### Nixon Elected New President

Richard M. Nixon in his second try has been elected President of the United States with at least 287 electoral votes. His Democratic opponent, Vice President Hubert H. Humphrey, conceded Nixon's victory shortly after 11 a.m. CST Wednesday.

### TRAIN WRECK WEST McLEAN

The Rock Island had 21 of a 23-car freight train to derail Tuesday night around 11 p.m. three miles west of McLean. The pileup, which blocked East-West rail traffic for more than 24 hours, caused an estimated \$300,000 damages to cargo and train equipment.

Richard M. Nixon

### Mrs. Tina Clark Buried Sunday

Mrs. Tina Miranda Clark, 81, who lived 12 miles northeast of McLean in Wheeler County, died Friday at 12:45 p.m. at McLean Hospital. She had been a patient there since July 20.

Born October 27 1887 in Fannin County, she moved to Wheeler County from Bonham in 1909. A retired school teacher, she had taught 20 years at Alanreed, Kellerville, Pagan, and Heald schools. She was a member of Kellerville Church of Christ.

Funeral services were held at McLean Church of Christ at 3 p.m. Sunday with Tom Waters, McLean, minister, officiating, Lee Mays of Lubbock, assisting. Burial was in Hillcrest Cemetery directed by Lamb Funeral Home.

Survivors are two daughters, Mrs. Ruth Ware, McLean, and Mrs. Jimmie Shankle, Drummond, Okla.; one son, Tom G. Clark, Amarillo; eight grandchildren, 12 great-grandchildren; three sisters, Mrs. Ethel Carpenter, Wynoka, Okla., Mrs. Ruby Jackson, Odessa, and Mrs. Myrtle Hopwood, Denison.

### McLean Tigers Down Mustangs

By High School Reporter

The McLean Tigers struck quickly for two touchdowns in the first quarter and coasted to a 30-8 victory over the Claude Mustangs Friday night. The game was the last that this year's seniors will ever play at Duncan Field, and they left a good one to remember. The Tigers had little trouble with the inexperienced Claude eleven, and Coach Fred Hedgecock gave his younger players a chance to gain some experience, as the Tiger starters left the game midway in the third period.

The Mustangs took the opening kickoff, couldn't keep a drive going, and were forced to punt Earnest "00" Smith gave a preview of what was in store, taking the boot at his own 10-yard line and returning it 47 yards to Claude's 43. From there, it took the Tigers only four plays to hit paydirt. Earnest Smith and Thacker Haynes carried to the 23 in three plays, where quarterback Joel McCarty completed the first of three consecutive passes, this one to Smith for a touchdown. The conversion try failed, and the Tigers led, 6-0.

Shortly after the kickoff, Claude's quarterback David Stephenson tried a pass and David Brown picked it off at the visitors' 42 yard line, returning to the 37. Smith carried to the 34, then 16 yards to the 18. On the next play, Thacker Haynes ran about 5 yards, where the ball was jerked away from him and a Mustang carried it to the 17. The Tiger defense held, with Haynes barely missing an interception. Roger Johnson punted from the 18, and Smith took the ball at Claude's 48. Again, Double 0 had excellent blocking, and this time he scampered all the way for 48 yards and a touchdown with 3:36 remaining in the first quarter. He powered into the end zone for 2 points, and the score was 14-0.

After holding the Mustangs on downs at the Tiger 22, McLean marched 78 yards in six plays for their third score. Smith gained 9 to the 31, McCarty passed to end Mike Darsey for 16 yards, and Smith ran for 14 to the Claude 33. Clinton Corbin gained 4, McCarty passed to end David Brown for 18 to the 11-yard line, and Smith dashed 11 yards for the score. Earnest Smith then put the icing on the cake, scoring 2 extra points to make it 22-0.

The Tiger defense made a final effort in the second quarter Claude was threatening at the Tiger 15, when they received a holding penalty back to the 30. Quarterback Terry Knox passed to Bruce Merrell, but Clinton Corbin came up to stop for only a 3-yard gain. David Stephenson then tried to pass, but Brad Parker and Jerry Dwyer charged in to smother him for a 7-yard loss. Claude then ran an end-around play, and Dwyer diagnosed it again, tackling Roger Johnson for a loss of 10 yards. Stephenson attempted to pass once again, and Mike Darsey intercepted at the 10 returning 35 yards to the 45. A penalty took the ball back to the Tiger 25. The first half expired with no further scoring.

Following the second half kickoff, the Tigers drove within 12 yards of another touchdown. McCarty tried to throw to Smith, but David Stephenson intercepted at the one, and ran up to the 21. On the first play, Claude fumbled and defensive guard Gary Ellison recovered for the Tigers at the 20. Clinton Corbin scampered 13 yards to the 7, and on the next play repeated for the touchdown. Thacker Haynes scored the extra points, and the Tigers had a comfortable 30-0 edge.

In the third and fourth quarters, most of the younger Tigers saw plenty of action. Making several tackles on defense were Ted Simmons, Craig Corbin, David Haynes, Ricky Evans and others too. Quarterback Tommy Duniven played well, as did halfback Ronnie Brown and all of the other freshmen and sophomores. Simmons came up with a fumble in the fourth quarter, stopping a Claude drive. Earnest Smith caused excitement again late in the third quarter, intercepting a Claude pass at

his 20 and returning it 40 yards.

The crowd was surprised in the third, as Thacker Haynes punted from his 40. The ball went off the side of his foot, soaring into the stands and into a fan's arms. Haynes was given credit for a 13-yard punt.

Claude passed, passed and passed, in the second half. For the game they completed 13 of 26 for 146 yards. The Tigers, whether starters or substitutes playing, kept the Mustangs out of the end zone, however, except for once in the final period. David Stephenson climaxed a drive by going over from the one. On the extra point, Claude faked a kick and Stephenson passed to Johnson for two, making it 30-8 with 2:29 remaining in the game.

With time running out, Claude tried desperately to get on the scoreboard again, with McLean's second team in the game. However, Terry Knox was tackled on the Tiger 28 by Ricky Evans as time ran out. Ricky barely grabbed his arm, slung him around about three times and brought him to the turf. The game ended with the score McLean 30, Claude 8.

The win was the Tiger's third in District 2-A against no defeats. McLean upped its season record to 6-2, compared to Claude's 0-8. Friday night, the Tigers will travel to Silverton and meet the Owls. Silverton has a fine football team, as they held the state-ranked Clarendon Bronchos to a 7-0 lead in the first half last week. Let's all follow the Tigers to Silverton and support the all the way to the district title.

### Student Council Holds Meeting

By JACKIE ENRIGHT

The McLean High School Student Council had its regular meeting Monday, Oct. 21. Four members were absent, due to illness. Jerry Don Dwyer, treasurer, gave an up to date report and it was approved by the council. Sponsor, Mrs. Riley, submitted the names of several speakers that would possibly be able to speak to the Monthly Assemblies if contacted.

The Student Council voted to take the responsibility of raising and lowering the flag daily for the high school. The business was followed by a brief discussion that resulted in student council members being pleased over the new Student Handbooks that have been supplied all MHS students by the administration. The handbooks contain all administrative policies and the Student Council Constitution.

During the new business, the subject of constitutions and bylaws was the main topic. In order to work efficiently and correctly the council decided it needed a constitution or a set of bylaws from each organization or club in the high school. It was then agreed upon to meet with the teachers the next Monday morning at 7:30 to discuss these plans. Another item discussed before adjournment, that was put into a committee referral was the possibility of a school news paper or news letter.

After Mr. Dwyer, principal, had spoken to the Monday morning Teacher-S. C. meeting, he turned it over to Student Council president Gary Ellison. Gary explained the need of constitutions and bylaws to all sponsors and they agreed to cooperate fully with the Student Council. With the special business attended to, Gary Ellison turned the meeting back to Mr. Dwyer.

The Student Council will have its next school assembly Nov. 20.

### HOWDY NEIGHBOR

By Boyd Pierce

I hope the moon isn't inhabited. This country can't afford any more foreign aid.

A friend in need seldom besitates to tell you.

The best way to learn the value of money is to be without it for awhile.

It's becoming nearly as hard to live within your credit as it is within your income.

The old proverb "better late than never" is believed by everyone except the boss.

Nothing makes a man sicker than being sick on his afternoon off.

When making a fire with two sticks, one should be certain that one of them is a match.

The only thing some women fear more than being talked about is not being talked about.

Women cannot be as successful as man for they have no wives to advise them.

All men are born free and equal even though some get married.

A fellow can't win an argument with a woman, but he can sort of break even by listening patiently and saying little.

Cosmetics are used by teenagers to make them look older sooner and by their mothers to make them look younger longer.

It's still a good idea to say goodnight to your youngsters, especially if you happen to still be awake when they turn off the T.V.

Wouldn't it be convenient if, when we are asked a pointed question at home or at work we could answer "No comment," like the big shots in Washington do?

Trying to get a word in edgewise with some folks is about like trying to thread a sewing machine needle with the machine running.

### First Baptist Church Schedules Revival

A fall revival will be held at the First Baptist Church starting on November 17 going through the 24th.

James Read, evangelist, will be leading the service. Norman Burgess who has been to McLean before will be leading the song service.

On Sunday morning, the 17th, Jim Standish, a layman from the First Baptist Church, Shamrock will bring the morning message.

Services will start at 10:00 and 7:30 p.m. Everyone is cordially invited to attend. Nurseries are open for children three years and under.

### NOTICE

There will be a meeting of the McLean Hospital Ladies Auxiliary Thursday, November 14, at 2:00 p.m. The ladies will meet at the United Methodist Church Fellowship Hall.

### HOSPITAL NOTES

Visiting Hours  
2-4 p.m. - 7:30 p.m.  
No Morning Visiting Hours  
Please observe visiting hours.  
ADMITTED: Mary Lou Glass, Albert Yake, Odell Mantooth, Isabel Husby, Peggy King, Joe Stafford, Pearl Bogan, George Colebank, Brenda Heasley, Floie Simpson, Eula Godfrey, Virginia Dalton.

### Bail Bond Reform

State Bar of Texas and the State Junior Bar will ask the Legislature in January to change the state's system of making bonds for release while persons accused of crimes are awaiting trial.

Idea behind the new plan is to let judges release people, when possible, without making bond at all. But when the judge feels a bond necessary, the prisoner could deposit up to 10 percent of the bond himself.

As it is now, the accused generally has to pay the 10 percent to a professional bondsman, and the money is a fee for services rendered and is not returned. In the proposed system, the man would get his deposit back when he showed up in court.

### College Enrollment Up

Enrollment in Texas' colleges and universities has grown by more than 88,000 students - 47 per cent - since 1963, the Coordinating Board, Texas College and University System, reports. Almost 274,000 students enrolled this fall, compared to about 135,000 in 1963. An increase of 58 per cent was recorded by the 22 public senior institutions, and private schools numbering 37 grew by 20 per cent.

No public senior institution has declined in enrollment.

### Highway Delay Possible

Texas highway projects may be stalled and their prices advanced by federal policies just invoked, according to a state highway commissioner.

Garrett Morris of Fort Worth said the Commission is concerned that the federal policies may further force the state to take over right-of-way buying now done by counties.

### 62% Of Savings Bonds Goal Reached

Mr. George B. Cree Jr., Chairman of the Gray County Savings Bonds Committee reports today that sales of United States Savings Bonds and Freedom Shares in Gray county totaled \$34,124 during September. Sales during the first nine months totaled \$310,416 and this is 62 per cent of the 1968 sales goal.

September sales in Texas totaled \$13,508,678 and the January-September sales were \$134,729,009 - an increase of 8.3 per cent over sales during the same period of 1967.

Nationally, the cash sales of E and H Savings Bonds and Freedom Shares totaled \$361 million for September and topping September sales for 10 of the previous 11 years. Holdings of Savings Bonds / Freedom Shares as of September 30 total \$51,964 million.

will open bids on November 14 on construction of the new veterinary medical diagnostic laboratory authorized by the Legislature in 1967. Texas construction activity declined six per cent from August to September, but index remained 35 per cent higher than September a year ago.

### Hunting Season Opens November 9

The best hunting prospects in years face hunters this year when the season on deer, turkey, and quail opens Saturday, November 9, in many counties of Texas. Hunters are urged to check their 1968-69 Texas Hunting Guide to find out what seasons start when and where.

Texas has more than 3 million deer and approximately half the entire wild turkey population in the United States.

Reports from all over the State indicate an excellent quail crop. Other seasons have ended or will be ending soon. The season on rails and gallinules closes November 9, and the mourning dove season in the North Zone and the white-winged dove season in the South Zone ends November 19 except in the counties which had a white-winged dove season where it ends November 15.

But the major part of the hunting season is still ahead. The goose and sandhill crane season is in full swing, and the magic date of December 14 is finally looming into sight for duck hunters.

### FHA Has Program Planning Meeting

The F.H.A. met Monday night at the school for their regular meeting. Assignments were made for program throughout the year. Officers with a group of girls will be responsible for different events to take place this year.

In charge of the Christmas program will be Nila Richards and Marsha Ellison; Valentine's Day Party - Sue Anderson and Martha Beasley; Open House - Sherry Calcoate and Nell Harkins; Easter - Mary Kesterson and Judy Saunders; and the Mother-Daughter party - Jonnie Ruth Kirk.

### BIRTHS

Mr. and Mrs. Dale Glass are the parents of a baby girl born 9 a. m. Sunday, November 3, at the McLean Hospital. She weighed nine pounds and 1/2 ounce and was named Angela Ruth.

Angela has four sisters, Mari-dale, Sherry Kay, Jamie Lou, and Terri Gay, and one brother, John David. Grandparents are Mr. and Mrs. R. V. Miller of Friona and Mr. and Mrs. J. R. Glass of McLean.

### Local Rancher In Cattle Experiments

An experiment begun last July to test the effectiveness of a new pink eye vaccine has been completed by Dr. John D. Coleman, Veterinary Nutritionist and Beef Cattle Researcher. In this study a series of two injections was given a month apart to cattle having a high incidence of pink eye.

A new experiment was begun this week to study the effectiveness of a liquid protein supplement on native cattle. This experimental work will compare the growth of grazing steers fed liquid protein supplement and the growth of similar steers fed range pellets. This test is being conducted on 100 head of cattle in similar pastures, and should last approximately 200 days. These cattle were individually weighed at the beginning of the test, and will be weighed again after 100 days, and at the end of the test. Fifty steers will have continuous access to the liquid supplement in a self-feeder, while range pellets will be hand-fed daily to another group of 50 steers in amounts equal to the liquid consumed by the first group.

### GOSPEL SERVICES BEGIN MONDAY AT KELLERVILLE

A gospel meeting will begin Monday at the Kellerville Church of Christ. Services will start 7:30 p.m. each evening. Meetings will be held four evenings, Monday thru Thursday.

Bringing the messages each evening will be Richard Williams of Altus, Okla. Mr. Williams is well known here having lived in this area for many years. Mr. Bush Jordan of Pampa will be leading the song services. Everyone is invited to come and hear these gospel messages.

### Linda Montgomery In Alpha Chi

Thirty junior and senior students at Hardin-Simmons University have been inducted into Alpha Chi, national scholarship society. To be eligible for membership, a student must qualify in the scholastic top ten per cent of his junior or senior year. Honored by membership from McLean is Linda Montgomery, senior from McLean. Linda is the daughter of Mr. and Mrs. N. N. Melton.

**LOOKIN' BACK**

by Vera Featherston Back

Sorry not to have been with you last week. In our mail recently were messages from several people who once called McLean home: Billie Stewart Barron sent a check for the museum. Thank you, Billie!

Orville Cunningham, dean of Students in Hardin-Simmons University, sent regards to his friends in and near McLean. Alvah Christian from Abilene, also, says he has received his family coat of arms and when the entire family met at Ruidoso this September, they gave Bettie all they had or remembered on the family and that story would be coming to us soon.

A letter from Mrs. Howard K. Williams of Rusk, tells us of the sudden death of her father on September 18, 1968. He was Milton Moody, one-time editor of the McLean News. Those who were living here at that time recall that Milton left the paper in the care of his mother and sister Rena, now Mrs. Bryant Henry, and went with our boys to help win World War I. His sudden passing will be a shock to his many friends who still read this paper. Mrs. Henderson has volunteered to give us the story that her father had started. Thanks, Mrs. Williams.

Another old-timer is gone. Mrs. Tina Clark who has been hospitalized in the local hospital for so many months died Friday afternoon. She and her husband, Jim, contributed much to the development of this section of the Panhandle, both in the educational and religious life. Even as a patient in the hospital her strong character and sweet spirit shone through her suffering.

Leona Sitter enjoyed the story of the Drennan family discussed in our last column, for she was also a neighbor of his. The neighbor who "had something to do with the paper" was Tommy Bale, says Leona, and he worked for Editor Boswell on the McLean News in 1907. Others who occupied that part of town about that time were the Snow, Short, and Flagg families, as well as Will Langley. The Clinton Henrys of whom H. E. Drennan wrote sold his place to Grandfather Sitter. It is now the property of Dick Herley. Lots of history took place in early days in that southeast section of town. Wish we could hear more.

Exactly 63 years ago today, Thursday, Miss Nida Rippy put out several rose cuttings to

root, the Greens were moving into a new house in town. Can anyone tell us where that house was and if it is still standing.

Frankie Andrews Weatherly of Shamrock has promised the T. H. Andrews story before long. We are anxiously waiting. Frankie, Davie Burch Gipson has added a postscript to her mother's story. Am anxious to read it.

We are hoping all stories will be in by the first of the year. How about trying to get yours in?

Most old-timers remember the Joseph A. Fogg family with their two boys, Joe and Bon. Bon gives us a good history of his people and of their experiences in Gray County. The Fogg's moved from Hollis, Oklahoma where the elder Fogg had been Justice of the Peace for seven years.

J. A. bought a section of land seven miles north and two miles west of McLean for \$5.00 an acre and immediately bought up all the hogs in the country for six a pound. Being a town man, Mr. Fogg knew nothing about farming. He decided to burn his grass off one day, so he penned up the hogs and set fire to the grass. When the crackling got close to the pens, the hogs broke out and ran right into the fire. Six were burned to death and a number were singed badly. He shipped the remaining stock of swine to Fort Worth where he received 4c a pound. "All this after feeding them 200 acres of corn," recalls Bon who lives

near Bushland. Bon started working on the Faulkner Ranch and later moved to the Lefors Ranch where he was paid \$35.00 a month to haul cottonseed, with four mules and wagon, from Mobeetie to the ranch. He went to Mobeetie one day and back to the ranch the next. "Not a bad job," remembers Bon.

D. M. Massay staked Bon in buying his first herd of cattle. Mr. Massay just gave him a check book and told him to go out and buy him some cows. Bon confessed later that he felt like those wee bogus checks when he signed his name to them, but Mr. Massay had told him to do it, and that man was the banker, so why not?

From the Fogg farm there were two routes to McLean: one was to go down by the Back School and then have a straight run to town; the other was to cut through and open nine gates as they crossed other people's pastures, he met Preacher Goodman out in the sand hills and stopped to pass the time a day, as was the custom in those days. "I hadn't seen him in those parts before," said Bon, "so I asked him if he wasn't lost."

The prompt reply was, "No, I'm saved!" That really got Bon's goat and he was ready to get on his way. And now I'll be on my way, at least until next week.

**John R. Bible Completes Course**

Marine Lance Corporal John R. Bible, 22, son of Mr. and Mrs. John V. Bible and husband of the former Miss Janice L. Barker all of McLean completed a course on survival.

Included in the course, presented by the First Marine Aircraft Wing in Vietnam, were methods of evasion, resistance, to interrogation, and escape.

During the course he was instructed in the use of basic survival equipment, and means of escape and evasion should an aircraft go down in enemy territory. He also learned the various methods the enemy would most likely use in interrogation, based on information from personnel who have been captured and escaped from the enemy in the past.

**CARD OF THANKS**

We want to thank everyone for the deeds of kindness shown us during the long illness and death of our mother. For all the food and lovely flowers. May God bless each of you.

**Music Clubs Met With Mrs. Boyett**

The Double Sharp Music Club of Mrs. Boyett's piano class met in their first session of this year at 4:00 p.m. Thursday, October 31, in Mrs. Boyett's studio with only five members present. Low in number but high in quality as all made superior rating, with Becky Biles, high student of the month and Curtis Simpson, second highest. The roll call was clippings from the Young Key-board papers.

The following officers were elected for the year 1968-69: president, Diane Tarbet; vice president, Sheri Haynes; secretary, Delynn Miller; reporter, Diann Miller; assistant reporter, Rose Helen Dwyer.

Diane Tarbet played three memorized selections and other members played one and two numbers each. The 8th graders were promoted to High School leaving a vacancy which was filled by the following members, Patsy Bailey, Jan Biles, Rose Helen Dwyer, Belinda Hutchinson, Bobbie Myers, and Lila Sue Skipper.

The club adjourned to meet in joint social hour with high school club where they enjoyed punch and cookies served by the hostesses, Mrs. J. O. Coleman, Mrs. Earl Tarbet and Mrs. Boyett.

Following the joint social hour with the Double Sharp Club the Sonatina, Bach and Scale Club of Mrs. Boyett's class met at 5:00 p.m. in the studio. The members responded to roll call by a short sketches of a composers life. Mrs. Coleman gave a short sketch of Beethoven's life. New members are Kathy Sullaway, Debbie Ryan Vickie Parr, Stephanie Riley.

The following are the officers for the coming year: president, Valta Tarbet; vice president, Jan Coleman; secretary, Stephanie Riley; reporter, Denise Bailey. Valta Tarbet and Jan Coleman played four numbers and reporters, Vickie Parr, Stephanie Riley, Debbie Ryan, Gay Simpson, and Denise Bailey played one and two numbers.

Ratings for this six weeks are Jan Coleman, highest and student of the month and Kathy Sullaway, second. Both had a grade

McLean Volunteer Firemen Continue Fund Campaign

A fund raising campaign by the McLean Volunteer Fire Dept. is still in full swing, in order that money may be raised to purchase a new fire truck for McLean.

At the present time no rancher in the Gray County Soil Conservation District is using one of these systems.

Under the conditions of moderate stocking 62.5 per cent of those fed no protein supplement were still in the herd at the end of the seven year period.

Is your rangeland producing at its potential? The range rotation-deferred grazing system can help your ranch reach its potential.

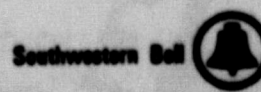

Mr. and Mrs. Bob Massey visited in Houston, Sweetwater and Eunice, N. M. last week.

"If I have questions about bills, payment arrangements, or some other telephone matter, whom do I call?"

Here's the expert.

She's your telephone service representative. To many telephone users, she is the phone company. She answers questions, provides personal number booklets, directories and duplicate bills.

as compared to 53.8 percent for cows receiving 1 1/2 pounds daily and 45.0 percent those receiving three pounds daily.

The supplemental feeding period was for the three months of December, January and February.

Previous tests have shown that three times a week feeding will give the same results as daily feeding daily providing same total amount is fed for the week.

We have around 15,000 Mother Cows in Gray County. If every rancher is over feeding his Cow Calf herd by one pound per head it is costing the producers of this county around Six Hundred and Seventy Five Dollars a day.

Most producers of this area feed over 120 days. Feeding on a by-guess-by-golly basis could be costing the producers of this area well over \$100,000.00 in a season.

I've seen some very skillful cattle feeders miss by a mile on this prediction of gain cost and performance of one group of cattle when compared to another.

Mrs. Jean Orriek was in Lubbock Sunday, November 3, to attend a Zotos Ladies in Fashion Show.

Just one year later, in 1939, the hopes of man were shattered when World War II began.

Twice since then Americans have rallied to the oppressed - once in Korea and now in Vietnam.

Today, even though we are in the throes of such aggression, we still maintain hope, as Americans, for peace for the world.

As we celebrate Veterans Day this year, we pause to remember the Tomb of the Unknown Soldier, symbolic of all those Americans who paid with their lives, that our freedom might endure.

We have inherited a great treasure and are the recipients of a trust which we must keep or we shall lose this freedom which has been maintained at such great cost.

A highlight of the local Future Homemakers Club features for the year is a foods demonstration by Mrs. Mildred Prince with the Southwestern Public Service Co.

On Thursday, October 31 Mrs. Prince demonstrated "Jiffy Cooking" to the girls in each of the home economics classes.

## DOWN MEMORY LANE

### 50 Years Ago

Mrs. McMurtry of Archer City is visiting her daughter, Mrs. Chas. Carpenter.

Miss Hattie Thompson from south of town spent the week end in the Watkins home.

On the Train 43 it is now possible to leave Shamrock at 3:05 a.m. and arrive in McLean at 3:55 a.m. and then go on to Amarillo and reach there at 7:00 a.m. To make the complete trip from Shamrock to Amarillo one would pass through Lela, Ramsdell, McLean, Alanreed, Rockledge, Jericho, Boydston, Groom, Lark, Conway, Yarnall, and Royal.

### 40 Years Ago

Herbert Hoover, Republican dry candidate, carried all of the states in Tuesday's election with the exception of eight: Massachusetts, Rhode Island, Arkansas, Louisiana, Mississippi, Alabama, Georgia, and South Carolina, giving him 444 electoral votes to Smith's 87.

Mrs. J. W. Hall of Alanreed was in McLean Saturday.

The Burk Burnett high school band was given first place in a contest at Wichita Falls that was judged by John Phillip Sousa, the world's greatest band leader. The Burk Burnett band was in the same competition as the McLean band at Fort Worth last summer, taking third place to McLean's second place. This is taken to indicate that McLean has one of the best one-year bands in the Panhandle.

### 30 Years Ago

Some 35 members of the junior choir of the First Presbyterian Church enjoyed a picnic and wicker roast at the McClellan bridge Monday afternoon.

A noticeable toning down of damage done by Halloween pranksters was noticed Tuesday morning following a night of soaping windows and car windows.

Mrs. J. P. Dickinson, Mrs. R. A. Landers and Mrs. J. N. Clark visited in Shamrock Tuesday.

A Halloween party was given in the Macina barn Monday night. All sorts of games were played, and refreshments of cookies, fruits, pop corn and punch were served. Everyone reported a nice time.

### 20 Years Ago

The interest of Albert Cooper of Shamrock, one of three in the partnership owning the McLean News, has been sold to another of the partners, Arval Montgomery of Shamrock, and his brother Herschel Montgomery of Chillicothe. It was announced this week.

About 40 or 50 years ago, a new bank opened in McLean - in a new building. Last weekend that building, no longer an asset to the town, was torn down amidst clutters and bangs of hammers and a cloud of dust resulting when

## TAX SAM SEZ:

The Internal Revenue Service prides itself on being a highly professional and competent organization. Part of the professionals are engaged in finding taxpayers, and naturally these well-trained men and women are capable - and probably have more ways of finding you than any other group. On top of this, Internal Revenue has everybody's number. The fact that thousands of taxpayers get lost every year is not a criticism of these fine "finders of lost taxpayers." Nevertheless, every year Internal Revenue spends time looking for millions of taxpayers who move and forget to change their address. The tax folks find most of these in a few weeks or a few months. But there are always a few thousand that get so lost that even IRS can't find them. At one time, these people would have "donated their refund to the Treasury of the United States - and thousands did. But since the computer age, IRS has a mark on the taxpayer's tape record to show that Internal Revenue owes him money - as well as a mark for those owing Internal Revenue money. It's our guess that they will eventually find 99.9 per cent. In the meantime, if you are lost from your refund check, go to Internal Revenue and find yourself.

## 2,000-Mile-Line No Pipe Dream

Construction is underway in Louisiana, Arkansas and Missouri on Gulf Central Pipeline Company's new 2,000-mile-long line to transport anhydrous ammonia fertilizer from the Gulf Coast to the Corn Belt states of Iowa, Illinois, Indiana and Nebraska. The \$70 million project is scheduled for completion next July. Specialized equipment cleans, primes, tapes and installs 10-inch mainline pipe as it heads north along the right-of-way east of Little Rock, Ark.

Construction has also begun on the line's crossing of the Mississippi River north of St. Louis, Missouri.

### PECAN PRODUCTION

Based on October 1 conditions, the Texas Crop and Livestock Reporting Service reports pecan production in Texas this year should total 50 million pounds; 47 percent above last year and 27 percent above the 1962-67 average.

The Nation's pecan crop is expected to reach 181.3 million pounds, 22 percent less than last year and 13 percent below average.

Civil War deaths were 90 times greater than in the Revolution.

More than 6,000 medical research projects are under way at 146 VA hospitals.

Children of deceased veterans may be eligible for pensions even though their mothers are not.

## Game Law Arrest Show Increase

Game management officers of the Texas Parks and Wildlife Dept. completed 1,461 cases during Sept. for a 7.5 percent increase over the 1,192 cases completed during the same period in 1967, according to R. C. Mauer-mann, deputy director of the department.

Total fines and court costs accrued to the State also increased from \$17,500.01 in 1967 to \$22,966.88 in 1968.

As could be expected during September, fishing violations led the list with 541 convictions; water safety followed with 501, and hunting convictions trailed with 190. Disposition of other cases included: juvenile, 31; dismissed, 99; served time in jail, 3; appealed to higher court, 11; fine suspended, 5; trespass cases, 89; and 1 case voided.

Mr. and Mrs. J. J. Rallsback attended the funeral of their niece, Mrs. Lou Alta Sims, in Borger Thursday.

## Fishing Guide Now Available

The Texas Parks and Wildlife Dept.'s 1968-69 Texas Fishing Guide is new in the mail to district and regional offices and license deputies in all parts of the state.

This year's guide follows the format of the last year's and is printed on both sides of an 18 by 23 inch sheet which folds to a 4 by 9 pocket size.

The guide contains a digest of both general and specific laws concerning fresh and salt water fishing in each county.

There is a special section on fishing regulations for some of the major lakes and reservoirs in Texas.

Fishermen will find information

on trotlines, seines, spear and transport of minnows guide.

The guide furnishes information on special safety regulations, alligators, fishing license size limits, and is furnished on request.

Mr. and Mrs. Herman and children, Joan, Douglas, Joy of Abilene spent the night, October 25, with the parents, Mr. and Mrs. Petty.

### CARD OF THANKS

I want to thank everyone for the cards, flowers, food and prayers I received during the night, October 25, with the parents, Mr. and Mrs. Petty.

C. R. "Chief" Petty
