Just Between Us

This week's column by Congressman Walter Rogers (printed elsewhere in this newspaper) brings up a very interesting point. And we hope you will take the time to read it.

As the Congress rushed head-long toward passage of the voting rights bill, Rep. Rogers introduced an amendment to the measure which would have required an oath of allegiance to the United States. But the majority of the members of Congress brushed this amendment aside, as they did virtually all others.

The Johnson administration had written the bill just the way it wanted, and all that was desired from Congress was the stamp of approval.

-jbu-

We encourage you to read our congressman's ideas on this subject. And we would encourage you to write and tell him you support him in his actions.

-jbu-

A. L. Fuller brought by a copy of his hometown newspaper, the Natchitoches (La.) Enterprise, for us to read recently.

He made no comment about the paper, except to say he thought we would like to see it.

We found a page one column, "It is So," quite interesting and would like to reprint some of what we found:

Quoted from the Indianola, Miss., Enterprise-Tocsin—"There is no law in the United States against communism, says the President and it is still a free country. We fail to understand why we have no law against communism in this country and still send our troops into foreign nations to give their lives fighting something that is allowed at home."

From the Lake City, S. C., Times-Herald—"Public welfare should be a vehicle for raising the standards of the recipient, not a reward for indolence and depravity, says Judge Juanita Kidd Stout of Philadelphia. . . I have the deepest sympathy for the good mother struggling to bring up her children on a welfare grant. . . But I deplore a system that regards the handing out of checks as its prime function, that subsidizes the lazy and immoral home with the taxpayer's dollar."

-jbu-

The Natchitoches editor had this to say about the famed Negro leader:

"Poor Dr. Martin Luther King! Received a pleading letter from his Atlanta office saying that the Selma march had emptied his treasury, all but exhausted our resources, that he and his officers get no salaries, and please, please send money. Well I didn't. But the letter was an eye-opener as to how he operates."

"Make a big show! Then tap the public for funds."

-jbu-

A McLean News reader brought us a copy of the Pampa Daily News editorial page of July 11, and commented as she handed it to us: "The only reason I take the Pampa News is because I like its editorials."

The comment was almost exactly the same as we ourselves have made. We have always felt that a city the size of Pampa deserves a more attractive and "newspier" newspaper.

But we do enjoy the editorial page columns.

The one our reader made special mention of was "Backstage Washington," which further describes the sorry state of our foreign affairs.

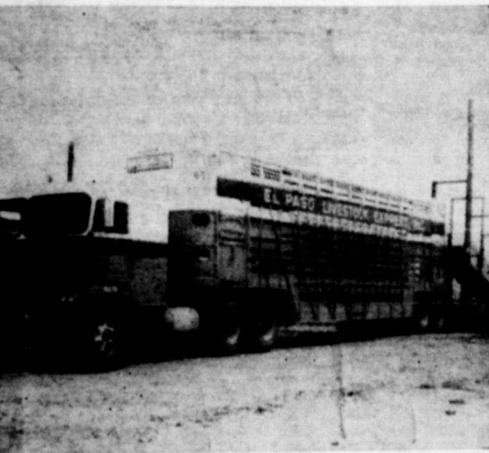

Robert Allen and Paul Scott, the columnists, present additional evidence of how the United States is outwardly fighting communism, yet in a round-about way are helping the Red cause.

President Johnson in late June (See JBU, Page 2)

LOADING UP: Part of the 213 head of beef cattle shipped from the Triangle Ranch Feed and Cattle Co. here are shown being prepared for loading. Averaging 825 pounds each, the beefs

were purchased by Peyton Packing Co. of El Paso for shipment to that city, after being on feed at the Triangle Ranch Feed and Cattle Co. for 100 days. (McLean News Photo)

WAITING: This huge cattle transport waits to receive its cargo of beefs at the Triangle Ranch Feed and Cattle Co. A total of 213 head of fat cattle, weighing approximately 175,725 pounds, were shipped to Peyton Packing Co. in El Paso. (McLean News Photo)

GRAIN CROPS DUE MEASURE

Grain sorghum producers in Gray County are being reminded to measure the acreage of this crop on their farms and report to the Agricultural Stabilization and Conservation Service office in Pampa as soon as possible.

Miss Evelyn Mason, ASCS office manager, said the initial report on such measurements is due not later than Aug. 11.

All producers who signed to participate in the 1965 feed grain program need to measure their grain sorghum and make their reports.

"It is necessary that you make a report on the acres, even if you did not plant any grain sorghum," Miss Mason said. "One of the conditions of final payment is that you report your acreage."

Reports are due on all grain sorghum and all sweet sorghum to (See GRAIN, Page 5)

12 Rural Accidents Are Investigated In June by the Patrol

Twelve rural traffic accidents were investigated by highway patrolmen in Gray County during the month of June.

Sgt. J. W. Wilson, Highway Patrol supervisor for this area, said the mishaps brought injury to 13 persons and caused property damage estimated at \$4,775.

For the first six months of 1965, 97 highway accidents have been investigated by the patrol in Gray County. Three persons have been killed, 63 injured and property damage is estimated at \$68,120.

Sgt. Wilson said that as of the first of this month there had been a total of 1,261 persons killed in 1,949 fatal crashes in Texas. This is approximately two per cent less than for the same period of 1964.

Talent Show Friday At Alanreed School

The Alanreed Community Improvement Program will sponsor a talent show at 7:30 p.m. Friday, and the public is invited to attend.

There will be no admission charge for the program, to be held in the Alanreed School cafeteria.

Cake and ice cream will be served during the evening.

Persons who would like to be on the program should telephone GR 9-3163.

Winner to Be Picked Saturday Four Seek Title Of Miss Grain Sorghum

Four girls had entered the McLean Junior Chamber of Commerce search for a Miss Grain Sorghum contestant by Wednesday night, and still others have indicated interest.

Deadline for entering is 7 p.m. Friday.

Local entries through Wednesday included Phyllis Borch, Margie Pakan, Linda Cook and Paula Stewart.

McLean's representative at the national Miss Grain Sorghum Pageant scheduled in Dimmitt on Aug. 7 will be selected by persons attending the regular Derby Town Jubilee Saturday night.

The Jubilee will be held at the McLean Rodeo Arena, and persons buying tickets to the show will be given an opportunity to vote for the Miss Grain Sorghum contestant of their choice.

Other girls in McLean who will be 17 years of age by Aug. 7 may enter by contacting James A. Foster, Jaycee contest chairman; Jerry Gilbert, Jaycee president; or George Terry, Jubilee master of ceremonies.

The winner at the pageant in Dimmitt will represent the grain sorghum industry for the next year at public appearances and other events throughout the United States.

Miss Grain Sorghum also will receive a \$500 scholarship, while the first runner-up will be awarded a \$200 scholarship and the second runner-up a \$100 scholarship.

Amarillo Entertainers

Amarillo will be well represented at this Saturday's Jubilee, with many of the entertainers who are due to appear hailing from that city.

The Jubilee starts at 8 p.m., and (See MISS GRAIN, Page 5)

Ex-Students Will Meet on Saturday

The McLean Ex-Students Association will meet at 7 p.m. Saturday in the Methodist Church Fellowship Hall, and all persons interested in this year's Homecoming are invited and urged to attend.

Ted Simmons, association president, who now lives in Tulsa, will be present at Saturday's meeting, at which final plans are to be made for the celebration.

The Homecoming, which is held every other year, is planned for the weekend of the first McLean High School Tiger home football game—scheduled for Sept. 3 with the Shamrock Irish.

SCD NEWS IS IN THE MAIL

Farmers, Ranchers, Others Get Copies

The summer issue of the Gray County SCD News was mailed this week to farmers, ranchers and landowners throughout the county.

The SCD News is a quarterly publication of the Gray County Soil Conservation District, and is printed by offset in The McLean News plant.

Now in its fourth year of publication, the SCD News features pictures and news articles about conservation work being done in Gray County, and disseminates information to the farmers and ranchers from the soil conservation district.

It has a circulation of about 900.

The SCD News is in magazine format and printed in two colors of ink. Publishing costs are paid by advertising from business establishments in McLean and other towns and cities throughout this area.

Copy for the News is prepared and pictures are taken by personnel in the Gray County Soil Conservation Service office in Pampa.

Persons not on the SCD News mailing list may pick up a free copy of the current issue at The McLean News office.

Pampan Killed In Mishap Here

A 29-year-old Pampa milk truck driver en route to McLean was killed Wednesday in a highway accident 6.3 miles north of the city on SH 273.

William Hollingsworth was dead when the mishap was discovered shortly before 2 p.m. Wednesday by a passing motorist.

He had fallen from his Goldsmith milk truck as it plunged down a 30-foot embankment, and his head and chest were crushed by the left rear dual wheels of the vehicle.

Highway Patrolman Charles Henderson of McLean said it could not be determined when the accident occurred.

Another employe of the Goldsmith Co. said Hollingsworth had left Pampa at about 10 a.m. Wednesday.

Missing Since Morning

The employe arrived on the scene as officers were investigating the accident, and reported that he had been looking for Hollingsworth since late Wednesday morning.

The truck was not visible to passing motorists.

Henderson examined the truck and found that the steering arm had broken loose from the steering box, causing Hollingsworth to lose control of the vehicle.

The truck knocked down one guard post on the west side of the highway as it went over the embankment, then turned over on its left side, the left rear wheels coming to rest on Hollingsworth's head and chest.

Hollingsworth was born in Idabel, Okla., and had been a supervisor for Goldsmith for about two years.

He had moved from Dumas to Amarillo in February and had lived in Pampa for about a month.

Survivors include his wife, Mary; one daughter, Rhonda Diane of the home; his parents, Mr. and Mrs. G. E. Hollingsworth, Idabel; three brothers, Donald Ray Hollingsworth, Foreman, Ark.; Dwayne Hollingsworth, Okinawa, and Verdel Hollingsworth, Seminole, Okla.; three sisters, Mrs. Mozelle Hudson, Sunray, Mrs. Cecil Jennings, Idabel and Mrs. Eula Faye Cox, Great Bend, Kan., and his grandmother.

Funeral arrangements were pending this morning with Lamb Funeral Home.

RILEY NAMED CLUB DIRECTOR

Lions Discuss Trash Containers

Jack Riley was elected Tuesday to fill a vacancy on the McLean Lions Club board of directors.

The election, held during the regular noon luncheon meeting of the club, was necessary to choose a director to replace George Terry, who was recently named third vice president.

A nominating committee had placed the names of Riley and Jay Thompson before the club for the director's position.

Entertainment at the luncheon was by Phyllis Pakan of the Pakan community. Miss Pakan played three selections at the piano.

\$800 From Celebration

She was introduced by Mrs. Willie Boyett, her piano teacher.

John C. Haynes announced at the club meeting that this year's McLean 66 Roundup Rodeo and Horse Show Celebration showed a net profit of slightly more than \$800.

Haynes said there are still a few bills to be paid before the final figure is determined.

Lions President Joe Burroughs said the club directors have discussed the possibility of a project to replace trash cans at various points in downtown McLean.

Keep City Cleaner

Burroughs said the directors feel trash cans should help to keep the city cleaner.

Nelson Christie announced that Eddy Finley, McLean High School student, received recognition at last week's Texas Future Farmers of America convention in Houston.

Finley was the runner-up for the state Chapter Farmer Award. He will be honored at a later meeting of the Lions Club.

Guests at Tuesday's luncheon were Mrs. Miro Pakan and Mrs. Willie Boyett, both of McLean; Phyllis Pakan of the Pakan community, and Louis Davis of El Paso.

King Is Injured In Tractor Mishap

Harris King, McLean rancher, was painfully injured last Thursday afternoon when his trousers were caught in a power take-off shaft on his tractor.

He was rushed to Shamrock General Hospital by his wife and Mrs. Leroy Williams.

Mrs. King also was admitted to the hospital for treatment of shock.

For All Ages

Tennis Tourney Is Slated Next Week

A tennis tournament for players of all ages is scheduled at the City Park courts Saturday and Sunday, July 31 and Aug. 1, Ted Raines, chairman of arrangements, announced this week.

The tournament will be sponsored by the Lions Club, and there are to be three divisions—one for netsters 12 years of age and under, another for age 13 through high school and the third for all others.

Raines said an entry fee of \$1 will be charged for all players above high school age, but there will be no fee for those younger than this.

Trophies are to be awarded to the winners.

Plans for the tournament were approved at a recent meeting of the Lions Club board of directors.

All persons interested in entering were asked to contact Raines, Sammy Haynes, Johnny Haynes or Jack Riley.

The tennis courts will be closed to play this Friday night while members of the Lions Club prepare for the competition.

Mrs. R. O. Cunningham, Mrs. Henry Cavener and Mrs. Luther Petty visited with Mrs. Z. T. Jones Monday afternoon to celebrate her 76th birthday. Ice cream and cookies were served.

Patricia Young of Childress visited Becky Shelton Tuesday.

News From ALAN REED

By MRS. CECIL CARTER

Mr. and Mrs. George Oakley and sons of Stratford are visiting here with his mother Mrs. Faye Oakley. Mr. and Mrs. F. E. Rogers visited with friends at Kellerville Saturday.

The Ray Howard Millers visited here and at McLean over the weekend.

Mrs. George Smith visited with Mrs. Warner Phillips at Lake McClellan Saturday.

Plans for a small city park are being made by the Community Beautification Committee. Land has been secured and will be cleaned up shortly.

Reports from Jewel Snyder, son-in-law of Mrs. Faye Oakley, who underwent surgery lately, are that he is doing fine.

Ronnie Carter of Hiwassee, Ark., grandson of Mr. and Mrs. F. B. Carter, is also reported to be doing fine.

Visiting with Mrs. Dee Hill this week are her granddaughter and her family, the Jay Coles of Stroud, Okla. Thursday night they visited with the Robert Cecil Hills in Amarillo.

Mrs. Mary Durham and Mrs. Faye Oakley were at the Gooch peach orchard west of Shamrock Thursday and brought back some nice peaches.

Mrs. Earnest Foshee entered Groom Hospital last week for medical attention. She returned home Thursday of this week.

Mr. and Mrs. Cecil Carter were in Pampa on business Tuesday.

Speaker at the prayer meeting Wednesday night at the First Baptist Church was Leo McMahan of the Cliffside Baptist Church in Amarillo.

Miss Louella Patterson of Pampa was here on business last Wednesday. She visited with Mrs. Faye Oakley while here.

Mr. and Mrs. Jerry Carter of Pampa visited the Cecil Carters on Saturday and returned their daughter and Deborah Bruce to their home after a week's visit here with their grandparents.

Mr. and Mrs. F. B. Carter and Mr. and Mrs. Cecil Carter visited with the F. L. Daltons of McLean on Sunday.

Merle Wayne Simmons of Lakeview visited here with the G. L. Simmons family.

Mr. and Mrs. Voyne Griffin of Pampa visited Sunday in the S. B. Magee and T. T. Griffin homes.

Mr. and Mrs. Phillip Gibson made a trip to Wellington Sunday to return their daughter, Diane, home after a visit with her grandparents.

Cecil Carter and Harry Prock were in Amarillo on business Monday.

The Robert Bruces were away on vacation last weekend. They spent some time with the Truman Bruces at Hico. Mrs. Truman Bruce was called to Durant, Okla., to the bedside of her mother, who is seriously ill. The Pattons are former residents of Alanreed.

Mr. and Mrs. George Oakley and sons of Stratford and Mrs. Faye Oakley visited in Pampa Sunday with J. C. Oakley.

25th Anniversary

Mr. and Mrs. R. L. Wright will observe their 25th wedding anniversary Monday, July 26. No formal observance is planned.

Mr. and Mrs. Linzy Cotham of Shidler, Okla., visited last week with Mr. and Mrs. Carl Cotham.

Mrs. Vela Corcoran and grandson, Ricky, made a trip to Amarillo Tuesday.

Mr. and Mrs. C. M. Carpenter attended the McMurry reunion Tuesday at the Clarendon Country Club.

NEWS from YOUR

COUNTY AGRICULTURAL AGENT
TEXAS A. & M. COLLEGE EXTENSION SERVICE

By FOSTER WHALEY

About this time of year we are often swamped with calls about various kinds of insects. I thought it might be timely if we would make a few general remarks on ways to combat these insects.

There are several ways to classify insects. I like to classify them into three broad categories: (1) sucking insects, (2) biting and chewing insects and (3) soil insects.

Aphids or plant lice are the best example I can think of in the sucking insect category. It requires what we call a contact insecticide to kill this class in insects. The insects are killed by coming in contact with the insecticide. It was not until malathion, a relatively new insecticide, was developed that we had an effective method of con-

Methodist Church Here Is Scene Of Bridal Shower

Miss Phyllis Flowers, recent bride of Richard Dawson, was honored recently with a bridal shower in the parlor of the Methodist Church. Blue and gold were the colors used in the decorations.

Refreshments of cake and punch were served.

Hostesses were Mesdames Babe Brown, Odessa Gunn, Jane Simpson, Mary Ann Rice, Lavern Carter, Jewel McCurley, Texola Rallsback, Mary Emma Woods, Vera Back, Veral Lynn Wood, Dorothy Beck, Glynora Rice, Georgia Beasley, Sinclair Armstrong, Betty McCurley and Bessie Keen.

Attending or sending gifts were Mesdames J. B. Caudill, L. F. Giesler, Lou Gething, Ausby Rice, Jewel Clett, Janice Clett, Ben Dye, Norma Engle, Doyal Billingsley, Donna Vineyard, Martha Jo Bailey Archie Farren, Jerrel Lee, Ruby Dorsey, E. J. authorized the shipment of \$37 million worth of grain to Gamal Nasser's Egypt. This was done, even though our State Department knows that Nasser is preparing to deliver more rice to Fidel Castro, the Communist dictator in Cuba.

Congressmen have protested such action, but they, the elected representatives of the people in Washington, are simply ignored by the bungling bureaucrats who in reality run our government.

One of the first rules we learn is "STOP, LOOK and LISTEN." This is a practical guide for safe, sober living. In the broad sense it means that from time to time we ought to take stock of ourselves, our purposes and goals.

Many individuals will not follow that same common sense rule, however, when it comes to their spiritual lives. Instead, they carelessly follow whatever pathway of faith and practice they stumble upon with but fleeting concern as to its destination.

Our physical well-being is certainly important, and we are commanded to care for our bodies. But the Lord teaches that we should be the more concerned for the well-being of the soul (Matthew 10:28). From the New Testament we learn that the welfare of the spirit is dependant upon careful attentiveness to the Will of God (John 12:44-50).

"For what is a man profited, if he shall gain the whole world, and lose his own soul? or what shall a man give in exchange for his soul?" (Matthew 16:26).

How long has it been since YOU stopped to ponder your spiritual condition?

WALTER ROGERS REPORTS

NOT A PLEDGE OF ALLEGIANCE?

While the "Voting Rights Bill" was under debate in the House of Representatives, I was deeply shocked, dismayed and disturbed when an amendment which I offered failed of passage. The amendment was very simple. It required that every person presenting himself to vote would be required to take an oath to defend the Constitution of the United States and to swear or affirm that he was not a member of any organization advocating the violent overthrow of this government. The amendment further provided criminal penalties against anyone swearing falsely or with intent to deceive. It further provided THAT MEMBERSHIP IN THE COMMUNIST PARTY OR AN AFFILIATED ORGANIZATION BY ANYONE TAKING SUCH OATH WOULD BE PRIMA FACIE EVIDENCE OF FALSIFICATION OR INTENT TO DECEIVE. In short, any Communist or member of an affiliated organization taking the oath could be assessed a jail sentence and a substantial fine.

At the present time, there is no prohibition of any kind against Communists and those seeking to destroy the constitutional government of this country from voting. The so-called "Voting Rights Bill" opened this door wider.

It was my feeling that there should be some safeguard placed in the bill. Hence, I offered my amendment. I was not only dismayed and shocked when the amendment failed, but I was also dismayed and shocked at the obvious and open attempt to prevent any debate on the subject and to rush it to a vote without the membership having an opportunity to thoroughly understand it or to discuss it.

The oath that would have been required under my amendment was the same identical oath that is required of members of Congress when they are sworn in, with one exception: My amendment would have required the further statement that the person wanting to vote was not a member of any organization advocating the violent overthrow of the constitutional government of this nation.

I would support a constitutional amendment requiring this addition to the oath taken by members of the United States Congress.

It has always been my feeling my belief and my philosophy that the right to vote carried with it a corresponding responsibility. Hence, how could anyone desiring to participate in the electoral process of this government refuse to subscribe to the form of government that creates that right?

I feel so deeply on this subject that I am presently preparing a separate bill to accomplish the result which I sought to attain by my amendment. It would be my fondest hope that those individuals, those groups and those organizations in this country who proclaim themselves champions and advocates of the Constitution would rise up in full support of such a measure, whether it bear my name or the name of others, and let the voice of the people in this country be heard.

Let us provide at least one effective weapon against these ideologies of Godlessness, hatred and enslavement, all dedicated to the

Here's one new business really on the go

And keeping our customers happy will keep our business going. We feel that satisfied customers are our best salesmen. That's the reason we not only sell new and used cars and trucks, but provide parts and service for them as well. And that's also the reason

we keep in touch with Chevrolet owners—to help us find out how we can make them even happier. After all, what other way is there of conducting business between neighbors?

Here are the reasons why

We have Jet-smooth Chevrolets—all new from the roof lines down to the Jet-smoother suspensions. We have trim-sized Chevilles with big V8's and improved suspensions. Our budget-minded Chevy II's never came with a bigger choice of power. And our completely restyled Corvairs are almost as new and revolutionary as when they first came

out. We have America's only true sports car, the Corvette Sting Ray, which, by the way, comes with new 4-wheel disc brakes as standard equipment. And we have trucks, tons of them—all sizes from pickups to tandems. Chevrolet cars and trucks are in beautiful shape for '65. And you can be too—just come in and see for yourself.

STATE CAPITAL Highlights AND Sidelights
by Vern Sanford
TEXAS PRESS ASSOCIATION

AUSTIN—(Special)—Rising insurance rates continue to stir up most of the excitement in the state capital.

A Dallas attorney, Bert Bader, filed suit in the 98th District Court here challenging legality of the State Insurance Board's order boosting insurance premiums an average of 13.4 per cent.

In asking the court to set aside the recent order, which hiked some key liability and collision rates more than 20 per cent, Bader maintained that the state law under which premiums are set is unconstitutional.

He also criticized the board's allowance of 37 per cent of premium income for company expenses and its failure to consider the investment income of insurance firms in fixing rates.

Bader pointed out that Texas' laws virtually make it mandatory that Texans buy auto insurance. Therefore, the arbitrary increase in rates violates due process of law.

Another factor cited by Bader is that the board failed to take into consideration the actual operating expenses of the insurance companies affected.

He also said that the accident rate is decreasing.

For these and other reasons he contends that the new rate, to become effective on Aug. 1, is grossly excessive.

OIL ALLOWABLE CUT—State Railroad Commission set August oil production allowable at 2,905,312 barrels a day, a slight reduction from the July allowable of 2,911,115.

Figure is based on a formula of 28-per-cent-of-potential, compared with 28.1 per cent for July.

August, 1964, allowable was 2,794,312 under a 26.5 per cent factor.

SCHOOL PER CAPITA SET—State Board of Education set per capita fund apportionment to local school districts for 1965-66 at \$80.65 per pupil.

Well over \$200,000,000 will be distributed on the basis of 2,559,208 scholastics. This represents an increase of 15 cents each.

Meeting for the last time as the junior college supervisory board, the officials approved new junior college districts for Bee and McLennan Counties and denied one sought by Maverick County.

VANISHING BOARD—Texas Commission on Higher Education held its last meetings prior to being replaced on Sept. 1 by the yet-to-be-named Coordinating Board for Texas Colleges and Universities.

Commission approved 25 program and reorganization proposals in state colleges and universities. In summarizing results of its nine years, commission concluded it had done a good job but wished even greater success to the new Coordinating Board.

BIG BISONS—Research by the Texas Archeological Salvage Pro-

CLIFF H. DAY

710 N. Main — GR 9-2686

- ★ Picture Frames
- ★ Furniture Refinishing
- ★ Furniture Repair
- ★ Make Anything Out of Lumber

Mr. and Mrs. Glenn Allison of Midland visited Mr. and Mrs. Clifford Allison this week.

Mr. and Mrs. Bill Cash are vacationing in Yellowstone Park this week.

Mrs. Jim Hudson and son returned to Lubbock Tuesday after visiting several days with her parents, Mr. and Mrs. F. J. Hess.

Mrs. Dale Whitten and baby daughter are spending the week with her parents, Mr. and Mrs. George Terry.

Dr. and Mrs. Joe Suderman and children of Pharr visited with friends in McLean this week.

Christi Carpenter of Lubbock visited a week with her grandparents, Mr. and Mrs. C. M. Carpenter.

Bill and Sue Crisp of Lockney spent three days last week visiting their parents, Mr. and Mrs. T. E. Crisp, and attending to business.

Mr. and Mrs. Miro Paskan left today for East Chicago, Ill., to return her parents to their home after several weeks visit in McLean.

Mrs. Guy Hester was admitted to Highland General Hospital for surgery Wednesday morning.

Judging will be on the first day of the event, and departments of the fair will be the same as in 1964, with the exception of the Horse Show, which the directors voted to drop.

The departments include: Flower show, merchants exhibit, community agricultural exhibits, home economics, needlecraft, fine arts, canned goods and homemade baking.

Advertisements for the fair catalog are currently being sold, and the catalog should be available about Aug. 15.

All residents and communities in Donley County are invited to enter exhibits in the fair, Gooch said.

Contracts for such salvage programs have been negotiated with archeologists at the University of Texas, Texas Tech and Texas Western. Southern Methodist University will start a program this fall.

Beginning Sept. 1, a \$12,000-a-year salary will be available for an archeologist to be a member of the staff of the reconstituted Building Commission.

SHORT SNOOTS
State draft quota for August calls for 891 men, compared to 908 for July.

Texas Highway Department has received an award of merit from National Safety Council for its 1964 safety record among employees.

A Texas Highway Department survey shows that a total of 11,700,000 tourists came to Texas by auto last year for an all-time record. They added \$24,700,000 to Texas' economy.

A list of 321 textbooks offered for Texas public school adoption has been mailed to superintendents of all county and independent school districts. State Textbook Committee will hold a public hearing on Oct. 12 to hear the citizens' views on the books.

MISS GRAIN

(Continued from Page 1) admission will be 25 cents for everyone. In the event of rain, the show will be moved to the high school auditorium.

Booked for the program through Wednesday night were:

Kenneth Stone and the Country Swingsters, the Dunns teenage band, the Nomads, Marvin McClendon and the Hamlett Quartet, all of Amarillo; Becky Durning, Skellytown; Frankie Raliff, Wheeler; Charley Boswell, Wichita Falls; J. T. Trew, Alanoed; Buck and Carl Lee Henley, Conard and Craig Cunningham and Billy Tidwell and the Chevilles, all of McLean.

After serving as President, John Quincy Adams was elected to the House of Representatives in 1830 and served for 17 years.

GRAIN

(Continued from Page 1)

be used for silage or green crops. The acreage will be computed and producers then will have until Sept. 1 to dispose of any excess acres and make an amended report.

Service Offered
The ASCS offers a measurement service to those who desire. The cost is \$7 per farm, plus \$2 for each plot over one. An additional charge of \$5 is made for each terrace line to be plotted.

Final date for requesting this service is Aug. 2. Final payments will not be made on wheat or feed grain, if producers are in both programs, until after the final grain sorghum report.

Miss Mason announced that cotton will be measured by reporters from her office in the regular way. Producers do not need to measure and report cotton, since representatives of the ASCS office will visit the farms and measure the cotton without charge.

Farmers who are in excess of their cotton allotment will have until Sept. 1 to destroy the excess and pay the cost of measuring the destroyed cotton.

Andrew Jackson, seventh President, seldom held cabinet meetings, but rather relied on a small group of advisors whom the newspaper dubbed the "Kitchen Cabinet."

Lions Elect International President

Dr. Walter H. Campbell of Miami Beach, Florida, was elected President of Lions International at the Association's 48th annual convention in Los Angeles, California, July 7-10. Lions International, with 759,087 members in 132 countries, is the world's largest service club organization. Lions International is best known for its many youth projects, community service projects, sight conservation activities and aid to the blind. Last year Lions Clubs around the world completed more than 480,000 individual community projects.

R. T. Wood was in Claude on business Wednesday and Thursday.

NEWS OF CONSERVATION

Most people have forgotten the wind erosion that occurred in the Gray County Soil Conservation District during February, March and April of this year. Now is the time to start preparing land for the windy season.

Wheat and maize stubble will protect the land from blowing when it is maintained on the soil surface. This can be accomplished by using sweep and chisel-type equipment.

Jim Philpott averaged 20 bushels of wheat per acre on his farm in the summer of 1964. He said, "I deep chiseled my land in the fall of 1963 to take advantage of the fall moisture. I got a good rain following the chiseling operation and all of it stayed on the farm."

He received an 18-inch snow in February which was all the moisture that the wheat crop got. Very few farmers made that much wheat in this district.

Sweep and chisel-type equipment will conserve moisture as well as prevent wind erosion.

Tom Henderson, who farms east of Pampa, said, "I made 50 per cent more wheat where I prepared the land with sweeps."

Tom used sweeps on half of his land and deep broke and one-wayed the rest. He plans to use sweeps on all of his land this year.

Johnny Johnson, who farms south of Pampa, uses stubble-mulch equipment on all of his land. He consistently makes above-average

wheat yields. A one-way plow will make a field look clean and neat which is the way that many farmers like their land. Destroying or plowing crop residue under will expose land to wind and water erosion.

It should have protective cover so our valuable top soil will not be lost. Livestock grazing should also be controlled so land will have protection during critical periods.

Every landowner should start planning now to have adequate cover on his land because the "blow season" is just around the corner. It is expensive and disagreeable to chisel or list land to stop it from blowing.
