Cicero Smith Yards— NOW 50 YEARS OF AGE

The Cicero Smith Lumber company observed its golden anniversary last Saturday night, when a banquet attended by about 175 employees of the firm was held in Lubbock.

The local yard was opened less than a year after the company was formed. Three yards, at Fort Worth, Decatur, and Alvord, were first opened by the corporation in October, 1903, and the McLean yard was formally opened August 18, 1904.

The banquet Saturday night honored the employees, and service pins were awarded. Carl Jones, manager of the local yard, received a 30-year pin; Mrs. Jones a 10-year pin; and M. C. Walker a 5-year pin.

The company, now boasting a total of 27 lumber yards, was incorporated October 27, 1903, with three stockholders—Cicero Smith, J. L. Johnson, and G. H. Connell.

C. S. Rice, still a resident of McLean, was the first manager of the local yard when it was opened in 1904 in the location now used by the Glass and Dwyer

Beck, who introduced each of the princesses and her prince from the elementary school, and the queen contestants and their escorts from the high school.

After all representatives of the various grades were on stage, Jack Hupp, who escorted Miss Martindale, 7th; Elizabeth Boston and Jerry Smith, 6th; Rita Ann Brown and Jobey Jones, 5th; Donna Sue Graham and Jimmy Ray Kingston, 4th; Marilyn McElroy and Paul Pierce, 3rd; Toni Mertel and James Farris, 2nd; and Suzanne Rogers and Dickie Crockett, the crown bearers, 1st.

Other queen contestants and their escorts were Beverly Henry, junior, and Ricky Mantooth; Harlene Moore, sophomore, and Morris Wells; and Janie Martindale, freshman, and Fred Smith.

From the grade school were Molly Miller and Larry Back, 8th grade; Anita Back and Robert Martindale, 7th; Elizabeth Boston and Jerry Smith, 6th; Rita Ann Brown and Jobey Jones, 5th; Donna Sue Graham and Jimmy Ray Kingston, 4th; Marilyn McElroy and Paul Pierce, 3rd; Toni Mertel and James Farris, 2nd; and Suzanne Rogers and Dickie Crockett, the crown bearers, 1st.

The large crowd attending the carnival enjoyed the many booths—one representing each class and the F. H. A.-F. P. A. concession stand—from 7 o'clock until about 9:30.

Change to Put Gruver in 1-A Grid District

District 1-A, the Interscholastic League district of which McLean is a member in athletic contests, will likely have eight teams in it instead of the present seven when the 1954 season rolls around.

The league officials have tentatively assigned Gruver, formerly a Class B school in District 1, to the district with McLean, Canadian, Lefors, Clarendon, Memphis, Panhandle, and White Deer.

The elevation of Gruver to Class A was one of a number of changes tentatively made for the 1954 season. None of the changes are effective during the 1953-54 school year.

Other changes include the following: Floydada is to be moved from District 5-AA to 2-AA to be with Lockney, Muleshoe, Oilton, and Tulla.

Revival to be November 9-18. A ten-day revival meeting will begin Monday, November 9, at the Pentecostal Holiness Church in McLean.

BORGER CHOIR SINGS AT LIONS LADIES NIGHT

A Ladies Night dinner and program, honoring all members of the faculty of the McLean schools, and wives or husbands of the teachers, were held by the McLean Lions Club in the elementary school cafeteria Tuesday night.

Highlighting the program was the appearance of a group of boys and girls from the Borger school, who sang several numbers under the direction of Alfred Skoog, choir director.

Skook will be remembered here as the husband of the former Patty Ruth Rippey, daughter of former residents Mr. and Mrs. Harold Rippey and a graduate of McLean High School.

The musical numbers were presented by an all-boys choir, a boys quartet from the choir, a duet by two girls, and a larger group of girls. All numbers were applauded highly by the Lions and their guests.

Boyd Meador was in charge of the program. The meeting was opened in the usual opening form of the Lions Club. Songs were led by Joe Coleman, musical director of McLean high; the pledge to the flag was led by Larry Fuller; and the invocation was given by Rev. C. W. Parmenter.

Lions President Odell Mantooth presided. Following the presentation of the musical numbers, Lion Tamer Parmenter introduced James A. Prock, grade school principal, who introduced the members of the grade school staff; and Freeman Melton Jr., who introduced the high school staff.

Each Lion then introduced his wife. Out-of-town visitors included Mr. and Mrs. Jack Stone, Mr. and Mrs. G. Byars, and Sam Pakan, all of Shamrock.

TIGERS MUST WIN TO KEEP TITLE CHANCE

Another crucial test in their attempt to keep alive their chances for winning the District 1A title faces the McLean Tigers Friday night when they meet the Clarendon Broncos on Duncan Field in McLean.

The battle, and it always is a good battle when the two teams meet, will begin at 7:30 o'clock. A pep rally will be held downtown in McLean at 2:30 o'clock Friday afternoon, Principal Freeman Melton Jr. said.

The high school students, band, and pep squad will march downtown for the rally, to which everyone is invited.

The Clarendon team has a good season's record to date, but has failed in all three of its district games. The Broncos started off the season with a bang, taking their first four games—winning over Groom 12-0, Claude 18-0, Pampa B 33-6, and Lakeview 41-6.

But in conference play, the story was reversed. The Broncos lost to Panhandle 26-6, White Deer 35-12, and Memphis 27-0, to put them at the bottom of the district ladder and out of the running for the district title.

The Broncos have eight returning lettermen working out under Coach Ray Moore. The lettermen are Fred Clifford, Jimmy Lamberth, Bob Johnson, Ronnie Martin, Bill Noblett, Bob Wilson, Bob Phillee, and Bill Dale Hill.

The Tigers will have to win the game to remain in the running for the district title. Four of the seven teams still have a possible chance of representing the district. They are Memphis, with no losses, and Canadian, McLean, and Panhandle, with one loss each.

DEATH TAKES J. E. CUBINE

John E. Cubine, long-time resident of this area, died at 1:10 o'clock Wednesday afternoon. Cubine, 77 years of age, had been seriously ill for the past week.

Funeral services have been set for 2 o'clock Friday afternoon at the First Presbyterian Church in McLean under the direction of the Claborn Funeral Home.

PUCKETT'S HAS 29TH BIRTHDAY

Puckett's Grocery and Market, one of the oldest business firms in McLean to remain in business under one management, will observe its 29th birthday this week.

The store was founded here in 1923 by the late J. B. Puckett, R. T. Dickinson, store manager, said, as the third store in the Puckett group. J. B. Puckett's sons, Ralph and Blaine of Sayre, Okla., are now running the Puckett store.

Dickinson joined the Puckett organization in 1925, and came to McLean in 1931. He has served as manager of the local store since that time, with the exception of the time he spent during World War II with the U. S. Navy.

Since the war, the store has undergone a number of improvements, to make it one of the most modern in the area. Latest addition to the store fixtures was the new fruit and vegetable stand, installed earlier this year.

In observance of the 29th anniversary, a special sale is being held this week, Dickinson said. The store is also announcing a new trading stamps plan. The stamps are called Top Savings Stamps, and will be given by Puckett's, Watson Gulf Service, and Clett Cleaners. A premium display will be in Puckett's this week-end to allow patrons to view some of the merchandise available with the stamps.

something happened to the Tiger spark, and they couldn't get their scoring spark back, and they couldn't handle the Bucks on the defense—especially the Bucks' passing attack.

The most exciting moment came after the score was 20-16. The Tigers gave the ball up on downs on their own 39, when Ricky Mantooth attempted to circle end for a needed six yards on a fourth down try.

A Ronald Mills' pass to Don Denham, set the ball down on the Tiger 19, and another try booted the point. Score 13-0.

A few plays later, Wayne Moore intercepted a pass from Ronald Mills on the Buck 40, returning it to the 34. On the next play, Mantooth tossed a nice pass to Smith to the 15, and Smith ran on over. Haslam booted the point. Score 20-0.

The Bucks started rolling then, setting up a scoring threat with a jump pass to Maynard Kotara. Four plays later, however, the Bucks yielded the ball on downs to McLean on the 13. Then followed an exchange of punts, with McLean winding up with the ball on their own 27.

Mantooth failed later in the period, but were stopped, and the game ended with McLean on the move down to the Buck 19.

The Bucks threatened again later in the period, but were stopped, and the game ended with McLean on the move down to the Buck 19.

**40 Years Ago— IT HAPPENED HERE**

Taken from the Files of The McLean News, 1913

W. A. Stubbs arrived the first of the week from California to join his family here. We are glad to learn they will again make this place their home.

Mrs. S. B. Fast has returned from a two-months visit with her daughter, Mrs. Sidnah Quest, at Laurel, Mont. She was accompanied home by Mrs. Quest, who will visit with the family here for several weeks.

Joe Hindman and wife returned the first of the week after an extended stay in North Texas, and will again make this place their home. A merry crowd of friends met the young gentleman at the depot and escorted him on a triumphal march through the streets astride the proverbial mule, the mule for those who leave this good country and then come back.

**Small Pox at Lefors**  
Dr. C. E. Donnell, county health officer, was called to Lefors the latter part of last week for the purpose of looking after a threatened small pox epidemic. He reports one case, that of Sheriff J. S. Denson, and one or two exposures, but thinks the malady will not spread to any appreciable degree. Those who had been exposed he vaccinated. Sheriff Denson has been quar-

antined at his home, but aside from this inconvenience, is not suffering from the disease as the attack is a very light one.

**Play at Shamrock**  
The local high school basketball team will go to Shamrock Saturday for a return game with the high school team at that place. Many local boosters will accompany them. It is not announced what will be the personnel of the team but it is likely that the same team that defeated the Shamrock bunch on the local grounds two weeks ago will play the return engagement.

The local crowd will go down on the 11 o'clock train and expect to return on the afternoon train, which will likely be several hours late. The round trip fare will be 90 cents.

**To Open Grocery**  
W. R. Veale is this week having his store building refitted with shelves and other necessary equipment for the opening of a first class stock of groceries, which have already arrived and will likely be placed and ready for the inspection of the public by Saturday. Mr. Veale expects to continue the restaurant and lunch stand in connection for the present unless other arrangements not now pending are made.

He informs the News that the new stock of groceries will be right up to the minute in every essential particular and he expects to cater to the cash trade with a line of goods and prices that will attract.

**Forty-Two Party**  
Mrs. J. H. Crabtree was hostess to a party of friends at her home in the north part of town on Tuesday afternoon of this week. The principal feature of entertainment was a round of progressive 42, augmented by a specially pleasing musical program rendered by Mrs. Chas. Rowe. Later in the afternoon a delicious luncheon was served, consisting of sandwiches and various entremets, the second course being chocolate and cake.

Those who enjoyed this delightful affair were Mesdames Holt, Hurst, Massay, Cook, Veale, Lefors, Stubbs, Wolfe, Hindman, Rowe, and Cooke.

**Club Organizes**  
The members of Rev. J. T. Bryant's class met at the Great-house home Friday evening of last week and perfected a social organization which will have for its motto, "In His Name to Serve." There were about eight members present, and the election of officers resulted as follows:

President, Miss McAfee; secretary-treasurer, H. A. Mabry;

In the old days, it took three or four blankets to keep the Chief warm when the wintry winds began to blow across the reservation. But, now that he's "wired for winter", with one electric blanket, he finds that one does the job—ever better than a big pile of old-fashioned blankets did.

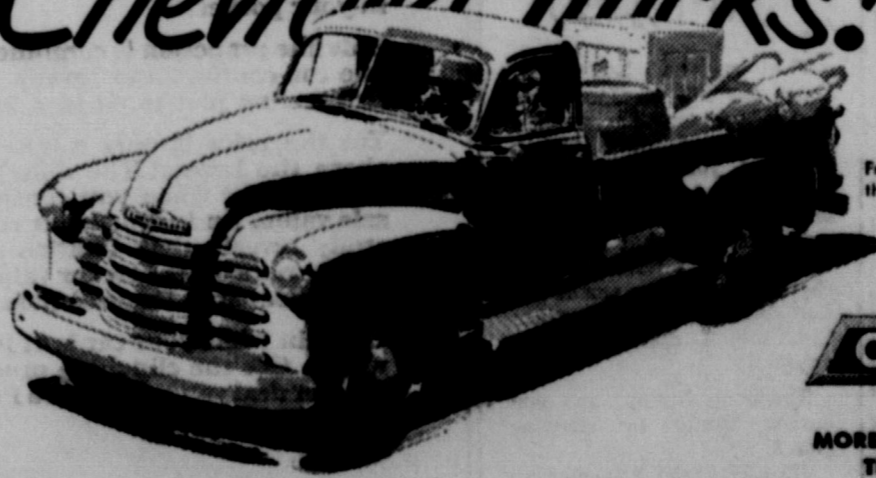

You, too, can enjoy complete winter-time sleeping comfort with one blanket—electric, of course. And don't forget, they come with dual controls, so that each sleeper can have the comfort setting desired.

## EVERYBODY A STOCKHOLDER

THERE WAS A TIME when it was almost universally believed that the stock exchange was the exclusive province either of rich financiers or daring speculators—and when the people concerned with operating the exchange did little or nothing to discourage such a belief. That time belongs to history. A revealing article in Collier's for October 16, written by Donald L. Rogers, helps to show how great a change in attitude is taking place.

Mr. Rogers' article is entitled: "How to Be a Wall Street Financier on \$10 a Week," and that pretty well describes its theme. He begins, "One day soon a man may knock at your door and offer you a chance to become a capitalist for \$10 down and \$10 a week. He won't be peddling panaceas. He'll offer no plan for retirement on a tropical isle, no guarantee of security for your old age. But he'll hold out something perhaps more important and more exciting—a chance to share the profits, to buy into the ownership of America's industries with small cash payments . . . he'll be selling stocks on a pay-as-you-go plan."

This, Mr. Rogers writes, is the revolutionary concept of the man who became president of the New York Stock Exchange two years ago, G. Keith Funston. Mr. Funston is an educator, who came to the job from the presidency of Trinity College, Connecticut, and he brought the attitude of an educator with him. His ambition, Mr. Rogers says, "is to make the facilities of his auction mart as familiar to the farmers of Maine's Aroostook County and the ranchers of Montana as they are now to the wealthy residents of New York's Park Avenue and Westchester County. He thinks Detroit's well-paid auto workers and Pittsburgh's prosperous steel-workers, for example, don't invest enough of their money in stocks for two reasons: they don't know how to go about it, and they don't have enough money to buy stocks in the customary blocks of 100 shares."

Mr. Funston's plan does not have its primary roots in the desire to expand business for the exchange or brokerage houses. It goes far beyond that. He is convinced that the way to save this country from communism or socialism or something similar is to successfully encourage many more people to invest part of their savings in the corporations which provide us with our wealth of goods and services, along with much of our employment—and for them thus to gain a direct, personal stake in the preservation of the capitalist system. Mr. Funston once said in a speech, "There's no stock exchange in Moscow." And he was immensely encouraged by the fact that a leading labor newspaper took up this theme in an editorial, observing that "your right and privilege to become an owner of American business, if you choose, is one of those precious rights you enjoy and take for granted," and that hundreds of other papers expressed similar ideas.

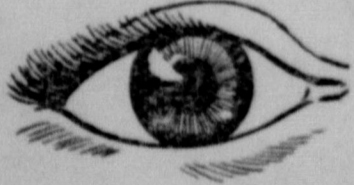

Wall Street is by far the most important source of the money industry needs for expansion and other improvements. Mr. Funston has said, "Unless Wall Street is restored to health, there will be no place where American corporations can raise new money, no place to cultivate the expansion of American industry. It doesn't take much imagination to visualize what would happen if our industries couldn't expand, or if new ones couldn't come along."

Mr. Rogers describes what is now being done to teach the facts of capitalism to Americans. He concludes, "Funston is proud that 1300 tourists a day visit the stock exchange. They're more than visitors, Funston believes. They're future investors."

Mrs. Lester Campbell and daughter Chris returned home Sunday after spending several days in Wichita Falls.

Mr. and Mrs. John Scott attended the funeral of their brother-in-law, W. W. Whitsitt, in Amarillo Friday.

ODELL MANTOOTH

## LES

## TALK

By LESTER

Whew! That was a close football game Friday night with White Deer. We nearly lost it in the final quarter.

You see, I had figured that the Tigers would win by seven or eight touchdowns. White Deer has its weakest team in years, and we are supposed to have one of our best in years.

But in the second and fourth quarters Friday night, we simply didn't have the best team. And we nearly got beat.

Please understand this—a one-point victory is all I want. But we'll have to do better the next three Friday nights if we win three more games.

See this fellow here? Know who he is? Sure, you do. It's Odell Mantooth, president of the McLean Lions Club. Odell has just returned from a nice expense-paid week's vacation. He was awarded the trip for his good work in selling Atlas tires, tubes, and batteries at his Chevron Gas Station. He went up to New York, and, among other things, visited the Atlas factory at Newark, N. J. The other things he did, I hear, were very entertaining, too. Some of you may not know Odell as well as I do. He is one of the finest fellows I have ever known. Of course, at the present time, what with his son Ricky one of the mainstays of the football team, he may get a little too excited at a football game. But why shouldn't he? Ricky's his only son, a good football player, and a fine young man. Odell has a right to be proud of him, and I certainly wouldn't care for Odell if he were not proud of his son. Odell is a mighty good civic worker, too, as is evidenced by his being selected as president of the Lions Club this year. Every since I have been here, Odell has been

active in civic work—Lions, Highway 66, and Jaycees. He is also a good member of the Methodist church. He's there every time I am (which wouldn't set any record), and I imagine he's there practically every Sunday. Odell is also one of the more liberal donors to everything that comes along—if he thinks the project is a worthy one, he is willing to give his share. He has also aided his fine wife, Tressie, to rear three mighty good and mighty smart kids. Hats off to a good man to have as a friend, Odell Mantooth.

Quite a number of people mentioned to me what I said last week about boys who do not play football during their high school career. All who mentioned it were in agreement with my thoughts. Several of those who mentioned it had played considerable football themselves. Thank you for even reading this column. I appreciate knowing that some of you do.

Two of our well-known business firms are observing their birthdays this week. They are Cicero Smith Lumber company (I guess the lumber yard is the oldest firm in town under one ownership), and Puckett's Grocery and Market. My heartiest congratulations to both businesses for your service to our community over the years.

"Life's photographer" suffered considerably on Duncan Field last Friday night. The half-time stunt by the McLean High School band was dreamed up by that master of showmanship, Band Director Joe Coleman. Seems that I got so fired up over football, I some time overlook another important phase of our high school activities, the band. But I, along with hundreds of other people, enjoy our band, and I hope you band members, and you, Joe Coleman, will forgive me for not mentioning the band more often. Anyway, Bob Stubblefield, the "Life photographer," continued to be trampled on by the band when he attempted to take pictures. The last time he went down was too much. Director Coleman, using the P. A. system, asked for a doctor when the bandsmen gathered around the "photographer," and then asked for an undertaker. Neither, of course, came forth.

A humorous note of the affair was, however, not enjoyed by all fans. Sitting in the center part of the west stands were two preachers, Harold McColum and C. W. Parmenter. When Coleman asked for the doctor and then the undertaker, both preachers spoke up and said they were ready to "bury him."

It was a good show, Joe. Congratulations to you and your fine bunch of bandsmen.

Larry Fuller, Ted Simmons.

## The McLean News

McLEAN, TEXAS, THURSDAY, NOVEMBER 5, 1953

Buddy Sutton, and I represented this community (what a representation) at the annual banquet of the Pampa chamber of commerce in the Pampa high school cafeteria last Thursday night. We heard a very good speech made by William J. Bird of Dallas, manager of the Southwestern Division of the U. S. Chamber of Commerce. The main theme of his talk was "selling your community." It was a good "shot in the arm," and it would have been nice if every business man in McLean could have heard it. But, unfortunately all of them couldn't go. The Pampa C. of C. sent four complimentary tickets, and it took considerable persuading to find four people to use the tickets.

Mr. and Mrs. Donnie Lowe visited with Mrs. W. M. Tibbets and children of Erick, Okla., Sunday.

Marvin Hindman was in Dallas on business over the week-end.
