

FRANCE APPEALS FOR PEACE

Another Increase In Navy Proposed As FD Signs Bill

WASHINGTON, June 17 (AP)—A new \$1,300,000,000 expansion of the navy to provide for 34 additional warships was proposed in an administration-approved bill today by Chairman Vinson (D-Ga.) of the house naval committee.

Vinson said he and Chairman Walsh (D-Mass.) of the senate naval committee would introduce identical bills today providing for this big boost in the navy amounting to a 22 percent increase in the fleet's present authorized strength of 1,700,000 tons.

"World conditions make it absolutely imperative that the navy be built up as rapidly as possible," Vinson told reporters.

Vinson spoke just after President Roosevelt had signed into law two previous bills authorizing a naval air force of 10,000 planes and 16,000 pilots and increasing the fleet by 21 new warships, and 22 auxiliary naval vessels.

The ship construction measure also provides for construction of 22 auxiliary naval vessels.

The aviation expansion bill authorizes spending of specific sums at 30 air bases, and also permits spending of \$30,000,000 for building and improving reserve and auxiliary bases.

Meanwhile, at the White House, President Roosevelt and congressional leaders talked about the legislative and war situations today, leaving up to the legislators a decision on whether congress should adjourn or merely recess during the national political convulsions.

Senate Majority Leader Barkley said some solution would be worked out but he could not tell "what the situation will be by the end of the week."

Another victim was a regular army officer, Lieut. Paul Burlington of Louisville, Ky., a graduate of West Point, where he was a football star as a cadet. He was in command of one of the ships.

The twelfth man killed was not immediately identified.

The mid-air collision, probably the worst in the history of Mitchell Field, army flying station, occurred while four planes were flying in practice V-formation only a few minutes after the takeoff.

Both planes crashed into front yards in 230th street, one smashing two houses and setting them afire. A woman occupied of one of the houses was burned.

The planes quickly became funeral pyres of flaming, melting metal.

TULSA, Okla., June 17 (AP)—A mid-air collision between two training planes killed two students and an instructor today six miles east of municipal airport. Two persons on the ground were injured.

The two ships crashed while flying at an estimated altitude of 2,000 feet, burst into flames and crashed to the earth, witnesses said.

The bodies of the three victims were burned beyond recognition as they were caught in the tangled wreckage.

A farm girl was injured slightly by flying debris and her great uncle was hurt as he slipped and fell while running from the falling planes.

NEW SUPERVISOR FOR LIQUOR BOARD HERE Billy McElroy, formerly of Waco, has assumed his duties as district supervisor for the state liquor control board here.

He succeeds W. S. Morrow, who was transferred to Abilene. McElroy was transferred by the liquor control board from the Waco district office where he served as a district supervisor.

Study Means To Preserve Export Trade

WASHINGTON, June 17 (AP)—The White House announced today that, with a view to submitting the matter to the other American governments, a cabinet committee today would conclude a study of "the most effective manner of disposing profitably of export surpluses in the western hemisphere."

A formal statement was issued announcing the meeting of the secretaries of state, treasury, agriculture and commerce. It offered no further explanation, however, and did not disclose what export surpluses were under consideration.

But there were indications that the United States was thinking of attempting to draw the American republics and possibly Canada into some form of international cartel which would attempt to control prices and marketing of such things as wheat, cotton, beef, coffee and copper.

Back of the meeting, too, it was reported in some quarters, was a desire to prepare the Americas for the time when Adolf Hitler might become economic dictator of Europe.

A commerce department official said one of the trade plans under consideration provided for a United States subsidized corporation to spend approximately \$100,000,000.

WHEAT PAYMENTS RECEIVED HERE What appeared to be the last of 1940 wheat parity payments Monday brought \$328.05 in 34 checks to Howard county small grain producers.

This brought the total wheat parity payments to \$2,661.61 in 79 checks on a crop that did not make.

TURKEY PONDS EFFECT OF PEACE ISTANBUL, Turkey, June 17 (AP)—The Turkish national assembly met today to consider how the request of its ally, France, for an armistice with Germany would affect Turkey.

The nation acted swiftly to buttress her independence and informed sources said she was looking especially to Russia for protection.

One fear of the government is that the Italians might occupy Syria, in which case it was believed Premier Mussolini might call upon Turkey for the return of Alexandrette, obtained by Turkey from France last year.

Right now both the army and navy are particularly desirous of obtaining skilled mechanics and engineers. An enlisted man in the air corps must have at least a high school education.

Plans have been carefully drawn so that no man whose job is vital to the economic structure would be taken away from his machine or office.

Until the 1940 census figures have been compiled, the war department can only guess at the military and industrial man power are some 25,000,000 men in broad sense 25,000,000 men in the broad military bracket of 18 to 45 years.

HITLER, MUSSOLINI TO CONFER ON TERMS THEY WILL SET UP FOR VANQUISHED FOE

Fighting Goes On, Berlin Still Talks Of Complete Capitulation

By The Associated Press BERLIN, June 17—France, crushed under the German military machine, appealed for peace today.

Adolf Hitler and his axis partner, Premier Mussolini of Italy, will meet to decide on what terms France can have it. (In Rome it was said the meeting probably would be at Munich tomorrow.)

The conference of the creators of the axis, which will have an important bearing on the war against Britain, was announced after Marshal Petain, aged soldier-premier of France, offered in a radio speech to lay down arms.

An announcement said: "The premier of the newly-formed French government (Marshal Petain) has declared in a radio address to the French nation that France must lay down her arms.

"He referred therein to the step already taken by him to inform the reich government of this decision and to learn the conditions under which Germany would be prepared to meet the French wishes.

"The fuhrer will meet the Italian prime minister, Benito Mussolini, for a discussion in which the position of the two states will be examined."

With her steel and concrete Maginot line broken, her capital and most of her industrial area in German possession and the remnants of her scattered armies hotly pursued by Germans, France was reported ready for peace, but officials here denied negotiations were in progress.

A bulletin from Hitler's headquarters announcing plans to discuss the terms of surrender caught Berlin at the mid-afternoon rush.

Cheers broke from thousands of throats, strangers embraced. It was a rare emotional outburst for otherwise reserved Berlin.

Laughing deep into France with deadly strokes in two directions, Germany claimed her armies had cut off Alsace and Lorraine and the Maginot line and had smashed southward into central France to take historic Orleans and cross the Loire river.

Thus for the first time in the war, the Germans said, they had split the French army into two parts for piecemeal attack.

"The political and military backbone of France already is broken," said authorized sources in summing up the reports of smashing military successes and the fall of the French government with establishment of what was regarded here as a military regime under Marshal Petain.

"No separate armistice with France is imaginable except in terms of complete capitulation," authorized sources said.

It was asserted that France was regarded as "England's last hope."

FILTRATION PLANT DUE TO BE WORKING IN A FEW DAYS Likelihood that the city filtration plant would be put into operation this week was seen Monday by E. V. Spence, city manager.

He said that materials were on hand for instituting service at the plant located in the southeastern quarter of town and believed that it might be in operation within two or three days.

When the plant is made ready, water will be pumped from the Powell Creek lake, 12 miles to the southeast, giving Big Spring the first lake water in its history. The Powell Creek reservoir has trapped some 14 feet of water at the dam and will be pumped to prevent evaporation loss and to relieve strain on city wells.

CCC WILL ENROLL 100,000 NEW MEN WASHINGTON, June 17 (AP)—The Civilian Conservation Corps announced today it would begin enrolling 100,000 men July 1. They will replace men who have left to accept jobs.

WASHINGTON, June 17 (AP)—A draft plan that could be put into operation within 30 days if the United States got into war long has been prepared in legislative form, ready for instant consideration by congress if an emergency arose.

Under the program, conscription of men from all walks of life would move along with clock-work precision. At least 500,000 men would be conscripted.

LATE BULLETINS

LONDON, June 17 (AP)—All Dutch, Polish and Norwegian ships now at sea and bound for French harbors are being ordered by their respective shipping authorities to proceed direct to a British port, it was disclosed here tonight.

BORDEAUX, June 17 (AP)—A French military spokesman said tonight there no longer was any continuous French front and indicated that the mighty German thrusts had driven gaps between four French armies.

He said the French had lost great quantities of artillery and other equipment.

Up to late afternoon there had been no response to France's request for an armistice.

ROME, June 17 (AP)—The House radio announced tonight that Premier Mussolini and Foreign Minister Count Galeazzo Ciano left Rome at 8:30 o'clock (11:30 p. m. CST). (Premiere they were en route to the meeting with Adolf Hitler to consider France's request for an armistice.)

LONDON, June 17 (AP)—The ministry of labor tonight announced an acceleration of Britain's military conscription program, asserting that there probably would be further registrations of three age groups in July.

MADRID, July 17 (AP)—The foreign ministry asserted today that Germany had invited Spain to take part in peace negotiations with France. (In Bordeaux it was disclosed that Spain was acting as a mediator in transmitting France's request for an armistice.)

Fighting Goes On At Swiss Border LIES VERBIERS, Switzerland, (AP)—Two hours after Premier-Minister Petain's broadcast announcement that he had asked the Germans for peace, a fierce battle began today on the plain behind Pontarlier, where large numbers of German motorized units found their path to the south blocked by French infantry.

Pontarlier is about 30 miles southeast of Besancon, in the rugged Doubs region.

Refugees streaming into Switzerland reported the battle started when the Germans tried to enter Pontarlier.

The French, they said, were fighting stubbornly. The Germans were trying to fight their way into the town after practically surrounding it with motorized units and light field pieces.

Mrs. Little Is Found Dead

Funeral services for Mrs. Elizabeth Cornelia Little, 68, who was found dead in her bed at the home of her daughter, Mrs. C. E. Campbell, 1711 Young street, early Monday morning, will be held at the Eberly chapel at 3 p. m. Tuesday.

Mrs. Little, who leaves over 100 direct descendants, had made her home in Big Spring for the past four and a half years.

She was a member of the Primitive Baptist church, having been associated with the denomination for more than 60 years.

Survivors include three daughters, Mrs. Campbell, Mrs. W. H. McLane, Plainville, and Mrs. L. H. Lanford, Brenham; five sons, R. L. Little, Houston, J. H. Little, Teague, W. M. Little, Lawton, and B. F. Little and H. C. Little, Coahoma; and more than 100 grandchildren and great-grandchildren.

Grandsons will serve as pallbearers and burial will be in the city cemetery.

Weather Forecast

WEST TEXAS—Fair tonight and Tuesday except thundershowers this evening and Tuesday afternoon in southwest portion; little change in temperature.

EAST TEXAS—Considerable cloudiness tonight and Tuesday; scattered showers Tuesday and in north portion tonight.

Texas Oil Shutdown Seen As Emergency Hearing Called

AUSTIN, June 17 (AP)—A statewide oil production shutdown in Texas appeared possible today when the railroad commission called an emergency hearing for 2 p. m. here tomorrow.

The state oil regulatory body issued the call after an agreement of the three commissioners that a crisis faced the industry due to lack of export markets.

Commission Chairman Lon A. Smith said a number of unnamed major producers concerned over accumulating crude and gasoline stocks had demanded the action.

Member Jerry Sadler declared he believed an immediate shutdown was "imminent."

Ernest O. Thompson, another member and formerly chairman of the interstate oil compact commission commented that states participating in the combat should have representatives at the hearing.

Reports on exports of American crude and refined stocks had indicated a growing slump since the European war began.

"We are calling this meeting," Sadler stated, "to prevent possible waste of oil."

NO POLITICAL RALLIES

ALBANY, June 17 (AP)—Shackelford county this season will be a posted reserve for "tired campaign listeners."

Recent rains have made farmers and ranchmen so busy that R. Y. Black, chairman of democratic county candidates, has announced that political rallies will be abolished this year.

TYPICAL FATHER SAN FRANCISCO, June 17 (AP)—Charles Francis Lytton was chosen "Typical American Father" in a Father's Day program at Golden Gate exposition.

He is a musician and has three sons, and is unemployed.

BRAIN SURGEON IN PARIS FOUND DEAD

PARIS (By Courier To Berlin) June 16 (Sunday) (AP)—Dr. Charles de Martel, American brain surgeon who had been connected many years with the American hospital in Paris, was found dead June 15, the day before the Germans entered Paris, with a bullet wound in the head.

Authorities said he committed suicide.

ROME, June 17 (AP)—Italy, still active principally in the air in her first week of warfare, said today in a headquarters communique that her aerial raiders had bombed allied naval bases and flying fields yesterday in Malta, Corsica and Tunisia.

Reconnaissance activity continued in the Alps along the Franco-Italian borders, and in North Africa there were clashes of Italian and British troops.

In British raids, the communique said, a civilian was killed at Savona and several others were wounded, and at Cagliari six aviation technicians were killed and 30 wounded in an attack on an airbase.

"Our aviation carried out raids over aerial bases in Sudan and Kenya (in Africa) with remarkable success and various enemy airplanes were destroyed or damaged on the ground," the Italian communique said.

"In North Africa, land, sea and air operations were successfully carried out against British forces."

The British, using tanks, attacked Italian outposts in Libya.

In the Mediterranean sea and in the air, the Italians declared their forces destroyed 46 French and two British planes and six allied submarines, and announced that anti-aircraft batteries brought down four other allied planes during air raids on Genoa the night of June 15-16.

(Estonia has an area of about 18,350 square miles and approximately one and one-quarter million inhabitants; Latvia has an area of 20,000 square miles and about 2,000,000 inhabitants. Their total peoples do not equal the population of Moscow.)

Some dispatches to Stockholm interpreted the Russian move as the first step toward participation in the European war.

Tax Hearings Are Underway

Sitting as a board of equalization, the Howard county commissioners court Monday opened a two day hearing for property owners other than oil, utility and railroad interests.

The hearings were to continue through Tuesday.

The board Saturday finished its work on the oil valuations, and although the total of the oil roll is not immediately known, it was authoritatively reported that it would show a slight decline over the 1939 schedule. In most instances the oil valuations adhered closely to the 1939 schedule.

Only a few of the company representatives were on hand Saturday after the court followed the slight reduction policy at the opening session Friday. Indications were that the aggregate roll of the county this year would again approximate the \$16,000,000 mark set for 1939 tax purposes.

Britain To Take French Contracts

NEW YORK, June 17 (AP)—Reliable Wall street sources disclosed today that the British government intends to "take over" all war supplies contracted for in this country by France "and to buy as much more here as the United States can produce."

These same sources said sellers of war supplies were inclined to take "at its face value" Prime Minister Churchill's statement that Great Britain would carry on the war.

Something more than \$1,600,000,000 worth of war supplies—mainly airplanes—are known to have been ordered by the British-French purchasing commission in the United States up to last Friday when the French, according to official announcement, placed "many millions" of additional orders.

\$1,000,000,000 a year to buy up all the exportable surpluses in Central and South America for resale at whatever prices could be obtained.

This plan was recommended by the commerce department to the state department. It contemplated that the corporation would take losses, possibly amounting to \$500,000,000 a year, which would be paid by the United States government.

This official explained that the idea was to forestall further economic penetration of Latin America by Germany, Italy or other countries in other hemispheres. Although costly to the United States, he argued, the plan would save much more than its cost by reducing armament expenditures of the United States.

NEW CLUB FORMED BY VEALMOOR GIRLS

Wanda Iden has been named president of the Vealmoor 4-H girls club, organized Friday.

At the initial meeting of the club, Lora Farnsworth, county home demonstration agent, discussed bed room improvements, stressing the importance of arrangements as well as artistry and utility of accessories.

Other officers elected included Gwendolyn Simpson, vice-president, Leola Massingill, secretary, Juanita Hodnett, reporter, and Evelyn Simpson, recreational leader. Members attending the first meeting were Thelma and Eulene Jackson, Geneva McKee, Rena Mae Durden, Ida Dell Hyden, and Otika Massingill.

Producers' Interests Stressed In New WTCC Declaration Of Policy

The voice raised in support of area producers by the West Texas chamber of commerce at its annual convention in Big Spring is echoing throughout the section with release of a declaration of policies by the regional organization.

The declaration, in pamphlet form, has been mailed to WTCC officers, chamber of commerce managers, newspaper editors, legislators and other public officials, and the 250 WTCC directors and committee members named on ten major commissions to carry out the work program.

"Policies of the organization reflect the voice of the producer seeking parity and his rightful consideration in state and national economic affairs," declares WTCC President J. S. Bridwell of Wichita Falls in a preamble to the declaration. He added: "The declarations of the Big Spring 22nd annual convention reflect only our regional thinking on matters which at the moment seem to require most attention. Due to the factual information contained in these resolutions, and in order to show the thinking and reasoning upon which our policies are based, we are publishing hereto the most important of these resolutions."

Two Sections

The release is in two sections: the declarations of the Big Spring convention, and a brief summary of the long range policies of the organization previously adopted.

Among the first are resolutions directing legislators to Article 8 of the federal constitution requiring the specific authorization of congress to borrow money on the credit of the United States; recommending that local governments be checked and appraised by taxpayer committees in accordance with the WTCC plan of organizing local public expenditure committees; exhorting senators and congressmen to oppose to the fullest degree any proposals for any extension of federal control of the petroleum industry, and proposing a moratorium on further natural resource laws. Federal control of the oil industry is opposed.

Another resolution stressed at the Big Spring session—calls upon the Texas delegation in congress to either secure administrative rulings or to amend the agricultural act for the purpose of requiring all states to share equally in the national cotton production quota in accordance with each state's normal ability to produce cotton. A separate Triple-A administration is sought for the Southwest. The WTCC charges West Texas and Texas have contributed more than their proportional share to cotton reduction.

Praise for the Texas railroad commission as accomplishing more in the past year than in all the years since the establishment of that body through orders lowering intrastate freight rates and abolishing differential territory is contained in a resolution to the transportation commission. The last order by the railroad commission, brought to the WTCC convention by Jerry Sadler, prescribes a 13 per cent reduction on Texas class rates, with estimated saving of \$10,000,000 to producers, shippers and consumers.

The accumulative, long range policies of the West Texas chamber are summarized in 13 groupings.

The ten major commissions and their chairmen on whose shoulders rests achievement of these policies are:

- Public Expenditure, Taxation and Debt: James D. Hamlin, Farwell, general chairman; Sinking Fund and Investment Commission: W. J. Fulwiler, Adhens, chairman; and central Budget Analysis Staff: John B. Allied, Wichita Falls, chairman.
- Conservation: C. C. Small, Amarillo.
- Agricultural and Livestock Parity: C. M. Francis, Stamford.
- Natural Resources: Jay Taylor, Amarillo.
- Chemurgy and Industry: Clifford B. Jones, Lubbock.
- Transportation Parity: G. H. McKinney, Fort Worth.
- National Security and Public Works: Amon G. Carter, Fort Worth.
- Redistricting, Reapportionment and Short Ballot: S. A. Wells, Lubbock.
- Cooperative Activities: Houston Harte, San Angelo.
- Organization, Public Relations and Finance: headed by the officers committee, executive board and ten district directors, and composed of all WTCC directors formed in district organizations. The ten district directors are active heads of these groups.

MARKETS Wall Street

NEW YORK, June 17 (AP)—Stocks topped 1 to more than 5 points today, as France bowed before the Hitler blitzkrieg, but the market soon steeled and leaders substantially reduced or erased losses.

Prices held fairly well at the start, and brokers began to think the French defeat had been pretty well discounted marketwise.

There was a brief relapse before buyers began to hunt for "bar gains." A slow come-back then got under way. Several rubbers, utilities and rails managed to register advances. Trends again backed away moderately at the close.

GOOD RANCH LAND BEING CONTOURED

Work of running double contour furrows on the range land of T. J. Good in Borden county was nearing completion Monday.

Good is having the land around his ranch headquarters contoured, the single furrow distance estimated to be between 200 and 300 miles. Last week a terrific hail, some stones the size of hen eggs, fell in that area and extended southward in the Howard county.

PEOPLE ASKED TO STOP DUMPING CANS ALONG THE ROAD

Howard county commissioners court Monday issued an appeal, coupled with a warning, to the public to refrain from using the Lovers Lane (road connecting E. 11th street and old highway No. 1) as a dumping ground.

The court announced that a two-week program of removing rubbish is underway and asked the public to cooperate by not dumping trash in the right-of-way. Failure to heed the appeal will necessitate sterner action, the court warned.

KNIFE VS. ROCKS

Police Monday solved a ticklish domestic problem which included a butcher-knife wielding wife and a rock throwing husband.

They jailed Annie Mae Carney and her husband, Coral Lee Carney, negroes, after complaints had been received that the former was waving a menacing knife in retaliation for rocks tossed by the latter.

GASOLINE TAKEN

Burglars forced gasoline pumps at the Wooten Service station at E. 2nd and Benton Streets sometime Sunday and operators reported loss of approximately 40 gallons of high grade gasoline. The sheriff's department was investigating.

Scouts Soon To Leave Camp

CAMP WEHINAHAPAY, WERE, N. M., June 17—More than 100 Boy Scouts and leaders from the eastern half of the Buffalo Trail council today rounded out a 10-day camping program and planned to break camp Tuesday evening and Wednesday morning.

The second and final 10-day period will open for the western half of the council Wednesday morning. Several of the scouts in camp the first period will remain for the second, it was reported.

Sunday features of the program were a worship service held in the pine and fir forests under the direction of the Rev. W. H. Black, Colorado City, who has been supervising mess, sanitation and morale at the camp in addition to serving as chaplain.

The pioneer scouts today completed their cooking tests after having constructed a log cabin from aspen and lean-to affairs from pine and fir. These scouts have camped out all the period while others have been bunked in cabins for groups of eight.

Saturday more than three score scouts participated in a 14-mile hike to Rim Rock, from where the mountains near El Paso could be seen to the southwest, the Rockies in the distant west, and the white sands of Alamogordo to the north-west. Half the number helped blaze a trail through the wooded canyons and the others followed the trail to Rim Rock. Saturday night was set aside as Stunt Night.

Charlie Paxton, Sweetwater, council president, Carl Blomshield, Big Spring, council camping chairman, and his son, John Blomshield, Big Spring, left camp Sunday morning after a weekend inspection.

The weather continued good with frost on clear mornings, sunshine and periodical mountain showers during the day. Leaders termed the camp one of the most successful in the history of the council.

Materials Ordered For Mattress Work

Orders covering materials for 220 mattresses were dispatched from here Monday as agricultural leaders closed out applications for mattresses for low income farm families.

However, more applications continued to come in Monday, said Lora Farnsworth, county home demonstration agent who was engaged in rounding out plans for constructing the mattresses.

Two centers will be set up to turn out the bedding—one at Knott and another at Big Spring. Surplus Commodity corporation is furnishing the cotton for the venture, which serves farm families whose net income was less than \$400 last year.

Should a large enough number apply before the program is completed, it is possible that a "clean-up" order will be sent, it was indicated.

4-H CLUB GIRLS' TOUR IS PLANNED

Plans are being completed this week by Lora Farnsworth, county home demonstration agent, and individual demonstrators for a tour to various 4-H club demonstrations on June 28.

Mrs. Farnsworth said that arrangements would be made this week to include such points as Highway, Knott, Morgan, Center Point and Coahoma on the tour itinerary. The group will assemble at Big Spring for the trip.

Vealmoor girls, formerly attached to the Knott (Garner) club will join in the tour but will only have reports from cooperators since no demonstrations have been carried out by members of the new unit.

REMAINS IN JAIL

Charles Tyler, charged with burglary of the Carl Bates grocery in Coahoma, Saturday, remained in the Howard county jail Monday pending examining trial.

Work of running double contour furrows on the range land of T. J. Good in Borden county was nearing completion Monday.

RUNYAN CO. GETS ODESSA CONTRACT

A local firm was among the successful bidders on the \$97,082 Odessa East side elementary school job and South side additions Saturday.

Runyan Plumbing Co. of Big Spring was low on the plumbing and heating contract with a bid of \$12,128.00. Rose Construction Co. of Abilene got the general contract at \$79,315 and J. H. Pruitt Electrical Co. of Lubbock was low with \$5,025 on the electrical work. Construction is to begin June 24 and contracts call for completion in 135 working days. The building will have eight classrooms and an auditorium seating 400.

POLICE MISTAKE IS SUCCESSFUL ONE

DALLAS, June 17 (AP)—Two 18-year-old Dallas boys were in jail today because police made a mistake.

When J. H. Faure reported that two youths had attempted to rob him at Cedar Springs avenue and Reagan street, the radio dispatcher at police headquarters misunderstood the address.

"Go to Cedar Springs and Maple," he ordered a squad car.

Police said they arrived at the wrong address just in time to nab the right boys in another robbery attempt.

4-H CLUB GIRLS' TOUR IS PLANNED

Plans are being completed this week by Lora Farnsworth, county home demonstration agent, and individual demonstrators for a tour to various 4-H club demonstrations on June 28.

Mrs. Farnsworth said that arrangements would be made this week to include such points as Highway, Knott, Morgan, Center Point and Coahoma on the tour itinerary. The group will assemble at Big Spring for the trip.

Vealmoor girls, formerly attached to the Knott (Garner) club will join in the tour but will only have reports from cooperators since no demonstrations have been carried out by members of the new unit.

REMAINS IN JAIL

Charles Tyler, charged with burglary of the Carl Bates grocery in Coahoma, Saturday, remained in the Howard county jail Monday pending examining trial.

Fighting

sword which by all means must be wrenched from England's hand."

Informed observers explained that an armistice short of capitulation would leave the French forces free for reorganization for a possible smash against the Italians. This Germany never would permit, they said.

"We continue to fight," declared a spokesman in discussing what he termed "rumors and conjectures of French capitulation offers."

The Maginot line is surrounded by Nazi soldiers, the German high command declared, except for a small space along the Swiss border.

The map of conquest drawn by the Germans showed that a major portion of French resources and defenses now is in German hands.

Through the Maginot breakthrough apparently from the Verdun region, the Germans had sent a loop of steel almost directly south to a point on the Swiss border, Pontarlier, south of Besancon. Between there and the Rhine they had trapped the rich iron, coal and industrial area of Alsace and Lorraine, retaken from Germany in 1918, as well as the greatest fortified area, many miles deep.

Caught also were the huge forts around Nancy, Metz, Epinal, Belfort, Strasbourg—the very heart of the main French defense system.

The Germans estimated that about a million French soldiers were trapped in the triangular northeast corner of France with no escape possible except through the heaviest of the German west wall fortifications into Germany; into Switzerland, or by a breakthrough southward in the hope of joining forces being pushed steadily backward toward the Atlantic, Spain, the Mediterranean and the Alps. Behind the Alps, the Italian army is waiting, they said.

Pittman Takes Rap At Lindy's Speech

WASHINGTON, June 17 (AP)—Replying to Col. Charles A. Lindbergh's demand that the United States stop making "gestures with an empty gun," Senator Pittman (D-Nev.) has proposed that the flier "cease efforts to create unfounded war fear and lack of confidence in our government."

Pittman, chairman of the senate foreign relations committee, said in a radio speech Sunday night:

"If Colonel Lindbergh desires to help in our national defense, let him throw aside all of his false political advisers, and volunteer in the United States government as an expert in aviation."

Pittman's speech followed a broadcast Saturday night in which Lindbergh declared:

"This dabbling we have been doing in European affairs can lead us only to failure in the future as it has in the past. x x x"

TO SCOUT CAMP

Earl Scott will leave with approximately 15 members of Boy Scout troop No. 3 Tuesday at 3 a. m. to attend the second period of camp. The group will go through Carlabad Caverns en route. Other Big Spring scouts in camp the first period will return Wednesday.

Planting Deadline Finds County In Drouth's Grip

Howard county today is confronted with a situation none cared to advertise—an acute drouth problem.

Deadline for planting cotton with an assurance of harvesting a crop has been or will be passed this week. There still remains the possibility that cotton may be planted to make up to July 1, but such becomes a gamble on a late frost.

Despite the general lack of moisture, some cotton is up or planted on around 50 per cent of the more than 60,000 allotted acres. In quarters where showers have fallen, feed patches are up to stands and sudan pastures are in fair shape considering weather conditions. Ranges are promising in shower areas, but will not hold long.

Most of the planting has been in the Elbow, Lomax and Cauble communities to the south and west, some around Hartwell, a strip north of Knott; a few isolated places east and south of Vealmoor, most of Vincent, a little north of Coahoma, south of Moors to Big Spring, and most in the Midway sector to the east of Big Spring. The worst of the dry belt in the farming section extends from Knott down to Fairview over to Center Point and to Coahoma.

Friday Nite Bridge Club Has Flag Day Party In Home

The Friday Nite Bridge club met in the home of Mr. and Mrs. R. L. Collins with Mrs. Reagan as guest. Flag day was the theme used in the red, white and blue mints, and a miniature flag topping each bowl of tea cream. Individual cakes were laid with flags. Mrs. Hart Phillips and Jim Neal won high score and Mrs. Neal won consolation prize. Hart Phillips binged. Others present were Mr. and Mrs. A. E. McDougal, Mr. and Mrs. T. E. Thompson, Mr. and Mrs. R. H. Foard and Mr. and Mrs. J. W. Smith. The club will meet next week in the home of Mr. and Mrs. Foard.

Let's Get . . . PERSONAL

Mr. and Mrs. F. W. H. Wehner and daughter, Barbara, of Del Rio, spent the weekend with Mr. and Mrs. Fritz Wehner. Ebb Hatch is in Houston on a business trip. Mr. and Mrs. Roy Townsend and Mr. and Mrs. George Oldham spent the weekend fishing on Spring creek. Frank Morgan spent Sunday visiting in Odessa. Mr. and Mrs. C. E. Shive and daughter, Billie Bess, returned this weekend from a week's stay in Ponca City, Okla., with their daughter, Mrs. Frank Searcy, and with other relatives in Seymour and Wichita Falls. A. T. Grant of Ross City and Lloyd White of Eunice, N. M., went to Del Rio for a four-day fishing trip. Mr. and Mrs. Joe G. Carter and Mrs. J. G. Carter have just returned from a vacation in California and other points west. Among many other interesting sights was the World's fair on Treasure Island at San Francisco.

License For Contraption Baffles Highway Body

CHARLESTON, W. Va. (UP)—The state road commission will lose no more sleep over the classification of Robert Duke's "what-chamacallit"—the contraption he drives daily between Bakersville and Shepherdstown. Here's the reason (or reasons) the commission was baffled. The frame took shape out of old iron girdles salvaged from the Harper's Ferry bridge after it crashed in a flood in 1936. The springs were once part of a radio wind charger, and a cream separator gave up the drive chain tightener. The motor was discarded from a motorcycle, and the exhaust pipe was an erstwhile integral part of a vacuum cleaner. So the commission pondered, the commission puzzled, and finally the commission said a motorcycle license would suffice.

MINOR BURNS

UNCOLLECTED burns may cause unpleasant complications. Be careful—apply Mentholum to the burned skin. It will soothe the injury and ease the pain. It will speed up the process of healing. Mentholum is also effective in relieving other minor skin irritations, such as sunburn, chafing, insect bites, prickly heat, cuts and bruises. Keep it handy for general use.

Dorothy Carmack Honored By Her Sister Saturday

Bride-Elect Of N. Kennemur Has Shower

Janice Carmack honored her sister, Dorothy, with a kid party on the lawn of their parents home, Mr. and Mrs. H. G. Carmack, Saturday night.

Dorothy is the bride-elect of Noble Kennemur whose marriage is to take place on June 29th.

The guests came dressed as children and a childhood theme was carried out throughout the party.

The guests registered by autographing children's pictures in a scrapbook. Prizes were won by R. H. Weaver and Ray Skalicky in games directed by Miss Alma Rueckart.

Marilyn Carmack and Harry Weeg, Jr., dressed as a bride and bridegroom brought the honoree three suitcases filled with gifts.

School day lunches were served in paper bags with Dixie cups by Hazel Carmack and Martha Winter.

Present were Helen Weaver, Loida Heckler, Loyce Kinman, Josephine Winters, Melvin Newton, Donald and La Vaughn Bowden, Patsy Mims, Willie Mae Mason, George Stewart, David McConnell, Marie Hickson, Joe Allen Wilkerson, Ann Talbott, Leslie Christianson.

Roberta Cass, Raymond Winn, Jr., Johnny Arendall, R. H. Weaver, Marie and Nellie Gray, Elmore Hubbard, Mary Alice Cain, Georgia Faye Griffin, Noble Kennemur, Howard Carmack, Donald Thurman, John Winter, Ruth Weeg, Mrs. F. H. Talbott and Bonnie Lou, Mr. and Mrs. W. C. Heckler. Sending gifts were Marie and Ann Griffin.

Miss Hawthorne And G. T. McMahon Marry Here Saturday

Miss Katie Belle Hawthorne of Big Spring and G. T. McMahon, son of Mr. and Mrs. R. H. McMahon of Nolensville, Tenn., were married at 7:15 o'clock Saturday evening in the parsonage of the First Methodist church. The Rev. J. O. Haynes, pastor, read the single ring ceremony.

The couple left on a short trip and on their return will make their home here where he is employed as a painter.

Mrs. McMahon is employed at Montgomery Ward. She attended Texas Tech.

McMahon was educated in Tennessee schools and has been here for the past four years. Those attending the wedding were Mrs. M. D. Davis and daughter, Marvin Louise, and Mr. and Mrs. John Nutt.

Kiwanians In Convention

MINNEAPOLIS, June 17—Business sessions of the 24th convention of Kiwanis International opened here today, with 5,000 delegates and visitors from all parts of the United States and Canada arriving here for the four-day annual gathering. Plans will be got underway for 1940-41 programs for clubs in community service, child welfare, agriculture, citizenship, youth work and public affairs.

Minneapolis for the first time is host to an international convention of Kiwanis.

Bennett O. Knudson, of Albert Lea, Minn., president of Kiwanis International, is presiding at all sessions. In his annual message, he stated, "Kiwanis continues to be today's organization for rendering service. We are non-political and non-partisan in purpose and it is our effort to perpetuate democratic institutions. Citizenship responsibility is the price we pay for our liberties."

Fred C. W. Parker, of Chicago, secretary, announced that Kiwanis had reached another high peak in membership. At present there are in the U. S. and Canada, 2,100 clubs, with a membership of 110,000, he said.

The membership climbed from a depression low in June, 1933, of 77,415 members.

"This marked upward trend in membership indicates the results Kiwanis gets in community service," Mr. Parker declared. "As long as our membership realizes that community service is our real goal, we shall continue to grow. Each year we are giving increased service to communities."

Prominent speakers to be heard during the coming week are Martin Dies, chairman of the Special House Investigating un-American and Subversive Activities; H. V. Kaltenborn, war commentator; James G. Gardiner, Ottawa, Ont., minister of agriculture for Canada, and Susan Myrick, Macon, Ga., a technical director who taught movie stars southern dialect for "Gone With the Wind" film.

Roe Fulkerson, of Hollywood, Fla., nationally known humorist, is also on the program.

BIG SPRING HOSPITAL NOTES Raymond Alford Wilson, 10 year old son of Mrs. Bessie Wilson, who resides east of the Experiment farm, was admitted Monday for surgery Tuesday.

Mrs. D. L. Boyd of Foran gave birth to a 9 pound 10 ounce daughter Sunday morning.

W. K. Scuddy of Foran underwent major surgery Monday.

Miss Omega McClain of Tyler, Tex., underwent minor surgery Monday.

Dismissals over the weekend included D. T. Cook of Coahoma, Mrs. Waretta Hodnett of Knott, Mrs. H. M. Neal, Mrs. Odell Buchanan and son, of Route One, Big Spring.

DELEGATE—Mrs. C. G. Barnett, above, left this weekend for Galveston to attend the state meeting of the V. F. W. post and Auxiliary being held in Galveston Sunday, Monday and Tuesday. Mrs. Barnett will report to the local auxiliary at a business meeting Thursday night at the W. O. W. hall. Mr. Barnett accompanied her to Galveston.

Watson B. Buchanan Marries Saturday In El Paso

Watson B. Buchanan, son of Mrs. B. Buchanan, and Irene Ruth Kane, daughter of Mrs. Mary Kane of Melbourne, Australia, and the late F. C. Kane, were married at 3 o'clock Saturday afternoon in the chapel of the First Presbyterian church of El Paso. The Rev. New Poling read the ceremony. Buchanan has made his home in El Paso for the past three years and is employed at the Postal Telegraph office. The couple are at home at 708 North Ochoa street.

The bride wore a navy blue chiffon dress with white accessories and her corsage was of gardenias. She is the sister of Victor and Walter Kane and Mrs. C. L. Norman, all of El Paso and Mr. Guy Lee of Marathon. Naomi C. Howard and William G. Orme were attendants.

Separate Atlantic Fleet Proposal Is Foreseen

WASHINGTON, June 17 (AP)—An early administration proposal for building a separate Atlantic fleet was forecast in congressional quarters today, while senators were discussing the wisdom of doubling the army to total 750,000 men.

Inasmuch as the main fleet is being kept in the Pacific, well-informed sources explained that talk of developing Atlantic defenses arose from the possibility of allied defeat in the European war.

The basis of a second fleet, these sources said, would be a new type of fast cruisers of 20,000 to 28,000 tons. Rep. Maas (R-Minn.) predicted that it would be heavily-armed, with 11-inch guns, and would be designed especially to withstand aerial bombing.

Inventor Says 'Chute Just Can't Go Wrong

PIERCE CITY, Mo. (UP)—Harry G. Shaffer insists he has invented a parachute so safe that it is the next thing to being on the ground.

It can be wadded like a raincoat, according to Shaffer; whereas ordinary parachutes must be folded carefully. Instead of having to dive out of a plane, count three and pull a rip-cord, Shaffer said, one only has to dive out with his invention. Weight of the wearer plus wind resistance makes the parachute open.

Another advantage of his parachute, Shaffer said, is a special valve which controls the rate of descent. He recently received a patent on his invention.

Christian Young People Begin Conference

The first of the representatives of the Big Spring scenic conference for young people of the Christian Churches of West Texas arrived Sunday afternoon to begin preparations for a week long meeting.

The conference site is located three miles south of Big Spring in the old CCC camp at the city park. Classes in Bible study, recreation and sports will begin today with the Rev. Homer W. Haislip, pastor of the local Christian church, in charge as local director. Mrs. Haislip will direct the recreation.

NEW RECRUITING STATIONS PLANNED

MCKINNEY, June 17 (AP)—One of six new East and West Texas U. S. army recruiting stations will be established here soon, local officials have been advised.

Other stations, the officials learned, will be at Gainesville, Mount Pleasant, Breckenridge, Eastland and Abilene.

Settlers Reunion, Homecoming Held At Vincent Sunday

Over 250 persons attended the Old Settlers reunion and homecoming held Sunday at the First Methodist church at Vincent when the crowd gathered for an all-day outing and program. The Rev. Shipley of Teague preached the sermon on "Father's Day" and a talk was given by Mrs. Mary Morris of Lamesa who spent last summer in Europe. Mrs. Morris compared the situation there now with former years as regards the countries of France, Belgium, England and others. Barbecue and picnic lunches were served and songs sung.

DEFEATS OLD JINX— JONES FALLS IN CISCO FINALS

CISCO, June 17—Russell Crowover, Stamford, copped championship honors in the Cisco invitational golf tournament by edging Doug Jones, Big Spring, in the scheduled 18-hole finals here Sunday afternoon, 3 and 1.

Rain fell throughout the day, hampering the play of both players. Crowover advanced into the last round by defeating Bob Sikas, Fort Worth, 4 and 2, while Jones

The Big Spring youth had Crowover one up through the 13th, then proceeded to lose the next three holes.

The match was nip and tuck all the way. But two holes were halved on the morning round and the finalists were all even when they went to the back nine.

Championship round:
Par out 434 544 444—36
Crowover out 444 544 544—28
Jones out 535 644 453—39

In his morning duel, Jones fired a par on the 420-yard 19th and finally copped the duke when Hammett three-putted for a big five.

The Big Spring gained the advantage on the third with a par four, lost it on the sixth when Hammett rang up a birdie, then proceeded to halve the next 12 holes with the Breckenridge star.

Semi-final round:
Jones out 534 544 344—36
Hammett out 536 543 344—37

Jones in 534 544 444 4
Hammett in 534 544 444 5

Semifinals In Cosden Meet This Week

Five golfers remain on the firing line in the championship flight of the Cosden golf tournament following last week's play.

Hayden Griffith decided Neal Barnaby, two up, to earn the right to face Bill Sandridge in the semifinals.

In upper bracket play, Jake Morgan, defending champion, will meet the winner of the Leonard Morgan-Horace Wailin quarter-final match for the right to the finals.

In other matches last week, Skeets West copped the championship consolation honors with a 3 and 2 victory over D. Hampton, Knox Chad tripped Gordon Meeks, 3 and 2, Leo Floyd kayed Harold Bottomley, 3 and 2, and C. Petty rapped R. Young, 4 and 3, in the second flight.

YESTERDAY WAS FATHERS' DAY and the New York World-Telegram recalled that Jimmy Walker, Branch Rickey the farm system, Larry MacPhail night baseball in the majors, Harry M. Stevens the hot dog and Roger Bresnahan the shins guards.

ALL HOPE SO
Louis and Godoy go this week and we shall see what we shall see. Mebbe the heavyweight champion of the world won't be afraid of hurting his hands this time. (What an alibi. Haw!) BETTY BEATS PATTY IN GOLF FINAL—Betty Jameson (right) Saturday defeated Patty Berg (left) of Minneapolis two up to win the Trans-Mississippi golf title at St. Louis. The San Antonio girl, who is the national champion, ousted 15-year-old Phyllis Otis from the semi-finals while Miss Berg defeated Mrs. Russell Mann of Milwaukee.

The Sports Parade

By Hank Hart

Despite Tony Rego's claims the past week that the transfer of the Big Spring baseball franchise from Big Spring to Odessa was not being contemplated, it appears that the professional game is doomed here for the remainder of the year.

From out of Odessa has come the news that the Regos, Tony and Lucille, have been doing missionary work in Odessa all week, were promising Odessa baseball by June 25.

Convinced that the present set-up is hardly ideal, that Rego has not approached standards as a business or a field manager, local fandom seems content to allow the game to pass from the scene without argument.

Probably the European war hurt attendance to a degree. At least the conflict was blamed in other quarters. Still, interest seemed as high here as ever. There was as much discussion on the streets as in other years of good and bad points of the game.

When game time came, however, it was another matter. Many a good fan remained away as if in protest. Tales of dissension on the club, a factor that hurt attendance, arose regularly. Certainly it was not a harmonious organization.

It is a regrettable situation but from the mistakes that have been made should come a new understanding when the people decide they want baseball anew.

Willard Ramsdell, the Barons' fine right handed tosser who, incidentally, goes after his 12th triumph tonight against Lamesa, is the author of this recent event.

It seems that when Grover Seitz, colorful skipper of the Pampa Oilers, signed up Dutch Prather, the veteran first sacker, he had to release two rookies to get within the salary limit only to discover he had to have another first year man on the roster.

Seitz found a solution to his problem by signing the ground keeper, put him in uniform and had him take the infield workouts as a full fledged player.

Barons Close Home Stay Tonight

Finishing their home stay in an 8:30 game this evening against the Lamesa Lobos with Willard Ramsdell and Lloyd "Pat" Patterson slated to be mound opponents, the Big Spring Barons take to the road Tuesday for eight days faced with the prospect of being adopted by the city of Odessa for their remaining home games.

The Barons are scheduled to return home June 26 but Manager Tony Rego has indicated that he would seek the approval of the league directors to move the franchise to Odessa.

Ramsdell will be seeking his 12th triumph of the campaign. He beat Patterson in his last try against Lamesa.

Patterson, a former Big Spring hurler, has won eight games as against two defeats.

Carl Force beat Irv Pellegrini in a hurriers' duel as the Lobos took the Sunday afternoon debate here, 6-3.

Pellegrini was posted to a two run lead in the third round on a home run by Abel Zablilaga and singles by Eldon Murawski, Pellegrini and Woody Landberg, but the Lamesans caught up in the sixth.

A long triple by Eddie Guynes with two mates aboard tied the count and Guynes scored later when Pellegrini threw wild into third trying to nip Eddie off the bag.

The Tatemmen added another in the eighth when Joe Beeler climbed aboard on a misplay by Lewis Heuvel and Force's single and twice in the ninth on Beeler's two run triple.

The Barons put in a major bid for victory in the ninth when Carl Cox, Muratore and Pellegrini singled for a run but Force settled to force Buck Schulse, pinch hitting for Heuvel, to fly short to Mal Stevens in right and whiff Lundberg.

Stevens and Force shared hitting laurels for the invaders with three blows each while Pellegrini's three blows featured the Big Spring attack.

Trans-Miss Tuesday
TULSA, Okla., June 17 (AP)—The big names of midwestern golf slammed practice holes over the rolling Southern Hills country club course today preparing for the opening tomorrow of the 40th annual Trans-Mississippi tournament.

LOCAL TEAM WINS AGAIN— LAVENDER NEARS COURSE RECORD

Paced by the sensational stick work of Dennis Lavender, whose six under par 65 came within one stroke of the record he set up last week, the Big Spring representatives dusted off the Lubbock pair, Charley Akey and Lofis Burnett, 5 and 3, at the Mundy course Sunday afternoon in the first "sounds effects" golf exhibition ever presented here.

The fact that the public showed little interest in such a match—only about 30 paid admissions were represented—failed to dampen the enthusiasm of Lavender and his side, Jake Morgan.

Morgan cooperated with a sterling 73 and contributed birdies on two holes on the back side to help.

Lavender had one of his ordinary rounds, a two-under-par 34, on the first nine. Combined with Morgan's 29, it was good enough for a three hole advantage.

It was on the back side that Lavender romped. He posted a 31, shaving no less than four strokes off regulation figures. Morgan was one under par.

Heckling the players seemed to bother them little. The spectators came well equipped with instruments for making noise and kept busy seeking the attention of the performers at the most trying moments but the shot artists played for the most part without show of emotion.

Their scores:
Par out 444 453 444—36
Burnett out 444 553 545—39
Akey out 244 563 535—37

Santone Field Is Ready For New Program

RANDOLPH FIELD, June 17 (AP)—Over the Texas prairie burst an armada of 100 planes.

Ten minutes later they did a mass landing on the same field. Wind-burned youngsters, average age 23, swung out of the cockpit one hour later, after lunch, they were back in the air.

Quietly but intensively, the army air corps is working toward its stunning goal—7,000 pilots a year. By November the corps will be accepting 1,292 boys into training every five weeks.

From Randolph Field have mushroomed 28 new fields over the breadth of the nation. Fall will see 2,500 student pilots in every phase of instruction at the start of each five weeks.

Col. John R. Brooks, father of "the West Point of the Air," speaks over the drone of his war birds: "Our program is designed to proceed with maximum safety and produce pilots quite well trained—mass production, quite true, but without an ounce of essential training removed."

The old "washout" system does not entirely eliminate a boy from the corps. New specialized courses permit him to become a navigator or bombardier.

Youngsters will fly pursuit ships and older, matured heads are likely to make long range bombing flights if defense of the nation becomes necessary.

The training schedule has been trimmed to this:
Primary training—ten weeks instead of 12; 60 flying hours instead of 85.

Basic training—ten weeks instead of 12; 70 instead of 75 flying hours.

All Three N'York Teams Lose Sunday Twin Bills

Associated Press Sports Writer
There was no joy in Mudville when mighty Casey struck out, but Mudville was a gay town in comparison with the gloom that befogged New York after the double shelling of the Yankees, Giants and Dodgers took in Sunday's tussle.

Most amazing of the day's doings was the way the lowly Browns turned on the world champion Yankees and beat them 12-8 and 6-4.

Paced by Pitcher Vernon Kennedy's homerun, they outslugged the champs in the first game and then punished their way courageously out of a hole to win the second game in the late innings.

had to accept a 1-0 defeat when one of the two hits turned out to be a home run from the bat of Cincinnati's Linaus Froy. In the second game the Reds hopped on Curt Davis in the early innings and the bedeviled Brooks never caught up against Jim Turner's eight hit pitching, going down, 5-3.

The Giants, cheery over their eight game winning streak, were talking about charging the Pirates admission to get into the Polo Grounds. However, Max Butcher pitched a two-hitter at them and Truett Sewell followed with a creditable performance and the platoonish Giants went down helplessly, 5-0 and 5-3.

Otherwise in the National League the St. Louis Cardinals made it four in a row over the Phillies, winning 9-3 and 3-1. The Cubs and the Bees split their

twin bill, the Cubs getting enough inspiration from Claude Passeau's five hitter to win 9-1 after losing the first in 11 innings by dint of some sloppy fielding, 5-4.

The Boston Red Sox kept atop the American League. Ted Williams' 12th inning homer gave them a 4-3 win over the Chicago White Sox and clusters of homers by Pitcher Jack Wilson and Manager Joe Cronin were factors in taking the second, by 14-5.

The Cleveland Indians socked the Athletics 4-2 on Bob Feller's three-hit, 18 strikeout hurting and 4-3 on Al Milnar's eight hit performance.

The Detroit Tigers made a sweep of their series with the Washington Nats, clinching an 8-7 victory on Barney McCoskey's pay-off single in the eighth that scored two runs.

The **LITTLE MERCHANT PLAN**

- That Helps Many Big Spring Boys
- That Means New Service To Subscribers
- That Increases Local Income and Buying Power

GIVE THE BOYS A BREAK

Five Reasons

In Favor Of The Little Merchant Plan

1. You get better SERVICE. No more wet papers when it rains. You seldom miss a copy by having it stolen or torn up by your neighbor's dog.
2. Your paper is not wrinkled and twisted. You get a fresh smooth paper behind your screen door.
3. On Sunday morning, you don't have to get up and dress in order to go out and hunt for your paper. Pick it up at your front door (and if you like—get back in bed and read it).
4. Your subscription is easier to pay. The boys collect weekly. It is easier to pay in small sums more often, rather than in a large sum at long intervals.
5. You are helping a worthy boy to help make a living or work his way through school and college. These boys are being taught honesty, salesmanship, efficiency and courtesy.

A PLEA FOR THE BOYS

GIVE THESE BOYS A BREAK!

YOU can do something for these boys. YOU can help them serve you better. YOU can give the boy a kind word when he calls, a helpful suggestion now and then, a smile when he collects. These things do much toward inspiring him to be a better "little merchant." In these ways, YOU can GIVE THE BOYS A BREAK!

The Little Merchant Plan

The Big Spring Herald has adopted the "Little Merchant Plan" of delivering papers to subscribers in the city of Big Spring. TWENTY BOYS are engaged in the business of delivering this newspaper to the homes in Big Spring. These boys' earnings and success depend on how efficiently they serve YOU. Give them a welcome when they call!

This change in circulation policy will not only be beneficial to the carrier boys by placing them on their "own", teaching them to be independent and resourceful, but will also react in your favor. Instead of the paper being thrown in your yard—at the hazard of wind, rain, dogs and thieves—it is now placed behind your screen door.

Each boy is given a certain territory. He buys his papers outright, delivers them to his subscribers, does his own collecting, keeps his own record book, and pays for all papers that he delivers. If a subscriber fails to pay the boy, he is the loser and NOT the company.

The boys collect WEEKLY in advance instead of monthly. This means that you pay 15c per week (including Sundays). You know how much easier it is to pay in small sums more OFTEN than in a large sum at longer intervals.

If you prefer to pay for several weeks at one time, that is your privilege. You may pay as far in advance as you choose. BE SURE YOU GET A RECEIPT FOR YOUR MONEY.

NOTE: The Little Merchant Plan is being introduced today in all that section of Big Spring between the T&P Railway on the north and S. 11th Street on the south; between Owens Street on the east and the City Limits on the west. It will be put in effect in all other sections as rapidly as possible.

Boys Can Increase Their Earning Power

By this new plan, the earning power of the boys is limited only by their energy and ability. The more subscribers the boy obtains, the greater will be his income. He passes YOUR home every day.

Many of these boys are working their way through school, or helping to support families, or building up a fund with which to attend college. These boys come from all walks of life. It will surprise you to know how many of them are helping to take care of a widowed mother and several children. ALL OF THEM ARE WORTHY BOYS. By offering them the chance to increase their earnings, the Herald hopes to enlarge the boys' opportunities—teach them honesty, salesmanship, efficiency, courtesy and help them to become REAL MEN and appreciate the value of a dollar.

IF YOU ARE NOT A SUBSCRIBER

If you are not already a subscriber to the Big Spring Herald, you will be called on by one of these energetic boys. Give him a welcome! He wants to serve you conscientiously, bringing to your home the most complete news, the most interesting features and articles obtainable in any newspaper.

A few pennies per week is not much to you, but it means a whole lot to that boy who passes your house EACH DAY. The afternoon papers are delivered between 1:00 and 5:30 p. m. and the Sunday morning paper between 1:00 and 6:00 a. m. GIVE YOUR SUBSCRIPTION TO YOUR ROUTE CARRIER.

A man putting his shoulder to the wheel wants his feet well braced. A nation facing huge expenditures for defense needs a broad tax base. The Subcommittee on Taxation in the House Ways and Means Committee has done wisely to propose a lowering of exemptions which would bring 2,190,000 new taxpayers to the federal income tax rolls and add \$2,500,000 to federal revenue.

WASHINGTON Maybe it's the spirit of the times but it's beginning to look as if Congress finally were going to liquidate the liability of the United States. I don't mean anything about the national debt that would be about as far from the spirit of the times as you could go. What I mean is to liquidate the liability of the United States for massacre of Sioux Indian men, women and children at Wounded Knee in South Dakota December 29, 1890.

Appropriately, the Ways and Means subcommittee proposes that the reducing of exemptions—to \$800 for single persons and \$2,000 for married, instead of the present \$1,000 and \$2,500—should be permanent law, while the 10 per cent "super tax" would expire in five years.

SHERIFF'S SALE

THE STATE OF TEXAS, County of Howard

NOTICE IS HEREBY GIVEN That by virtue of a certain Order of Sale issued out of the Honorable District Court of Howard County, No. 1043 day of June 1940, by W. S. Morrison, Clerk of said District Court for the sum of Sixteen Hundred, Forty-Four and 19/100 Dollars and costs of suit, under Judgment, in favor of Sam B. Stone in a certain cause in said Court, No. 3860 and styled Sam B. Stone vs. Lena Shannon, placed in my hands for service, I, Jess Slaughter as Sheriff of Howard County, Texas, did, on the 10th day of June 1940, levy on certain Real Estate, situated in Howard County, Texas, described as follows, to wit: Lot No. 2, in Block No. 1, in Earl's Addition to the original town of Big Spring, Howard County, Texas as levied upon as the property of Lena Shannon and that on the first Tuesday in July 1940, the same being the 2nd day of said month, at the Court House door, of Howard County, in the Town of Big Spring, Texas, between the hours of 10 a. m. and 4 p. m., by virtue of said levy and said Order of Sale I will offer for sale and sell at public vendue, for cash, to the highest bidder, all the right, title and interest of the said Lena Shannon in and to said property.

And in compliance with law, I give this notice by publication in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Big Spring Herald, a newspaper published in Howard County.

Witness my hand, this 10th day of June 1940.

JESS SLAUGHTER
Sheriff Howard County, Texas

Motor Car Of Tomorrow Has Periscope Equipment

BATAVIA, N. Y. (UP)—Residents gaze pop-eyed when Charles D. Thomas of Batavia rides about in his red-hued, modernistic "automobile of tomorrow."

The 20-year-old mechanic says his self-designed car is at least 10 years in advance of the times. It is streamlined even on the underside of the body, has a periscope for rear vision, air-conditioning and other features. He believes, however, that the design is too revolutionary to be placed on a mass production basis.

Franklin Institute Gets Primitive Tambourines

PHILADELPHIA (UP)—A collection of 120 primitive musical instruments, described as the finest of its kind in America, has been presented to the Franklin Institute by Mrs. George W. Childs Drexel.

Mrs. Drexel spent 20 years gathering the instruments in African, Asiatic and South Sea ports.

The collection includes marriage and funeral drums, Pan's pipes of metal and wood flutes and horns of reeds, and elephant tusks, pottery tom-toms, ceremonial rattles and tambourines.

With France compelled to give way to the Teutonic avalanche which is grinding down the country, what next?

steady defeat while possessed of enough potential resources to win a dozen wars. They just haven't been able to get those resources into operation fast enough to meet the onslaught of the Hitlerian military creation into the construction of which had been thrown virtually everything of which the reich was possessed.

Nebraska Tells Movies To Reduce Massacres

LINCOLN, Neb. (UP)—Hollywood will have to tone down its Indian massacres and bring them in line with the facts if it wants the cooperation of Nebraska historians.

Producer Wesley Ruggles, planning a series of movies based on state histories, struck a snag when he contacted Dr. A. E. Sheldon, venerable superintendent of the Nebraska State Historical Society.

sources into action. The latest word from London is that the government no longer will depend on economic exhaustion of the enemy but will go all out in getting equipped as fast as possible to meet the blitzkrieg blow for blow.

Most observers still hold to the theory that if Hitler doesn't win his blitzkrieg in the near future, his lack of resources will preclude victory.

Britain will try to meet Germany not only in battle but to maintain that great naval blockade which has cut the reich off from virtually all sea-borne supplies.

tion of the Baltic states, Lithuania, Latvia and Estonia, very naturally has caused a burst of anxious speculation abroad as to whether this signals bolshevist intervention in the war.

I should say that the Red maneuver is partly defensive against any possible sharp practice by Germany, and partly to improve the Soviet strategic position for offensive operations, if Moscow sees fit to move.

As I see it, Russian foreign policy is aimed at two objectives: (1) absolute security for the Soviet Union, and (2) the spread of communism to Europe and, for that matter, ultimately to the whole world.

You can substitute "communist domination" for "spread of communism" without changing the meaning.

Any action which the Muscovites take will be directed toward these objectives. Intervention in the war would have no other motive than the spread of communist domination, unless for actual protection of the Soviet Union.

The Bolsheviks have no love for either the Berlin-Rome axis or Britain, but Moscow might help either in pursuit of its own objectives. I see no indication that it would help either unless one of the objectives were involved.

It would seem that Moscow's purposes will best be served if both sides in the conflict are broken on the rack of war. This would tend to create economic and political confusion which might impel populations of the distressed countries to turn to communism in their search for relief.

Maguire was on his way from Cannes to London to sign a movie contract when war broke out. The contract was cancelled, so the ex-pugilist decided to return to fighting, this time with the army.

IN VACATION LAND— Many Delightful Spots Near To West Texans For Weekend Trips

By MARY ALICE WOODARD

For those who do not plan long vacation tours, the popular "week-end" trips will serve to break the long monotony of the hot summer months.

In southeastern New Mexico, two mountain resorts, Ruidoso and Cloudcroft, have become increasingly popular. Just a few pleasant hours drive from any West Texas city, two or three days spent in their invigorating mountain atmosphere will provide rest and relaxation from the heat.

tracts players from all over Texas and New Mexico. A large number of stables provide mounts for delightful horseback rides through the canyons, and along bridge paths through the surrounding mountains.

A beautiful mountain drive out of Ruidoso is the highway to Carrizozo, leading through canyons, and over pineclad mountains. Still another more spectacular drive, one which cannot be recommended as an excellent highway, but which is well worth the effort, is the trip to the top of Mon Jack Lookout, 10,000 feet high, from which rangers locate forest fires.

Golfing, Riding For entertainment, the resort boasts a sporty golf course, whose annual invitational tournament at-
