Your Support Will Be-Appreciated

I am taking this method of asking you for your vote next Tuesday, because I'm too busy at the office to take the time out to solicit your vote personally.

I've tried hard to make you a good City Secretary, for, after all, you taxpayers are the City of McLean, and my job is to work for you through the Mayor and your City Council.

I appreciate your support in the past, and if you elect me for another term, I will continue to do my best to do the job in a business like and impartial manner.

Your vote next Tuesday will be greatly appreciated.

Yours to serve.
