State Capital News

By Vern Stanford

Preston Smith turned reading political polls to a new level last week and came up with a proposal for a new state park near Del Rio.

Smith made a day-long inspection tour by air, car and boat to view 8,000 acres of land and water.

Smith said he personally developed the state park development plan and that legislation has been introduced to create the state park.

McLean High School Basketball Season Opens Tonight

The McLean High School Tigerettes and Tigers will open their 1969-70 basketball season tonight hosting the Shamrock Irish. The Tigerettes, coached by Billy Bob Adams, will square off with the lasses from Shamrock at 6:30 p.m. Tip off time for the Tigers, under the leadership of Coach Jack R. Bell, is scheduled for 8:00 p.m.

As a bonus, the Tigerettes, "B" Team, will lead off the night of basketball festivities taking on the Shamrock Girls "B" Team. Other than tournament play, this will be the only Thursday night at 5:00 p.m. games for the High School Basketball Teams this season.

Tonight's slate was scheduled on Thursday to avoid conflict with the numerous bi-district football games being played Friday night. The remainder of the high school games are scheduled for Tuesday and Friday nights.

The Junior High basketball teams will play on Monday and Tuesday nights. Be sure to come out and support your basketball teams this year. You will see a lot of good basketball and enjoy the evenings visiting with your friends. The basketball teams are young and inexperienced this year and NEED YOUR SUPPORT.

There will be a meeting of the McLean Historical Society this Sunday, Nov. 23 at 3:00 p.m. at the grade school cafeteria.

Everyone is invited to come, Mr. and Mrs. Ernie McCracken of Canyon spent the weekend with Mr. and Mrs. Roy McCracken and Mr. and Mrs. Marion Harkins and family.

Vehicle Inspection Rates Are Lagging

Colonel Wilson E. Speir, director of the Texas Department of Public Safety, said today that motor vehicle inspections in Texas are running almost 30 per cent behind the inspection rate at this time last year.

"Unless the inspection rate increases, there are going to be some awfully long lines at the inspection stations prior to the April 15 deadline," Speir said.

During the year which ended August 31, some 6.3 million vehicles were inspected in Texas. Since September 1, only 538,000 have received the required inspection.

The State Motor Vehicle Inspection Act was amended by the Legislature to provide that inspection stickers issued after September 1, will expire 12 months from the date of issue.

However, the law requires that all motor vehicles display a new sticker before April 15, 1970.

Speir noted that the new stickers are being placed on the driver's side of the windshield and contains a number tab showing the month of expiration.

The old stickers are on the passenger or right-hand side and have no number tab.

"The inspection program is intended to discover vehicle defects which may lead to an accident. We urge all Texans to have their vehicles inspected soon to make sure they are safe for winter driving," Speir said.

There will be a meeting of the McLean Historical Society this Sunday, Nov. 23 at 3:00 p.m. at the grade school cafeteria.

Fortunate youngster in the Far East examines shoes she received through the Thanksgiving Clothing Campaign, as barefoot brother behind her hopefully looks for shoes of his own. The time is now to contribute used but serviceable shoes, clothing and bedding to your nearest Catholic church for distribution to the world's impoverished of all races and religions.

Lefors Bandits Down McLean Cubs

The Lefors Bandits came to McLean, Monday to add another bout to their one loss in three years record after defeating the Cubs last Thursday night, the 13th, in Lefors.

Those final Thursday scores were: girls 8 team-7 to 3; high scorer was Jan Bentley; girls 1 team-15 to 28; high scorer was Sherry Haynes; boys 1 team-19 to 38; high scorer was Skeet Lowery.

Last Monday, the 17th, when the Bandits visited McLean for another win, the Cubs fought well and brought in some comparatively better scores.

The boys B team in the first half were in bad shape, the score being 4 to 20. Then in the second half, Charles Stewart scored six additional points to the victorious Bandits.

The girls A team was in the lead 2 to 1 in the first quarter and it looked like a tough game for the slaken Bandits. Then in the second quarter, the Bandits buckled down to take the lead, 7 to 11. In the third and fourth quarters the Bandits held their lead for a win.

The boys A team led in the first quarter, 5 to 3. After the first quarter the Bandits firmly clinched the lead and brought Lefors to the top for a third victory that night.

The final scores for Monday were: boys B team-10 to 33; high scorer was Charles Stewart; girls A team-26 to 31; high scorer was Lavonda Corbitt; boys A team-20 to 28; high scorer was Gary Griffin.

Thursday the Cubs will journey to Silverton for a win. It will be the boys and girls A teams and the girls B team playing. The games will start at 5:00 p.m.

There will be a meeting of the McLean Historical Society this Sunday, Nov. 23 at 3:00 p.m. at the grade school cafeteria.

GRAY COUNTY FARM NEWSLETTER

TRITICALE CLASSIFICATION
Triticale will not be considered a feed grain covered by the 1970 feed grain program.

Triticale will not earn certificates or price support payments nor will it count against the feed grain base if planted in 1970.

GOTTON ALLOTMENT AND TRANSFERS
Producers may lease, sell or buy cotton allotments for the 1970 program. Any producers who carry out this transaction must then come to the county office and fill out an application for transfer with both parties signing the agreement.

A change has been made in this program for 1970. In the past only farms with a cotton allotment could receive more cotton by transfer. Now any farm can buy or lease cotton from someone else whether the receiving farm has an original allotment or not.

Final date to fill out the transfer papers in the county office is December 31.

Export cotton allotment requests must also be filed by December 31, 1969.

Notices of 1970 cotton allotment are expected to be sent to producers in the month of November.

A cotton marketing quota referendum will be held between December 1st and December 5th with producers voting by mail. More information will be sent later on the referendum for 1970 crop of cotton.

This office will be closed all day on November 27 for Thanksgiving.

FINAL DATES TO REMEMBER:
December 31-To transfer cotton allotments by lease, sale or purchase.
December 31-To request export cotton acreage.

There will be a meeting of the McLean Historical Society this Sunday, Nov. 23 at 3:00 p.m. at the grade school cafeteria.

Tigers Defeated By Clarendon

The McLean Tigers were defeated by the Clarendon Bronchos at Duncan Field Friday night in the season final for the Tigers. Clarendon with a perfect record of ten wins will advance to the bi-district clash that will see the winner move into regional play. The Bronchos will represent District 2-A against White Deer the winner of District 1-A in the bi-district playoff at 7:30 p.m. Friday in White Deer. The Bronchos found the going much rougher than expected over the game. Tigers, holding only a 21-7 lead at half-time, after a Tiger drive died at the one-foot line as time ran out for the intermission, the Bronchos bounced back with a 21 point third period effort to put the game out of reach of the valiant Tigers.

David Reese put Clarendon in front 7-0 with the Bronchos scoring on their first possession after recovering a Tiger fumble at the Tigers 38 yard line. The game Tigers fought right back with a 63 yard drive that was capped by a 1 yard scoring plunge by David Brown off left tackle. David Haynes kicked the extra point and the game was tied 7-7 with 1:56 left in the first qtr. Clarendon came back in less than two minutes with the go-ahead TD on a 2 yd. run over right guard by Charles Louis. The Tigers cranked up another drive that was halted at midfield by a fumble on a fake punt and run play that had worked well beautifully in the Tigers previous scoring drive. Clarendon scored another TD mid-way of the 2nd period on a 27 pass play from QB Jim Moore to half-back Charles Louis. The Tigers then drove 60 yds in a valiant come-back effort but their drive died at the one-foot line as time ran out in the first half.

Clarendon came back strong in the second half returning the kick-off on a 78 yard dash by Charles Louis for a quick TD. Clarendon added two more TD's in the third period putting the game out of the reach of the courageous Tigers. They added two TD's in the final qtr. To make the final score Clarendon 56 - McLean 14.

Clarendon finished the regular season with a perfect record of 10 wins and the District 2-A Crown. The Tigers wound up the season with a respectable 3-4-1 mark and tied for third place in District 2-A with a league record of 3-2.

Though the entire Tiger Squad has played well this season against tremendous odds and under the frustrating circumstances of many key injuries, the seniors are to be commended for their outstanding leadership and dedicated play. Carrying the Black and Gold of their school career last Friday were Captain Dennis Duniven, Captain David Brown, Captain Jim Barker, Steve Thacker and Butch Lands. Playing courageously, most of the season with injuries, these seniors have displayed the true spirit of Tigers and have lead the squad well. They will be long remembered by their team-mates and fans for their determined efforts and qualities of leadership.

McLean Clarendon
First Downs 18 14

McLean Lions Ask Girlstown Christmas Fund Donations

The McLean Lions Club has joined with other District 2-T1 Lions in sponsoring the Girlstown Christmas fund, according to Billy Bob Adams, secretary of the McLean Lions Club.

Donations are being sought to raise \$25.00 cash for each of the 88 girls in the Berger and Whiteface units. This year the money will be spent to buy coats and shoes for the girls.

Honorary co-chairman for this year's Christmas fund campaign are Betty Caranhan of KFDD-TV, Margaret Logan of KVII-TV and Royce Botterford of KGNC-TV.

Donations may be mailed to Girlstown, USA, P. O. Box 5566, Amarillo, Texas 79107 or to Billy Bob Adams, P. O. Box 203, McLean, Texas 79057.

There will be a meeting of the McLean Historical Society this Sunday, Nov. 23 at 3:00 p.m. at the grade school cafeteria.

Mr. and Mrs. Ernie McCracken

LOOKIN' BACK

by Vera Featherston Back

Some business offices have this sign over their front doors: "The most important people in the world enter through these doors - our customers." The same could be said of the visitors to the museum. Perhaps we should say "the most interesting people" though they are also important.

Saturday was a day for such visitors. Among them was Mrs. David Anderson of Muleshoe, whose father-in-law, A. G. Anderson, once owned a ranch between here and Mobeetie (I understand that Jud Johnson owns the place now.) David Anderson, now deceased, began his education in McLean in 1911 or 12 and Mrs. Anderson will send his report card signed by a local teacher (She didn't remember the name.) Attention: Mr. Riley and Lavene Carter: Save room on your school panel for that report card.

Visitors I am sorry to have missed were: Margaret Johnston Gray of Denton and Shirley Johnston Myers of Wichita Falls. They are the daughters of the late Mr. and Mrs. Scott Johnston who are an integral part of McLean's social, educational, religious and civic life for many years. Come again girls!

Our number of foreign countries swelled to five last week when Mr. and Mrs. Donald T. Church, in transit from Japan, came in. He, an amateur photographer had a field day snapping scenes of the units in the museum. The day before Johnnie Griffith, son of the C. R. Griffiths, signed our registry. Johnnie, now living in the Arabian States, was a 1949 graduate of MHS. Nice to see you again, Johnnie!

Alice Short Smith enjoyed showing Mr. and Mrs. Rodrigo C. Ramirez through last Friday. These Latin-Americans were both intelligently interested and interesting. Mrs. Willie Taylor of Shamrock, a friend of Nida Rippey Green and Estelle Roach, brought Mr. and Mrs. Finley Taylor of Lubbock by Saturday. They loved it all - especially Nida's doll, her side saddle and asked to see Nida's bedstead of which they had heard. Mrs. Willie Taylor did the talking for the Lubbock couple were deaf and dumb. This handicap, however did not dampen their enthusiasm for the treasure of days gone by.

While showing this nice couple through I caught a bit of their enthusiasm and optimism and breathed a silent prayer that you and I - with all our faculties (almost, at least) would never be caught complaining. Life to these two is devoid of sound, but they grasped more by sight and touch than most of us do with our ears and tongue on duty.

Irene Pagan, self-appointed committee on patriotism (and a worthy cause she is sponsoring), disappointed at seeing so few flags flying from our homes last week, has located some flags and has them for sale at her residence at 701 North Main. Irene is making no profit on these sales - her pay will be in the satisfaction she will receive at seeing Old Glory flying from your home at the appropriate time.

Next Sunday is the fourth Sunday and the Alanreed-McLean Historical Society has a good program planned - one in which a number of our young people will express their views on Thanksgiving, patriotism, etc. This should be worth coming out to the school cafeteria at 3:00 in the afternoon to hear. See you there! Barbara Lawton's history students and Mary Tom Riley's Student Council group, headed by Dennis Duniven - who is also a whiz on the football gridiron - will make us proud of our younger ones. Be sure to make it!

FARM-CITY WEEK - Americans work less to eat better than ever before. They spend less of their disposable income, now down to 16.5 per cent for food and get the best quality in the world, reminds John D. McHaney, Extension economist. And, he adds, Farm-City Week, Nov. 21-27, is a mighty good time for American food consumers, and that's all of us, to take note of this fact and express their appreciation for this "miracle production."

Hypertension Is Not Disease

People who suffer with hypertension, or high blood pressure, nowadays have more reason for optimism than they would have had a generation ago, says the Texas State Department of Health.

In itself hypertension is not a disease. It's a sign that something is wrong, like the stuffy feeling that comes with a cold. The danger accrues because of the possibility of stroke or serious heart or kidney damage when blood pressure is consistently high.

But even mild elevations in the blood pressure considered normal for the person

involved--if the increase persists--may cause the walls of blood vessels to thicken, exactly as callouses are formed on hands by regular use of an axe or hoe. Research has shown that temporary increases in pressure do not really make much difference.

In the most common type of high blood pressure, called "essential hypertension," the tiny branches of arteries which carry blood to all body tissues (called arterioles) begin to tighten up. Blood passageways become smaller and smaller, and the heart has to work harder to push the blood through. After a time the blood vessels lose their elasticity and the heart muscles thicken with the extra work load. Result: high blood

pressure, and ultimately heart damage.

What causes the arterioles to tighten and constrict? No one knows.

High blood pressure sometimes goes up for a period of days or weeks--or even longer--and then drops back to normal. Sometimes it may jump from pure nervousness while your physician is examining you. Perhaps there is a connection between hypertension and the strain of modern life. People who work under constant stress, who worry too much, are often susceptible. Heredity is a probable factor, and the condition occurs most often in persons between 30 and 50.

The thing which will count

most in adding years to the life of hypertension sufferers is the willingness to change their living habits, following the rules of moderation in everything. By securing a doctor's care and following a few simple rules for moderate living, they can probably work and enjoy life as long or longer than their next-door neighbors without high blood pressure.

There is nothing to gain from worry about your chances of developing hypertension. Just make it a point to have a physical examination at least once a year. And worry and argue as little as possible.

Low blood pressure, on the other hand, seldom causes trouble, afflicting relatively few people to a serious extent.

My Neighbors

"For a change I'm not going to insist on the usual formality of a vote. We'll just go on doing everything my way, period."

1969 YEARBOOK OF AGRICULTURE - "Food for us All" is the title of the 1969 Yearbook of Agriculture recently released by the U. S. Department of Agriculture. It contains basic, solid nutrition information needed by every consumer, said Secretary of Agriculture Clifford M. Hardin. The 400 page book joins

the popular editions of past years which have and are serving as valuable reference and information sources relating to the advances made by the agriculture industry.

Mrs. Jim Bolderback of Llanillo is spending the week with Mr. and Mrs. Roy McCracken.

GRAY COUNTY SWCD NEWS

The Texas Water Development Plan approved by the voters of Gray County but was voted down by the citizens of the State of Texas.

There is no doubt that the additional water could be used to a good benefit in West Texas but are we missing use of all the water we are now pumping out of the ground.

I see entirely too many road ditches running water as much as two miles down the road. This is water which we want to replace with water from the Mississippi River. The water which we have is not being utilized on all farms. Do we

need more water until we learn and are convinced that we should use the water we have without waste.

Irrigation systems should be used to adequately water the soil and crop without waste of water. This is hard to do to adjust all the rows to get watered at the same time.

A tailwater recovery system allows a complete watering of the land and the water that runs off goes into the tailwater recovery system and is recaptured without waste and erosion. This also eliminated much time required to adjust the system and change rows.

Come by the Soil Conservation Service and let us help you design a tailwater system.

CARA JANA JONES

December Wedding Is Planned For Jones - Koontz

Mr. and Mrs. Clifford E. Jones of McLean, announce the engagement and approaching marriage of their daughter, Cara Jana Jones to Jerry Dan Koontz, son of Mr. and Mrs. D. K. Koontz of Clarendon. A late December wedding is planned.

CANNED FOODS FOR HOLIDAY USE - Many canned items, including peaches, pears, tomatoes, and the many tomato products, will be plentiful this December. Canned foods, remind the Texas Agricultural Extension Service, can simplify and streamline holiday food preparation.

Ohio is the birthplace of the nationwide Easter Seal movement, which is celebrating its 50th year of service to crippled children and adults.

PUBLIC NOTICE

ORDINANCE NO. 145
AN ORDINANCE PROHIBITING THE BURNING OF TRASH OR WASTE WITHIN A DESIGNATED BUSINESS DISTRICT OF THE CITY OF McLEAN, TEXAS; PROVIDING PENALTIES FOR VIOLATION; AND DECLARING AN EMERGENCY.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF McLEAN, TEXAS:

SECTION 1. It shall hereafter be unlawful for any person to burn any trash, waste or rubbish within Blocks 24, 25, 36 and 37 of the Original Town of McLean, Texas, hereinafter designated "business district," or to start or to maintain fires of any character within such business district as herein defined or as may hereafter be enlarged or changed by any ordinance which may hereinafter be enacted. It is not intended hereby to prohibit the burning of trash or rubbish or waste in any stove or furnace within any building provided with proper flues or chimneys, but all fires are prohibited within said business district, save and except in stoves or furnaces within buildings.

SECTION 2. ANY PERSON violating any of the provisions of this ordinance shall, upon conviction, be punished by a fine of not less than \$1.00 nor more than \$50.00.

SECTION 3. The fact that open fires are dangerous to surrounding buildings and there are no regulations in the City of McLean prohibiting or regulating such fires, creates and is hereby declared to be an emergency necessitating the suspension of the rule requiring ordinances to be read at two meetings before passage, and such rule is hereby suspended and this ordinance shall be come effective from and after its passage, approval and publication.

READ AND APPROVED ON this the 11 day of November, 1969.
/s/ Boyd Meador
Mayor

ATTEST:
/s/ Mrs. Stella Lee
City Secretary

PUBLIC NOTICE

NOTICE OF SPECIAL ELECTION TO THE DULY QUALIFIED RESIDENT ELECTORS OF THE CITY OF McLEAN, TEXAS; AND TO ALL INTERESTED PERSONS:

NOTICE IS HEREBY GIVEN that the election will be held in and throughout the City of McLean, Texas on the 20th day of December, 1969, on the question of the adoption of a One Percent (1%) Local Sales and Use Tax within said City in keeping with the following ordinances adopted by the City Council of said City as follows, to-wit:

ORDINANCE NO. 146
AN ORDINANCE ORDERING A SPECIAL ELECTION TO BE HELD IN THE CITY OF McLEAN, TEXAS, ON THE QUESTION OF THE ADOPTION OF A ONE PERCENT (1%) LOCAL SALES AND USE TAX WITHIN THE CITY; THE DAY OF THE ELECTION AND THE POLLING PLACE; APPOINT ELECTION OFFICIALS HEREOF; PROVIDING THAT ALL DULY QUALIFIED RESIDENT ELECTORS SHALL BE QUALIFIED TO VOTE; PRESCRIBING FORM OF BALLOT; PROVIDING FOR NOTICE OF ELECTION; CONTAINING OTHER PROVISIONS RELATING TO SAID ELECTION

WHEREAS, Article 1066c, Vernon's Texas Civil Statutes (Acts 1967, 60th Legislature, Regular Session, Chapter 36, Page 62) authorized the governing body of any city, town or village in Texas within such city, town or village, Now, Therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF McLEAN, TEXAS:

SECTION 1. That a special election shall be held in and throughout the City of McLean, Texas, on the 20th day of December, 1969, at which election there shall be submitted to the resident qualified voters of said City of McLean, for their action thereon, the following propositions:

"FOR adoption of a one per cent (1%) local sales and use tax within the city."

"AGAINST adoption of a one per cent (1%) local sales and use tax within the city."

SECTION 2. That said election shall be held at one polling place for all qualified voters of said City of McLean, and the polling place and presiding officers for said election shall be, to-wit:

City Commission Room City Hall, City of McLean
E. L. Cubine, Presiding Judge
S. A. Cousins, Alternate Judge

The presiding judge at such election shall appoint three (3) clerks.

SECTION 3. That said election shall be held in accordance with the Constitution and laws of the State of Texas, and all duly qualified resident electors of the City of McLean, Texas, shall be qualified to vote.

SECTION 4. That the ballots of said election shall conform to the requirements of Section 2, Subsection G, of Article 1066c, Vernon's Texas Civil Statutes (Acts 1967, 60th Legislature, Regular Session, Chapter 36, Page 62), and to the requirements of Chapter 6 of the Election Code of the State of Texas, as amended, and the language to be printed thereon shall include the following:

OFFICIAL BALLOT
INSTRUCTIONS: Place an "X" in the square beside the statement indicating the way you wish to vote.

() FOR adoption of a one per cent (1%) local sales and use tax within the city.

() AGAINST adoption of a one per cent (1%) local sales and use tax within the city.

SECTION 5. That election judges and clerks are directed to comply with Article 6.06, Election Code of the State of Texas, as amended (Section 2 of House Bill 181, Acts 1967, 60th Legislature, Regular Session, Chapter 452, Pages 1026, 1028), which provides that a square shall be placed beside each proposition in which the voter is instructed to place an "X" or other clear mark to indicate the way he wishes to vote; but which also provides that failure of a voter to mark his ballot in strict conformity with the directions on the ballot shall not invalidate the ballot, and the ballot shall be counted if the intention of the voter is clearly ascertainable, except where the law expressly prohibits

The Potters are expecting a very important phone call.

In the years ahead, you'll be able to preset your telephone to transfer calls to the number where you're visiting. Electronic switching—using a sophisticated computer system—will make this and many other new services possible. For example, your phone will have a memory. By dialing just two digits of a

frequently called number, you'll activate that memory, then the phone will dial the remaining digits automatically. Electronic switching is fact, not fiction. It's part of our program to plan today for tomorrow's communications needs. We may be the only phone company in town, but we try not to act like it.

Southwestern Bell

Deloris Bailey Is Derby Tops Club Weekly Queen

Derby Town Tops met Monday for their weekly meeting with Marilyn Mounce calling the meeting to order. The club stood and recited the club pledge and then the club sang a song.

This week the fruit basket went to Deloris Bailey for a 2 1/2 pound loss. Others losing weight were Wanda Lamb, Marilyn Mounce, Lucille Tucker, Lillie Mae, and Mozell Hall.

Those remaining the same were Cheryl Smith and Gladys Smith.

Those gaining for the week were Mary Bybee, Ann Smith, Helen Ramsey, Evelyn Hunt, Pearl Dickinson, Brenda Heasley and Judy Cates.

The club chose new telephone buddies this week. Each member has a person in the club to call and help encourage in any way possible.

In Time of Emergency

Usual Fire Precautions Vital in Nuclear Attack

Fire, the great help and hazard to mankind, would prove so again during and after a nuclear attack.

While a nuclear attack might start many more fires, and make it less likely that regular firemen would be available to fight home fires, the same techniques of fire prevention and firefighting would be as useful during a nuclear emergency as at any other time.

Normal fire prevention rules would be of special importance in a nuclear emergency. They include familiar common sense precautions such as not allowing trash to accumulate, especially near heat sources; exercising extreme caution in the use of flammable fluids such as gasoline and naphtha, including storage of such fluids outside when possible; care in the use of electricity; repairing of faulty wiring and avoiding of overloaded circuits, and repair of faulty heating systems.

Special Fire Precautions

These special fire precautions should also be taken in a time of nuclear emergency, especially by those using a home shelter:

1. Keep the intense heat rays of nuclear explosions from entering your house by closing doors, windows, and venetian blinds. If windows are not fitted with venetian blinds, cover the inside or outside of the windows with aluminum foil, or coat the glass with whitewash, household cleaning powder, or even mud.
2. Unless local authorities advise otherwise, fill buckets, bathtubs and other containers with water for use in emergency fire fighting.
3. If you have taken refuge in a home fallout shelter, stay there unless you hear an explosion that breaks windows. If you do, check to make sure nothing in your home is burning, and there are no other fires near your home that might endanger you.

If a fire does occur, fight it promptly. A home might be saved by knowing how to fight fires, and by having on hand some basic firefighting tools. These should include a garden hose (preferably already con-

nected), a ladder, buckets filled with sand, containers filled with water, and a fire extinguisher. Keep in mind that vaporizing-liquid types of fire extinguishers can produce dangerous fumes when used in small enclosed spaces.

Three Ways to Put Out Fire

There are three basic ways to put out a fire:

1. Take away its fuel.
2. Take away its air (smother it).
3. Cool it with water or fire-extinguisher chemicals.

Ordinary fires should be fought by:

- Getting the burning material out of the house.
- Putting out the fire with water, sand, earth or fire-extinguisher chemicals.
- Smothering the fire with a rug or blanket, preferably wet.

Special types of fires require special methods:

- If it is an electrical fire, be sure to shut off the electricity first. Then put out the flames with water or anything else available. If it is impossible to shut off the electricity, don't use water on an electrical fire due to danger of electrocution.
- If it is an oil or grease fire, shut off the supply of whatever is burning. Then smother the flames with sand, earth, rugs, or other heavy materials. Don't use water.
- If it is a gas fire, shut off the gas supply. Then use water, sand or earth to put out whatever is burning.

The information in this story was furnished by the U.S. Department of Defense, Office of Civil Defense, to prepare people for a nuclear attack and learn what actions to take in case an attack should occur. Local government authorities are responsible for supplying the public with more detailed survival instructions for this area. The information was drawn from the OGD publication "In Time of Emergency" (H-14), which is available without charge at local civil defense offices.

Boat Owners Are Reminded Of New Rules

Boat owners are reminded that the responsibility for registering boats was transferred to the Texas Parks and Wildlife Department, effective September 1.

All registration applications, applications for transfers, or requests for information on boat registration, numbering and safety requirements should be addressed to the Texas Parks and Wildlife Department, John H. Reagan Building, Austin 78701.

Registration services are available at Parks and Wildlife offices in the following cities: Dallas, San Antonio, Houston, Fort Worth, Lufkin, Tyler, Corpus Christi, Lubbock, El Paso, Mount Pleasant, Abilene, Amarillo, Beaumont, Brownsville, Brownwood, Bryan, Edinburg, Galveston, Seabrook, Kerrville, Midland, La Porte, Palestine, Rockport, San Angelo, Temple, Victoria, Waco and Wichita Falls.

Concentrate on positive thoughts to share with your family. "I love you" and "I'm proud of you" should be common in family conversations. Or say it with a smile or pat on a kiss. It's easy to speak out with criticisms, demands and complaints, reminds Jeanie Kitching, Extension family life education specialist.

One man's tragedy, the loss of his son in an accident, was responsible for the founding of the nation's largest voluntary organization treating the crippled - the Easter Seal Society - which is 50 years old this year.

If you are feeding your garbage can too well, make a list of what foods to buy and how much. Use a serving per pound guide to know the amount of food to buy for each person, advises Gwendolyn Ciyatt, Extension consumer marketing specialist.

Vernon Kennedy and a friend of Amarillo visited with his grandparents, Mr. and Mrs. Luther Petty, Friday night.
