NEW DISCOVERIES CONFIRM VIRTUES OF BRAN IN DIET

Supplies "Bulk" and Vitamin B for Constipation; Also Iron for Blood

For ten years, now, millions have ound Kellogg's ALL-BRAN a safe, pleasant way to overcome common constipation — with the headaches, loss of appetite and energy that so often result from this condition.

Recent laboratory tests show that ALL-BRAN supplies "bulk" to exercise the intestines, and Vitamin B to help tone the intestinal tract. In addition, ALL-BRAN contains twice as much blood-building iron, by weight, as beef liver.

This "bulk" in ALL-BRAN is much like the "bulk" in lettuce. Inside the body, it absorbs moisture and forms a soft mass, which gently clears the intestines of wastes.

Special cooking processes make ALL-BIAN finer, softer, more pal-atable. It is not habit-forming. Think how much better it is to enjoy this delicious cercal than to take endless pills and drugs, which often lead to harmful habits.

Two tablespoonfuls daily—in serious cases with every meal—are usually sufficient. If your intestinal trouble is not relieved this way, see

Serve ALL-BRAN as a cereal with nilk or cream, or use in cooking, appetizing recipes on the red-and-reen package. At all grocers, fade by Keilogg in Battle Creek,

Mmes. Ratliffe, Pearce and Throop were appointed on a committee to see about tree-planting.
