Hearing Is Set For Receivership For World Oil Co

By the Associated Press
FORT WORTH, Texas, Aug. 1.—Receivership proceedings against the World Oil Company and the Bunker Printing and Products corporation were set Wednesday for Saturday morning in district court. The suits were filed by George W. Scalch, who said he holds 2,100 shares in the printing company and 100 shares in the Oil company. Scalch claims dividends are due him.

Ex-Governor Of Kentucky Died Today

INDIANAPOLIS, Ind., Aug. 2. (AP)—William Taylor, aged 76 years, who was elected Republican governor of Kentucky in 1899, and who was sought in connection with the death of his Democratic opponent, William Goebel after the Kentucky legislature declared Taylor's election was fraudulent, died today.

Santa Fe To Get The Orient Ry.

Sale to the Santa Fe of the Kansas City, Mexico and Orient railroad is virtually assured, says chairman Clarence E. Gilmore of the Texas railroad commission. Mr. Gilmore has been in Washington representing the state commission in a session in which the interstate commerce commission and the Texas railroad commission have been considering the Santa Fe's application to buy the majority stock of the Orient. It already owns the minority holdings. Important to both commissions is the fact that no objection was made by other railroads. Several inter-related, but only as to matters relating to a division of freight rates on joint hauls. These are details which doubtless can be adjusted without difficulty. It is commonly understood that the Santa Fe will carry out the construction policy of the Orient. If that is true, the completion of the line through Texas and Mexico to make a through system from Kansas to the Pacific coast port of Topolobampo can be brought about much sooner by the Santa Fe than would have been possible for the Orient's present management, able though that management is. The Santa Fe has the money. The fulfillment of that program will be especially important for Presidio, making it an important border port and a big railroad town and giving much cheaper and better outlet than at present for the products of the rich Presidio valley of the Rio Grande.

Dick Collins, Frank Segell and Lewis Rix plan to leave Monday for a vacation trip, to be spent in the Rocky Mountains in New Mexico and Colorado, where they will enjoy, hunting, fishing, etc.

Miss Maggie Stuteville of Fort Worth is here for a visit with relatives and friends.

County Agent And A Home Demonstrator Will Prove Big Aid

Are to be Employed By Howard County Beginning January 1

In Promoting Poultry Raising, Dairying, Calf Clubs, Canning Clubs, Etc.

Howard County is to have a County Agent and a Home Demonstration Agent as a result of the action of the County Commissioners in their regular session this week. This action was in compliance with petitions signed by many citizens that the County Commissioners give our citizens the benefit of the services of trained workers in these lines.

The county agent and home demonstration agent will not be employed until January 1st. At the next meeting on August 13 the Court will make the necessary appropriation to take care of the portion of the salaries the county will be expected to pay.

It will be good news to many to know that our County Commissioners have taken this forward step, and we believe the county as a whole will profit from this investment. As we view the proposition the county agent and the home demonstration agent are not being employed to show the farmer or his wife how to farm or how to run their affairs, and it is reasonable certain they will make no effort to force their services on anyone. But if they can encourage boys and girls to club, encourage the raising of poultry, promote dairying, encourage the raising and canning of vegetables, they will be adding to the wealth of our county and her citizens, and help to make the farm life more pleasant.

They will be accomplishing something worthwhile in encouraging boys and girls to take more interest in farm life through the various club activities by which they boys and girls are taught things which will be of value to them in after life. No one will argue that you can persuade a man who has been a cotton farmer practically all his life to change his ways. That man is going to plant cotton and more cotton and you are just wasting your time on him. He can see some of his neighbors who potter with milk cows, chickens, hogs a garden and a few fruit trees make money every year. He knows this neighbor has money in the bank and can pay cash for everything he needs, and he don't need much since he raises his living at home. Yet Mr. Cotton farmer prefers to mortgage his crop and pay high interest rates because that's the way he has always conducted his farming plan and he doesn't care to change.

Now the County Agent and the Home Demonstration Agent will not attempt to change the minds of those who prefer to farm as they have always, farmed but they can and will help all those who wish assistance in changing their methods so they can eliminate the old costly credit plan and live better and cheaper by raising more of the food products for the home table at home and then raising more to bring them in a regular cash income each week.

The agents, it appears to us, could help wonderfully in assisting in securing a better market for poultry and eggs. They could help secure a cold storage plant, poultry packing plant and other things to encourage fowls to produce other products than cotton. The farmers of Petaluma, California, through cooperative measures have made their county the richest in the world through poultry raising and

Jack Dempsey May Again Be The Champion

Close On The Heels of Tunney's Retirement Comes Big News To Put Pep In Prize Fights

Firpo And Dempsey Are About To Re-enter The Game and Tex Rickard Can Again Count On \$1,000,000 Crowds

BOSTON, Aug. 1.—(AP)—Jack Dempsey may, like the man who knocked the crown off his head, be through with the fight game forever, but he isn't quite certain. And what is more, he isn't entirely convinced that Gene Tunney is serious in his announced retirement.

Jack left Boston Wednesday after having been accorded one of the most tumultuously enthusiastic ovations given a prize fighter accorded or retired, here in years. A delighted mob of 5,000 was on hand at the south station late Tuesday when the train pulled in and the former heavyweight champion of the world arrived to get an announcement at the hotel in which Ernie Schiefel defeated Harold May at Braves Field later in the evening.

Changes His Mind Often, Jack Says. A police escort had to clear the way while Dempsey drove to a hotel, and when he reached the ringside 30,000 fans, the biggest fight crowd of the season, gave him a vociferous welcome.

Before the bout Dempsey discussed Tunney's retirement and his own plans. "It's a shame that Tunney is quitting just now when he is at the top of his fighting career," the Manassa Mauler declared. "I can say, however, that Gene's retirement will not affect my own plans in any way."

"Right now, I don't feel as if I could fight again. Of course, I have changed my mind more than any other man in the world. I guess, so if you pay any attention to what I say you're crazy. But the way I feel now I won't make a comeback.

"How can Rickard give Tunney's title away?" he asked in comment on the proposed arrangement for picking the next king of the heavyweights. "Titles are won and lost in the ring, and I don't want a title I don't have to fight for. But say, if this new show of mine flops, you can't tell—I may be back."

Jack spent most of his time in company with Homeboy Finnegan, Johnny Indriasano, Jimmy Maloney and Eddie Mack, the promoter. At the Braves Field he met and chatted with Jack Sharkey whose manager, John Buckley, has already announced his intention of claiming the title Tunney vacated.

Louis Firpo Decides To Re-Enter Fight Ring

AP.—Louis Angel Firpo, who all but knocked Jack Dempsey out of the boxing arena, expects to return to the United States in a few months to seek the heavyweight crown.

He told representatives of the Associated Press today that he had been indulging in light training preparatory to making a comeback. It is a cinch that Tex Rickard can make a clean up if he can get Firpo and Dempsey to face each other in the ring.

Return Fight With Sharkey Again. There were rumors that a return bout between the two Jacks might be in prospect as a preliminary to a possible re-entrance on the scene of Tunney but so far, at least, it is just talk.

Governor Al Takes the Plunge

Here's one chance for enemies of Al Smith to declare that the Democratic nomination is "all wet." Governor Smith is shown emerging from the water at Hampton Bays, Long Island, where he went for a short vacation. Looks in pretty good condition, doesn't he? Al said that after this short rest from all things political he'd be ready and rarin' for the big campaign.

Mrs. M. S. Wright, Dies This Morning

Mrs. Donnie Mae Wright 39 years 12 days, wife of M. S. Wright, passed away at her home, 6 miles west of Big Spring this morning at 8:40 o'clock. Mrs. Wright has been in ill health the past year suffering from leakage of the heart and Bright's disease.

Funeral services will be conducted at the graveside in Mt. Olive cemetery in the morning at 11 o'clock. The funeral party will leave the home at 10 o'clock. Reverend Sullivan, Baptist minister of Winters, Texas, will conduct the services.

Mrs. Wright is survived by her husband and five children, James Aubrey, Mary, Raymond J., Lorene and Bonnie Mae; her mother, Mrs. M. J. Eastham of Lou, Texas, her sisters Mrs. Emma Gaultney of Lamesa, Mrs. Sallie Cunningham of Lou, Texas, Mrs. Gracie Cunningham of Lou, Miss Maggie Eastham of Lou, and Mrs. Lola Connolly of Coleman, and one brother Alvin Eastham of Big Spring. All of the relatives will attend the funeral services except Mrs. Connolly, who is unable to come.

Heartfelt sympathy is extended the bereaved ones in this sad hour.

S. M. N. Marrs Promises Facts

AUSTIN, Aug. 2. (AP)—State School Superintendent S. M. N. Marrs, promised today to make a vigorous campaign in the run-off race for re-election. He promises to give the people of Texas some interesting and hitherto unpublished, chapters in the recent text book history.

"This will, I think, shed some light on the continued and persistent opposition to my re-election," he said.

Greater Hotel Facilities Needed Here

It is only a question of time until the owners of the various hotels in Big Spring are going to be compelled to build annexes if they hope to be able to provide accommodations for all who apply.

With the hotels filled to capacity during this, the dull season of the year it stands to reason that we are going to need greater hotel facilities when business begins to pick up this fall.

English Aviators Headed For U.S. Land in Atlantic

Captain Frank Courtney, British aviator and his three companions are today tossing in mid-Atlantic in their flying boat which took off from Horta, Azores Island, yesterday, headed for New Foundland.

Several liners had turned from their courses and were speeding to render assistance to the aviators. Apparently the crew of the flying boat had retained use of their radio, for it was by means of their radio they first made known their predicament, and they expect to use the radio to guide their rescuers to their location.

The reason for their landing has not been learned by the land stations.

Senator Vare Suffers Stroke

PHILADELPHIA, Aug. 2. (AP)—Word was received here today, that William Vare, senator-elect of Pennsylvania had suffered a paralytic stroke, yesterday, at his summer home in Atlantic City.

He had been deprived of the use of his left arm and leg, and for a time was unable to speak.

Reynolds Hat Shop Opened Yesterday

The Reynolds Hat Shop on Runnels Street, in the Ediot building, opened for business yesterday and a good crowd visited the new millinery and ladies store throughout the day. Attractive new fixtures have been installed and a pretty array of new fall millinery, and other accessories for matron and miss were on display.

Miss Irene Herring was the lucky winner of a pretty hat, each one attending, registering, were given an opportunity to win.

Those not able to visit the new shop on the opening day are cordially invited to visit at any time.

Carload Of Poison To Arrive Monday

Those wishing to save money on Calcium Arsenate are requested to have wagons or trucks at the railroad track in Big Spring Monday, as the poison is due to arrive on that date. It can be sold at seven cents per pound if delivered direct from the car but a higher price will be charged if this has to be unloaded and stored. Save money by securing your calcium arsenate direct from the car.

Mr. and Mrs. J. W. Crouse and daughter after a visit in this city with Mr. and Mrs. M. L. Musgrove left this morning for their home in San Antonio. Mrs. Musgrove accompanied them to San Marcos, where she will visit relatives and friends.

Dr. and Mrs. T. M. Collins plan to leave Sunday morning for a visit to the Carlsbad Caverns near Carlsbad, N. M.

Our Postmaster General Should Hear From Us

Big Spring Needs, and is Entitled to Larger Postoffice Quarters. Not Getting a Fair Deal

Let Us Demand It

Citizens Should Acquaint the High Officials of the Needs of Our City

It has been forcefully demonstrated that Big Spring is not going to get a square deal from the U. S. Post Office Department by inaction. As long as we are satisfied with the present "cubby hole" it is certain the inspector of the post office department who has jurisdiction over this district is not going to give us any relief. His actions thus far clearly indicate that.

We thought that we were due to have larger quarters before the busy season sets in this fall, when the lease inspector made his bluff here in June. He asked citizens to submit bids on a building with a floor space of 3000 feet and that he would return July 8th to award the contract. July 8th has come and gone and August is here and the citizens who had planned to erect a building are disgusted with such tactics.

If this is the government's way of treating our citizens we believe we should let the postal authorities know we do not appreciate same.

We believe the Postmaster General should be sent a statement of the situation and he be requested to send an inspector here to decide whether or not we are entitled to larger postoffice quarters; and then persuade him to state whether or not we are going to have quarters adequate to the needs of our city. Last fall it was necessary to utilize the sidewalks, blocking them at times, because there was not sufficient space in the present so-called postoffice. And from all appearances, the post office employees who are compelled to labor under great handicaps due to the crowded condition of the present "cubby hole" may be compelled to appropriate the sidewalk and a portion of the street to handle the mail for our city.

We believe that if several hundred of our citizens would address the Postmaster General at Washington D. C. and give him the facts in the case we would see some action on that needed building, but unless this is done there is nothing in sight to indicate the inspector of this district intends to move a peg to relieve conditions during the present year.

If you haven't time to write a letter cut this article out of the Herald and mail it to the Postmaster General. If several hundred will do this it may result in Big Spring getting a square deal on the post office proposition.

Mrs. Laura Cross Buried This Morning

Funeral services for Mrs. Laura Amelia Cross, 50, who passed away Tuesday night at 8 o'clock were held this morning from the Eberley Undertaking Parlor, Rev. W. G. Bailey, pastor of the First Methodist church officiating. The remains were laid to rest in the Mt. Olive cemetery.

Surviving Mrs. Cross are seven children three sons, Bentley, Myrton and Rodney Cross of Mansfield La., and four daughters, Mrs. H. P. Oliver, Mrs. Anita Hardsway, Miss Clara Cross all of Mansfield, La., and Mrs. W. R. Perry of Big Spring.

The Salvation Army has been busy here today, coming over from San Angelo to hold services in our city.

Crude Oil Fatal To Cotton Pests

EDINBURG—Bollworms, fleas and other cotton pests are being eliminated from the farm of J. E. Jessen, who lives near Edinburg, by the simple application of crude oil to the growing stalks.

"Although I had known of this method for combating insects for several years, this is the first time I have tried it on my cotton and the results are better than I had expected," said Mr. Jessen.

The oil, Mr. Jessen said should be applied when the cotton is being cultivated, this can be done by hanging a canvas sack filled with crude oil from the cultivator. The oil seeps through the canvas and leaves a protecting film over the cotton leaves and stalks.

When dust settles on the oil it makes a thick covering through which the sun does not penetrate so easily and thus prolongs the lasting qualities of the treatment. Mr. Jessen said.

California Suspect Was Not C. C. Baze

That the man held in Modesto, California, was not C. C. Baze was seen at once when Sheriff A. C. Francis of Midland received photographs of the prisoner.

The suspect bore no resemblance to the man who is wanted for breaking out of the Midland jail where he was held on charges in connection with planting Mexicans in front of a Stanton bank and shooting them to collect the Bankers' Association reward.

The sheriff at Modesto had held a man giving his name as William Carter, following receipt of a circular sent out from the local sheriff's office describing Baze.

New Chevrolet Truck Soon Be On Market

The Chevrolet Motor Company, whose unprecedented sales and production record of placing on the road 750,000 "Bigger and Better" models since January 1, established a new mark for the sale of a new model, announces this week the addition to its line of a new utility truck. The new truck, which embodies several improvements, chief of them a four speeds forward transmission, four wheel brakes and channel steel bumper, went into production in the various Chevrolet plants July 2. It will be on view this week in dealer's showrooms throughout the country.

Believes Mineral On Rock Causes Tank Farm Fires

Some men connected with tank farm building in Midland have adopted the theory that the frequent lightning which has caused the destruction by fire of nine Magnolia oil storage tanks is caused by a mineral on the rock at that spot.

Some mineral deposit is believed to be on the rock on which the metal tanks rest, acting as a ground wire so that contact is formed when lightning plays in the air.

Most of the tanks in that immediate section are being equipped now with lightning protected roofs. —Midland Reporter.

Cowboys Pose For Cameraman

Picture Taken On Edwards Ranch Following Annual Round-Up of Cattle. Photo In Star-Telegram

A picture of eight cowboys on horseback, taken on the Edwards ranch, 20 miles south of Big Spring, appeared in today's Fort Worth Star-Telegram, with the following write-up:

Above is a scene on the W. P. Edwards Lucien Wells ranch, one of the oldest and best known in the Big Spring section, 20 miles southwest of that county seat, on the line of Howard and Glasscock counties. The eight cowboys in the picture—Big and Little—had just participated in an annual roundup when photographed. They are, left to right: Tom Belcher, Elmo Feltz, Clarence Jessup, Marjon Edwards, William Lane Edwards, Marvin McElreath, Sam Puga and Joe Puga.

This ranch is known as headquarters for the other big ranching interests owned by Edwards in Reagan and Ector counties, and contains 14 sections, managed by Marion Edwards and crew.

This ranch was first settled by Joel Rice in 1880, where he established a sheep camp at the spring which feeds into Mustang Draw. At that time, a Ranger camp also was maintained at this spring.

In 1887 Pieren and Hilburn took over this place and started the T. T. half-circle brand. In 1890 it was sold to Tobe Mabey from whom Edwards purchased it in 1900. Since then the Lazy E brand has been used. Edwards' ranching experience extends over a period of years, and at the present time he is running 3,400 head of cattle. On the Lucien Wells ranch mostly registered stock is kept, and registered bulls are raised for the other ranches.

Shortly after purchasing the Lucien Wells ranch Edwards foresaw the farming possibilities that the soil offered and planted the first cotton ever planted between San Angelo and Big Spring. Out of the first bale of cotton raised, a suit of clothes was made for each director of the West Texas National Bank. Since this time the ranch has been profitable as a stock-raising project, there now being 2,000 acres under cultivation, 1,400 in cotton and 600 in grain sorghums. This land is considered some of the best farming land in Howard county.

Besides ranching, Edwards is interested in the West Texas National Bank and for a number of years was president of the institution, now acting as vice president. He is a member of the W. P. Edwards Cotton Company, exporters, buying and exporting large quantities of cotton from Howard county and vicinity each year.

CITATION BY PUBLICATION
 No. 1230

THE STATE OF TEXAS:

To the Sheriff or any Constable of Howard County, Greeting:

YOU ARE HEREBY COMMANDED TO SUMMON Clara Irene Halbrook by making publication of this citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your county, if there be a newspaper published therein, but if not, then in any newspaper published in the 32nd Judicial District, but if there be no newspaper published in said Judicial District, then in a newspaper published in the nearest district to said 32nd Judicial District, to appear at the next regular term of the District Court of Howard County, to be held at the Court House thereof in Big Spring, Texas, on the 1st Monday in September, A. D. 1928, the same being the 3rd day of September, A. D. 1928, then and there to answer a petition filed in said Court on the 13th day of July A. D. 1928 in a suit numbered on the docket of said Court No. 1235, where R. W. Halbrook is plaintiff, and Clara Irene Halbrook is defendant and said petition alleging that plaintiff is a bona fide inhabitant of the State of Texas and has resided in said State for more than twelve months prior to the filing of this petition and has resided in Howard county, Texas for more than six months next preceding the filing of this suit and alleging that plaintiff and defendant were legally married April 2nd, 1925 and lived together as husband and wife on or about February 10th, 1926, when on account of the cruel and harsh conduct of defendant toward plaintiff he was forced to permanently abandon her—that defendant often cursed and abused plaintiff and called him vile names and had done so since about three months after their said marriage—that on or about July 4th, 1928, defendant associated with another man and allowed him to embrace her; that on or about the 10th day of February A. D. 1926 defendant again associated with various men and went out with two men in a car on that date and all of them were drunk and plaintiff remonstrated with defendant, tried to get her to go home and she cursed and abused him and told him she did not love him but did love another man and that she would go out with other men when she got ready—plaintiff alleging that such conduct is harsh and cruel and renders their further living together as insupportable—he prays for divorce and for cost of suit.

Herein Fail Not, but have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Witness, J. I. Prichard, Clerk of the District Court of Howard County.

DALLAS, Texas, August 1 AP.—Two firemen were slightly injured when a fire destroyed the plant of the Pure Foods Products Company here today. The damage is estimated at \$30,000.

City's Future Is In Hands Of The Citizens

Our Oil Fields Are Sufficient To Build A City Of 50,000 Population

We Must Do Our Part

The Citizenship Must Be On Alert To Do Their Part To Promote This Growth

Most of our people do not seem to realize what it is going to mean when the four big refineries get under headway in Big Spring. In the first place it is going to mean the investment of millions of dollars in buildings, machinery and equipment. Next it means hundreds of thousands more invested in pipe lines to bring the oil to refineries. It means that we have a market right here at home for 48,000 barrels of oil per day.

The refineries will be shipping out about one trainload of gasoline each day in addition to fuel oils. Other factories will naturally locate here to manufacture products from the by-products of the refineries.

Big steel works prepared to manufacture storage tanks and other oil field supplies, tank car companies will have shops for rebuilding new cars and repairing bad order cars. More and more supply companies will be seeking headquarters here because oil men know oil development is going to be in force here for a long period of years. The railroad will naturally profit from the increased business from oil production and will carry out an extensive building campaign and be compelled to maintain larger forces in the transportation department.

The prediction that Big Spring is due to attain a population of 25,000 within the next two years, is not at all unreasonable.

We have been growing steadily and surely and any day this growth may take a sudden spurt which will have the nation gasping.

Prosperity For Oil Fraternity Is Now Assured

Now That the Curbing of Production Causing Increase In Crude Prices, Confidence Restored

Big Developments Due

Oil Men Very Much Encouraged Over Outlook For Future and Are Planning to Extend Their Operations

Crude oil prices in inland Texas, including West Texas Permian Basin, Panhandle and East and West Central Texas were advanced by the Humble Oil and Refining Company, effective at 7 o'clock Thursday morning. Coincident with the Texas advance, a like advance was posted in Oklahoma and Kansas by the Carter Oil Company which like the Humble is a subsidiary of the Standard Oil Company of New Jersey.

The increase was the first general advance since August, 1926, although light oil prices had received a slight adjustment on Feb. 21 of this year. It marks, oil producers hope, the reversal of a trend which started in November, 1926, when a price cutting movement was initiated by the Humble and other New Jersey subsidiaries.

Unchanged Since March

The bottom of the market was reached on March 12, 1927, and the prices remained unchanged largely since then. Though the price advances figured only a few cents per barrel, in addition to being accepted as a sign of changed conditions for the better in the industry, they will mean an increase in return to producers of Central and West Texas areas of something like \$1,500,000 per month.

Since the low prices have represented little more than the cost of production, except in flush stages of new wells, it restores a margin of profit to the producing branch of the industry for the first time in many months. This is figured on the average grade crudes in the various fields.

The advance, announced by the Standard of New Jersey subsidiaries is expected to be followed by all other large purchasers, as improved conditions and prices in the refining division, which have been under way for weeks, has resulted in considerable pressure from producers for passing along part of the benefit to them.

The increase was effected by instituting a 5 cent upward differential in price for each degree increase in Baume gravity crude above 22, with prices for the latter unchanged. In the light oil districts, on an average grade this represents an increase of 14, to 16 cents a barrel. Below 22 the price is cut 7 cents for each decrease of 1 degree. However, practically none of this class of oil is produced and the figure is largely a paper one.

Increases in the Panhandle were handled in the same manner, with a change of 1 or 2 degrees in the base gravity selected.

West Texas Permian Basin crudes, which have commanded a flat price of 50 cents, were increased 5 cents per barrel to 55 cents. Changes in detail are as follows:

Panhandle increases were handled in the same manner, except that different base was picked in several instances, and the gain was proportionately higher. The differential between prices for Panhandle crude and crude of the same gravity in the sweet oil districts was decreased. Panhandle prices being brought several cents nearer Mid-Continent price levels.

Carson and Hutchinson crude now commands 40 cents per barrel less than crude of the same gravity in the Mid-Continent. Wheeler county crude now commands 30 cents less and Gray county crude now 20 cents less. Before the present price schedule the difference was 46 cents, 36 cents and 28 cents respectively. The degree in which Panhandle crude fared better than that in other areas is indicated by the fact that on Mid-Continent crude of 40 Baume gravity the price increase is 16 cents. While on Gray county crude of the same gravity the new prices represent a gain of 20 cents per barrel.

All-Weather Tire Co. Is New Enterprise

Another new enterprise will open for business in Big Spring about August the 5th, same to be known as the All Weather Tire Co. Inc. J. E. Price will be local manager, with other parties interested in the business. The All-Weather Tire Co. will be located in the building formerly occupied by the Culp Motor Company, at 311 Main Street in the same building with the Auto Supply Co., of which Mr. Price is owner and manager.

Good-Year tires, the All-Weather tire, will be handled by these tire dealers.

The building will be remodelled and improved, and just as soon as work of same is completed, the new firm will be open for business.

J. I. Prichard and family plan to leave tomorrow for a two weeks auto trip to points in the state of Colorado.

Knocks Out All Comers!

We know a champion when we see one. And this new-type All-Weather Tread Goodyear Balloon, brand-new 1928 model, is a winner. It has won the title of "The World's Greatest Tire" by its outstanding performances on the road. Millions of motorists support this popular decision and we are ready to back up its claims.

For longer wear, for increased safety, better traction, more peace-of-mind, and long slow wear—this is the tire you want.

Come in, see it, be tire-wise. Know why more people ride on Goodyear Tires than on any other kind. It costs no more.

R.R. Official Surprised At Oil Development

A. P. Prendergast Pays First Visit To Big Spring and Predicts Developments Due for 25 Years or More

Manufacturing Center

Big Spring II City Provides A Water Supply Sufficient To Meet the Needs of the Situation

A. P. Prendergast of Dallas, superintendent of machinery of the Texas & Pacific railway was here He was taken for a visit to the oil field southwest of Big Spring Monday evening.

This was his first trip to the field, and he was truly amazed at the big development in prospect.

He said he had been hearing of the oil fields near Big Spring but had no idea they were of such magnitude. When informed that production could be secured from all sands at four different depths, he admitted that oil was quite certain to play a big part in the growth and development of Big Spring during the next twenty-five years or more.

He said if the citizens of Big Spring would get up in the collar and provide a water supply adequate to meet the needs of a city of from 25,000 to 50,000, Big Spring would stand a good chance of becoming a big manufacturing center. He said the oil development would call for tank building factories, tank car shops, machine shops and other plants to handle the products of refineries.

He said no city had greater possibilities for a greater increased growth if we solve our water problem in a big way.

Magnolia Company To Use Rotary Rigs

The Magnolia Petroleum Company is having all standard tools formerly used in the oil fields southwest of Big Spring stacked and has ordered rotary drills to be put in service. Many of the drillers on standard rigs are being instructed in the operation of rotary as they can continue in the service of the Magnolia Company.

The rotary has demonstrated its worth in drilling to the pay in the Howard county field in quick time and the Magnolia is getting in readiness to be in the game when the intensive drilling campaign is launched in the Big Spring section.

21,500 Bbl. Gusher In Winkler County

The Skelly Oil Company has secured what is considered the largest gusher in the United States at the present time in its latest test in the Hendricks pool of the Winkler County field.

It is estimated to be flowing 900 barrels per hour, or 21,000 barrels per day. The well has not been completed due to the heavy flow.

Magnolia Pet. Co. To Build Second Pipeline

The Magnolia Petroleum Company is making preparations to build a second large pipeline from Ranger to the oil fields of Howard, Winkler and Pecos counties. This line will be laid parallel to its trunk line which passes through Howard county a short distance south of Big Spring and will be about forty feet from the present line.

J. E. Semple of Dallas was here a few days ago to confer with land owners on a right of way for the line.

World Oil Co. Drives Ahead Despite Rain

In spite of the general rains throughout West Texas, lasting for periods of from twelve to seventy hours during last week, delaying truck movements and causing shut downs in the oil fields, World Oil Company's Bunker "Wildcat" No. 8 in Glasscock County made an average of 100 feet of hole a day, and is now drilling below 1,500 feet, and other operations of the company made good progress.

It is believed the bottom of the salt was reached around 1,500 feet, which makes it look like the well is running thirty-five to forty feet high. The formation at the present depth is lime shale. If this well continues to make as good time, with no accidents, as it has in the past it should be getting casing on top of the 2,500 pay within the next two or three weeks.

Merrithew Oil Company's McDowell No. 1 located about one and three quarter miles southwest of the Bunker "Wildcat" No. 8, is fishing for a baller at 3,560 feet. The next producing horizon expected in this well is at 3,732 feet and those interested in it were getting ready for an early test of the well when a baller was lost in the hole.

Tulsa Rig & Reel Co. To Locate Here

The Tulsa Rig & Reel Company with headquarters at Tulsa, Okla., are planning to open a big supply house in Big Spring.

This firm handles rig umbers and other oil field supplies and is one of the largest oil field supply houses in the South.

Roxana Test in Glasscock County

Roxana Petroleum Corporation No. 1 R. L. Boston in section 30, block 34, township 4 South, T. and P. Ry. Co. survey in Glasscock county is now drilling below 3,315 feet, 555 feet in the lime.

It is stated that the Roxana plans to drill another test one and one half miles east of the present well.

Much Activity To Result From This New Strike

The Pay Was Topped at 3085 Ft. at Noon Today. This is 135 Feet Deeper Than Other Big Wells

Big Play to Result

The Extension of the Field Will Cause a Number of New Tests to be Started at Once

About the best news of the hour is the announcement that Cosden and Company, Inc. has the making of a good well in their Roberts No. 1 on the Dora Roberts ranch about twelve miles southeast of Big Spring. For the past few days the oil men and others had come to the conclusion that Cosden and Co. were going to be able to beat the "first duster" of the Roberts field, but they were wrong and Cosden and Company have the credit of extending the big field one half mile to the north.

The drill topped the pay at 3085 feet at noon today, and was beginning to fill up when drillers started to pull the tools from the hole. Just what the production is going to be cannot be determined until the well has been drilled in.

Cosden and Company's Roberts No. 1 is located near the southeast corner of the southwest quarter of section 129, block 29, Waco and Northwestern survey. Cosden and Company have a lease on six hundred and forty acres in that immediate area, and have three tests drilling on this tract.

The Cosden and Co. Roberts No. 1 failed to pick up the sulphur water encountered in all other deep tests in the Roberts big time just before the oil is found around the 2950 foot depth.

The elevation of the Cosden test is given as 2787 feet and the lime was topped at 2192 feet.

The finding of this oil is indeed wonderful and adds to the prophecy made by many that the oil pools in the Big Spring area are going to prove the best, most extensive and certain to be producing for twenty-five years or longer.

The bringing in of the well will be an incentive for Cosden and Co. to speed up the completion of their big refinery here.

Now that Cosden No. 1 is in it is practically certain that their No. 2 and 3 are going to top the pay. And the Amerada's Steward No. 1 offsetting Cosden's Roberts No. 2 looks good.

Swede Cronwell was in charge of the drilling when the pay was encountered. Folks are going to believe Swede carries a rabbit's foot as he was in charge of drilling on several wildcat tests in this area, where the oil was found; among these being the Texon W. R. Settles No. 1 and the Texon-Marland, J. B. Harding No. 1.

MORE OIL NEWS

By S. F. BALENTINE

NEW DRUMRIGHT, Glasscock County Texas, July 31.—Cosden and Company's No. 1 Roberts in the center of the southline of section 129, drilled into a good oil showing at a depth of 3085 feet at noon today and shut down for orders from Cosden's office in Fort Worth. This test is a half mile north of the F. H. E. Oil Company's Roberts No. 1, which is a good producer from pay topped at 2950 feet.

This hole is carrying about a baller of water an hour from 2770 feet and has open hole from 2,000 feet, at which depth the eight inch casing is set. The next move will undoubtedly be to run the six inch pipe to 2950 feet where the hole was reduced. The oil showing was found in gray lime showing a little sand and it will require more drilling to determine the extent of the pay horizon.

Cosden and Company's No. 2 Roberts located in the southwest corner of the same section is bailing to learn if they have a water shut off at 2935 feet where the six inch casing was set but not cemented. This test picked up a hole full of water at 2880 feet, which seems to be running true to form with the producing area of the field. Amerada's No. 1 Stewart in the southeast corner of section 129 and offsetting Cosden's No. 2 is rat-holing at 2315 feet, feeling out the formation.

On the southwest side of the field where a great deal of attention is now being centered, the F. H. E. Oil Company's No. 1-C Roberts in section 156, is drilling at 2875 feet, having just passed thru another slight showing of oil. Evans Oil Company, Glasscock Bros., is drilling below 1300 feet. More than 600 feet was made in this hole in 24 hours with the rotary tools. This is the hole Mike Glasscock has scheduled to have completed and the oil turned into the tanks by August 25.

The three tests offsetting the Merrick and Bristow producer in the southwest corner of section 137 are: Sprague Oil Company drilling below 2000 feet; Schermerhorn Oil Company drilling below 1770 feet; Owen and Sloan, Cosden drilling below 2250 feet.

Magnolia to Increase Pipe Line Capacity

MIDLAND, July 28.—Capacity of the Magnolia pipe line from Midland to De Leon is being increased by looping the line from De Leon to Morita. The amount of oil transferred by the line also will be increased by the construction of an additional pumping plant on Magnolia's farm at Midland.

Ten new oil tanks have been contracted by Magnolia, nine of which will go on the grades of tanks which burned here during lightning storms. Contracts were let to Mount Cooper Boiler and Iron Works and the United Iron Works.

Culberson Is Scene Of New Oil Discovery

Grisham-Hunter, Deep Rock III 500-Barrel Well of High Grade Oil At 1,433 Feet

The first commercial production of sweet oil discovered west of the Pecos river has been struck in Grisham-Hunter Corporation's Deep Rock's No. 3 test in Culberson county, four and one-half miles north of the Texas Pacific railway station of San Martine, according to reports of the home offices of the Grisham-Hunter corporation here.

The well was making 500 barrels daily from a sandy formation found at 1,433 feet in the anhydrite. The oil tested 38 degrees gravity. The production formation is said to be correlated in the Permian. The surface structure is described as cretaceous.

This is the sixth well drilled in this structure, and the fifth by Grisham-Hunter and Deep Rock. The oil showing at this horizon was found in other tests but not in producing quantities. The anhydrite in which the pay is found was 13 feet thick in one test, and six feet in another, according to R. C. Grisham.

The well is located in the northwest quarter of section 28, block 50, township 7, Culberson county.

Considerable interest in major operators' circles was being manifested yesterday in this sensational discovery.

Chas Koberg of Big Spring drove out from Toyah to see the well in section Wednesday and stated it certainly looked good to see the liquid gold flowing over the derrick. The well flows by heads. At first the flow came every twenty minutes but the time he was there one hour and fourteen minutes elapsed between the flows. Each flow was estimated at about 15 barrels, continued for about six minutes.

This well is about 27 mile distant from Toyah and seven or eight miles from San Martine.

Oil Development Going Forward At Steady Pace

The Cosden and Amerada Tests on the North Edge of Roberts Pool Hold Interest

New Road Progress

New Buildings Continue to Make Appearance at New Drumright and Other Oil Field Towns

By S. F. BALENTINE
New Drumright, Glasscock county, Texas, July 30.—Cosden and Company's No. 1 Roberts was drilling this morning at 3040 feet, the same company's No. 2 Roberts located in the southwest corner of section 129 is running 6 5/8 inch casing at 2930 feet. Amerada's No. 1 Stewart offsetting Cosden's No. 2 on the west drilling at 2890 feet.

Evans Oil Co. 156 Feet
Evans Oil Company in section 156, offsetting Cosden's producing property recently bought from Lockhart and Company, is drilling below 660 feet. Glasscock Brothers are drilling this test with rotary tools and expect to have the hole completed and the oil turned into the tanks before the 25th of August, or within 30 days from the time of starting. The F. H. E. had their No. 6-E Roberts in the tank in exactly 30 days with rotary tools.

Amerada's No. 1 Roberts is drilling below 2300 feet. This test is being completed with standard tools. The eight inch pipe was set at 2135 feet at which depth the equipment was changed to standard.

Read to be Improved
"If the rain lets up for a few days," Commissioner Childress said, "grading will start on the new county road from the oil field intersecting Highway No. 9 at New Drumright, and running west to connect with the Garden City-Big Spring highway."

At The Laurel Oil Co. Test

The Laurel Oil Company has been drilling up a baller which was lost in their test well on section 12, block 31, township 1 North on the C. D. Read ranch north of Coahoma. This test is between 2000 and 2100 feet deep.

MICHELIN 1 year Guarantee

against road hazards

We are now selling the world's best tire, Michelin, with a 1-year guarantee against blow-outs, cuts, stone-bruises, under-inflation and other road hazards

THE super-quality of Michelin Tires enables us to sell them with a 1-year guarantee against blowouts, cuts, stone bruises, under-inflation and other road hazards. We know that Michelines will give you more mileage than any other make unless they are injured by accident. But even accidents cannot rob you of full mileage, if you buy your Michelines here. You simply cannot lose.

During the past two years, reports have been received from over 3000 motorists who were testing Michelines against other makes. These motorists were picked entirely at random; therefore, you may be confident that your experience will be like theirs. More than 80% of them reported that Michelines gave more mileage than the other tires they were using. Of the remainder, only a few said Michelines gave less mileage; and these few exceptions, we are sure, were due to accidents. That's where our 1-year guarantee against road hazards comes in.

Michelin has the best tire; we have the best selling policy. The combination gives you the greatest certainty of tire satisfaction. Remember that when you need tires.

Time was when it took courage to go "A. W. O. L." Bosses once begrudged their workers the 5 minute trips to the soda fountain or bottle bar. The New Gospel of "drinking a bite to eat," at 10, 2 & 4 o'clock has converted them.

Now-a-days, the wise ones give three routing cheers and join the crowd for relaxation and nourishment at these mid-meal fatigue hours. It perks-up drooping steno's and puts new pep in everyone. All workers work better if they get their "3-a-day." It keeps energy up. No longer must you go "A. W. O. L." ... it's "A. W. F. A." now ... and that means, "absent with full approval."

CARD OF APPRECIATION

I wish to extend thanks and appreciation to the many friends throughout the county for their vote and influence in the race for Public Weigher. While I was not successful, I nevertheless appreciate your confidence in me and the good will you have shown toward me.

I went into this race hoping to be the winner but since I am not, I am determined to eat my crow and let others do the complaining. Again thanking my friends for their support, I remain,

CARD OF THANKS

We wish to express our thanks and appreciation for every kindness and expression of sympathy during the illness and death of our darling mother and sister.

Especially do we thank those of you who sent the beautiful floral offerings. May God bless you in your prayer.

THANKS TO THE VOTERS

To the voters of Howard County, who voted for me in the July Primary and made it possible for me to be in the lead in the race for Public Weigher in Precinct 1, I wish to extend my sincere thanks and appreciation.

It is my intention to see each and every voter between now and then if at all possible to do so. If I am elected I will fulfill the duties of the office and treat each and everyone fair and square.

CARD OF THANKS TO THE VOTERS

I wish to take this method of expressing my sincere thanks to each and everyone who cast his or her vote in my favor in the recent primary. I appreciate your influence and trust that I may enjoy your good will and vote in the second primary on August 25.

It is my intention to see each and every voter between now and then if at all possible to do so. If I am elected I will fulfill the duties of the office and treat each and everyone fair and square.

NOTES FROM ELBOW

Our Baptist meeting was a great help to our community with Reverend Morton conducting the services. We had eighteen conversions.

Good rains have been received throughout our community and crops are doing well. Reverend Horten will start a meeting at Lee's store, on Friday night, August 3rd.

VOTERS, LISTEN!

I am mighty well pleased with the manner in which you people cast your votes for Constable last Saturday; you have been kind to me, and I assure you that when I am elected I shall ever bear in mind your kindness and confidence and make you the very best Constable possible.

CARD OF THANKS TO ALL VOTERS

I wish to thank whole heartedly those voters who have upheld me so well in the recent primaries. The fact that I received the largest number of votes has shown me that you have confidence in my ability to fill the office of sheriff capably and I wish to say that if you will support me as well in the run-off as well as you have in the primary I will do my best to uphold your confidence in me.

THANKS CITIZENS OF HOWARD COUNTY

I wish to deeply thank the many good friends throughout the county for the loyal support accorded me in the race for public weigher of Precinct One. As I will be in the run-off which is to be decided in the second primary, Saturday August 25, I will appreciate it if you will again honor me with your vote and influence.

THANKS TO THE VOTERS OF HOWARD COUNTY

I wish to express my very sincere thanks to the people of this district especially Howard county, for the splendid vote given me in the primary Saturday. With returns practically complete, I am leading my nearest opponent by over one thousand votes.

NOTICE TO VOTERS

I wish to sincerely thank each and everyone who cast their vote in my favor in the July Primary, Saturday. In spite of the fact that I did not win in the race for County Superintendent I have no ill feeling toward anyone, and appreciate the influence and support of my friends. Let me thank you one and all again.

NOTICE TO VOTERS

I wish to thank those who cast their vote for me in the primary, July 28. I appreciate the influence and support of my friends.

CARD OF THANKS

We wish to sincerely thank our friends for the many loving deeds and expressions of sympathy, when we were called upon to suffer the loss of our precious wife, and daughter. We shall ever remember your thoughtfulness, and pray that God will richly bless you each and every one.

May God bless you in your prayer. Irvin Frost, Marvin Frost, Charles Frost, Mr. and Mrs. L. B. Dempsey and family, Miss Lizzie Shewmaker, Mrs. Addie Anderson and family, Mr. and Mrs. C. L. Owen and family, Mrs. Mollie Porter and family.

CARD OF THANKS

I wish to extend my sincere thanks to each and everyone who supported me in the primary election on Saturday, July 28th. I appreciate your influence and good will, more than I can ever tell you, and if I am favored with the office, I will endeavor to fulfill the duties of the office in such a way that I can rightly say I merited your support.

To all those who gave me their support and the benefit of their influence in the recent primary, I wish to express my heartiest thanks and appreciation.

Also, I would urge those who did not vote for me at that time to reconsider, and if upon due reflection, you see fit at the second primary on August 25th, to give me your vote, I shall be very grateful and I assure you, if elected your County Superintendent, I shall put forth all my best efforts in the welfare of all the children throughout Howard county.

CARD OF THANKS TO THE VOTERS

I wish to take this method of expressing my sincere thanks to each and everyone who supported me in the July primary. I appreciate your vote and influence and although I was defeated, I harbor no ill feelings toward anyone, but only the kindest feelings toward all.

CARD OF APPRECIATION

I take this method of expressing to the good people of Howard county my sincere appreciation for their goodwill and friendship as expressed in their vote for me in my race for county and district clerk.

I shall ever remember and treasure the many kindnesses and favors that have been extended me and any time I can return a kindness I want one and all to know that I am ever ready and willing to serve the big hearted citizens of Howard county.

CARD OF THANKS TO VOTERS OF HOWARD CO

I wish to express my deep and sincere appreciation to the voters of Howard county for their loyal support in the July primary. It was through your good influence that it was possible for me to be re-elected to the office of Justice of the Peace, and I appreciate the confidence you have placed in me. It will be my endeavor at all times to faithfully and conscientiously fulfill the duties of this office in a most efficient manner, and if ever I can be of assistance to any one of you, I ask you to call on me without fail.

THANKS TO THE VOTERS OF HOWARD COUNTY

I wish to express my very sincere thanks to the people of this district especially Howard county, for the splendid vote given me in the primary Saturday. With returns practically complete, I am leading my nearest opponent by over one thousand votes.

CARD OF APPRECIATION

While I regret I am unable to thank the good people for electing me to the office of Sheriff and Tax Collector, I can and do sincerely thank my many good friends throughout Howard county for their unfailing kindness and their good will. And especially do I wish to thank the loyal friends at Coahoma who gave me four times as many votes as they did my next nearest opponent. Such friendship as this makes a fellow feel that such a thing as true friendship still lives.

I have no ill feelings toward anyone and am going to be just as good a friend to the fellow who didn't vote for me as I have always been.

I certainly want one and all to know I appreciate all the favors shown me. Yours truly, B. F. (BUD) MCKINNEY.

Mr. Shanks praised Big Spring as a city with a future, due to unusual resources, with the railroad business, oil business and with such a vast amount of fertile farm land. He believes Big Spring has possibilities not dreamed of by even the present Big Spring booster.

I wish to take this method of expressing my sincere thanks to each and everyone who supported me in the July primary. I appreciate your vote and influence and although I was defeated, I harbor no ill feelings toward anyone, but only the kindest feelings toward all.

CARD OF THANKS

I wish to thank all those who supported me in the recent primary election on July 28 for Tax Assessor. Although defeated, I have only the kindest feelings for those who did not support me.

CARD OF APPRECIATION

I certainly want the good people of Howard county to know that I deeply appreciate the many favors they have bestowed upon me; and in return therefor I shall ever put forth my very best efforts to faithfully serve as your Tax Assessor.

I indeed appreciate the good will of all who voted for me and I do not feel any ill will towards those who voted for another.

This is a free country and all have the privilege of voting for the one they believe will best serve the people.

I indeed thank one and all and shall ever appreciate your kindness and good will. ANDERSON BAILEY.

TO THE VOTERS OF HOWARD COUNTY

I wish to take this method of expressing my sincere appreciation to the voters of Howard County for their loyal support in the recent primary. Your vote is doubly appreciated since I was unable to make a house to house visit and present my claims in person.

I know each one voted as they saw best and I harbor no ill will toward anyone who cast a vote against me.

I cordially invite one and all to visit me at any time. I assure you that the same careful attention that has been given the duties of this office in the past shall continue in the future. Gratefully yours to serve, E. G. TOWLER

VINCENT ITEMS

July 30 1928. Mr. and Mrs. W. E. Holmsly entertained with a party last Wednesday night. Everyone reports a nice time.

George McCorkle Jr. of Crane is visiting here with his parents, Mr. and Mrs. George McCorkle, this week.

Mr. Ted Bishop spent the weekend at Abilene. Miss Bethel Harding of Abilene is here visiting her mother Mrs. S. J. Harding.

Troy Christian and Jerry Harding were business visitors to Crane last week. Mr. and Mrs. Ernest Harrison and Mr. and Mrs. Curtis Rainer of Shreveport La. are visiting here with Mr. and Mrs. George McCorkle.

Mrs. Bettie Richards who for some time has been visiting her daughter Mrs. W. N. Irwin of this community left Sunday for Sweetwater where she will visit relatives. She was accompanied thither by her son Mr. Hugh Richards also of this community.

Mr. and Mrs. George McCorkle entertained the young people with a party last Saturday night. Several games were played after which the merry guests departed thanking host and hostess for so nice an entertainment. —Reporter

SALEM NOTES

Rev. L. A. Thigpen, county missionary of Howard County, began a night series of meetings at R-Bar School house Sunday. Singing led by Truett Thomas of Fairview. Attendance was good both services, as the news spreads we hope to have an increased audience.

Mrs. Jack Martin of Kansas City, Mo. and Mrs. Ed Martin were pleasant afternoon callers on Mrs. B. F. Miller Tuesday afternoon. V. M. Skinner left Sunday for his home at Cooper to spend a few days.

Mr. and Mrs. Elmer Dunn and family of Coahoma and Mr. and Mrs. Allen Rogers spent Saturday night with Mr. and Mrs. S. T. Newsum. Dr. Wolfe of Big Spring vaccinated 410 White Leghorn pullets for Elmer Lay Monday morning against the roup and other diseases Mr. Lay plans to have better than 700 laying hens this fall and winter.

Mr. and Mrs. E. F. Miller entertained a number of friends and relatives in their hospitable home Sunday. Mr. and Mrs. W. H. Robinson are attending the Methodist meeting at Coahoma, conducted by Rev. Bailey of Big Spring and Rev. Cochran of Coahoma. The farmers are rejoicing over the recent fine rains which have fallen in our vicinity the past week. The sunshine and the wind is very much welcomed which it takes to put the ground in condition to cultivate. We are assured a bountiful yield both of feed and cotton if the best or some other calamity don't befall the fast growing and maturing plants. Mrs. Mary Wilson was expected to arrive last week to see to the hanging of the new curtain but for some reason did not come, probably owing to the heavy rain she was unable to reach us in due time.

Society News Notes

Warren Baxley Celebrates 7th Birthday Anniversary

Warren, son of Dr. and Mrs. C. D. Baxley, was the honoree at a happily planned party, Tuesday afternoon, given in honor of his seventh birthday anniversary. Twenty six little guests were invited to the pretty Baxley home on South Scurry Street where they made merry during the play hours. The beautiful lawn was the scene of the party, and it was made festive with vari-colored balloons, hanging overhead. After the out-of-door games, the little folks were invited into the dining room for refreshments. Centering the dining table was the prettily decorated birthday cake, topped with seven lighted candles. A pink and green color scheme was featured in the party details, and brought to a climax at the refreshment hour. Icy-Pies and Angel Food cake were served. Party favors were balloons, and other little gifts which they drew from a fish pond.

Warren was the recipient of many dainty gifts. Those enjoying the party with the honoree were: Virginia Hillard, Rozelle Stephens, Winifred and Robby Piner, Gene Hardy Flewelin, Gladys Montin, Mary Louise and Bill Inkman, Doris Cunningham, Mary Jean and Herb Lees, Jr., Royce Cochran, Grover Cunningham, Jr., Eddie Ray and John H. Lees, Christine and Bonnie Wingo, Mary Settle, Evelyn Muriel Jeff, Fred Phillips, Jr., Bobbie McNew, Frank Courtney and Warren Woods.

Out of town guests were, Betty Noel of Dallas, Ernestine Green of Rosebud and James L. Kent of Post.

Mrs. G. S. True Delightfully Entertains at Bridge Tuesday

The lovely home of Dr. and Mrs. G. S. True was the scene of a gay hospitality on Tuesday afternoon, when Mrs. G. S. True delightfully entertained six tables of bridge enthusiasts in a setting of charm.

Interest was high in the games of the afternoon, and to Mrs. Victor Mellinger went the honor of high score in the play. At the refreshment hour, a tempting two course luncheon consisting of chicken a la king, creamed potatoes and peas, tomato and lettuce salad, bread and butter sandwiches, olives, iced tea, ice cream and cake was served in a dainty way.

The personnel to this delightful affair included: Mesdames J. D. Biles, W. D. McDonald, H. D. Hilliard, Gus Pickle, E. O. Ellington, Jno. Clarke, Hobb Everett, Victor

CARD OF APPRECIATION

I take this method of extending thanks and appreciation to the citizens of Howard County for giving me their kindly consideration in my race for Sheriff and Tax Collector. I had assure them I will doubly appreciate their good will support and influence in the second primary Saturday August 25.

I am in the race to the finish to give the citizens an opportunity to say by a majority vote who they desire to service them. I have no criticism to make of any man, and assure you that win or lose, I intend to remain in Big Spring, as this is my home and I will always be found aligned with the citizens who are working to insure law enforcement in Howard county. If you can see your way clear to support me I shall certainly appreciate it, but if you vote for my opponent, that is your right and privilege, and I am not falling out with anyone for exercising his right. FRANK HOUSE.

Delightful Bridge Function in True Home, Edwards Heights

One of the loveliest parties of the week was the affair given at the pretty new home of Dr. and Mrs. G. S. True in Edwards Heights Thursday afternoon, with Miss Lucille True, Winona Taylor and Alice Graham Bishop, co-hostesses, entertaining friends at bridge.

The lovely rooms of the home, rich in pretty furnishings provided a charming setting, wherein the bridge tables were arranged for the play. Dainty bridge accessories marked each table and by tables of attractive design the guests were directed to their places.

Eight tables of bridge enthusiasts found interest in the card games of the afternoon and at counting time when scores were compared, high score honor went to Miss Frances Sullivan. She was favored with a bottle of bath salts. Miss Mabel Eddy was consoled for making low score with a vanity.

Dainty luncheon covers were spread at the tea hour, and a delectable plate luncheon was served in a dainty way to: Misses Mamie Hair, Mary Happel, Lillian Shick, Valeria True, Mabel Eddy, Mary Jo Alderson, Frances Melton, Dorothy Jordan, Nell Brown, Louise Jordan, Ruth Davis, Alice Dawes, Billie Faucett, Allen Bunker, Juanita Ralph, Katherine Bettle, Agnes Currie, Frances Sullivan, Irene Knaus and Mesdames Larson, Lloyd, Sydney House, Hufley Griffith, Paul Bartram, Rufus Miller, Monroe Johnson, Terry Hornaday, Krushkemeyer and Pat Buchanan.

Mr. and Mrs. Fred Hopkins have returned from Colorado and are again to make their home in Big Spring.

Suffering With SICK HEADACHES

Mr. Charles F. Todd, of Eateburg near Waynesburg, Ky., says: "I was suffering with nervous headaches. About once a week I would have these headaches, and have to quit work, and go to bed for about twenty-four hours. I would have pains in my neck, and right behind my right ear."

"A merchant at Eateburg told me to try taking Black-Draught, which I did. "It relieved me. From that time on, I would take Black-Draught as soon as I felt like I was going to have one of those headaches—and they wouldn't come on."

"Every few weeks, I take three or four doses of Black-Draught, and I feel so well, and do my work, and don't lose any more time with headache." Get a package today.

The personnel of the party on Wednesday included Mesdames J. T. Brooks, Lib Coffee, Chas. Dublin, Hobb Everett, V. H. Flewelin, S. D. Ford, Clyde Fox, J. J. Hair, S. A. Hathcock, Victor Mellinger, J. D. Ozaheer, Victor Martin, Fred Stephens, O. E. Wolfe, Swan Jones, H. G. Whitney, J. L. Thomas, Walter Pike, M. M. Edwards, Bruce Frazier, Herb Lees, Eddie Price, A. M. Evans and Mesdames Spencer Leatherswood, Gertrude Davies and Ada Lingo.

Those attending the complimentary hospitality on Thursday afternoon were: Mesdames J. D. Biles, John Clarke, L. W. Croft, E. O. Ellington, A. M. Evans, J. M. Frazier, W. B. Hardy, Eb Hatch, Harold Robb of Dallas, H. D. Hilliard, R. H. McNew, John Nosteline, Shine Phillips, Thomas Woods of Oklahoma, R. C. Strain, Eddie Price, R. Richardson, J. Y. Robb, A. Williams, E. H. Gas Company Makes Many Improvements

BARTLESVILLE, Okla., July 30. AP—Cities Service Gas Company announced that new compressor stations are to be built at Higgins, Texas, and Corwin, Kansas. Stations at Mooreland, Okla. and Pampa, Texas, have been enlarged by the addition of a thousand horse-power units in each.

Potter Released From Local Team

Today it was announced that Lefty Potter, southpaw hurler for the Big Spring Springers, was unconditionally released. It was necessary for Potter to go as with him there was one more man on the roster than the rules provide. The fans regret that he is no longer on the team, and it was evident also that Ponken, also a southpaw, would join Potter in the ranks of the also-beans, as he has not been able to puzzle opposing teams. With the expected release of Ponken another southpaw will be signed, probably Lee Babers, who has hung up an impressive record with the Big Spring semi-pro teams for the past two years.

Borden County Has Never Sent a Person To State Penitentiary

Borden County in West Texas claims a record that probably can not be equaled by any other county in the State. Organized in 1891, thirty-seven years ago, the county has never sent a person to the penitentiary. Borden County counted only 334 poll tax receipts this year, the county being mainly given over to large ranch interests.

The county also has an oil test drilling sixteen miles northeast of Gail, county seat, by the E. L. Doherty interests. Extensive leasing is being recorded in all sections of the county, and with a new highway being agitated as an auxiliary route to Roswell off the Dal Paso Cavern highway, Borden County people feel that they are coming into their own.

Suit For Lease Sale Commission is Filed

Suit for a \$20,000 commission on the sale of the Dora Roberts lease in Howard County to the Cosden Oil Company for \$450,000, was brought in federal district court Friday by Minnie L. Clark, Breckenridge.

The suit was filed against Lockhart and Company, charging the non-payment of the commission under a verbal agreement. The plaintiff is represented by David McCall and Joe Greathouse.

O. B. Franklin was arrested by Sheriff O'Bas of Tye, Texas last week while caught in the act of burglarizing a store at that place.

Two Wrecks In The Local Yards

Two wrecks took place in the local freight yards of the Texas and Pacific railway Sunday. A switch engine pulling a long string of freight cars encountered a broken rail, east of the T. and P. shops and almost toppled over as it left the track. Four or five cars were thrown off the tracks when they tried to pile up on the partly overturned engine.

The accident took place around five o'clock in the morning and traffic was tied up a short time until the tracks could be cleared. It was late in the afternoon before the engine was picked up. Another slight wreck took place in the east end of the yards when some freight cars were pushed through a switch.

The Old Settlers Dance Lasts Till Wee Sma' Hours

"Swing around the lady—now around the gent—join hands all—" and Jean Crenshaw's voice dominated the music and the talk and laughter of the crowd as he called the figures for the old fashioned square dance at the free-for-all dance given by the Old Settlers' as a culmination of their day of revelry at Parrish Park Friday night.

Jim Winslow swayed with his violin and patted his foot as he spun tune after tune, from "Arkansas Traveler" to "Turkey in the Straw," out of his well known fiddle.

Reagan Picnic At Richland

Plans are being perfected for the Reagan All-School picnic at Richland Springs on August 2. This is an annual affair and is always looked forward to with much interest.

The picnic was first started in honor of B. Reagan, former school-teacher of Richland Springs and San Saba county, but has since broadened in its view and developed into an all-school affair, still honoring Mr. Reagan.

A program has been arranged whereby a number will speak. Each speaker is limited to five minutes with about a dozen on the list. Others on the program include present day professors in schools in San Saba county as well as professors of days that are gone but not forgotten.—News, Brady.

Sheriff Frank House was called to Knott Sunday night to arrest two young men who resisted the local officer who attempted to arrest them on a misdemeanor charge. The two could not be located Sunday night but were rounded up Monday.

Mr. and Mrs. J. B. Wynn and Mr. and Mrs. Fred Wynn plan to leave in the morning for a six weeks visit to points of interest in East Texas and Arkansas. They will visit in Texarkana and also in Mr. Wynn's old home in Leon county. They will spend some time in Hot Springs, Arkansas, also.

50 Burned in Refinery Fire

Vincennes, Ind. Aug. 1 AP.—Between forty and fifty men suffered burns, and four of them are in a serious condition as the result of an oil explosion today, due to a fire in the plant of the Indiana Refining Co. at Lawrenceville, Ill., nine miles west of here. The blast was followed by fire in one of the steam stills.

The fire was extinguished with small property damage. The damage to the plant will not exceed one thousand dollars.

Employees of the refinery who answered the fire call were manning the chemical hose when the head of the still blew out pouring hot oil over them. The thirty six most seriously injured were rushed to the hospital here.

Nun Denies Any Part In Slaying

By the Associated Press Mexico City, July 31.—Flat denial that she had in any way influenced Joe Deleon Toral to kill Gen. Alvaro Obregon, was made here Tuesday by the Catholic nun, Concepcion Achebedo de la Lata, who has been accused by the police of fostering in the mind of Toral a belief that he could solve the religious problems of Mexico by his crime.

She gave this denial in an interview with a group of newspapermen, whose next question was: "Who did influence Toral to kill General Obregon?"

"I do not know," she replied. "Toral himself has stated that nobody knew of his intention and that nobody influenced him. His father, mother, wife and brothers say they knew nothing of his plans and if anybody has admitted knowledge of his intentions, that admission has not been made public.

"The policy, however, is still to think that he was influenced by somebody, who knew of his intentions."

Jim Winslow Gets Contract For Bridges

Fox Stripping has awarded the contract to Jim Winslow for the construction of several concrete bridges in his new addition "Cedar Crest" west of Big Spring. The bridges will be erected at the streets between 4th and 8th; and will run to conform with the streets of Jones Valley. Every street will be a through street. This work will be started within the next week.

Twelve Mexicans are now at work grubbing this addition. After the land is cleared, grading work will be started.

Deputy Sheriff S. Layne returned today from San Angelo in charge of a man wanted here to answer a charge of swindling.

Tex Rickard Gets Pay From Pair Of 'Radio Ringsiders'

By the Associated Press NEWARK, July 28.—Two holders of 'radio ringside' seats at the Tunney-Heeny fight Thursday reduced Tex Rickard's loss of \$150,719 by \$10 Saturday.

Leonard J. Reinhardt of East Orange, who styled himself "one of the numerous knothole spectators," mailed a check for \$3.

The other was Thomas F. Burley, Jr., executive secretary of the Asbury Park Chamber of Commerce. "That millions should be entertained at your expense is unfair, and therefore, I inclose a check for \$7, in payment for my seat, which, although located on my front porch, was in reality a good substitute for a ringside position," he wrote the promoter.

World Champion Is Gentleman And Scholar

Gene Tunney is a "different" sort of prizefighter. He uses good English; he dresses sedately and lives modestly; he doesn't play the White Lights and he hasn't become involved in any affairs of the heart. In short he is "gentlemanly" in the accepted meaning of that term.

Yesterday the champion gave out the biggest news that has come from a champion in many a day. He announced his voluntary retirement from the ring. He doesn't intend to fight any more, as a professional. Having made his millions he is going to lay aside the belt and enter some sort of creative business.

Most champions have retired by way of a sleep inducing punch on the jaw. A few have vacated the title after they became uncertain on their legs and developed a bay window. Tunney chooses to quit at the zenith of his career, fresh from the conquest of the man "Down Under."

If it is possible to elevate a brutal, debasing sport like prizefighting, Tunney may be said to have contributed his bit to that end. He has been hooted and jeered because he displayed some of the softer qualities, and his ability as a fighter has been derided because he did not see fit to brutalize his share in the game. As a matter of fact, the ring had seen few men of Tunney's quality, in the sheer ability to outguess and outbox an opponent.

Like Dempsey and most other recent champions, Tunney has saved his money and invested it wisely. In the old days a champion fought for small sums and spent all he got in riotous living. Most of them died of poverty and went to the potter's field. Today prizefighting is a business and a science.

It will be many a day before the ring sees another Gene Tunney.

Mexican Congress Okey's Amendment

Mexico City, July 31 AP.—Congress convened yesterday in the shortest extraordinary session in its history in order to declare the constitution amended in accordance with the wishes of the assassinated president-elect, General Alvaro Obregon. The task was accomplished in two hours.

The amendments which had been ratified by the majority of state legislatures, give Mexico City and other towns in the federal district a government by federal commissioners rather than by elected mayors and aldermen, reduce the size of the chamber of deputies by one half and place the appointment of all judges in the hands of the president.

Gov Smith Favors Dem. Farm Plan

NEW YORK, Aug. 2 (AP)—After a two-hour conference today with George Peek, Farm leader of Illinois, Governor Alfred Smith reiterated that he stood on the Farm Plan of the Democratic platform. He indicated he had not yet worked out in his own mind how agricultural surpluses should be handled for the benefit of the farmers. He declared that in carrying out his plan, if elected, he expected to obtain the advice of Farm leaders on working out the surplus problem. He said he would call on Republicans like Frank Lowden, as well as on Democrats to assist him in best solving this problem which meant so much to so large a percent of our citizens and to the welfare of the entire nation.
