Service — Quality — Satisfaction

by P. BOSH

Let's be serious today, and take a long, lingering look at a group of congressmen introducing their bils; into what? A hosphead of beer.

The Israelites wanted a king. God allowed them Saul. America wants prosperity. Congress gives us 3.05 per cent. Drink, pretty creature, drink.

Soon there'll be no one on the unemployment list except the bootleg- m. gers. They will be lined up in front of the Red Cross wanting their dole of flour.

Let all the pastors pass the plate next Sunday for the poor, patriotic bootleggers.

A problem for new arithmetics: If beer sells for 5c a half pint, and there are 8 pints to the gallon, how many gallons will the average citizen have to drink to make him prosperous enough to pay his doctor, his grocer, ial music. his gas bill, and his taxes? Answer to be found in Congressional Record.

The three ages of a high school boy-15 in the family Bible, 16 in the drug store at the beer counter, and 14 in the Interscholastic League meet.

A hint to Congressman Marvin Jones-why not get Congress to appropriate \$1,000,000 for the Department of Agriculture to experiment on producing a cow that gives beer instead of milk? They might do this exchange bulls we Our kids won't be allowed to the beer, and goat milk is great for kids. This would be far better farm relief than the allotment We might develop two breeds. beer and one wild and ferocious, which would put the kick in the beer while the farmer is beering them. One great problem to be worked out would be-what to do with the steer Of course, the beer they nursed would tend to make them soft-fleshed, pot-bellied calves. We might use the lining of their large make cheese to go with our beer. and think of the casings for hot

beer cows would be barley and hops. ing barley, hops, and beer cows! And the poet's song would be, "A Pleasant Mound News name for this new breed, I suggest "wholestein."
