Pep Parade Play School Tonight

The pep parade, local talent show sponsored by the American Legion, will be given tonight (Thursday) and tomorrow night at the high school, beginning at 8:00 o'clock.

The play is under the direction of Miss Dorothy Pragals and the proceeds will be used toward the erection of a Legion hut in McLean.

The players will be as announced in last week's News, with the exception of the following changes in the cast: Mrs. Richard Back, Judy; Sgt. R. D. Back, Tommy Meadows; Shirley Glass, Madam de la Clair; Tommie Nichols, Mrs. Dora Druggins; Jimmie Bradley, Hortense Johnson; May Lee Abbott, Roseola; Ray Hunt, Keith Trevelyan.

Chorus and specialty numbers will be given between acts, with the following added to the chorus since last week: Maurine Harlan, Evelyn and Mary Lee Stevens.

Miss Pragals says: "This is a gay show, a laugh show and an entertaining show. Those attending will be amply repaid with two hours of good entertainment. In addition to lending support to the American Legion."

In conjunction with this, there will be a tiny tot contest, and the contestants are: Judy Glass, Sherry Jeanne Little, Mary Carlotta Evans, Paula Ann Guyton, Anita Nell Henley, Carolyn Gene Wessel, Mary Ellen Erwin, Judy Kay Mantooth, Nancy Jean Hess, Ronna Ann Little, Nona Ruth Beck, Jean Biggers, Sharon Kaye Ferrell, Christa Carol Rodgers, Pat Shaddid, Clyde Allen Windom, Dick and Bob Bonner, Danny Chad Douglas, Carl Lee Henley, Sanford Hunt, Jimmy Bunch, Pat Hammond, Billy Jack Henley, Gary Joe Graham, Bobby Batson, Gayle Mullanax, Jimmy Allison, Jimmy Riemer, Charles Lee Jones, Kenneth Kimmins, David Crockett, Billy Clarence Billingsley, Vernon Luther Kennedy.

These children will be presented to the audience Thursday evening and Friday evening. Each will be given something for participating in the contest, and the winners will be awarded prizes.

O. G. Stokely advertised for a lost pair of glasses last week, and within two hours after the paper was mailed he had the glasses. A small boy lost a ten dollar bill. It was found by an honest man who ran a found ad. The boy had his money shortly. Here were two 25c investments that paid off. Most anyone would give a quarter for a \$20.00 pair of glasses or a ten dollar bill. There is money in the classified columns for anyone who wants to use them.

BIRTHDAY COLUMN MISSED
Mrs. E. J. Lander takes the editor to task for discontinuing the birthday column that was run for many years.

Mrs. Lander is the only person who has mentioned to the editor the loss of the column, and it was taken for granted that no one cared about it. The News still has the list of birthdays, accumulated at some cost, and will be glad to resume publication and add to it, if any number of readers desire it.

CANNING SUGAR DEADLINE
All canning sugar applications must be in the hands of the local boards by the end of this month. Those who lost the address slip from their first application may apply for the second allotment by using blank for that purpose at the local ration board office.

MCLEAN DAY AT PAMPA
Sunday, August 19, has been designated "McLean Day" at the Pampa rodeo, and all local people who plan to attend are requested to notify W. B. Mercer, secretary of the chamber of commerce, in order that a good showing may be made.

Mr. and Mrs. A. B. Christian of Bedford were here Sunday for the Dyer funeral.

Mrs. R. L. Griggley of Kermitt has been visiting her son, Harvey,

Farmers to Meet At City Park

The place of meeting for the farmers and dairymen has been changed to the city park for Monday night, August 6, beginning at 9:00 o'clock.

According to W. B. Mercer, chamber of commerce secretary, a nice program has been arranged that will be in charge of Bill Stubbs, president of the County Dairy Association, assisted by Boyd Reeves, chairman of the C. of C. agricultural committee.

A dairy specialist from the state extension department will be present, as will the county agent and the county home demonstration agent.

Every lady in the community is invited to enter the cake contest, with prizes to be awarded for the best cakes. Judge Sherman White has been invited to act as judge of the contest.

Free ice cream will be served to all present, and everyone is invited to attend.

Earl Stubblefield Snags Big One

Earl Stubblefield, fisherman deluxe, caught a 22-inch large mouth bass last week, that weighed around 6 pounds and measured 14 inches around.

This fish was the same length of the one caught by Amos Thacker, at the same lake, but being a large mouth instead of a small mouth as was the Thacker catch, weighed about a pound less.

Harry Butcher, Stubblefield's side-kick (this will be reversed as soon as Butcher tops this catch) caught a 3-pounder the same day. It is understood that fishermen have a good alibi for spending most of their spare time at the lake, as there is a saving of red points involved.

Livestock Sale Here Saturday

The chamber of commerce sales barn will reopen Saturday under new management. W. J. Carnes and Buck Henley will be in charge and new rules have been adopted. \$1.00 per head will be charged on all stock sales and 50c will be charged on non-sales.

Sales will be held each Saturday afternoon hereafter according to present plans.

Local Theatres Sold This Week

Paul A. Pierson and Terry Brothers of Woodward, Okla., have bought the Avalon and Lone Star Theatres at McLean.

Mr. and Mrs. Pierson, who have bought the Adams home, are now in charge of the theatres and are getting acquainted with local folks. See announcement of the deal and weekly programs on other pages of this paper.

TROUBLE AT NEWS OFFICE

On Tuesday afternoon, the electric heater on The News big Linotype machine quit work and it began to look as if the slogan of the past 25 years: "On time all the time," might be broken this week. But J. T. Little, Pete Fulbright, C. P. Callahan, Earl Stubblefield and Rev. R. H. Nichols fell to with work and suggestions (Stubblefield and Nichols were especially helpful with suggestions), aided Wednesday morning by a friend of Mr. Little's from Pampa, and the machine was percolating again by Wednesday noon.

There was enough material on hand for a six page paper this week, but two pages had to be left out in account of lack of time to get it in type. The News force appreciates to the fullest the interest shown by friends in getting the paper out on time.

GAS STOVES NOT RATIONED
Gas heaters and ranges were taken off rationing the first of this month, but oil cooking, oil heating, combination oil-gas and conversion burners for stoves remain rationed.

Mr. and Mrs. J. C. Haynes took their son, John, to Amarillo the first of the week for eye treatment.

OUR APOLOGIZES

The News inadvertently left out Judge H. B. Hill's philosophy last week, and we offer apologies.

We are running both last week's and this week's saying in this issue of the paper, and assure the judge there is no charge for the double run, as it was our mistake last week.

It is not often that we leave out matter turned in, but last week was a "Jonah." We left out a school notice given in plenty of time by Geo. Colebank, district manager. We can only offer apologies in the case, for it is now too late to make good on this item, as it had to be published last week or not at all.

Maybe men are less talkative than women because most of the time they can't think of anything to say.

Friendly Thoughts
By Womack

The creative ability of children should be developed. Craftsmanship is evidence of the spiritual side of man; is the individual's attempt to express himself in terms of beauty as well as utility. Happy are the parents who realize that the capacity of their children to learn is the actual measure of budding intelligence.

If the call comes from a distant city we make the necessary arrangements, and you shall know each detail of the moderate cost, in advance.
