(More or Less)

## Hard Showers Bring 20-Inch In Rain Here

A series of short-lived, but hard-falling, showers brought a total of 20 of an inch in moisture in McLean Tuesday afternoon, but the showers apparently were spotted.

When the clouds began to appear in the south, it was believed that any moisture would be preceded by a heavy sandstorm. But the moisture apparently outran the sand, and the rain began falling before the sand started blowing in McLean.

To the east, however, it appeared that sand did blow. The showers were the second series during the past week. Last Friday afternoon, a light shower followed a blinding sandstorm, but only a small amount of moisture fell. The clouds cleared away in plenty of time to prevent interference with the annual Legion rodeo, although the Legion members feared the worst when the clouds began to show up.

Tuesday's moisture brought the total for April to 1.13 inches, Pete Fulbright, local weather observer, reported. The year's total is now 3.24 inches.

Grass in the area is still badly in need of moisture. Some of the grass is beginning to turn green, but not quickly enough, and ranchers report the need of more moisture.

The drought has already finished up most of the wheat in the area, and now farmers are hoping for rain at the right time for the row crops, planting of which is to start in the near future. Cotton will be the biggest row crop this year, since the government has placed a high premium on cotton, and is urging all farmers to plant much acreage in cotton.

Members of the American Legion post in McLean were proud of the job Bob Sherrod did in handling the arrangements for, and directing the rodeo last week-end. As evidence of their appreciation, they presented Bob with a new hat at the Monday night Legion meeting. Bob was proud of the success it was.

Speaking of the Legion, two, or three, or maybe even four years ago, the Legion boys sold non-interest-bearing bonds to pay off an indebtedness on the hall which was moved in and set up. Some of those bonds have been paid off, some have been donated by their owners. Now about \$1,100 remains on that debt to be paid. The Legion made some money out of the rodeo—unfortunately not enough to pay off all the bonds—but they decided Monday night to pay off all they could. They stated they realize that the bond holders have been mighty patient waiting for their money, and they hope to get them all paid off before too many months.

School will be out in McLean May 11 in case any of you are wondering. The events yet to come include the following: May 11—Junior-senior banquet; May 13 (Continued on back page)

## Gentle Reminder—What Those Siren Warnings Mean

The sounding of the siren Tuesday afternoon to summon firemen to answer a fire call—the siren sounding right in the middle of the dark clouds to the south—reminded us to remind you of the meaning of the three alarms.

The siren warnings are as follows: Two long blasts—storm warning (not necessarily that a tornado has been sighted, but a warning that the clouds can produce such).

Four long blasts—fire in the residential section of McLean or in the area surrounding McLean.

Six long blasts—fire in the business district of McLean.

## Rhea Named Gray County Spelling Champ

Owen Rhea, member of the 7th grade at the McLean Grade school, will represent Gray County at the annual spelling bee in Amarillo May 5.

Rhea won out over contestants from McLean and other schools throughout the county in the county spelling bee held at Pampa Tuesday. He finished first among the 7th graders, and then went on to take top honors in the grand spelling bee among all the winners in the various grades.

The McLean Grade School furnished four contestants, Principal Haydn Bodenhamer stated, and all four finished among the top students.

Jackie Don Bailey, 5th grader, took second-place honors in his grade; Joe Cooke, 6th grader, won second in that division; Rhea won first among the 7th graders, and Mary Brown, although not finishing No. 1 or 2 in the 8th grade division, was awarded a blue ribbon for her performance.

As a result of his spelling excellence, Owen will go to Amarillo Saturday, May 5, to compete with winners from counties throughout the entire Panhandle area. The winner of the district bee in Amarillo will then receive an all-expense trip to Washington, D. C. to compete with district winners from throughout the United States.

## Lightning Strikes, Ignites Pasture

A flash of lightning ignited the grass on a pasture of the J. L. Hens place south of town Tuesday afternoon during the rain storm.

Rain aided in extinguishing the blaze. The McLean fire department answered the call, but the truck was stuck en route and arrived on the scene of the fire too late to help.

Exact amount of the grass land burned was not learned, although it was reported to be only a small acreage. The grass which caught fire was near the ranch headquarters.

## Hibler, Meador Are Candidates For Alderman

Two men, Guy Hibler and Boyd Meador, filed their names as candidates for the office of city alderman before the deadline for filing—Monday—had passed.

The single alderman for the council, to serve a one-year term, will be chosen at a special city election Tuesday, May 22. The election was called recently by the city council to fill the vacancy caused by the resignation of E. J. Lander. Lander was named as mayor of the city in the regular annual city election April 3, and had one more year to serve on the council.

First to file for the office was Hibler, who served as councilman for one term ending slightly more than two years ago.

Meador is also a former councilman as well as a former mayor. He served on the council from 1934 to 1941, and then served a total of seven years as mayor.

Mayor Lander had submitted his resignation prior to the election, but due to the fact that the council had only three remaining members, the resignation did not go into effect until after the regular election. Two vacancies had occurred during the past year, when W. L. Copeland and Guy Beasley resigned following their moving out of the city limits. Since three members are required for a quorum, Lander was unable to resign from the council in time for the remaining alderman to be chosen at the April 3 election.

The council is now composed of Mayor Lander, Paris Hess, J. C. Claborn, Ruel Smith, and C. P. Callahan. Smith and Callahan were elected at the April 3 election.

## Retail Owners Reminded of OPS Deadline

Three groups of retail establishments—restaurants, groceries and consumer goods outlets which are subject to ceiling price regulation—7-face deadlines for compliance with Office of Price Stabilization regulations by Monday, April 30.

The reminder came from C. J. Taylor, acting district price executive in the Lubbock district office, which includes Gray County. The 66-county district reaches south and west to the Rio Grande, El Paso and the New Mexico state line, north to the Oklahoma state line, and east to the eastern boundaries of Lipscomb, Hemphill, Wheeler, Collingworth, Childress, King, Garza, Borden, Howard, Glasscock, Reagan, Fecos, and Terrell counties.

Here is the way each of these types of establishments is affected: Restaurants, soda fountains and other food and drink establishments. (Continued on back page)

## April 30 thru May 5 Proclaimed By Mayor as Clean-Up Week Here

### Presbyterians To Install New Pastor May 2

Installation services for Rev. W. A. Smith, new pastor of the First Presbyterian Church of McLean, will be held Wednesday evening, May 2, beginning at 8 o'clock. The services are open to the public.

The services will be under the direction of the Presbytery of Amarillo, and Rev. Karl H. Ernst of Dumas, former pastor of the local church and moderator of the Presbytery, will preside.

The program will be as follows: Organ prelude, Mrs. Travis Stokes; invocation, Rev. Ernst; hymn, "Jesus Calls Us"; scripture lesson, Rev. James Glenn, pastor, First Presbyterian Church, Borger; hymn, "My Faith Looks Up To Thee."

Sermon, Rev. Glenn; constitutional questions, Rev. Ernst; charge to the pastor, Rev. Carter McKemy, pastor, First Presbyterian Church, Littlefield; charge to the congregation, Rev. Douglas E. Nelson, pastor, First Presbyterian Church, Pampa; prayer, Rev. Ernst; hymn, "O Jesus, I Have Promised"; benediction, Rev. Smith; postlude, Mrs. Stokes.

### I-H Dealers To Have Free Family Party

A free family party, featuring a variety show with radio and stage actors performing, will be sponsored Friday night by Andrews and Johnson Equipment company, local International-Harvester dealers.

A similar show was given last year by the dealers, and a large crowd attended. The affair will be held in the McLean High School auditorium, beginning at 8 o'clock.

This year's show, entitled "Your International Hit Parade," will include acts by the Morenos, tramp-comic artists and comedians; Ray Conlin Jr., ventriloquist and emcee; Penny Wright, billed as "a natural"; and Ed Cooney, top notch harmonist.

In addition, colored movies will be shown. The movies include educational features as well as comedy, Clyde Andrews and Truitt Johnson, owners of the firm, stated.

"The entire show is free to everyone," the local I-H dealers emphasized, "and we want you to come and bring your entire family."

BOYD MEADOR

### Lions to Boost Boyd Meador For Governor

Boyd Meador, a member of the McLean Lions Club who has a perfect attendance record for the past 21 years, will be boosted as a candidate for governor of District 27-1, Lions International, when the annual convention is held in Hereford next Sunday, Monday, and Tuesday.

A sizeable delegation from the local club will be on hand at the convention to "politic" for Meador. The district includes about 75 clubs in the area of the Panhandle and South Plains, and as yet no other candidate for the office has announced.

Nominations for the governor's position will be made in general session Monday afternoon, and balloting will be held from 8 to 10 o'clock Tuesday morning.

The governor's position, strictly an honorary job with no pay, is one which requires considerable time during the year. Should Meador be elected, it will be his duty to visit each club in the district at least once, in addition to serving as the top administrative officer for the district.

Meador, in his work in the local club, has held every office except that of secretary. He is also a past zone chairman, and two years ago was deputy district governor under C. A. Cryer of Borger, former McLean school superintendent. Meador holds the Senior Master Key, awarded to him for obtaining 25 new members to the local club.

His civic work here includes his duties with the fire department, of which he is chief. He has been a member of the fire department for the past 24 years, and chief for six years. He served as a member of the city council from 1934 to 1941, and then served as mayor for a total of seven years. He was a member of the National Guard, Texas Unit, for six and one-half years.

Meador was born in Kent County April 8, 1901, and moved to Donley County with his parents when he was seven years of age. He was reared near Clarendon, and attended the Donley County schools. In 1927, he moved to McLean, and entered the cafe business. Six years later, he became wholesale agent for a gasoline and oil company, and remained in that business until 1943. At that time, he bought an insurance agency in McLean, and is still in that business.

### Lions, Jaycees Are Sponsors Of Annual Week

Next week—April 30 through May 5—is Clean-Up, Paint-Up, Fix-Up Week in McLean.

The annual observance of the week, originated nationally by the National Clean-Up, Paint-Up, Fix-Up Bureau, is being held to encourage every citizen in the city to do all he or she can to improve and beautify their homes and businesses.

This year's observance is being sponsored jointly by the McLean Lions Club and the McLean Junior Chamber of Commerce, with the full cooperation of the City of McLean.

Mayor E. J. Lander has proclaimed the week as one to make the city more sanitary, as well as more beautiful, and is urging all residents to cooperate.

Special workers will be assigned to the city's trash truck, and those cleaning up their premises are asked to leave the trash in piles in either the alleys or at the curbs, whichever is most convenient, and the city trucks will pick the trash up.

Lions and Jaycees are working together to encourage everyone to cooperate. For, they point out, the success of the campaign will depend on each individual's contribution towards beautifying the city for the summer months.

Merchants of the city are also cooperating by publishing special advertisements in this issue of the paper to encourage cleaning, painting, and general fixing-up.

The week has been observed here each spring for several years, and has been successful each year. Last year, bad weather interfered to a certain extent, but it is believed that much good was accomplished despite the weather.

### Oil Association To Meet May 3

Date for the annual membership meeting of the Panhandle Producers and Royalty Owners Association has been set for May 3 in room 202 at the Herring Hotel, Amarillo. Time is 3 o'clock.

The agenda for the meeting is election of directors, reports of committees and such miscellaneous business as may come up for discussion.

The announcement was sent out by A. D. Weatherly, president of the association.

The annual luncheon, banquet and directors meeting will be held one week later on Thursday, May 10.

This association is composed of independent gas and oil producers and royalty owners. It has accomplished many progressive measures for the entire Panhandle oil industry.

### Resident's Uncle Dies in Amarillo

James Lafayette Dysart, pioneer cattleman and farmer of the Panhandle and an uncle of J. Lester Dysart of McLean, died at his home in Amarillo Monday morning. He was 82 years of age.

## Legion Rodeo Attracts Good Attendance

Ninety contestants, and hundreds of out-of-town visitors, crowded into McLean last week-end to participate in and witness the annual rodeo of the Floyd-Curtin-Forey Post, American Legion, and to view one of the biggest and best parades ever held in McLean.

Three rodeo performances were held, one Friday night, the second Saturday afternoon, and the third Sunday afternoon. Despite chilly weather Friday night, and slightly-below comfortable temperatures Sunday afternoon, the crowds were good at each of the performances. Saturday afternoon was a perfect day for the second performance, although the gate receipts were slightly higher Sunday than on Saturday.

The parade, held Saturday morning at 11 o'clock, attracted some of the largest crowds ever assembled in McLean. The parade, consisting of scores of horses and about 20 floats—many of them truly outstanding—was several blocks long, and required about 10 minutes to pass.

Taking first prize in the float was that of the Cooke Chevrolet company, a beautiful blue and white float mounted on a truck.

The float was so constructed that the truck had to be backed throughout the parade. Second place went to the 4-H Club, sponsored by the Liberty Home Demonstration Club. Third place honors went to the Lions Club—a float which featured "Douglas MacArthur" riding in a convertible bearing a sign, "I Have Remembered." Honorable mention was given to the Cicero Smith Lumber and company, The McLean News, and the Grade School.

Judges for the float were Mrs. J. H. Caperton, Mrs. R. C. Lewis, and Mrs. J. A. Montgomery, all of Shamrock. Cash prizes of \$15, \$10, and \$5, donated by Boyd Meador and the Southwestern Public Service company, were awarded the winners.

A separate contest was held for children who rode bicycles in the parade. A collection from various individuals was taken up, and a prize of \$3 for first, \$2 for second, and ten \$1 prizes were awarded.

Taking first was Marsha Anderson, and second, Billy Eugene Rodgers. The other ten who received awards were Della Jane Hill, Melvin Butrum, Don Cash, Eddie Christie, Cieta Sue Heasley,

Marlene Gudge, Betty Ruth Dickinson, Janice Magee, Coris Dunningan, and Douglas Crockett.

Two dances were held by the Legion, one Friday night and one Saturday night, and both were well attended. The crowd Saturday night was one of the largest ever to attend a similar affair at the hall.

The rodeo performances were held in the rodeo arena of the northwest part of town. The chutes and the painted, and lent been recently atmosphere to the an attractive addition, the Legionnaires decorated the arena with bunting and flags to give the spectators a more pleasing reception.

In charge of the rodeo was Bob Sherrod, who made most of the preparations in advance. He also served as rodeo director during the show. Stock was furnished by Tom Harlan of Kellerville, who was on hand to aid in directing the activities.

Winners in the rodeo events were as follows: Bareback bronc riding: C. M. Coffee, Miami, 1st; Rex Drake, Coffee, Miami, 1st; George Durfee, Sayre, Okla., 2nd; George Durfee, Logan, Okla., and Junior Greer, (Continued on back page)

### REVELLE

with the boys

Y 3/c Sidney Goodwin, recently of Japan and Okinawa, arrived Friday for a 6-day leave with his parents, Mr and Mrs. A. J. Goodwin.

New address of Pfc. Chalmus Moore is as follows: U. S. Armed Forces, HQTRY 78th AFAN, Ft. Hood, Texas.

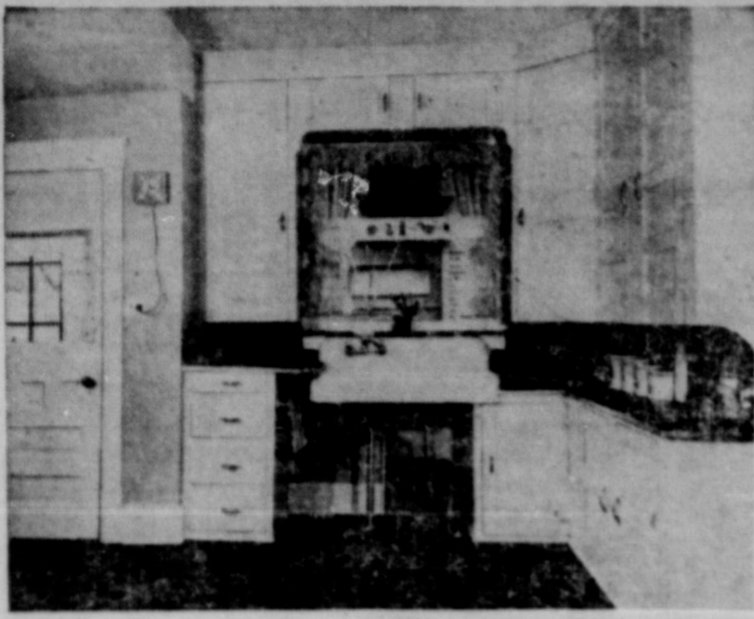

Jack Collie, who recently entered service, is with the 1st Armored Division at Ft. Hood.

Pvt. Drew Word, 24, son of Mr. and Mrs. Andrew B. Word of Alameda, is completing his AF basic airman indoctrination course at Lackland Air Force base, the "Gateway to the Air Force."

Lackland, situated near San Antonio, is the world's largest air force base, center of air force basic training, for airmen and women, indoctrination station for prior service enlistees, and home of AF's Officer Candidate School.

His basic training is preparing him for entrance into Air Force (Continued on back page)

**MUCH BEAUTY—LITTLE COST**

Many an American homemaker is still working in a kitchen like this, typical of those built into homes 15 or more years ago. Lacking in beauty and finger-tip convenience, it is ripe for modernization. The wall-hung sink while it served its limited purpose well, wasted valuable space beneath and left ugly pipes in plain view. Below is the transformation that resulted when modern steel kitchen equipment was installed.

How's this for a trim, compact kitchen? Compare its beauty with the old kitchen above. Note that there were no major structural alterations, keeping expense at a minimum. The modern cabinet sink, complete with a food waste disposer, contrasts sharply with the old sink. And there is both drawer space and roomy storage compartments throughout the kitchen to give the homemaker great convenience.

**NEWS FROM KELLERVILLE**

Mr. and Mrs. Bill Hudnall and daughter of Amarillo, and Mr. and Mrs. James McClellan and children of McLean were visitors in the Clarence Drum home Sunday.

Mr. and Mrs. A. C. Havens and Jeanie went to Lubbock over the week-end to visit their daughter and husband, Mr. and Mrs. Fred Armstrong.

Marylene Cavin visited her aunt, Mrs. Dick Oberhart, at Twitty over the week-end.

Mrs. Wayne Gaylor visited her husband at Lubbock last week-end.

The community wishes to express sympathy to Mr. and Mrs. Don Haslam and family in the loss of Mrs. Haslam's father, Grover Stark, at Pampa last week.

Joe Harris was checked out of Highland General Hospital at Pampa Tuesday, after an operation. He is recovering nicely.

Mrs. W. S. Marshall and Betty visited their daughter and sister, Mrs. Jim D. Harrison, at Bowers City Tuesday.

Mr. and Mrs. T. A. Buchanan and children, and Mrs. Ona Lea Bidwell and Ina Lea of Pampa visited in the Ray Gossett home Sunday.

Senior Play—May 15.

**"SMALL BUSINESS"**

By WILSON HARDER

Watch for smear campaign to start on Sen. Kenneth Wherry, (Neb.) others, who are opposing grandiose foreign adventure schemes.

There is great danger of communism. But Sen. Wherry, others, feel economic disaster at home more dangerous than possible armed attacks. Plain truth is American strength is being dissipated.

Bureaucrats new plan calls for end of Marshall Plan. C. W. Harder Take small comfort in that.

Plan calls for replacing Marshall Plan with Eisenhower plan. Only difference is new plan would squander even more billions.

Bureaucrats, aided and abetted by Big Monopoly, seek to screen actions with the well-merited popularity of Eisenhower name.

Fact is Marshall Plan has failed. So new program is reminiscent of various Russian "Five Year Plans."

Big Monopoly Business, which has sold the major part of the more than 12 billions of dollars of material already given away by Marshall Plan, does not want to lose profits.

Bureaucrats desperately seek to hide from public details of biggest tax raids in history of mankind.

The truth is not being told. For example, at end of 1950, when British Prime Minister Attlee was in Washington, it was announced Marshall Plan gifts to Britain would end December 31st.

But now in ECA Bulletin No. 2991 Marshall Plan announces between now and August, American taxpayers will give Britain \$5,588,000 worth of scarce copper, and \$2,500,000 worth of petroleum.

Two things are interesting. Many small American firms are desperate for copper. The oil is being shipped from Arabian fields of world's biggest petroleum monopoly.

Here's a partial answer to high coffee prices.

Marshall Plan announces gift to Greece of half million dollars worth of coffee.

Tin is being denied many American packers.

Yet Marshall Plan has just given \$1,400,000 worth of tinplate to Norway and French North Africa.

Marshall Plan has quit giving information on who sells materials being given away. ECA William McCormick, of ECA says this was done with consent of Senate Small Business Committee.

McCormick says business firms objected disclosures of private business, but no one can understand how use of taxpayer's money is private business. In addition Sen. John Sparkman's Senate Small Business Committee had nothing to do with censorship order.

Right now Sen. Sparkman's Committee is digging out startling facts on rubber situation, but will investigate McCormick alibi.

But for present, until all truth is revealed, carefully weigh all reports. Remember, Marshall Plan alone is now spending \$676,000 of tax money for press agent salaries. It is expensive to bury truth.

**Personal**

Mr. and Mrs. Don Rodgers and son of Amarillo visited Sunday with Mrs. Rodgers' sister, Mrs. H. L. Chase and family.

Mr. and Mrs. C. P. Callahan made a business trip to Pampa Tuesday.

Mrs. C. J. Cash and Mrs. Billy Cash visited Tuesday night in Dumas with Mr. and Mrs. Floyd Phillips. Mr. Phillips is a brother of Mrs. C. J. Cash.

Mrs. K. S. Rippey has returned home after a visit with her daughter, Mrs. James Kohls and family, of Madison, Wis.

Mr. and Mrs. Ed Tucker and Mr. and Mrs. Pat Davis and Irene from Borger visited Mr. and Mrs. Jess Franks on the Sitter Ranch over the week-end.

Mr. and Mrs. J. E. Thompson and daughter Frances of Quanah and Bob Thompson of Stinnett were Sunday visitors in the homes of Mrs. Willie Boyett and Mrs. J. P. Alexander.

Mr. and Mrs. W. A. Lankford and children of Tulla visited in the K. S. Rippey home last week-end.

Mr. and Mrs. Mabry McMahan of Cactus visited in the R. N. McMahan home over the week-end.

Mrs. Laura Campbell of Turkey and Mrs. M. M. Nix and daughter June Ann of Shamrock were guests of Mr. and Mrs. Lester Campbell Sunday.

Mr. and Mrs. George Humphreys and son Jack visited Friday with Mr. Humphreys' sister, Mrs. George Mason of Wheeler, who is in the hospital in Shamrock.

Mr. and Mrs. Chester Bird of Borger and Mr. and Mrs. Oscar Stidger of Amarillo were guests Sunday of Mr. and Mrs. Buster Sublett and family.

Visitors over the week-end in the home of Mr. and Mrs. Paul Kennedy were Mr. Kennedy's mother, Mrs. Daisy Kennedy, and his sister and family, Mr. and Mrs. Ed Kennedy, Duane and Geraldine, of Estelline.

It's the High School auditorium for an evening of enjoyment, May 15.

Mr. and Mrs. G. F. Baker spent from Wednesday until Saturday in Wichita Falls visiting Mr. York and Miss York, brother and sister of Mrs. Baker.

S. G. ROBINSON  
Attorney-at-Law  
Office on Second Floor  
Cousins Building

Mr. and Mrs. Lester Webb and son of Amarillo visited Mr. and Mrs. Jesse Roberts last week-end.

Neal Bowen, who has been ill for some time, is in the hospital in Groom.

Etty and Janet King of Weatherford, Okla., spent the week-end with their father, Harris King, and attended the rodeo.

J. M. Payne and Boyd Meador attended funeral services for Dr. Roy Webb of Pampa Wednesday of last week.

Terry Don Bidwell, son of Mr. and Mrs. Joe Bidwell, underwent a tonsillectomy and adenotomy at the Highland General Hospital in Pampa Thursday morning of last week.

Mr. and Mrs. Allen Wilson of Amarillo spent the week-end in McLean with Mr. Wilson's mother, Mrs. W. T. Wilson, and other relatives.

Mr. and Mrs. R. L. Bonner have returned to their home in Graham after visiting in the home of Mrs. Bonner's parents, Mr. and Mrs. C. B. Lee. Mr. Bonner had been in the Highland General

Hospital, Pampa, for surgery, and spent his convalescence time in McLean.

Bill Day was in Pampa Monday on business.

Mrs. May Ansell of Vernon has been visiting her mother, Mrs. Mattie Day.

Rev. W. A. Smith, Mrs. E. J. Windom, and Mrs. H. E. Franks attended a Presbyterial meeting in Hereford Thursday and Friday.

Mrs. Nath Franks of Sayre, Okla., was a visitor in McLean Tuesday.

Mr. and Mrs. Guy Plymouth of Pampa visited Sunday with Mr. and Mrs. Doyle Sparlin.

Mrs. Leta Heath of Denver, Colo., spent the week-end with her nephew, Horace Brooks and family.

Tom Bogard and son Jake, and Glenn Gaston from Bula visited relatives and friends here over the week-end.

Don't make any plans for the night of May 15. You must remember the senior play.

Mr. and Mrs. L. N. Pittman family of Amarillo visited uncle, Tom Smallwood and family, Sunday.

# Rogers Reports on Mac's Talk

By WALTER ROGERS  
Congressman, 18th District

**Yell. Yell. Yell!**  
General of the Army Douglas MacArthur came into Washington early this morning amid tremendous excitement. I was at the Statler Hotel just about two hours before his arrival, and a huge crowd was gathered for 12:30 a. m. You can see and the crowds gathered in the middle of the night as well as in the middle of the day. His appearance before the joint meeting of Congress was certainly a grand occasion. The chamber of the House of Representatives was lit up under the lights of the television cameras and every available space in the chamber was packed. Mrs. MacArthur entered the chamber first and was seated in the President's box, which is located to the left of the speaker. She entered amid cheering and applause and was most graceful in her acceptance thereof. Many of the top officials of the army were present and among them was the familiar face of General Jonathan M. (Skinny) Wainwright. The speaker named a committee of the House and the vice president named a committee of the Senate to escort the general into the chamber. When the door-keeper announced the approach of General MacArthur, it was so still that you could almost hear a pin drop. When the general came into view, the applause and the cheers were deafening. His military bearing was perfect as he approached the speaker's desk and was greeted by the speaker and the vice president. He was introduced by the speaker of the house and the applause was again thunderous. The effectiveness of his speech was testified to by the apt attention of all present, the rapid movements being on the part of the newspaper men, the news- and television cameramen, and the official reporters who were taking his speech in relays. His speech was outstanding as was his delivery. His pictures do not actually portray the full dignity of his bearing nor his excellent physical condition. He is truly a man among men and his appearance left no doubt in anyone's mind as to the genius of his ability.

He approached his subject in a clear voice and in concise and well worded statements. He treated his subject fully and outlined the predicate upon which he based his suggestions as to foreign policy, the foreign policy that he does suggest, and his opinions as to the results that would be forthcoming should these suggestions be adopted. He also gave substantial factual information upon which he was basing his theories and suggestions. He definitely did not have the time to go into a full explanation of these factual matters, but obviously wanted to I hope that he will go before the Congressional committees, both Senate and House, and outline in complete detail the entire far Eastern situation. The people and the Congress are entitled to know the background and all of the facts concerning the far Eastern situation, and to date we have not been given them. MacArthur is entirely too valuable a man to be shelved in this era of crisis. His complete knowledge and understanding of the Asiatic theater is of inestimable value, not only to this country, but to the world. If he is not returned to the far East, certainly he should be placed in a position of authority among the Joint Chiefs of Staff for the purpose of helping to mold our future actions in the Asiatic theater. This entire transaction, as deplorable as it has been, and as uncalculated for, has certainly done one thing. It has gotten this country nearer to a concrete foreign policy than we have been in several years. It has brought out into the open a lot of the fumbling and stumbling and is definitely going to put England on the spot for a complete showdown on what we can expect from them.

There were many highlights in General MacArthur's speech that were most impressive, but there was one statement he made which I wish he would enlarge upon because I think it is the most important matter to be considered. He stated in effect that war between this country and Red China would not mean that Russia would follow suit in Europe. These are not his exact words but convey the general idea that I got from his statement and his voice inflections. He said that Russia was not depending upon what Red China did, but would take her own steps toward war when she considered it most expedient from her own standpoint. If there is factual information concerning this statement, whether it be from in-

## A Neighborly Gesture For Spring

SUNSHINE streaming through your window, a bowlful of yellow-hearted daisies—that's pure magic any spring afternoon! Everybody knows that magic is much more fun if it's shared, so why not invite your favorite neighbors in for an afternoon chat? Make up a plate of cookies, get out your prettiest coffee cups and you're all set to really enjoy an hour or two of springtime leisure.

Of course, you'll need a recipe for magic cookies to match the season and our Magic Chocolate Circles are somehow just right. Moreover, they are a perfect accompaniment for the fragrant, steaming coffee that is such a natural part of any afternoon get-together. The cookies are really two cookies, baked together, with a chocolate rum wafer between. They're so downright delicious that you'll be wise to double the recipe if you want them to last through the day.

Speaking of coffee, there's just nothing like it along about mid-afternoon. As a reviver of the

spirit, it has no equal. Just be sure that you make it fresh and strong, serve it piping hot.

**Magic Chocolate Circles**

1/2 cup butter or margarine	1 teaspoon baking powder
1 cup sugar	1/2 teaspoon baking soda
1 egg	1/2 cup cold coffee
2 cups sifted enriched flour	1/2 cup cocoa
1/2 teaspoon salt	1/2 cup rum wafer

Cream butter or margarine; add sugar. Cream until light and fluffy. Add unbeaten egg and beat thoroughly. Mix and sift flour, cocoa, salt, baking powder and baking soda. Add dry ingredients alternately with coffee to creamed mixture. Wrap dough in waxed paper; chill several hours. Roll out on floured board at least 1/4 inch thick. Cut in small circles with cookie cutter. Put one chocolate rum wafer between 2 cookies. Bake in moderate oven, 350° F., 5 minutes. Cool; frost, if desired, with pink-tinted confectioners' sugar frosting. Yield: about 2 dozen.

## SUN FUN!

Dressed for fun in the sun, this pretty vacationer chooses a fetching cotton shorts ensemble that allows her to absorb a maximum of the sun's tanning rays. Here, she has added a neat little jacket as a cover up for a few minutes' recess. This is designed by Koret of California.

also in to see us. Other recent visitors were Lt. and Mrs. Dan Ehrhardt of Friona, Jim E. Anthony of Amarillo, who is attending Yale University, and Lt. Louis C. Bradford of Amarillo, who is presently stationed in the Washington area.

House-guests in the home of Mr. and Mrs. E. J. Windom over the week-end included Babe Meadows, C. H. Keeton, Bob Kelley, Jim Bob Harris, Beverly Caldwell, Jim Weatherby, Doris Roberts, May Carver, Wire Wright, Nancy Nichols, Jimmie Draper, Darold Roberson, Suzanne Owens, Betty McEland, and their daughter Marjorie, of Canyon. The boys rode in the rodeo.

Mr. and Mrs. Jack Vincent and family from Odessa visited the Rev. W. A. Smith and E. J. Windom families Sunday.

Intelligence reports or otherwise, I think that the Congress is entitled to know the facts about it, because it is the one thing that could be the answer to many problems facing this country today. I have the utmost respect and confidence in General MacArthur's ability and his integrity, and I do hope that there can be a complete understanding on this question: "If all-out war should break out between Red China and the UN, would Russia strike immediately in Europe, Turkey, Iran, and Iraq?"

Visitors: We had a number of visitors this week, among them being Mr. and Mrs. Ott Shrewmaker and their four fine children of Pampa, accompanied by Mrs. Henry Phipps, also of Pampa. Mrs. Isard got in from Amarillo just in time to get caught in the MacArthur crowd. He is attending a convention of the American Society of Newspaper Editors. Edward M. ## UNCOVER THE RAKE

YESSIREE, next week is the week. Mayor Ed Lander has declared and proclaimed the week of April 30-May 5 as Clean-Up, Paint-Up, Fix-Up Week in McLean, and is urging all citizens to cooperate fully in making this community a more sanitary and more beautiful community.

The proclamation is the first of the new mayor, and we hope that everyone will be cognizant of that proclamation and cooperate in every way to clean-up and generally improve our little city.

The week is being sponsored by the McLean Jaycees and the McLean Lions Club, with the full cooperation of the City of McLean. The city will put extra men on the trash trucks, and that "stuff" you gather together and pile up in your alleys will be carted away.

But it's up to you and you and you to do your own work. Don't expect your neighbor to come over and help you out, for he's supposed to be cleaning up and painting up and fixing up his own place. You will just have to do your own work.

Alleys, of course, will come in for the biggest share of the cleaning. Many of the alleys of McLean have already been fairly well cleaned up, but many haven't. Many yards have already received some cleaning treatment, but many haven't.

Now we aren't trying to sell paint in our editorial columns, but we do urge you to buy that small amount of paint you have been intending to buy and make your homes more enjoyable. A little paint can cover a lot of ugliness, and there are many ugly spots on homes in McLean which need to be covered, too.

We aren't trying to sell other similar merchandise, but we do hope that you can see your way clear to generally fix-up about the house. You can make many improvements without much cost—if you just get at it.

So let's clean-up, paint-up, and fix-up. Next week is the designated time to start. When you finish will depend, naturally, on how much you plan to do.

## LES

## TALK

By LESTER

You, no doubt, agree with me that the annual American Legion rodeo was a success, and the Legion members are to be congratulated on their fine work. And it was work for a number of them, although, like anything else, not all the members worked. Bob Sherrod worked the hardest of all, and he really worked hard. Of course, he likes rodeos, and likes to participate in them. But he is primarily responsible for the success of this year's rodeo, so give him a pat on the back next time you see him and tell him you are glad the rodeo was held.

Rodeos help a town, bring new people in, cause new friendships and acquaintances to be made, regardless of whether you like to watch a rodeo or not, you should be happy that the affair was held and was such a success.

The garage, I am told by those who have been here for a long time, was the best ever held here. I know it was the best since I have been here.

I certainly agree with the judges on their first-place decision, too, in that they picked the Cooke Chevrolet entry as tops. I do not mean any reflection on any of the other floats, either, for they were all good—and so many original ones, too. But Cooke's entry was simply beautiful. I'll bet Jasper Graham really got tired of driving a truck in reverse before the parade ended.

I also liked that float of the La-ns Club. Simple, yes, but it was certainly timely, it was the one bearing the sign, "I Have Returned." Won third place, also, with its uniqueness and timeliness. The idea was that of Howard Horne. I suppose it was original with him, for Douglas MacArthur hasn't been back long enough for any other place to have a similar float.

Unfortunately, I did not get to see the second place float, that of the 4-H Club, but I am told it was certainly deserving. I am particularly glad it took a prize, since it was worked up by the younger boys and girls.

The parade was a success. It was a beauty, and it was entertaining. Now next year, let's really get the floats entered. We have found out that it can be done in McLean, the same as anywhere else. So let's do it up really big next year.

Was talking with Hickman Brown, president of the new Junior Chamber of Commerce, the other day, and he was a little discouraged about the organization's future. Said it seemed that interest was lagging.

I don't think so, and I told him that. McLean is a small town. For the past few weeks, most of those people who are

## COTTON QUIZ

WHICH IS MORE SANITARY—A CONTINUOUS CLOTH TOWEL OR PAPER TOWELS?

ANS—TESTS HAVE SHOWN THAT COTTON CLOTH TOWELS REMOVE A GREATER NUMBER OF BACTERIA FROM THE HANDS THAN PAPER!

willing to do any civic work have been busy engaged in aiding in some way with the rodeo. The town is so small that actually one big event is all we can handle at one time.

So I'm not worried about the future of the Jaycees. At least not yet. Soon the Jaycees can get going on other projects. But there just wasn't much which could be done while the rodeo preparations were on the way.

One project we can undertake right away is to erect roadside signs which I mentioned not long ago.

I asked for suggestions for wording on the signs, incidentally, and not one person came forth with any. Perhaps they didn't read the article, but anyway there were no suggestions.

As a matter of fact, I didn't even get a suggestion from Walter Kelly, the town's biggest griper. Walter has been advocating and belly-aching for roadside signs every since I have been in McLean, and now when we go to mentioning putting up some, I haven't even heard from him.

Wake up, Walter. As I said in last week's column, I am now out as secretary of the Panhandle Press Association. And what a relief it is. I'll think several times before I take on a job like that again. But I learned a lot.

Incidentally, the directors of the association decided to pay the new secretary a small salary each

## NEWS FROM KELLERVILLE

Received Too Late for Last Week

Guests in the home of Mr. and Mrs. C. M. Medley last week were Mrs. Medley's parents, Mr. and Mrs. J. M. Jones of Kellyville, Okla., and their daughter, Mrs. A. F. Corbenson and family of Pampa.

Miss Margie West, who is attending nurses' training school at Anthony's Hospital, Oklahoma City, visited her parents, Mr. and Mrs. E. C. West, two days last week. Ernest West of Sundown also visited his parents over the week-end.

Lewis McDonald went to Lubbock last week for a physical check-up. Mrs. McDonald and children accompanied him as far as Plainview, where they visited relatives. On the way home Sunday, they visited friends in Amarillo, and Mr. McDonald's brother and his wife at Panhandle.

Mr. and Mrs. Edwin Owen went to Crossroads, N. M., last week-end to visit Mr. Owen's parents, Mr. and Mrs. Orlo Owen, and to bring their daughter Gail home.

Mr. and Mrs. Olan Click moved to our community to McLean. Mr. Click is employed by the Barbara Oil company. Bobby Boyd is home again after an appendectomy at Wheeler hospital. He is back school this week.

Pfc. Charles H. Boyd is now stationed at Carswell Air Base, Fort Worth after receiving his training at Chanute Field, Ill.

Sgt. Earl C. Boyd is stationed at Carswell Air Base, and has finished his schooling in electricity at BSC's.

Mr. and Mrs. Joe Harris visitors over the week-end to the home of their son, Joe Harris and family, who have moved into their new home at Amarillo.

An African republic, Liberia owes its founding to the efforts of Americans.

## "IT'S DODGE FOR DEPENDABILITY"

### MORE MILEAGE LONGER CAR LIFE

DODGE OWNERS TESTIFY  
"NOW DRIVING MY FIFTH DODGE!"  
"My big 1951 Dodge is more than living up to the Dodge reputation for dependability, ruggedness and low cost maintenance. It's the fifth dependable Dodge I've owned!"  
—says Geo. A. Hughes, Grasse Pointe Farms, Michigan  
"I'VE PUT THE EQUIV. ALENT OF FOUR YEARS' DRIVING ON MY '50 DODGE!"  
"As a salesman, my 1950 Dodge is always on the go. I figure that I have already put the equivalent of four years of average driving on it—without spending any appreciable amount of money for repairs."  
—says Harry M. Hurst, Houston, Texas

You could pay up to \$1,000 more and still not get all the extra room, riding comfort and rugged dependability of Dodge

TAKE THE WORD OF OWNERS who know Dodge value and dependability from actual experience. "No major repairs in four years' driving" . . . "After driving another make less than a year, I'm back with Dodge again" . . . "Driven my Dodge 150,000 miles and it's still going strong." These are not unusual comments in letters we receive from Dodge owners coast-to-coast. Dodge dependability starts with a heavy, rugged frame, a "Get-Away" engine "speed-proofed" to resist wear, designed to be a miser on gas.

There's a safe, rigid, all-steel body, rubber-mounted to eliminate rattle and squeak.

New Safer, Smoother Ride Dodge Oriflow Shock Absorbers "float" you over roads that stop other cars, cushion vital chassis parts against road shocks . . . make them last years longer. Take 5 minutes to check Dodge dependability in long life, extra comfort and safety, low-cost maintenance and gas economy. Come in today for the complete Dodge story.

made to select shrubs which meet the above requirements, and which will also produce many flowers and berries for use in the hospital rooms, offices and cafeteria every month during the year.

Every effort has been made to keep the landscape plan simple as there's beauty in simplicity. The lawn is to be free of shrubs and a little later bluegrass will cover the lawn to give beauty the year around.

The foundation planting will not be so crowded that the base of the building cannot be seen in places even five years or more from now. Shrubs are being placed far enough from the building for many years without pruning. Some evergreens and some shrubs which lose their leaves have been used together. It would look unnatural to see all green shrubs here during the winter months.

Back to the landscape plan. Every shrub to be planted is then shown on the graph. An irregular circle is shown indicating the amount of space the shrub will eventually require. A key number is given each shrub and the key to the pattern is listed on one side of the graph.

Shrubs Used The tall evergreens used at the corners and other architectural points include canari red cedar, Chinese juniper, and excelsa arbor vitae. The lower growing evergreen is Pfitzer's juniper. The flowering shrubs used with the evergreens in the front foundation planting include eleagnus, coto-naster, pyracantha lalandi, for-sythia (golden bell) winter flowering jasmine, and Florida jasmine. Pfitzer's juniper and winter flow-ering jasmine have been used as a low screen for the concrete wall and fence in connection with the ambulance driveway.

Many flowering shrubs have been used on the sides and back wing of the hospital. These include althea, pirea Van Houttei, for-sythia, and flowering quince. Russian olive has been used as a screen planting across the back of the lot.

A rose garden has been planted at the side back of the hospital to help provide additional blossoms to take inside.

A few redwoods have been used for color accent and interest.

Border plantings will consist of santolina and scarlet verbena. This is not to say that the shrubs used in this plan are the only hardy shrubs for this section. There are many other such shrubs, among them the photinia serrulata and mahonia. These two shrubs had been sold out by the nursery in Gray County from which all other shrubs were purchased. Because of the late planting, only very small shrubs were available in some of the flowering varieties. However, in a few years these shrubs will attain maximum growth. In fact, it will take four or five years for the planting to attain its maximum beauty.

WHAT'S COOKIN'

In Gray County H. D. Work

By Mary Anne Duke

Landscaping Highland General Hospital

This article is being written about the Highland General Hospital project for four reasons: first, in order that the public in general may understand a little more than just seeing the finished planting; second, that the many families in Pangas and over the county who would like to improve their own landscape may clip this and use it as a guide for doing their own work; third, to stimulate greater interest in the beauty resulting from well landscaped business and civic buildings as well as home landscapes; fourth, to say the finished landscape plan for Highland General Hospital will be left at the hospital for future reference.

The Plan Is The Thing The first step in landscaping is making a plan. The entire site to be landscaped is drawn to scale on a large sheet of graph paper. Yes, the doors and windows are shown on the house plan, also the drives, garage, barns, etc.—everything is shown on the graph.

The next thing is to make a list of shrubs and plants which do well in this section and will hold up over a period of years under severe weather conditions.

In the case of Highland General Hospital, shrubs have been chosen which will take the cold weather, the wind, the sand, and which do not require too much water. A special effort has been

So be patient and enjoy watching the beauty develop!

At the battle of Waterloo, the forces of Great Britain were under the Duke of Wellington.

My beloved brethren, be ye steadfast, unmovable, always abounding in the work of the Lord, forasmuch as ye know that your labor is not in vain in the Lord.—I Corinthians.

**GOOD HEALTH**

**Answer to Question No. 1:**  
 1. Neglect is the greatest enemy of health in old age. People usually fail to go to a doctor until an emergency arises. In old age that is often too late. Studies of the average diets of elderly people show that in general the group is badly nourished. Lack of teeth, and real or imagined digestive disturbances, cause many elderly men and women to resort to diets high in sugar, starch and fats. They should eat foods rich in proteins and vitamins.

**Answer to Question No. 2:**  
 2. If the temperature is above freezing and the wind is not too cold, a baby should be outdoors two or three hours a day. The middle of the day is the best time in colder weather. Your doctor will advise what is best for your baby.

**Answer to Question No. 3:**  
 3. He does it to listen for "the muffled sound of a drum covered with a thick woolen cloth," which indicates a healthy chest. This discovery was made by Dr. Leopold Auenbrugger of Vienna in the middle of the 18th century. It was the beginning of scientific diagnosis of diseases of the chest. Today, aided by X-ray and other modern techniques, diagnosis can be confirmed and many more cures effected. But the thumping method is still useful in looking for trouble.

Mr. Salmon, a motion was put and carried authorizing the city council to confer with the railroad officials and ascertain, as near as possible, what could be done and what the cost would be.

Touching upon the matter of paying for the water system, there were several good talks, among them D. N. Massay, who suggested that as the water service was of vital importance and would be a saving and protection to the property owners and business men of Main Street, he believed that each one would be willing to defray the expense incident to laying the mains, etc., in front of his lot or lots.

One thing is certain, the men of the city are ready and anxious to secure this improvement and if it can be accomplished at a reasonable expense and an equitable arrangement can be made with the railroad people the business section will have adequate fire protection within a short time.

Having disposed of the water and light proposition for the time being, Mr. Rice was again called upon and stated to the meeting that there was a lurking suspicion in the minds of many that a new railroad could be secured should the people feel inclined to make an effort to that end. This proposition was also outlined in the News last week. Mr. Salmon said that McLean was the most logical point for the new road to touch in case it should build to the Rock Island and secure trackage rights over that road, because of the fact that the best and most adequate water supply between Amarillo and El Reno is to be had here.

The body seeming to be unanimously in favor of "doing something," it was voted that the chair appoint a committee of two to confer with the promoters of the Wichita Falls & Northwestern relative to their intentions, and also to find out, if possible, whether they would entertain a proposition from McLean. C. S. Rice and A. G. Richardson were appointed on this committee. By a unanimous vote it was decided to amend the first motion so as to include A. B. Gardenhire on the committee, as that gentleman is not only personally acquainted with the promoters of the road but has studied the probable routing from Wellington here and

little city.  
 We can make it go if we will -- and we will.

On Friday afternoon of last week Berry Pursley shipped out a thousand head of steers to his Kansas pasture, where he will graze them during the summer. Sunday he received something over two thousand head which he has shipped from his Kent County ranch to be pastured here.

**Another Railroad Discussed**  
 If the hearty support of the citizens of McLean was all that is needed to perfect the plans looking to the securing of a water system and another railroad, there would be little doubt of its accomplishment. This reasoning was made manifest by the attendance and prevailing enthusiasm at the mass meeting at the Christian-Cousins hall Monday evening.

The early part of the evening it looked as though there would not be a sufficient number present to make the meeting worth while, but by 8:30 they were coming in droves and one of the largest crowds ever gathered together for a like purpose in this city was the result, and from the number who volunteered to address the meeting and the encouraging talks they made, it is certain they came "loaded."

Mayor C. S. Rice called the meeting to order and put R. H. Collier in nomination for chairman. Mr. Collier was elected and in turn called upon Mr. Rice to state the object of the meeting, which, as he told the crowd, was for the purpose of taking up the matter of putting in a system of water works and electric lights for the business section as outlined in the News last week. Being asked as to the likelihood of the city defraying the expense of this undertaking, Mr. Rice said that it was not possible at this time for them to do so on account of the fact that there was only enough revenue available to the city treasury to maintain the government. He also stated that the system as planned at the present would only affect a restricted section and that those benefited thereby would be expected to stand the burden of expense. At some time in the future the system might be extended to take in the residence portion of the city, and in that event it would be just and right for the corporation to take steps to take over the established mains and operate them as a municipal undertaking.

Mr. Salmon, local agent for the Rock Island, with whom it is proposed to cooperate in securing the water and light service, was called upon and gave it as his opinion that the best method to pursue at this time was to appoint a committee to confer with the railroad officials and find out definitely what arrangements could be made and the probable cost of completing them. He stated that he believed the road would make any concessions possible for the advancement of the town as it has been their policy to interest themselves in the growth of all the stations served by them, realizing that what would benefit the town would eventually benefit the railroad.

PHILHARMONIC MIXED QUARTET

## Final Concert Group Program To Be in Shamrock April 30

Another delightful musical season comes to a close April 30 when the Philharmonic mixed quartet will be presented in Shamrock by the Wheeler County Municipal Concert Association. This concert, for members only, will begin promptly at 8:15 at City Auditorium.

The Philharmonic mixed quartet will be making its first appearance in Shamrock and has been eagerly anticipated. Ruth Wiltner, Gertrude Anderson, Robert Fischer, and Russell Hedger are the vocal artists and Paul Ramsauer is their brilliant young pianist. Their arranger is Moritz Bomhard, who has been making an international reputation for himself and his volatile New Lyric Stages.

The quartet's extraordinary versatility and range have given them a great boost up the musical ladder. And the fact that they are an agreeably handsome lot to look on has not held them back on their climb to fame either. Their interests are as varied as their repertoire—ranging from music and all the allied arts through the entire sports world even to the raising of championship boxer dogs.

Their program has been titled "A Musical Tour Through New York" and will give the audience glimpses of the various types of musical entertainment to be found in such shrines as Carnegie Hall, the Metropolitan Opera House, Town Hall, and even a Broadway musical comedy theater. Mr. Ramsauer will not only accompany the quartet through their

"tour," but will perform as soloist during the intervals. He is an accomplished arranger and will offer some of his own brilliant translations of piano literature.

This unique entertainment is offered only to members of the Wheeler County Municipal Concert Association. Renewals for the old membership will be available at the concert and a drive for new members will commence on June 25.

## Re-Upholstering Studied at Meeting Of Local H. D. Club

The McLean Home Demonstration Club met Wednesday, April 18, in the American Legion Hall for a re-upholstering school. Roll call was answered with each member's experience in re-finishing floors.

Margaret Grogan gave a very interesting demonstration on the needles, tacks, springs, etc. used in upholstering work. A white elephant exchange was held for recreation. Mary Anne Duke showed slides on different shapes and types of furniture and how it should be re-upholstered. The slides also gave tips on what to look for when buying new furniture. Eleanor Kritzler served soft drinks and coffee at noon along with their sack lunches.

After lunch, the members started helping Odie Claborn and Margaret Grogan tear down the occasional chair and platform rocker to be used as models. They were re-upholstered much better than when originally purchased.

The following new members were welcomed: Mary Eustace, Winifred Rice, Johnnie Rodgers, and Alice Stubbs. Members present were Odie Claborn, Loyce Sherrod, Lois Page, Maybelle Brown, Dorris Windom, Maybelle Nash, Ruth Kemp, Kathleen Dyart, Margaret Grogan, Martha Campbell, Georgia Beasley, Lois Jones, Eleanor Kritzler, Maggie Johnston, and Lurah Rhoads.

The next meeting will be May 16 in the home of Kathleen Dyart when the club will meet for re-finishing school. Each member is asked to wear work clothes and bring a sack lunch.

A tea will be held May 3, and the book, "Edge of Time," by Louisa Grace Erdman, is to be reviewed in Pampa. All Home Demonstration Club members are welcome.

Mrs. Olen Davis, Mrs. D. M. Davis, and Mrs. J. W. Kibler were in Pampa Tuesday.

THIS PICTURE OF Sharon Ann Worstall, three-year-old daughter of Mr. and Mrs. Roy B. Worstall of Zanesville, Ohio, recently appeared in the Zanesville paper. Her grandparents are Mr. and Mrs. Jesse Roberts of McLean, and Mr. and Mrs. Stewart B. Worstall of Zanesville. Great-grandparents are Mr. and Mrs. W. H. Roberts of Mobeetie, Mr. and Mrs. W. J. Heagen of Zanesville, and Mr. and Mrs. W. B. Worstall of Brooksville, Fla.

## Junior Music Club Meeting Is Held In Boyett Studio

Lovely spring flowers decorated the Boyett studio for the regular meeting of the Junior Music Club Friday afternoon, April 20. Mesdames M. G. Mullanax, Vernon King, Bill Stubbs, and Charles Weaver were hostesses for the occasion and served refreshments to 22 visitors and 22 members.

Ebby Weaver, Kay Stubbs, Darla Jane Hill, and Gayle Mullanax were presented in repertoire playing. Bobby played "Foxglove," "Bears in the Woods," "Soldiers Joy," "Long Long Ago," "The Big Bass Singer," and "Showmaker's Song." Kay's selections were "The Peppercorn Song," "Springtime," "Catch Me," "The Tiresome Woodpecker," "Tick Tock," and "Soldiers at Play." Darla Jane played "A Little Waltz," "Evening Bells," "The Popcorn Man," and "Sing, Robin, Sing." Gayle played the following: "Follow the Band," "Romance in G Major," "Cadet Capers," "March of the Boy Scouts," "Jocularity," and "Country Gardens."

Others appearing on the program were James Carter, Othelia Eustace, Laura Mae Switzer, Patricia Shaddid, Dorothy Pagan, Janice Magee, Deanne Clayton, Jackie Bailey, Billy Rodgers, Pauline Erwin, Betty Ruth Dickinson, Monta Jean Kennedy, Max Billingslea, Maurice Miller, Donna Ruth Magee, Glenda Switzer, Mollie Erwin, and Barbara Ruth Carter.

The following made the honor roll: Students of Dicky Sliagar: Dorothy Pagan, Janice Magee, Jackie Bailey, Maurice Miller, and Sherry Jean Hefner.

Students of Barbara Neil Williams: Bobby Orrick and Ernestine Fuqua.

## Liberty H. D. Club Meeting Is Held In McCracken Home

The Liberty Home Demonstration Club met recently with Mrs. Roy McCracken as hostess.

Mrs. Emma Hastings's program was "Selection of Bedroom Furnishings in Relation to Use and Care." The members decided to help with the 4-H Club float. The next meeting will be for a covered dish luncheon in the home of Mrs. Olen Davis May 1.

Refreshments were served to Mesdames Gordon Billingslea, W. R. Stokes, Henry Roth, E. G. Cantrell, Olen Davis, B. L. Stokes, Grace Hanner, Earl Carpenter,

Students of Mrs. Boyett: James Carter, Othelia Eustace, Patricia Shaddid, Bobby Weaver, Lester Sitter, Kay Stubbs, Deanne Clayton, Billy Rodgers, Darla Jane Hill, Pauline Erwin, Monta Jean Kennedy, Betty Ruth Dickinson, Gayle Mullanax, Max Billingslea, Donna Ruth Magee, Glenda Switzer, Mollie Erwin, and Barbara Ruth Carter.

D. L. Miller, Linnie Reneau, Orphus Tate, McCracken, and Emma Hastings agent. One new member, Mrs. W. A. Lankford, was welcomed.

Mrs. J. R. Smith, who has been visiting in the home of her parents, Mr. and Mrs. R. T. Dickinson, left Friday to join her husband, Pfc. Smith, who is stationed at Camp Gordon in Augusta, Ga.

Guests over the week-end in the home of Mrs. J. W. Kibler were her son and wife, Mr. and Mrs. J. B. Kibler, and their daughter and husband, Mr. and Mrs. James Douglas, of Oklahoma City; and her daughter and husband, Mr. and Mrs. Will Harlan, and their granddaughter Beverly of Skellytown.

Mrs. Loula Ladd, Mrs. O. O. Tate, and Mrs. Nida Rippey Green attended a vacation Bible workers school at Wheeler Wednesday of last week.

Mr. and Mrs. Olive Dunn of Elk City, Okla., were guests of Mr. and Mrs. C. R. Guyton Sunday.

## NEWS FROM ALANREED

**Senior Personality**

Ella Mae Castleberry was born June 4, 1934, at Alanreed. She has blue eyes, red hair, is 5 feet and 5 1/2 inches tall, and weighs 127 pounds. Ella Mae's favorite movies are the ones that star the Bowery Boys. The food she likes best is pecan pie. The town she likes best is Alanreed. Ella Mae's nickname is "El." The biggest thrill in her life was when she was voted best all-around girl. Ella Mae likes boys tall, dark, and handsome. She plans to assist Patay when she becomes secretary of state. Ella Mae is vice president of the senior class.

Mrs. W. E. Henley and son "Button" of Rowell, N. M., were here for the rodeo last week-end and visited with relatives.

See the bashful seniors present "The Bashful Bachelor"—May 15.

Fabulous Car to Aid Cancer Fight

Buick's fabulous "Old Vienna" sedan, upholstered in needle point and equipped with gold-plated interior fittings, will go to some lucky person for \$1. Buick has donated the Roadmaster Riviera Sedan, along with \$1,000 toward taxes, to the Damon Runyon Memorial Fund. It will be awarded to the person submitting \$1 and the best safety slogan of 10 words or less. The exquisite beauty of the car is illustrated in this photo showing the needle-point panels designed and executed by Mme. Ida Jolles, one of the world's foremost creators of needle point.

Orangegg A Day Helps Keep Doctor Away

An Orangegg is such a nutritious idea that it's a good suggestion for any member of the family, any hour of the day, containing as it does eight ounces of Florida orange juice, full of Vitamin C and low in calories, and one egg, an excellent source of protein food values, and economical now. Beat one egg well; add eight ounces of chilled orange juice (use the juicy fresh Florida oranges, now coming into markets, or frozen or canned orange juice) and beat well again. It's an ingenious way to insure getting an egg a day, and with eggs plentiful, it's an inexpensive meal-in-a-glass.

MACARONI AND CHEESE

Give the family a special treat by serving supper on the porch during warm spring days. Supper will be a treat for the budget, too, when it features the perennial favorite, Macaroni and Cheese. A casserole of hearty durum macaroni blended with a creamy cheese sauce spiced with mustard, is always a popular and quick-to-fix main dish. When served on the porch with fresh air a-plenty it tastes extra good and it's full of good health, too. The protein of the durum macaroni combined with that of the cheese adds up to an ample supply of that body building nutrient. Top the dish with a garnish of crisp circles of bright green pepper, and you capture a touch of spring with the casserole. The ease with which this Macaroni and Cheese can be made is a time saver for spring house-cleaning or gardeners. First, cook the macaroni. While it is cooking make a medium white sauce. Flavor the sauce with mustard and add cheese. Fold the macaroni into the sauce and pour into a greased casserole. A topping of buttered bread crumbs may be liberally sprinkled on the casserole before baking. Add another bit of spring to your menu by serving a tossed green salad with the family's

favorite dressing and a large bowl of French-fried onion rings. A basket of enriched buttery French bread completes the main part of the meal. Good dessert choice is a fresh rhubarb pie. As a change from the more usual service, serve the dinner buffet style. **MACARONI AND CHEESE** 6 ounces of elbow or long macaroni 3 tablespoons butter or margarine 3 tablespoons enriched flour 1 teaspoon salt Dash pepper 1 tablespoon dry mustard 1 1/2 cups milk 2 cups cubed American Cheese (1/2 pound) 1 cup buttered bread crumbs Cook macaroni in boiling salted water until tender (about 12 minutes). Drain and rinse. While macaroni is cooking, melt butter or margarine in 1 1/2 quart saucepan. Add flour, salt, pepper and dry mustard, stirring constantly. Gradually add milk, stirring until thickened. Remove from heat. Add cheese and stir until melted. Fold in macaroni. Pour into greased 1 1/2-quart casserole. Sprinkle with bread crumbs. Bake in moderate oven (350°F.) 30 minutes. Garnish with pepper rings and serve hot. **Makes 4 servings.**

Your Home

There's been so much talk, so many newspaper articles, lately about tularemia— which we often call "rabbit fever"—that I asked our family doctor to give me some information. Because we're all trying to protect our families from these dreaded diseases, I thought you'd be interested in what he told me.

Tularemia is an infectious disease which is transmitted to man through the bite of a fly and other insects. It may also be contracted by dressing the carcass of a rabbit or squirrel—or by eating meat of infected animals before it has been properly treated and cooked. The symptoms are similar to those of undulant fever or the plague, consisting of prolonged fever, and often swelling and suppuration of the lymph nodes near the site of the infection. If a human does get tularemia, he's apt to be mighty sick—but today, antibiotic drugs have taken away much of the fear of this disease. Up until 1946 the rule was "31 days of fever, 31 days in bed and a total duration of disability for about 3.5 months." But, with the discovery that streptomycin helped to cure the disease, this was cut down. In 1949, doctors began using the wonderful aureomycin from the Lederle Laboratories, and this was discovered really effective as a cure. It's being used today to cure patients in a few days. We are certainly fortunate to have such an effective antibiotic drug available... for it takes away most of the worry regarding such dangerous diseases as tularemia—and gives us the confidence that we can protect our families and keep them safe and well!

Grocers under CFR 15 and 16—must have their ceiling prices in effect by April 30. Also, by April 30, they must notify OFS what category, based on 1950 gross sales volume, they are in: independent store with less than \$75,000, independent with \$75,000 to less than \$275,000, or a retail store, independent or otherwise, with \$275,000 or more. Sellers of CFR 7 items—must file pricing charts by April 30. Many merchants not originally affected by regulation 7 are now affected. About 15 new items were placed under the regulation two to three weeks ago. Sellers of the new items must be in compliance by April 30, along with those originally affected. Items under regulation 7 now include musical instruments, radio and television sets, phonographs and records, housewares, garden tools, light hardware, some paper products, silverware, chinaware, glassware, jewelry, watches, clocks and other items. Wearing apparel, floor coverings, furniture, specialty shop items and certain other merchandise have been under the order since it was first issued. Merchants should send their price lists to the District Office of Price Stabilization, Broadway Building, 1202 Texas Avenue, Lubbock. Businessmen needing additional information regarding their compliance should direct their inquiries to the district price executive in Lubbock. \* \* \* **Reveille—** (Continued from page 1) technical training and for assignment in specialized work. The course includes a scientific evaluation of his aptitude and inclination for following a particular vocation and career. \* \* \* Mrs. Gordon Billingslea and son Ben were in Shamrock Saturday.
