Tigers, Wildcats Play At Canadian Friday

McLean's hard-fighting Tiger grid team will attempt to keep on the all-victorious side when they travel to Canadian Friday night to meet that Class B team on the Wildcat field. The game will begin at 8 o'clock.

The Tigers, after gaining a 19-0 victory over the Clarendon Broncs in a slam-bang game at Clarendon, have thus far avoided serious injury to any players and are expected to be in good condition again this Friday night. Canadian, last year a Class A team which was dropped back to Class B this season, lost to the powerful Irish of Shamrock 47-0 last Friday night. The Wildcats opened their season the week before against Lefors, and dropped that game to the Pirates 20-0. Lefors is rated as having another strong team this year.

McLean will go into the game as the favorite, since the Tigers are undefeated in four starts this season. After taking the

Helms Test Well North McLean Shot

The Helms test well, located about four miles north and slightly west of McLean near the Lefors highway, was hot Tuesday, but no results of the shooting have as yet been announced.

Reports are that it will be several days before the well can be cleaned out to determine if the shooting will increase the well's production.

The test was started several weeks ago, and a good showing of oil came at a depth of about 2,600 feet. Since then, the well has been deepened some. Considerable trouble has been encountered in the drilling, and a number of days were spent in fishing for tools before they were finally recovered.

The well is on the Thomas Estate, just west of the Lefors highway about four miles north of town. Considerable interest in the test has been manifested since it is south of the river, where few tests have been made.

It was also reported that another test near McLean is to be made soon. This test will be north and slightly east of McLean on the Wheeler Foster place about two miles from the city limits. Several years ago, a test by the Lone Star Gas company on this site resulted in a good showing of oil, although a well was never brought in by the drillers.

Several gas wells have been brought in farther east than this test, and there has been some showing of oil.

Pentecostal Revival Set

Rev. J. P. McClure of Apache, Okla., will conduct services at a revival which will begin Sunday night at the Pentecostal Holiness Church in McLean, Mrs. C. C. Howard, pastor, announced this week.

Services will be held each evening at 7:30 o'clock, and morning services may also be conducted, Mrs. Howard said. Date for the closing of the meeting was not announced.

Special singing will be a feature of the revival.

"The public is invited to attend the services," Mrs. Howard said, "to hear the gospel of the Lord."

Greenville Pastor To Preach Here

Rev. Victor K. Aubry of Greenville will be guest preacher at the First Presbyterian Church in McLean Sunday morning, church leaders said this week.

Evening services will be led by Dr. Douglas E. Nelson of Pampa who will also hold communion services.

Lions, Guests Gather Here For Zone Meet

"Twelve Ways to Wreck a Club" was the subject of an interesting, humorous, and thought-provoking address made by Ralph R. Randel of Panhandle, former resident of McLean, at the Zone 2, District T2-1, meeting of Lions Clubs in the American Legion Hall Tuesday night.

Randel fashioned his talk after one made by William B. McKesson of Los Angeles, Calif., at the Lions International convention held last summer in New York City, but changed McKesson's address so that it might be applied to all clubs.

The meeting was attended by representatives of Lions Clubs inampa, Panhandle, White Deer, Groom, and Mobeetie, in addition to a large attendance from the local club in McLean.

Prior to the Ladies Night affair in the Legion Hall, a business meeting of presidents, secretaries, and others officers was held. In the absence of W. C. Meharg of McLean, zone chairman, M. C. Davis of Panhandle, deputy district governor, presided. Appearing on the program were Davis, who discussed the duties of a Lions secretary; John R. Fulmer, who spoke on "Selling Lionism," and Lester Campbell, who spoke on the duties of a president.

At the Ladies Night affair, attended by approximately 100 Lions and their guests, the group singing was led by Lion Layne of Panhandle. Pledge to the flag was led by J. M. Payne, and the invocation was given by John Cooper.

The meal, prepared by Mrs. John R. Fulmer, was served by several high school girls and little Miss Clitia Sue Hensley. Music during the meal was furnished by the Sunset Ramblers, a local orchestra.

Following the meal, Lion Tamer Fulmer introduced presidents of each of the out-of-town clubs, and they in turn introduced the out-of-town guests. Vocal numbers were then presented by Miss Nelda Higginbotham and Miss Erma Russell, of Panhandle, accompanied by Miss Betty Taylor, also of Panhandle.

Miss Barbara Nell Williams of McLean then gave two accordion numbers. A quartet of E. J. Windom Jr., Bill Carpenter, Bill Miller, and Bill Day, sang three numbers, accompanied by Mrs. Day. Randel's address concluded the program.

REV. RAY STEPHENS leaving . . .

Rev. Stephens Resigns, to Go To Spearman

Rev. Ray Stephens, pastor of the First Baptist Church in McLean since July 1, 1947, has resigned from the pastorate to accept a similar position with the Spearman Baptist Church.

Rev. Stephens read his resignation to his congregation at the close of the regular services Sunday morning. He will terminate his work here November 1, and as yet his successor has not been named by the church members.

The popular pastor will leave here after October with his wife and two daughters, Kay and Judy.

Before the war, Rev. Stephens was pastor of the First Baptist Church in Iola. He served as a chaplain in the U. S. air corps, and saw service in the Southwest Pacific. He was discharged in June of 1946, and returned to his pastorate in Iola. During his period of service with the army he was awarded two battle stars and the Bronze Star medal for service beyond the line of duty.

While serving at Iola, he conducted a revival meeting in McLean in April 1947, during the pastorate of Rev. W. R. Lawrence, now Dalhart pastor. He was extended a call by the local church in June of 1947, and accepted that call effective July 1.

During his 15 months in McLean, he has been active in civic work as well as religious work, and is a member of the McLean Lions Club.

Proceeds to Aid In Paying for New Uniforms

Football fans of this area will have the opportunity of seeing McLean's future grid teams in action Tuesday night on Tiger Field, when the Junior High School group will play an inter-squad game. The tilt will begin at 7:30 o'clock.

The game is being sponsored by the McLean Quarterback Club. Admission will be charged, and all proceeds will be used in paying for suits for the junior high gridsters.

The game will be a regulation affair, and the High School School band will be present to aid in making it a success. The band will play, as at regular high school games, and will also parade at the half.

The decision to hold the game was made at the meeting of the Quarterback Club Monday night.

New officers for the club were chosen, and John Haynes was named president. Vice president will be H. E. Barrett, and secretary-treasurer, Lester Campbell.

The finance committee of the club is Ruel Smith, chairman, and Roger Powers and George Graham.

Entertainment committee will be Lester Dysart and Mrs. W. W. Shadd, co-chairmen; and Logan Cummings, John Cooper, and Mrs. C. R. Griffith.

Transportation committee members are Bill Howard, chairman; and Lawrence Watson and Clyde Andrews.

Only a small number of fans attended the organizational meeting, but it is planned to have some form of entertainment to attract more fans at future meetings.

Present plans call for the showing of a motion picture of some college game at each of the meetings, with comments and explanations being made. Coach Al Duncan stated that members of the grid squad will also probably attend, and participate in the comments.

No definite date for the next meeting was set, since it is not known how quickly the films can be obtained. It is believed, however, that such programs will increase interest in the Quarterback Club, and cause it to function more properly.

FATHER DIES

J. D. Mays of Levelland, father of Mrs. W. C. Meharg of McLean, died Monday night. He was 68 years of age. He had been ill for some time, and Mrs. Meharg had been in Levelland for the past week. Meharg left Monday night after his father-in-law became worse. Funeral services were held Wednesday afternoon in Levelland.

Fair Officials Set October 8 'McLean Day'

Friday, October 8, has been designated as "McLean Day" at the Tri-State Fair in Amarillo, which will begin October 4 and continue through October 9, fair officials said this week.

"We hope that the people of your town and county will take advantage of this day to visit the fair," Rex B. Baxter, manager of the fair, said.

General admission tickets, rodeo tickets, and "Ladies Be Seated" program tickets are on sale at the office of The McLean News.

The feature attraction this year will be the nationally known radio show, "Ladies Be Seated." The program stars Tom Moore and Aunt Jimima, and will be presented twice daily. Only the daytime program will be broadcast, although prizes will be awarded to audience participants at each presentation.

Of especial interest to the livestock people of this area is the recent announcement about the herd of cattle from the famous King Ranch. This is the Santa Gertrudis breed, the only American breed of cattle, and they will be on display at the fair.

Another important feature will be the state wheat contest. The FFA and 4-H Club boys of the area will vie for honors of the wheat kings of Texas. The winners will be in line for prizes and favors amounting to several hundred dollars.

All officers will meet to practice at 7:30 o'clock Saturday night, October 2.

Local Board Draft Quota Is Ten Men

Local Board 2, U. S. Selective Service, will be required to furnish ten men in the first draft quota under the new act, it has been announced.

The board serves Gray, Roberts, Wheeler, and Donley counties. The ten men will be physical prior to going into training.

Miss Charlyne Jaynes, chief clerk for the board, said the men will be selected from the oldest group in order of their birthdays and the list will be worked on down the line unless other changes are sent from Washington.

Texas' entire quota for the first call was for 1,400 men, of which the government expects 870 to be accepted.

Order numbers have not yet been assigned to registrants, Miss Jaynes said.

Eastern Star Plans Friendship Night

The McLean chapter, Order of Eastern Star, is having a "Friendship Night" October 7, beginning at 7:30 o'clock, it was announced this week.

All members are requested to attend, Mrs. Clara Hupp, worthy matron, said. Visitors from each chapter in this section are expected to attend.

All officers will meet to practice at 7:30 o'clock Saturday night, October 2.

In a rough and tumble, yet cleanly played, game last Friday

night at Clarendon, the McLean Tigers racked up their first District 2-A victory over the Clarendon Broncs by downing them 19-0.

Despite the fact that the Tigers received 60 yards in penalties and the Broncs 15, the playing was clean. The Tigers scored once in the first quarter, once in the second, and once in the third to defeat the Broncs.

Fans remembered the fistuffs on and off the playing field in the game with Clarendon here last year, and some had expected a recurrence of the unfortunate events. But the Clarendon people put out the welcome mat, and the McLean fans gladly accepted it. At the intersection of the Jericho road and Highway 287 near Clarendon, a huge "McLean Welcome" sign had been painted on the pavement to greet visitors

as they neared Clarendon. McLean's sparkling backfield, with the big help of the determined and even better-than-last-week line, kept the Clarendon fans gaping. The Tigers racked up 16 first downs to 2 for Clarendon, gained 294 yards rushing to Clarendon's 63. In addition, several nice gains by the Tigers were nullified due to penalties.

McLean drew two 15-yard penalties and six 5-yard penalties. Clarendon drew one 15-yard penalty.

Three Clarendon players, Wayburn Wilson, Rex Bradford, and Odell LaGrone, were injured during the game. Bradford, it was reported, suffered a fracture of an arm. LaGrone a sprained leg, and Wilson shock. It was thought for a while that Wilson had suffered a fractured neck, but X-rays failed to produce any

evidence of a fracture. In the statistical end, L. M. Watson carried 22 times, picked up 122 yards, averaging 5.5 yards per carry. Johnny Griffith carried 14 times, made 124 yards, averaging 8.8 yards. Johnny Haynes carried 10 times, made 47 yards, averaged 4.7 yards. Jimmie Newton carried twice, made 12 yards, averaging 6 per try. Griffith returned an intercepted pass 6 yards and a punt 7 yards.

The prettiest play of the game was on a run by Duane Littlefield of Clarendon. He started from the McLean 45-yard stripe, raced to his right end where he met up with trouble. He then reversed his field to the left end, picked up four or five blockers and started on a dangerous-looking jaunt. He outran his blockers, however, cut back to the right, and was finally stopped on

the McLean 15, giving him a 30-yard gain.

The scoring was as follows: McLean kicked off to Clarendon, and on the first play Bradford quick kicked to the McLean 38. The Tigers started rolling down field, made six first downs to put the ball on the Clarendon 3-yard line. Griffith was caught from behind and lost to the 5. Watson then carried to the 2, but McLean was penalized to the 10 for off sides. Watson picked up 2, and from that point Griffith circled right end and went over standing up. Haynes' kick was low and the score remained 6-0.

In the second quarter, McLean took the ball on their own 38 after a punt from Bradford. Three first downs put the ball on the Clarendon 12. Watson made

the McLean 15, giving him a 30-yard gain.

REV. CLIFFORD POTTS

Baptist Plan Day Revival; Starts Sunday

8-day revival meeting will be held at the First Baptist Church in McLean, beginning Sunday morning at the regular services. Rev. Ray Stephens, pastor, announced this week.

Conducting the services will be Hal Upchurch, pastor of the First Baptist Church in Pampa. Upchurch is one of the leading preachers in this section. Rev. Stephens said.

During the song services will be Rev. Clifford Potts of the First Baptist Church. Rev. Potts has many requests for him, which he is unable to

attend because of their busy life they are invited to help evangelize. Refreshed, as you hear the message in song and sermon," the pastor said.

Another feature of the revival will be an address by Miss Susan who is a Baptist missionary sent out by the Foreign Mission Board of the Southern Baptist Convention to the Hawaiian Islands.

Miss Saito will speak at the 8 o'clock service Sunday at 8 o'clock. She is a graduate of the University and of Southern Seminary, and is a very charming oriental girl, Rev. Stephens explained.

"You will profit to hear her," he said. "Miss Saito is one of the most devoted and considerate Christians I have ever known."

Two-Duty Room Proving Popular

"May I bring the gang home after school, Mother?" asks Mary. "But I'm having my bridge club this afternoon, dear," Mother replies. In a one-living room-home, this situation frequently arises. There's just not room for parents and children to entertain at the same time? Or is there?

New double duty ideas in home furnishing present a solution. Those old time bedrooms that are just so much waste space except at night when they're used for sleeping, can be transformed into daytime "recreation rooms." Besides settling the question of who's-going-to-entertain whom-when, a combination bed-living room is an excellent spot for homework, reading, handicrafting and music appreciation. Dad and "Town Meeting of the Air" vs. Mary and her Harry James recordings will come out a tie with everybody happy.

Of course, the most important function of the bed-living room would still be to provide the very most comfortable sleep conditions possible. And, the first step in re-doing a bedroom is to check the bedding. If it's inclined to lump and sag a bit, replace it with the best quality of spring and mattress-on-legs that you can afford. The spring-on-legs or studio type bed is ideal for a combination room because it can be attractively but durably slip-covered and banked with pillows, placed against the wall and used for a lounge during the day. If the room is shared by two youngsters, twin studio beds placed at right angles in a corner, in opposite corners, or end to end against an unbroken wall work out very nicely and provide double lounging space. This adds an effect of spaciousness by leaving the center of the room free.

The slipcover style that comes in two pieces is the most practical. The dust ruffle part fits snugly over the mattress and bedclothes. Thus, when the cap is removed at night, the dust ruffle remains and gives the bed a finished appearance. In most cases, even a small bedroom is large enough to accommodate twin beds of this type in one of the three arrangements previously mentioned, and still leave room for other furnishings and activities.

For example, drawer chests and a dressing table of simple, compact design can be grouped on the closet wall. If there isn't quite enough room for the dressing table, hang a good sized mirror on the inside of the closet door and attach a drop leaf on hinges just below it. This arrangement doubles beautifully for a dressing table and saves wall space.

Then, a third wall can be devoted to a desk and shelves and cabinets for books, recordings, knick-knacks, games and hobby equipment. This need not be an expensive set-up. If there's any extra room, add an easy chair. There should be a card table should be handy, too.

A bedroom decorated in this fashion doesn't look like a bedroom at all—it looks like the youngster's own private living room with all the necessary equipment. With the trend toward smaller homes, this plan for furnishing bedrooms is rapidly catching fire as a practical, double-duty arrangement. It's not only desirable for children's rooms, but for master bedrooms and guest rooms as well.

More often than not, individual members of the family have individual interests. With comfortable, well-appointed rooms of their own, they can do whatever they want, whenever they want.

State Smallpox Cases Are Few

An interesting sidelight on public health in Texas was revealed in the morbidity report of the Texas State Department of Health for the week ending August 23, which showed a total of 2 cases of smallpox for this year, while in the same period there were 588 cases of diphtheria.

Commenting on these comparative figures, Dr. Geo. W. Cox, state health officer, stated that diphtheria is as readily controlled by immunization as is smallpox, but that apparently the public has failed to recognize this fact, or to act upon it.

"Smallpox, which is highly contagious, is no longer considered a major health problem in Texas," Dr. Cox said, "and this is due to widespread vaccination against the disease. Diphtheria, equally contagious, can also be reduced to the point where a single case is a rarity, but only when parents awake to the fact that every child should be immunized in infancy. The baby doctor will recommend when this should be done, and if all children were given this protection, there would be none susceptible to contract this killing disease."

Ordinarily the immunity provided by diphtheria toxoid lasts a child until he is of school age, however, a Shick test should be given before the child enters school. If needed, an additional hot of toxoid should be administered.

"When all children are routinely immunized against this dreaded disease, it can be virtually eliminated as the health hazard that it now is to the boys and girls of Texas," Dr. Cox declared.

Misses Carole Nan Smith and Sue Davis, who are attending business college in Amarillo, were home for the week-end.

179% Increase In Local Telephone Calls!

There is no limit to the number of local telephone calls you can make on local service. During the past year 179% more telephone subscribers have continually increased the number of calls they make yet rates are substantially the same.

Your telephone company, notwithstanding the tremendous increase in local calls, shall always endeavor to keep rates at the lowest possible level in keeping with operating costs, wages, materials for maintenance, taxes, insurance and other items of expenses incurred in rendering local service.

During the past year the cost per local call to the subscriber was an average of 13/100 cents. No other type of communication is comparable to the cost of local telephone service... a service that is always available and dependable.

The man in the picture plays a big part in your telephone company's expansion program. He is one of the men who pre-check every connection in a new central office switchboard to make sure that the wires will carry your messages over the right paths. Central office equipment, you see, is just as necessary as wires and poles and cables in the job of bringing telephone service to more and more people. You'll be glad to know that we are busier than ever, hastening the day when telephone service will be available for everyone who wants it, any time, anywhere in the territory we serve.

100 THINGS

REGARDLESS of how you feel toward Communism, the government of the U. S. now uses some Communistic ideas in the way it is operating. Most are not too important, but that's the way the Communists want it at first. The News is publishing this series of some questions and answers in a booklet prepared by the House Committee on Un-American Activities, so that you may realize the similarity of some of our present governmental methods with Communism, as well as letting you know how an actual Communistic government here would be.

61. What is a Communist front?

An organization created or captured by the Communists to do the Party's work in special fields. The front organization is Communism's greatest weapon in this country today and takes it places it could never go otherwise—among people who would never willingly act as Party agent. It is usually found hiding among groups devoted to idealistic activities. Here are 10 examples out of hundreds of Communist fronts which have been exposed: 1. American Committee for Protection of Foreign Born; 2. American Youth for Democracy; 4. Civil Rights Congress; 5. Congress of American Women; 6. Council for Pan-American Democracy; 7. International Workers Order; 8. National Committee to Win the Peace; 9. People's Institute of Applied Religion; 10. League of American Writers.

62. How can a Communist be identified?

It is easy. Ask him to name ten things wrong with the United States. Then ask him to name two things wrong with Russia. His answer will show him up, even to a child. Communists will denounce the President of the United States, but they will never denounce Stalin.

63. How can a fellow traveler be identified?

Apply the same test as above and watch him defend Communists and Communism.

64. How can a Communist front be identified?

If you are ever in doubt, write, wire, or telephone the House Committee on Un-American Activities, Room 226 House Office Building, Washington 25, D. C. Telephone National 3120, Extension 1405.

65. What do Communists call those who criticize them?

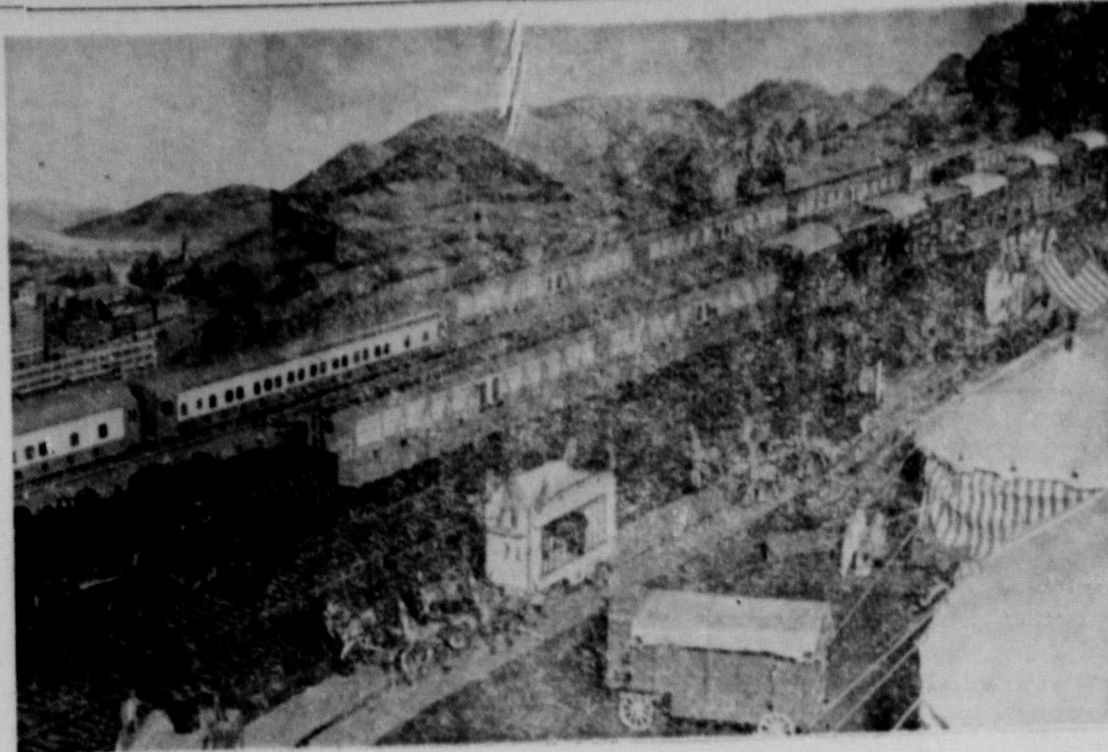

"Red baiters," "witch hunters," "Fascists." These are just three out of a tremendous stock of abusive labels Communists attempt to smear on anybody who challenges them.

LES TALK BY LESTER

Wellington, as you know, has for the past ten years been a real power in football. Apparently things are a bit different over there. Recently I sent to the Wellington Leader a want ad for Kid McCoy, and received in due course a statement for the ad. When I sent the Leader a check for Kid's bill, I sent back the statement, with a note across the bottom to the effect that I bet we would beat them in football this year. Deck Wells, publisher of the Leader, mailed the same statement back to me, with a penciled note under mine, "Called for 5c. D. W."

As I say, Wellington for ten years has been a football power, but apparently isn't expecting much this year. Deck is a big football supporter, never misses a game, but I guess he figured anything above a nickle is gambling—this year.

Perhaps he forgot that 38-0 drubbing the Rockets handed our Tigers last year.

You probably either heard about, or read in last week's paper about George Graham's car being stolen. Here's an angle on the story I didn't get in last week's paper.

One of the highway patrolmen stationed here, Jeff Heard, had gone to Amarillo after the car, and was driving it back to McLean, according to the story told to me. He was motoring along at the legal speed of between 55 and 60, when zip past him went another car.

The driver of the new car, thinking George was driving, honked and honked, and then slipped by—according to the story told me.

Then that driver saw the patrolman driving George's car, immediately slowed down, and even slowed down so much a little farther down the road that he pulled off the road and let the patrolman go by.

It's a good story, I think, and would be even better if I would tell the name of the driver who zipped by the patrolman. Ask me some time, and I'll tell you the name—according to the story told me.

The first hurdle in District 2-A play for the Tigers is over. That first hurdle was the 19-0 victory over Clarendon Friday night at Clarendon.

I am glad to say that I certainly was proud of the way the entire team played. They are playing this year as a team, and if this continues, we will have a good chance against any of the other teams, including Shamrock.

Speaking of the city of the Irish, I feel, and have felt that way since the 13-12 loss to Shamrock last year, that we will beat them this year. I don't care if they do have that big line, etc., and I am sure that none of the local team cares either. We're gonna beat Shamrock this year.

At Clarendon last Friday night, I was sitting almost directly behind some lady from Clarendon. When the three Broncs were injured, in one, two, three order, the lady sure got mad at the Tigers, even though it certainly wasn't the Tigers' fault the Broncs were injured. I was amused at what she said, too, which was something to the effect that if the Tigers were going to play that way, they could just go on back home.

Many had expected some trouble at Clarendon this year but as far as I know, there was none. If you recall there was considerable trouble in the latter part of the Clarendon game here last year. But Clarendon welcomed all of us from McLean, painted a big welcome sign on the pavement at the highway intersection just this side of Clarendon.

It would be nice if world differences could be so easily forgotten and erased.

**Area Baptists
To Meet Today
At Wheeler**

Baptists of 25 churches in this
area were to assemble at the
Wheeler Baptist Church today for
the annual meeting of North Fork
association.

Dr. David K. Gardner, editor
of the Baptist Standard, Dallas,
will present to the group the
largest financial missionary and
educational programs ever launched
by Texas Baptists. He will
stress particularly the importan-
-ce of every church's responsi-
-bility in meeting the ten-million-
-budget adopted recently by the
executive board of the conven-
-tion.

Representatives from the 25
churches are to report on the
progress of their various organi-
-zations and departments during
the past year and make plans
for the coming months.

Dr. Gardner will urge the as-
-sociation, which has a total
church membership of over 6,000,
to give emphasis to the stewar-
-ship crusade being conducted in
Texas this fall. He will also
display the new literature offered
to the churches for use in the
current campaign.

**Doctor Urges
Child Safety**

A state-wide effort to reduce
Texas' child accident toll of about
900 lives yearly through partici-
-pation in the national child safety
campaign in September was set
forth by Dr. Geo. W. Cox, state
health officer, as an immediate
public health objective calling for
concerted cooperation by all pub-
-lic health and medical authorities
and interested civic organizations
within the state.

"The needless loss of a single
life, or the crippling of even one
child, is an exorbitant price to
pay for any neglect of this prob-
-lem," said Dr. Cox.

The importance of such a cam-
-paign is evidenced by the fact
that accidents are now the lead-
-ing cause of death among chil-
-dren more than one year old.
Among children 5 to 9 years old,
the death rate from accidents was
25.7 per 100,001, as compared with
a rate of 4.6 for rheumatic fever
and organic heart disease, the
next cause; and among children
from 9 to 14, the accident death
rate was 20.8 and that for rheu-
-matic fever and organic disease
1.2.

The outstanding improvement
in the death rates from all non-
-accident causes during recent
years is the result of the ad-
-vance in medical science and con-
-centrated efforts in the field of
child health. The premise of the
child safety campaign is that ef-
-forts now must be intensified to
bring about a somewhat compar-
-able reduction in the number of
child accidents.

Tackles Bob McConaghie and Vernon Turner have turned in very creditable performances, as have Guards Johnny Vineyard and Lee Roy McCracken. Ends Bobby Bruner and Vic Shelton have also done good work thus far, and Bobby Kramer, who saw action at one of the end positions at Clarendon for the first time this season, is expected to show up well. Kramer is especially adept in the art of pass-catching, a phase in which McLean has not shown much ability this fall. Kramer was out with a shoulder injury until the Clarendon game. While in the game, he caught one touchdown pass, although the play was called back.

A large number of fans plan to attend the Canadian game. One or two buses are to be chartered to carry some of the fans, and many others are expected to take their cars.

Mrs. Laura Byerly made a business trip to Amarillo Monday.

Tigers Elevated From 6th to 5th In Godsoe Rankings

The McLean Tigers were elevated this week one notch, from 6th to 5th place, in the weekly rankings of grid teams in the Panhandle by Frank A. Godsoe Jr., Amarillo News writer.

The Shamrock Irish retained hold on the No. 1 position by a decisive 47-0 victory over the Canadian Wildcats.

The first 15 teams, as ranked by Godsoe, are as follows:

1. Shamrock Irish; 2. Phillips Blackhawks; 3. Levelland Lobos; 4. Perryton Rangers; 5. McLean Tigers; 6. Lefors Pirates; 7. Littlefield Wildcats; 8. Sundown Foughnecks; 9. Lockney Longhorns; 10. Muleshoe Yellow-jackets; 11. Post Antelopes; 12. Crosbyton Chiefs; 13. O'Donnell Eagles; 14. Wellington Skyrockets; 15. Abernathy Antelopes.

Four Injured In Auto Crash

Four persons, all of Shamrock, were injured at about 8:45 o'clock last Thursday night 4.5 miles east of Shamrock when the car in which they were riding crashed into the rear of a 1940 Dodge carryall truck.

The injured were Erven Ralph Rucker, 28, who was driving the 1942 Chevrolet sedan which collided with the rear of the carryall; Richard Max Rucker, 3½ years of age, son of the driver; E. L. Melroy, 33, who suffered a slight head injury; and Mrs. Melroy, who was most seriously injured. Extent of all injuries was not learned here.

Uninjured in the carryall were Rex K. Palmer, Route 1, Shamrock 14, driver; and Mrs. Jessie L. Palmer, also of Route 1, Shamrock.

Rucker told investigating highway patrolmen that he was blinded by an approaching car, and jammed the rear of the carryall.
