices and it will be a very good game. The concession stand will be open throughout the game. At half time, favorites from each team will be crowned. Boutonnieres can be purchased from Gary White, Brent Blackman, Jeanie Putman, Kathleen Jennings.

Tickets are \$1.00 for adults and 50 cents for students under 12. They can be purchased from any FTA member through Monday evening.

Game time is 8:00 p.m., at Benny Douglass Stadium, Monday, October 9.

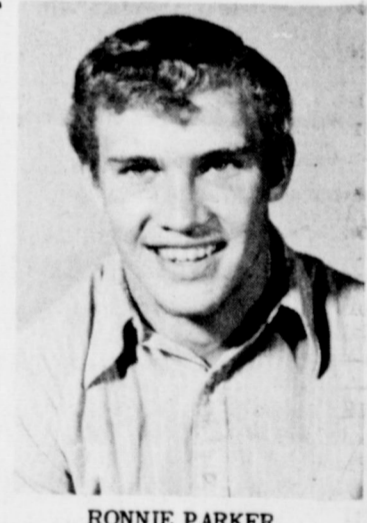

We'll be looking forward to sharing bunches of fun and frolic with you, so come out Monday night!

### Parker Chosen Best Of MHS By Thespians

This week's 'Best of MHS' is Ronnie Parker, the 16 year old son of Mr. and Mrs. Frank Parker. He resides at 817 West Third. His school activities include Speech II, FTA, and Athletics. Ronnie plays wingback for the Mighty Mules. When asked to comment on football he said, "Football is a team effort and I think we have the best team effort that Muleshoe has ever had."

### Rosebud Chapter Sells Cookbooks

by Susan Grimsley

The Freshman F.H.A. girls have started selling cookbooks which will be on sale for two weeks. These cookbooks sell for \$3.50. Each girl is to sell at least two cookbooks if at all possible. For each cookbook sold the girl gets five points, which will be added to the number of points the girl has earned during the year. The girls with the most points are able to attend the Area F.H.A. meeting. If anyone is interested in buying a cookbook, contact Andy F.H.A. girl.

### FHA Has Night Meeting

by Marcia Rudd

The FHA October night meeting was held Monday, October 2. The Rose Blossom chapter was in charge of the program.

The fourth Vice-President and members did a skit which represented the correct and incorrect way of parliamentary procedure.

The different chapters met and discussed their business. The chapters met back together and announcements were made and the chapters joined in singing the "Future Homemakers Song." Refreshments were served following the meeting.

The Mules eliminated many earlier mistakes in their win over Littlefield. Quarterback Don Long again made key calls to keep several of the Mules drives alive. Don was also a key blocker on sweep plays as well as being on target for two touchdown passes to Joe Elizarraraz and Ronnie Parker. The Mules offensive line deserves special credit as Larry Vinson, Charlie Vela, Delmer Bleeker, George Michell, Jerry Hodge and Tight End David Faver opened holes against a stubborn Littlefield defense.

Friday night the Mules met the number team in New Mexico in the Portales Rams. The Rams had only allowed fourteen points to be scored on them this season while showing a versatile offense. The Mules travel to Morton Friday night before opening district play against the Dumas Demons.

## Employment Of Handicapped Meets In

The annual meeting of the Governor's Committee for Employment of the Handicapped will be held at the Villa Capri Motor Hotel in Austin September 29. The theme is "Challenging the Future a Better World for the Handicapped." The event will precede National Employ the Handicapped Week October 1-7, it has been announced by Laurence Melton of Dallas, chairman of the committee.

Austin Mayor Roy Butler will welcome delegates and guests at the 9:00 a.m. opening, Friday. A noon luncheon will climax the event. A high point of the Austin meeting will be the presentation of awards at the luncheon for outstanding service to the handicapped. Citations will be made to individuals and employers. The highlight of the awards program will be a presentation honoring Miss Shirley Price of Houston as the Texas Handicapped Person of the Year.

Representatives of mayor's committees on employment of the handicapped from over Texas, personnel from private employers, and State, Federal and private agencies involved in rehabilitation and vocational guidance of the handicapped are expected at the all-day meeting.

CONGRATULATIONS to the Lazbuddie Longhorns for having won their third conference game this season. The game was with Whiteface here and was the school's Homecoming game. Crowned Queen at halftime was Diane Coker. Hero was Rickie Seaton. Runnersup were Debbie Engelking, Loreta Winters, Doyle Weir and Mark Barnes. Lazbuddie Longhorns won their game with New Home Friday night. The game was tied 6-6 but the big moment came when Kenneth McGehee threw a long pass to Gary Brown in the last few seconds of the game. Brown carried in for the touchdown ending the game 12-6. This was Homecoming for Lazbuddie and the halftime was very unique. We do not have a band, but several girls marched and twirled to music coming from the Press box-from a record player. The twirling will fire done by the majorettes was very entertaining as Linda Gleason, Marscella Mayfield, and Pat Chitwood were in perfect step. The football queen was Linda Gleason. The hero was Kenneth McGehee. Runnersup were Charlotte Seaton and her attendant, Lloyd Bradshaw, Marianna Gammon and her attendant, Lewis Seaton.

Many out-of-town folks were present including former Lazbuddie school superintendent, J. G. Ward and family, from Kamay; Mary Maxwell, former Lazbuddie teacher from Roswell; The T. O. Lesley family from Spearman and just about all of the ex-students that are away at colleges.

**A real eye-opener to electric heating costs**

Electric heating operating cost estimates usually surprise our customers. They expect electric heat to cost a good bit more. A factual, easily understood, written estimate opens their eyes to the fact it can cost little more than they've been paying. Thousands of our customers are heating electrically now because they asked for the facts about electric heating costs. Phone us today for an estimate. It's free. It's accurate. And, it's a real eye-opener.

**Landslide™**  
Parker Brothers' game of power politics.  
An exciting new game in which everybody can run for President any time - not just every four years! The board shows a colorful map of the United States plus the number of electoral votes each is worth. You throw dice, draw Politics Cards, and charm and connive your way through open and secret ballots, manipulating millions of popular votes to capture states with the most electoral votes. Takes about an hour to play and there's never a dull moment! Fun for ages 9 to adult. 3 or 4 players.
