State Capital News

By Vera Sanford

Legislature is roaring through a full week of a called session with accomplishment as its major goal—adoption of a budget and a tax bill in time for the state's war on crime.

Smith appointed to the new Polygraph (lie detector) Examiners Board San Antonio Police Sgt. Ernest Danish; Hyden Allen Albert of Austin, supervisor of Texas Department of Public Safety polygraph section; Bobby Harvel Musser of Houston; James Davidson Williams of Dallas; William Dodge Starcher of Lubbock and Dee Estes Wheeler of Fort Worth.

DPS promoted to Texas Ranger Capt. Sgt. Bill Wilson of Austin and Sgt. J. F. (Pete) Rogers of Houston. Wilson will command Company B in Dallas and Rogers Company C in Lubbock.

Attorney General Rules State Board of Insurance can consider insurance company investment income in setting coverage premium rates, Atty. Gen. Crawford C. Martin has held in a new opinion. But Martin said he could offer no advice as to whether the Board should take investments into consideration in rate making.

Dimmitt Feed Yards Inc., a custom cattle feeding lot, is not obligated to furnish to county tax assessor a list of the names of those owning cattle located within its confines on January 1.

Rep. Bill Clayton of Springfield introduced a resolution creating a legislative-citizens study committee to take a full look at the Texas Water Plan, now that the voters refused to approve the \$3.5 billion state bond issue to help finance the 50-year water program.

Committee would be composed of three private citizens, three senators and three representatives. They would investigate other possible ways of financing the state water plan. Opponents of the bond issue raised the question that the effect of 67 reservoirs and two canals on the ecology of the state had not been given enough consideration by the Texas Water Development Board. Committee would hold hearings over the state on that.

Recommendations would be made to the Legislature in 1971, thus making it possible for a new election to be held that year or in 1972 on a finance plan.

Short Reports Land Commissioner Jerry Sadler claims sites of three Spanish shipwrecks off Padre Island— which may contain valuable treasure as did earlier sites explored— have been plundered by "pirates."

State Board of Insurance has warned insurance companies from "tacking on" unnecessary provisions to automobile policies after learning that some companies have been "declining" to write policies unless applicants purchased "additional coverages which provide no substantial benefit to them" since this, in effect, is "requiring a premium in excess of that prescribed by the Board" and a "violation of the automobile premium rating laws."

Linda Montgomery Is HSU Graduate

Hardin - Simmons University has announced 93 candidates for degrees in summer commencement. Dr. Robert Keith Parks, Southern Baptist Foreign Mission Board secretary for Southeast Asia, will be the commencement speaker.

Graduating from McLean will be Linda Melton Montgomery, 21. She is the daughter of Mr. and Mrs. N. M. Melton of McLean.

Mr. and Mrs. Luther Petty attended workers conference at Alaneed Baptist Church Thursday night.

Hospital District Election Called By Commissioners

County Judge S. R. Lenning Jr. has called a special election for Saturday, Oct. 11, at which time Gray County voters may indicate their views on the creation of a hospital district that would encompass all of Gray County including Highland General and McLean Hospitals.

Judge Lenning said permission for the special election was granted by the Texas legislature in 1965.

In calling the election, Judge Lenning said there are several advantages in creating a hospital district.

"The small amount of ad valorem taxes that now goes to the state would stay in the county. Also," he added, "it will do away with a duplication in our bookkeeping system. Now bills and records have to be approved by hospital administrators and county commissioners."

"Creation of a hospital district would mean the hospital board would be elected by the people and this, in my opinion, would make the board more responsible directly to the people," he said.

Currently, the board is appointed by the commissioners' court.

At the present time, the hospital budget is greater than the total county budget. Judge Lenning said the hospital budget is annually over \$1 million, whereas the remainder of county expenses is under \$1 million. "Total employees at both hospitals number over 230, whereas other county employees average about 90."

Judge Lenning said the greater percentage of hospitals in the surrounding district have already adopted the hospital district plan for operation.

"We need to get our hospitals governed and managed by a board of directors that would be elected by the people and solely responsible to the people. Presently, it is too large an operation to be included in county business and should be set up to operate independently," Judge Lenning explained.

According to the statutes set out by the state legislature it would also be within the jurisdiction of the elected hospital board to levy an annual tax rate, since the hospitals would no longer come under the county tax umbrella.

Boys Ranch Rodeo Aug. 31 - Sept. 1

The boys at Cal Farley's Boys Ranch are expecting a new record attendance for their 25th annual Boys Ranch Rodeo during the two performances that will be held over the Labor Day week end, August 31 and September 1.

All of the Ranch's 348 boys will have a part in the rodeo with more than 100 riding professional rodeo animals under R.C.A. rules. Top honors will go to the Senior and Junior All-Around cowboys with trophies also awarded to boys with the best rides on bucking broncs, Brahma bulls, steers, calves and stick horses.

Boys not competing in the rodeo arena will have jobs as ushers, chute helpers, or working at some assignment necessary to the rodeo's production. Making their first rodeo appearance will be members of the Boys Ranch band under the direction of Mr. Richard Kidwell of the Amarillo Public Schools System.

For rodeo fans arriving early to picnic, giant size barbecue beef sandwiches will be prepared and sold. The barbecue concession is expected to be one of the biggest attractions of the rodeo. The only outside participation in the rodeo will be riding clubs of the area appearing in the Grand Entry. The Boys Ranch Rodeo is considered the only one of its kind in the nation.

Advance tickets for either performance at 2 p.m. on Sunday and Monday are available at the Boys Ranch office, P. O. Box

North Fork Baptist Men To Have Family Night

The North Fork Association of Baptist men and their families will meet in the First Baptist Church at Shamrock, August 28 at 8 p.m.

Mike Moore of Shamrock will be doing the preaching.

All men and their families are urged to come, according to Paul O'Neal, president.

Motor Vehicle Inspection Revised

The most sweeping changes ever to be made in the State's Motor Vehicle Inspection Act will become effective Sept. 1, according to Colonel Wilson E. Speir, director of the Texas Department of Public Safety.

Speir said that amended act, recently adopted by the Texas Legislature will place Texas on a 12 month inspection period. The measure increases the inspection fee from \$1.75 to \$2.00 and moves the location of the inspection sticker from the right of the windshield to the left. It also adds exhaust emission systems on 1968 or later vehicles and exhaust systems on all vehicles, to the list of items to be inspected.

Speir said that all vehicles subject to inspection must be taken to an approved motor vehicle inspection station between Sept. 1, 1969, and April 15, 1970. Upon satisfactory completion of the inspection procedure, the mechanic inspector will remove the old sticker and affix the new one.

The new stickers will expire 12 months from the date of inspection, and will contain a large number tab showing the month of expiration. Speir noted, "For example, a sticker issued in Sept. will contain a number nine, and will expire on the last day of September, 1970. A sticker issued in January will contain the number one and will expire at the end of January, 1971, he added.

The DPS director urged all motorists to have their cars inspected early to get ready for fall and winter driving and to avoid long lines which may develop in April as the deadline draws near.

In addition to the new items to be inspected, inspection stations will check brakes, lighting equipment, horns and warning devices, mirrors, windshield wipers, and front seat belts in vehicles where seat belt anchorages were part of the manufacturer's original equipment on the vehicle. The inspection also includes checking steering and wheels and rims.

19 Accidents In Gray County In July

The Texas Highway Patrol investigated 19 accidents on rural highways in Gray County during the month of July, according to Sergeant Dalrymple, Highway Patrol supervisor of this area.

These crashes resulted in no deaths, 14 persons injured and an estimated property damage of \$12,060.00.

The rural traffic accident summary for this county during the first seven months of 1969 shows a total of 113 accidents resulting in six persons killed, 92 persons injured, and an estimated property damage of \$30,726.00.

The 1969 Texas Legislature has provided for a year round Motor Vehicle Inspection program. Beginning September 1, 1969, the present 1969 inspection stickers will have a numeral insert corresponding to the month of issuance that will be inserted on the face of the sticker corresponding to the month of issuance. The sticker will be placed in the lower left hand corner of the windshield.

All 1969 stickers bearing a numeral insert will expire at the end of the month a year from now, 1970. All 1969 stickers bearing no numeral insert will expire on April 15, 1970.

Beginning January 1, 1970, the inspection stickers issued will have an orange background and bear an insert numeral corresponding with the 1970 month of issuance and will expire at the end of the month one year from the month of issuance in 1971. The inspection sticker design will change in January of every year to a new base design.

The Legislature added two items to be inspected—the exhaust system and the exhaust

NEWS LOOKIN' BACK

County Agricultural Agent Texas A. & M. College Extension Service

By FOSTER WHALEY

McLean area fared much better on rainfall than the rest of the county. I've heard of over two inches in places near McLean. On the High Plains of Gray County most reports showed three tenths of inch.

The weather continues dry over the state. We have approached that time of year when we can expect a good rain. August is the 2nd highest rainfall month of the year. The average is close to three inches. People forget pretty fast but I have heard several old timers say the weather has been hotter and drier than they have seen it years. There have been few days the temperature hasn't hit 90 to 95 degrees. The recent rain was badly needed by the cotton crop. We believe you will see a better than average cotton crop this year.

Cattle prices seem to be holding pretty steady with little fluctuation either way. The dry weather has had little effect on the market to date. Fact is, stocker calves were up about 50c. I am told, in the Eastern part of the state last week.

We know of one bunch of steers that are to come in from Montgomery, Ala. They will be 400 pounds bull and steer calves number one Okie or better that will cost from \$32.00 to \$32.50. Seventy five percent will be bulls. I would say a few could pay three dollars a few more for local calves and be better off. Trouble is most folks don't want to let their native calves go until October. Feedlots must have replacements year around. This brings up the point are we missing a good bet by not planning our cow herd for delivery at sometime other than Oct. It takes a great deal more to winter a cow with a calf at her side. It would be no trick to wear a calf in mid summer weighing 550 pounds that had been calved in the fall. With cattle now in the thirty dollar bracket you are talking about selling a calf for 45 or 50 more per head than a 400 pound calf sold in fall. Price wise I'd say you could expect to get a couple more dollars per cwt for a mid summer calf.

Something to think about.

McLean Schools To Start August 27

School in McLean commences Monday, August 25, with registration and first day of school will be Thursday, August 28, at 8:30 a.m.

A tentative school calendar for 1969-70 is listed below:

Aug. 25, Monday, 8:30 a.m.—General faculty meeting.

Aug. 25, 1-5 p.m.—High school registration (11th and 12th).

Aug. 26, Tuesday, 8:30-4:30—High school registration (9th and 10th).

Aug. 26, 8:30-4:30—Elementary school registration (1-8).

Aug. 26, 6:30 p.m.—Faculty and board dinner.

Aug. 27, Wednesday, 9-4—Teachers work day.

Aug. 28, Thursday, 8:30 a.m.—Classwork begins.

Sept. 1, Monday—Labor Day holiday.

Sept. 3, Wednesday, 9 a.m.—All school pictures.

Sept. 10, Wednesday—Senior pictures.

Sept. 15, Monday—Tri-State Fair holiday.

Nov. 27-28—Thanksgiving holidays.

Dec. 20-28—Christmas holidays.

Dec. 29, Monday—School resume work.

Jan. 1-4—New Year holidays.

Jan. 5, Monday—Schools resume work.

Jan. 15-16—First Semester exams.

Jan. 19, Monday—Second Semester begins.

March 13, Friday—Student holiday. Teacher conference.

March 28-April 5—Easter holidays.

May 20, Wednesday—School awards assemblies.

May 22, Friday—High school graduation.

May 25-26—Semester exams (grades 9-11).

This calendar includes two days for bad weather. Easter holidays may be used in the event of additional loss of school

LOOKIN' BACK

Too busy at the museum for much of a column this week. Many local people are coming in to see us at 117 N. Main. Why don't you come by? After seeing what we have and our plans for the over-all picture of the past pertaining to this area, you may think of something that you have that would help complete the picture.

We still need an old-fashioned wash stand - one with the towel rack on the top. Do you know where we might find one? Our rock collection is beginning to grow. Bring yours in. We are receiving some old and very valuable articles and hope to display them in an attractive manner.

Do you know of an old-fashioned kitchen safe that we might borrow? That would complete the kitchen with its three types of old churns.

This is an invitation to you - all of you, whether you are an old-timer or a newcomer to come by and visit.

We are anxious to display one picture of every artist, regardless of theme. Please let us know if you have anything like this to exhibit. Time for calling when you are available is hard to find, so you call us or come by.

Yours for a good and representative museum. The Jaycees are giving the museum a long flag pole and an American flag. Now we need a Texas flag and a Tiger banner. Who, or what organization, will help out here? Remember this institution is for you and your children. We who are working hard to make our dream come true are doing it for the younger generation - that they might see and appreciate the generations before them.

Junior Beef Cattle Field Day Saturday

A junior beef cattle field day for farm and ranch youngsters is set for Saturday, August 23 at the Henderson & Parks Angus farm northwest of Stinnett, Richmond Hales, president of the West Texas Angus Association reports.

The all day event will begin at 9:00 a.m. and include a judging contest, a demonstration on selecting meat type animals and talks on carcass evaluation and modern trends in Angus cattle. Two special events will be a queen contest and a public speaking contest.

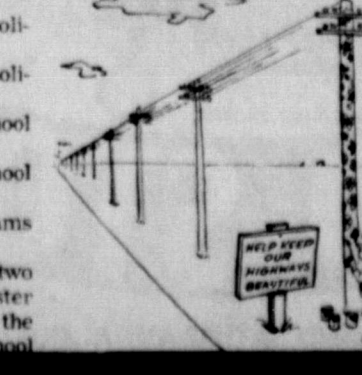

The talks on beef cattle will be made by Dr. Dale Zinn of Texas Tech University, and Stanley E. Anderson, of the American Angus Association breed improvement department. The field day is being sponsored by the West Texas Angus Association and the High Plains Junior Angus Association. All interested persons are invited to attend.

Youth To Lead Baptists Services

Mike Moore and a group of young people will conduct the worship services at the First Baptist Church on Sunday, August 24.

Unless more interest is shown teen teen will not be held this year.

My Neighbors

New Proposal Would Reduce Farm Quotas

"Farmers who have been suffering under the unworkable and ineffective burden of government supply-management welcome the effort to allow them to earn higher net incomes," according to Charles B. Shuman, president of the American Farm Bureau Federation.

"Consumers wishing a continued supply of high quality food and fiber, and taxpayers who resent huge government expenditures for outdated farm programs, will support the legislation calling for a basic change in government farm policy," he added.

The proposed Agricultural Adjustment Act of 1969 is an amendment to the current farm program and would take effect January 1, 1971. It would direct the Secretary of Agriculture to retire at least 10 million acres from production each year in 1971, 1972, 1973, 1974, and 1975, or at least 50 million acres by the end of the five year period. It also calls for a phase-out over the same period of acreage controls, base acreages, marketing quotas, processing taxes and direct payments for wheat feed grains and cottons.

A second part of the Act is intended to help needy farm families enter more gainful employment outside of agriculture through retraining grants and adjustment payments.

News From ALAN REED

By MRS. CECIL CARTER

Mr. and Mrs. Ernest Winburne of Pampa and Lake Texhoma visited with the J. C. Gilbreaths Tuesday. Mrs. Winburne is a sister to Mr. Gilbreath.

Mr. and Mrs. W. H. Davis were in Groom Wednesday to return Mrs. Hattie Terbusch to her home after a visit here with them.

The Alanreed Chapter of H. D. A. clubs met August 13 in the home of Mrs. A. H. Moreman for another rug braiding session though few in number all thoroughly enjoyed the session and the refreshments that followed. Several types of rugs being made.

Merle Wayne Simmons is visiting the G. L. Simmons.

Mr. and Mrs. O. W. Stapp spent Sunday in Amarillo at a family reunion of Mr. Stapp's family.

Mr. and Mrs. Voyne Griffin of Pampa spent Sunday here with the S. B. Magees.

The Bill Tidwells are back in the community after a long absence.

Baptist Church Pastor Resigns Going To Nevada

On August 13 Dan Beltz, pastor of the First Baptist Church, tendered his resignation after serving this community for eight years and eight months.

His last service here will be on August 31.

He and Mrs. Beltz will leave here on September 1st, to make their home in Boulder City, Nevada, where he will serve as pastor of the First Baptist Church.

Top o' Texas Horse Show Starts Friday

The annual Top o' Texas Quarter Horse Show will be held in Pampa, Friday, August 29, beginning at 9:00 A.M. in the main arena of the Top o' Texas Rodeo grounds at Recreation Park.

The one-day show will feature fourteen halter classes with a \$10 cash prize for first place in each class and appropriate ribbons. Trophies will be awarded the grand champion mare, stallion and gelding. Entry fees will be jacket in the nine performance classes, with a \$10 first place award and appropriate ribbons. A trophy blanket will be awarded to the high point all-around horse in the show. There will be five youth activities, and two 4-H Club Classes, with ribbons through three places and all-around trophy for the winner in the youth classes.

Judging the show will be John M. Sturgeon, Thomas, Oklahoma, one of the nation's most outstanding quarter horse judges.

Approximately 200 horses are expected in Pampa for the one-day show, which will be free to the public.

Ed Vincent, Manager of the show, has extended invitations to all breeders of quarter horses in the Southwestern area to be present, along with the youth and 4-H Club members.

The Quarter Horse Show is one of the officially approved shows sanctioned by the American Quarter Horse Association, with headquarters in Amarillo, and sponsored by the Top o' Texas Rodeo Association.

Resident's Brother Dies In Colorado

Mrs. T. E. Crisp received word of the death of her brother, J. T. Davenport of Lyons, Colo. He died August 18 and funeral services were held today.

He is survived by his wife, Dexter, daughters, Mrs. Bert Bentley, Houston; Mrs. Ronald Graham, Littleton, Colo.; Mrs. Bob Thompson, Altus, Okla.

There is a lifting up. (Job 22:29 A.V.)

Many of us have gone through the experience of being disappointed - when our confidence in our ability has been shaken through non-achievement of a hoped-for result or goal. Then and there we should reassert our faith in the power of God within us. We should reaffirm our belief that with God we are able to do all things. There is the divine self in us, the Christ self, that is always capable, always one with the Mind of God encouraging us to succeed.

NOTICE A budget hearing for the McLean Independent School District will be held Thursday, August 28, 1969 at the McLean City Hall beginning at 8 p.m.

BOARD OF TRUSTEES MCLEAN INDEPENDENT SCHOOL DISTRICT

T. E. Crisps Have Golden Celebration

Honored Sunday at the McLean Country Club were Mr. and Mrs. T. Enloe Crisp who marked their golden wedding anniversary.

Hosts for the occasion were the couple's children, Mr. and Mrs. Bill Crisp of Lockney and the Joe Hudsons of Dallas.

Assisting were their five granddaughters, Mrs. David Frizzell, Mrs. Don Lee, Mrs. Bill Carver, Miss Jane Crisp and Miss Lisa Hudson.

Miss Crisp and Mrs. Stanley McWilliams, a niece of the honorees of Fort Worth, submitted the guest book. Some 200 guests registered between the hours of three to five o'clock.

The honored lady greeted guests in a formal gown of yellow lace worn over satin crepe. It was designed with a square neckline and three-quarter length sleeves. With it she wore a corsage of white split carnations.

For her grandparents, 11-year-old Lisa Hudson played "The Anniversary Waltz" on the piano.

Presiding at the gift tables were Mrs. Frank Worsham, Mrs. Henry Loter and Mrs. David Crisp.

Pouring golden punch and serving the sheet cake, centered with yellow buds, were Mesdames Frizzell, Lee and Carter.

The anniversary cake was in three tiers. Frosted in white it was topped with a golden numeral "50" and a white bell. Yellow frosting roses encircled the layers.

Gold net over a matching cloth covered the table. A huge golden wedding candle added to the theme.

The Enloe Crisps have lived for 29 years in McLean. He is a life long resident of Donley and Gray Counties and is a rancher. Mrs. Crisp, who was born in Indian territory at Orr, Okla., came to Texas and Gray County in 1905.

Among the out-of-town guests were Crisp's brothers, Arch Crisp of Walsenburg, Colo., and Robert Crisp, Los Lunas, N. M., and their wives, and a sister, Mrs. Guy Farrington, Pampa, another sister, Mrs. Marie Worsham, Long Beach, Calif., was unable to attend.

Mrs. Crisp's brother-in-law, Earl R. Nickerson, niece, Mrs. Satsley McWilliams, husband and sons, Fort Worth, and nephew, Russell D. Nickerson, Houston.

Mr. and Mrs. Dewey Woods, Amarillo; Mrs. Maye Shaggs, the Wayland Merrimans, The Herman Van Sickles, Mrs. Gladys Turner, Mrs. Ludie D. Reed, the Vaughn Griffins, John Hesseys Guy Dunwoodies, all of Pampa.

The Frank Hommels, Mrs. Vera McMurry, The Olen Castleberries, all of Clarendon; The Jack Frizzella, Lockney.

Mr. and Mrs. Albert Sanders, Hedley; The Charles E. Bostons and girls, Mr. and Mrs. Murray Bost, all of Canyon.

Mr. and Mrs. John Munday, Shamrock; The R. J. Holts, Wheeler; Mrs. Hershel Palmer, Sanford; The Clifford Walsers, Mobeetie; The Albert Sanders, Hedley; The Cliff Vincents and Marvin Tibbets, Lefors; and Mr. and Mrs. Ferrel Tibbitts, Perryton; Mrs. Ethel Benson, Oklahoma City, and Mrs. Bluford Laughling, Harold, Okla.; Mr. and Mrs. David Crisp, Pueblo, Colo.

Mr. and Mrs. T. A. Boyd, Borger, also Messers. David Frizzell, Cindy, Julie and Chad, Lockney; Bill Carter, Don Lee and Stephanie, all of Dallas; and Henry Loter, Lubbock.

AGRICULTURAL BRIEFS

MORE PRODUCTION PER COW - Dairy men desiring to add to their total milk output should consider the possibilities for raising the production level of cows already in the herd rather than increasing the herd size, advises A. M. Meekma, Extension dairy specialist. Texas DHIA records for 1968 bear out this suggestion he adds.

PECAN HARVEST AID - Etherl, a relatively new chemical, is showing promise as a harvest aid for commercial pecan production. Texas A&M University tests show the chemical speeds up maturity and shuck opening. When sprayed on trees at the rate of 1,000 parts per million, shuck opening occurred within two weeks. Its application can bring on tree defoliation which hinders carbohydrate accumulation for the next year's crop. 1969 tests will be aimed at correcting this situation.

Scholarships Awarded To Negro Journalism Majors in 20 Colleges

The American Newspaper Publishers Association Foundation announced recently the award of grants-in-aid to 29 Negro college students under the Foundation's journalism scholarship fund. The program, in its second year, awarded a total of \$15,075.

The students attend 20 universities in every part of the country and all are journalism majors in their junior or senior year. The grants are for the school year starting in September.

Eugene S. Pulliam, President of the ANPA Foundation and assistant publisher of the *Indianapolis (Ind.) Star and News*, said in announcing the awards: "The ANPA Foundation hopes these grants will serve as concrete evidence of the interest of daily newspapers in bringing more Negroes into American journalism."

LINDA HINDMAN

Linda Hindman Marriage Plans Announced

Mr. and Mrs. Marvin Hindman of Longview announce the coming marriage of their daughter, Linda to Mr. Eddy Bush, son of Mr. and Mrs. Naylon Bush of Kenedy. The bride-elect is the granddaughter of Mrs. Joe Hindman of Shamrock and the late Mr. and Mrs. Amos Thacker of McLean. She will complete her bachelor's degree in elementary education from the University of Texas at Austin this fall. The groom-to-be received his bachelor's degree in pharmacy from the University of Texas.

The wedding will take place at the home of the bride's parents, Saturday, September 13. The newly-weds will make their home in the Fleur de Lis Apartments, Austin, Texas.

Pearl Dickinson Highway Use Receives Tops Prize Tax Due

By Cheryl Smith

Derby Town Tops met Monday night with Marilyn Mounce calling the meeting to order. Roll call was by Ann Smith with 18 pounds gained and 10 1/2 pounds loss.

Mrs. Pearl Dickinson won the weekly fruit basket with a 2 pound loss. Pearl also won the caloric counting contest and the bowling contest. As her prize for these contests she won \$16.00. The club is very proud of her.

New members are needed and you need us. If any one is interested please call 779-2520 or 779-2217.

Bailey - McDougal Married In Mexico

Mr. and Mrs. Lester Bailey announce the recent marriage of their daughter Donna Leigh to Mr. Tommy Joe McDougal. He is the son of Mr. and Mrs. H. H. McDougal of Amarillo. They were married in Juarez, Mexico, July 30, 1969 in a single ring ceremony.

They were accompanied on the trip by Mr. and Mrs. Danny Cliff Lee of Amarillo. Mrs. Lee is the twin sister of the bride. The couple will reside in Amarillo.

Owners of large trucks, tractor-trailers, or buses may be required to file a Federal highway use tax return, Form 2290, this month. Ellis Campbell, Jr., District Director of Internal Revenue in Northern Texas, said today.

The tax year begins July 1 and runs through the following June 30. Subsequent returns may be required concerning vehicles used for the first time on public highways after July.

IRS Publication 349, "Federal Use Tax on Truck-Tractors, and Buses," furnished detailed information on this subject and may be obtained by dropping a postcard to Supply, Internal Revenue Service, P.O. Box 1738, Dallas, Texas 75221.

GREAT OPPORTUNITY FOR TAX SAVINGS

LET'S CONSOLIDATE

Congress is considering legislation to bring order
of chaos in the Federal grants-in-aid programs.
With 42 new programs added in the last Congress,
the number of grant categories has now reached
420, according to Sen. Mundt, (R.-S.D.). "Since
1948, grant programs have increased from \$1.8
billion to an estimated \$20.8 billion for fiscal year
1969 and an expected \$25 billion in the current
fiscal year," he explained. Senator Mundt said that
the grants as a source of state and local revenue
"have become increasingly important, demonstrat-
ing the acute need for improving their administra-
tion." The amount of such grants compared with
total state-local revenue has grown from ten to
eighteen per cent in the past twenty years.

The proposed legislation would permit the Presi-
dent to examine and consolidate grants which cover
programs of a similar or related nature. Greater
efficiency and coordination at lower cost can be the
result, while state initiative in solving state-local
problems will, at the same time, be encouraged.

The Bureau of the Budget will provide the Presi-
dent and Congress with an objective analysis of the
progress reports submitted by the program heads.

Such legislation should result in more efficient
and economic administration of the programs, sub-
ject the consolidated grants to Congressional review,
and limit their duration to their authorized period.

The Administration and the Congress are to be
commended on their efforts to streamline the com-
plexity of these federal operations.

**Challenging the
Parking Meter**

Ed stopped his car at a parking
meter, found no change in his
pockets, and headed for the near-
est store to get some. By the time
he returned, a policeman was al-
ready writing out a ticket. Out-
raged, Ed took the matter to court.
"It is true," he told the judge,
"that our city ordinance says the
coin must be put in 'immediately.'
But that is ridiculous. Surely I am
entitled to enough time to get
change."
However, the court ordered him
to pay the fine. The judge felt that,
for the sake of administrative effi-
ciency, the city could indeed insist
on immediate payment—without
leaving any loopholes at all.

There is something about park-
ing meters that at times awakens
the rebel in a rugged individualist.
Nevertheless, in assorted court-
room confrontations between citi-
zen and meter, the law has usually
upheld the meter. As one judge
put it:
"Some hardships must be under-
gone by those who enjoy the bene-
fits of life in large communities."
Thus, in another case, a court
found nothing wrong with parking
meters that sold 12-minute inter-
vals for the first hour—but only an
undivided one-hour's worth for the
second hour. If this was discrimi-
nation against second-hour users,
as a citizen charged, it was held not
to be unreasonable discrimination.
Another citizen, attacking from a
different direction, refused to ac-
cept a parking ticket from a "meter
maid." He argued that the city
could not use anything less than a
regular policeman for law enforce-
ment. But again, the court decided
a city had this much leeway in
running its parking meter system.
Still, the law won't tolerate
everything. For example, meters
cannot ordinarily be used as a
means of raising money for pur-
poses outside the field of traffic
control. Accordingly, a court de-

ecided that a city had no right to
pay for harbor improvements out-
of parking meter income.

Ranchers Silent Partner

by Stephen Qualls, SCS
The Golden Spread area is
composed of many different types
of ranching operations, however
all of the ranchers have one item
in common, they all have a silent
partner, Mother Nature. This
partner was here preparing for us
long before this area was settled.
Through a period of thousands of
years she was decomposing rocks
to form our present soils and cov-
ering these soils with the most
productive and desirable native
grasses the soils were capable of
supporting.
In the meantime Mother Na-
ture has established three Laws of
Nature applicable to the stock-
man. They are: First, the plant
makes its own food in the leaves,
therefore if we continually close
graze the leaf we kill the plant;
second, nature keeps the soil cov-
ered as long as the soil is present;
thirdly, if given the opportunity,
Mother Nature will return the or-
iginal vegetation. One or more
of these laws can be observed on
any ranch in this area.
The first law has often been
violated. The strange and slow
disappearance of the more desir-
able grasses is ample proof that
the plant has been killed by over-
use. Violation of the first law is
nature signal to initiate the sec-
ond law, that is keeping the soil
covered. The original grasses
have been replaced with lesser
producing grasses.
Mother Nature can not initiate
the third law without the help of

the rancher. What are the ran-
chers on the Golden Spread doing
to help Mother Nature replace the
original vegetation? Many are
seeking the technical assistance
of the Soil Conservation Service
through local Soil and Water Con-
servation Districts. From this as-
sistance they are spaying brush
and weeds, deferring pastures for
short periods to improve grass vi-
gor, grazing properly, going in-
to range rotation-deferred grazing
systems, eliminating distribution
problems, seeding unsuitable
cropland back to grass, and de-
veloping an overall conservation
plan on their entire unit. They
are receiving cost share on these
practices through the Great Plains
Conservation Program, or the Ag-
ricultural Conservation Program.
Many of these conservation
ranchers will not hesitate to state
they have increased their stock-
ing rates from 20 to 50 percent
over a period of years.

Grandma's Shoes

I don't remember which I found first, Grandma's shoes or her letters. I do re-
call, that as I lifted things from her battered trunk, it seemed as though time had
slipped backward. Suddenly, the lady in the faded family tintype became real to
me.

Nicely polished and laced, her tiny shoes revealed that she was a petite person,
neat and particular. A faded nosegay indicated a sentimental heart. "My dear
son," her letters began, and as I read her words to that long-ago boy, my Dad, the
reality of her love seemed present in the sun-drenched room. Outside the dusty
window, a bee buzzed, and in that quiet moment I became acquainted with her
personality.

Often, God reveals Himself to us in just such a way. By the beauty of His
world, in the truths within His Bible, through the ministry of His Church, He
discloses the fullness of His love.

Attend your church. Through worship and prayer, enlarge your understand-
ing of God.

**THE CHURCH FOR ALL...
ALL FOR THE CHURCH**

The Church is the greatest factor
on earth for the building of charac-
ter and good citizenship. It is a store-
house of spiritual values. Without a
strong Church, neither democracy
nor civilization can survive. There
are four sound reasons why every
person should attend services regu-
larly and support the Church. They
are: (1) For his own sake. (2) For
his children's sake. (3) For the sake
of his community and nation. (4)
For the sake of the Church itself,
which needs his moral and material
support. Plan to go to church regu-
larly and read your Bible daily.

DOWN MEMORY LANE

50 YEARS AGO

The Hindman Hotel is having some repairing and remodeling done on the front porch.

A. Chapman has bought the McLean Shoe store from John Merten and took charge several days ago. Mr. Chapman tells he intends to add considerable stock, and take care of the trade better than heretofore.

The citizens of Ochiltree County will decide at the poles on August 23 whether or not the county seat will be moved from Ochiltree to Perryton, a point on the new railroad, a few miles from Ochiltree.

40 YEARS AGO

At the regular meeting of the city council held last week, C. S. Rice and A. A. Callahan appeared before the body representing the cemetery association, and asked that the city take over the care of the cemetery.

Free city mail delivery will be installed at Pampa October 1, according to advices from the postoffice department at Washington.

A free band concert will be given by the high school band at the city park Friday night of this week, instead of Thursday night as usual.

30 YEARS AGO

The American National Bank had the sidewalks on the south and east sides of the building extended to the curb, which adds to the convenience and attractiveness of the block.

Postmaster Johnnie R. Back has had the post office redecorated with newly painted walls and ceiling and a newly painted sign.

The following were on a fishing trip last week to Lake City, Colo.:

Chas. E. Cooke and family, Mr. and Mrs. James E. Cooke, Ruel Smith and family, Monty Montgomery and family, J. M. Nealey and family. They report catching a lot of fish.

Pampa, Lefors Phone Numbers Undergo Changes

20 YEARS AGO

Formal opening of the newly decorated Greyhound Drug, under the management of Emory Crockett will be held this Saturday.

Deadline for submitting sealed bids on the construction of the new gymnasium auditorium in McLean is 5 o'clock this afternoon, and city officials are expecting to receive several of these bids.

In an informal ceremony Friday evening at 6 o'clock in the parlor of the First Baptist Church Miss Dorothy Grigsby, daughter of Mr. and Mrs. H. W. Grigsby became the bride of Clinton A. Ritter, son of Mr. and Mrs. C. A. Ritter.

Mrs. Woody Wilkerson entertained with a party in the park in the past last Friday in honor of Donna's Sue Graham fifth birthday.

10 YEARS AGO

The McLean little leaguers wound up the season last Thursday in grand style. Both the boys and girls teams aced the Lefors kids in the All-Star series last week by taking two straight games in the two out of three affair.

Army recruit Barbara Brown, 16, daughter of Mr. and Mrs. R. L. Brown of McLean, completed eight weeks of basic military training Aug. 5, at the Women's Army Corps Center at Fort McClellan, Ala.

Mr. and Mrs. Glen Doyl Sparlin announce the arrival of a daughter on Aug. 14 in Highland General Hospital, Pampa. Lauria Ann weighed 7 pounds. Grandparents are Mr. and Mrs. Doyl Sparlin of McLean and Mr. and Mrs. Ray Taylor of Dill City, Okla.

BIRTHDAYS

August 27 - Mrs. E. J. Windom
August 28 - Mrs. W. A. Glass
Janice Bible, Joseph Michael
Hamilton Barbara White, M. M.
Skipper, Amy Rebecca Barker.

Lee Hinton attended an Avon Representatives meeting in Shamrock Monday of this week.

Telephone numbers will undergo several important changes in Pampa and Lefors Sunday improving Direct Distance Dialing Service and increasing the total number of prefix combinations.

"Prefixes will change from two letters and one number to three numerals, and some other digits in Pampa and Lefors telephone numbers also will change," said George Newberry, manager for Southwestern Bell Telephone Company here.

In Lefors the prefix will convert from Terminal 4 to 834. The fifth digit of some current telephone numbers will change from 4 to 9. For example TE 4-2400 will become 835-2900.

"The last four digits of all other numbers in Lefors will remain unchanged," Newberry said.

In Pampa, the MOhawk prefix will be changed to 66, which is the same in dialing. However, there will be other number changes, Newberry said.

Numbers in the MO 48- group will become 665-8-.

Numbers in the MO 44- group will change to 665-1-.

All other MO 4 prefixes will change to 669. The last four digits of those numbers will be unaffected.

The DDD improvement involves elimination of use of Area Code 806 when dialing within the code area.

"Pampa customers will dial only '1' and the seven digit number for other telephones in the 806 Area," Newberry said. "However, all other Area Codes must be dialed."

"The conversion to all number is part of a nation-wide program," Newberry said. "About 80 per cent of the nation's telephones already have all numerals."

He said that all numbers increases by about 50 per cent the total of combinations that can be used for prefixes.

WOMEN'S FILLERS
Old sayings about peach fuzz are almost out of date, Mrs. Gwendolyn Clyatt, Extension consumer marketing specialist, says most peaches are defuzzed by soft brushes soon after picking.

A commercial compound derived synthetically from coconut oil can help launder and dryclean shearing and leather garment, announces Hazel Roberts, Extension clothing specialist. It preserves the softness of shearings, sheepskins with wool left on, when added to the rinse water in laundering. The fatty amino acid also helps reduce cost of drycleaning leather garments because it allows retention of natural lubricants.

The Gray County 4-H will hold their annual picnic, starting at 7 p.m. Friday, August 22 and continuing thru the next day.

Those wishing to camp overnight may do so.

All 4-H members and their families are invited to attend.

Mrs. Luther Petty's 79th birthday anniversary was observed Sunday by the presence of her son, Herman and his wife, June and their children, Douglas and Joy of Abilene.

Visiting with Mr. and Mrs. Frank Rodgers Wednesday evening were his sisters: Mrs. Clara Jones, Mrs. Camerine Hayler, and Mrs. Helen Hoskins; his brothers: Ray Rodgers Jr., his daughter, Mrs. Chris Keen. The occasion was a party for Mr. Rodgers birthday. Others attending were Mrs. Ray Rodgers, Mrs. Ray Rodgers Jr. and Mary Ellen, Carl Hoskins and Rodgers and Brenda Hoskins and Mrs. Callie Haynes of Weatherford, Okla. and Mr. and Mrs. Marshall of Pampa; and Mrs. Callie Haynes of McLean.
