

Is It Possible?

SUMMER PROGRAM

IN A NUMBER of towns no larger than McLean, and in some not as large as this city, citizens have arranged in one way or another for summer recreation programs.

It is not too early for us in McLean and the surrounding area to begin considering the ways and means by which such a program could be held here.

The program will, of course, be primarily for the younger people, although in some towns there is recreation provided for all. There was no such program here last year, and, as a result, the youngsters had nothing to do either during the day or night for recreation. Luckily there was little juvenile delinquency reported, but that luck won't hold out.

A summer recreation program can include such things as softball leagues, baseball match play with a local team meeting teams from other towns, tennis tournaments (both inter-city and intra-city), horseback riding clubs, bicycle-riding clubs, basketball, and possibly other forms of recreation not mentioned.

How can it be done?

We all realize that you don't get something for nothing, so we might as well make up our minds that a summer recreation program is not going to be stone free. To have a successful program, there must be at least one person hired to supervise the entire program, and see that it progresses properly.

The person probably best suited to conduct such a program would be someone who has worked directly with both children and grown-ups, and the logical conclusion to make is the naming of a man somewhat experienced in this type of work, preferably a coach.

To hire a man who will do the job will require money, and other money will be needed for equipment. It is very doubtful that the city is in the proper financial condition to finance the program, since the city has invested most of its cash in materials for the city's gas and water system, bought at a bargain price from the former POW camp.

Therefore, about the only other solution to the financial end of the deal is solicitation of funds from individuals. The money can be raised through this method, provided the people of the town and the surrounding area are willing to contribute.

This article is not designed to tell you that you should contribute to the program although The News feels that it would be a very worthwhile undertaking. Instead, this is merely a suggestion to arouse, possibly, your interest. You are invited to write to The News your opinions on the subject, whether pro or con. If the articles are signed, and are not libelous, they will be published.

Let's have some comment on this subject.

Political Front Still Quiet; One In Sheriff Race

Gray County's political situation, at least in the lower part of the county, remained fairly quiet this week as only one candidate for county office announced his intentions to run.

That one candidate is Jeff Guthrie, who is seeking the office of county sheriff, now held by G. H. Kyle. Guthrie sought the office in 1942, when Kyle was elected from a field of eight candidates.

Two of the precinct races, Precincts 1 and 2, appear to be warming up, with three men already seeking each of the two posts. Precinct 1 finds C. H. Bigham, W. H. Breining, and Alva King asking for the commissioner's post there; and in Precinct 2, J. W. Graham, Z. H. Mundy, and G. L. Lunsford are in the commissioner's race. Earnest Beck, commissioner of Precinct 4, that which serves McLean and Alarreed, has not yet announced for re-election.

The only other area candidate who has already declared his intentions is Grainger McIlhany of Wheeler, who is seeking the office of representative of the 122nd legislative district.

Thus far no one has announced for county judge, now held by Sherman White who has stated he will not be a candidate; county attorney, now held by Bruce L. Parker; tax assessor-collector, now held by F. E. Leech; or other county offices.

Freedom Train Schedules Stop In Amarillo

Protests to officials of the American Heritage Foundation Inc. from citizens and groups throughout the Panhandle area have resulted in that organization's announcement that the Freedom Train, now touring the United States, will visit Amarillo May 16.

The announcement of the train's visit to the railroad center of the Panhandle was made Tuesday in Washington by Congressman Gene Worley.

The protest originated with the omission of the Panhandle and West Texas from the route of the train through the Lone Star state. Some 15 communities were in the original routing, but the nearest to the Panhandle was the Dallas-Fort Worth area some 350 miles away.

Scattered protests to the omission of the Panhandle were at first made, and then various organizations and individuals began a steady flood of wires to Washington, Worley said.

JEFF GUTHRIE

Jeff Guthrie In Race for Gray Sheriff

Jeff Guthrie, long time resident and peace officer, announces for Sheriff of Gray County, subject to the action of the Democratic Primary.

Jeff Guthrie said: "In making my announcement, I wish to state that I am entering the race for sheriff strictly on my own merits. I am not tied to any clique or clan, and if elected I will do my very best to make the kind of sheriff that you will be proud of. I further state that I will manage and run the affairs of the office in a strict and business like manner.

"I am asking the people of Gray County to elect me to the office on my past record, experience and qualifications as a peace officer. I will enforce the law according to the statutes and will cooperate with all the law enforcement agencies throughout the county.

"Should I be elected to this important office, I will not live in the apartment in the Court House as I feel that it is not the proper place for my children to live. We will live in our own private home like other public officials do. I will employ a jailor and he and his wife can take care of the prisoners and do the cooking for them. I will also have on duty an all night deputy at the sheriff's office; the doors will always be open to the public.

"For your information, I am 46 years of age, a home owner and taxpayer; my wife and I have lived in Pampa for twenty years; our family consists of three children ranging in ages from 7 years to 18 years. I have served most of the twenty years here in Pampa as a peace officer; I have served both with the City of Pampa and the County, and for the past two years and three months, from July, 1945, to October, 1947, I was employed as chief deputy for our present sheriff. I was also employed by the Cabot Co., Inc., as chief of guards during war time. My character and records as a peace officer are open for investigation. I also wish to state that I am a graduate fingerprint man, having received my diploma on fingerprint work June 8, 1928.

"Owing to the high cost of living conditions now, I will be a very busy man working and making a living for my family, therefore, it may be impossible for me to make contact with each voter in person, which I really would like to do.

"In closing, I will sincerely appreciate your vote and influence for sheriff of Gray County. Yours very truly,

"Jeff Guthrie."

Boyett Students To Give Recital

Students of Mrs. Willie Boyett will be presented in a piano recital Thursday night, January 30 at the McLean High School, it was announced this week.

Grade school pupils will present their numbers at 7 o'clock, and high school students at 8 o'clock. The public is invited to attend, Mrs. Boyett said.

Two Flurries of Snow Bring Only Trace of Moisture to Local Area

County's Rural Property Has Huge Valuation

Farm property in Gray County is now worth more than \$11,906,000, and rural homes here and throughout the state are in the best condition in history, according to a report just released by the Title Council of America.

More than 75 per cent of farm dwellings in Texas and the South are in excellent condition or need only such minor repairs as painting or general maintenance, the report revealed. Only 61.1 per cent were in good repair in 1940. The report was based on Bureau of the Census surveys.

"The rise in farm incomes and property values since 1940 has been accomplished by a great increase in the number of rural homes equipped with such modern conveniences as electric lights, tiled baths and showers and running water," said F. B. Ortman, chairman of the Council's residential construction committee.

Electricity, for instance, has come into hundreds of thousands of the nation's rural dwellings since 1940, Ortman noted. More than 59 per cent of all farm homes now have electric lights, in contrast to 31.3 per cent in 1940.

More than 32 per cent of rural dwellings in the United States today have running water, and 20.1 per cent had running water cording to the report.

Andrews Winner Heavyweight Title In Pampa Tourney

Dick Andrews, better known as the giant tackle on the Tiger football squad, emerged as the district Golden Gloves champion in the heavyweight class in the tournament held in Pampa Tuesday and Wednesday nights.

Andrews won a decision over Tom Jinks of Lefors Wednesday night to take the title. Jack Brooks of McLean, who was scheduled to fight Don Brower of Shamrock in the finals, forfeited his match.

Others participating from McLean included Eugene Henley, 112 pound class; Johnny Vineyard, 135 pound class, who won his first fight by a KO and lost his second by a TKO; Johnny Morris, 85 pound class; Petie Everett, 112 pound class; Jimmy Newton, 160 pound class; and Arvin Smith, 175 pound class.

LEFORS VS. TIGERS

The Lefors Pirates will be in McLean Monday night to engage the Tigers in three basketball games. The grade school will play the first, followed by the B team, and then the finale, the A game.

The Pirates and Tigers A teams have met twice and have split games, with this one deciding the winner of the three-game series.

The B squads have played once with the Pirates victorious in the outcome. The Tigers will be out to even the series.

Game time is 7 o'clock, with admission, adults 50c, children 25c.

TIGERS TAME EAGLES

The McLean Tigers, previously beaten by the Samnorwood Eagles, struck with all their fury to tame the Eagles 40-37, in the Tigers' opening home game last Thursday night at the grade school gymnasium.

This was only the second defeat for the Eagles who have beaten every foe this year but Hedley. They have recently won their own tournament and the Shamrock tournament.

There was a very large turnout for the opening game and the crowd will probably get larger with the Tigers' win over such a powerful team.

Keyes led the losers' scoring attack with 13 points while Boston hit 13 points for the Tigers to tie Keyes for high point honors.

'County Ginning Reaches Total Of 1,678 Bales

Much-needed moisture for wheat barely showing through the topsoil and for seasoning for the next cotton crop made an attempt to come to the McLean area during the past week in two different days of snow flurries, but the amount of snow falling was barely sufficient to place a thin cover over the ground.

The first of the snow attempts came last Friday, and intermittent snow flurries marked the order of the day. Less than an inch of snow fell here, however. Then on Monday, another attempt at snowing was made, but the flurry was sort-lived, and did not even produce enough moisture to make a good showing. Altogether, the snows brought enough moisture for only a trace.

In the meantime, ginner of McLean reported that practically all of the cotton crop is now in. To date, a total of 1,678 bales has been ginned by the two gins in McLean, the county's only gins. There are possibly 10 to 15 more bales which remain to be ginned, the ginner said. The crop this year, however, was about 50 per cent larger than that of last year, when less than 1,000 bales were ginned in the county.

Accompanying the snow flurries during the past week was cold weather, although Tuesday and Wednesday, as well as Sunday, found the sun shining brightly, with temperatures ranging from 40 to 55 degrees. Freezing weather came each night during the past week.

Cold weather was fairly common throughout most of the United States, with East Texas rating as the hardest hit in Texas. In that section, snows, plus freezing rain, made driving extremely dangerous and numerous wrecks were reported.

Contrasted with the cold weather in most of the U. S. was a warm spell in California, where 70-degree and above weather made residents wonder what had happened to winter.

PAY YOUR POLL TAX

To date only about 50 per cent of the would-be eligible voters of Precinct No. 4, comprised of the McLean and Alarreed areas, have paid their poll taxes. Unless you are exempt for one reason or another, you must pay your poll tax to be eligible to vote. Deadline for such payment is January 31. This message is sponsored by the McLean Lions Club.

Flowing Oil Well Is Reported On Portion of Old Back Place

Twenty years ago good news scene of the first big well in this to this area came in the form of a gushing well of black gold on the old Back place.

Now more good news has come from the same section of land, eight miles north of McLean. This new good news is word that Nevil Back, drilling on the quarter section owned by his father, Charlie Back, has hit oil. The oil was struck at about 2640 feet, some 30 to 40 feet above sea level.

The new Back well is flowing, but no test has been made as yet. It is proving to be very encouraging, however, and those in the know in the oil business seem to believe that other wells may be drilled as a result of this new test.

The old Back place was the scene of the first big well in this portion of this section of the country about 20 years ago. The quarter section where Nevil Back has drilled his well is on the same section of land as the site of the original Back well, but no test had ever been put down on the quarter section. Just how much the well will produce will not be known until the test is made. Right now the big item is piping, and Back is searching for his needs in that line. If the well tests out good, then it is possible that other wells will be put down near the first. But regardless of this well's outcome, the news of the new well is encouraging, and may encourage others to drill on their land, too.

"IS THIS TOMORROW"

BY THEIR OWN estimates there are nearly 1,000,000 Communist Party members and ardent Communist sympathizers in the United States, many of them in vital key positions in our economy, who stand ready to obey orders of the Kremlin to undermine the security of the United States.

This charge was made in the foreword of a new book "Is This Tomorrow?" which declares:

"Today there are approximately 85,000 official members of the Communist Party in the United States. Communists themselves claim that for every official party member there are ten others, ready, willing, and able to do the Party's bidding."

Published in comic book form, "Is This Tomorrow?" graphically portrays the means through which Communists seize power.

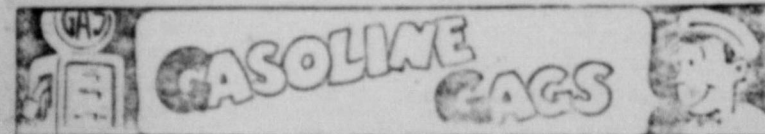

Communist techniques, such as the use of "front" organizations, well-buttressed with the names of prominent dupes, and operating behind innocent-sounding names, class hatred, the use of Communists as key men in labor organizations, a mass of trained propagandists and the utilization of national crises to seize power in the name of the people are pictured and described.

While the events described in "Is This Tomorrow?" are fanciful so far as the United States is concerned, every one of them has actually transpired in other countries in which the Communists have seized control, according to the book.

Incensed at the picture of Communist activities in the United States in the book, the Daily Worker, the Communist party newspaper, has launched five attacks on it in its pages.

"Is This Tomorrow?" is published for one purpose: "to make you think," the foreword in the book declares. "To make you more alert to the menace of Communism."

A copy of the book may be seen at The News office by anyone interested.

LES TALK BY LESTER

Before writing any further, I would like to remind all of you to pay your poll tax. This is the big election year, which comes only once in four years, and, unless you fall under one of several classes who are exempted without payment of poll tax, you won't be qualified to vote if you don't pay the tax. The deadline for poll tax payment is January 31 . . .

Quite often we make typographical errors in our news columns or advertising columns. A couple of weeks ago, we made one which was somewhat on the humorous side. I have waited two weeks to mention it, believing that by now you will have discarded that issue of the paper and not look it up. The error was in a wedding story. A certain paragraph should have started off like this: "Preceding the exchange of vows, Mrs. So-and-So." etc. Instead I started off like this: "Preceding the exchange of cows, Mrs. So-and-So." etc. . . .

Oh, for the life of a weekly newspaperman.

The paper was already out and in the mails, and we still hadn't noticed it. Georgia Lee came in, said she wanted to make fun of us, and showed me the error. Yes, I laughed, Georgia laughed, Eunice laughed, Claude laughed, and Martha laughed. It was a funny error. But we're still sorry it happened. . . .

Someone, maybe it was my mother, told me there would be days like that. And there were. . . .

The political situation is shaping up now. There will be a number of "warm" races, some hot, both in the national and local line. The deadline for payment of your poll tax is January 31.

If we ever needed anything in this area, it's soil conservation. Foreman Stubbs, chairman of the Gray County soil conservation district, announces that a work unit office will be located in Pampa. The office staff will be able to give all sorts of aid in soil conservation work and every landowner is urged to work with the soil conservation men in bet-

tering the land of the entire area.

The office will furnish any help it can to farmers and ranchers of the county in soil and moisture conservation, including such as arming, grass seeding, changes in crop plans, grazing management, construction of earth tanks and diversions, brush control on range land, and irrigation installations.

Up to now, the district supervisors have been able to give little, mostly encouragement. The district conservationist, Quentin Williams, has not had time enough to cover all the area. Now they will have help, needed help. No longer will the agencies in Washington try to tell farmers and ranchers here, by means of a remote control system, how to put soil conservation in effect. The troubles can be worked out in the territory itself. It appears that this will be a much better solution to our soil conservation problems. . . .

Maybe you don't like basketball, but for the number of thrills per minute, it's a much more exciting game than football. Of course, I'm still the No. 1 football fan, possibly with the exception of Roger Powers and John Cooper. But basketball is a game of thrills. . . .

At the first home game of the season last Thursday night, the McLean boys downed the Samnorwood boys 40-37 in a real thriller. At the beginning of the game, the Tiers began running away with the game, but the Norwood cagers awakened and put up a real battle, and it turned out to be a very interesting game.

In the other game of the evening, fans had the opportunity of seeing the Samnorwood girls team in a game against the McLean girls. The Norwood girls have the reputation of being the best girls team in the Panhandle. So far they have won the only two tournaments in which they have entered. One of their forwards made all-state last year and another is just about as good as the all-stater. They outclassed the local girls, but the fight of the local team made it an interesting game. . . .

Lafe Smallwood was a business visitor Thursday of last week in Amarillo.

Ed Bolivar and Clifford Johnston of Hedley were visitors Monday in McLean.

Men strive for success. But what is success? Measured by the standard of their day, many men were failures—and yet they achieved immortality. Defeat may be the path to finer fame and greater glory than victory. Who occupies the larger space in history—Hannibal, the military genius of ancient Carthage, who lost only one battle; or Scipio, the Roman who won that battle? Hundreds of biographies have been written about Napoleon; a half dozen about Wellington, the victor of Waterloo. Who will be remembered longer, Robert E. Lee or U. S. Grant? Lee's name shines with glorious luster; he is the embodiment of chivalry, of knightly, of gallantry; Grant is remembered only because he overwhelmed Lee by the sheer weight of numbers. . . .

Your columnist is probably the only person in Texas who has neither read the book, "Gone With the Wind," nor seen the movie of that same name nor

heard the song, "Open the Door, Richard," nor ever been in THAT store in Dallas. . . .

As far as his contemporaries were concerned, Shakespeare was just one of the boys. . . .

The checking out time of hotels is getting earlier and earlier. It used to be 6 in the afternoon; now, at most of them, it is 5 or even 4. If this keeps on, pretty soon when a man registers, he will already owe one day's room rent. . . .

Expect folks are a little "hot up" in the Young County capital. A radio commentator recently remarked he was from Graham where, he said, "there is the biggest square in Texas—and folks with heads to match." That's what the man said! . . .

WE, YOUR LOCAL CHEVROLET DEALER—and every other Chevrolet dealer in America—are both proud and happy to make the following report to buyers and prospective buyers of Chevrolet products.

Again in 1947, Chevrolet built and sold more cars and more trucks than any other maker in the industry, just as Chevrolet has built and sold more cars and more trucks than any other maker for the total seventeen-year period, dating from January, 1931 to January, 1948—the modern period of motor car history.

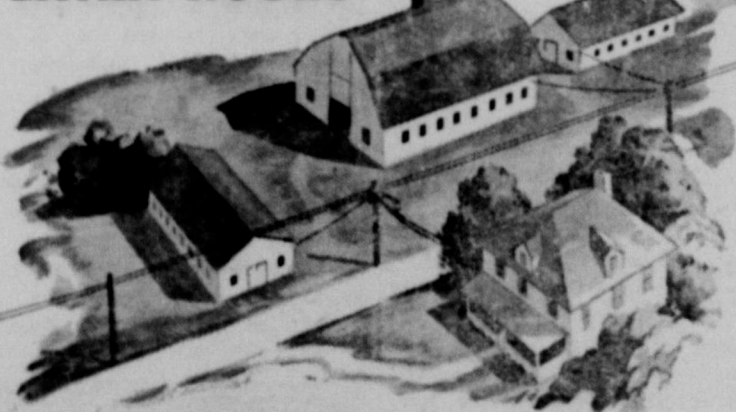

Naturally, we as well as the Chevrolet Motor Division of General Motors are deeply grateful for America's outspoken preference for Chevrolet passenger cars and trucks and we are determined to do everything in our power to continue to deserve this preference in the future as in the past.

We want to thank each and every person in this community for his friendship and goodwill for this organization. We solicit and appreciate your patronage. We are doing our best to prove that, by filling orders for new Chevrolets just as promptly as we can—even under today's trying conditions—and we are deeply and doubly appreciative of the patience and understanding of all our customers who are awaiting delivery of new Chevrolets.

Needless to say, you buy what when you buy the product of the world's largest producers of cars and trucks, for that is the way to maximum dollar value! Rest assured that we'll fill your order for a new Chevrolet just as soon as it is humanly possible to do so. Meanwhile, please let us help to keep your present car or truck in good running condition by bringing it to us for skilled service, new oil and regular intervals.

Why Lose Dollars—
Driving a SMOOTH Tire?

When the tread on your tire begins wearing smooth, just consider this:

The last 3 or 4 thousand miles in that tire can be awfully expensive miles. Suppose the tire is bruised and damaged—or suppose it just gets worn so thin it cannot be recapped. Then it is only junk and brings you only a junk price.

Let Us Buy It!

Right now, if you have a tire that is wearing smooth and is still undamaged we can pay you several dollars for it in trade-in on a new tire. Why risk losing these dollars? Come in and let us bid on your worn tires—TODAY!

W. S. C. S. Meeting Held in Basement Of Local Church

The Woman's Society of Christian Service met Tuesday in the Methodist church basement. After a prayer by Mrs. J. E. Kirby, a devotional from the first 12 verses of the 90th Psalm was led by Mrs. Bob Ashby.

Mrs. W. E. Bogan gave a talk on the Marthas and Marys of the Bible and of today. She pointed out the likeness of a lighted candle unto the life of a Christian person. A short business session was held after prayer by Mrs. Elen Wilson. The business was conducted by the president, Mr. J. E. Kirby.

Attending were Mesdames W. E. Bogan, H. A. Longino, J. E. Kirby, J. L. Hess, J. W. Story, L. Andrews, S. J. Dyer, Bob Ashby, Roger Powers, Frank Wilson, Elen Wilson, and Odell Mantooth.

Mrs. T. A. Landers left Thursday of last week for a visit in Amarillo with her daughter, Mrs. V. B. Reagar and family.

Miss Evelyn Allen moved Saturday to Pampa, where she will attend school and live with her aunt, Miss Berdie Denton.

Mr. and Mrs. Milton Williams recently purchased the Elwyn Corbin home and will move into the home this week-end.

Religious SNAPSHOTS

By George Anders

Babies are not born little imps. Children are little timbers used in building heaven.

The Christian home-builders have the greatest job on earth. If you have grace enough to endure criticism, you are pretty well off religiously.

If you want to see God, look at the good people all around you.

The Christian church has withstood the storms all down the ages. Today it still stands for everything which is uplifting and will be on the job when Gabriel sounds the last trumpet.

We often miss the joy of true worship because we fail to confess our sins. God looketh upon the heart. If there is sin in our hearts it must be forgiven, for if a man thinks himself to be something when he is nothing, he deceiveth himself, for every man shall bear his own burden. Be not deceived. God is not mocked, for whatsoever a man soweth that shall he also reap.

EXPERIENCES—Relating experiences is different from "Apostolic practice." You never read of the eunuch relating an experience before a church to vote upon him. Philip, without a vote of a church or recitation of any experience by the eunuch, baptized him INTO Christ. To those who practice the "experience and vote," Paul would say, "But they themselves, measuring themselves by themselves, and comparing themselves with themselves, are without understanding." (2 Cor. 10:12.)

Fish Fry Given At Baptist Church By Brotherhood

A fish fry in January when freezing weather is predominant, may seem unreasonable, but that very thing happened in the basement of the First Baptist Church Thursday night when the local brotherhood members entertained their wives and prospective members and their wives.

A T-shaped table was laid with white linen cloths. The food consisted of potato salad on lettuce leaves and celery sticks, with a side dish of peaches. Then came large platters of delicious fried channel catfish, served with bread, fresh butter, lemon, chocolate cookies, and coffee.

The preparation and service was in the hands of E. L. Price, Boyd Reeves, Luther Petty, Oba Kunkel, and R. L. Appling, and the table was cleared and dishes washed by the members. Indeed, no woman was needed except to eat the food.

Other brotherhood members present included A. L. Ruppy, R. L. McDonald, M. D. Bentley, A. D. Nichols, and Rev. Ray Stephens.

Guests were their wives and Mr. and Mrs. A. O. Goff, Mr. and Mrs. Homer Abbott, Mr. and Mrs. Wayne Brister, Mr. and Mrs. Vester Dowell, Mr. and Mrs. Wendell Smith, Mr. and Mrs. Fred Bentley, Mrs. Velma Betchan, T. H. Andrews, Nettie Kisner, Vernon Kennedy, Dale and Glenda Smith.

The program consisted of the scripture reading by A. D. Nichols, welcome address by R. L. McDonald, brotherhood president; response by Mrs. Homer Abbott, W. M. U. president; short talks by Mr. Ruppy, Mr. Dowell, and Mrs. Appling; and dismissal prayer by the pastor.

Pioneer Study Club Meets in Home of Mrs. E. Crockett

"Leisure Time" was the featured program topic at the Thursday afternoon meeting of the Pioneer Study Club in the home of Mrs. Emory Crockett.

Mrs. W. S. Lentz addressed the group on "Space for Play" and Mrs. June Woods' topic was "Leisure Time of Parents."

Refreshments were served to Mesdames Jim Back, C. W. Bogan, W. E. Bogan, J. D. Coleman, C. R. Griffith, Carl Jones, J. H. Kritzier, W. S. Lentz, Roger Powers, Spencer Sitter, H. H. Wade, Bob Thomas, June Woods, and the hostess.

Mrs. Paul Miller, Recent Bride, Is Given Shower

Mrs. Paul Miller, the former Jo Ann Howard, was honored at a wedding shower Saturday, January 17, at 3 o'clock in the parlor of the First Baptist Church.

Hostesses for the occasion were Mrs. Vester Dowell and girls from the young people's department.

Lynna Mantooth secured names for the brides' book, LaWanda Shaddid furnished music during the entertainment of the afternoon, and Carol Nan Smith, Charlotte Peden, and Mildred Holloway presided at the lace covered table. Decorative appointments throughout the rooms and on the serving table featured arrangements of pink carnations and white lighted tapers.

Attending and sending gifts were Mesdames Vergal Smith, Joe Willis, Leon Crockett, Edwin Howard, Hood Williams, R. A. Tindall, Bill Earles, Andy Watkins, Joe Harris, Arthur Dwyer, J. N. Smith, Earl Stubblefield, Brent Chapman, Harold Butrum, Lenard Howard, John Cooper, John Dwyer, Claude Hinton, Bill Boyd, and Robert Howard.

Mesdames Buck Glass, John Guill, R. L. McDonald, Gene Woodrome, Ted Glass, Jim Simpson, Jess Kemp, Boyd Reeves, Odessa Gunn, John B. Rice, E. J. Duncan, Willie Boyett, Bob Black, H. W. Brooks, Luke Johnson, H. T. Miller, Jim Back, Clyde Holloway, Joe Bruton, and Homer Abbott.

Mesdames T. E. Crisp, H. W. Grigsby, R. L. Appling, Oba Kunkel, Odell Mantooth, E. L. Price, H. W. Finley, George Colebank, Corinne Trimble, C. R. Guyton, C. P. Callahan, Haskell Smith, Ruel Smith, Travis Stokes, James McClellan, H. E. Franks, Bill Stockstill, Edward Gething, T. A. Langham, and Bill Day.

Mesdames Roy Barker, W. W. Shaddid, Walter Morris, Luther Petty, Karl Ernst, Jeff Rallsback, Alma Turman, Olen Davis, Bill Moore, Pete Pulbright, Marvin Simpson, Ray Stephens, Boyd Meador, R. L. Higdon, Lucille Parker, Wib Fowler, Clarence Drum, Oliver McPherson, and L. Newbury.

Misses Bonnie Willis, Maurine Crockett, Barbara Marshall, Vergie and Annette Smith, Marnelle Ledgerwood, Nadine Boyd, Eunice Stratton, Bonnie Duncan, Jan Black, Mildred Holloway, Lynna Mantooth, Joyce Smith, Carol Smith, Marjorie Fowler, LaWanda Shaddid, Sue Davis, Charlotte Peden, Iva Nora Simpson, Cleo Jones, Annie Jones, and Cecil Higdon.

Mrs. A. M. Giesler Is Given Shower In Pearson Home

A pink and blue shower was given Wednesday afternoon in the home of Mrs. Bill Pearson and Miss Dasha Kelly, in honor of Mrs. A. M. Giesler.

Attending were Mesdames R. L. Appling, Wib Fowler, A. M. Giesler, J. L. Giesler, Tamsy Burgess, H. E. Wetsel, Clarence Voyles, Oscar Tibbets, M. P. Tibbets, Ray Jordan, Guy Beasley, Robert Howard, and Edgar Smith.

Sending gifts were Mesdames John Cooper, J. C. Claborn, Ear Stubblefield, Buck Glass, Ted Glass, O. V. Smulcer Lyda Smith and C. B. Lee Jr.

Mr. and Mrs. R. L. Appling and Mrs. S. A. Cobb spent Friday in Amarillo, where Mrs. Cobb received medical treatment for her eyes. Nettie Kisner, who has been visiting here for the past few days, returned to her home in Amarillo.

W. L. Hancock is reported ill with pneumonia in St. Anthony's hospital in Amarillo. He was taken to Amarillo Saturday by his son, Clevy Hancock.

Miss Annie Jones, Roger A. Klucas To Be Married

Mr. and Mrs. Z. T. Jones are announcing the engagement and approaching marriage of their daughter, Annie, to Roger A. Klucas, son of Mr. and Mrs. Arthur A. Klucas of Buffalo Lake Minn.

Miss Jones graduated from McLean High School and for the past three years has been employed at the McLean post office. Mr. Klucas graduated from Buffalo Lake High School, attended the University Farm School of Minnesota, and spent three years in the navy. He received his discharge in December, 1947.

The wedding ceremony is to be read on February 22 at the First Baptist Church in McLean.

Mrs. George McCarty, Sandra and Mike visited over the weekend in Canyon with Mr. and Mrs. Murray Boston. Mrs. McCarty's mother, Mrs. Lula Young, returned home with her for a visit.

Bert Huggins and C. E. Cooke returned recently from a business trip to Oklahoma City.

Greeley High School in Greeley, Colo. She attended Colorado State College of Education in Greeley, where she was a member of Sigma Upsilon sorority. She also attended the University of Chicago, and Texas Tech in Lubbock. Mrs. Walston is the granddaughter of Mr. and Mrs. Wib Fowler of McLean. Mr. Walston graduated from Menard High School and attended Texas Tech. He also served four years in the navy.

Out-of-town relatives attending were Mrs. D. S. Florey of Denver, Colo., Mrs. Frank Walston, Mr. and Mrs. Melvin Swindall, Lavon and Jim Frank Swindall of Menard, Miss Nola Fowler of Dunan, Okla., and Mrs. L. A. de Lee of Wichita Falls.

tions. Melvin Swindall, brother-in-law of the groom, served as best man.

Given in marriage by her father, the bride was attractively attired in a ruffled, floor length dress of white mousse de sole. Tired lace inserts trimmed the skirt and a short bolero completed the frock. A bracelet length veil of illusion was attached to a wreath of orange blossoms and small seed pearls. For something old, the bride wore a pin creation of tiny pearls which belonged to her maternal great-grandmother, and also her mother's pearl wedding necklace. She carried a rose point lace handkerchief and a white Bible topped with an orchid showered with ribbon, net, and lily-of-the-valley.

Mrs. Florey, mother of the bride, wore a black crepe dress complimented with gold and black accessories. Mrs. Walston, mother of the groom, was dressed in a black crepe dress with matching accessories. Both wore corsages of red roses.

An informal reception was held immediately following the ceremony. The brides' table was covered with a Quaker lace cloth and fan-shaped arrangements of pink carnations flanked by silver candelabra, and white tapers were reflected in a large wall mirror.

Mrs. L. A. de Lee, assisted by Mrs. Melvin Swindall and Mrs. Gordon Billingslea, presided at the silver service.

For travel, the bride chose a white suit with brown and winter white accessories. After January 18, the couple will make their home in Bandera where the groom is assistant cashier at the First National Bank.

Mrs. Walston graduated from

Glendolyn Florey, Jack A. Walston United in Marriage

An arch entwined with fern, flanked by candelabra, formed a decorative background for the wedding ceremony of Miss Glendolyn Marie Florey, daughter of Mr. and Mrs. R. G. Florey of McLean, to Jack A. Walston, son of Mr. and Mrs. Frank Walston of Menard, on Sunday afternoon, January 11, at 3 o'clock.

Rev. Ray Stephens, pastor of the First Baptist Church, read the double-ring ceremony in the home of the bride's parents. Mrs. H. A. Longino played piano interpretations of "O Promise Me," "Indian Love Call," "Because," and "The End of a Perfect Day." The traditional wedding marches were used for the professional and the recessional. "The Lord's Prayer" was played softly during the exchange of vows.

Preceding the ceremony the tapers were lighted by Mauree Miller and Max Billingslea, cousins of the bride. The bride's only attendant was her sister, Miss Geraldine Florey. She wore a blue mousse de sole gown trimmed with blue lace. She carried an arm bouquet of pink carna-

Sports—
 (Continued from page 1)
 put on a scoring attack to edge the Tigers 36-32, Friday night. The game was lost with free shots. Both ball clubs hit 14 field goals each while Memphis held the edge in free goals, 8 out of 16, to 4 out of 16. The Tigers had enough free throws the last three minutes to beat them but couldn't hit the loop. Not making excuses, that night was just not the Tigers' night. They missed crisp shot after crisp shot, free throw after free throw, to witness one of their coldest nights this season.
 Boston led the scoring with 14 while Rasco and Green sank 10 for the winners.

TIGERS TAKE DOUBLE-HEADER FROM MEMPHIS
 The Tiger A-B basketball teams journeyed to Memphis Tuesday night and won a double-header from the Cyclone.
 The B boys started the evening off in good fashion with a 19-11 win over the Memphis B team. This makes the second win over the Cyclone B team in as many games.
 The A team then took the floor to win their game in a hotly contested battle. The Tigers were never ahead more than 6 points and at the half were behind 4 points. The big difference was in the third quarter when the Tigers scored 14 points to the Cyclone's 5. Rascoe, the tall Memphis center, was the high scorer for the night with 13 points to his credit, and Eudey and Boston tied for runnersup with 11 each. The score, 39-37.

CAGE TEAMS JOURNEY TO CANADIAN
 The cage teams of McLean left this morning at 9 o'clock to participate in the annual Canadian tournament.
