# A Penny in

Your Hand

What was your first adventure as a customer before the world? Possibly as a very tiny tot . . . with a penny in your fist; and your nose flattened against a show window. Long you debated with yourself-

It was serious business, for you and the storekeeper. But he put his best values before you, and in the end everybody was happy—you, because you'd made a satisfactory purchase; he, because he'd made a

cocoanut strips, or licorice pellets, or chocolate soldiers?

satisfied customer. In that transaction blossomed a buying acumen which no doubt has helped to serve you ever since. Likewise, the aim-to-please policy of that storekeeper is to this very day the golden rule of successful merchants and manufacturers. Read any of their advertisements and see. Could they afford to spend money for advertising space and then disappoint you? Of course not. The goods they advertise are their best offerings. They count on them to win both your immediate and your continued patronage.

When there's something you need or want—or might want if attractively made known to you-clutch your pennies and greenbacks in either hand; study the advertisements in this paper; and surely you'll be guided in the direction that leads to the most for your money.
