MR. AND MRS. ROBERT E. KRAMER

Miss Opal Bailey Becomes Bride Of Edward Dwyer

Miss Opal Bailey, daughter of Jod Bailey of Akron, Ohio, became the bride of Edward Dwyer, son of Mr. and Mrs. John W. Dwyer of McLean, Saturday, September 12. The double-ring ceremony was read by Harold McColum, minister of the Church of Christ, in the parlor of the Dwyer home.

The bride was attired in a pilot blue suit with navy accessories, and wore a corsage of white carnations.

Mrs. Mary Dwyer, sister-in-law of the groom, was matron-of-honor. She wore a tan suit with gray accessories, and a white carnation corsage.

Carl Dwyer served his brother as best man.

The parlor was decorated with bouquets of roses and dahlias for the occasion.

The refreshment table for the informal reception was decorated with orchid daisies. There were 22 guests present.

Mrs. Dwyer attended the Bath High School, Tarleton State, and Texas Tech. She is now employed with the Retail Merchants Association in Lubbock as a typist. She plans to attend Tech this fall to receive her degree.

Mr. Dwyer is a graduate of the McLean High School, and will receive his degree at Texas Tech next January.

The couple will be at home at 2409 13th Street, Lubbock.

Centennial Club Meets in Home Of Mrs. Patterson

The Centennial Embroidery Club entertained with a breakfast Friday, September 11, in the home of Mrs. M. H. Patterson.

Hostesses for the initial event of the club year were Mesdames Patterson, Kid McCoy, Vigna Franks, and Boyd Reeves.

Other members attending the breakfast were Mesdames R. L. Appling, C. M. Carpenter, W. E. Bogan, Amos Thacker, J. E. Kirby, H. W. Finley, Byrd Gull, J. L. Andrews, C. E. Cortis, and two guests, Mrs. John Kirby and Mrs. R. G. Florey.

Howard Family Reunion Is Held At J. B. Rice Home

A reunion for the J. S. Howard family was held in the home of Mr. and Mrs. John B. Rice Sunday, September 13.

Those attending, in addition to the host and hostess, were Mr. and Mrs. Bob Howard and daughter, and Mr. and Mrs. Dale Farley and family, of Lubbock; Mr. and Mrs. Ben Howard and daughters of Sunray; Robbie Howard of Amarillo; Mrs. H. E. Franks, Mrs. Edwin Howard and sons, Mr. and Mrs. Paul Miller and son, and Mr. and Mrs. Frank Howard and sons, of McLean.

Mrs. J. K. Perkins and Mrs. Alvis Dodd and Pat of Alvord visited last week in the home of Mr. and Mrs. W. J. Hanner. They came to be with Mr. Hanner, who has been ill for three weeks. His condition is reported as better. Mrs. Dodd is the Hanners' daughter, and Mrs. Perkins is a sister of Mrs. Hanner.

Miss Carolyn Blue, Robert E. Kramer Wed at Cherokee

Miss Carolyn Blue of Albuquerque, N. M., became the bride of Robert E. Kramer of McLean during an impressive double-ring ceremony performed by Rev. C. E. Hendricks on Sunday morning, August 23, at 9 o'clock in the home of the bride's maternal grandmother, Mrs. L. T. Lancaster, in Cherokee, Okla.

The bride is the daughter of Virginia Lancaster Blue of Albuquerque, and B. M. Blue of Denver, Colo. Mr. and Mrs. E. H. Kramer of McLean are the parents of the groom.

Pedestal baskets of white chrysanthemums and palms of jade leaves formed a beautiful setting before a large mirror framed with leaves of huckleberry in the living room of the home. Two seven-branched white iron candelabra held white cathedral tapers.

Preceding the ceremony, Miss Barbara Ann Brown of Cherokee presented a short program of nuptial music and accompanied Miss Jerri Searcy of Beaver, Okla., as she sang "Till the End of Time" and "The Lord's Prayer."

Ken Blue of Albuquerque, brother of the bride, and Donny Puett of Oklahoma City, nephew of the groom, were candlelighters. They wore navy blue trousers with white dress shirts and navy bow ties.

The bride, given in marriage by her uncle, Emil Blue of Carrier, Okla., chose a ballerina length bridal gown of white satin with a white nylon tulle overskirt. The fitted bodice was styled with an oval neckline gathered in with an inset of pleated tulle and edged with white daisies. She wore matching white nylon mitts trimmed with white daisies. Her nose veil of white illusion was attached to a halo of white velvet. Her bridal bouquet was a cascade of white roses encircled with white carnations, stephanotis, and white satin ribbon.

Mrs. Art Yocam of Cherokee served her niece as matron-of-honor. She wore a ballerina length gown of blue nylon tulle and lace over taffeta. The strapless bodice and peplum of lace were embellished with rhinestones and the bouffant skirt was of tulle over taffeta. She wore a matching fitted stole of tulle and her headdress was a halo of blue tulle trimmed with rhinestones. She carried a colonial bouquet of blue carnations tied with a wide blue satin bow.

Miss Macheta Okley of Cherokee and Miss Bobbie Medley of Guyman, Okla., were bridesmaids. They wore identical ballerina length gowns of blue nylon tulle over taffeta, fashioned with strapless bodices and bouffant skirts. They wore matching fitted stoles and headdresses of blue tulle. They carried colonial bouquets of blue carnations tied with blue satin bows.

Burl Puett of Oklahoma City served his brother-in-law as best man. Groomsmen were Johnny Haynes of McLean and Jack Treadwell of Oklahoma City. Rocky Dan Yocam, cousin of the bride, was the ring bearer.

The bride's mother wore a navy blue linen dress trimmed with rhinestones, with navy blue accessories and a shoulder corsage of red roses. Mrs. Kramer, mother of the groom, wore a navy blue suit with navy and white

accessories. Her corsage was also of red roses.

A reception was held immediately following the ceremony. The bride's table was laid with a white cut-work linen cloth, crystal and silver service, and was centered with a three-tiered wedding cake topped with a miniature bride and groom. Mrs. Puett, sister of the groom, served the cake, and Mrs. Jack Treadwell, aunt of the bride, poured.

They were assisted by Misses George Ann Houghokee and Beverly Baker of Cherokee, and Barbara Abrams of Guyman. Miss Sally McMurray of Guyman registered the guests and Mrs. Lydia Constant was in charge of the gifts.

For travel, Mrs. Kramer wore a brown faille suit with white trim and brown velvet accessories. Her corsage was of white roses.

40 Years Ago — IT HAPPENED HERE

After the conclusion of the regular weekly meeting of the local Oyster Supper Club on last Saturday night, the members adjourned to the restaurant, where they enjoyed a magnificent oyster supper at the expense of the lodge. While the evidence of eager appreciation was manifest, Mr. Mathews served the supper with a speech that was distinctly pleasing and the affair was very much enjoyed.

More members are continually being added to this fraternity, which already has the largest membership of any order of the club.

The Do-Something
The club met at the usual place Saturday evening, October 11th, and all enjoyed an interesting meeting. No one was reported sick by the committee to look after that business. Three new members were present and it is hoped that the club will grow in number and strength each meeting. A very interesting game of "Public Questions" was played, the game consisting of public questions and answers. The club is still encouraged to join and each one is trying to get another new member each meeting.

Press Reporter
Complimentary to Mrs. W. H. Meadames S. O. Cook and B. Veatch entertained at the club home on last Tuesday afternoon from 3 to 6 with a delightful informal reception. The afternoon was enjoyably spent at progressive 42 interspersed by an impromptu musical program by C. H. Rowe.

The reception and dining room were tastefully decorated and appointed score cards were awarded each guest. At a late hour delicious refreshments consisting of a salad course and chocolate end cake were served. One who participated in this enjoyable affair were Meadames H. Holt, D. B. Veatch, C. H. Row, T. A. Cooke, J. L. Crabtree, W. C. Fester, J. H. Crabtree, J. A. Stubbs, W. M. Massay, Frank Chambers, Earl S. Hurst, M. Wolfe, C. S. Rice, W. R. W. R. Patterson, and the ladies.

S. R. Jones, local minister, performed the ceremony Sunday at 2:30 p. m. which united in marriage Miss Alma McCracken of Laredo and Mr. Clyde Rosson of Donley County. The young couple drove from Alanreed Sunday morning and were married in a buggy in front of the Jones residence. They will make their home in Donley County. Friends both here and at the bride's home join with us in wishing for them happiness and prosperity through life.

Gets Sprained Arm

Jimmie Back had the misfortune one day last week to fall from a windmill tower at his father's place north of town and sustained several bruises, principal of which was a very badly sprained wrist. While his hurts are not serious, the right arm will be out of commission for some time on account of the sprain.

To Waco
W. R. Patterson left Saturday afternoon for Waco, where he goes to attend the meeting of the Masonic Grand Lodge of Texas as a delegate from the local lodge. He expects to visit at his old home in Hill County while away.

Mr. and Mrs. Johnnie Back took their daughter Mary Ann to Abilene last week-end. She enrolled in Abilene Christian College.

Mr. and Mrs. Norman Ferguson and Bossie West of Chicago, Ill., Mrs. Veva Graves and Mr. and Mrs. John Robert Chambers and daughter of Plainview spent the week-end with Mr. and Mrs. F. L. Bones.

Mr. and Mrs. Granville Boyd and daughter spent the week-end in Amarillo with Mr. and Mrs. R. N. McMahan.

Mr. and Mrs. C. M. Carpenter spent the week-end with their children in Lubbock.

Mr. and Mrs. W. C. Simpson and Mrs. Leon Crockett were in Pampa on business last Wednesday.

Mr. P. L. Ledgerwood spent last week with Mr. and Mrs. Jack Burnett in Dumas.

Mr. and Mrs. Jim Back visited with her brother, W. S. Featherston, in Aspermont Sunday.

Mr. and Mrs. Eob Williams of Forger visited with Mr. and Mrs. H. E. Barrett Sunday.

Mr. and Mrs. Earl Alderson and son Gene of Clarendon spent Sunday with Mr. and Mrs. Irven Alderson.

Mr. and Mrs. J. A. Brawley, Mrs. Pearl Johnson, and Mrs. Marie Henley visited in Shamrock Friday with Mr. and Mrs. Wesley Sims and son.

CARD OF THANKS
I desire to express to my kind neighbors and thoughtful friends my heartfelt thanks for their many expressions of sympathy. The beautiful floral offerings were especially appreciated.
Mrs. Versie Grigsby.

STRAWBERRIES IN BLOOM

Strawberries are in bloom. This charming frock in Reeves "crispette" cotton, treated with an Everglaze finish so it will resist rumpling, is printed with a strawberry print on white background. Designed by Minx Modes, the dress has a tiny tucked, rhinestone-sprinkled bodice.

Mrs. J. L. Allison of Clarendon spent the week-end in the home of her son, Clifford Allison.

Mrs. A. H. Smith visited with Mrs. Joe Richardson in Shamrock and Allen Smith in Lela last week.

Editorial

INSIDE OUR GOVERNMENT

ON AUGUST 24, the Internal Security Subcommittee of the Senate Judiciary Committee—whose chairman is Senator Jenner, and whose membership consists of five Republicans and three Democrats—issued an astounding report. After exhaustive investigation of subversion inside the government, it had found that "The Soviet international organization has carried on a successful and important penetration of the United States Government and this penetration has not been fully exposed."

The subcommittee came to a number of other related conclusions. The following, given here in condensed form, are among them: The penetration has reached into the top level of the government. Members of the conspiracy successfully protected and helped obtain advancement for each other. Over the years the penetration was made into agencies concerned with economic recovery, war, and foreign policy and postwar planning. The communist infiltrators generally worked behind the scenes—influencing congressional investigations, drafting laws, etc.—and always served the interest of their soviet superiors. Literally thousands of U. S. secrets have been stolen by Soviet agents within our government. Despite warnings by the FBI and other security agencies, little was done by the executive branch to prevent such espionage until Congress acted. Policies and programs laid down by members of this conspiracy are still in effect within the government and constitute a continued hazard to national security.

The report goes into considerable historical detail. The first organized penetration apparently took place in the early '30s, and thereafter it was broadened to an almost unbelievable extent. According to evidence possessed by the subcommittee, members of the secret communist underground included an executive assistant to the President; an assistant secretary of the treasury; the secretary of the Internal Monetary Fund; a member and a secretary of the National Labor Relations Board; a chief counsel for the Senate subcommittee on civil liberties; and the head of the Latin-American division of the office of strategic services. The report gives a number of typical case histories of men within the government who served their soviet masters especially well, and deals with witnesses who invoked the fifth amendment when called to testify. All of these, its report says, "were unyielding, uncooperative, and even abusive."

Finally, after citing chapter and verse concerning the conspiracy for thousands of words, the subcommittee makes certain recommendations. It urges that the investigation be continued and that the work be facilitated by giving Congress the power to grant immunity to key witnesses. It also urges that the executive branch re-evaluate the records and histories of all employees brought into government, recommended or promoted by persons shown to have been Soviet agents, along with all employees who have been closely and intimately associated with persons shown to be Soviet agents. Another very important recommendation is that the "legislation now before committees of Congress which would operate to prevent communist organization and control of workers in communications and other vital defense industries be considered for early enactment."

A brief resume such as this can touch only a few high spots of the findings. The whole document deserves the widest possible reading.

A Day At the Races

If you saw as much highway traffic go by every day as we do, you, too, would spend days upon days at the races. For the highway of today—any of the many which make up our great network of roads—are being made into race tracks by many, many drivers. We urge you to drive sensibly, safely, and surely. You'll live much longer, and your car will last much longer. One way to drive more safely is to be sure your car is running properly, so come in today and let us check that vehicle for possible defects which could cost you your life.

TV reception seems to be improving from day to day from KGNC-TV. Not the best in the world as yet, but lookable. Must be satisfactory to quite a number of folks—the local dealers are beginning to decrease their stocks considerably. Still more improvement in the quality of the picture is expected when KGNC goes on with its full 100,000 watts power; but the increase isn't expected to be outstanding.

Incidentally, dealers are experimenting more and more with different type antennas. Some seem to bring in better pictures than others. The location of your home seems to make a great deal of difference, too.

TV is a mighty peculiar thing.

"That's a bad gash you have on your forehead. How did you get it?"
"I bit myself."
"Come now. How could you bite yourself on the forehead?"
"I stood on a chair."

Johnnie Back, Lawrence Watson, Lester Dysart, and I went over to the colored boys football game in Shamrock last Thursday night. It was the first such game between two colored teams I had ever seen. Wasn't a bad game at all. However, the Frederick Olka, boys apparently had not been working out very long, for they used only about four different plays. So Amarillo's Carver High School won 26-2.

It seemed that about half of the McLean population attended the game.

Understand the Gulf oil well test, located between Wheeler and Mobeetle, has been brought in. The well is expected to be a good one. Went down to about 10,000 feet, I think.

Incidentally, there are a couple of tests going down right away in our vicinity. One is on the Emory Crockett place east of town—on the land in the same section where the Crocketts live. Drilling for gas there, I believe. Then Ruel Smith is drilling a test north and west of town about three miles. Ruel is drilling for either gas or oil.

One of these days, maybe we'll have a nice little gas field to the south of us. Probably would be considerably more development there now, if there was a ready market for the gas. I'm told a line is to be laid in that area some time. When, I don't know.

The Panama company has a large portion of the land to the south of town under lease. The firm has put down several tests, but few, if any, are producing at the present time.

Football Coach: You're out of condition, Buck. What have you been doing?
Player: Studying.

Daughter: He said he was going to kiss me or die in the attempt. And when he told me he had no insurance, I felt sorry for his poor old mother.

Here's something to think about when we hear of small towns getting some type of industry: More than 81 per cent of the industry in this nation is local industry which was developed and expanded by local people.

In Texas, of the more than 8,000 manufacturing plants, 85 per cent have fewer than 50 employees, and the average number of employees is 42. This means that a good many have from five to 20.

OUR DEMOCRACY by Mat SOWING, GROWING and REAPING

HERE IN AMERICA, SO VARIED IS OUR CLIMATE, SO DIVERSE OUR AGRICULTURAL PRODUCTION, THAT FARMERS IN ONE SECTION OF THE COUNTRY WILL BE PLANTING, WHILE FARMERS IN ANOTHER WILL BE GATHERING IN THE HARVEST, AT ANY GIVEN SEASON OF THE YEAR. THE PROCESSES OF SOWING, GROWING AND REAPING TO PROVIDE FOOD FOR OUR PEOPLE ARE CONTINUOUS THE YEAR ROUND.

AND SO IT IS WITH SAVINGS. WHILE YOUNGER FAMILIES ARE PUTTING MONEY ASIDE FOR THE FUTURE IN LIFE INSURANCE AND SAVINGS, OLDER FOLK ARE ENJOYING THE BENEFITS OF THEIR FORESIGHTED THRIFT. "SOWING, GROWING AND REAPING" IS THE WAY OF PROGRESS IN OUR DEMOCRACY.

News About THE BAND

Elect Officers The McLean High School Band elected officers Tuesday, September 15. For the office of president, the band chose Archie Dwyer, senior band member. For vice president, they selected Juno Stubbfield; and for secretary, Juno Beck. The three officers above are also journalism students, and will alternate as reporters for the band. This Friday night will mark the fourth public appearance of the high school band when they travel to Amarillo to support the football team in its game with Price College. The band will make all out-of-town games as well as home games and lead their support to the Tigers. The band goes on the road again Monday morning to attend the annual Tri-State Fair at Amarillo. The band will march in the parade at 11 and then remain for an afternoon of festivities at the Fair Grounds. On Thursday, September 24, a representative of Megert Music company will be at the high school with a group of instruments available for rental to those students who are enrolled in beginning band. Mr. Jordan will have a large selection of all kinds of instruments with prices to fit the pocket of everyone. Joe Coleman, the band director, urges all parents of beginning band students to be present and make arrangements for an instrument. Classes for beginning band will begin the following Tuesday, and it is necessary for everyone to have an instrument. The time of the display is set for 3:30 till 6. Mr. Coleman also wishes to urge the parents to be sure and let him inspect any instrument they plan to buy or rent for their child. The instrument must be approved before the child can take band. This is only a method of selecting a satisfactory instrument for each child to play. Paul Ashby of Amarillo visited with his mother, Mrs. R. N. Ashby, Wednesday. Mrs. John Wardlaw of Amarillo, Mrs. Naomi Forkner of Memphis, and Geraldine Hommel of Clarendon are visiting with Mr. and Mrs. A. N. Herdeman this week. Mr. and Mrs. N. A. Gossip—

(Continued from page 1) explaining that encouragement means much to the players. The McLean P. T. A. wanted us to remind you that their Varsity show is scheduled for Tuesday night, October 13. Still no details. We learn by the news from Mrs. J. M. Bruton at Kellerville that the Roy Kiser family is moving from Amarillo to Fort Worth. Roy and his family formerly lived in McLean, where he worked at a grocery store and later operated one of his own. For the past few years he has been working with the Furr Food Stores in Amarillo. In Fort Worth, he will be district supervisor of the meat department in the Fort Worth and Dallas area for Furr Food. District 1 of the Texas Library Association will hold its fourth annual meeting in Amarillo Saturday, October 17, at the Stephen F. Austin Junior High School, with Miss Ila Pool, librarian, Pampa Junior High School, chairman presiding. The theme of the meeting will be "Better Library Service for Texans." An interesting program has been planned with Dr. Hazel Pulling of Texas State College for Women as resource consultant. Thomas J. Gibson III, state librarian, and Vernon Porterfield, acting extension director, will also attend the meeting. Under discussion will be the challenge facing librarians in providing improved library service for Texas. Luther Petty left Thursday for a visit with his brother, John T. Petty and wife of Meriden, Idaho. He accompanied another brother, Horace M. Petty, and wife of Vernon. They also visited Francis L. Petty in Denver, Colo.

Auto Inspection Law in Effect Thruout State

TEXAS motorists found the doors of 3,120 official auto inspection stations open Tuesday morning ready to check their vehicles under the provisions of the modified Motor Vehicle Inspection Law which was enacted by the last Texas legislature. George Busby, chief of the Texas Department of Public Safety's Motor Vehicle Inspection Division, announced that that number of stations have already been licensed to operate and that another 200 applications are now on file from operators, desiring to conduct inspections. Busby estimated that the total number of inspection stations will reach 3,500 within the next few months. The new period, during which motorists must have their cars inspected, opened Tuesday and will run through next April 15. Homer Garrison Jr., director of the State Safety Department, has issued an appeal to car owners to take their vehicles to one of the convenient stations early and avoid a last-minute rush similar to that which resulted under the old law that expired August 25. Garrison pointed out that all of the station operators have been fully versed in the provisions of the new act which calls for inspection only of brakes, lighting equipment, horns, rear-view mirrors, and windshield wipers. Mr. and Mrs. Jack Vineyard and son Jackie of Amarillo visited with Mr. and Mrs. H. C. Heasley Thursday of last week. Mr. and Mrs. Glen Sperry of Macomb, Ill., spent the week-end with Mr. and Mrs. J. L. Hess. Mr. and Mrs. Jim Johnson of Eunice, N. M., spent the week-end with Mr. and Mrs. T. D. Key and Mr. and Mrs. Wallace Grimsley. Mrs. Ella Ann Jones went to Albuquerque, N. M., last week to visit with her sister-in-law, Mrs. Ruth Nix, who was in the hospital there.

The Social Security Administration encounters two major problems in posting the individual wage record accounts of more than 60 million employees each calendar quarter, according to J. R. Sanderson, manager of the social security field office in Amarillo. One of these is the receipt of tax returns with missing social security numbers; the other is tax returns bearing incorrect numbers. Most of the incorrect numbers result, probably, from failure of female employees to notify the Social Security Administration of change of name due to marriage or divorce. In case of a name change, the worker should ask the local field office to issue a duplicate social security card showing the new name and the same old number. Until this is done, any wages earned should be reported under the old name. Persons desiring a social security card because of a change in name, should address their request to the Amarillo office, enclosing the old card. Inclusion of the old card will enable the field office to give return-mail service to such requests, Sanderson said. If the employee allows each new employer to copy his name and number directly from his card, both problems of incorrect and missing numbers will be solved. Mr. and Mrs. Jim Johnson of Eunice, N. M., spent the week-end with Mr. and Mrs. T. D. Key and Mr. and Mrs. Wallace Grimsley. Mrs. Ella Ann Jones went to Albuquerque, N. M., last week to visit with her sister-in-law, Mrs. Ruth Nix, who was in the hospital there.

SCIENCE and your Health SCIENCE VS. BRAIN FEVER by Science Features

Meningitis gets its name from the fact that the disease is characterized by an inflammation of the covering, or meninges, of the brain and spinal cord. It often strikes in epidemics, is extremely contagious, and its most frequent victims are children and young adults. This disease, sometimes known as brain fever, was fatal in almost every case until 1906, when an anti-meningitis serum was developed which cut the existing mortality rate in half. Even as late as 1928, however, fatalities due to the meningitis epidemic of that year reached 50 per cent. With the introduction of the sulfa drugs, and later the antibiotics, a drastic reduction in the meningitis mortality rate occurred. Recently, for example, two Seattle doctors reported that only one out of 30 cases of meningitis in children proved fatal. Treatment in these cases consisted of a combination of sulfadiazine and terramycin. But despite advances in treatment, meningitis is still a dangerous disease. One of the biggest dangers is that though the patient may live the inflammation may have time to permanently damage the brain or nervous system. To prevent this, doctors regard it as essential that the disease be recognized and treated at an early stage. Since meningitis may be caused by several different microbes, a tap of the spinal fluid must be taken to isolate and identify the specific disease-causing organism. So important is a quick diagnosis that this is often accomplished within a half hour after arrival at the hospital.

G. C. Boswell, Ex-School Head, Dies at Austin

Grover C. Boswell, former superintendent of the McLean public schools, died at Austin last Friday afternoon following a heart attack. Funeral services were held Sunday afternoon in Austin, with burial there. Boswell suffered a heart attack at noon Friday, and died at about 5 o'clock in the afternoon. The former McLean superintendent had been a member of the staff of Land Commissioner Bascom Giles for several months. He resigned from his position as president of the Ranger Junior College earlier this year to work with Giles, and came through McLean shortly before going to Austin to live. Boswell served as the local school superintendent in the early 1930's. He went from here to Abilene, to serve as dean of McMurry College. From there he went to Weatherford to be president of Weatherford College, a Methodist school; and then went to Ranger as head of the junior college. Mr. and Mrs. G. W. Humphreys and son Jack visited with Mr. and Mrs. George Mason in Wheeler Sunday.
