LOCAL AND HOME NEWS

Vol. 48.

McLean, Gray County, Texas, Thursday, October 4, 1951.

No. 40.

(More or Less)

Bill Mounce son of Mr. and Mrs. Hal Mounce of McLean, has been elected captain of the New Mexico A. and M. College football team. Bill is an outstanding player as well as football player at the college. Recently he suffered a knee injury in football practice, and was forced to miss one or two games. However, he played in last week's game, and will be ready again this Saturday when the team plays for its annual homecoming crowd.

The formal opening of Brown's Drug Store was a big success. At least, Hickman Brown, owner, had little trouble in giving away almost all of the 500 Vanda candies he had bought for the occasion. And he gave about 600 balloons to the children who came in during the day, too. Brown stated that he was very well pleased with the opening day activities, and that many people visited the new store.

C. E. (Chuck) Cooke, local Chevrolet dealer, returned last week-end from Kodiak Island, Alaska, where he has been hunting for the huge Kodiak bears. Cooke got his bear all right, and it was the largest to be killed during this hunting season. It was the 23rd hunter to visit the island this season.

The bear measured 10 feet, 6 inches in length, and weighed approximately 1,700 pounds. The best to be killed there weighed a record 2,000 pounds.

Cooke went by plane to Alaska, and experienced some difficulty in getting there due to the weather. His plane was grounded in Seattle, Wash., for 12 hours, and then again when he reached Alaska. When he got to the island where he was to take a boat to Kodiak, the boat had already gone—leaving on schedule. As a result, he was flown in a plane to the boat.

The bears were not easy to find, he explained, for he was in the search for the huge animals for nine days before one was spotted. Cooke stated that he took motion pictures during the hunt. The bear's skin will be treated and shipped to him at a later date.

Members of the Junior Chamber of Commerce plan to harvest the crop of castor beans which were planted last spring. The beans have done fairly well, considering the summer's drought and members of the agriculture committee believe that some profit will be made in the beans. However, the beans were given little care during their growth, and weeds and grass hurt their progress.

The castor beans were planted in a 10-acre plot of sandy land in an experiment. If they prove themselves from a financial standpoint, efforts will be made to obtain a market here for raising the beans in the future.

Four members of the McLean High School football team were honored as those boys with the "Biggest" hearts by members of the McLean Lions Club at the regular Tuesday meeting of the club.

The plan to invite two team members each week was only recently adopted, after the McLean-Phillips game had already been played. Named as the pair for this game to be honored were Joe Corley, who suffered a fractured ankle in the game, and Dale Glass. Honored from the game last week with Memphis were Jack Bentley and Max Willingham, who are two of the three seniors on the squad this year.

Canyon Site of Library Meet

District One of the Texas Library Association will have its 3rd annual meeting Saturday, October 13, at West Texas State College in Canyon. Dr. Donald Street, librarian of the University of Denver and director of the school of librarianship, will be the speaker of the evening, and the coordinator of the last sessions of the afternoon. Texas is divided into seven library districts of which the Phillips area has been designated as District one. It comprises 44 counties and extends from the state line on the north to the border and Dawson counties on the south.

Wanta Win \$10—

Slogan Contest

If you want to win a cash prize of \$10 . . . Then get that thinking cap on and think up what you believe should be the slogan for McLean for the future years. The slogan chosen will be adopted as the official slogan for McLean in the future. As far as the Jaycees could determine, the city has never had an official slogan.

Rules for the contest are as follows: 1. Slogans must be turned in not later than Saturday, October 20. 2. Slogans must not be more than five words in length. 3. No members of the publicity committee are eligible to enter slogans. 4. In the event two or more people send in the same slogan and it is determined the winner, the \$10 prize will be divided evenly among those tying. 5. Any individual may send in as many slogans as he or she wishes to enter. The more the better.

The slogan contest is being sponsored by the McLean Junior Chamber of Commerce, prior to the erection of two large signs by the Jaycees at either end of town on Highway 66. Decision to erect the signs, and to sponsor the slogan contest was made at the regular Jaycee meeting Monday night in the American Legion Hall.

Judging the slogans will be members of the publicity committee of the Jaycees, namely: George Terry, chairman; Floyd Guthrie, co-chairman; Maurice Mullanax, Vernon Wood, E. J. Windom Jr., and Emory Crockett.

CLIP THIS COUPON AND MAIL TO McLEAN JAYCEES, McLEAN, TEXAS

My Slogan entry is: _____
My Name: _____
My Address: _____
(If you wish to enter more than one slogan, simply write them on a sheet of paper and send them to the McLean Jaycees.)

Fire Insurance Rates in Texas To Be Lower for Most Buildings

Texas will save an estimated \$2,303,000 on fire insurance during the next year under new rates which became effective October 1. Fire Insurance Commissioner Paul H. Brown said that rates have been reduced on more than a score of types of buildings. Dwelling owners will pay up to 16 per cent less for their fire insurance unless they live in homes which are not near fire hydrants and other municipal fire protection. Owners of mercantile buildings also will enjoy savings in insurance rates ranging from 8 to as much as 16 and 2.3 per cent, depending on the type of construction. Schools and some types of churches also were among the classes granted lower rates, Brown said.

Sales Clinic Is Next Week

An electrical appliance sales clinic will be held in the American Legion Hall in McLean Tuesday and Wednesday evenings, October 9 and 10, under the sponsorship of the McLean Junior Chamber of Commerce. Hickman Brown, Jaycee president, stated this week.

The clinic is being sponsored by the Jaycees as another service to residents of the area. The clinic will be open to the public each of the two evenings, beginning at 7:30 o'clock, and all appliance dealers are urged to attend.

Bob Brummal, division utilization manager for the Southwestern Public Service company, will have charge of the clinic. Main purpose is to give appliance dealers pointers on the sale of their merchandise.

There is no disparity in marriage like unsuitability of mind and purpose.—Dickens.

Memphis Slams Out 26 to 0 Victory Over McLean

Memphis had only a slight weight advantage, and the Cyclone members were almost as inexperienced as the Tigers.

In addition to racking up four tallies, the Memphis lads made two more markers which were called back due to offside penalties. The Tigers were simply outplayed, making only 52 yards on the ground against 347 for Memphis. And the Tigers made only three first downs, one each in the first, third, and fourth quarters. The scoring was as follows: Memphis took the ball on a punt on the Memphis 28, in the second quarter. Runs by Max Kennedy and Frisbie moved the ball to the 12, with a 25-yard jaunt by Kennedy setting up the touchdown. Kennedy passed to Smith over the goal, but an offside penalty brought the ball back to the 17. The same play was repeated, with Smith catching the toss and scoring. Kennedy plunged center for the extra point. Score 7-0.

Before the half ended, the Cyclone was pounding at the door again, moving from their own 31 to the McLean 8. Taking the kick-off in the third quarter, the Cyclone, with Tamplin doing most of the running, moved the ball from their own 29 to the McLean 1. Tamplin plunged left guard to score. Kennedy attempted to pass for the point, but failed. Score 13-0.

Late in the third period, Jack Bentley's pass was intercepted by Stevens, who returned to the

White Deer, McLean Meet Friday Night

White Deer, coached by George Watson, former McLean resident, is considered one of the strongest contenders for the district crown this season. The Bucks have won three consecutive games this year, from Perryton, Claude, and Groom, and all three games were taken by large margins.

McLean has dropped its four games, to Hereford 18-0; Phillips 54-0; Shamrock 51-6; and Memphis 26-0. Dan Cooper's lone touchdown early in the game with Shamrock has been the Tigers' only score this season.

The Tigers probably played their worst game of the season thus far against the Memphis Cyclone last week. Eddie Reeves, sparkplug of the backfield, was suffering with an injured arm during the game, and was unable to pass. He was taken out of the game about the middle of the contest, and did not go back in. However, he is expected to be back in good shape against the Bucks.

El W. Duncan, who has been sidelined with a recurrence of an old knee injury for the past three years, is expected to be back at his center position job against White Deer. Duncan did not work out for more than a week, since Coach Don Leach and Freeman Melton Jr. felt it was best for him to recover completely from the injury before the district contests start.

Founding out the probable starting backfield with Reeves will be Cooper, calling the plays, Wayne Smith, and Don Crockett. End starters will likely be Gale Plummer and Wayne Moore or Don Trew. Tackles will be Don and Smith James Jolly. Guards will probably be Jack Hupp and Max Willingham, with Duncan at center.

The White Deer engagement will be the first of six consecutive district games for the Tigers. Following in order will be Canadian, Clarendon, Panhandle, Wheeler, and Lefors.

Merchants Make Plans for Oct. 13 'Stretcher' Bargains

McLean merchants were putting down their welcome mats this week, as they prepared for another in the series of Dollar-Stretcher Days, being sponsored by the McLean Junior Chamber of Commerce.

The next Dollar-Stretcher Day will be held Saturday, October 13. It is expected that about 30 to 35 merchants will again cooperate in the bargain day program, offering a great variety of both merchandise and service.

Poster Contest at Grade School Feature of Fire Prevention Week

PROCLAMATION

WHEREAS, fires throughout the state and nation annually cause damage running into millions of dollars, and loss of life which can never be replaced in our homes and our hearts;

WHEREAS, it is a known fact that most fires, and most subsequent losses, could have been prevented with the use of greater care in handling fire, and with education about fire prevention being stressed;

WHEREAS, the week of October 7 to October 13 has been set aside throughout the United States as Fire Prevention Week to impress on everyone the importance of using preventive measures when making use of fire;

THEREFORE, I, as Mayor of the City of McLean, do hereby declare October 7 to October 13, as Fire Prevention Week in McLean, and request all citizens to participate and cooperate in any and all programs which might be held during that week.

Signed, E. J. Lander, Mayor City of McLean

Funeral Rites for Sidney Hunt, Victim of Japan Accident, Held

Funeral services for Sidney Clay Hunt, U. S. Army warrant officer who was killed in Japan August 28, were held at the First Methodist Church in McLean Thursday afternoon of last week.

Conducting the rites was Rev. C. W. Parmenter, Methodist pastor and chaplain of the Floyd-Corbin-Florey Post 315, American Legion. Interment was in Hillcrest Cemetery under the direction of the Griggs Funeral Home of Amarillo and the Claborn Funeral Home of McLean.

Gravestone military rites were under the direction of the Legion post. Pallbearers were Legionnaires Bill Day, J. Lester Dysart, J. W. Mescham, C. B. Lee, Truitt Johnson, and E. J. Windom Jr.

The color guard was composed of W. C. Simpson, Floyd Guthrie, Luke Henley, and S. A. Cousins. Firing squad members were Howard Horne, Hickman Brown, Buddy Sutton, Earnest Beck, Amos Page, Pete Henley, and Lester Campbell. Bugler was Gerald Smith.

W. O. Hunt was killed in a jeep accident in Japan while on duty there. He was thrown from the jeep onto a pile of rocks, and was killed instantly.

He was born January 13, 1920, in McLean, and attended school in the Skillet community and in McLean High School. In February, 1939, he entered the U. S. Army, and served in the army until his death.

During World War II, he was awarded the Bronze Star for bravery in Italy with the 5th Army.

He was united in marriage with Beatrice Stanton in October, 1942. They had no children.

Survivors include his wife; his parents, Mr. and Mrs. Herman Hunt of McLean, six brothers, Lt.-Comm. Earnest Hunt of Norfolk, Va., Ray of Shamrock, and Fred, Ward, Glenn, and Charles, of Amarillo; and one sister, Mrs. Kenneth Preston of Amarillo.

Area in Need Of Boll Pullers

Some cotton pullers are needed in the McLean, Shamrock, Wheeler, and Twitty areas, according to L. P. Fort, manager Texas Employment Commission, Pampa.

Fort made a check of cotton producing communities and learned from ginners and farmers that some need exists for hands now. The rush will start within ten to 20 days.

It is hoped that local help will be able to handle the situation for a few days, Fort said.

However, the news is being projected to all parts of the state now through the Farm Labor Bulletin of the Texas Employment Commission, Fort concluded.

Greenbelt Gets \$85,000 Loan

A loan of \$85,000 to the Greenbelt Electric Cooperative, Wellington, has been approved by the Rural Electrification Administration, REA informed Senator Tom Connally recently.

October 7-13 To Be Observed Thruout U. S.

Fire Prevention Week—October 7-13—will be observed in McLean to impress on all residents, both young and old, the importance of preventing fires, and the cost when fires do occur.

Highlighting the observance will be the annual fire poster contest sponsored by the McLean Lions Club for students of the Grade School.

A total of ten rooms at the school will enter the contest, Hayden Bodenhamer, principal, said. Three prizes will be given to the top three winners in each of the ten rooms, and all 30 winners will be taken on a ride on the local fire trucks following the presentation of the awards.

The contest, held annually, is a part of the school work to impress on the children the importance of handling fire with care.

Bodenhamer, in a talk before the Lions Club Tuesday noon, pointed out that the main point in choosing the winning posters is that of the idea expressed by each youngster in his poster. Many of the posters in years past have been very expressive. Bodenhamer also said that the school holds regular fire drills, and that in the first one held this year, the building was completely emptied, and all doors and windows closed, in one minute and 20 seconds. Fire prevention is also stressed in various ways throughout each school year.

The McLean Fire Department will also cooperate in the program during the week. Details of the department's program were not worked out by Wednesday of this week. However, a truck will be placed on display during the week, and an exhibit of fire fighting may be given.

Fire Prevention Week is being observed at the same time in practically every community in the United States.

Rites Held for Lister Baby

Funeral services for Johnny Eugene Lister, 13-months-old son of Mr. and Mrs. Jack Lister of near McLean, were held at the First Baptist Church in McLean Wednesday afternoon at 4 o'clock.

Rev. Buel T. Wells, pastor, conducted the rites. Interment was in Hillcrest Cemetery under the direction of the Claborn Funeral Home.

The baby was born August 19, 1950. He became seriously ill Monday, and was rushed to the hospital at Shamrock. Death came only a short time later.

Survivors include the parents; grandparents, Mr. and Mrs. Odie Keltner of near McLean, and Mr. and Mrs. D. L. Knutson of California; and great-grandparents, Mr. and Mrs. Z. T. Jones and Mrs. Iona Knutson of near McLean, and J. E. McClain.

Nazarenes Host To Missionary

Rev. Earl Mosteller, a returned missionary to the Cape Verde Islands, will be the special speaker at the Church of the Nazarene Sunday morning at 11 o'clock. Rev. E. F. Robinson, pastor of the church, announced this week.

All are invited to attend this service," the local pastor said. "Special singing will also be given by the visitors."

Regular services at the church are as follows: Sunday School, 10 o'clock; Sunday morning worship, 11; young people's meeting, 7; evening worship, 7:30; Wednesday prayer meeting, 7:30; Thursday W. M. S. meeting, 4 o'clock.

BIRTHDAYS

- Oct. 4—Bonnie Jean Edwards.
- Oct. 5—Mrs. R. O. Cunningham, Mrs. Orville Cunningham.
- Oct. 7—Mrs. James Massay, Menroe Combs, Mollie Darlen Gray, Mrs. Jack Mercer, N. A. Barker.
- Oct. 8—Mrs. Kenneth Simpson, Bobbie Jean Turner, J. W. Simons.
- Oct. 9—Mrs. C. E. Cooke, Dickie Crockett, Noah Smith, John Griffith, J. Frank Bidwell.
- Oct. 10—Mrs. F. E. Stewart, Mrs. Ernest Erwin, J. W. Burrows, Don Emmett Cooke, Larry Cunningham.
- Oct. 11—Mrs. Jesse Coleman, Mrs. E. L. Peirce.
- Oct. 12—Blaine Baker, Raymond L. Smith, Mrs. J. E. Smith Jr.
- Oct. 13—Lou Vera Taylor, Mrs. Eldon Agee, Arnold Sharp.

If you wish to train up a child in the way he should go, just skirrh ahead on that line yourself.—Josh Billings.

GOOD HEALTH

1. ARE LOCAL HEALTH UNITS INCREASING?

3. CAN BABIES HAVE HIGH BLOOD PRESSURE?

2. WHAT DOES A FLUOROSCOPE DO?

Answer to Question No. 1:

1. In the total of 3,072 counties in the United States there are 1,220 local health departments, serving 1,546 counties and 78.8 per cent of the population. Growth has been continuous since 1915, when only 13 counties had local health organizations. Every community should see to it that it has adequate public health services.

Answer to Question No. 2:

2. This type of X-ray machine gives the doctor an immediate view of possible fractures and of shadows cast by any unusual growth or obstruction in the

body. These are seen on a screen, instead of being photographed on X-ray film. Thus, the doctor can watch processes going on in the body. Such modern equipment makes the practice of medicine much more exact than it was in the past.

Answer to Question No. 3:

3. Some babies, though few in number, do have high blood pressure. The cause is unknown, but there is a hereditary background in 40 per cent of such cases. However, the average age at which high blood pressure is discovered is 32.

NEWS FROM KELLERVILLE

Peggy Nell Tindall, who is attending Draughn's Business College at Fort Worth, is home for a few days visiting her parents, Mr. and Mrs. R. A. Tindall.

Mr. and Mrs. L. P. McDonald and children spent the week-end visiting relatives at Amarillo and Higgins.

Mrs. Romain Pugh and daughter, Mrs. D. L. Miller, spent Monday with Mrs. Vioma Farren. Mr. and Mrs. R. H. Rountree and girls visited relatives at Wellington Sunday.

Mrs. Anna Hulehina returned Wednesday from a visit to Maryland, visited her daughter, Mrs. Jack Boyd, and returned Friday to her home in Pampa. She and

Mrs. Boyd made a trip to Reydon, Okla., to visit relatives Friday.

Those attending Baptist association meeting in Lefors Monday were Rev. and Mrs. D. L. Hunt, Mrs. Elmer Emmel, Mrs. J. B. Brown, Mrs. R. B. Kinard, Mrs. Jack Boyd, and Mrs. Ollie McPherson.

The Lazy Daisy Club met in the home of Mrs. E. C. West Thursday. Refreshments of lemon pudding and iced tea were served to Mesdames R. B. Kinard, John Gregory, A. L. Farren, W. S. Marshall, J. W. Harris, C. Drum, R. B. McReynolds, H. A. D'Spain, R. Holmes, A. A. Wharton, O. L. Thompson, Bill Holmes, Brent Chapman, the hosts and a guest, Mrs. Bernard McClellan of McLean.

Mrs. Lucille Parker and daughter Rosemary of Phillips visited relatives and friends in McLean over the week-end.

Dinner guests in the home of Mr. and Mrs. W. E. Green Tuesday were Mr. and Mrs. Jim Eason and grandson, and their daughter-in-law, Mrs. Louis Eason of Childress, and Mr. and Mrs. Lon Harbin of Carey.

The McLean News

Hail, Mr. Brown!

I got caught in a web last week, missed the boat, but everything was SWELL-ELEGANT, including the staff.

But without good insurance you would have been very unsound. And that's my business.

My belated congratulations on your opening.

M. D. Bentley

GROWING PAINS

In Gray County

By FOSTER WHALEY
County Extension Agent

To date both gins in McLean have ginned 50 bales of cotton. Most of the cotton is turning out pretty good.

Cotton prices have advanced sharply within the last two or three weeks. L. H. Earthman and I think we have it all figured out. With the government and all nationally-known economists urging farmers to put their cotton in loan, the spinners got uneasy and thought they had better get in a supply before the government stockpiled a large quantity. Guess we could call ourselves economists if the definition I heard for one is correct: "An economist is a person that can tell you why something happened as it did after it happened."

No cotton, to speak of, has been harvested in the high plains country. Looks like they could still make from a third to a half bale to the acre.

4-H boys and girls of the McLean area held a party at the American Legion Hall on the night of September 28. The group enjoyed a nice party where they did group singing and played several musical games. There were about 35 in attendance.

A number of Gray County farmers and ranchers have received fish through the Texas Game, Fish, and Oyster Commission just recently. These fish were delivered to the county seats from the fish hatchery at Dundee. Cither people desiring fish at no cost should write the commission at Austin and ask for application blanks.

Had a talk with Tom Waters, county coyote trapper, just recently, and he tells me the McLean farmers and ranchers have been keeping him pretty busy with calls regarding coyotes. This is a fine service made available to farmers and ranchers by the commissioners court, and we should take advantage of it. If you are having any coyote trouble, drop Tom Waters, Lefors, a card and I'll bet he will respond. I've dropped him quite a few and he has always promptly responded.

Uncooked Pork Can Cause Disease, Doctor Explains

As the weather turns cooler, our thoughts turn to pork roasts, dinners, or perhaps to waffles and sausage suppers. Pork is a palatable food, rich in protein, fat and vitamins. Properly prepared, it is a wise choice of food. Properly cooked pork is gray throughout. Under-cooked pork is pink in color and should not be eaten because it is a common source of the disease trichinosis, says Dr. Geo. W. Cox, state health officer.

"You are perfectly safe from this disease as long as you eat of hogs that did not have trichinosis when they were butchered. But, the danger is real as long as you buy pork and pork products without finding out where they came from. It is equally real as long as you are not careful what your own hogs eat. Most hog trichinosis comes from hogs eating uncooked garbage.

"This disease is caused by a tiny, parasitic, round worm called trichina. It has a particular fondness for the animal's muscular tissue, and while still in the larval stage, becomes embedded there. It is usually in this stage when the animal is killed. People eating the meat without taking proper precautions swallow these larvae. From the mouth they may go to the stomach. Then the larvae bore into the walls of the intestines. Here they grow rapidly and migrate into the blood stream, causing fever, intense pain in the muscles, swelling, and a high bloodcell count.

"There is no absolute cure for trichinosis. The most important preventive measure is to eat only pork that is well cooked."

American rabbits do not dig the holes they live in; European rabbits do.

Cotton can be grown in different colors so that it doesn't have to be dyed.

Ninety-nine per cent of all the calcium we consume is used in the body's bone structure.

The Statue of Liberty was presented to the American people by the French government on the 100th anniversary of American independence.

BROWN'S DRUG STORE

New Window Resists Atom Bomb Effects

PITTSBURGH—The new Flex-Seal Bomb Glass units open automatically in four triangular sections when an explosive force strikes. This release of pressure prevents the window frame from being blown in and greatly reduces the possibility of flying fragments. The window consists of three layers laminated into a single unit. The outer layer is a sheet of glass, the middle layer a sheet of polyvinyl butyral plastic, and the inner layer is four triangular shaped pieces of glass. The plastic layer extends beyond the glass edges and is bolted to the window frame to serve as hinges, permitting the four segments to open like doors when the outer plate of glass is broken.

After an explosion which causes the window to open, the four segments may be returned to position and retained there by a bolt, as shown above, or even a wad of chewing gum. The crevices may then be closed with adhesive tape, putty, clay or whatever is handy, and the restored window again affords protection from cold, rain, storms, etc., until such time as the glass may be replaced.

The Chinese language and its dialects are used by 500 million people; the English language by a little more than 270 million.

STATEMENT OF THE OWNERSHIP, MANAGEMENT, CIRCULATION, ETC., required by the Act of Congress of August 24, 1912, of the McLean News, published weekly at McLean, for October 1, 1951.

STATE OF TEXAS, County of Gray, ss.

Before me, a notary public in and for the State and county aforesaid, personally appeared Lester H. Campbell, who, having been duly sworn according to law, deposes and says that he is the publisher of the McLean News, and the following is, to the best of his knowledge and belief, a true statement of the ownership, management (and if a daily paper, the circulation, etc.) of the aforesaid publication for the date shown in the above caption, required by the Act of August 24, 1912, embodied in section 411, Postal Laws and Regulations, printed on the reverse side of this form, to-wit:

That the names and addresses of the publisher, editor, managing editor, and business managers are: Lester H. Campbell, McLean, Texas.

That the owner is: (if owned by a corporation, its name and address must be stated and also immediately thereunder the names and addresses of stockholders owning or holding one per cent or more of total amount of stock.

The slick operator had just requested deferment from the army on the grounds of bad eyesight. Even with his thick lenses, he had difficulty in finding the chart, let alone reading it. Told to come back later for the verdict, he went to a nearby theater to pass the time.

At the completion of the film, the house lights went on. Much to the potential draftee's dismay, who should be occupying the next seat but the doctor who had just administered his eye examination. Not to be caught short he turned to the doctor foggily, inquiring: "Does this bus go to Yonkers?"

Winter time is on the way, and we suggest you drive in now for a winter oil change. It will pay you in the long run.

Chevron Gas
Station
Odell Mantoath

If not owned by a corporation, the names and addresses of the individual owners must be given. If owned by a firm, company, or other unincorporated concern, its name and address, as well as those of each individual member, must be given.

Lester H. Campbell, McLean, Texas; Arval Montgomery, Shamrock, Texas; H. Herschel Montgomery, Turkey, Texas.

That the known bondholders, mortgagees, and other security holders owning or holding 1 per cent or more of total amount of bonds, mortgages, or other securities are: none.

That the two paragraphs next above, giving the names of the owners, stockholders, and security holders, if any, contain not only the list of stockholders and security holders as they appear upon the books of the company, but also, in cases where the stockholder or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting, is given; also that the two paragraphs contain statements embracing affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as bona fide owners, and this affiant has no reason to believe that any

other person, association, or corporation has any direct interest or indirect in the said stock, bonds, or other securities than as so stated by him.

That the average number of copies of each issue of this publication sold or distributed, through the mails or otherwise,

to paid subscribers during the months preceding the date above is 824.

Lester H. Campbell, Publisher, Sworn to and subscribed before me this 2nd day of October, 1951. (SEAL) (My commission expires June 1953).

Electric Cooking Is

ACCURATE

...as MODERN women KNOW!

Wherever accuracy is required in business, industry, the home, electricity is used. Yes, whether it is synchronizing a nationwide radio hookup, dispatching trains or baking a cake, when you want accuracy and precision, you call on electricity.

When you push the buttons or turn the switches on your electric range, you know that exactly the amount of heat you desire will be on the setting used. You know the heat will be accurate because you know the heat has been measured—measured in the correct amount.

You know, too, that your electric range oven control holds the temperature at the cookbook figure in your recipe, assuring you of cookbook results every time.

Yes, electric cooking is accurate—as modern women know.

Breeders Establish Range Project

Obstacle course puts bulls through paces

BROKEN BOW, NEBR.—One hundred Shorthorn and Polled Shorthorn bulls are being subjected to a rigorous five months' trial here which is similar to an army obstacle course for trainees. Designed to establish the potential ability of 18-month-old bulls as future sires of top-notch range calves in the commercial herds of the West, the plan emanated from the American Shorthorn Breeders' Association and all bulls are assigned to the project by 45 members.

Ratings on each bull are being kept which include daily rate of gain, relative fleshing ability and body capacity as the bulls are handled under rigorous conditions of the breeding range. Relative ratings on carcasses to ideal beef type will be made visually at a show in Broken Bow's Fair Grounds, Oct. 19, where bulls will be judged in groups similar to a

plan followed by Argentine cattlemen. The bulls will not be shown with halters and will be sold at auction immediately following the show in the same manner.

It is established that there is a definite correlation between rate of gain by a bull in his development and the subsequent daily gain of his calves and it is known that the fastest gains are the most economical.

"Buyers of bulls subjected to our 'obstacle course' training eliminate guess-work in the selection of sires," said Clinton K. Tomson, national secretary, "and, in addition, range men can select bulls already adjusted, hardened and acclimated to range conditions. Rugged and muscular from tussling together, these conditions make for vigor and healthfulness and eliminates waste of time necessary to harden soft, stall-fed bulls for range service."

Donley County PMA NEWS

1951 ACP Budget

An additional allocation of \$5,200 was received from the state office this week for the 1951 ACP budget. We have plenty of money to help you with a conservation practice. You can still build terraces, construct dams, drill wells for livestock water, build waterways, and apply superphosphate to grasses, legumes, etc.

If you happen to need one of these practices, come in and make application for it.

Approvals are being issued for winter legumes and rye. These are 1952 practices, but they must be seeded in the fall of '51. Come by and get your approval if you want to seed Austrian winter peas, hairy vetch, and rye.

The Cotton Situation

The September 1 cotton report released by the Bureau of Agricultural Economics, U. S. Department of Agriculture estimates the 1951 Texas cotton crop at 4.8 million bales. This is 200,000 bales less than the August 1 report from the same source. Last year's crop was 2,946,000 bales and the 10-year (1940-49) average was 3,049,000 bales.

For the nation the report estimates the 1951 crop at 17,291,000 bales. This is an increase of 25,000 bales above the August estimate. The 1950 crop was 10,012,000 bales and the 10-year (1940-49) average 12,030,000 bales.

The September report lowered estimates for Arkansas, Alabama, California, Georgia, South Carolina, and Tennessee by 305,000 bales.

The 1951 lint yield per acre for the U. S. is estimated at 200.8 pounds, while the lint yield per acre for Texas is estimated at 183 pounds and is the lowest for any of the cotton growing states. Texas has a reputation for low lint yield per acre as compared to the national average. During the 10 years, 1940-49, the average lint yield per acre in Texas was 181 compared to the national average of 206. The average for Texas in 1950 was 211 compared to the national average of 270. Agronomists of Texas A. and M. College system have estimated that the use of legumes in rotation with cotton will boost cotton yields on an average about 40 pounds to the acre and they say this is a very conservative estimate. Texas cotton growers need to bring their lint yield per acre up to or above the national average and it is the opinion of the agronomists that fertilized

legume crop on cotton land will help to do this.

Price

With world production of cotton once more in excess of consumption, great interest again attaches to the loan rate on cotton in the United States as a lower limit below which the price of cotton cannot fall. On July 27, the United States Department of Agriculture announced that its loan rate would be 21.71 cents per pound for middling 15.16 inch cotton at average location in the

Cotton Belt—the loan rate in 1950 was 29.45 cents and in 1945, it was 29.43 cents.

The loan program can be used by producers as a means of marketing their cotton in an orderly manner, spreading the marketing of cotton over the season (August 1, 1951, to July 31, 1952) rather than concentrating sales in the rush harvest period. During the past 10 years, cotton

prices have reached their highest level for the season during the last half of the marketing season (February-July), and have reached their lowest level for the season during the first half of the marketing year (August-January). Looking at the marketing record for the past 36 years, we find that the peak price for the season was reached before January 1 in only 13 years. Peak price

was reached after January 1 in 23 of the last 36 years.

Mrs. Norma Bowen, Mr. and Mrs. Rex Clark, and Mr. and Mrs. Roy Bird, of Amarillo visited Mrs. Mattie Bowen Sunday.

Mr. and Mrs. J. W. Meacham attended the wedding of Mrs. Meacham's niece at Panhandle Sunday.

The Longer Your List
the LARGER YOUR SAVINGS

The bigger the order, the better the reason for doing your food buying at Cooper's because our prices are low on every item every day. You save from the top of your list to the bottom and that means the total cost is bound to be lower. And, naturally, the longer the list, the larger the savings. So, shop here for all your food needs and you'll eat better for less money.

Tales From the Files of The McLean News, October, 1911

"Two Widows" File Claims

Two women, each claiming to be his widow, and both living in Los Angeles, Calif., have filed claims through Philander C. Knox, secretary of state, for indemnity for the murder of Dr. Arthur Livingston Wilson Foster at Alamo, Mex. in June. One of the women, Mrs. A. L. W. Foster, has filed her claim through Dr. Foster's nephew, Colonel Foster of Newark, N. J. The other, Mrs. Elizabeth Woods, has lodged her claim through her attorney, E. E. Kirk, for \$100,000.

Mrs. A. W. L. Foster claims she was married to Dr. Foster shortly after he graduated from Hahnemann College in Philadelphia, and that they lived together until 1904, when they went to California. There Dr. Foster met Mrs. Woods and spent some time with her, although he never sought a divorce and was never legally married to the woman. Later he returned home and lived with his wife and two daughters until he left for Ensenada, Lower California.

On the trip that ended in his murder, the Woods woman, it is understood, followed him into Mexico and was living with him near Alamo at the time he and five other Americans were slain in a most heartless manner. At the time of the murder and the filing of double claims, Dr. Foster's relatives in the east knew nothing of the kind of life he was leading in the west.

The summary arrest and almost immediate killing of Dr. Foster and three other Americans named DeLoach, Carroll, and Patrick Brennan, has led to a situation that presages a bitter fight in Washington. Dr. Foster and the five other Americans were in prison at Alamo and the doctor was compelled to treat the wounded brought to that city. Among others he dressed the wounds of Gen. Simon Berthold of the rebel army. Later he was ordered shot by General Varga who was killed while riding on horseback to what he was told was another prison. All four men were shot in the back and thrown into a shallow hole and covered with rubbish.

Mr. and Mrs. Earl Alderson and son Gene of Clarendon visited Mr. and Mrs. Irven Alderson over the week-end.

Barbara Barrett, who is employed in Phillips and also attending night school, visited her parents, Mr. and Mrs. H. E. Barrett, over the week-end.

Mr. and Mrs. Clifford Allison and Shirley and Jim visited Mr. Allison's mother, Mrs. J. L. Allison of Clarendon, Sunday.

Mrs. J. H. Wade has returned from Longview, where she has been visiting with her daughter, Mrs. Mabry McMahan.

Here's what has really happened to your telephone bill!

Chopping nowadays is a reminder of what a bargain your telephone service is. Not only has telephone service gone up far less in price than most other things during the last ten years, but it has also increased in quantity and improved in quality.

Considering that wages and family income have about doubled, telephone service stands out as a bigger bargain and a relatively smaller item in the family budget than it was ten years ago.

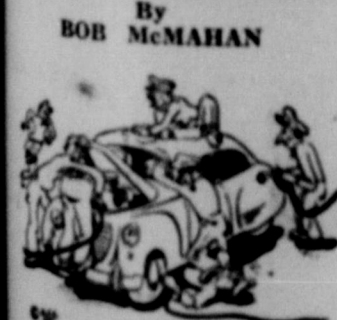

Where Money to Expand and Improve Service Comes From

It doesn't come from the money you pay us for telephone service... that money goes to pay wages, taxes and other operating costs. The money to build new facilities must come from people with money to invest. That's why the future of telephone service depends on the Company's continued ability to pay for the use of money invested in telephone facilities.

CRUSADE FOR FREEDOM

PERHAPS ONE of the most sensible approaches to the problem which confronts us from Communism is the drive now being conducted called Crusade for Freedom.

The drive for funds is being led by the Texas Junior of Commerce throughout the state as a statewide project. In many localities, concentrated drives are being held by the Jaycees.

The program to quieten the Soviet menace seeks to enroll 862,500 freedom loving Texans to "combat Communism and send more messages of truth and hope to millions trapped behind the Iron Curtain."

Signers are asked to back up their signature with contributions to support Radio Free Europe, a network of Crusade-operated radio stations sprinkled along Red controlled countries. Radio Free Europe blasts lies and propaganda of the Kremlin and sends freedom's truth and peace to enslaved peoples everywhere. Stations also expose plots of the Reds.

"This privately operated American enterprise has given the Soviets more headaches than any other weapon in the cold war," Lieut. Gen. Preston A. Weathered, Texas chairman of the drive, says. "It tells the truth and truth is a killer of Communism."

This nation, and other free nations, have tried many, many methods of combating Communism. Arrests of spies, etc., have been made, and punishment given, but those in Communistic Russia are not worried about what happens to their spies—so long as the spies continue to produce. This nation, and other free nations, in an attempt to block the spread of Communism, entered into the Korean war, but even this drastic step has failed to halt the Communists. They care little for lives of human beings. They are interested only in power.

But that power will not be with them long if their own people are given an opportunity to learn how free people actually live, how free people love their countries, how free people can worship in a church of their own choice, how they can talk without fear of punishment.

Radio Free Europe, backed by funds realized from the Crusade for Freedom drive, can give those people behind the Iron Curtain what we want them to know—the fact that our way of life is far better than the life of enslavement.

Texasans wishing to participate in this patriotic program can send their contribution to Crusade for Freedom, Dallas. Their names will be added to the list of those who want to protect the American way of life by eliminating Communism.

Visitors in the home of Mr. and Mrs. Arthur Dwyer last week were Mrs. Dwyer's uncle and aunt, Mr. and Mrs. O. M. Todd, and their daughter, Mrs. Bob Guy, from Los Angeles, Calif.

Mr. and Mrs. Howard Williams visited Mrs. W. H. Pharis at Lela Sunday.

J. A. Sparks made a business trip to Pampa Monday.

LES

TALK

BY LESTER

Know of a recent case wherein a member of an organization was sent to a convention with voting instructions. The delegate had asked for instructions, and whether those instructions were right or wrong, they were given.

Voting time came. The delegate referred to, easily sensing that his vote would not aid any—as the candidate he had been instructed not to support was sufficiently far ahead to already win the office in question—merely refrained from voting.

The delegate's reasoning was that his vote would merely be a protest vote, that it would not help defeat the candidate in question, that a vote against that particular candidate would probably cause dissension later on.

Now I can readily understand the delegate's line of reasoning. It is easy. But what, oh what, of the future? What can we expect from these people we send to Austin and Washington if they always vote the way it seems easiest or surest—or simply refrain from voting to prevent friction?

I will readily agree, also, that that is politics. It is being done every day.

For example, I know a congressman whose major support came from an agricultural section. The support of that section was sufficient to elect him over another candidate who received a majority in more heavily-populated areas. Now that congressman is going all-out for a broader type of farm program, more and more "gimmie" stuff, perhaps because he wants that vote later on.

What he needs to do is to vote as he thinks best for the future of his country, not just for the present of his district.

I will agree with you, however, that if he wants to stay in Washington, he will have to play politics. W. Lee O'Daniel found that out, as have many others before him.

I never was much of an admirer of W. Lee O'Daniel, for the simple reason that I did not believe he was sincere in much of what he did. But if he was, and still is, then W. Lee O'Daniel has been sold down the river for saying what he thought. I repeat, however, that I do not think he was sincere.

Until we can get to Washington a group of men who think first of their nation's future, instead of their home district's present, we will find ourselves drifting more and more and more and more and more and more into oblivion as far as our freedom is concerned.

You can't play that type of politics which is being played in Washington today and still be a man.

What we need in Washington is men. Politics will take care of itself.

We cuss 'em and we cuss 'em, yet let one of us be placed in the position of the delegate mentioned above, and we'll do the same thing, more than likely.

Uncle Sam Says

The current Defense Bond Drive is a challenge to every American to mobilize the power of their beliefs, the national drive for peace, progress and prosperity. The symbol of this drive is the American Eagle standing on guard, ever vigilant and ever strong. Behind this Drive should be put every ounce of the power of every good citizen as a volunteer worker and a volunteer citizen for the defense of America. Put your power and dollars into U. S. Defense Bonds. U. S. Treasury Department

A pillar of the church was the elderly dowager who was endeavoring to introduce the new deacon to her somewhat deaf and rabidly Republican husband.

"Mortimer," she belloved, "this is the new deacon."

"New Dealer?" he barked.

"No, Mortimer, he's not a New Dealer... new deacon... he's the son of the Bishop."

"Harrumph," grunted Mortimer, "every darn one of 'em is."

There seems to be some question as to whether I favor the proposed location of the proposed new Grade School building.

That proposed location, as most of you know, is on the vacant lots immediately north of the Veterans Vocational School building and the new Municipal Building.

To straighten out any reports you may have heard...

Personally I think that location is the most logical of all.

My reasons are simple. I favor a central location of school facilities in a town as small as McLean. There would be numerous advantages, such as one cafeteria to feed students of both high school and elementary, such as one stop for parents who have students in both schools, etc.

My reasons also include the fact that it won't be long until daughter Chris starts to school. And should the building be located in the proposed location, then we could just send her across the street, and she could come home to eat at noon and I could save that cafeteria cost.

My reasons also include the fact that I honestly believe the value of my property will be raised if the building is put there. There are many, many people with children who would prefer to live near the school

building center, and they would be willing to buy my property should I choose to sell it.

There are other reasons, but I think that I have given enough. I just wanted to straighten that out. I don't mind people talking about me, but I don't like for them to tell lies about me.

I am in favor of the proposed location. Plain enough, eh?

By the way, Dollar-Stretcher Day in McLean will be Saturday, October 13. Come to town and stretch those dollars which are becoming harder and harder to get hold of.

Mr. and Mrs. J. J. Grubbs of Shamrock, and Mr. and Mrs. G. N. Frost and children visited last week-end in the home of Mr. and Mrs. W. W. Frost.

SOCIETY

Darlene Shadid, O. R. Gray to Wed Here November 4

Mr. and Mrs. W. W. Shadid of McLean announce the engagement and approaching marriage of their daughter Darlene to Oscar Raymond Gray, son of Mr. and Mrs. H. M. Gray of Amarillo.

The vows will be read Sunday, November 4, at 3 o'clock in the afternoon at the First Presbyterian Church in McLean.

Friends of the couple are invited to attend.

Johnny Vineyard Named Honoree At Farewell Party

A group of young people enjoyed a going-away party Saturday night at the Snack Shack honoring Johnny Vineyard, who left Monday for Camp Stoneman, Calif.

Those who attended were Mr. and Mrs. Ted Simmons, Mr. and Mrs. Bill Ferguson, Mr. and Mrs. Frank Simpson, Mr. and Mrs. Johnny Haynes, Mr. and Mrs. Sammy Haynes, Mr. and Mrs. Kenneth Simpson, Mr. and Mrs. Frank Stewart, Mr. and Mrs. Johnny Vineyard, Mrs. Bill Reeves, Norma Watson, Neil Price, and Jack Milton.

Progressive Club Meeting Is Held At Snack Shack

The Progressive Study Club met Thursday, September 27, at the Snack Shack.

Dorothy Andrews was in charge of a program on "Federalism." Margaret Wells gave the welcome and invocation.

Coffee was served to Margaret Wells, Dorothy Andrews, Odie Chaborn, Pearl Dickinson, Joann Miller, Mary Howard, Dorothy Beck, Luella Stokes, Dixie Mencham, Isabel Cousins, Ruth Mag-e, Margaret Grogan, Tressie Man ooth, Fern Boyd, Maybelle Nash, Mary Crockett, and Loree Brown.

Capt., Mrs. Hill Dinner Honorees In W. L. Hill Home

Capt. and Mrs. Leonard Hill and family of Albuquerque, N. M., were honored with a dinner at the home of Mr. and Mrs. W. L. Hill over the week-end. Capt. Hill is now stationed at Montgomery, Ala.

Those attending were Mrs. Buzz Holt of Amarillo, Mrs. Johnny Kirk and son of Dumas, Mr. and Mrs. Charley Hill and son and Mrs. Mona Hill and children of Lipscomb, and Mr. and Mrs. Floyd Rogers and son of Mt. Pleasant.

Mr. and Mrs. T. B. Windom are home from a two-weeks visit with friends and relatives in New Mexico.

Mrs. Gene Nicholas Entertains With Wiener Roast

Mrs. Gene Nicholas gave a wiener roast last Thursday evening at the City Park for members of her Sunday School class.

Members present were Mauree Miller, Rotha Rensau, Glenda Smith, Martha Day, Helen Pears-on, Carolyn Pool, Rosie Lee Smith, and Sondra Graham. Visitors were Barbara Brown, Delores Ann Hauck, Ella Gail Day, Alma Pool, and Linda Nicholas.

Mr. and Mrs. Cad Bowerman and children visited J. M. Burgess of Wheeler Sunday.

Mrs. Grace Windom and Mrs. Marsalee Vineyard took Johnny Vineyard to Amarillo Monday, where he left for Camp Stoneman, Calif.

Mr. and Mrs. Hoot Simmons visited Mrs. Simmons' parents, Mr. and Mrs. Josh Chilton, Sunday.

Mr. and Mrs. J. F. Boling spent the week-end in Oklahoma City visiting Mrs. Velma Wise.

Mr. and Mrs. Roy Blackmon of Clarendon are visiting relatives here this week.

Mr. and Mrs. E. L. Smith and children attended the Tri-State Fair in Amarillo last Wednesday.

Mrs. John Cooper and children, Ann, Joe, and Ruth, of Tucuman, N. M., visited Sunday with Mrs. Cooper's parents, Mr. and Mrs. George Clebank.

If the President and Vice President of the United States should both die, the Secretary of State, an unelected official, would succeed to the office.

The Truckers Safety Service

Donley County—SOIL NEWS

Many farmers throughout the district are seeding cover crops so that we have received good moisture over most of the area.

Rye, wheat, hairy vetch, and Austrian peas are the crops being planted. These are all winter growing plants and will help protect the land from blowing soil as well as add some much needed organic residues to the soil.

With our short feed crop this year some farmers and ranchers are looking to these crops for winter and spring pastures as well as for soil improvement.

The new seeder the district purchased recently is becoming quite popular with many farmers who have used it or seen it operate. This is the implement designed for planting cover crops in the middles of cotton or sorghums without damaging the growing crops.

Some of the farmers having used this seeder are L. E. Blankenship, Ted Maddox, Oscar Moore, Ernie Evans, and Edwin Eades. These men are all highly enthusiastic about this drill as well as the virtues of this practice of seeding cotton and feed land to

winter cover crops.

With our large acreage in cotton this year we are almost certain to have severe blowing on this land next spring unless precautionary measures are taken. Chiseling on the heavier soils and deep plowing of the sandier soils have proved effective in most cases; however, a good turf of a growing cover crop on the land offers the best protection of all.

All farmers are invited to visit the Soil Conservation Service office for additional information or on-site technical assistance in seeding cover crops or other soil conservation work needed on your land.

In addition to the row seeder, the district has the following equipment for rent to farmers: eight grass drills (also suitable for seeding alfalfa), two combination fertilizer-grain drills, one brush beater, one tractor and sprayer, and one sweep plow. Anyone wishing to use any of this equipment, should contact the SCS office.

Simpson Registrar For 18-Year-Olds Eligible for Draft

Boys who reach the age of 18, required to register with the nearest draft board, can register in McLean with Frank W. Simpson at the post office.

The nearest draft board is Local Board No. 52, Pampa, which has jurisdiction over Gray, Donley, Wheeler, and Roberts counties. Simpson's services as registrar enables boys in the McLean area to register nearby without having to go to Pampa.

A local board is maintained for the four-county area because one board can take care of it under present circumstances and thus help keep down the cost of government.

Brig. Gen. Paul L. Wakefield, state Selective Service director, said that "people should appreciate the service Simpson is rendering to the people of the McLean area. He does this job without pay as a patriotic service to his country."

All males are required to register under the draft law on their 18th birthday or within five days thereafter.

Maximum penalty that can be applied for failure to register is \$10,000 fine, or five years in prison, or both.

Mr. and Mrs. F. L. Jones visited Mrs. Jones' mother, Mrs. J. L. Ayers of Clarendon, Sunday.

Mr. and Mrs. Jack Bailey visited L. I. Armstrong in Alameda Tuesday.
Truth comes from a deep sincerity that must always characterize heroic hearts; it is the better side of man's nature developing itself.—Henry Baker Eddy.

REVEILLE
with the boys
Sgt. Harold E. Richardson, who is stationed at Tinker Field, Okla., has been promoted to staff sergeant. Sgt. and Mrs. Richardson are the parents of a daughter, born September 21. Her name is Martha Darlene, and she weighed 7 pounds, 9 1/2 ounces.

Sgt. and Mrs. Roy G. Glenn have been transferred to Tacoma, Wash., from Great Falls, Mont. Sgt. Glenn is the son of Mr. and Mrs. C. R. Glenn of McLean, and Mrs. Glenn is the daughter of Mr. and Mrs. Sam H. Jones, also of McLean.

Pfc. Bobby J. Massey, son of Mr. and Mrs. Bob Massey, has been sent to Germany with the U. S. Army.

Kenneth Gibson, son of Mr. and Mrs. Leo Gibson of McLean, who has been on Guam, has been sent to Yokota Air Force Base, Japan, for 90-days special training. He will likely be returned to Guam after this period of training. His present address is: Sgt. K. M. Gibson, 30-16 AWS Det., APO 338, P. M., San Francisco Calif.

Somewhere in Korea. Dear Mom, Dad and Doug: I am sorry that I haven't written sooner, but I have been busy. Guess everyone is still working. I am still doing all right.

I sure would like to see you all but it will probably be Christmas or later before I get home. I get a letter from Neona every day; sure would like to see her and little Doyle.

I am still driving a truck. I have a new one to drive now and I'm supposed to make motor sergeant pretty soon and I'll be in charge of all the trucks; then I'll get promoted to truck sergeant.

Tell Jack hello for me and tell him it is rough in the field, but I have it pretty easy; the poor old infantry is the one that has it rough. I sure feel sorry for them.

I don't think they will ever have a cease fire over here, I think the Chinks are stalling for time.

Well, Doyle was supposed to leave the 25th of August. Guess he is home by now. I'm sure proud that he got to leave this place.

When have you been to McLean? Tell Ermin hello for me when you see him.

Well, Mom, guess I better quit; it is chow time. Tell everyone hello for me and don't worry about me—I will be all right. Cpl. Kenneth E. Northcutt King Btry, 4th Bat. 11th Marines 1st Marine Div., of P. P. O. San Francisco, Calif.

Mr. and Mrs. N. E. Savage of Phoenix, Ariz., are here for an extended visit in the home of their daughter, Mrs. H. W. Grigsby.

Mr. and Mrs. Gus Savage and Mrs. T. Spurlock of Nashville, Tenn., and Mr. and Mrs. M. W. Savage of Evansville, Ind., visited Mrs. H. W. Grigsby and Mr. and Mrs. N. E. Savage this week.

Mrs. Charles Bailey visited in Lela with Mr. and Mrs. Guy Pharis Sunday.

Mrs. Luther Petty attended the annual North Fork Baptist Association at Lefors Monday and visited in the home of her sister, Mrs. W. E. James.

Mr. and Mrs. C. C. Carter from Long Beach, Calif., Mr. and Mrs. J. O. Carter of Snyder, Okla., and Mrs. R. L. Carter of Borger visited in the Wheeler Carter home over the week-end.

Rev. and Mrs. C. W. Parmenter plan to leave this week for Sabine Pass, where they will take part in a Texas-wide revival meeting program. They expect to be away almost ten days.

Mrs. Luther Petty and grandson, Vernon Luther Kennedy, spent the week-end in Amarillo with Vernon's mother, Mrs. Zora Kennedy, other relatives and friends, and attended the Tri-State Fair.

Mrs. Luther Petty transacted business in Shamrock Wednesday afternoon of last week, and attended services at the First Baptist Church in the evening and heard Joseph Cohen, a converted Jew, speak.

SOCIETY
Vergie Mae Smith And Ed Billingsley United in Marriage
Miss Vergie Mae Smith, daughter of Mr. and Mrs. J. N. Smith, and Ed Billingsley, son of Mr. and Mrs. Lee Billingsley of Texas, Okla., were united in marriage in Clovis, N. M., October 1 at 4 o'clock in the afternoon.

Accompanying the couple were Mr. and Mrs. Virbin Billingsley. Mrs. Billingsley attended the McLean schools, and Mr. Billingsley attended the Hill schools.

After a wedding trip to Lovington, N. M., the couple will be at home in Odessa, where Mr. Billingsley is employed.

Mrs. Enloe Crisp Program Leader At Auxiliary Meet
The Ladies Auxiliary of the First Presbyterian Church met Tuesday in the church parlor.

Mrs. Cort Meyers opened the meeting with the Lord's Prayer in unison.

Mrs. Enloe Crisp was leader of the following spiritual life program on hope: devotional and prayer, Mrs. F. E. Hambricht; missionary names and prayer, Mrs. Hambricht; "A Door of Hope," Mrs. Haskell Smith; prayer, Mrs. Smith; "Why I Am a Christian," Mrs. Crisp; poem, "We Pray for Peace," Mrs. C. O. Goodman. The meeting closed with the Mizpah benediction.

Present were Mesdames Meyers, Crisp, Smith, Hambricht, Goodman, J. B. Hembree, and Mattie Graham.

Jimmy Stevens Named Honoree At Birthday Party
Jimmy Stevens was honored at a birthday party Saturday, September 29, in the home of his parents, Mr. and Mrs. J. M. Stevens.

Games were played and refreshments of ice cream and cake were served. Those present were Donna Joyce Boyd, Judy Smith, Robert McCabe, Billy Matthews, Betty Lou Matthews, Val Sharp, Kelly Ray Voyles, and Peggy Sharp.

Book Review Given at Church By Mrs. Cooper
A delightful presentation of the book, "The Enduring Hills," by Janice Giles, was given Tuesday evening at the McLean Methodist Church by Mrs. M. E. Cooper of Pampa.

The review was sponsored by the Wesleyan Service Guild. Mrs. Clyde Magee, president, introduced the speaker and presented her with a gift following the review. Mrs. Frank Rodgers played a number of piano selections.

WSCS Members Have Meeting In Church Parlor
Members of the Women's Society of Christian Service of the McLean Methodist Church met in the church parlor Tuesday afternoon.

The program was as follows: song, "America"; prayer, Mrs. F. M. Smith; introduction of study, "We Americans, North and South," Mrs. J. L. Andrews; roll call, current events on Latin America; scripture, Isa. 52-7; meditation, Mrs. R. N. Ashby; song, "O, Zion Haste"; benediction, Mrs. C. W. Parmenter.

Attending were Mesdames J. L. Hess, Ashby, A. Stanfield, John Sparks, Earl Eastace, Cliff Day, C. M. Carpenter, J. E. Kirby, Fubes, Ellen Wilson, F. P. Wilson, W. M. Rhodes, W. E. Bogan, Andrews, Smith, and Parmenter.

M. D. Bentley attended the North Fork Baptist Association meeting in Lefors Monday.

East is west and west is east on the 180th meridian.

According to Einstein, time is the fourth dimension.

Disregarding air resistance, a body will fall 16 feet in the first second after it is dropped.

The force of one's being, if it has any force, must come from within.—R. W. Clark.

Theodore Roosevelt was the first American hero to have ticker tape dumped on him as he rode in a parade.

Methodists Launch 1st Phase Of State Evangelistic Mission
Texas Methodism launches the first phase of the state-wide United Evangelistic Mission this week, which Bishop William C. Martin of the Dallas-Fort Worth area characterizes as the most intense and far-reaching evangelistic activity in which the Methodists of Texas have ever been engaged.

Six hundred thousand Methodists will be involved in this all-Texas Methodist revival which began September 28 and continues through November 4.

Districts will exchange pastors in this first phase of the effort, October 5 to 14, in the Houston area. In the second phase, Houston pastors will be the guests of churches throughout North, Central, and Northwest Texas Conferences October 25 to November 4.

Students and faculty from the Perkins School of Theology and 100 top-flight leaders from over the nation, including nine bishops, will participate in this endeavor. Rev. Howard Ellis of Nashville, Tenn., representative of the General Board of Evangelism, is directing the project which he describes as the largest evangelistic endeavor of its kind ever undertaken.

Districts exchanging pastors are: Perryton, Amarillo, and Clarendon with San Angelo and Kerrville; Lubbock, Vernon, and Abilene with Austin and Corpus Christi; Sweetwater and Plainview with McAllen and Bryan; Stamford with Tyler. Rev. C. W. Parmenter, local pastor, is to conduct the meeting at Sabine Pass.

In North Texas, Dallas exchanges with Houston; Denton with Huntsville; Paris and Sulphur Springs with Galveston; Wichita Falls with Longview; Sherman with Palestine; Greenville with Beaumont; McKinney with Naacodoches.

Central Texas exchanges include Cleburne to Longview; Corsicana to Beaumont; Gatesville to Palestine; Georgetown to Huntsville; Waxahachie to Naacodoches; Waco to Houston; Weatherford to Texas; Fort Worth to San Antonio; and Brownwood to Galveston.

Both the employer and the worker should be certain that the worker's social security number appears on the return and that it is correctly shown. Incorrect or missing numbers mean additional work for the government and the employer to insure that the worker gets credit for the wages.

At Home—
NEW BOSS
Mr. and Mrs. Walter Todd of Lefors are the parents of a boy, born September 28. He weighed 6 pounds and 10 ounces, and has been named Walter Roy.

Sgt. and Mrs. Harold E. Richardson of Tinker Field, Okla., are the parents of a daughter, born September 21. She weighed 7 pounds, 9 1/2 ounces, and has been named Martha Darlene.

Mr. and Mrs. V. A. (Dusty) King of McLean are the parents of a son, born Tuesday evening at 6:18 o'clock at the Shamrock hospital. He weighed 7 1/2 pounds, and has been named Roy Arnold.

McLean—
FFA NEWS
The McLean F. F. A. members have had a busy week. Last Wednesday, September 26, B. W. Duncan, D. N. Godfrey, and their advisor attended the district meeting at Wheeler. B. W. was elected vice president of the Top o' Texas District F. F. A. Association. The boys made plans for the district activities for the year. They plan to hold the district banquet at Pampa during the Top o' Texas stock show, and to hold the leadership contest at Canadian February 16. They did not set a date for the district sweetheart contest but plan to hold it during the spring. The McLean chapter will present their sweetheart as a candidate for the contest this year.

Saturday Mr. Gibson took 38 boys on a bus to the Tri-State Fair in Amarillo. This trip was very educational as well as entertaining as the boys had the opportunity to see the best stock in the Tri-State area and exhibits prepared by the various vocational agriculture departments and counties of the area.

Because pigs, especially wild ones, can get sunburned, agricultural authorities recommend use of sunburn lotion on them.
