We Meet Competition

—and then some.

It is a well known fact among the users of groceries in the McLean country that the Haynes Grocery Company has kept the cost of eating down.

The policy of this store has always been to not only meet all competition in price reductions, but to go them one better, making prices still lower.

This store does not claim all the credit for having kept grocery prices down, for our customers come in for a large share. It has been due to the enormous trade they have given us that we have been able to buy in large quantities and get quantity discounts, and their promptness in paying accounts has enabled us to take cash discounts from wholesalers, thus shaving our costs again.

Young Penland was on his way home, and in some way fell from the train a few miles this side of Groom. He fell on his shoulders and received injuries to the spine, and is paralyzed from the waist down. Unable to walk, he lay out all night on the right of way, and was found next morning.

Followed the Crowd at Fair and Found Himself in Meetin'

The story is told of a certain McLean man that he went to Clarendon Saturday to take in the Donley County Fair, and in seeking the best attractions he just followed the crowd, and soon found himself in the big revival meeting that is being conducted at that place by Evangelist Albert C. Fisher. We do not know that it is such an uncommon thing for this man to go to meetin', and are sure that he enjoyed his visit to Clarendon fully as much as he expected to.

Van Webb has sold his interest in the Webb Motor Co. garage to R. I. Carpenter, who has been with him as a partner for some months.

End Your Gate Troubles with "Can't-Sag" Gates

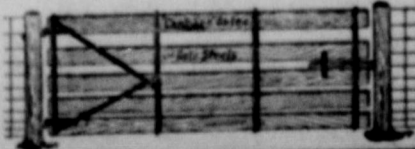

Cost Less
Last Longer
Look Better

No more heavy, tumble-down, sagging wooden gates. No more bent and twisted gas-pipe gates. Put up "Can't-Sags"—made of an ideal combination of iron and steel bolted securely together—no screws or nails to pull out. When closed and latched, the "Can't-Sag" gate is securely locked at both ends—stock can't break through to destroy growing crops.

Can't-Sag a Fraction of an Inch

In order to sag even a quarter of an inch, 45 bolts and 8 pieces of angle steel would have to bend. You know that is impossible. Yet, this ideal gate costs less than the old-fashioned kind. Thousands are in use on large and small farms everywhere. Drop in and see these gates when you are in town.

Accidentally Shoots Self While Hunting

Canadian, Sept. 20.—Houston Hanna, son of Judge R. I. Hanna of Ochiltree county, accidentally shot and killed himself early Saturday morning while out hunting ducks. He was supposed to have shot himself about six o'clock. At about 10 o'clock a traveler found him with one foot hanging on a wire of the fence. He had apparently crawled through the fence, pulling his shotgun after him, and the gun had fired, the load of shot cutting off the entire front part of his head from the mouth up.

Besides the comfort and convenience and the saving of time, worry and the hardest kind of work, as a cold-blooded business proposition, a good washing machine will soon pay for itself, and the help problem has no terrors for the housewife who owns a Modern Washing Machine.

THE UNIVERSAL CAR

Reductions in Price of Ford Products

The War Is Over and War Prices Must Go

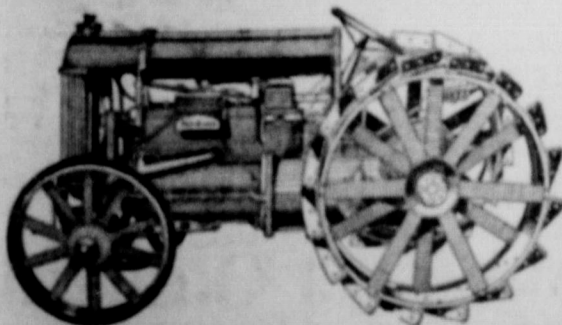

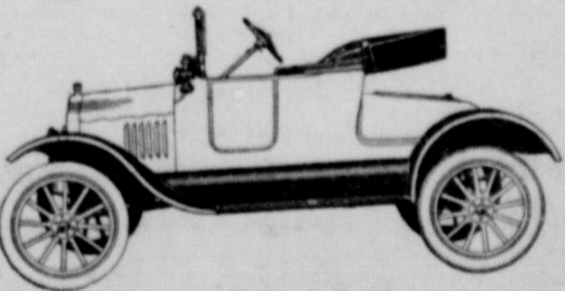

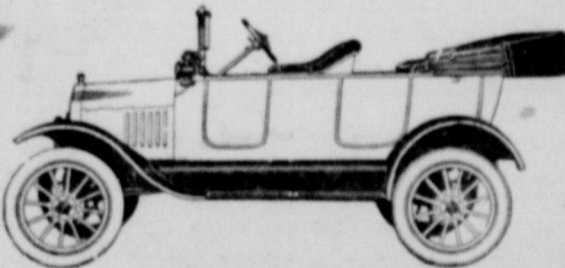

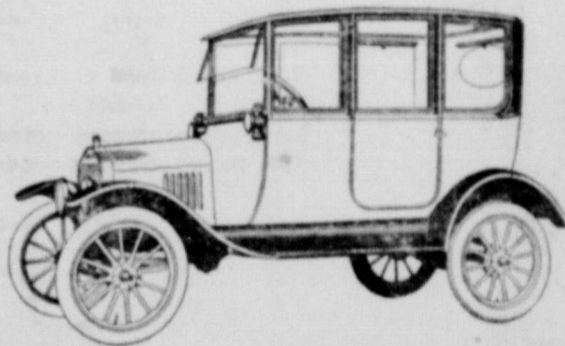

Effective at once, Ford Cars, Trucks and Tractors will be sold f. o. b. Detroit at the following prices:

Touring Car, regular	\$440	Coupe with starter and dem. rims	\$745
Touring Car with starter	\$510	Sedan with starter and dem. rims	\$795
Runabout, regular	\$395	Truck with pneumatic tires	\$545
Runabout with starter	\$465	Ford Chassis . \$365	Tractor . . \$790

The Ford Motor Co. makes the reduction in the face of the fact that they have on hand immediate orders for 146,065 cars and tractors. The company will suffer a temporary loss while using up the material bought at high prices; they are willing to make the sacrifice in order to bring business back to a normal condition as quickly as possible and maintain the momentum of the buying power of the country.

Henry Ford says: "The war is over and it is time war prices were over. There is no sense or wisdom in trying to maintain an artificial standard of values. For the best interests of all it is time a real practical effort was made to bring the business of the country and the life of the country down to pre-war standards.

We are at your command with regular Ford efficiency in service and eagerness to fill your orders.

Give your walls this artistic finish

Brighten your home by rejuvenating dull, dingy rooms. Decorate walls and ceilings with pleasing, restful colors. Make rooms more livable by changing color schemes which have become old and tiresome. Make sure your results will be permanent by using

Lowe Bros. Kalsomine

The colors are selected for their attractive appearance on the finished wall. This economical flat wall finish applies easily and dries over night, leaving a film so tough and elastic that the most delicate tints will never fade. We are prepared to supply it in all shades and quantities. Ask to see color cards and samples of the finished result.
