McLean, Gray County, Texas, Thursday, May 31, 1951.

No. 22.

Airport Issue Downed 3 to 1 Over County

Gray County's taxpaying voters said "No" in a definite manner to the proposed issuance of \$238,500 in bonds for the improvement of two airports in the county when the proposition was brought to a vote last Saturday. The vote was 1,329 against the issue, 452 for.

The issue was defeated by a majority of about three to one, and failed to carry in any box in the county.

In McLean, Precinct No. 5 found the vote very close, with 22 favoring the bonds and 31 opposing them. In the other McLean box, Precinct No. 17, the vote was 20 for and 54 against. Alapreed went strong against the bonds, piling up 44 against the issue and one for.

The voting in each precinct was as follows:

1. Lefors, for 0, against 53.
2. Baker school, for 21, against 129.
3. Grandview school, for 1, against 41.
4. Alapreed, for 1, against 44.
5. City Hall, McLean, for 31, against 32.
6. Laketon, for 9, against 19.
7. Farrington school, for 2, against 16.
8. Hopkins school, for 1, against 17.
9. Woodrow Wilson school, for 82, against 197.
10. Courthouse, for 180, against 287.
11. Kingsmill, for 1, against 11.
12. Old Fellows Hall, for 13, against 136.
13. Phillips camp, for 1, against 1.
14. Horace Mann school, for 38, against 155.
15. Carpenters' Hall, for 14, against 55.
16. Tom Rose Ford, for 44, against 83.
17. McLean, Dysart Motor, for 20, against 54.
18. Webb school—unreported.

Swimming Pool Open for Business; Lessons Offered

The McLean swimming pool, located in the northeast part of town, opened for business Monday, Mrs. E. J. Windom, operator of the pool, has announced.

Swimming lessons will be given this summer, beginning June 15. Instructor for the lessons, who will also serve as pool life guard, is Marsalee Windom.

Classes will be held each Tuesday and Friday, it was explained, with instruction being given to both beginners and swimmers.

Softball Play Gets Underway In City League

The summer softball league, sponsored by the McLean Lions Club, got off to a good start Monday night when a large crowd gathered at the softball field and enjoyed the two opening games.

In between games, Mayor E. J. Lander and J. Lester Dysart, president of the Lions Club, welcomed the spectators as well as the players, and commented on the success the league has had in the past. A home freezer was given away at this time also, the award going to James A. Berry of Pampa.

The opening game was between the Methodists and a greatly-rejuvenated Warren Oil Corporation team. The Methodists fell behind early in the game, but came back to lead 10-6 at the end of six innings. In the final frame, the Warren team staged a rally, but managed to get within only one score of a tie, the game ending 10-9 with the Methodists the winner.

The second game saw the Cooke Chevrolet team taking an easy victory over the Eltre-Ford team by a score of 24-3.

Tuesday night found the Holyway team taking a 10-3 victory from the Methodists. In an exhibition game, a Lefors team thrashed the Warren Petroleum group 22-4.

Games during the next week are as follows: Thursday night, May 31: Post Office vs. E-F. Monday night: Warren Oil vs. Warren Petroleum. Tuesday night: Holyway vs. E-F. Methodist vs. Warren Petr.

On Friday night, June 1, a game has been matched between the Lefors team and the Warren Oil team. Another matched game may also be played. An admission charge of 25 cents for adults, and 10 cents for children will be made at this game, with the proceeds going to the Lions softball fund.

Warning Issued Against Damage To Cemetery

Officials of the City of McLean this week issued a warning against two violations of law which must be stopped: one, the destruction of property in Hillcrest Cemetery; and two, the shooting of air rifles within the city limits.

The warning concerning the cemetery destruction read as follows: "Useless, thoughtless destruction is being done in our Hillcrest Cemetery by people who apparently care nothing for those who have gone on before us. Our loved ones who are buried in the cemetery worked for us in their day and they now expect us to care for their burial place in a fitting manner."

The city officials and the law enforcement officers have received demands from citizens that this destruction be stopped. We are heartily in agreement with these demands and will do all in our power to catch and punish to the limit the vandals who are doing this destructive work.

"This is our first warning—action will come next." Concerning the shooting of air rifles in the city, the warning pointed out that the city has had for a number of years an ordinance against this practice; and that now the state legislature has adopted a similar law.

The city officials asked the cooperation of parents concerning the shooting of the air rifles; and also stated that the law enforcement officers would have to take action if the practice were not stopped immediately.

BIRTHDAYS

- June 3—C. O. Greene.
- June 4—Edwin Howard, Donna Joyce Boyd, Velma Betchan, Harold Butrum, Michael McCarty.
- June 5—Lawrence Watson, Bobby Howard, Mrs. Jayne Bowen.
- June 6—F. L. Jones, Reo Heasley, George Graham.
- June 7—Ruby Cook, Mrs. W. L. Litchfield, Jeanne Pharis.
- June 8—Herbert Butrum.
- June 9—Kid McCoy, Clyde Carpenter, Mrs. Arbie Lankford, Scott Johnston.

Shamrock Pioneer Resident Dies

Funeral services were held last Friday afternoon at the First Methodist Church in Shamrock for Mrs. Pernelle Alice Austin, 90 years of age, grandmother of George Orrick of McLean.

Mrs. Austin died Wednesday afternoon of last week at the home of her daughter, Mrs. R. T. Hill of Shamrock. Interment was in the Shamrock cemetery.

Mr. and Mrs. Orrick and son Bobby attended the funeral services last Friday.

Mrs. Austin moved to the Panhandle in 1902, and had lived in Shamrock since 1904. She was a charter member of the Methodist church in Shamrock.

Survivors include three daughters, Mrs. Hill, Mrs. W. L. Orrick, and Mrs. T. E. Burkhalter, all of Shamrock; two sons, Grover of Shamrock and T. J. of Kelson; 24 grandchildren, 22 great-grandchildren, and seven great-great-grandchildren.

Planting of Row Crops in Area Starts; Another Inch of Rain Falls

McLean Nine Downs Kelton By 9-5 Score

The McLean baseball team racked up its second Panhandle league victory in as many tries by downing the Kelton nine 9-5 Sunday afternoon in a game played on the local diamond.

Everett Dorsey and W. W. Edwards, tossing for the local nine, allowed only two hits from the Kelton batters. Othar Dale, pitching for Kelton, was belted for a total of nine hits.

The McLean gang will try for their third victory Sunday when they pay a visit to Briscoe. Other Panhandle league games will include Wheeler at Miami, Shamrock at Kelton, and Allison at Mobeetie.

In the Kelton game, the winners scored three times in the second frame to take the lead, and then fell behind when Kelton scored twice in the fourth inning to take a 5-4 lead. The McLean players then managed one more in the 6th, and raced around for four tallies in the 7th. Kelton failed to score after the 4th frame.

In their first game, the McLean players downed Miami by a score of 10-6.

Meador Lists Lions Officials

Boyd Meador, governor-elect of Lions International District 27-1, has selected his cabinet who will serve with him during the fiscal year beginning July 1.

Signally honored were those selected as deputy district governors. They include W. C. Meharg of Hereford, formerly of McLean and a past president of the McLean club; Earl Stokes of Phillips; Fred Kinney of Spur; Leonard Gunderson of Amarillo; and Enos T. Jones of Floydada.

James M. Payne of McLean, member of the local club and a past secretary here, will serve as cabinet secretary-treasurer.

Governor Meador has called an unofficial meeting of the cabinet to be held in Amarillo June 3 to formulate plans for the coming year, and to consider the appointment of some 15 zone chairmen.

The "man bites dog" story has now been replaced by the one about the bull that threw the salesman.

C. S. Cobb Named Health Officer for Gray County

C. S. Cobb, resident of Pampa for a number of years, has been named as county health officer. It was announced here this week.

Cobb began his duties with the county Monday of last week. The new health inspector will be in McLean each Tuesday from 10 o'clock until 2 o'clock in the afternoon. All complaints may be left at the City Hall, he stated, and they will be investigated on his regular visits here. He will also visit in Alapreed each Tuesday, going there from McLean.

Cobb was connected with the Brooks Electric company of Pampa before accepting the health inspector's position.

Rev. Parmenter Named Pastor Of Methodists

Rev. C. W. Parmenter, former pastor of the Turkey Methodist Church, was named as pastor of the McLean Methodist Church when appointments were announced in the closing sessions of the Northwest Texas Methodist Conference in Abilene Sunday afternoon.

Rev. Parmenter succeeds Rev. W. B. Hicks as the local pastor. Rev. Hicks, who has been minister of the local church for the past two years, will be transferred to Lefors.

W. E. Hamilton was returned as superintendent of the Clarendon District, of which the McLean church is a member.

Other nearby appointments include John A. English, to Clarendon; Conrad M. Ryan, returned to Groom; John Lee Wood, to Leila-Stilwell circuit; Orion W. Carter, First church, Pampa; E. C. Armstrong, Harrah church, Pampa; E. H. Martin, McCullough church, Pampa.

And J. F. Michael, Wellington; Darris L. Egger, Wheeler; S. M. Dunning, Shamrock; A. D. Moore, Mobeetie.

In the Clarendon district, Rev. Rollo Davidson of Memphis was named director of Golden Cross; Rev. Dunning, district director of evangelism; Rev. Carter, district missionary secretary; Rev. Parmenter, district Advocate commissioner; and Rev. Ryan, district director of student work.

Wheat Harvest —Very Small— To Start Soon

The official rain gauge in McLean registered an additional 1.06 inches of moisture during the past week as the result of two showers.

Pete Fulbright, local weather observer, reported a shower of 81-inch came last Thursday afternoon and night, and an additional .25 of an inch early Monday morning.

Farmers in the area are busily engaged in planting their row crops at the present time, particularly those farmers who are going in strong this year for cotton.

Most farmers had delayed planting their cotton prior to the heavy rains earlier this month, and only a few reported losing early-planted seed. Cottonseed, according to all reports, is not only high in price this year but also hard to obtain. The government is asking for an 80-million bale crop, and many areas are attempting cotton which have not been cotton producers in the past.

Wheat harvest—that is, the harvesting of what little wheat there is remaining in this area—is expected to get in full swing about June 20, according to the farm labor bulletin of the Texas Employment Commission. Recent rains, the bulletin states, have benefited to some extent the small remaining wheat acreage.

In the upper Panhandle area, there is a possibility of rust developing if the rains continue.

All areas, according to the bulletin, have adequate men and machines available locally to meet the harvest demands, and therefore, no immigration of workers or equipment to the wheat areas should be made without prior contracts or commitments from individual growers.

How the row crops will fare this year, no one knows, of course, but the moisture this month has been favorable for the planting season. Some lands were damaged by washouts, etc., however, by the heavy rains of two weeks ago.

The shower Sunday night in McLean was accompanied by very strong lightning and thunder. Howard Horne, manager of the Southwestern Public Service company, reported several light meters and one transformer burned by the lightning. No other serious damage to property was reported.

Temperatures in McLean ranged in the high nineties Sunday, Monday and Tuesday, with the night readings dropping to the sixties.

OPS Releases Small Retailers

Hundreds of small retail stores in the far West Texas district of the Office of Price Stabilization will be given the option of continuing to price under the general ceiling price regulation, rather than under the retail regulation, OPR 7, the Lubbock district office announced.

The office said many small retail stores with limited bookkeeping facilities and clerical help would get this option under the amendment which was scheduled for issue early this week.

The Office of Price Stabilization, in announcing that the amendment was forthcoming, reminded that all other retailers selling items controlled by OPR 7 and its amendments must file their pricing charts by May 31 if they want to continue to sell legally after that date. There will be no extension of the deadline, OPS emphasized.

The amendment, according to advance information, will provide that stores selling housewares, notions, sporting goods, silverware, china, glassware, jewelry, watches and clocks may elect to price these particular items under the OPR 7 under either of two conditions:

1. The first provision designed to help the smallest stores, gives the election for these items to any retailer whose overall net dollar volume of sales of every-dollar in his store is less than

\$100,000. Total dollar volume for this purpose, OPS emphasized, is figured on the sales not only of the housewares, notions, etc., but of the store's entire stock of goods.

2. The other provision, which will meet the situation of the store doing a relatively small volume of business in housewares, notions, sporting goods, silverware, china, glassware, jewelry, watches and clocks gives the election to price those articles under OPR 7 to any retailer whose net dollar volume from sales of those items is less than \$60,000 annually, irrespective of his volume of sales in other lines of merchandise, and even though his total volume of sales is over \$100,000.

A third provision, which retains a principle incorporated in OPR 7 as first issued, gives the option to any retailer whose sales of apparel, apparel accessories, shoes, beds and beddings, furniture, yard goods, floor coverings, lamps, radio and television sets, phonograph records, musical instruments, luggage, etc., (all OPR 7 and a few amendment 2 items) are less than \$20,000 annually in net dollar volume.

The retailer who elects to remain under the OPR 7 does not have to notify OPS. The retailer who makes the election simply lets that deadline go by without filing a chart. In the event OPS asks for information, it

however, the retailer must be prepared to show that he was entitled to make the choice.

Meanwhile, the district OPS officials called attention to the new ceiling price regulation covering service trades. It is estimated that several thousand establishments in the Lubbock district, which includes Gray County, have been removed from the GCPR and placed under the regulation OPR 34. It became effective May 16.

The new order will benefit the public by making prices clearly visible in every retail service place. The establishments must post their ceiling prices in a prominent position by June 16. The regulation also requires that ceiling prices must be filed with the district office by that date, too, with adequate descriptions of each service. The mailing address is Office of Price Stabilization, Broadway Building, 1202 Texas Avenue, Lubbock, Texas.

A partial list of some of the everyday services and service trades concerned is: barbers and beauticians, auto, radio and household appliance repairs, laundry and dry cleaning and tailor shops, shops, shoe repairs, parking lots, filling stations, checking accounts, bowling alleys, skating rinks and golf fees, admissions to amusement parks, and some other amusement and recreational facilities.

VILLAGE
(More or Less)

All boys under 17 years of age who are interested in the formation of the junior softball league this summer are urged to attend a meeting with Coach Don Smith at the Municipal Building this evening. If sufficient interest is shown, a league will be organized under the direction of Coach Smith. The Lions Club will sponsor the junior league as well as the regular league. Any boy under 17 will be eligible to play, provided he is not a member of another team in the adult softball league.

Mr. and Mrs. C. W. Bogan and Charlie will move to Lubbock this weekend. C. W., who began his college work prior to the war, will complete that work at Texas Tech. He plans to study for a degree in electrical engineering. He has been active in the work in McLean since returning here following the war in 1945 and has held various offices in the local Lions Club as well as other organizations. For the past three years, C. W. and his wife, W. E. Bogan, have been owners and operators of the White Auto Store.

We see by the Pampa paper that another airport bond issue may be voted upon by taxpaying voters of Gray County in the near future. Many of those in Pampa feel that the decision against last Saturday's bond issue was due to the proposed location of the Pampa airport rather than the bond issue itself. If the issue had passed, the airport would have been built in Pampa at the E. Browning site. Numerous residents there objected to that location, preferring the old Northwest Field owned by County Attorney Bill Waters. He stated that, legally speaking, another airport bond issue could be held at any time.

O. K. Lee and Son have taken over the management of the business formerly known as the Neal Produce. The firm was owned by Bowen until his recent death. Lee and his son bought the business last week, and are active in feed, seed, and produce.

It won't be many years until the city-owned gas wells will not be able to produce any more gas for local consumers. So the city council has decided to build up a reserve to meet this shortage when it comes. At a recent meeting, Councilman Ed Smith was telling us, the council voted to set aside 10 per cent of the gas revenue to build up this reserve fund. In that way, the group hopes to have sufficient money on hand at that time to take care of getting another source of gas.

Picture taken at the junior-senior banquet have arrived and are now in the possession of Mrs. Ed Back, who served as junior sponsor during the past year. The students who ordered pictures are urged to contact Mrs. Back as soon as possible.

We hear that Larry Cunningham, who played high school football for McLean High School several years ago, has been named to the football staff at Hardin-Cunningham University in Abilene.

Cunningham, who has been a member of the physical education and athletic staff at McMurry College, also in Abilene, will serve as a defensive coach. He was a three-year letterman on the H-S football team in the late thirties, playing both in the backfield and on the line.

Following his graduation from Hardin-Cunningham, Cunningham served on the Denison and Children's athletic staffs.

He is married and the father of two children. He served four years in the navy during the war, and holds a master's degree.

Two-agers will have Fun Nite at the American Legion Hall Friday night. It was announced this week. The affair will begin at 8 o'clock.

If you miss Ruel Smith and Nancy this summer, you can probably find them in Colorado. They started construction this week on a very nice cabin about 10 miles from Denver. The cabin, to be 34 by 34 feet, is near a lake, and also near some good fishing spots. It's near enough to Denver to be attractive, too.

The cabin, we learn, is plenty big enough to accommodate visitors. It is to be built away from McLean. (Continued on back page)

GOOD HEALTH

Answer to Question No. 1:

1. Total blind population of the United States is about 260,000. After a child is three years old his sight should be tested yearly. Treatment of the eyes at birth has saved the sight of many infants.

Answer to Question No. 2:

2. The percentage of patients admitted to hospitals who show chest diseases after routine X-ray is higher than that of the general population. Therefore, a hospital which checks its patients on admission should be an

ideal center for detecting tuberculosis and other diseases of the chest. Many hospitals now take this chest X-ray as a matter of course.

Answer to Question No. 3:

3. The percentage of students planning to enter general practice has increased from 36 to 47 per cent in the last three years, according to a recent poll taken in 19 medical schools. This increase promises more doctors for small town and rural areas.

(Copyright 1951 by Health Information Foundation)

NEWS FROM KELLERVILLE

The Vacation Bible School was concluded Sunday night with commencement exercises at the Kellerville Baptist Church. There were 84 enrolled.

Mr. and Mrs. E. C. West are the grandparents of a girl born May 27 at Worley Hospital, Pampa. The parents are Mr. and Mrs. Bernard McClellan of McLean.

Mr. and Mrs. H. K. West of Sundown visited their parents, Mr. and Mrs. E. C. West, over the week-end.

Bobby Boyd is spending this week at Canyon on a District 4-H encampment.

Mr. and Mrs. Newt Barker of Skellytown spent last week-end in the home of Mr. and Mrs. Raymond McReynolds.

Christine and Gloria Hunt are spending this week in Chillicothe with friends.

The R. A. boys of the Baptist church are going on a fishing trip at Fry Lake Tuesday night. The Scouts are invited to go with them. They will be accompanied by Rev. D. L. Hunt and Edwin Owen.

Mr. and Mrs. H. A. Whittington are announcing the birth of a daughter Friday at Shamrock Hospital. She weighed 9 pounds, 4 ounces, and was named Connie Irene.

Mr. and Mrs. Lewis McDonald and children and Elmer Immel went to Dallas Friday on business.

A farewell party will be given Monday night, June 4, at the gymnasium for Mr. and Mrs. Newt Barker, who have been transferred to Skellytown. Everyone is invited to attend.

Mr. and Mrs. Joe Bruton are to leave Sunday on a three-weeks vacation in Wisconsin, where they will fish, and visit their daughter, Mrs. John O. Haanstad and family.

The Lazy Daisy Club met Thursday in the home of Mrs. R. D. Holmes. Refreshments of iced tea and apple pie a la mode were served to Mesdames Brent Chapman, R. B. Kinard, Joe Harris, E. C. West, R. B. McReynolds, S. B. Kiser, Bill Holmes, A. L. Farren, O. L. Thompson, Harris D'Spaul, Edwin Owen, Walter Marshall, and the hostess. The next meeting will be with Mrs. Archie Farren.

Mrs. Vita Cooke returned recently from a visit with her son and his wife, Mr. and Mrs. James L. Cooke of Lubbock. She also attended commencement exercises at Texas Tech, where James (Bucky) was a member of the graduating class, receiving his degree in electrical engineering.

Mr. and Mrs. Ansel Back and children of Widorado spent last week-end with Mr. Back's mother, Mrs. W. A. Back, and his sister, Mrs. Sherman Crockett and family.

HAVE A BETTER KITCHEN

Electrical kitchen appliances have become so much a part of the American homemaker's life that she doesn't worry about how much it costs to operate these appliances. And actually the cost is little, especially when you consider the labor-saving convenience that they bring.

For example, the modern dish washer will take all the drudgery out of the dish washing chore for a little as \$6 a year! That even includes operating a booster heater to heat the water to the temperature up to 175 degrees to assure fast, hygienic cleaning.

Figure it this way, says the Yonnewtown Kitchens Planning Service. Simply multiply your kilowatt rate by 35.6. The result is the average cost per month. If the rate in your area is three cents per kilowatt, the cost would be \$1.07 a month. But because the dishwasher uses less detergent and less water than hand dishwashing, the actual cost can be as little as 50 cents a month.

Something to remember, too, is the fact that the amount of electricity used by a dishwasher depends upon the length of the wash, rinse and dry cycle. Naturally, the shorter the cycle, the less electric power used. One increasingly popular dish washer takes less than 10 minutes for the entire job of washing and rinsing. The dishes are air dried rather than being dried in electrically induced heat that tends to prevent easy removal of mineral deposits that sometimes results from hard water.

The really important fact is the convenience, speed and labor saving of an electric dishwasher.

Mrs. Wayne McIlroy and children returned to their home recently after Mrs. McIlroy had received medical treatment in Amarillo and Childress. Her mother, Mrs. D. Trent of Childress, who has been visiting and helping her daughter, returned to her home Tuesday.

Mrs. N. A. Greer and granddaughter, Sue Hill, returned recently from a visit to points on the south plains. They attended commencement exercises in Littlefield, where Mrs. Greer's granddaughter, Betty Lee Clement, daughter of Mr. and Mrs. Harold Clement, was a member of the graduating class. They also visited with N. H. Greer and family at Mulleshoe, and Mr. and Mrs. Paul S. Corbett and Mr. and Mrs. Henry Benson and family of Hereford.

Mary Ann Back, Barbara Barrett, and L. M. Watson remained in Abilene Friday, when the seniors stopped there on the way home from Corpus Christi. They visited relatives and friends and attended commencement exercises at A. C. C.

Bobby Campbell of Shamrock is visiting his sister, Mrs. George Terry and family.

Earl Humphreys of Lubbock, and Mr. and Mrs. Bill Lively of Amarillo visited during the week-end in the home of Mr. and Mrs. Clevy Hancock and family. Mrs. Lively will be remembered here as the former Dorothy Humphreys.

Uncle Sam Says

Here is some sound advice—in making a regular purchase of U. S. Defense Bonds you help protect America, and help in making your dreams come true. May is Defense Bond Month. This is the month when you get out into the open and dream of those things you would like to have or to do. "If I only had the money" you say! Millions of Americans can give you the answer—"Sign up at your company's pay office for the regular purchase of Defense Bonds today."

"What am I offered? What am I offered? Two dollars—do I hear three? Three dollars—three and a half—four. Ladies, this is a perfect iron bed! It's in excellent condition! Look at that spring! Four dollars—four and a half—four and a half twice—four and a half three times. Sold to the lady in the green hat!" And there you are, the happy possessor of an old-fashioned bed. But, you think, wait till hubby sees it and has to cart it home from the auction.

First—get, buy or find a mattress to fit it. Mattresses being what they are, have yours either brand new or one you've had in the family. Then get ready for operation amputation. You are to saw off the high headboard of the bed. That's right—through the iron. It isn't as impossible as you think. Inside, the iron is hollow and with a hack saw you can cut right through it. Just use a steady and firm sawing motion like carving a ham or imagine you're filing your way out of prison bars.

The purpose of all these gyrations is to use the lower footboard as the head of the bed, eliminating a footboard, which makes it like a Hollywood bed. To be even more modern, slipcover the new headboard to match the bedspread. This makes the bed a complete ensemble from top to toe. To do this, measure all sides and widths of the headboard as you would to slipcover a chair. For a first layer, use quilting and let that be an accurate guide for the outer fabric. If you'd like to match the headboard with a spread you already have, use monk's cloth, unbleached muslin or heavy cotton and dye it with all purpose dye to match.

Grandma's hand-made quilt—or any pretty quilt—makes an inspired bedspread. Place it on the entire bed—over the pillow right down to the foot and underneath have a dust ruffle, dyed to match one of the shades in the quilt. Stitch the dust ruffle to a piece of flat, unbleached muslin that fits over the spring. The headboard should match the muslin ruffle. Now, who'll ever guess it was an old auctioned bed?

Tech in Lubbock recently. Chester Golightly, son of Mr. and Mrs. Frank Golightly, was a member of the graduating class, an honor student, receiving his degree in chemistry. He plans to continue his studies at Southwestern Medical School in Dallas.

Dan and Joe Cooper left Sunday for a few days vacation in Austin. Benny Cooper, and Clyde and Claude Mounce, students at the University of Texas, will return with them the last of this week.

Mr. and Mrs. F. L. Bones visited Sunday in the Floyd and Lloyd Davidson homes in Wheeler.

Dr. and Mrs. Charles Finley and daughters, Sue and Kay, of Lubbock visited Saturday and Sunday in the H. W. Finley and C. M. Carpenter homes. Kay remained for a longer visit.

.. THE REST TO YOUR Electric RANGE

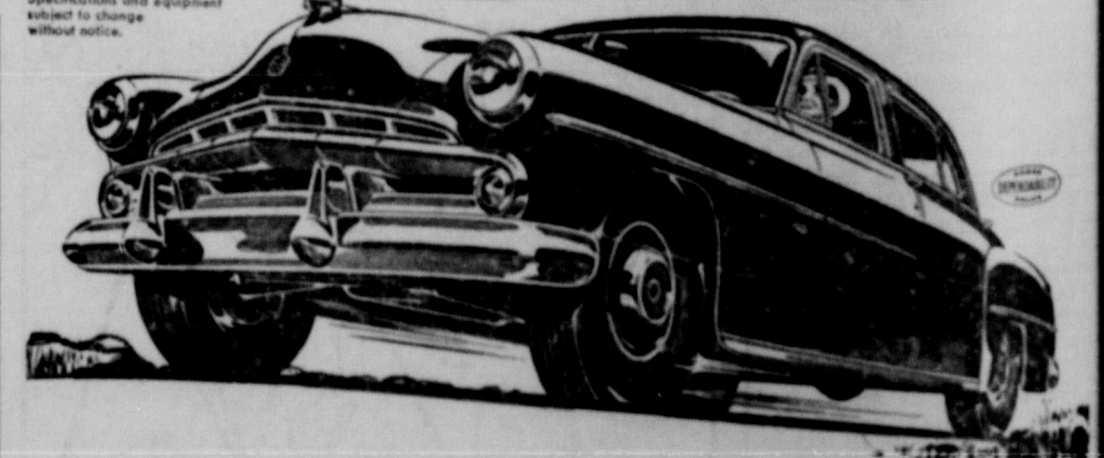

Yes, your automatic electric range — and Reddy Kilowatt — keep on working while you're away from your kitchen. With an automatic electric oven you can prepare an entire meal before you leave and have it start to cook while you're far away enjoying your shopping trip, your church work, your civic activities. When you return, just open the oven and call out to the family — "Dinner's Ready!" It's just that easy.

Don't be tied to your kitchen. Tie your apron strings to Reddy and leave the rest to your automatic electric range.

A series of three ball games between the locals and a team from Pampa was played on Friday of last week. The losers were the local boys—at least an un-
decision of the umpire in the second game made it appear

The first game was a good one and the visitors did not get a run in the final score standing 1-0. The batteries for the visitors were Dick and Dick. The batteries for the locals were Bull and Dick. There were a few features in both games played a

The second game was a close one and the visitors got their thumb in the final score standing 1-0. The batteries for the visitors were Bull and Dick. The batteries for the locals were Bull and Dick. There were a few features in both games played a

The third game was a close one and the visitors got their thumb in the final score standing 1-0. The batteries for the visitors were Bull and Dick. The batteries for the locals were Bull and Dick. There were a few features in both games played a

The fourth game was a close one and the visitors got their thumb in the final score standing 1-0. The batteries for the visitors were Bull and Dick. The batteries for the locals were Bull and Dick. There were a few features in both games played a

The fifth game was a close one and the visitors got their thumb in the final score standing 1-0. The batteries for the visitors were Bull and Dick. The batteries for the locals were Bull and Dick. There were a few features in both games played a

The sixth game was a close one and the visitors got their thumb in the final score standing 1-0. The batteries for the visitors were Bull and Dick. The batteries for the locals were Bull and Dick. There were a few features in both games played a

The seventh game was a close one and the visitors got their thumb in the final score standing 1-0. The batteries for the visitors were Bull and Dick. The batteries for the locals were Bull and Dick. There were a few features in both games played a

The eighth game was a close one and the visitors got their thumb in the final score standing 1-0. The batteries for the visitors were Bull and Dick. The batteries for the locals were Bull and Dick. There were a few features in both games played a

The ninth game was a close one and the visitors got their thumb in the final score standing 1-0. The batteries for the visitors were Bull and Dick. The batteries for the locals were Bull and Dick. There were a few features in both games played a

The tenth game was a close one and the visitors got their thumb in the final score standing 1-0. The batteries for the visitors were Bull and Dick. The batteries for the locals were Bull and Dick. There were a few features in both games played a

The eleventh game was a close one and the visitors got their thumb in the final score standing 1-0. The batteries for the visitors were Bull and Dick. The batteries for the locals were Bull and Dick. There were a few features in both games played a

of them reached the home plate they were informed that it was a foul. The grandstand was mad and Massey was mad, but rather than create disturbance he went back to the bat and took the next one over, which started in the same direction but the big second baser jumped out of all reason and pulled it down out of the clouds. The game was over and Pampa was the winner. The batteries—McLean, Voyles and Cooke, Pampa, Sewell and Page.

After the excitement was all over the umpire was taken to the outfield and shown the exact spot where the ball had plover upon the experiment farm just after connecting with Massey's bat in the ninth. He admitted that he had been mistaken in his decision, as the ball had been fair by at least eight feet. He was honest in his decision but his bad judgment lost the game for the home boys and the dollars, etc., for Massey.

The first game was umpired by T. W. Swanner of Amarillo, the second by Henry Bailey, and the third by Clay Gardenhire.

While there was no kick made, yet in justice to the home boys it might be well to state that the team they met was made up of players from all over this part of the Panhandle. Two from Mobeetie, one from Bemanone, one from Amarillo, one from Canyon City, one from Shamrock, one from Panhandle, and two from Pampa being about the proper representation. Nevertheless, as to ball playing, the home boys defeated them.

We will be glad for them to congregate here again at some early date and try it over.

Mr. and Mrs. D. B. Veatch were hosts to a party of young people at their home in the northwest part of the city Saturday evening of last week, the occasion being in honor of Mel Davis, who left this week for his home near Pampa. Progressive forty-two was the feature of the evening and much pleasant rivalry was indulged, the prize for the highest individual score falling to Miss Minnie Foster. To the honoree fell the booty. During the evening a delicious repast of strawberries and cream was served. Those who attended this delightful affair were:

Misses Whalley of Groon, Davis of Pampa, Williams of Lefors, Lucile Horton, Jessie Suggs, Vida Montgomery, Ove Stephens, Ruby Cook, Bonnie Evans, Ruby Rice, Minnie Foster, and Messrs. Mel and Clem Davis of Pampa, Marvin Cooke, Ross Cook, F. H. Sutherland, Roy Rice, Wheeler Foster, and Emmett LeFors.

Mrs. C. S. Rice, guardian of the local Woodmen Circle lodge, announces that there will be an unveiling ceremony at the graveyard Sunday afternoon at 3 o'clock, at which time the Woodmen monument will be placed over the last resting place of Mrs. A. T. Russell, deceased member of that fraternity. The pub-

He is cordially invited to attend and every member of both the Woodmen and the Circle is urged to be present.

The young ladies who were engaged as teachers in the local school during the last term just closed all left the latter part of last week for a two months' vacation. Miss Grogan went to her home at Quannah, where she will visit for two weeks before going to Chicago to enter the University.

Miss Saille Helm went to her home at Jericho. She was accompanied by Miss Ada Culler, who will visit with her for a short time and then proceed to her home at Hillsboro.

Miss Winnie Steward went direct to her home at Naples where she will remain during the entire vacation.

Miss McMurtry will visit relatives and friends near Clarendon before going to her home in Archer County.

Mr. and Mrs. John D. Richards and son Randy of Dumas visited her parents, Mr. and Mrs. Neville Back, this week. Douglas Richards, who has been visiting his grandparents for the past month, returned home with his parents.

Mrs. James E. Corbin and children, Elizabeth Ann, Jimmy, and Gerald Lee of Shamrock, formerly of McLean, left Friday for Denver, Colo., where they will spend the summer with Mrs. Corbin's parents, Mr. and Mrs. N. E. Spencer.

Mr. and Mrs. Clyde Willis and son Tommy visited with their daughters, Mrs. C. J. Holman and family and Mrs. A. L. Conster and family of Borger, over the week-end.

Miss Meril Bentley visited over the week-end with Mr. and Mrs. C. W. Puroell of San Jon, N. M.

Wayne Burrows of Los Angeles, Calif., is visiting this week with his father, J. W. Burrows, and other relatives and friends.

Mr. and Mrs. Pete Fulbright daughter Irma Ruth were in Amarillo Saturday.

Mr. and Mrs. Bryan Burrows of Pauls Valley, Okla., visited over the week-end with their daughter, Mrs. Johnnie Mertel and family.

Mr. and Mrs. Paul Mertel were business visitors in Pampa Friday.

WHAT PEOPLE WON'T DO

MAYOR ED LANDER has called to our attention that vandals are practicing destruction on many of the markers, tombs, and curbs in Hillcrest Cemetery.

That the damage being done is being done maliciously can be told by the various types of scratches, marks, breaks, etc., that are easily visible. Some person or persons apparently are enjoying this tearing down of property which has been erected in memory of those who are buried in the cemetery.

It isn't nice, we suppose, to say it like this, but unfortunately, those dead people are unable to rise up out of their graves and protect their monuments from such vandals.

But the vandals had best remember that the residents of McLean, who have dear ones buried in Hillcrest Cemetery, are quite capable of rising up in anger.

Mayor Lander, for example, has stated that he has no desire to serve as the city judge, a position which goes along with that of mayor. However, if the vandals can be caught, he will be happy to have the pleasure of holding court, and punishing the vandals to the limit of the law.

A cemetery is a sort of sacred place. We should, of course, go there as often as we like. We should keep the cemetery clean. We should certainly have respect, not only for our loved ones buried in Hillcrest, but for the loved ones of others.

But by no means should we use our cemetery as a playground, and by no means should we allow careless, indifferent individuals to destroy the beauty of our cemetery.

We're like Mayor Lander—we believe the culprits should be punished to the law's limit when they are caught. And, mind you, if the destruction continues, they will be caught.

He who is afraid of being too generous has lost the power of being magnanimous. The best man or woman is the most unselfish.—Mary Baker Eddy.

We were not surprised when the wife won a slogan contest. But what did amaze us was that she said anything in 25 words or less.

LES

TALK

By LESTER

Are you a billfold card carrier, like I am? By that I mean, do you get some kind of a card, membership card, or most any kind of a card and slip it into your billfold and forget about it? Well, I do.

The other day, I was glancing at my billfold to see if I had any of that folding green stuff (which was not ground), and I suddenly decided that perhaps my billfold might contain something mighty valuable. It was extremely bulky, and there was no folding money to make it bulky.

So I checked into the card situation.

I found that I was carrying in my billfold a total of 58 different cards and tickets, and three photographs. Don't get excited. I cleaned out a bunch of the older ones at once to prevent being weighted down from the rear. And to think, I was just wondering why my pants felt so baggy in the seat.

Glancing through the cards made me feel most important. That is, outside of looking at all the "chances" I had bought and which had gone stale—not one telephone call did I ever get telling me to come pick up my beautiful green Cadillac, my pretty pink Packard, or my shiny new Jeep.

I belong to lots of organizations, most of which you probably have never heard of. And I'm sure that most of you belong to just as many that I have never heard of.

For example, the cards in my billfold remind me that I am a member of the Order of P-Men (don't blush, it's not what you think. Thoughtful members of this organization include Printer, Publisher, Photographer, Painter, Pen Pusher, Publicist, Promoter, Photo-engraver, Propagandist, P-ophileter, Pressman, Paraphernalist, Politician, and Principal. Common stock members include Practical Philosopher, Prominent Person, Perpetual Plagiarist, Perfumed Perplexity, Popular Personality, Picturesque Personality, Plump Peach, Patient Poet, Playful Prodigy, Pink Pippin, Piscatorial Prevaricator, Pampered Photocrat, Prepossessing Princess, Prolific Prince, Peerless Pundit, Peppy Problem, Pixilated Papa, Pensive Professor, Persistent Plugger, Prospective Pauper, Parading Peacock, Peroxide Pitfall, Pretty Petter, Picaunish Punster, and Popular Playboy. The scrub stock or barred members include Pious Prude, Picaunish Patriarch, Pungent Prig, Putrid Pariah, Pugnacious Paladin, Philandering Paramour, Platinum Prospector, and Practicing Polygamist.

Incidentally, another card in my billfold tells me that the next time I am in New York City or Hollywood (I go every other week, you know), I have guest privileges at the studios of the Columbia Broadcasting System. Now isn't that simply something?

I also find that I am a member of the Storm Cellars Sitters Club, which organization I have mentioned once before in this column. It was founded by another screwball, Pat Flynn of Amarillo. I have been carrying out the duties of a member of this organization quite frequently recently.

Then I note that I am an honorary citizen of Boys Town of Boys Town, Nebr. (an honor

Uncle Sam Says

Remember—you can carry on safely with this axiom—"The U. S. Defense Bonds you buy for your country's defense also give you personal financial independence." That will provide money to buy a house, or educate your children, or support you when you retire. You can gamble on this—if you don't save regularly, you don't save at all. So, go to your company's pay office. NOW, and sign up for a regular Defense Bond purchase program through the Payroll Savings Plan. U. S. Treasury Department

which cost me a dollar or so in contributions), and also an honorary citizen of Fort Worth, which didn't cost me anything except a trip to the annual convention of the Texas Press Association last summer. These two honors are, naturally, forthcoming only to the 150 million outstanding people in the U. S.

Two very important positions which I hold are these: a member of the Army Advisory Committee of the Fourth Army, and a director of the Texas Safety Council. These, mind you, are most important offices—just think I get to tell the army how to run the army, or at least give them advice, and I really don't know just what my duties are as a director of the Texas Safety Council, but it must be something important.

Then I have a few more membership cards which I do consider rather nice to have—Masonic Lodge, Eastern Star, Texas and Panhandle Press Associations, American Legion, etc. These

The McLean News

McLEAN, TEXAS, THURSDAY, MAY 31, 1951

cards are invaluable to me.

The others are merely billfold fillers-uppers. And they are morale builders-uppers, too. Why, when I get to feeling blue and low, all I have to do is pull out my billfold, and find that I am an honorary citizen of Amos Carter's crazy Fort Worth, that I just own plain little old me) actually have guest privileges at the Columbia Broadcasting System in New York or Hollywood.

Please, please, don't throw away those useless cards you are carrying around in your billfold, or if you are a female, in one of those huge suitcases which you call handbags or purses. Please keep them until you get to feeling low. Then pull all those publicity seekers have given you, and you'll suddenly get a feeling of importance.

After all, not everybody belongs to the Order of P-Men. No, siree, not everybody by a long shot.

Mr. and Mrs. Bazel Pettit and son of Pampa visited last week-end with Mrs. J. B. Pettit.

Mr. and Mrs. Joe McGuire and Jeanne Marie Mathis of Amarillo spent Tuesday night and Wednesday with their grandmother, Mrs. H. J. Pettit.

M. D. Bentley attended high school graduation exercises in Clarendon Friday. His granddaughter, Nell Bentley, was a member of the graduating class.

Visitors in the home of Mr. and Mrs. Raymond Smith and G. W. Street last week-end were W. L. Street of Bethany, Okla., Mr. and Mrs. Murph Street of Littlefield, Mr. and Mrs. Bill Bernard, Mrs. Jessie Bernard, Mr. and Mrs. C. G. Young of Erick, Okla., and Mr. and Mrs. Leroy Blaylock and Butch of Pampa.

Mr. and Mrs. Wheeler Carter, Barbara, Mary Ann, and Butch visited in Borger last week-end with Mr. Carter's brother, Ray Carter and family.

Mr. and Mrs. Wilson Boyd spent the past week with his parents, Mr. and Mrs. J. V. Boyd of Henrietta.

Warmth, Comfort in Veneer

An atmosphere of luxury, warmth and comfort characterizes this modern living room, paneled in hardwood plywood faced with richly grained veneer. The handsome pattern and coloring of the wood in complete harmony with the furnishings. In a veneer to maintain, this paneling has the tone of quality and gives unlimited service. It grows more beautiful with the years. Hardwood veneer actually requires only a periodic waxing, and at other times may be wiped with a dust cloth. Even a light "rub-down" will give new depth and luster to the fine wood grain.

Society

Embroidery Club Meeting Is Held in Patterson Home

The Centennial Embroidery Club met last night in the spacious home of Mrs. M. H. Patterson.

The afternoon was spent in conversation and in doing needle work. A salad course, with boy-scout punch from Knott's Berry Farm in California, was served in the dining room. Novachord recordings were played during the afternoon. Also played were the recordings of the winning chorus in the Venice Community Sing's county-wide choral contest held recently in Venice, Calif.

Mrs. Patterson gave some interesting highlights on beautiful views of Lawn Memorial Park which she visited when in California recently. She stated that a picture review, also the art guide of the outstanding place may be found in the library here.

The meeting was the last afternoon session of the club for this season. The June meeting is to be in the evening, when the husbands of members will be present in the outdoor living area at the home of Mr. and Mrs. Amos Thacker.

Members present were Mesdames: Mrs. Abbott, J. L. Andrews, W. E. Began, C. M. Carpenter, H. W. Fry, R. E. Franks, Byrd Guill, R. H. Hembree, J. E. Kirby, Kidney, Amos Thacker, and the hostess.

Members present were Mesdames: Mrs. Abbott, J. L. Andrews, W. E. Began, C. M. Carpenter, H. W. Fry, R. E. Franks, Byrd Guill, R. H. Hembree, J. E. Kirby, Kidney, Amos Thacker, and the hostess.

Members present were Mesdames: Mrs. Abbott, J. L. Andrews, W. E. Began, C. M. Carpenter, H. W. Fry, R. E. Franks, Byrd Guill, R. H. Hembree, J. E. Kirby, Kidney, Amos Thacker, and the hostess.

GROWING PAINS In Gray County

By FOSTER WHALEY
County Extension Agent

A. B. Melton, who lives north of McLean, was in the office a few days back and wanted to know how to obtain fish for some new ponds he has.

Here's how he should go about it. Write the Texas Game, Fish, and Oyster Commission, Wall-n Building, Austin, and ask for application blanks for fish. When the blanks arrive, fill them out and send them in. These applications are processed around August 1, and fish deliveries made to the county seats in September. This service is free to the land-owners. Many people have suitable ponds that need stocking. Here is an easy way to do it.

Butch Turpin and Gerald Tate report they had a swell time at the District 1 4-H Club Camp held at West Texas State College this week. Three boys and three girls attended the camp from each of about 18 Panhandle counties.

There is still plenty of poison grain at the Paymaster Gin. Many farmers are still calling for this grain to rid their fields of kangaroo rats.

Leomon Andrews ordered a 100-pound container of T. C. A. Johnson grass killer last week. Leomon is well satisfied with the results he obtained last year with this chemical for controlling Johnson grass. The application rate is from 1/2 to 1 1/2 pounds of T. C. A. per acre. At this rate the cost per acre would run around \$32 per acre. Of course, only small plots can be economically treated. For further information on this subject, talk to Leomon.

We have a new bulletin entitled using 2-4-D safely. As you know, 2-4-D is the weed killing chemical which is very dangerous to use around cotton. This is a good bulletin which everyone should read who plans to use this chemical, especially in the McLean area where we have cotton and other susceptible crops.

I don't forget we are in McLean every Tuesday at Boyd Meador's office. Thanks.

Raymond Howard and son and daughter, Dale and Hazel, of Borger visited Saturday night in the homes of his sisters, Mrs. Leon Crockett and Mrs. Jack McClellan.

Mr. and Mrs. Richard L. Everett are moving from Clovis, N. M., to Pampa this week-end. He will be employed by radio station KPAT.

Bobby Sam Bruner visited Mr. and Mrs. W. A. Bruner in Abilene over the week-end.

Mr. and Mrs. Kenneth Davis of Borger were guests of his parents, Mr. and Mrs. Olen Davis, over the week-end.

COTTON QUIZ

WHAT IS COTTONSEED CAKE?

CAKE IS THE SUBSTANCE LEFT WHEN OIL HAS BEEN PRESSED FROM COTTONSEED - IT IS USED CHIEFLY AS LIVESTOCK FEED.

Should read who plans to use this chemical, especially in the McLean area where we have cotton and other susceptible crops.

I don't forget we are in McLean every Tuesday at Boyd Meador's office. Thanks.

Raymond Howard and son and daughter, Dale and Hazel, of Borger visited Saturday night in the homes of his sisters, Mrs. Leon Crockett and Mrs. Jack McClellan.

Mr. and Mrs. Richard L. Everett are moving from Clovis, N. M., to Pampa this week-end. He will be employed by radio station KPAT.

Bobby Sam Bruner visited Mr. and Mrs. W. A. Bruner in Abilene over the week-end.

Mr. and Mrs. Kenneth Davis of Borger were guests of his parents, Mr. and Mrs. Olen Davis, over the week-end.

Personals

Mr. and Mrs. H. W. Brooks and Beth visited Mr. and Mrs. Jack Brooks and family of Clarendon Sunday.

Audrey Young left the seniors on their annual trip at Abilene Friday. She was met by her parents, Mr. and Mrs. R. A. Young of Ballinger, and will spend the summer with them.

Mrs. Jim Back spent the past week-end in Wichita Falls, Aspermont, and Abilene. She attended an alumni banquet of Hardin-Simmons University in Abilene Saturday evening.

Mr. and Mrs. Norman Trimble and children of Borger were guests Sunday in the home of Mrs. Corinne Trimble.

Miss Dora Watt, Buell Watt, and Chester Colightly were in Pampa Wednesday transacting business and visiting with relatives.

Mr. and Mrs. Clark Gracey and son Jimmy of Brownville visited Saturday with Mrs. J. W. Kibler. Mrs. Gracey is a niece of the late J. W. Kibler.

Miss Irma Ruth Fulbright spent Monday and Tuesday in Abilene, where she visited friends and attended commencement exercises at A. C. C.

Mrs. J. W. Kibler was in Skellytown Sunday to visit her great-grandson, William Eugene Harlan born May 21. He is the son of Mr. and Mrs. Gene Harlan, and grandson of Mr. and Mrs. W. F. Harlan of Skellytown.

Mr. and Mrs. J. C. Lea from Oklahoma City, Mr. and Mrs. Ralph Alewine from Hedley, Exie Sweet and Mr. and Mrs. Vince Alewine from Memphis were guests Sunday in the home of Mrs. Bob Ashby.

Mrs. Cylene Crockett is visiting in Borger this week.

CITATION BY PUBLICATION

THE STATE OF TEXAS
TO: JAMES EUNG ALDRIDGE, Jr., GREETING:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock a. m. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday, the 2nd day of July, A. D. 1951, at or before 10 o'clock a. m., before the Honorable District Court of Gray County, at the Court House in Pampa, Texas.

Said plaintiff's petition was filed on the 18th day of April, 1951. The file number of said suit being No. 10018.

The names of the parties in said suit are: Marian Nell Aldridge as Plaintiff, and James Eung Aldridge, Jr., as Defendant.

The nature of said suit being substantially as follows, to wit: This is a suit for divorce by plaintiff against defendant, plaintiff alleging as grounds thereof that the defendant was guilty of such cruelty and outrages toward the plaintiff as to render their

further living together insupportable.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this the 16th day of May, A. D. 1951.

Given under my hand and seal of said Court, at office in Pampa, Texas, this the 16th day of May, A. D. 1951.

DEE PATTERSON, Clerk
District Court, Gray County, Texas

HAVE A BETTER KITCHEN
 Have you considered the addition of a kitchen snack bar to your kitchen? If you have remodeling plans, or are dreaming about a new house, the snack bar is something to keep in mind.
 It provides eating space and can take the place of a bulky table and chairs in the kitchen, providing additional space for cabinets or just giving you more room in which to move about. When not in use as a dining surface, the bar can serve as convenient work area.
 A snack bar can easily be made from standard steel kitchen equipment, as this illustration shows. Length of the bar is determined by the amount of room available. At one end of the bar is a standard base cabinet, with storage drawer and compartment. At the other end is an attractive half-round, open-shelf cabinet. It's not only good looking, but its sturdy shelves provide space for keeping a toaster, and other small appliances, cook books or decorative objects.
 The snack bar counter is 24" wide and is made of steel covered with either linoleum or a colorful vinyl material that will give years and years of service.
 John Patterson visited over the week-end with his parents, Mr. and Mrs. M. H. Patterson. For the past few months John has been stationed at Estancia, N. M., as resident engineer on R. E. A. work. He has recently been transferred to Clayton, N. M., in the same capacity.

Mrs. Crawford Observes 95th Birthday

Mrs. Hannah Crawford, pioneer resident of the Panhandle and McLean's oldest citizen, observed her 95th birthday Monday.
 The observance was a quiet occasion, and only a small number of relatives and friends gathered at her home in the northwest part of town.
 Mrs. Crawford, who moved to the Panhandle 51 years ago, was born May 23, 1856, at Raleigh, Ill., the daughter of Mr. and Mrs. Charlie Sloan, who were pioneer farmers of that region.
 Generally, Mrs. Crawford's health is still good. She is able to get around by herself, enjoys good hearing, and a good memory.
 Shortly after she was 16 years of age, she was united in marriage to Perry Hunt, and after the birth of their first son, Abe, the family moved to McPherson, Kans.
 Two years in Kansas was all the family wished. They were bothered one year with swarms of grasshoppers, and soon they moved back to Raleigh. There four other sons were born. One son, Charley, had been born in Kansas.
 Sadness struck the home in 1886, when Hunt died.
 Five years later, Hannah became the wife of Braxton P. Crawford, and they spent their first year at Raleigh. After that, the family moved west, living in various Texas and Oklahoma localities before settling in the Panhandle.
 After a time, they moved to the Skillet community, in Donley County south of McLean. They filed on one and one-half sections of land.
 Mrs. Crawford and her sons can relate many exciting events of their lives—such as the time when Charley attended a religious meeting of a group of Indians. The Indians did not notice him when he arrived, or at least paid no attention to him. When the peace pipe was passed, Charley unhesitatingly drew his portion of the smoke, and the Indians were thereafter his friends.
 Then there are stories of horse thieves and rustlers which those in the family can remember, and stories of prairie fires which endangered their holdings as well as their lives.
 The family moved to Gray County in 1902, settling on a section of land south of McLean which they purchased for \$1,000 and sold two years later for \$10,000. They moved to the McLaughlin addition in south McLean, but later lost their home there by fire. Following that, they moved to the southwest part of town, and in 1906, Crawford died. Mrs. Crawford has been living in her present home in northwest McLean for the past 27 years.
 Mrs. Crawford is the mother of 11 children. Bernie and Henry Crawford died in infancy at Farmersville. Abe Hunt, the oldest son, died in Amarillo about six years ago. Living children include Charley Hunt of Alameed, George Hunt of Tulsa, Herman Hunt of near McLean, Arthur Hunt of McLean, Luther Hunt of Winslow, Ark., Mrs. Pearl Johnson of Briscoe, and Mrs. Minnie Jones and Mrs. Roma Cook of Amarillo.
 Guests in the home of Mr. and Mrs. C. B. Lee over the week-end were their son and his family, Mr. and Mrs. John Kelly Lee and daughter Johnnie Beth, and Earl Humphreys from Lubbock. John Kelly is on a two-weeks leave from Brooks Hospital, San Antonio. Operations performed on the arm injured while he was in Korea have been very successful.
 Mr. and Mrs. Irvan Alderson visited in Wheeler Sunday.
 Mr. and Mrs. Boyd Reeves and son Eddie visited in Tulsa, Okla., over the week-end with their other son and family, Mr. and Mrs. Joe Reeves and son Jimmy Lynn. Jimmy Lynn was born May 24 and weighed 9 pounds. Mr. Reeves and Eddie returned home Sunday evening. Mrs. Reeves remaining in Tulsa for a longer visit.
 Mr. and Mrs. C. R. Guyton and son Jerry returned recently from a six-day trip to Tulare, Calif. They were called there by the illness of Mrs. Guyton's mother, Mrs. Julia Tenison, who is much improved.
 Carroll Hall was transacting business in Amarillo Monday.
 Mr. and Mrs. Paul Guyton of Ballinger were guests of Mr. and Mrs. C. R. Guyton and other relatives Sunday.
 Mrs. Boyd Meador was called to Marlin Sunday by the death of an uncle.

Speed Champ Says Sportsmanship On Highways Would Save Lives

SPEEDWAY CITY, IND.— Readying his big racer for the Memorial Day Speed Classic, Johnnie Parsons, America's Speed Champion, says the surest way to avoid accidents is to "check your car as carefully as we do for the Speedway... and think of the other fellow."
 Parsons established a new Indianapolis Speedway record of 124.2 miles per hour, last year, in winning the big league event of auto racing. He hopes to take the 1951 crown on May 30th.
 "Car care is as important as careful driving whether you're on the highway or the Speedway," says Johnnie. He trains his pit crew to the fine split-second precision of a major military maneuver. "The pit crew is in the race, too," he says.
 Handsome, youthful Johnnie Parsons' home is Van Nuys, California. He got his start in the roaring wheels profession by building his first two cars part-by-part himself. He's an "expert's expert" on automobiles and keeps abreast of all the latest developments. To protect the finish of his cars he gives them an Autobrite 4% silicone treatment. Silicones are the miracle-ingredient which protected vital military equipment against rust, corrosion, oxidation and salt sea air.
 In Johnnie's opinion, "You can tell a careful driver by looking at his car. If a man treats his car right, he'll treat every other driver in a sportsman-like way. That's all we need to cut the nation's accident toll. A real sportsman is considerate of the other fellow."

Color scheme for model house above and entire Flower Homes development at Wanliang, Long Island, began with asphalt shingle roofs. Gray-blend is roof color of this house and gray shake shingles are used on the front, sides and rear. Finkish cast of sandstone adjacent to front door gives key to accent color of coral on picture window, front door shutters, scallop on flower box and porch posts at rear. L-shaped kitchen-dinette at left has base and wall cabinets of hardwood veneer which provide attractive, easy to maintain surface.

SOCIETY

Rosa Lee Jones, Roy Gene Glenn To Wed June 16

Mr. and Mrs. Sam H. Jones announce the engagement and approaching marriage of their daughter Rosa Lee to Sgt. Roy Gene Glenn, son of Mr. and Mrs. C. R. Glenn of McLean.
 Miss Jones has been employed with the Southwestern States Telephone company for the past two and one-half years. Sgt. Glenn is serving in the U. S. Air Force at Great Falls, Mont. The marriage will take place June 16 in Great Falls. They will make their home there.
 A pre-nuptial shower for Miss Jones was given in the home of Mrs. W. C. Kennedy Monday, May 28, at 8 o'clock. Spring flowers of honeysuckle and roses were used as decoration throughout the entertaining room.
 Miss Faye Glenn, sister of Sgt. Glenn, registered the guests in the bride's book. Mrs. Paul Miller, Miss Jane Williams, and Miss Marnelle Ledgerwood sang "I Love You Truly" and "To Each His Own." Mrs. Velma Betchan presented the gifts to the bride-elect.
 Hostesses were Mesdames Kennedy, Betchan, Irene Ledbetter, Evelyn Cobb and Elizabeth Miller, and Misses Grace Wilson, Marnelle Ledgerwood, and Johnnie Moore.
 Those present and sending gifts were Mesdames C. R. Glenn, Sam Jones, Marie Sawyer, C. G. Nicholson, Gardner, L. R. Nicholson, Elton Johnston, Rosa Collier, C. P. Callahan, H. W. Brooks, George Colebank, Homer Smulcer, James McClellan, N. B. Ramey, W. C. Simpson, Bob Black, Bill Simpson, Edgar Smith, Arnold Sharp, John Sparks, R. L. Appling.
 Mesdames Joe Simpson, J. L. Mann, Ted Simmons, Pete Henley, George Orrick, E. J. Windom, Marvin Simpson, Buell Wells, Al Pugas, Homer Abbott, Robert Howard, Sophia Hutchinson, Joe Willis, George Anders, Howard Williams, R. N. McMahan, Leon Waldrop, P. I. Ledgerwood, E. L. Price, Homer Wilson, Paul Miller, Boyd Meador, Hal Mounce, Odessa Gunn, K. E. Windom, F.

Gossip—

(Continued from page 1)
 find him at that new cabin, and we'll venture to say you'll enjoy the time spent.
 Mrs. Georgia Durham and children have moved into the property recently vacated by the Amos Pages on E. N. 6th Street. Mr. and Mrs. Laroy Sutton and family have moved into the Railroad property on Clarendon Street recently vacated by Mr. and Mrs. Johnnie Cubine.
 The house recently vacated by Mr. and Mrs. W. S. Lentz has been moved to the Warren Camp.
 Mrs. Sinclair Armstrong's new home on E. N. 3rd, across from the Turman duplex, is nearing completion and will soon be ready for occupancy.
 Mr. and Mrs. Jimmy Shelton recently moved into the former A. B. Wood home on North Grove.
 Mrs. Jim Back will continue work on her master's degree in English at W. T. S. C. this summer.
 Another fish story—we hear them every week: Mrs. Warren Stover, who has an apartment at the Hindman Hotel, called this one in. Her brother and his wife, Mr. and Mrs. Harvey E. Looney of Amarillo visited them over the weekend. In riding about our part of the country which is new to both couples, they stopped at the bridge over McClellan Creek, north of town—then decided to go wading.
 Here it is—they caught seven nice fish, one weighing 2½ pounds. They were later joined by the C. T. Tannahill family and had quite a fishing party, better than some at various lakes where he had to pay admission fees, Mr. Looney said.
 Mr. and Mrs. Lloyd Hunt and children of Meadow are visiting in the home of his parents, Mr. and Mrs. C. E. Hunt.
 Do not consider anything for your interest which makes you break your word, quit your mastery, or inclines you to any practice which will not bear the light, or look the world in the face—Marcus Antoninus.
 Isn't it funny how women can talk on and on about things that left them speechless?
 The name Alamo is derived from the Spanish name for cottonwood, a species of poplar tree common in Texas.

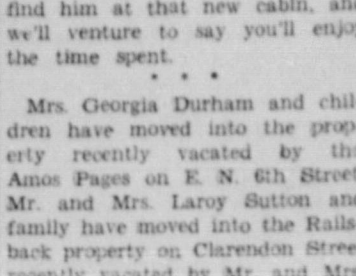

Music Students To Be Presented In Two Recitals

Music students of Mrs. W. Boyett, Dicky Sligar and Barbara Neil Williams, will be presented in recital Friday evening at the Boyett studio.
 The program for the elementary grades will begin at 7:15 o'clock. Following a short intermission, the intermediates will present their recital beginning at 8 o'clock.
 High school students will appear in a recital Sunday afternoon, June 3, at 2 o'clock at the Boyett studio. All who are interested in student recitals are cordially invited to attend any or all of the programs, it was emphasized.

Junior Brotherhood Organized at Baptist Church

Sixteen junior and intermediate boys met at the First Baptist Church Thursday night and organized a Junior Brotherhood.
 Leader for the intermediates will be John Cooper, and Frank Simpson is to be leader for the junior group.
 Pat Reeves was elected president; Jack Bentley, vice president; and David Grigsby, secretary-treasurer. Don Taylor, Dan Taylor, and Max Willingham were chosen as the social committee.
 The organization will meet each second and fourth Friday nights for program. A meeting was called for Tuesday evening for the organization of a softball team.
 Following the organizational meeting, ice cream and soda pop were served.
 E. Hambricht, Jim Simpson, Kenneth Simpson, Ray Hunt, Otto Riemer, Ed Lander, Elia Carmichael, Clarence Voyles, George Terry.
 Mesdames Ed Henley, Clyde Willis, Roy Willingham, Elizabeth Miller, Jess Ledbetter, Velma Betchan, Luther Petty, Wanda Immel, J. A. Brawley, F. L. Jones, R. L. McDonald, Bill Bailey, Billy Jack Bailey, Corinne Trimble, and W. C. Kennedy.
 Misses Eunice Stratton, Grace Wilson, Norma Watson, Oma Bell McPherson, Meril Bentley, LaVetta Kay Sawyer, Jeanne Parris, Jane Williams, Marnelle Ledgerwood, Faye Glenn, and Johnnie Moore. Mr. and Mrs. Luke Henley, Joe Turner, Edward Simpson, and Vernon Kennedy.

HERE'S PROOF that your gasoline mileage depends on your car.

HERE'S PROOF that your gasoline mileage depends on your car. Thirty-one members of the Pittsburgh Society of Automotive Engineers (indicated by numbers on left of diagram), recently drove the same automobile over the same course. Their results (shown by position of autos above) ranged from a low of 10.32 miles per gallon to an average of 13.50, to a high of 17.28. High scorer got 70% more mileage than the low. Gulf Oil laboratories, which supervised test, call it evidence that any driver can get at least 10% more miles per gallon by observing economy driving rules.

Reveille—

(Continued from page 1)
 Hall, who has been transferred to Naval Air Station, Alameda, Calif., entered the naval service August 31, 1950. He received his recruit training at the U. S. Naval Training Center, San Diego, Calif. Before entering the Navy, Hall was graduated from McLean School.
 Vic Shelton, son of Mr. Sam Bruner, son of Mr. and Mrs. Sam Bruner, reported for duty in the navy Monday. Both enlisted several weeks ago. They were allowed to finish with high school graduating class.

TWO THINGS Which Must Stop!

Useless, thoughtless destruction is being done in our Hillcrest Cemetery by people who apparently care nothing for those who have gone on before us. Our loved ones who are buried in the cemetery worked for us in their day, and they now expect us to care for their burial place in a fitting manner.
 The city officials, and the law enforcement officers have received demands from citizens that this destruction be stopped. We are heartily in agreement with these demands and will do all in our power to catch and punish to the limit the vandals who are doing this destructive work.
 This is our first warning—action will come next.

ABOUT AIR RIFLES

The city has long had an ordinance against the shooting of air rifles within the city limits. Now the state legislature has adopted a similar law, making it illegal to fire air rifles within the limits of any city or town.
 Numerous youngsters are being allowed by their parents to continue this practice, but other citizens have asked us to stop the shooting of air rifles. Cooperation of parents is asked in this matter, but unless the air rifle shooting is stopped immediately, the city law enforcement force will have to take action.

CITY OF McLEAN
